

# Palo Duro river still on rampage!

The Palo Duro at flood stage last week. This water could have been impounded in the Palo Duro dam...?

This is the kind of water that you use in municipalities, for washing machines, watering lawns, drinking, irrigation, etc...!

## The Spearman Reporter

VOLUME 66, NO. 38

THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, AUGUST 7, 1975

Pamela Clawson, center, daughter of Mr. and Mrs. Rodney Clawson of Gruver was in the top 5 of her division at the District 4-H Dress Revue held last week in Amarillo. Other contestants from Hansford County included Julie Face of Spearman and Anita Walker of Gruver.

New plastic gas lines were installed on main street last week. The crews finished the installations, and covered the alleys this week! Many gas leaks were repaired, and should be a big savings to the city in the future!

### Season Tickets On Sale

Season tickets for the Lynx football games will go on sale Monday, August 11 at 8 a.m., at the school business office only to those people who held season tickets last year. These people have thru Friday, August 22 to pick up their tickets. The business office is open from 8 a.m. to 5 p.m. Monday thru Friday.

Beginning Monday, August 26, season tickets will go on sale to anyone wishing them and will be on sale through Sept. 5.

The reserve tickets will be \$8.00 for the four home games. They are approximately 480 seats in the reserve section of the new Lynx Stadium.

The first game will be September 5 here against Stratford.

### Golf Tournament Here Sunday

Hansford Golf Club will be hosting a Tri-State Association Golf Tournament Sunday, August 10. Everyone is welcome to enter the tournament.

Entry fees are \$7.00 and you may tee off anytime between 8 a.m. and 2 p.m. Merchandise prizes will be given in the four flights of competition.

### Hospital News

Patients in Hansford Hospital are Clarence Pettitt, Lela Campbell, Asbury Cookston, Tim Woodington, Aloha Bentley, Willie Darnell, Eula Wall, Richard Bomer, James Burch.

Dismissed were Tina Culver, Virgil Kelly, Gwenfred Lackey, Nathalie Turner, Cora Babbs, Sharon Pearson, Martha K. Allison, Pherba Phipps, Farrell Doyle, Vicki Warren, Larry Cross, Beverly Trimmell and daughter, Ann Wade, Alicia Rios and son.

### Chet Wise At Houston

Chet Wise is in M. D. Anderson Hospital in Houston undergoing treatment. He entered the hospital last Monday and has been undergoing treatment for an infection be-

fore other tests can be made. His address is E 509A, M. D. Anderson Hospital, 6723 Bertner, Houston, Texas 77030.

### Kiddie World, Inc. Opens

Grand Opening at Kiddie World, Inc. was held Monday, August 4th with ribbon cutting ceremonies being conducted at 9:00 A.M. by Judge Johnnie Lee.

Those present for the ribbon cutting ceremonies were Mrs. Fontella McKee, hostess, Mrs. B. A. Byers, Rev. and Mrs. Victor Andersen, C. D. Riggins, Mary Lou Wysong, Mrs. Ron Antalek and son Johnnie, Eugene Yarbrough and Staff Members, Director Beverly Jenkins, Mrs. Monty Black, Mrs. Larry Hertel and Mrs. Reba Phillips. Following the ribbon

cutting, refreshments of coffee and cookies were served to those present.

There were nine children present for the opening day, with an enrollment of fourteen. There is still room for approximately five or six more children to be enrolled. Enrollment ages are from infancy through ten years of age.

Staff members are presently being paid through Texas Panhandle Community Action Corp. Man Power Division, with Clara Jean McLain as co-ordinator. These funds for salaries has made it possible to get the center opened and started.

### Bloodmobile 150 Pints - Is Goal

The Bloodmobile will be in Spearman August 14 at the Sacred Heart Parish Hall from 10 a.m. to 3:15 p.m.

The Bloodmobile will be coming to Spearman through the Wichita Regional Blood Center which supplies over 65,000 units of blood yearly for patients in the 141 hospitals in its district. Hansford Hospital is one of these.

The goal for this year's drive is 150 pints. Last year, the first year that Hansford County has ever reached its goal, the total pints collected were 190.

Members of the Hansford Hospital Auxiliary are in charge of details for the Bloodmobile visit.

Donors are asked to call for appointments, to either Joy McCormack, 2271 Jane Kenda 3243 or Alva Garner 3216. You are asked to call by August 11 since cards will have to be prepared before the arrival of the Bloodmobile

on Aug. 14. It is estimated that the time required will be 15 minutes.

Any healthy person between the ages of 18 and 66 may give blood.

Patients who receive blood in any hospital served by the regional Red Cross blood programs are not required to replace the blood. However, patients may help by asking relatives and friends to donate blood for the next patient.

Roll up your sleeves, reserve a time to give your blood on August 14 at the Sacred Heart Parish Hall.

