The Junior Miss Wheatheart crown went to Misty Savage, daughter of Mr. and Mrs. Don Savage and Kristin Jan Beedy won the Little Miss Wheatheart title. She was sponsored by the Women's Division of the Spearman Chamber of Commerce.

Becky Cunningham, executive director and manager of the Perryton Chamber of Commerce sponsored pageant, reported that some 60 contestants entered this year's contest. The winner will compete for the Miss Texas contest in July 1990 at the Tarrant County Convention Center in Ft. Worth. A previous Spearman contestant, Jill McLain, Miss Wheatheart of 1986, placed in the top 20 at the Miss Texas contest

that year.

This is an open pageant, the only requirement being that the contestants must be from Texas. Most of the contestants come from the Panhandle area with about 75% from out-of-town.

Other sponsors for the local winners were: Five Star Equipment who sponsored Kellie; First State Bank who sponsored Mechelle, and Claudines Creations, sponsor of Misty.

On Saturday morning in the auditorium, a special event sponsored by the Perryton Activity Center was held as part of the larger pageant. It was named the Lil' Baby Wheatheart contest. Kaysha Fuller of Spearman won 2nd runner-up in this competition. Kaysha was sponsored by Fuller's Jewelry of Perryton and Spearman. She is the daughter of Kelly and Johnnie Fuller and the granddaughter of Joanne and Charles Eaton. The great-grandparents, Marquerite and Roscoe Nelson attended the pageant to cheer for their great-granddaughter.

## Booster Club Conducts Drive

Spearman Booster Club is taking the month of August to conduct a membership drive. Several members of the club will be going door to door, contacting businesses and individuals to join. A business membership is \$25 and an individual membership is \$10.

The first organizational meeting was held May 20, 1986. At one time as many as 40 people attended meetings. Now some 20-25 active members attend with about 65 business memberships and about 120 individual members.

The first officers were president - Johnny Crawford, vice-president - Linda Wilkerson, secretary/treasurer - Judy Nelson, and reporter - Eugene Yarbrough. Committee chairmen were Ways & Means - Judy Schafer, membership - Jackie Pearson.

The 1989-90 officers are President - Ricky Thompson, vice-presidents - Ricky Riggins and David Swan, secretary/treasurer - Cathy Gafford, Ways and Means - Carla Riggins and membership - Cindy Blackman.

The objectives of the club are to boost spirit, support coaches, support school standards and to help the students in any way.

Any members that would be willing to help with the drive, please contact Cindy Blackman.

shower invitations will be accepted for publication at the rates of \$5.00 for 1 column x 4" and \$10.00 for 2 column x 5". Forms for writing up wedding stories are provided at the newspaper office and should be completed and turned in at least 1 week before the event.

Mike also has placed bound copies of many years of the papers in the front of the office. Some volumes date to the 1920's. Jean Ann Behney's historical features about the area have generated a great deal of interest in the history of the area and the Editor invites members of the community, students or others to come in and look through the old papers. Some have deteriorated severely, but you can still see ads in the 20's and 30's when a brand new car could be purchased for \$600. Many prominent names in the local items of 40 years ago are also seen in today's papers.

Clint DeArmond, as "header," tightens his rope to bring a cow around for the "heeler" to rope the hind legs.

## Clint DeArmond Takes Honors At XIT Rodeo

Clint DeArmond, a senior at Spearman High School teamed up with Larry Trimble of Wheeler and Bob Davis of Texoma to take a first in the novice team roping events at the XIT rodeo in Dalhart August 3, 4, and 5.

The rodeo is advertised as the World's Largest Non-Pro Rodeo in the country. Some 9,000 people fill the bleachers to watch the top 15 teams with fastest times perform in the nightly events.

The rodeo began in 1936 as a part of the Texas Centennial which was being celebrated that year. It was started as a reunion to honor cowhands and preserve the heritage of the west. Events now include various team ropings, slack riding, queen's contest and pony express races. There is

almost a continuous flow of rodeos and related events throughout the XIT celebration.

Several days before the performances, some 500 teams and individuals compete and only the fastest times make it to the actual rodeo performances. Clint and Bob Davis took a first in the short-go with a time of 9.050 seconds. He placed 5th and 6th respectively with both his partners and would have had firsts and seconds because of the time, except for penalties which were deducted from the time.

Clint has been competing in roping events for only 2 years so it is an accomplishment to have made it to the top competitive events with 2 teams.

