Scrappy Sunray Bobcats here Fri.

The Spearman Lynx will face the Sunray Bobcats in Lynx Stadium Friday night at 7:30 p.m. With one loss on their district 1-AA record the Spearman Lynx are in a critical conference game this Friday night in a face-off with the Bobcats.

If the Lynx win this game, they will go into the last game with Sanford-Fritch next week to face the undefeated Eagles. But first if the Lynx have any hopes of making the playoffs, they must defeat this scrappy Sunray team.

The Lynx and Bobcats both expect a physical game Friday night. It seems that both teams have been playing that way all year.

Last week, the Lynx defeated the Stinnett Rattlers, 12-9, in a real thriller. Tricky Ricky Lopez says that "when the going gets rough the rough get going." Ricky was the main cog in the Lynx offense Friday night, scoring both touchdowns. The Lynx have had to abandon their "big mac attack" and gone to the trenches in an effort to make the play-offs.

Last weeks results Panhandle beat Sunray; Sanford-Fritch beat Stratford; and Spearman beat Stinnett.

At half time Friday night, fans will get to see the outstanding Sunray and Spearman bands march. The Sunray band, under the direction of Rick Driscoll, formerly of Spearman, received a superior rating on UIL District competition recently.

In the Stinnett game Friday night, the Lynx won a squeaker from the classy Rattlers. Ricky Lopez rambled for 2 and 15 yard touchdowns, as Spearman outlasted Stinnett 12-9 in a District 1-AA football game at Stinnett.

Tom Landry has been notified that Allen Jones of Stinnett kicked field goals of 34, 32, and 21 yards to account for all of the Rattler points. Jones attempted a 44 yard fieldgoal against the wind as time expired. In fact, there was one second on the clock and the ball fell short by one yard. Both teams met on the field after the game and shook each others hands and congratulated each player for the hard fought game. The Stinnett coaches, as well as the Spearman coaches are to be congratulated for both teams sportsmanship. On several occasions, the Rattlers

Five Rattlers pounce on a Lynx.

would tackle the Lynx, pick the Lynx up and pat them on the back. Fans from both towns have very seldom seen a game almost tied on the last second of play.

The Lynx still cannot make extra points, but they are learning to play on a wet field and high winds.

Sunray is an excellent team and fans with a weak heart had better bring some extra pills to the game Friday night. This could be the best game of the year for the Lynx and if they win, remember their destiny can be decided when they meet the Sanford-Fritch Eagles

Near 200 absentee

Interest in the Nov. 6 general election is reflected in absentee voting that climbed to 110 ballots cast in person in the Hansford County Clerk's office in Spearman through Monday.

Absentee voting ends this Friday.

Some ballots have been requested by Hansford residents temporarily out of the county or on military duty.

Amelia C. Johnson, County clerk, projects a possible 200 votes by the end of the week.

The Extension Homemakers held their annual meeting on Thursday, Oct. 25 at the Clubroom.

Enjoying a delicious meal and a delightful program were about 55 homemakers and guests. Jean Everett of Stratford presented a program on "cloth crafts" that gave many new and interesting ideas for handmade gifts and bazaar items.

Town and Country was honored

as the club of the year for 1984. The 1985 yearbooks will be dedicated to our Country Commissioners, Garland Head, B.J. Renner, Val Winger and Joe T. Venneman.

Installed as new council officers for 1985 were: Lynna Renner, President, Pernye Ralston, Vice-President, Mary Baker, Secretary, Denise Farbour, Treasurer, and Patty Sheppard, Parliamentarian.

Meet Jack Hightower

Everyone is invited to a "Dutch Treat Breakfast" at the Cattleman's Restaurant, 7:00 a.m. Friday, November 2, 1984.

Engagement Announced

Mr. and Mrs. Tommie White of Spearman announce the forthcoming marriage of their daughter, Lori Dawn, to Terry Boyett, son of Mrs. Dorothy Boyett of Tulia, Texas.

Lori is a Spearman graduate

and has been attending Amarillo College. Terry is employed by PYA/MONARCH in Amarillo. A November 21st wedding is planned at the First United Methodist Church in Spearman.

Yauction nears

The Perryton Y's auction '84 will be held Saturday, November 3. Already items are stockpiling, while the solicitation for auction items continue.

The auction, planned as the main fund raiser for the year, if being headed up by Kelly Wolff, chairman of the Y's special projects committee. The auction will begin at 10 a.m. November 3 and continues until the merchandise has been sold. Seating will be available for prospective buyers and auctioneers will be on hand, with auctioneers handling the sale.

Donations are tax-deductible. The list of items which will be available is growing daily. Among the items are a couple of used cars, video games, television sets, copy machines, CB radios, tape players, furniture, stereo equipment, a rototiller, aquarium, two pool tables, and golf clubs. There's also a fold-up trampoline, storm windows, car parts and accessories, lawn mowers, a Universal gym set, freezers, and other large appliances.

There also will be oil field services and equipment. Services range from dozer work to steam cleaning and sand blasting. Already a down-hole pump has been earmarked for the sale.

Proceeds from the auction will go

Faye's Daze

Once again I want to thank you, my friends for your prayers, visits, flowers, gifts, cards, and calls while I was in the hospital in Amarillo.

Also thanks to those who have brought food, visited, called and shown their thoughtfulness to me in other ways since I have been home.

Thanks to the Reporter crew and the boss for their calls and telling me that they missed me.

Guess what when I got home I found a cricket had taken up his

abode here in my absence.

It took some perseverance and a lot of insect spray but I finally got him. I hope he didn't eat up some more upholstery - at least I haven't found any more holes.

I hope to be back on the job in a few days in our beautifully remodeled building. Come in and see us when you are downtown and tell us about any news you might have.

This is a hometown paper and we are interested in printing any news you might have.

Engagement Announced

Mr. and Mrs. Lewis Holiman of Dallas announce the engagement and approaching marriage of their daughter Tanya Dee to Darin Guy Winger, son of Mr. and Mrs. Val Winger.

The couple are planning a Nov. 16 wedding at the Tyler Street Methodist Church in Dallas.

The bride elect was a student at Texas Tech, she was a Sigma Nee

little sister. She is an education major and will continue her education at North Texas State University in Denton.

The prospective bridegroom is a graduate of Texas Tech University with a Bachelor of Science in Electrical Engineering. He is presently employed with Motorola in Fort Worth where the couple will make their home.

Shower honors Tanya Holiman

Miss Tanya Holiman, bride elect of Darin Winger, was honored with a lovely bridal shower Saturday Oct. 27 in the Hames Dorman home.

The serving table was laid with ecru lace cloth centered with a beautiful floral arrangement emphasizing the brides chosen color of peach.

The table was complimented with a crystal punch bowl, silver coffee service and peach color napkins imprinted "Tanya and Darin."

Coffee, hot cider, nuts, cookies and sherbet punch was served to the guests by Marva Burnam, Teague Winger and Manda Winger.

Beautiful corsages were presented to the honoree; her mother Mrs. Lewis Hilman; her grandmother, Mrs. Buster Hughs; the prospective groom's mother, Mrs. Val Winger; and his grandmother, Mrs. Pauline Winger and Mrs. Alma Gruver.

Out of town guest were: Mrs. Lewis Holiman of Dallas; Mrs. Buster Hughs of Wellington; Mrs. Monty Harbour, Mrs. David Harbour and Lena and Mrs. Roy Harbour all of Spearman; Mrs. Ray Jynn and Natalie of Wichita Falls; and Mrs. Mike Grotogut of Lubbock.

Hostess for the occasion were: Marie Bell, Pat and Laneida Burnam, Harletta Cathell, Sue Cooper, Georgia Davidson, Gerry Davis, Ann Dorman, Fran Duncan, Sylvia Duncan, Raetta Gammon, Charlotte Gilbreath, Janet Irwin, Dixie Karlin, Joy Henderson, Kathy Logsdon, Angie Rem-

mel, Janetta Shapley, Marion Shapley, Sue Smith, Mary TeBeest, Sandy TeBeest, Nell Thorson and Sue Tout.

Arts & Crafts Guild meets

Mrs. Bruce Sheets was hostess in her home Friday Oct. 26 for the Arts and Crafts Guild.

Members attending were Ms. Deta Blodgett, Guy Fuller, F.J. Hoskins, Bill Russell, Joe Trayler and Ned Turner.