### Bond Sales Are 43% Of Goal

June sales of Series E and H United States Savings Bonds in Hansford County were reported today by County Bond Chairman C. A. Gibner. Sales for the six-month period totaled \$35,692 for 43% of the 1975 sales goal of \$80,000.00.

## DPS Needs Applicants

The Texas Department of Public Safety is in need of qualified applicants of both sexes and from all racial backgrounds. "The next class for Department of Public Safety Recruits will begin on October 28, 1975, with what we hope will be a full compliment of 110 persons," Major C. W. Bell, Regional Commander announced today.

"The qualifications an applicant must meet are to be between 20 and 35 years of age, of good moral character, excellent physical condition, weight proportionable to height, visual acuity of 20/40 correctable to 20/20, a citizen of the United States and have a minimum of sixty college hours." Major Bell continued, "Among

the benefits that a Department of Public Safety Trooper enjoys are: two weeks annual vacation, all holidays provided for by the Legislature, modern liberal retirement system, group hospitalization and life insurance plan, traveling expenses, longevity pay, and uniforms with all necessary equipment to perform their duties."

A Department of Public Safety Recruits training consists of eighteen weeks of comprehensive programs in all aspects of modern law enforcement at the Homer Garrison Law Enforcement Academy in Austin. During training the October School Recruit will receive pay of \$768 dollars a month. Upon graduation the new trooper will be assigned to one of the uniformed services of the Department.

The Texas Department of Public Safety has been increasingly successful in its search for recruits from minority racial groups of both sexes and encourages persons who think that they would qualify to contact the nearest Department of Public Safety Trooper or Department of Public Safety office to receive complete information regarding the application and employment procedures.

"Region 5 is most interested in being well represented by the best qualified persons available from the Northwest Texas area in the upcoming school," Major Bell stated, "but to do this, we must have the persons apply."

The Texas Department of Public Safety is an Equal Opportunity Employer.

TEXAS TO HOST NAB CONFAB--The 29th Annual Conference of the National Association of Animal Breeders (NAAB) will be Aug. 17-20 in Dallas. Special sessions are planned for managers, directors, marketing and publications personnel, dairy sire analysts and beef sire analysts. More than 600 participants are expected from Canada and the U. S., according to an animal reproduction specialist for the Texas Agricultural Extension Service.

# Farmland to Construct Ammonia Storage Tank

## 30,000 Gallon Liquid Capacity For Ammonia

It was announced Wednesday by John Anderson, executive vice president of production for Farmland Industries in Kansas City, Missouri, that the company would build a 30,000 gallon anhydrous ammonia storage tank near Farnsworth on the MAPCO transmission line.

**Construction Soon**  
The proposed tank would be built starting this summer or fall and should be completed by the fall of 1976. "Dimensions of the unit include a 170 foot diameter and a height of about 100 feet," said the company executive.

Cost of the unit is expected to be about \$1.5 to \$2 million, with some local contractors and workmen taking part in the

work, including laying the foundation, earthwork and welding for the large pressure tank.

Temperature of the fertilizer in the tank will be kept close to 20 degrees below zero.

**Truck Terminal**  
While Farmland will build the tank itself and take care of setting up the operation, the truck terminal at the new fertilizer storage site will be built by MAPCO as their part of the agreement.

"The tank will be the equivalent of a 300,000 barrel tank," Anderson said.

**Sure Supply**  
"The purpose of the new tank will be to make the Texas Panhandle less reliant on other producers of the fertilizer and enable the company to insure their customers of a sure supply at all times," Anderson explained.

While the tank will have the capacity to give out as much as 3,000 tons a day of the fertilizer, it will only have the capacity to take 300 tons a day from the line.

**Peak Demand**  
"The main reason for construction of the tank is to meet

the peak demand periods that farmers have in the year when the pipeline by itself cannot supply all the ammonia that is needed," Martin Manwarren, the Amarillo sales manager for the company said.

"The new tank will be a main distribution point for much of the Texas Panhandle as well as parts of Oklahoma and Kansas," Manwarren said. He explained the tank would serve the area about 150 miles from Farnsworth.

**Connects Plants**  
The pipeline will connect the three Farmland Industries fertilizer plants in Louisiana and Oklahoma with the Texas Panhandle, Manwarren said.

At the Perryton Equity, Kenneth Allen said the company would probably sell the majority of the fertilizer handled through the new installation in the area.

**Very Helpful**  
"It should be very helpful to farmers in the area by providing the fertilizer they need at the times they need it for their fields," Allen said.

While no concrete date for the start of the construction has been set, a spokesman for

the company said the contracts for the new tank had already been let by the company.

## C of C Meeting

The Spearman Chamber of Commerce and Board of City Development and Board of directors will have their regular monthly meeting, Thursday, August 7, at 12:00 noon at the Home Demonstration Clubroom.

Items on the agenda include reading of the minutes, financial statement, employment service, breakfast, commemorative coin, workshop for local businessmen, Texas First Report, and Rural Industrial Development Self Study Course and Workshop.

