

# Engineers to look at Dam site here

The Army Corps of Engineers will send a group of men to Hansford County Wednesday of this week to inspect the proposed Palo Duro dam sight north of Spearman. The group will include 2 Army Generals out of Dallas.

Johnny Lee will deliver petitions to the commissioners in Ochiltree and Moore counties. The commissioners must get 50 names on each petition in their respective county to determine if

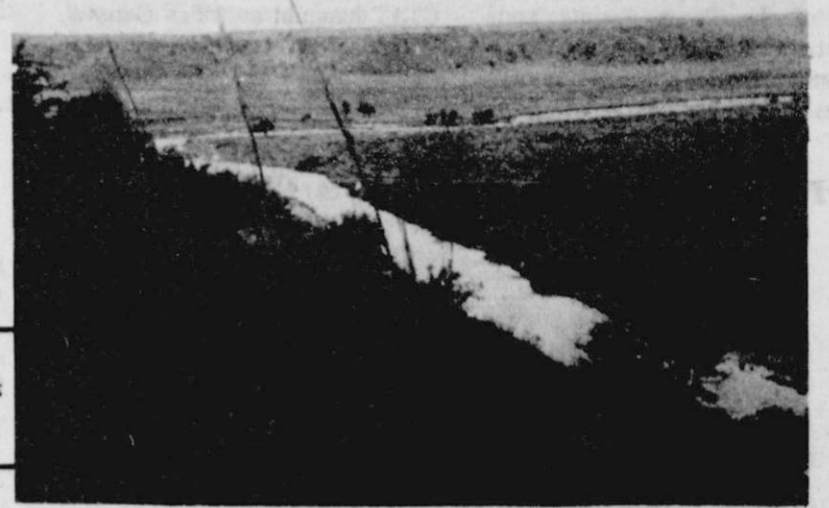

Moore and Ochiltree will become members of the Palo Duro River Authority.

After the 50 names are secured voters will then decide in an election whether or not to join the authority.

The proposed Palo Duro dam will be 2 miles long, 950 feet wide at the base, and 150 feet high. The dam will be a 2500 acre surface impounding 60,900 acre feet of water.

West bank of the proposed Palo Duro Dam.

The Palo Duro River runs bank full.

LOREE MORRIS 1984 HOMECOMING QUEEN

### Beaver Dusters next on Lynx hit list

The weather is changing. A cold north wind blew into Spearman Monday night. It wasn't a dust storm, however!

The Lynx will play at Beaver Friday night kickoff at 8:00 p.m., and this is where fans will encounter a real dust storm when the Lynx meet the Beaver Dusters.

Lynx fans are still excited about the Homecoming game Friday night. Monty Morris opened the scoring for the Lynx early in the game on a 9 yard touchdown run behind excellent blocking. Hooker answered on a 16 yd. pass play for from David Gibler to Todd Kerr to tie up the score at 6-6. Readers are reminded that the place kickers are having to kick into a 35

m.p.h. cross wind making it almost impossible to make a point after touchdown.

Mack McLain opened the scoring in the 2nd quarter on a 36 yard pass from Ross Donahue. Donahue added another touchdown in the 2nd quarter on a 1 yd. run. Steve Burke kicked the extra point.