Next meeting of the Club will be on Friday Nov. 2nd in the home of Ms. Joe Trayler.

New Arrival

Ronald and Elaine Swan are proud to announce the arrival of their son, Jeffery Neal. He was born October 20 in Perryton. Jeffery weighed 8 lbs. 5 oz. and was 20 3/4" long. He joins 3 sisters, Stacey, Leslie and Lean; and 2 brothers Scott and Jarret.

Maternal grandmother is Dorothy Longley of Spearman. Maternal great-grandmother is Mary Moulton of Stratford.

Paternal grandparents are Mr. and Mrs. Bill Swan of Spearman.

Withdrawal: A man wearing a baseball cap and carrying a revolver held up the First Indiana Federal Savings & Loan. Indianapolis police said they didn't think they'd have much trouble finding the man. They said he dropped his wallet as he ran from the bank. Besides the money, he's going to get a lot of interest.

Most of us are so busy being parents that we rarely have the time to reflect on this important task. Taking 'time out' for some observation and self-examination can shed new light on the job of parenting and give parents another perspective on their relationships with their children.

One type of parenting self-exam takes about a week. The first three days are spent observing your friends who have children near the ages of your children. As you observe, check the following points:

How do these parents act toward their children? Is their attitude friendly, courteous and pleasant? Do they appear to enjoy the children and approve what they are doing, or do they appear critical, impatient and nagging?

How many parents request their children to do something or stop doing something and how many habitually order the children around?

How many embarrass their children in front of others?

How many expect conduct beyond their child's years, such as making a two-year old share his toy in order to teach him to be generous?

How often do you see parents who show approval more often than they correct, and who seem to like and enjoy their children?

How many give orders so endlessly that a child has to develop deafness in self-defense? How many punish children for disobedience when the child fails to know which order was important enough to follow?

For the next three days of the week, observe how you and/or your spouse parent your own children. Without changing anything about the way you normally manage your children, ask the same questions about the parenting behavior.

EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES, REGARDLESS OF SOCIO-ECONOMIC LEVEL, RACE, COLOR, SEX, RELIGION, HANDICAP, OR NATIONAL ORIGIN.

Judith Schaefer speaks to rotary Club

Judith Schaefer

Judith Schaefer, representative of the Spearman Chemical People, spoke at the Spearman Rotary Club's luncheon meeting, October 29th.

Ms. Schaefer began by describing the groundwork and overview for the beginning of the Chemical People in Spearman and by stating the goals for the group. Accomplishments, with the support of such groups as the Spearman Rotary Club, include Displays at various Hansford County and Spearman activities, the attendance of Junior High Youth at the Substance Abuse Conference at West Texas State, the Substance Abuse Rally Day in Spearman in September, and the attendance of members at the

Texans' War on Drugs Conference in Austin.

The Chemical People realize that there is a drug problem in Hansford County, but that the number one issue at this time is the abuse of alcohol.

Peer pressure, lack of self-esteem, and inappropriate role modeling are the major causes of chemical abuse in any age group. Peer pressure affects not just our youth, but everyone. Beyond peer pressure, there are the pressures of everyday experiences. It is our job to educate people to handle pressures, from peers or other sources, in a healthy and optimistic manner.

Building self-esteem in our children and others around us is

an ultimate challenge. Paraphrasing Nancy Reagan: "It is our job as parents to fill or children's buckets so full of self-esteem, that no one or nothing can punch enough holes in it to empty it." Through programs such as Zig Zigar's "I Can", we are learning more about helping those around us to set goals for themselves and attain those goals through the art of positive thinking.

Role modeling has a tremendous effect on those around us. We, as parents, do not always realize how our examples help mold our children's attitudes and the attitudes of their friends. An honest re-evaluation of our personal lifestyles and some changes in our acceptance of the uses of

drugs and alcohol can most certainly help promote the idea of a drug-free society.

The Chemical People encourage the participation of every resident of Hansford County in their future projects. They welcome ideas and input from anyone who cares enough about chemical abuse in our communities to take specific actions.

Stephanie Friemel of Spearman is the lucky winner of the "Music Giveaway" sponsored by the D.C. Kids and Sound Trax. She got the album of her choice at Sound Trax.

Jack Hightower Stands on Strong Record as District 13 Congressman

Congressman Jack Hightower is waging an aggressive campaign throughout the 13th District to win re-election to the U.S. House of Representatives, where he has served the Panhandle and Northwest Texas since 1975.

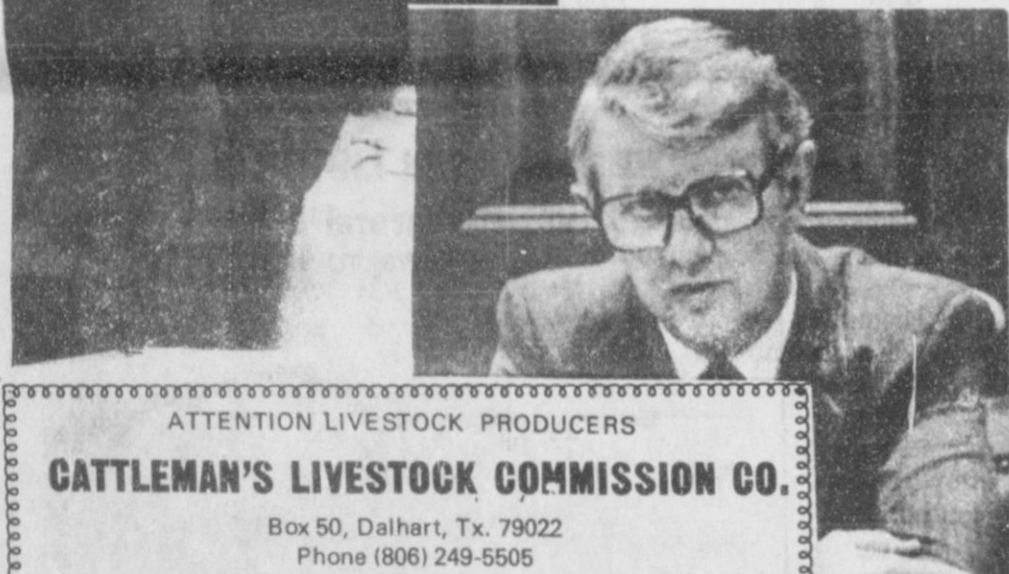

Hightower, a conservative Democrat, is running on a solid record of experience in five Congresses. He is a member of the House Appropriations Committee and the Defense and Agriculture subcommittees, and his conscientious service has resulted in millions of dollars in savings for taxpayers.

"I want to make government work for people, not against them," Hightower said. "In this Congress, we've had the nay-sayers whose only contribution has been to vote 'no' on everything and be for nothing, and we've had those on the other side who want government to do more and more for everyone at whatever cost. Neither of

these extremes provide the solutions to our national problems. I have worked with other consturctive members to try to create sensible agreements in Congress on legislation the President will sign, and which will be good for the country."

Hightower has served with three Presidents—two Republicans and one Democrat. He has won repeated praise for his bipartisan approach to national defense and budgetary issues and for his support of reductions in taxes and spending.

A Congressional Quarterly analysis of his voting record since his first election rated him a consistently high 75 to 89 percent fiscal conservative. He was a founding member of the Conservative Democratic Forum.

Tax Practitioner Workshops

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering 38 Tax Practitioner Workshops across the state, reports Karen Harruff, County Extension Agent. The nearest workshop to our area is Amarillo and Lubbock.

These two-day workshops are specifically designed for tax practitioners who work extensively with farmers and ranchers.

Topics to be covered in the general workshops are: What's New; Alternative Minimum Tax; Capital Gains; Net Operating Losses; Self-Employment Tax and Social Security Planning; Subchapter S Corporation; Financial Distress—Tax Considerations; Retirement Plan Problems—IRA's,

HR 10's.

This year 13 advanced programs will be offered in major cities. The closest one to us is Lubbock. Topics to be discussed in the Advanced Workshops are "What's New; The Tax Reform Act of 1984; A Special Look at Corporations; and Introduction to Oil and Gas Taxation. The Tax Practitioner educational program has been highly successful. Last year about 3,300 people participated in this state-wide series. These practitioners reported filing more than 680,000 tax returns. For additional information, please contact the County Extension office for a brochure explaining more about the program and registration information.