## Among the Neighbors

by Helen Fisher

Former Spearman resident, Virginia Davis Whitaker, and husband, Hall, visited friends in Spearman a few days recently. They live in Grand Coulee, Washington, and had been attending his family reunion in Missouri.

The observance of their 50th wedding anniversary continued several days for Marguerite and Phil Jenkins, with their children remaining for a visit, their son, Steve and Villa Ree Jenkins, with Andre of Dallas, and also their daughter, Kathy, and Clifford Smith with Liza and Chris of Austin.

Other guests were Marguerite's sister, Billie Jean and Jim Craze, of San Diego. Her aunt and uncle, Mr. and Mrs. Earl Hammons, of Mangum, were other out-of-town guests.

Ila Mae and J.B. Buchanan, Mr. and Mrs. Burl Buchanan, Jana and Roger, attended the funeral of Irma Sacket in Aline, Oklahoma, Monday morning. Mrs. Sacket was a sister of Ila Mae.

A vacation to be really appreciated has to be the first in nearly six years like the vacation just ended by Dr. Larry and Jean Ann Behney and children.

They drove through to Carolina Beach, North Carolina, near Wilmington for a family reunion of the parents and siblings of Jean Ann. It included 23 adults, and 11 grandchildren, all under the age of 6.

Swimming, sight-seeing, watching the many ships and touring the battleship SS Carolina caused the time to pass quickly.

The Behneys took one route going and another returning - a distance of 4,000 miles. There were many points of interest - the Great Smokey Mountains, the Merrimac Cave in Missouri - the first sight of the ocean for the children. An unusual aspect for the Behneys was that in nearly every state they traversed, they had friends or relatives that they paused to visit.

It was a pleasant switch in roles for Lucile Allen when she was on the receiving end of the cooking and planning for a birthday dinner. John and their daughters provided a family cook out to celebrate her birthday on Saturday. It was held at the home of Jane Friesen, in Perryton.

In addition to Jane and Melissa Friesen, attending were Mr. and Mrs. David Wilson, Waka; Mr. and Mrs. Don Rapp and two daughters, Guymon; David Bradley, Goodwell; Greg Wilson, Lubbock, Mr. and Mrs. Lyndel Schiffer and family, Liberal; Mr. and Mrs. Todd Kobart and family, Meade, Kansas; Mr. and Mrs. Gary Bilbey, Perryton; Helen Fisher and John and Lucile Allen, Spearman.

The Kobarts spent the rest of the weekend with the Allens.

There is no happier family than that of Dr. Doug Steger, Nathan and Abbe, as well as John and Virginia Trindle. At long last, Connie Steger, wife, mother and daughter is back at home permanently.

She left the rehabilitation center on July 28. She can use a walker, with limited mobility, and has the services of speech and physical therapists in her home.

Today, August 10, it will have been exactly one year since that day she was rushed to a hospital for emergency brain surgery for a tumor.

All the family are so very grateful and express appreciation for all the prayers and communications from caring people during this traumatic year.

Connie welcomes any cards and letters and her address is: 531 Wedgefield, P.P.; Grandbury, Texas 76048.

Mr. and Mrs. Leon Ferguson, of Floydada, visited their son, Tony Ferguson, here for several days last week. They were guests also of Mrs. Ferguson's sister, Audene and Verlin Beck. Another of their sisters, Mrs. Margaret Stinsman, of Amarillo, joined them. She was accompanied by her son, Lee, and his family.

The Haun family reunion was held at Monument Lake from July 27 through the 30th. There were 59 in attendance with the four surviving sisters present. The

three brothers are deceased.

Many activities filled the days with paddle boats on the lake appealing to the children. The family talent show was almost rained out, but they improvised and the show went on.

Attending from Spearman were Mary Schumann, Craig and Denise Schumann and family, Vernon and Marsha Pipkin and family, Michele Beedy and children, and Lee and Melva Nichols and their grandchildren.

A nephew, Paul Holloway, from San Diego is staying in the home of Mary. He is an experienced mechanic and electrician, and since he plans to make his home here, is seeking employment.

At the XIT rodeo held in Dalhart last weekend, Spearman's Clint DeArmond teamed with Bob Davis to win a first in the short go in the Novice Team Roping event. They also won 6th in the average. Clint also won the 5th average, teamed with Larry Tremble.

In order to reach the final short go, Clint had to win a first in the first with Larry Tremble, and a first in the second go with Bob Davis. Clint was the second youngest entrant in the rodeo.

Gloris Knox flew to Phoenix week before last and visited her brother, Damon Hoggatt, and his family.