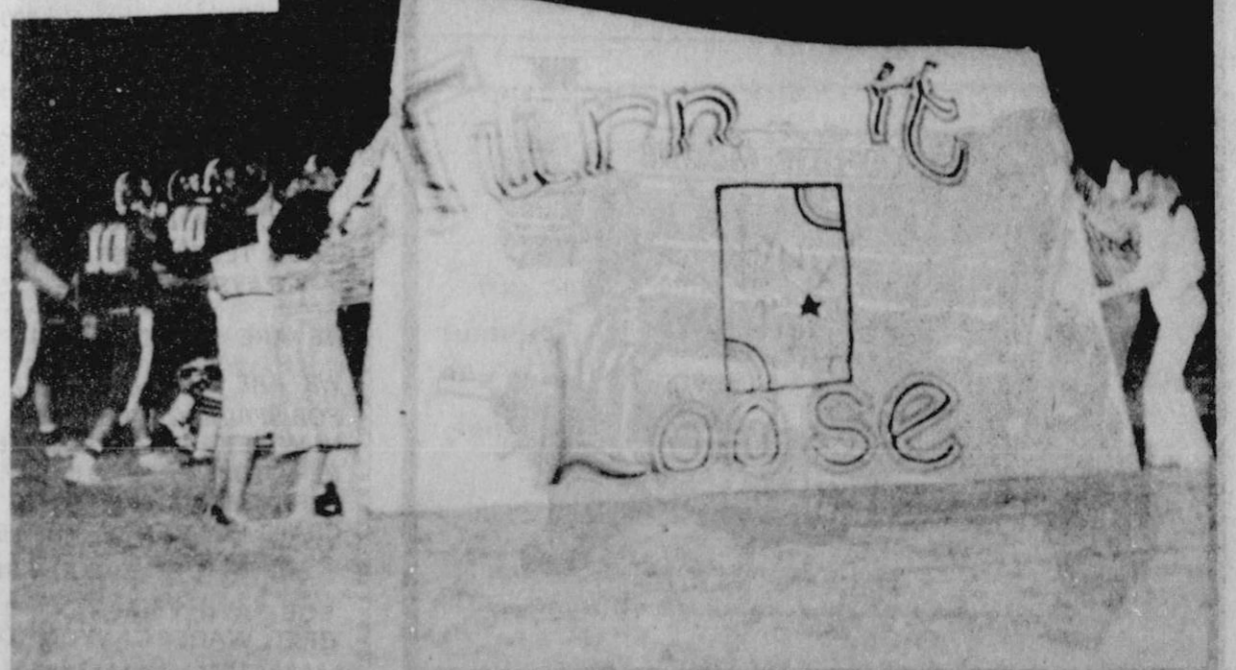

Hooker again answered with a 9 yd. touchdown from David Gibler to Todd Kerr. Gibler then passed to Kerr for the 2 point conversion. Spearman added another touchdown in the 2nd quarter on a 7 yd. touchdown run by Ricky Lopez. The PAT failed ending the first half with the Lynx leading 25-14.

In the 3rd quarter the Lynx

scored on a 31 yd. pass from Ross Donahue to Bob Cook. Hooker answered with a 42 yd. run in the 4th quarter by Ed White. Also in the 4th quarter Ross Donahue intercepted a Hooker pass and returned it 65 yards for the final score of the game.

The Spearman-Hooker game was one of the finest offensive shows ever put on at Lynx stadium. The teams gained 527 yds. rushing and 322 yds. passing for a total of 849 yds.

The game at Beaver Friday night should be as exciting as the Hooker game. So make plans to attend the Spearman-Beaver game at Beaver Friday night, at 8 p.m.

## Two Bit Sermons

by James D. Jones, Pastor Fellowship Baptist Church

If a formal paper was to be written it would fill many pages. Almost all churches claim to be the church Jesus started. Could we imagine a church which said, we are not the true church but come anyway. We all claim to be the church. I hope to be able to state a little of the Baptist position you.

We believe that the church was began by Jesus during his lifetime. We can not believe that it was started by and man except Jesus. In Matthew 16:18 Jesus said I will build my church, and we believe Him.

We also believe that there are distinctive marks for a New Testament Church. A few of these are as follows:

1. It's head and founder is Christ. Matthew 16:18, Col. 1:18.
2. It's rule of faith is the Bible, II Tim. 3:15-17.

3. It's name, Matthew 16:18, Rev. 22:16.
4. It's Polity Congregational, Matthew 22:24-28.
5. It's members, saved people, Eph. 2:21, I Peter 2:5.
6. It's Ordinances, Baptism and the Lord's Supper Matthew 28:19-20.
7. It's officers Pastors and Deacons I Tim. 3:1-16.

The beliefs of the Baptist we extensive. I hope in the future to cover much ground. My purpose is to share the faith that we have as Baptist.

We as Lutherans believe that the scriptures were given by God through His Spirit as the means by which the revelation originally imparted to the patriarchs and to the prophets so that the scriptures may be communicated to the generations which would come after them. The words of scripture could be cited as the direct utterance of God (Hebrews 5:5), or the Holy Spirit (Hebrews 3:7). The scriptures recorded the witness of the prophets to the Christ who was to come, which the preaching church bore its living testimony to the truth of Jesus Christ.

NEXT TOPIC: The Scriptures and Christ.

So you've decided to sign up for an exercise class, and the question is, which one to take?