Paid diversion provision suggested

Grain Sorghum Producers Association has requested that a paid diversion provision be added to the 1985 feed grain program. GSPA Executive Director Elbert Harp said such a program is needed to prevent a surplus buildup like that which depressed grain prices before the Payment-In-Kind program in 1983.

In a telegram to John Block, Secretary of Agriculture, Harp said, "Grain Sorghum Producers Association requests that you add a paid diversion provision to the 1985 Feed Grain Program. It should be optional with farmers

able to put up to 10 percent of their base acres into paid diversion. Surplus stocks of corn and sorghum are growing this year by seven to eight percent of projected annual disappearance. This increase must be curtailed."

Harp said another year like 1984 could create the same surplus situation as that of 1982 which necessitated the costly PIK program. "It just makes a lot more sense to take action prevent a problem than to let it happen and then try to correct it," Harp said. "That is what we are asking Secretary Block to do."

Affluenza: Tracy Gary inherited \$2 million from a family trust 12 years ago. After inheriting the fortune, she said she suffered periods of low self-esteem, annual audits and doubts about friends' motives. Gary is holding seminars to help other victims of what she calls "affluenza." She said, "Women face unique problems with inherited wealth that has mostly to do with them being left out of the decision-making process." Gary and at least 200 other wealthy women who attend her "Managing Inherited Wealth" seminars in the San Francisco area know that having money doesn't make problems go away. It simply creates new ones. I hope "affluenza" is catching.

Sacred Heart Alter Society

The Sacred Heart Altar Society is glad to announce our upcoming 48th annual Diocesan Council of Catholic Women Convention on November 7th and 8th at the Bishop De Falco Retreat Center in Amarillo. It will begin at 1:00 p.m. on November 7th and last until about 3 p.m. on Nov. 8th.

Carolyn White services held

Carolyn J. White, 37, died Saturday.

Services were at 4 p.m. Monday in Bible Baptist Church with the Rev. Leonard Forshite, pastor, officiating. Burial was in Sunset Memorial Cemetery in Stinnett by Minto-Chatwell Funeral Directors.

Mrs. White was a lifelong resident of Borger. She was a Baptist.

Survivors include her husband, Henry; a stepson, Walter White of Sunray; two stepdaughters Mary Torres of Borger and Corina Sustaita of Irving; a sister, Helen Martinez of Stinnett; three brothers, Pete Yarbrough of Canadian, Raymond Yarbrough of Noble, Okla., and Eugene Yarbrough of Spearman; and three grandchildren.

Time to winterize your vehicle

Major V.J. Cawthon, Commander of the Texas Department of Public Safety, region 5, said, "Vehicles should be winterized by replacing worn windshield wiper blades, weak batteries, tires with thin threads, and leaks in the exhaust system. Motor vehicle condition is of prime importance to traffic safety this winter!"

Many accidents and deaths are caused by driving too fast for existing conditions and losing control of the vehicle.

When temperatures drop below freezing point, drivers must guard against reduced visibility caused by frosted windows and windshields. To prevent this condition, idle your car long enough to warm it up and for the defroster to become effective before starting to drive.

The Texas Department of Public Safety reminds you this winter can be wonderful if we are able to make it safely from point "A" to point "B" without an accident! It is in the hands of you, a defensive driver to make it a safer winter.

Pool services NABW elects new officers

Services for Bobby Glenn Pool, 27, of 1205 S. Travis, will be at 3 p.m. today in First Baptist Church in Stinnett with the Rev. Terry Austin, pastor of Morse Baptist Church, and Elder Jim Jackson of Primitive Baptist Church in Floyd officiating. Burial will be in Leib Cemetery near Stinnett.

Mr. Pool was killed in an airplane crash Friday near Fritch. According to reports, Mr. Pool was flying alone in a Cessna 180 on his way to Amarillo when the plane crashed in a field about eight miles south of Fritch.

Mr. Pool was born at Borger. He attended high school in Stinnett, graduating in 1975. He attended West Texas State University. He married Dar Lee McPherson of Lockney in 1980. He was a member of Kapa Alpha Order Fraternity. He was a Baptist. He had been a Southwest Basketball Official for eight years. He had been a private pilot for several years, qualifying for commercial, multi-engine and instrument ratings.

Survivors include his wife; his parents, Mr. and Mrs. William Pool of Pringle; two sisters, Janice Ingram of Fritch and Janet Wilson of Stinnett; three brothers, Dub of Casper, Wyo., Danny of Odessa and Buddy of Pringle; and his grandparents, Mrs. Buddy Parks of Amarillo and Mrs. Bessie Shelby of Oklahoma City.

First State Bank, Canadian, Texas was host to the Texas-Oklahoma Panhandle National Association of Bank Women (N.A.B.W.), Saturday, October 27.

The guest speaker was Shirley McCormick, Senior Training Specialist, First National Bank and Trust Co., Tulsa, Oklahoma. She will be facilitating the training module entitled "Making Presentations: Speaking in Public."

N.A.B.W. has more than 30,000 members nationwide, and is the largest individual membership association in the banking industry and the only one which represents the interests of women financial executives. N.A.B.W. has the objective to bring together bank executives engaged in the profession of banking and finance for the comparison of experiences, interests, and ideas.

Officers for the new year 1984-85 were installed. The new officers are Chairman-Sharon Peddy, Auditor, First National Bank, Guymon, Oklahoma, Chair-

man-Margaret Ralston, Vice President and Asst. Trust Officer, Gruver State Bank, Gruver, Texas, Secretary-Iris Cornell, Trust Officer, First Bank and Trust, Hazel Risley, Asst. Comptroller, Texas American Bank, Amarillo, Texas. These new officers were installed by the 1983-84 Chairman Norma Phinny, Cashier, Security National Bank, Amarillo, Texas.

Following the meeting, luncheon, and module, guests made the annual foliage tour around Lake Marvin in Canadian.

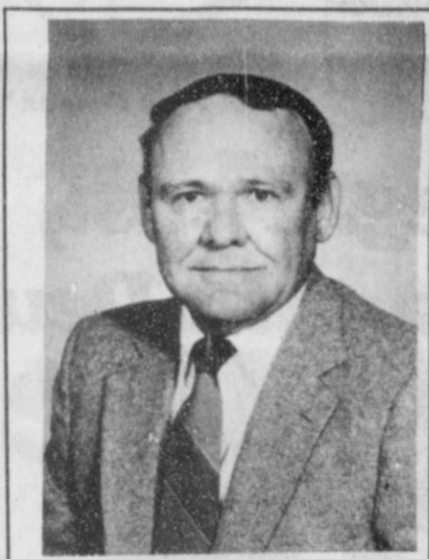

Those attending from First State Bank Spearman were Lyane Maizi, Cashier; and Arbeta Nobles, Executive Secretary and from First National Bank In Organization was Felma Evans, Vice-President and Cashier. Also attending were Margaret Ralston, Vice President, Gruver State Bank, Gruver Tex.; Bertie Frazier Adm. Asst., Gruver State Bank and Lynn Scarborough, Asst. Cashier, Gruver State Bank.

HOSPITAL

Patients in Hansford Hospital are: John Kenny, Eddie Largent, Ruth Skinner, Gay Wooley, Alice Fry.

Dismissed were: Carolyn Murphy, Larry Brillhart, Frances Williams, Morris Rosser, Cynthia Howell and son.

Elect Gene Compton,

Gene Compton

84th Judicial District Attorney

I feel the most important issue facing the Hutchinson and Hansford County areas is the increasing crime rate. I feel the most effective way to reduce the increasing crime rate is by complete cooperation of the District Attorney's Office with other law enforcement agencies. In the event I am elected to serve as the 84th Judicial District Attorney all the law enforcement agencies can be assured of my complete cooperation. Another problem area is the repeat offenders. I feel we have enough law on the books to assist in dealing with habitual offenders, and I intend to use these laws to the fullest in handling this problem.

I would like to hold the office of District Attorney because of my past experiences and my concern to improve this community by reducing the crime rate.

Political advertisement paid for by Gene Compton.

Sorghum harvest resumes in County

Grain sorghum harvest in Hansford County brought to a standstill by unseasonable rains, has resumed this week. The temperature soared to a sizzling 70 degrees plus Saturday and Sunday as the sunny weather dried the fields enough to help support heavy equipment.