Shakespeare, according to estimates, never made a continuous journey as far as a round trip from Boston to New York.

**CARD OF THANKS**

I want to thank each and everyone for their prayers, cards, calls visits while I was in the hospital in Amarillo the month of July. May God Bless you. Also want to thank you for the fund which was set up. We express our sincere appreciation for each of you which have contributed to the fund. It has helped out so much. At the check up in Dallas the last of July, I got back a pretty good report. The Dr. said I would have two more maybe three, but was pretty sure he could do it in two, surgeries to go yet, but they will be minor ones not like the past ones, if I don't have to go back to the tube. But, I have big hopes of being well and good as new before long. May God Bless each and everyone of you. Also Thank You to who ever deposited \$150.00 in our account, without a name, so to the person or persons who did this, thank you. Thanks again. Mary & Louis Miesner

We would like to thank everyone for all the donations, money, toys and equipment to help our center get a good start. Kiddie World, Inc.

## PSU Fall Enrollment

Pre-enrollment at Panhandle State University has been extended until August 22. Students may pre-enroll Monday thru Friday.

"Because of the large turn-out for enrollment of new freshman as well as upper classmen, we've decided to extend our pre-enrollment," said Jack Bagley, Registrar. "Some classes have already closed and a few others are close to being filled," said Bagley. New freshman planning to attend Panhandle State should come by the Office of the Registrar. They should also be getting their application for admission, medical form, ACT results and high school transcripts on file at the university.

The ACT test will be given Saturday, August 23 at 8:00 A.M. for students who haven't taken it. The test will be given in room 127, Hamilton Building. Upper classmen planning to pre-enroll should report to the registrar's office for a permit to enroll. Upper classmen transferring to PSU should have a transcript from the last college they attended sent to the registrar's office. For forms, schedules or other information, contact the Office of the Registrar, Panhandle State University, Goodwell, Oklahoma 73939.

People who live in Texas and 22 other States west of the Mississippi River are getting a special opportunity to have their monthly social security and supplemental security income checks deposited directly in their checking or savings accounts, according to Howard L. Weatherly, social security branch manager in Pampa, Texas. "The direct deposit program is entirely voluntary," Weatherly said. "People who want their social security and supplemental security income checks to continue coming to their homes shouldn't do anything. Their checks will keep on coming as in the past. "But people who want their checks mailed to a bank, savings bank, savings and loan association or similar institution or a Federal or State chartered credit union can arrange for it with a direct deposit authorization form," he said. Direct deposit information was mailed with checks that were delivered in August to people who get monthly social security or supplemental security income payments. The direct deposit authorization form--SF-1199--is available at financial organizations. "Completion of the form does not permit withdrawals from your account by anyone other than people you authorize," Weatherly said. People whose checks are already being mailed to a financial organization should also make direct deposit arrangements with the SF-

1199 form. The direct deposit program will help prevent loss and theft of social security and supplemental security income checks and will eliminate standing in line to cash or deposit them, according to Weatherly.

## Registration Set For CC

Early registration for the Fall Semester at Clarendon College has been set for August 25 and 26 with regular registration scheduled for September 2.

Registration will be held at the Academic Building from 9:00 a.m. to 4:00 p.m. of each day. Registration for night classes will be held from 6:00 to 7:00 P.M. each night of the week, September 2-9.

Dormitories will open at 2:00 p.m., Monday, September 1. The cafeteria will open with breakfast on Tues-

day, the 2nd. Fall classes will begin on September 2. Students that have pre-registered will not be required to participate in the September 2 registration, but they should pay invoices that day if they have not already done so. Applications for the Fall term are still being accepted by the college. Anyone interested in attending should contact the Registrar

Mrs. B. J. Gamett and Mr. and Mrs. Stanley Gamett visited last Friday in Amarillo with Mrs. Gamett's daughter, Mrs. Tom Morris.

Apply IN PERSON ONLY at CHICKEN EXPRESS

**Greetings To All Cattlemen**  
Thursday July 31, was the regular day for our cattle auction in Texhoma. The action began at 10:00 A.M. CDT (9AM MT) and was completed at 8:10 P.M. 3234 cattle and calves were sold through the arena during that period.  
Our numbers held up much better through July than we expected. Since we did not have a sale the week of July 4, we were left with only four sales in July. During these four sales we sold a total of 13,315 cattle and calves for an average of 3328 per week.  
Now that July is past history, we are taking consignments, both large and small, for every Thursday in August. Advise us of your plans as far in advance as possible.