Selecting among exercise classes is sometimes just a matter of picking the one that meets closest to your home or at a convenient time. However, there are other important points to consider as well.

For example, you can't always judge the quality of an exercise program by the size of the fee charged. Sometimes higher fees simply mean that you're helping to pay for fancy equipment that the class will not use, or a business location in the high-rent district.

If fact, some of the best exercise programs may be available to you through public agencies and service organizations at very low cost.

The key rule for selecting an exercise program is finding one that actually leads to increased fitness through appropriate aerobic exercise.

So before signing up for any exercise class, ask the following questions. The more "yes" answers you can give, the more likely that the program will help you become more fit.

Are personal health history forms or medical release forms required?

Will you get an individual fitness assessment and evaluation?

Do the warm-up and cool-down phases include slow stretching (not bouncing)?

Does the class emphasize cardio-respiratory endurance (aerobics) rather than dance technique?

Are five to 15 minutes allowed for warm-up; 20-30 minutes for aerobic conditioning; and five to 15 minutes for cool-down?

Does the instructor explain and follow the aerobic training principles for frequency, intensity, time or duration and type of exercise?

Will your individual target heart rate zone be explained, established and frequently monitored?

Do instructors watch students close enough to guard against overworking?

If the class meets less than three times per week, are other aerobic activities suggested?

Are other aspects of fitness, such as body composition, diet and weight control discussed factually?

If you aren't physically capable of doing the more demanding exercises, will you be given alternatives?

Does the instructor have a background in physical education, anatomy, physiology, fitness, injury prevention and exercise technique?

**Kellie Sanders receives Golden Key Scholarship**

Golden Key scholarship recipient Kellie Sanders has a unique talent. Not only is she a 4.0 student at Kansas State University, a member of the Hall Governing Board, and Theta Xi Little Sister, she is also a championship public speaker.

Kellie first got involved with public speaking her last semester in high school. Her brother was on the debate team and encouraged her to become involved. Four and one half years later, she has surpassed any dreams about her goals as a speaker.

Qualifying in the National American Forensics Association tournaments for the past three years, Kellie did extremely well last year. She placed fifth in the category of persuasive speaking, with her topic being the impact on our society of scientists falsifying data. She reached the semi-finals in extemporaneous speaking and the quarterfinals in impromptu speaking. Her other areas of expertise are informative and after-dinner speaking and communication analysis.

"I have learned so much from being on the speech team," said Kellie. "The most important thing I've learned is organizational skills. When you're competing in five or six different categories you have to keep organized." Kellie said she has also learned to budget time and energy. "Meeting all different kinds of people has helped me to develop social skills, too," she said.

As you can imagine, Kellie has many career goals for the future.

She aspires to work as a speech writer for the government in some capacity, or perhaps to work as an evening news anchor for a local television station. Whatever she decides, we know she'll be a wonderful success. Congratulations, Kellie, and keep up the good work!

Kellie Sanders is the daughter of Emmett R. Sanders of Spearman and Eleanor P. Sanders of Amarillo.

## Wedding Unites Couple

Mrs. Bobby Bates

The sanctuary of the First United Methodist Church of Panhandle was the scene of the August 18th wedding ceremony uniting Laura Ginette Darnall and Bobby Lynn Bates. Rev. Herb Tavenner officiated.

Mr. and Mrs. Rex S. Darnall, Sr., of Panhandle, are the parents of the bride. Mrs. Pauline Harbour, of Panhandle, is the bride's grandmother.

The groom is the son of Mrs. Brenda Crowley of Panhandle and the late Bob Bates. Mr. and Mrs. Clyde Soapes, Sr., of Gruver and Mr. Byorn Bates of Oklahoma City are the grandparents of the groom. Mrs. Mattie

Belle Dyer of Spearman is the groom's great-grandmother.

Given in marriage by her father, the bride wore a formal-length candlelight gown of crystal organza trimmed with French alencon and wedgewood laces. The gown featured a wedding band collar of wedgewood lace outlined with pearl encrusted alencon appliques. The fitted bodice featured a sheer yoke of English net and was embellished with scattered alencon motifs and pearls. Sheer bishop sleeves were gathered onto cuffs edged with wedgewood lace ruffles and detailed with alencon appliques. The skirt of organza was en-

hanced with cascading alencon lace designs and bordered with a wedgewood lace ruffle circling the chapel-length train. Her victorian-style bridal hat, covered in lace and sprinkled with pearls, was caught up on the left side with a cluster of silk blossoms. A fingertip pouf veil drifted down the back.

The bride carried a cascade of silk ivory and peach roses.

Candy Daniels of Panhandle served as her sister's matron of honor, and Madeline Bates, sister of the groom, of Panhandle, was bridesmaid. They were identically dressed in Victorian-style formal-length gowns of peach organza accented with cumberbunds. The sleeves and necklines were trimmed with satin ribbon and each attendant carried a bouquet of ivory and peach roses.

Serving as his cousin's best man, was Clifton Peddy of Austin. Kerby Daniels, brother-in-law of the bride, was groomsman. The groom wore an ivory tuxedo with a peach rose boutonniere. His attendants wore tan tuxedos trimmed in brown.

Ushers were Meryl Meaker and Glenn Bonner of Panhandle, Chad Wilson of Gruver, and Carson Soapes of Dumas.

Guests were registered by Michelle Heare of Canyon, Texas.

Vows were exchanged before an altar centered with a unity candle and flanked by garland of greenery and candelabras. Ribbon bows enhanced the pews.

Mrs. Bobby Skidmore, at the piano and Mrs. Lewis Powers, at the organ accompanied Sabra Parsons as she sang "Through the Eyes of Love" before the ceremony, and Madeline Bates as she sang "The Lord's Prayer" after the vows were exchanged and "Two Candles" as the couple lighted the unity candle.

A reception was held in the Fellowship Hall immediately after the ceremony. Servers at the

Two of the judges for the

bride's table were her sister-in-law Cheryl Darnall of Amarillo, Nikki Duncan of Panhandle, and the groom's cousin, Margaret Peddy of Austin. Sabra Parsons and Angela Metcalf were servers at the groom's table.

The couple has made their home in Grand Prairie where he is employed by Thermo King of Dallas.

Pre-nuptial courtesies extended to the couple included a bridal shower, a lingerie shower, and a bridal brunch.

contest are Ms. Mary Grady, a Channel 7 newscaster from Amarillo, and Dr. Zell SoRell, former professor at West Texas State University, now residing in Clarendon, Texas.

This year's three-hour performance should prove to be a wonderful evening of entertainment for the entire family. Tickets will be sold at the gate. Remember, TUMBLEWEED TALENTS, SATURDAY, SEPTEMBER 29,

Authorities disagree on where the ancient Romans got the name Junius, our month of June. Perhaps from Juno, queen of their gods, or possibly from juniores (youths), to whom the month was dedicated, as May was to maiores, the elders.

# WDSCC hosts regional Conference

## ACCOUNT OPENED

With smiling faces and bells on lapels, the Spearman Women's Division of the Chamber of Commerce resounded their theme of Spearman is Someplace Special throughout the day at the 1984 Regional Conference of Chamber of Commerce on Saturday, September 22. The day began at 8:00 a.m. with area Chamber women arriving at the First United Methodist Church to be greeted by "film director", Mary Brock and the "candid camera man", J.L. Brock. Everyone was given a "ditty bag" that had been prepared by Helen Melton as they were registered by Judy Nelson. Freshly baked doughnuts and sweet rolls, prepared by "The Sweet Tooth Shop" of Spearman, were served with coffee and soft drinks, while the Executive Committee met. The Executive Committee is composed of all presidents and vice-presidents of the Chamber groups represented. Nancy Graves, president of Spearman WDCC, presided at this meeting.

The General Assembly convened at 9:00 a.m. with Introductions by Mary Lou Wysong, Invocation by Rev. Lane Boyd and the Welcome by Jim Murray. The program was then turned over to Mary Brock, Chairperson of the Entertainment Committee. She led the group in a song and some stretching exercises to get everyone warmed up. Then, everyone participated in a "get-acquainted" game.

Around 9:30 a.m. everyone was divided into three panel discussion groups. One group was led by Martha Boyd of Spearman on the topic of Community Problems, and she spoke about Spearman's Downtown Revitalization Program. Along with Martha, Jim Murray and Brice McRee of Spearman and Dorothy Blumer of Amarillo contributed their thoughts on City Government, Agriculture and Health Care, respectively. A second group discussed Projects and Membership headed by Jackie Pearson of Spearman and assisted by Sherri Butler of Stratford and David Partlow of Dalhart. The group shared ideas on various projects such as, telethons for membership drives, July 4th celebration, various stands and booths, suppers, raffles, etc. The third group was chaired by Mary Lou Wysong, and she was joined by Robert Elliott and Robert Queen of Spearman and Lou Cooley of Borger. There was a group discussion on how the Women's Division is an additional arm of the Chamber and how the two organizations should work together for the good of the community.

The panel groups were concluded by noon. A delicious meal was prepared and served by "We Three" of Spearman and Gruver and was enjoyed by all. Following the meal, Mary Brock presented a film that she "co-directed" with her husband, J.L. Brock showing the sights of Spearman including the schools, parks, fire department, YMCA, some homes, financial institutions, shopping

areas, Main Street, medical facilities, etc. The purpose of the film

was to allow the out-of-town guests to see why the home folk feel that "Spearman is Someplace Special."

Following the film was the "main event of the afternoon." Judy Nelson gave a humorous, yet very realistic, talk on "Combining a Career and a Marriage."

She stressed a very important point that a family should work together and be able to laugh together.

As the final activity of the afternoon, tours were given to Bulls' Country, Cha-Lor's, Sack's Third Avenue, Charlotte Ford Trunks and concluding with Brock Insurance Agency for refresh-

ments. Many nice comments were made by the visiting Chamber women indicating the success of the conference. Those attending the conference were: Debbie Vandiver, Valeri Naugle, Marilyn Albert and Barbara Walls of Stratford; Joyce Swinford, Cec Lary and Syd Saliam of Dumas; Marilyn Ault, Lea Nussbaum,

Maurine Travis and Rita Johnson of Amarillo; Sheri Benton, Mary Brock, Charlene Bryan, Sheila Caldwell, Rita Curtis, Frankie Donnell, Carmon Gage, Nancy Graves, Karen Harruff, Norma Mackie, Lynanne Maize, Helen Melton, Judy Nelson, Marlane Schutter, and June Sexton of Spearman.

An account has been opened at the First State Bank in Spearman to help with the medical costs of Don Lane Whitefield. Anyone wishing to help can do so by contacting the First State Bank. Don Lane was injured in a wreck recently in Spearman. He is at North West Hospital in Amarillo.

# 7th, 8th, JV teams host Sunray here

The best way to describe the Seventh grade Lynx football team at Stinnett Thursday night is to say that they just "done good"!

The high flying seventh graders shook the Rattlers and rolled to a 26-6 victory. Frank Baca scored on runs of 99 1/2 yards, 75 yards, 20 yards and 8 yards. Baca had a record 200 plus yards for the seventh grade team.

Scott Wilkerson passed to Frank Baca for a 2 point conversion. Much credit must be given to the fine defensive players for holding the Rattlers to only 6 points.

Although the eighth grade lost, 0-14, they played excellent defense. Their offense was plagued with penalties.

The JV blanked the Rattlers 26-0 as Carl Urban scored on a 99 yard pass interception return. Carl also ran 3 yards for another touchdown. Jesse Lozano dashed 3 yards for a 2 point conversion. Brett "The Jet" Davis passed to Dusty Hill 40 yards for a spectacular aerial touchdown. Jesse Lozano added another 2 yard touchdown to complete the scoring for the evening. The defense was almost perfect for the JV.

The JV will play Sunray in Spearman at 7:30 p.m. Thursday, September 27. Fans will also get to see the high flying 7th and 8th graders in action as they too will host the Bobcats here Thursday, September 27 beginning at 5:00 p.m. The varsity will go to Beaver on September 28 for an 8:00 p.m. game.

## IRA deadline changed

The deadline for IRA (Individual Retirement Account) contributions has been shortened to the April 15 tax filing date. Regarding IRAs, pensions and annuities, heirs have been greater flexibility as to when to take taxable distributions. Also, part of the tax on long-term gains in variable and such annuities will now be able to completely defer long-term capital gains until they are paid out to the annuitant.

Some changes also have been made regarding tax credits and depreciation write-offs for business related use of a personal computer or a car bought after June 18 of this year, notes Stegelin. Henceforth, the IRS will want proof that a computer is required for work and that it is used for business use more than 50 percent of the time. Regarding personal cars for business use, the 6 percent tax credit on cars costing more than \$16,666 has been reduced, and annual depreciation ceilings have been changed so that the write-off period has been nearly doubled.