While maize and seed crops stayed in the fields because of the excellent rains over the Hansford County area, grain producers look upon the moisture as a good news-bad news situation-wheat fields are soaked and in good shape for the 1985 crop. Since October 7 the rains in

Spearman, Gruver and Morse, have been at least 2 inches or better. Some areas of the county have received 5 inches or more. The rains just haven't given us any drying-out time. Moisture from the rainfall have soaked deeper and deeper. The fall rainy spell is unseasonal and heavy,

coming after a summer time drought. In normal years the fall harvest is rolling and the north plains is experiencing limited rainfall according to Hansford County weather records. With the near 3 inches of rain already reported, this is one of the wettest Octobers in several years.

Farmers say everything is soaked. But farmers are really harvesting their grain sorghum as of Tuesday of this week. With the sun shining and the wind blowing, harvest should be in full swing by now. Elevator operators will be contacted later on this week if the sun continues to shine

and we should be able to tell how much of the harvest has been completed.

Reincarnation is what you experience when you finally manage to pry the jalopy from the clutches of someone else in the family.

Turkeywalk to be Nov. 10

The annual Turkeywalk, sponsored by the Hansford County Division of the American Heart Association, is scheduled for Saturday, November 10, at 9:30 a.m. The course for the walk, which covers 3 miles, begins and finishes at the Chamber of Commerce office on Main Street.

"So many people are affected by heart disease, either personally or within their immediate families," said Lloyd Buzzard, chairman of this year's event. "Event like the Turkeywalk give all of us a chance to get involved and to do something about the Number one killer in Texas." Everyone is welcome to participate in the Turkeywalk, either as a walker or as a sponsor, Buzzard added. All interested walkers have to do is show up at the Chamber office at 9 a.m. to register. They only have to walk as much of the course as they want.

If anyone is interested in more information call 9-2010, 9-2592, or 9-2476.

American Ag State meeting

The American Agriculture Movement of Texas will have its State meeting in Amarillo, Texas on November 3, 1984 at the Camelot Inn on I-40 East. The meeting will start at 9:30 a.m.

Luncheon speakers will be U.S. Congressman Jack Hightower, a member of the House Appropriations Subcommittee on Agriculture, and U.S. Congressman Kika de la Garza, Chairman of the House Agriculture Committee. A press conference is scheduled for 11:45 a.m. at the Camelot Inn.

Other speakers will be David Senter, National Director of the American Agriculture Movement, Inc.

An optimist is a fellow with the shakes who hopes they'll qualify him for a job mixing malts at the drive-in.

CONSUMER CORNER

Buying a New Car? Then, Ask an Owner

Buying a new automobile involves a substantial investment that, for most Americans, is second in value only to the purchase of a residence.

How can you be sure that the car you're going to buy will be the right one for you? One of the most widely used and accepted techniques is to ask people who already own the make you are considering.

The thought is that if current owners are happy, you will be too.

That process has just been significantly simplified by the publication of the latest consumer satisfaction survey conducted by J. D. Power & Associates, one of the nation's leading automotive research organizations.

The survey found the two highest rated makes in customer satisfaction in the U.S. were on opposite ends of the price spectrum.

In top position was the luxury Mercedes Benz. Considering its cost, this should be no surprise to anyone.

Outranking all U.S. and Japanese automakers in customer satisfaction, however is the inexpensive Subaru, ranked second this year, up from third the year before.

The impartial J.D. Power 1984 Customer Satisfaction Index measured customer satisfaction levels of 31 domestic and import automotive nameplates using a weighted average of a variety of factors.

It appears that the American consumer feels the Subaru theme is on the money: "Inexpensive and built to stay that way."

Booker hosts FFA Creed speaking contest

A creed speaking contest for area greenhands of the Future Farmers of America chapter members was hosted by Booker last week. First place went to Ross Renner of Gruver. Also receiving banners were Ruth Bremmer of Booker, second and Jennifer Eagle of Darrouzett, third.

Others participating were Mike Benton of Perryton, fourth; Larry Dunn of Spearman, fifth and

Robin Wilde of Miami, sixth. The contestants were judged by Carol Hopson, Booker language arts teacher. While the students were competing there were 18 agriculture teachers having a meeting on judging horses. Ronnie Teichelman of Plainview, area FFA supervisor, spoke on leadership and presented a film. Jerry Hawkins of Clarendon Junior

College also presented a program. Greenhand Chapter Conducting Members are Slavin Sparks, Christy Burton, Joe Lopez, Charlie Parrish, Glen Crawford, Jason Turner, Pepe Marquez, Chris Morris, and Dale Red.

Those of few words quite often have spouses who make up for the deficiency.

NOTICE

Bad weather will soon be here and along with it will come severe road conditions. In case of extreme weather conditions when it is not safe for children to travel back and forth to school, school may be called off. To find out if school will be closed, you may listen to KGYN-Guymon, KRDF-Spearman, KVII-Amarillo, or Channel 6-Gruver.

Sen. Sarpalius to meet with teachers

Senator Sarpalius will be holding a meeting with teachers and other interested parties Nov. 8 at 4:30 p.m. in the Booker Elementary School. He will be speaking to the teachers about the problems they have been having with House Bill 72.

Beauty is never in the eyes of the beholders when they're looking down their noses at you.

Wool Contest Set

Wool will hold the fashion spotlight here Nov. 17 when the District I "Make-It-Yourself-With Wool" contest is held at the Texas A&M University Agricultural Research and Extension Center at 6500 Amarillo Blvd. West.

The contest, a preliminary event in the national competition, is to focus attention on the beauty and versatility of wool, said Mrs. Sue Farris, district director for the Texas Agricultural Extension Service and coordinator of the local event.

The contest is open to any American citizen in the Panhandle, South Plains and Rolling Plains areas, Mrs. Farris said. There will be five age divisions in the district competition: Pre-Teen, age 13 and under; Junior, ages 14-16; Senior, ages 17-20; Adult, ages 21 and above, and Professionals, ages 21 and above.

Each contestant must have sewn knitted or crocheted a garment after Jan. 1, 1984. These garments must be of a loomed, knitted or felted fabric or yarn which is 100 percent wool or of a blend containing at least 60 percent wool.

The district event will begin at 7:30 a.m. with a continental breakfast for contestants. This will be sponsored by area fabric stores and coordinated by Linda Hawkins, owner of Fabric Mart in Amarillo. Contestants will be judged while modeling the garment and accessories, and the garment then will be judged while off the contestant for construction techniques.

The contestants then will model their creations during a public fashion show at 11:15 a.m. in the auditorium of the Texas A&M center.

The deadline for entries is Nov. 2, Mrs. Farris noted. Entry forms and additional information are available at county Extension offices, she said.

District winners will advance to the state contest Dec. 1 at Texas Women's University in Denton. Junior and senior winners at the state level advance to the national finals Jan. 27-30 at the MGM Hotel in Reno, Nev.

Prizes at the district and state contests will include sewing machines, fabrics, mohair stoles, scholarships, miscellaneous sewing items and gift certificates.

Co-sponsors of the contest are the Texas Sheep and Goat Raisers Assn. Auxiliary and the American Sheep Producers Council.

Other district contests will be Nov. 10 at San Angelo, and Nov. 17 at Denton, Junction, Nacogdoches, Houston, Sequin and Ft. Stockton.

Subaru Deduct-a-Ski Program Benefits All Participants

From now through November 30, local skiers have a unique opportunity to do a good deed and, at the same time, they may be eligible for a deduction on their income taxes.

In fact, everyone who participates in the second annual Subaru Deduct-a-Ski Program receives a benefit.

Skiers donate their old, used ski equipment or apparel at their local participating ski retailer who determines the value of the donation for income tax purposes.

All contributions will be turned over to various charitable organizations such as the Special Olympics.

Through this unique program, the athletes served by the charitable organizations will be able to use equipment and apparel they might not have available otherwise.

Cheerleaders and the Lynx team.

Musings

"On the knees of the gods" meaning at the disposal of the gods, or beyond human control, can be traced back to the ancient custom of laying children on the knees of father or grandfather as a recognition symbol that the children were legitimate members of the family. "And Joseph saw Ephraim's children of the third generation... were brought up upon Joseph's knees." — Gen. 50:23

© 1984 Suburban Features

John Hill is our best qualified choice for Chief Justice of the Texas Supreme Court

JOHN HILL
 For CHIEF JUSTICE
 TEXAS SUPREME COURT

JOHN HILL... overwhelmingly favored by members of the State Bar of Texas, by the Dallas and Houston Bars, by members of the respected Committee for a Qualified Judiciary, and by newspapers across the State.