They took her to Flagstaff for several days with her granddaughter, Cindy Knox, a student at Northern Arizona University. While there, Cindy showed her the campus and other places of interest. One day they drove to Sodna to a well-known art gallery. Gloria noticed one display of pottery crafted by an old friend, Ernest Wilmet of Albuquerque.

Gloria went back to Phoenix for a few more days and returned home in time to meet her sister, Joy Kinser of Caspar, Wyoming, who arrived here on Thursday.

On Saturday, Don and Gloria hosted a cookout for members of the family. Two of their brother, Bill Hoggatt, Amarillo, and Glen Hoggatt, of Perryton, were here with their wives.

Other guests were Mr. and Mrs. Stanley McCoy, and son, and Mr. and Mrs. Terry Buschman, of Perryton, and Mrs. Verne Hoggatt, of Memphis.

On Monday, Danny Knox came from Odessa to attend the funeral of L.M. Womble. He and Joy both left on Tuesday.

Sarah Dossett, always going in high gear has had an extremely busy month, even for her.

The highlight of the month was greeting a new great-grandson in the person of Alex W. Pritchard. He was born in Lubbock, on July

On the following day, Sunday, a reception in the Pipkins' honor was hosted by their children and their families at the First Baptist Church where the Pipkins are members. There were approximately 200 friends and relatives who came to congratulate the couple. To commemorate the occasion, the guests were asked to sign a portrait of Johnny and Edith, which will hang in a place of prominence in their home.

Hosting the reception were Yvonda and Larry Stokes of Amarillo; Pauline and Tom Mayes,

Sparta, New Jersey; Betty and Bart Clifford, Ingersoll, Ontario, Canada; and Richard and Lisa Pipkin of Spearman.

CONGRESSMAN  
**Martin Frost**  
 REPORTS  
 to the  
 24th Congressional District  
 of Texas

**By Congressman Martin Frost**

Each year, it is estimated, approximately two million young children ingest toxic household products. Many youngsters are enticed by the pleasant aromas or bright colorings of such products, and many thousands of these very young boys and girls are injured or killed. As companies more frequently use appealing scents and dyes in common cleaning products, it is becoming increasingly important to protect children from needless injuries.

In response to recent reports, a bill has been introduced in the House, which I have co-sponsored, that would direct the Consumer Product Safety Commission to require the inclusion of denatonium benzoate in certain household, garden and automotive products that are hazardous if ingested by children. Few parents realize that one of the most dangerous, yet one of the most inviting commodities is anti-freeze—a sweet-tasting, candy-colored liquid that can be lethal in large doses.

Denatonium benzoate, commonly known as Bitrex, is the world's bitterest flavoring agent

**Tri-State  
 Fairgrounds  
 Get New Look**

Fair-goers who attend the 1989 Amarillo Tri State Fair, scheduled for September 18-23rd, will see a "new look" in the high traffic areas of the grounds. Trees and re-paving make up the major portion of the improvements. Fourteen large cottonwood and fruitless mulberry trees will be visible in front of the Coliseum, Rex Baxter Building and other selected locations on the grounds. Re-paving and seal coating of the areas in front of the Coliseum and on the high walking traffic areas of the food midways has also been done this year in preparation for the fair. Also some twenty picnic tables have been purchased and will be available to fair patrons for eating or resting.

Some 32,000 has been spent by the fair association for these improvements. An extra effort will also be made to keep the grounds as clean as possible throughout the fair. "The main purpose of these improvements is to make a visit to the fair more enjoyable and pleasant to the fair-goers", says Ron Blackwell, fair president.

14, weighing 8 1/2 lbs. His parents are Tiffany and Mike Pritchard, and his 3 year old sister is Desiree. His grandparents are Diana and Buddy Carter and Mr. and Mrs. John Pritchard, all of Lubbock. Sarah and Lawrence are his great-grandparents.

Diana and Buddy Carter visited here with the Dosssets several days. Becky Dosssett, of Harlingen, with a seven and a ten year old foster daughter, spent several days here also. Becky also visited her parents in Pampa.

The Dosssett's grandson, Chester Neeley, came by for a couple of days. He was enroute from Lubbock to Omaha. Chester graduated from Father Flanagan's Boys Town, in Omaha, and was returning for a reunion.

But with all this activity, Sarah never neglected her garden - her pride and the neighbor's envy.

On July 21 those residents of Hansford Manor who had birthdays in July were honored at an afternoon party. Honorees were Loretta Murry, Harold Kelly, Aline Hyman and Ellie Conner.