### Bits Of This And That

By Nita Stewart  
Stopping by the Station last Friday was Caroline Murphy of Texarkana, formerly Caroline Billingsley of Spearman - Caroline was raised in Spearman and moved to Texarkana about 4 or 5 years ago when she married Mr. Murphy. Caroline said "she enjoyed my column very much." She was in town visiting her mother, Ruth Garner. Caroline told me she is planning on moving back to Spearman in the near future.  
Many thanks for coming by Caroline, and it was

like hearing you enjoy my column as I enjoy writing it.  
Nice meeting you,  
-----  
We're looking for jobs for three fourteen year old boys who say they'll do anything to earn some money. Here's their phone numbers if you have any type of work give them a call. Troy Thompson, 3458; Kevin Lewis, 2014; and Florencio Martinez. Let's help these young people out.  
-----  
Mr. and Mrs. Al Tucker and family went to Perryton

Friday evening and enjoyed Pizza. They were celebrating their son's ninth birthday.  
Happy Birthday!  
-----  
Wayne Ellsworth started working last Friday at Coop.  
-----  
Bob English is now working for Sears, where he's doing saleswork. Bob said "he likes it fine."  
-----  
Was good having Edna Hays drop by Friday. We don't see Edna to much since she's been taking care of Hettie Davis who is ninety-eight years old and Edna says "Hettie still

hoe's the garden." We sure miss Edna.  
-----  
Have a "Happy Day" Barbara Miller, up in Alma, Nebraska.  
-----  
Buy your Spearman Reporter at Nita's Fina.  
-----  
Bobby Joe Smith of KBMFFM spent a couple of days last week visiting his parents Mr. and Mrs. Charles Smith of Oklahoma. Hope you had fun, Bobby.  
-----  
Mrs. John Morgan of Shreveport, Louisiana arrived in Spearman Saturday to spend a couple of weeks with her son and wife, Mr. and Mrs. Jerry Younger of the Crawford Addition. Bet Grandma will have a good time spoiling the girls while she's here.  
-----  
Hope your stay's a pleasant one while you're in Spearman.  
-----  
Chris White and Joe Wombie went to Lake Meredith Sunday. What a nice way to spend a day.  
-----  
How nice of Frank Galvan's mother bringing me two bags of Cucumbers and a box of okra - I really love them both and can eat cucumbers like they are

going out of style. Wish Alice was here, cause she and I could make a mess of pickles.  
Thank you very much, Mrs. Galvan.  
-----  
Visiting in the home of Eugene and Frankie Duryee are their daughter and husband Sue and Steve Snow of Oxnard, California. Nice seeing you again, Sue.  
-----  
Mr. and Mrs. Kenneth Burch spent Sunday visiting their son in Canadian.  
-----  
Mr. and Mrs. Stewart have their son and wife, Mr. and Mrs. Dewayne Stewart from Albany, Georgia and Dewayne's mother and father-in-law Mr. and Mrs. Evert Harren from Alva, Oklahoma visiting them. Dewayne and his wife will be here indefinitely. The Harren's will be with them only a few days.  
-----  
Nice seeing you again, Mrs. Stewart.  
-----  
Rev. and Mrs. Christy of Portales, New Mexico were in Spearman last Sunday where Rev. Christy had a tryout as he called it to see how the folks of the Freewill Baptist Church liked him. Rev. Lynn Tumbow will be leaving

Spearman in about three weeks. He and his wife are planning on doing Missionary work, according to Rev. Christy.  
-----  
Rev. Christy is assistant Minister in Portales, New Mexico, where at one time he was the Minister. Rev. Christy would like very much to come back to Spearman. He has many friends in the Perryton area also.  
-----  
Very nice meeting you and your family. Stop by whenever you are down this way.  
-----  
Spending the night last Sunday with Mr. and Mrs. D. A. Stewart were their Grandson, Karl Bynum, who enjoyed playing with his cousin, Bobby Swickard.  
-----  
Hey! Raymond Gilley, found someone older than you. Billy Miller's birthday was August 5th does that make you feel better. Raymonds Birthday is August 29th, Billy.  
-----  
A Belated Happy Birthday, Billy.  
-----

The Oertle's are from Ponca City, Oklahoma.  
-----  
Tom and Teri Dow and family left Tuesday for Ada, Oklahoma where they will be making their home. Tom worked for Baker and Taylor while in Spearman. Good Luck to you.  
-----  
Wanda Freeman, new to Spearman, dropped by looking for a farm job. She drives tractors and trucks. Wanda can be contacted at 3335.

### Belly Open Golf Tourney Set

The Aggie Booster Club in cooperation with the Guymon Chamber of Commerce is sponsoring the Second Annual Belly Open Golf Tournament for the benefit of the Panhandle State University Scholarship Fund. The 36-hole event will be staged Saturday and Sunday, August 16 and 17 at the Sunset Hills Golf Course in Guymon, Oklahoma. Five flights are scheduled with four prizes to be awarded in each flight. The \$25.00 entry fee includes the golf tournament and a golfers and guest dinner Saturday evening at the Guymon Elks Lodge. Half of all entry fee money after expenses will go to the PSU Athletic Scholarship Fund. The other half will be paid back as prizes. Special tournament merchandise prizes will be awarded for the longest drive and closest to the pin on specified holes. Other merchandise prizes will be awarded at the dinner for the shortest drive, most putts, most strokes and most balls out-of-bounds making it possible for all golfers, good or bad, to win something for their efforts. A specially designed towel for a golf bag will be given to all entrants. Play will begin Saturday, August 16, at 7:00 AM with all golfers teeing off by 1:00 PM, Sunday tee off times for the shotgun start will be announced at the dinner. Saturday scores will determine the flight and starting times. Entry blanks are available by writing the Belly Open, P. O. Box 98, Guymon, Oklahoma 73942. Additional dinner tickets are available at a \$5.00 per ticket cost. All entries and dinner reservations must be in by Wednesday, August 13, 1975. For more information contact Richard Bennett in Guymon, Oklahoma, tournament committee chairman.

**Rotary Club News**

The Spearman Rotary Club met Monday, August 4th at Martin's Steak Garden with Roy Bulls, President, presiding. Clay Gibner gave a very interesting program on "The Bond Market".

Don Wirsdorfer, acting secretary reported Chet Wise is in M. D. Anderson Hospital in Houston but no new word was received on him.

Visitors present were Dave Harmons of Borger, Randy Hill of Wewoka, Oklahoma; George Blackwell of Canyon; and Clay Gibner of Spearman.

Members present were: Roy Bulls, President; Junior Lusby, Vice President; Carrie Marie Berry, Pianist; and Ed Garner, Bob Pearson, Don Wirsdorfer, Pete Fisher, Ellzey Vanderburg, John Hutchison, Ed Thompson and J. L. Brock.

Next meeting will be August 11th at Martin's Steak Garden.

Shaming, threatening or ignoring a child are forms of psychological punishment, Mrs. Iene Miller, family life education specialist with the Texas Agricultural Extension Service, the Texas A&M University System, notes.

**Sagging Wheat Prices Plague Producers**

"Current Wheat Prices that are sagging a full dollar below those just eight months ago are now the producers biggest concern as preparations for planting a new crop are being made", according to Leo Witkowski, Hereford, President of the Texas Wheat Producers Association. He went on to say that "I know that the public and prominent politicians are talking about the price rises since the Russian wheat sales, but these rises have just barely recouped the 55 cents per bushel drop experienced in June alone. When we were planting this crop of wheat last fall, --73.5 million acres, the largest in recent history, the price of wheat was \$4.87 per bushel--now even with the Russian sales we currently are being offered only \$3.60 to \$3.70 per bushel--and much of this year's crop, particularly in the Rolling Plains, was sold for less than \$3.00 per bushel, even with farmers' orderly marketing activities which is credited with preventing even a further price collapse." The wheat leader went on to point out that the principal uses of wheat here in the United States is bread-making and cattle feeding, and currently even with the wheat price slump, that "the price of bread and the price of fed cattle are higher than a year ago--perhaps justifiably so from other cost and economic considerations--but obviously not from the price of wheat."

In an effort to put the current wheat supply and demand in perspective

**Arts & Crafts Guild News**

The Arts & Crafts Guild met Friday, August 1st in the home of Mrs. Clay Gibner.

Mrs. Gibner served delicious refreshments to guests, Zora Hartman and her granddaughter of Denton, Texas and to members, Mesdames Bruce Sheets, Joe Traylor, F. J. Hoskins, Garrett Allen, Deta Blodgett, P. A. Lyon, and Pope Gibner.

Next meeting will be August 8th in the home of Mrs. Pope Gibner.

with the Russian sale of 4.3 million tons, the Texas Wheat Producers Association has compiled these facts: The U. S. had 8 million tons of wheat carried over from the past crop on July 1, the crop now being harvested is estimated at 59 million tons, making a total wheat stocks, with imports, available this marketing year at 68 million tons. Historically, the United States consumers here at home uses for all purposes--feed, seed and food--21 million tons of wheat. Setting this amount aside to assure full supplies available would leave 46 million tons left to pile up in warehouses at a huge cost to the food marketing system or conversely, available for export. Current USDA estimates for exports to all nations including Russia is 28 million tons. This leaves 18 million tons carryover at the end of the marketing year next July 1 --double that on hand July 1 this year and reaching the level formerly referred to as "burdensome surpluses".

Witkowski's, and that of other wheat growers in Texas, conclusions are that farmers

planted adequate acres of wheat last fall to make expected sales of 60% of the crop to foreign customers, when Russia hadn't bought any wheat by the end of May, prices dropped a full 55 cents per bushel in June. The current price rises have just about recouped those losses and are still below a year ago and may stay that way unless the United States maintains a policy of unrestricted access to foreign markets promised by President Ford when he vetoed the Emergency Farm Bill this Spring, and producers through their organizations continue strong export market development

activities with established and new customers. As to recent action of longshoremen threatening not to load grain ships bound for Russia, Witkowski said that wheat producers, through the National Association of Wheat Growers, have met with Mr. George Meany of the AFL-CIO and Mr. Thomas Gleason of the International Longshoremen Association and other labor union officials at their recent council meeting in Chicago and related the producers viewpoint of the economics of the Russian wheat sales. He said NA WG officials reported that the labor union leaders were sympa-

thetic towards the farmers cost-price squeeze and the need for exports to maintain prices above the cost of production, but made no assurances that the grain would be loaded. Closer to home, at Houston where most of the export wheat is handled, consensus among grain trade and labor spokesmen is that there will be no stoppage of ship loadings and that the attention of the labor leaders to the Russian sales are political, designed to make gains in negotiations on other maritime matters.

# United plans giant free breakfast!

Big doings are planned for the Perryton celebration this year, and plans already are being made for a "really big show" at the Bicentennial Celebration to be held this month. Perryton Jaycees, the main organizers for the events to be held running the celebration, have lined up some special attractions this year as well as the traditional ones featured in the past.

A major addition to the celebration this year will come from a giant breakfast, free to the first 1500 people, on Saturday, August 23, by the UNITED SUPERMARKET in Perryton.

"We felt like we owed the people of the area, especially in Hansford and Ochiltree counties something for the good treatment we have received since

the store opened last year, and we felt this was the best way we could show our appreciation," Max Smithy, manager of the store said this week.

Plans now call for the breakfast to start serving at 5 a.m. that day, the culmination of the week-long Perryton celebration, and for serving to go until 8 a.m.

"We plan to have enough food on hand to serve 1,500 people breakfast," Smithy said. On the menu for the morning repast will be fried eggs, bacon, biscuits and coffee, all cooked outdoors over an open fire.

During the cooking for the mammoth breakfast attempt will be Harold Gibson, and his two sons, Arlo and Leon. The family makes their

home near Hardesty, Oklahoma, and the father has served the breakfast at the Frontier Days Celebration for the past 30 years or more, Smithy noted.

It is understood that the two brothers have between them 14 daughters, but whether they will be on hand to help with serving the food is still up in the air.

"The Gibson family have agreed to make the Perryton Celebration an annual affair and part of their regular schedule," Smithy said.

Asked why the store is putting on the breakfast, at obvious great expense, Smithy said he hopes it will add a little life to the celebration and get more people involved and

willing to work harder to make the occasion a lot more fun.

Following the breakfast the Jaycees plan to re-enact a famous confrontation between the Texas cattlemen and Oklahoma ranchers and "nesters" that took place in the early 1890's.

Researched by Spencer Whippo, a noted student of the history of Ochiltree County and the surrounding area, the play will include a gunbattle between the "Texas Cattlemen" who tried to move their cattle north through Colorado to the vast expanses of the Colorado Range and settlers and ranchers

## Several Still Pending

Two new entries were received for the Wheatheart of the Nation Pageant during the past week. Both had sent in blank registrations to enter the contest pending the selection of their own beauty pageant winner.

Included in the new entries is Miss Armstrong County, Cheryl Hundley of Claude. A high school graduate this year, the brown-haired and blue-eyed contestant is planning to attend Texas Tech in the fall.

The second new name received at the Ochiltree Chamber of Commerce this week was that of Alice Rae Freeman, Miss Western Queen and a native of Quanah. She was selected for the honor at a beauty pageant held in Quanah on July 26. The high school junior holds over 350 twirling awards and titles.

The Wheatheart of the Nation Beauty Pageant will be held on August 23, Saturday, at the high school auditorium at 8 p.m.

Miss Perryton, Kim O'Dell, will represent the city of Perryton this year, while other areas which will have entries in the contest but have not gotten all the information in yet, include Miss Top of Texas from Pampa, Miss Moore County, Miss Stratford, Miss Baca County and Miss Canyon.

Over 500 letters were sent out to all sections of the country this year and while there was a good response with questions about the pageant, most of the girls in the local event will still come from Texas and the surrounding states, as they have in the past.

Theme for the Miss Wheatheart Pageant this year will be "I Am Woman." Entertainment will include Kim Higgins, last years winner in the contest, twirling machete knives, and playing the piano

Master of ceremonies for the event this year will be Leo Meyers, Ochiltree Chamber of Commerce manager. The girls in the contest will be in Perryton by Friday, August 22, when there will be a rehearsal in the high school auditorium for the pageant. Included in the entertainment this year will be several production numbers to be performed by the contestants.

On Saturday morning the contestants will ride in the annual Perryton Celebration Parade.

First place in the contest this year will net some lucky young lady a \$1,000 college scholarship. First runner-up will receive a \$500 scholarship and the second runner-up will get a \$250 scholarship.

The Spearman Lions Club has entered Miss Hansford Co., Denise Desimone, in the Wheatheart contest, and the Lions plan to win first place this year! Also, the Spearman Lions Club float will be entered in the parade on Aug. 23!

Lynne and Andy Riley of Plainview visited here several days last week with her parents, Mr. and Mrs. Wesley Garnett, Sr., with her grandmother, Mrs. B. J. Garnett, with her brother, Mr. and Mrs. Mike Garnett and family and with other friends and relatives. While here they went boating at Lake Meredith.

# Nelle's News

By HD Agent Nelle Evans

Mrs. Nelle Evans Co. Ext. Agr. (H) Last week we discussed fall fashions for school children. Here are more thoughts on the subject of children's clothes.

A child's clothes can help him learn the alphabet, colors and directions. Children's clothes can do more than just cover the wearer—they can teach a child to count, spell or identify certain animals, objects or shapes—they can even teach muscular skills.

Clothes that teach can use appliques, letters, numbers, arrows, animals, objects or shapes—such as a triangle or square.

Printed fabrics with colors, words or identified objects are also good teaching aids.

Associations such as words or letters with objects or colors, can be taught with appliques or printed fabrics.

The words "go" and "stop" with the colors green and red could teach traffic safety, or the word "apple" with an apple applique.

To teach muscular skills, make pockets with large buttons or snaps, zippers, or lacing conveniently located on the garment's front. The child can use these to practice buttoning, snapping, zipping, lacing or tying bows.

Special "clothes that teach" patterns are available from some major pattern companies.

Those of you who sew might enjoy the Vogue patterns fall fashion revue at 1:00 p.m. and 7:00 p.m. on August 11 at Sakowitz in Amarillo. It will be in the Golden Thimble Fabric Shop at Western Plaza. You will see the original designers fashions created for Vogue patterns by Ann Klein, Yves St. Laurent, Geoffrey Beene and others.

While prices are low buy watermelon and cantaloupe for use this winter.

Freezing watermelon or cantaloupe is easy. Slice, peel and remove seeds. Cut into slices, cubes or balls. Cover with cold syrup using two cups sugar to four cups water. Omit sugar for those on diabetic or low calorie diets. Seal and Freeze immediately.

If you need any information on canning, freezing, pickling, relishes, jams, etc. come by our office and we'll be glad to help you.

## Sheriff's Report

Joe Garcia, 18 years of age, from Amarillo, was arrested Saturday, August 2, at M & M Grocery, charged with theft, released on bond.

Joe A. Parker was arrested Saturday, August 2, for theft by check; fine \$50.00, \$30.80 Court costs; paid and was released.

A 30-30 rifle stolen from Baker & Taylor yards in November, 1973, has been recovered in Amarillo and the subject is being held for questioning for Hansford County Sheriff's Office.

Burglary of a mailer home 15 miles northeast of Spearman sometime Friday, August 1, 1975. The mailer was occupied by Elton Mathis of Lockney, Texas. Taken was personal clothing and a coin collection valued at \$200.00, an overall total of over \$1,000.00

in property was taken. The Sheriff's Department at the time has no leads or suspects on the burglary.

At the present time, the Hansford County Sheriff's Office has 14 cases to present to the Hansford County Grand Jury some time in September. They include: Four (4) charged with burglary; four (4) charged with auto theft; two (2) charged with forgery; two (2) charged with theft over \$200.00; One (1) with DWI; one (1) with rape.

Sheriff McFarlin announces that Bobby Ray Dennis has been hired as the new deputy for Hansford County. Bobby Dennis holds an associate degree in Police Science from Frank Phillips College in Borger, Texas. He is married to

the former Debbie Davis of Spearman. Bob will be stationed in Spearman. Bob has been with the Gruver Police Department for approximately the last six (6) months.

## FARM AND RANCH NEWS

By Joe VanZandt  
The number of all cattle and calves on Texas farms and ranches totaled 17,000,000 head on July 1, 1975, according to the Texas Crop and Livestock Reporting Service. This is 3 percent below last year's 17,500,000 head but 4 percent above July 1, 1973.

The 1975 calf crop is estimated at 6,100,000 head, 2 percent below the 1974

crop. Stocker cattle on Texas farms and ranches as of July 1 were estimated at 6,651,000 head, up 3 percent from a year earlier, according to the Texas Crop and Livestock Reporting Service. Stocker cattle include heifers and steers weighing 500 pounds and over and all calves weighing less than 500 pounds, except cattle on feed and replacement heifers.

Stocker heifers and steers weighing over 500 pounds increased 41 and 10 percent, respectively, from July 1, 1974 while calves weighing less than 500 pounds were down less than one percent from a year ago. All cattle and calves on hand in the United States

on July 1, 1975 are estimated at 140.1 million head, 1 percent above a year earlier and 7 percent above July 1, 1973.

All cows and heifers that have calved, at 58.0 million head, are up 2 percent from a year ago and 8 percent above July 1, 1973. Beef cows are 46.9 million, are up 3 percent from a year earlier and 10 percent from two years ago. Milk cows at 11.1 million are down slightly from July 1, 1974 and 2 percent less than July 1, 1973.

Other classes on July 1 and the change from a year earlier and two years earlier, respectively are as follows:

All heifers weighing 500 pounds and over - 18.9 million head, down 1 per-

cent and up 3 percent.

Beef replacement heifers - 7.3 million, down 7 percent, up 2 percent.

Milk replacement heifers - 3.9 million, up 1 percent and up slightly.

Other heifers - 7.6 million, up 4 percent and 5 percent (includes 2.6 million head in feedlots in the 23 major feeding states).

Steers weighing 500 pounds and over - 3.1 million, up 5 percent and 16 percent.

Heifers, steers and bulls under 500 pounds, 42.8 million, up 2 percent and 11 percent.

CALF CROP - Calves born and to be born during 1975 are expected to total 50.8 million; a record high and an increase of 2 percent from 1974. The estimate of calves born and to be born

includes all calves born alive.

## Fidelis Class Has Meeting

The Fidelis Sunday School Class of the First Baptist Church met Monday, July 28th at 3:00 P.M. in the home of Mrs. Wesley Garnett, Sr.

Mrs. L. L. Anthony, Outreach Ministry Chairman, presided over the business meeting.

Mrs. Ray Moore reported on various ministries of the class.

Teacher of the class, Mrs. Roy Wilmeth, talked of plans for the new class year.

Refreshments were served

by Mrs. Garnett to guest, Mrs. Andy Riley, and to members, Mesdames: Roy Wilmeth, Roscoe Nelson, Ray Moore, Stanley Garnett, Russell Pogue and L. L. Anthony.

Next meeting will be September 8th in the home of Mrs. Roy Wilmeth.

Mrs. Jimmy Hall, Sherri and April of Dumas visited Sunday, Monday and Tuesday in the homes of her sister, Mr. and Mrs. Eugene Yarbrough and family and her parents, Mr. and Mrs. Aaron Love.

Visiting in the home of Mr. and Mrs. Pope Gibner last week was their grandson, Randy Steed of Amarillo.

### Crop Insurance Workshop Set

A Crop Insurance Corn and Grain Sorghum Workshop and Field Day will be held at Panhandle State University August 17, 18 and 19. The addition of corn to the seminar study will add a big attraction to the program.

Registration will be held at 5:00 p.m. in the red lounge of the Student Union Building. Sixty-eight from a nine state area have already pre-enrolled.

A Corn Adjusting Procedure class will be held at 7:00 p.m. in the Student Union Ballroom.

On Monday, August 18 at 8:15 a.m. the hail machine demonstration will be conducted at the research station, which is located a mile east of the campus. The demonstration will show what wind, sand, gravel and hail can do to damage a corn or grain sorghum crop

and research facts will also be available.

Following the hail machine demonstration, the class will work at five different groups in the research station test plots. The groups are 1. Stage of growth identification, 2. Loss Adjustment of Machine Damaged Corn, 3. Machine Treated Hail Damaged Corn, 4. Defoliation, Upper Leaf Removal plus Plant Cut-off

Corn and 5. Shred and Bruise Damaged Corn.

At 1:00 p.m., the group will meet in the Student Union Ballroom. The afternoon session will start with the introductions by Mr. Raymond Peck, Professor of Agronomy at Panhandle State and director of the Crop Insurance Crop and Grain Sorghum Workshop. A welcome by Dr. Tom Palmer, President of Panhandle State will be given and Mr. John Ames,

Executive Director of the National Crop Insurance Association from Chicago, will be the group up-to-date on the National Crop Insurance Association. Mr. Jack Clanton, Crop Hall Manager of the Kansas Farm Bureau at Manhattan will talk to the group on Grain Sorghum Research.

At 2:00 p.m., Mr. Peck will lecture on "The Corn Plant," at 2:30 p.m. Mr. Jack Alexander, Director of the Research Station, will lecture on "Plant,

Soil, and Fertilizer Management Practices. Starting at 3:30 p.m., Dr. Charles Denman, Associate Professor of Agronomy at Oklahoma State University, will lecture on Corn and Grain Sorghum Testing Programs.

Tuesday morning program will start at the research station in the test plots with the groups working at five different stations. The stations will be 1. Loss Adjustment of Machine Damaged Plots, 2. Growth Id-

entification of Grain Sorghum, 3. Machine Treated Hail Damaged Grain Sorghum, 4. Defoliation, Upper Leaf Removal and Plant Cut-Off Grain Sorghum, and 5. Shred & Bruised Damage of Grain Sorghum.

The afternoon session, that will be held back in the ballroom will consist of a review lecture on the Grain Sorghum plant by Mr. Peck. Dr. Roy Sturgeon, Plant Pathologist for the Oklahoma State Extension Service, will lecture on

"Corn and Sorghum Diseases." Dr. Bill Massey, area Entomologist for the OSU extension offices in Guymon will lecture on "Corn and Sorghum Insects and Mr. Jim Howell, area agronomist for the OSU extension service at Guymon, will lecture on "Corn and Sorghum Chemical Weed Control."

The colors in the American flag stand for courage (red), liberty (white), and loyalty (blue).