JOHN HILL... the best qualified candidate for Chief Justice of the Texas Supreme Court. His integrity and fairness are a matter of public record. He has 37 years of experience as a lawyer and has served the people of Texas as Attorney General for two terms and as Secretary of State. JOHN HILL has the leadership and administrative abilities to improve the court system for the benefit of all Texans.

John Hill will be an impartial judge whose only commitment is to justice.

Anyone who wishes to place an order can call Lynna Renner at 659-3587 or Linda West at 659-3800. The goodies will be baked November 19 and the deadline for orders will be November 17.

The Christian Science Church was first organized in 1878 and took its present form in 1892 with the Mother Church, the First Church of Christ, Scientist, in Boston.

Drifting along: A drifter known as Bernard Roy Kramer was found dead in an old downtown Sacramento, Calif., hotel room. A routine inspection of his room turned up a cheap vinyl suitcase in the closet. It contained \$199,812.05 stuffed in several socks, much of it in \$100 bills bound by bank wrappers. Chief Deputy Coroner Bob Bowers said investigators are puzzled about the small fortune amassed by the shabbily dressed old man. "We've called the Secret Service, and they've documented that the money is real," Bowers said. Let's hope it's all relative.

Utah has more than 80 natural bridges formed by the erosion of wind and water upon sandstone, including 278-foot-long Rainbow Bridge, which is a national monument.

In 1768 a French scientist presented Frederick the Great with a rare pair of rubber riding boots. Unfortunately, vulcanization — the process of heating rubber with sulphur to make it permanently firm and uniformly elastic — had not yet been discovered by Charles Goodyear, and Frederick's boots stuck to his feet in hot weather and cracked in the cold.

Named for King Phillip II of Spain, the Philippines were visited by Magellan in 1521. The islands number more than 7,100 and have a total area of 115,707 square miles, slightly larger than the state of Arizona. The archipelago was ceded to the United States in 1898 following the Spanish-American War for \$20 million. The Philippines became independent in 1946.

How did they ever manage to get rid of the popcorn crop before motion pictures were invented?

Mechanical wizard: Pamela Stott of Portland, Ore., was having trouble with her dryer — a big problem when you have a two-year-old and a six-week-old infant. When husband John came home from work, he took the dryer apart and replaced the coils. When he was done, he had a piece left over — a half-moon shaped piece of wire. He went to an appliance repair shop to ask where it belonged. The clerk looked at John a moment and said, "That, sir, is the underwire from your wife's bra. It's the third leading cause of shorting the coils. Hairpins are the first." He never mentioned the second.

The Smithsonian Institution owes its origin to James Smithson, a wealthy English scientist who never visited the United States. Smithson, who died in Italy in 1829, willed his entire fortune to the U.S. "to found at Washington, under the name of the Smithsonian Institution, an establishment for the increase and diffusion of knowledge among men." The bequest totaled more than half a million dollars, a great fortune in that day.

Re: Proposition 2
Constitutional Amendments

Dear Editor:

As a former member of the Coordinating Board, Texas College and University System and past president of the Ex-Students Association of The University of Texas, I strongly urge passage of Proposition 2 on November 6.

This Amendment is vital to the future of higher education in Texas for two principal reasons:

First: a constitutionally dedicated tax fund of \$100 million annually will be set aside by the Legislature. This will provide urgently needed dollars to the twenty-six state colleges and universities not included in The University of Texas and the Texas A & M Systems. Schools such as West Texas State University will be assured the funding for buildings, libraries, and other specified academic pursuits.

Second: The University of Texas System and The A & M University System will be permitted to include all of their component institutions as beneficiaries of The Permanent University Fund. Currently, not all members of the University and the A & M Systems are permitted to share in income from PUF. The bonding capacity of the Fund will be increased, and the use of the income from the Fund will be expanded. Having served on the Board of Regents of The University of Texas System, I assure you this would greatly assist both Texas A & M and The University of Texas Systems.

Passage of Proposition 2 would be extremely beneficial to all public universities and colleges in Texas.

Sincerely,
Wale Madden Jr.

WMA

**Lloyd
Sen. Doggett**
democrat for U.S. Senate

FOR IMMEDIATE RELEASE

OCTOBER 27, 1984

DOGGETT DETAILS GRAMM SOCIAL SECURITY CUTS IN HANSFORD COUNTY,
SLAMS PROPOSAL TO CLOSE RURAL POST OFFICES

HANSFORD COUNTY -- As a part of his campaign in West Texas, Democratic U. S. Senate candidate Lloyd Doggett today detailed the impact of Phil Gramm's Social Security budget cuts on the citizens of Hansford County and slammed a proposal embraced by Gramm to close rural post offices.

"Political candidates too often address national problems without understanding or caring how they affect real people. Phil Gramm's Social Security cuts are but one example of his insensitive actions that are hurting hundreds of people in Hansford County," Doggett said.

Doggett revealed that as a result of legislation authored by Phil Gramm and his ten votes against Social Security, 756 senior citizens and dependents in Hansford County have lost an average of \$771 since Gramm's Social Security cuts became law. Statewide, Gramm's cuts have cost 1.6 million Texans more than \$1.1 billion. The loss for Hansford County Social Security beneficiaries totals \$52,876.

Phil Gramm has also supported legislation to close nine out of ten Social Security offices and embraced a proposal to close 12,469 rural post offices. "Such a proposal is neither fair nor efficient for senior citizens. There are more than one-quarter million Texans over 80 years old who can't easily jump in a car and drive long distances to unravel a Social Security foul-up or mail a letter. I will fight tooth and nail to keep those offices open in Texas and operating efficiently," Doggett said.

"Senior citizens don't need a lecture from Phil Gramm about what a luxury it is to live to be 80 years old or honey talk about his mom's Social Security check. They need concrete assurances that the sacred contract they have with their government on Social Security will be honored. They have the right to demand the opportunity to live in dignity. As your U. S. Senator, I will respond to that demand and protect full Social Security and Medicare benefits for the senior citizens of Hansford County," Doggett said.

Doggett's report to the people of Hansford County is based on data provided by the Social Security Administration and Fiscal Planning Services, a Washington-based management information service which specializes in detailed impact analyses of the federal budget.

"We must cut unnecessary spending. The size of the federal budget is still the issue for both Democrats and Republicans."
Congressman
JACK HIGHTOWER

Balancing the federal budget remains a top priority for Congressman Jack Hightower. He firmly believes the record federal deficit, which drives up interest rates and impedes full economic recovery, must be attacked on a bipartisan basis in the next Congress.

In 1983 Hightower helped reduce President Reagan's budget requests by more than \$2.6 billion.

Hightower co-sponsored HJR 350, the constitutional amendment to require a balanced budget.

Hightower has opposed, however, radical proposals to balance the budget by drastic cuts in social security and national defense.

Hightower co-sponsored the Sunset Bill to require review of all federal agencies at least every ten years, with automatic dismantling if not reauthorized by Congress.

After voting to cut taxes and reduce spending, Congressman Hightower received the following commendation:

"Your vote for the Bipartisan Budget reflects a high degree of courage and commitment to America's economic well-being. This action will help achieve the spending reductions which are necessary to drive down inflation and restore the economy."

President
Ronald Reagan

Keep **JACK HIGHTOWER** our Congressman!

Paid for by the Jack Hightower for Congress Committee.

Debbie Burton, 1984 Homecoming Queen Holly Holt, and 1934 Alumni Queen Ella Hahn and her escort Pete Maupin. Also pictured are Denetta Booth.

Holly Holt is Homecoming Queen

Friday October 19 Gruver played their Homecoming game against Follett. Homecoming festivities were held before the game at 7:30. Holly Holt was crowned the 1984 Homecoming queen. The Greyhounds won their game 35-18.

The first queen candidate was DeNetta Booth, she rode in on a Toronado donated by Alfred and Andrea Eyles, and chauffeured by Senior Luke Pittman. DeNetta is the 17 year old daughter of Jim and Deidra Deakin. Standing a stately five feet, ten inches, DeNetta has black hair and alluring green eyes. She and her family are active members of the First Baptist Church.

DeNetta has attended Gruver schools for twelve years. Her many activities during high school include: four years in FHA, two years in Harmony Club, and two years on the Student Council, serving as secretary this year. For four years, DeNetta has been a member of the band, this year serving as a flag girl. Basketball is DeNetta's specialty, and as a Junior she was "All-District".

In addition to basketball DeNetta enjoys water skiing and playing the piano. She plans to attend college and major in accounting.

Debbie Burton was the second queen candidate to ride in on a Eldorado donated by Rod and Pat Barkley and was driven by Senior Jessie Romero. Standing a petite five feet, two, Debbie is the 17 year old daughter of Oran and Ann Burton. She has blond hair and charming blue eyes. Debbie and her family are active members of the United Methodist Church.

Debbie has also attended Gruver schools twelve years, and has been very involved in all activities. She has served as basketball and football statistician, class secretary and treasurer, and Harmony Club member. She has held several offices in 4-H, serving as President of the Council this year. She is a four year member of FHA, serving as President this year. She still finds time to play varsity tennis in the spring.

Debbie also enjoys reading, skiing, bicycling, and riding horses. She plans to major in veterinary science in college.

Third queen candidate was Holly Holt she rode in on a Riviera driven by Kelon Morely and donated by Iris and Jess Wood. Holly, the 17 year old daughter of Nick and Trixie Holt, is an enchanting five feet, nine, brunette with captivating brown

eyes. She is a member of the Methodist Church, serving as Vice-President of UMY.

Holly has been a vital member of her class for twelve years. She is a four year band member,

serving as a flag girl her Junior and Senior years. Holly was Treasurer for the Harmony Club last year and is President this year. She is a four year member of F.H.A., having served as 1st Vice-President her Sophomore year, and President last year. She also serves as Senior Class Secretary.

Among her interests, Holly lists reading, dancing, and traveling. She plans to attend college and major in biology.

The method used in selecting the Homecoming Queen is that three candidates are chosen by the members of the Varsity Football Team. The three candidates are then voted on by ballot by the entire High School student body.

DeNetta Booth was escorted by Chad Logsdon, son of Billy and Kathy Logsdon.

Debbie Burton was escorted by Cliff Barkley, son of Rod and Pat Barkley.

Holly Holt was escorted by Rod Been, son of T.J. and Donna Been.

School Board calls Bond election

At a special meeting Monday the Gruver School Trustees adopted a resolution calling a bond election to be held Tuesday, October 30, 1984. The \$1.2 million issue will be used to completely remodel the junior high building.

On two previous occasions the Board has called elections to replace the 55-year old structure, and both times they were defeated. This issue deals only with remodeling, but it will be extensive. Only the exterior walls will be retained as the entire interior will be modernized to meet current Life Safety Codes.

Absentee balloting will begin Thursday, October 18, at the School Business Office, 600 Garrett Street, from 8:00 a.m. to 4:30 p.m.

At least 10 places along the 500-mile stretch of the Amazon River were found to have depths of 300 feet or more, revealing the bed of the river is well below sea level.

Farm loan applications being accepted

Applications for emergency farm loans for losses caused by this summer's drought and extremely high temperatures are being accepted at the Farmers Home Administration (FmHA) office located in Perryton, FmHA assistant county supervisor Larry Goetze said today.

Hansford county is one in Texas recently named by Secretary of Agriculture John R. Block as eligible for loans to cover part of actual production losses resulting from drought.

Goetze said farmers may be eligible for loans of up to 80% of their actual losses, or the operating loan needed to continue in business, or 500,000.00 which ever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate on the first \$100,000 borrowed is 5%; interest rate is 8% on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow from FmHA, the interest rate is 13.75%.

As a general rule, a farmer must have suffered at least a 80% loss of production to be eligible for an FmHA emergency loan, Goetze said. Farmers participating in PIK or federal crop insurance programs will have to figure in proceeds from those programs in determining their loss.

Applications for loans under this emergency designation will be accepted until June 3, 1985, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly carry over into the new farming season, Goetze said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens, and to farming partnerships, corporations or cooperatives in which U.S. citi-

zens hold a majority interest.

The FmHA office in Perryton is open from 9:00 to 5:00 Monday through Friday.

Our Heritage of Faith...

How do Lutherans regard the Confessions today? As pointers, treasurers, and anchors. As such they provide both continuity with the wealth of the insight of the past, and openness and responsiveness to the needs of the present and future. On the basic issues they do address our day. They are and can be our confessions.

What does it mean to subscribe to the Confessions, to make them our own? It means to recognize that their contents are confession of faith, not rules; they are evangelical witnesses, not legal requirements. Therefore one does not witness to, but with the Confessions, as they and we subordinate ourselves to the Scriptures which point to the center, to Christ.

NEXT TOPIC: More about the Confessions.

Bill Schardin, Pastor
Faith Lutheran Church
Spearman, Texas

Thanksgiving dinner planned

The Spearman Union Church is having their annual Thanksgiving Dinner November 15, 11:30 - 1:30 for \$5.50 a plate with children under 6 free. The menu this year is: Turkey dressing, gravy, sweet and mashed potatoes, green beans, salads, hot rolls, pies with coffee and tea. All proceeds go to missions. See you there.

CPR COURSE

A C.P.R. course will be held Nov. 5-6 from 6:00 to 10:00 p.m. at the Fire Station in Spearman. The course will be directed by Michele Davis of Spearman, and

A Centerpiece

We suppose each of you remembered to turn your clocks back on Saturday before going to bed, as that was the date, the last Sunday in October for us to go back on Standard Time. If you failed to do this we're sure you were an hour early for Church on Sunday.

These fall days for the past week have been gorgeous and if you have been out driving we hope you have noticed the array of fall colors, greens, reds, yellows and browns of the foliage. The trees flowers and shrubs are beautiful all over town and if you haven't driven by the Methodist Church on Haney, do drive by and enjoy the color of the big tree in front of the Church. It is always a beauty each fall.

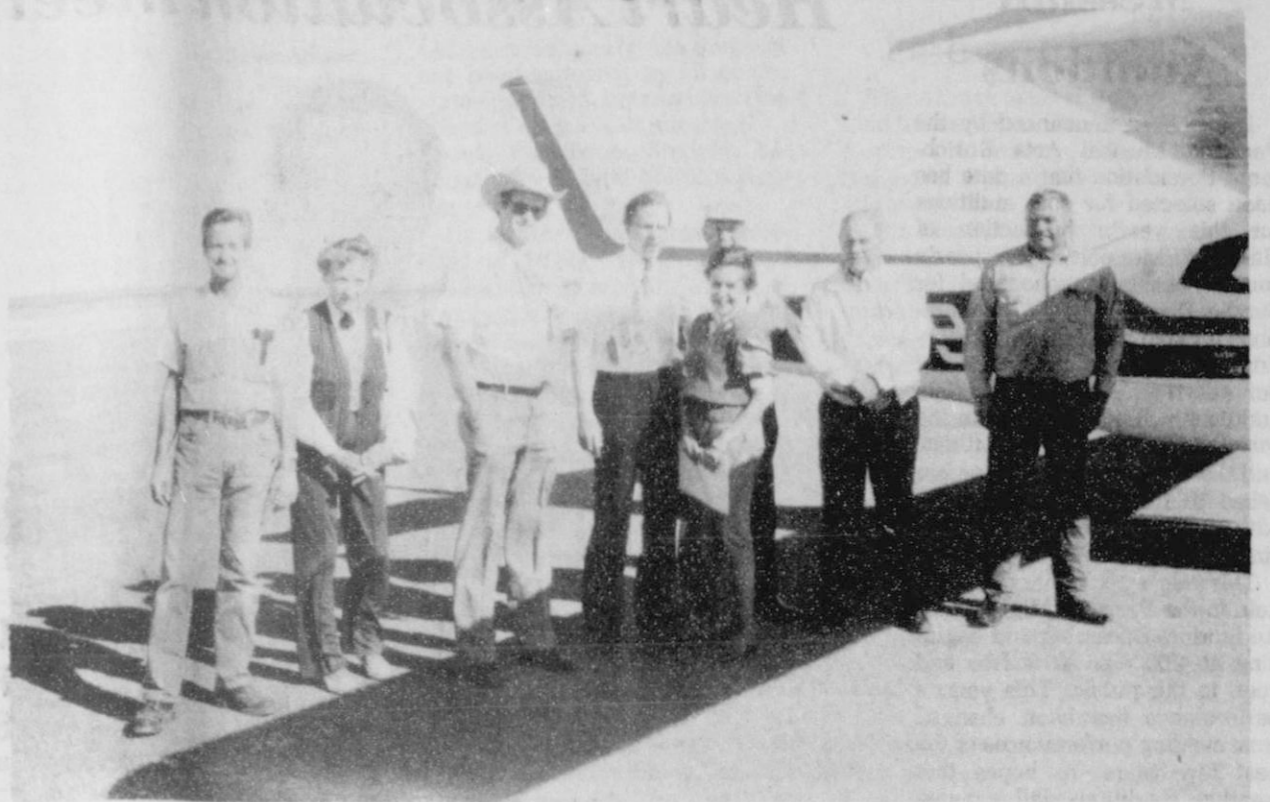

Maybe you noticed-and maybe you didn't but the Centerpiece was not in the Reporter last week. At this time the correspondent was spending several days in the hospital, but is home and now feeling lots better and was back at the Center on Monday. Just want to say also, that we should all be proud of our hospital and at this time I want to thank Dr. McClellan and the staff of nurses for their kind care. The service was great.

The volunteer ladies came in on Monday and finished the quilt, the "Texas Star." It is a beauty and the quilting is outstanding. These ladies are to be commended for their faithful service to the Center. You must see the quilt to appreciate the hours of labor that has gone into it. This will be given away near the Christmas Holiday and donation tickets will be available soon. You'll be hearing more about this later.

Do hope you'll drop in when downtown rest a while and enjoy a cup of coffee. This is your Center and you are always welcome. See you soon.

Alma

Beau Boulter visits Spearman Airport

This group of people was on hand at the airport in Spearman, Monday, Oct. 29th.

Once again stressing his opponent's "big spending" voting record, Republican Congressional nominee Beau Boulter arrived at Spearman Municipal Airport this afternoon on a campaign swing through the area.

"In spite of his claim to being conservative, Jack Hightower has continuously voted for increased taxes and higher spending," Boulter said. "In four years Hightower has voted for the President's budget only once, but he has supported Tip O'Neil 80% of the time on spending measures."

Boulter said voters face a clear choice this election day. "We can vote to help the President in his efforts to continue the economic

recovery by electing a congressman who will support his policies, or we can vote for higher taxes and soaring spending by sending him a congressman who will vote for the Democrat economic plan."

"Hightower has said that a tax increase may eventually be necessary to cure the deficit, that 'we may have to taste some medicine that's not very sweet,'" said Boulter. "We need to send to Washington the 'Reagan Team' who will continue the fight for the policies that have helped the country get back on its feet."

Valley National Dealer Days

NOV 1-23

FREE*
HONDA ATC
THREE WHEELER
FREE WITH EVERY
VALLEY
PURCHASED
OR LEASED.

Offer limited to participating Valley dealers.

*MINIMUM REQUIREMENTS:

Purchase or lease must occur during Valley National Dealer Days. Standard pivots and corner systems must be quarter section size or larger. Linear systems must be a minimum of 1290 feet in length.

And register to win this Honda Odyssey Four Wheeler.

Honda's off-road Odyssey gives you the power of a 248cc high-performance two-stroke engine with an automatic, variable-ratio transmission. A full roll cage is standard equipment, and there's even an optional trailer hitch for light utility work. Overall, the most off-road fun you can have on four wheels. You don't have to be present to win. And no purchase is necessary. You must be at least 18 years old to enter.

Ask about special low pressure and drive train conversion packages, too. There'll never be a better time to buy a Valley or Valley components.

It's Valley National Dealer Days going on now — celebrating the world's best-selling center pivot for more than 30 years. So come on in and check out the systems, the prizes, the special packages — including custom-tailored financing programs.

This offer ends at 5:00 p.m., PST, on November 3rd. Don't miss it.

NOV 1-23

Messiah Auditions

It has been announced by the Perryton Musical Arts Enrichment Foundation that a date has been selected for solo auditions for this year's production of Handel's Messiah. This year's concert has been scheduled for Sunday December 2nd, and auditions for solo parts in the production will be held Sunday November 4th from 2 to 4 p.m. Solo auditions will be conducted in the Perryton High School Choir Room and those wishing to audition are asked to bring a solo prepared with auditions welcomed on Messiah solo parts.

This year's performance will be held in the Perryton High School Auditorium December 2nd beginning at 4:00 p.m. It is free and open to the public. This year's performance has been changed from evening performances of the past few years, in hopes that weather conditions will not discourage attendance.

The performance will again be directed by Perryton High School Choral Director Cloys Webb and accompaniment will be provided by members of the Amarillo Symphony. The annual Messiah performance continues to be very popular with some eighty three choir members last year in spite of a snowstorm the evening of the performance.

If you have questions about the performance or the solo auditions, you may call John or Sharon Ellzey at 435-5458 in Perryton or Cloys Webb at Perryton High School 435-3634.

Heart Association meeting held

MR. & MRS. CLINT VARDEHAN

Speaking at the monthly Heart Association meeting were Clint Vardehan, chief administrative officer of the Paramedic Ambulance Service in Amarillo; and Dave Clark, director of Respiratory Therapy and EKG-EEG services at Northwest Texas Hospital.

Those in attendance were told that anyone who is responsible for the care of small children—mothers, grandmothers, baby sitters, nursery keepers, day care workers, etc.—should be trained in baby CPR. Not only are small children the most likely of any age

group to choke, they are also the most revivable. Hopefully, classes in baby CPR, which requires only 1½ to 2 hours, will be set up in both Spearman and Gruver in the near future.

About 50 persons enjoyed the very informative meeting held in the Fellowship Hall of Gruver Methodist Church.

The next activity of the Heart Association will be the annual Turkey Walk held in both Spearman and Gruver on Saturday, November 10 at 10:00 a.m. Do your heart a favor and participate in this "Walk for Heart".

DAVE CLARK

Camping Family Style

BY ANGELA AND FORD BOTHWELL

Many campers wouldn't think of going into the field without their binoculars or cameras for observing or photographing wildlife. Here are some tips from Bushnell, makers of binoculars, spotting scopes and sports optics:

- Outdoor photographers who travel off the beaten path with extra cameras and lenses often opt to leave their tripods at home. If you carry a large child's bean bag in your camera case, you'll have a steady support which can cradle a telephoto lens when rested on a tree limb or rock.

- When using optics of high magnification, a sturdy base is essential for steadiness. Spotting scopes should be used on a tripod, not hand-held, for maximum results. People who observe wildlife from a vehicle should use a window mount, one of the handiest tools for steadying a spotting scope. Attached firmly to the glass of a partially opened window, it also doubles as a camera base. And it avoids the movement and noise of opening the vehicle's door.

- When using a telephoto lens on a camera, a good rule of thumb is not to use a shutter speed slower than the focal length of the lens. For example, a 500mm lens should not be hand-held at a shutter speed less than 1/500 of a second. For a 1000mm lens, 1/1000 of a second should be the minimal hand-held shutter speed.

Jim Newton to appear

Jim Newton will be at the First United Methodist Church Nov. 2, 3, and 4. The United Methodist Youth Fellowship of the church will feature Jim Newton for this weekend and invite all the youth in the community and other interested persons to the activities. The schedule for the weekend is as follows:

- **FRIDAY**--5th Quarter after-game fellowship after the Sunray football game. Jim Newton will entertain.

- **SATURDAY**--7:30 p.m. Jim Newton in CONCERT. Admission for the concert is \$2.00 per person.

- **SUNDAY**--9:45 a.m. Jim Newton will be with the Sr. High Sunday School class with a special invitation to the YOUNG SINGLE ADULTS to attend also. At 11:00 a.m. Jim Newton will give the message in word and song in the morning worship.

Jim Newton is a resident of Bedford, Texas where he is the president of Celebration Shop Inc.

Christian ministries. Jim is a master concert artist - combining personality, superb vocal talent, and guitar to give just the right blend of singalong, humor, stories, and performance music.

He will touch you with his personal warmth and his deep spiritual commitment.

Jim excels as a worship leader - preacher - song leader. There is a compelling wholeness to the way he entwines Scripture, liturgy, music, and preaching in creating the climate for worship.

The youth of the First United Methodist Church sincerely invite you to a part of this weekend of inspiration and renewal.

You're Cooking

The holiday season is full of traditions, but we still look for interesting ways to combine traditions with innovation. For an innovative stuffing for a traditional holiday bird, try this winter fruit stuffing.

FESTIVE FRUITED STUFFING

Makes about 7 cups:

2 medium apples

1 orange

1 bag (12 ounces) fresh or frozen cranberries

1 twin package (12 ounces) chicken or pork flavored stuffing mix

½ cup (1 stick) butter or margarine

Peel apples, core and chop coarsely. Peel the orange and reserve orange peel. Cut orange in half and juice. Stir together cranberries, chopped apple, orange juice, sugar and water in 3-quart saucepan. Add reserved orange peel and cook over medium heat until all the cranberries pop. Reduce heat to low and simmer 10 minutes. Discard orange peel, drainoff liquid and reserve. Prepare stuffing mix in a 6-quart pot according to package directions, using the butter and the reserved fruit liquid as part of the liquid in the directions. When stuffing is done, stir in reserved fruit mixture. Use to stuff one 12-14-pound turkey or two roasting chickens. To bake separately, press into greased shallow 2-quart casserole and bake in 350° oven 20-30 minutes. To serve, spoon out or cut into squares.

By Act of Congress, Dec. 15 has been observed as Bill of Rights Day since 1791.

HOW TO ANTIQUE FURNITURE

APPLYING THE ANTIQUE GLAZE

The basic application of the glaze coat was described last week and you were told how to wipe for a traditional antique finish. Once the base coat has been

applied, there are hundreds of ways to decorate or embellish the piece, using glaze or other materials. For example:

WOOD GRAIN

Using a commercial grainer or a sponge or folded cheesecloth, wipe through a coating of glaze to imitate a wood grain. With a little practice, you can learn how to create a good grain pattern. Part of the trick is in learning just how much glaze to wipe off. It is a good idea to practice on an old wood surface for a while before trying this on the furniture.

DECOUPAGE

In decoupage, you can apply a picture or a design to the surface and then paint a number of coats of clear finish over it. For decoupage you can use hand painted designs, photographs, the pictures from greeting cards, anything which pleases you. You can make a sharp cutout, or you can make a rough cutout by tearing around the edges of the design. Apply the design to the surface with white glue, pressing it down to make sure it adheres well. After the white glue has dried, you apply several coats of polyurethane varnish or clear plastic finish.

Get the Nite-Liter

The Ultimate in Nighttime Security and Convenience

TNP Employee Louise Parker installed the Nite-Liter at her home... and you can too!

When the sun goes down and darkness falls, you need extra light to enjoy your outdoor activities. The Nite-Liter is a very economical way to provide that extra light you need. The mercury vapor unit provides up to a 100 yard diameter of usable light more efficiently than ordinary incandescent lighting, so you get more light for your money.

TNP Employee Louise Parker of Tularosa, New Mexico especially enjoys the Nite-Liter's added convenience of automatically turning itself on at dusk and off at dawn—throughout all kinds of weather, all year long.

Enjoy the added convenience and increased security of the Nite-Liter at your house. Call our office today for all the details.

Helping you make your home secure and accessible after dark as well as helping you get the most from your electric service, is just one more way we are...

Musical rehearsals continue

Pictured left to right are Chris Strawn as Kurt, Andrea Archer as Liesl, Kevin Slaten as Captain VonTrapp, Jacki Archer as Gretl and Will Black as Friedrich.

Pictured at the musical rehearsal are, left to right, Kellie McWhirter as Marta, Andrea Archer as Liesl, JoAnne Odegaard as Maria, Vickie Hand as Brigitta, Jacki Archer as Gretl, and Will Black as Friedrich.

Pictured left to right are Chris Strawn as Kurt, Kellie McWhirter as Marta, Andrea Archer as Liesl, Trevor Pool as Max and Will Black as Friedrich.

Cast members are progressing into the second phase of musical rehearsals for the November presentation of the Rodgers and Hammerstein production of *The Sound of Music*. Musical director Johnny Miller is very pleased with the work done thus far. "This is going to be one of the best musical productions Spearman High School has ever presented," says Miller. Co-worker and head drama director Gerri Maize is doing fantastic work with the drama portion of the show.

The *Sound of Music* will be presented twice. The first performance will be on Saturday night, November 10, beginning at 7:30 p.m. at the high school auditorium. Admission will be \$4.00 for adults and \$2.00 for students. The second and final performance will be Monday night, November 12 at 7:30 p.m. again in the high school auditorium. Children not presently enrolled in school will be admitted without charge. Babies caught crying will be charged double adult fees. (Just Kidding!)

Membership drive held

The Hansford County Extension Homemakers held their Annual Membership drive and awards supper Thursday, October 25 at the Extension Homemakers Clubroom. The meal was provided by each one of the members. Each club had some responsibility in conducting the program. The club and meeting times are as follows: Serendipity - 7:30 p.m. on the 2nd and 4th Tuesday, Happy Homes, 1:30 p.m. on the 1st and 3rd Thursdays, and Town and Country, 1:30 p.m. on 1st and 3rd Tuesday.

After the delicious meal Patty Sheppard lead aerobics, to relieve the pressures of the meal. Jan Morgan, Council Recreation Chairman welcomed everyone and introduced the special guests, who were: Mr. and Mrs. B.J. Renner, Mr. and Mrs. Garland Head and Mr. and Mrs. Burt Williams.

Patty Sheppard, Council Chairman presented the special awards for 1984. The top club award went

Proposition 2 explained

Top officials of major state-supported universities Thursday urged voters to approve Proposition 2, a constitutional amendment on the November 6 general election ballot.

"The Boards of Regents of all institutions of higher education support the amendment," said Dr. Arthur G. Hansen, chancellor of the Texas A&M University System. "In my judgment, it is worthy also of the unreserved endorsement of each organization and each citizen of the state."

Proposition 2 establishes a new \$100 million annual fund for all institutions outside the University of Texas and Texas A&M University systems while broadening participation in the bonding program of the Permanent University Fund to include all UT and A&M units.

Developed as a compromise by the Legislature in 1983 and pas-

sed overwhelmingly, the proposal has been endorsed by all of the state-supported universities, the Texas College Coordinating Board, the Texas Student Association, and both political parties.

Dr. Lauro F. Cavazos, president of Texas Tech University, praised the far-reaching effects of Proposition 2 on universities outside of the PUF.

"The dedicated fund (for non-PUF schools) would do far more than assure necessary construction, repair and maintenance that protects this state's large capital investments on college and university campuses," Cavazos said. "It is a fund essential for the necessary growth of library resources and the purchase of equipment and computer systems that undergird delivery of high quality academic programs important to all Texans."

Passage of Proposition 2 will enable the state to provide its universities with the tools to compete nationally for the best students and teachers, essential elements in attracting high-tech industry and investments, said Dr. Charles E. Bishop, president of the University of Houston.

"Research and scientific development have never been more important to the future of our country than at present," Bishop said. "It is essential that our colleges and universities improve our educational programs to provide the talent which will be needed and the knowledge that is necessary for the continued growth and development of our economy."

Dr. Peter T. Flawn, president of the university of Texas at Austin added that "a vote for Proposition 2 is a vote for higher education in Texas."

Flea Market Scheduled

The Altrusa Club of Borger will hold a Flea Market from 9 a.m. to 5 p.m. November 3, 4 at the Bunavista Community Center on Highway 136.

The Flea Market will feature a wide variety of merchandise suitable for holiday gifts including ceramics, art, antiques and collectibles, jewelry, guns, and hand-crafted items. There will be a unique selection of original design holiday decorations and gifts for all ages. There will be dealers displaying merchandise from Texas, New Mexico and Minnesota.

The Altrusa Club of Borger will have the food concession, serving numerous items including homemade chili, barbeque sandwiches, cornbread, pies and other desserts.

There are a few table spaces left to rent. Anyone interested in display space is invited to call Pam Sessions at 273-7741.

All proceeds from the table rent and food concession will be used to further the Altrusa Club's community service projects. Current projects include the on going financial support of Buttercup House Day Care Center, the sponsorship of the Annual Senior Citizens Bazaar and financial aid to women seeking vocational training to improve their self image as well as their position in the job market.

Victory Blitz Tour

U.S. Sen. John Tower, Texas Campaign Chairman, and Governor Bill Clements will lead two three-day Victory Blitz tours of Texas from Wednesday, October 31, through Friday, November 2.

They will be in Amarillo at 3:15 p.m. for an Airport rally and news conference; contact Margaret Spearman (806) 359-5954.

At 20, you just know that love makes the world go round; after 40, you wonder why Cupid turned in his driver's license.