Members of the Auxiliary who provided homemade ice cream and birthday cake and served were: Eddie Largent, Rosalie Butt, Gwen Smith, Edith Smith, Peggy Ellsworth, Frances Cudd, and Melba Oakes.

Livening the party with his harmonica and guitar, Leroy Farris entertained the group.

New residents of the Manor are Mary Johnson, of Childress. She is the mother of Jerry Hunt, of Gruver. Convalescing at the Manor are O.V. Walker and Carol Bostwick, both of Gruver.

The home of Estelle and Bill Jackson has been the focal point for a number of relatives the last several weeks.

Their granddaughter, Jana Nichols, of Aurora, Colorado, has been here a couple of weeks and has enjoyed her cousins, the three Wade children from Brownsville, and Brady Jackson, from Amarillo.

The Jackson's daughter, Kaye and Dan Wade, came up with the children for several days.

Estelle's brother, Harlan Terry and his wife, were also guests. They spent some time with another sister, Mary Fern Terry. Harlan lives in Paris, Texas.

**GOLDEN SPREAD ACTIVITY CENTER**

What a beautiful way to start another week - with a good rain Sunday evening and much cooler weather.

For each one who just got the lawn mowed over the weekend the shower came just right. It won't be long now until the summer's yard work will be winding down and the youngsters will be heading back to the class room ... long before they are ready (or wouldn't admit it if they were.)

We want to thank each one who had a part in helping with our garage sale, either by donations or keeping it going all day. Our ladies really worked with it.

The hearing aid representative will be here August 22 at 2 - 4 p.m.

The van will be leaving at 2 p.m. August 23 to take a group to see "Texas." There are a few reservations left so if you think you might like to go, call the Center for more information. We would like to take a full van. The season is almost over for "Texas" and it is really worth the trip.

**1989 Property Tax Rates Palo Duro River Authority**

This notice concerns 1989 property tax rates for PALO DURO RIVER AUTHORITY. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

<b>LAST YEAR'S TAX RATE:</b>	
Last year's operating taxes	\$ 238,410
+ Last year's debt taxes	\$ 1,695,300
= Last year's total taxes	\$ 1,934,183
= Last year's total tax base	\$ 1,541,181,542
= Last year's total tax rate	\$ .1255 /\$100

<b>THIS YEAR'S EFFECTIVE TAX RATE:</b>	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 1,930,348
= This year's adjusted tax base (after subtracting taxes on new property)	\$ 1,474,189,594
= This year's effective tax rate	\$ .13094 /\$100
x 1.03 = maximum rate unless unit publishes notices and holds hearing	\$ .13486 /\$100

<b>THIS YEAR'S ROLLBACK TAX RATE:</b>	
Last year's adjusted operating taxes (after subtracting taxes on lost property)	\$ 238,410
+ This year's adjusted tax base	\$ 1,272,189,594
= This year's effective operating rate	\$ .01871 /\$100
x 1.08 = this year's maximum operating rate	\$ .02020 /\$100
+ This year's debt rate	\$ .012909 /\$100
= This year's rollback rate	\$ .14655 /\$100

**SCHEDULE A: UNENCUMBERED FUND BALANCES**

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. The balances are not encumbered by a corresponding debt obligation.

TYPE OF PROPERTY TAX FUND	BALANCE
General fund	\$426,332

**SCHEDULE B: 1989 DEBT SERVICE**

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues.

DESCRIPTION OF DEBT	PRINCIPAL PAYMENT TO BE PAID	INTEREST TO BE PAID	TOTAL PAYMENTS
BOND	\$160,000	\$1,684,540	\$1,844,540
<b>TOTAL REQUIRED FOR 1989 DEBT SERVICE</b>			<b>\$ 1,844,540</b>
- AMOUNT PAID FROM FUNDS LISTED IN SCHEDULE A			\$ -0-
- EXCESS COLLECTIONS LAST YEAR			\$ -0-
= TOTAL TO BE PAID FROM TAXES IN 1989			<b>\$ 1,844,540</b>
+ AMOUNT ADDED IN ANTICIPATION THAT THE UNIT WILL COLLECT ONLY 97.5% OF ITS TAXES IN 1989			\$ 47,296
= TOTAL DEBT SERVICE LEVY			<b>\$ 1,891,836</b>

## 1989 Property Tax Rates In Hansford County

This notice concerns 1989 property tax rates for HANSFORD COUNTY. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

	General Fund	Farm-to-Market/ Flood Control Fund
Last year's tax rate:
