

CC Team Claims Fifth At State Meet

Warm weather and a somewhat hilly track may have been contributing factors as the Lynxette Cross County team finished in fifth place at the State Cross Country Meet, held last Saturday at Georgetown.

According to Coach Richard North, the weather was nice and warm and the track was "pretty hilly," with a "long hill at the start." The warmth apparently affected Jill Lusby, who suffered with a bout of heat exhaustion and could not finish the course. North said she exhibited symptoms of heat exhaustion for the next couple of days and is still feeling weak, but has recovered for the most part.

On the good side, however, North said he wasn't at all disappointed in the team's effort. "A lot of people improved over

the year," he noted. And next year's outlook seems favorable for the cross country program at SHS. Only two seniors, Michelle Cook and Nancy Ivey, will be lost to graduation so most of the competitors from this year's team will be back on the attack for the 1990 season. "We're really looking forward to next year," said North.

He added that at Georgetown the team was "pretty excited, but didn't seem as nervous as last week (at the regional meet)."

Overall, the Lynxette team finished with 108 points, behind Marion, Little Elm, Abernathy and Wall.

Individual efforts from team members included Haley Shield-knight, who finished in 21st place; Michelle Cook, 28th; Joy Gafford, 29th; Nancy Ivey, 48th; Shannon Holton, 51st; and Sonya Nitschke, 54th.

Students join hands with the CC team and sing the school song as part of the team's send-off to State.

Cody Reynolds [66], David Boese [85], and the rest of the Lynx defense gather around coach H.M. Garrett during time out at Boys Ranch Friday night.

Lynx Finish With A Win Over Roughriders

The varsity Lynx football team finished the '89 season on a winning note last Friday night. They beat the Boys Ranch Roughriders 29 - 20.

It was a come-from-behind victory for the Lynx. The Roughriders jumped out to a 13 point lead early in the first quarter by scoring two touchdowns. The touchdowns were set up by Lynx errors. As the Lynx stopped making errors, they were able to close the gap on the Roughriders, and go on and claim the victory.

It was toward the end of the first quarter when the Lynx began to assert themselves. They started the scoring with a six yard run for a touchdown by Chris Williamson. Scott Wilkerson ran the two point PAT to bring the score to Lynx 8, and Roughriders 13.

In the second quarter the Roughriders scored their last points of the game. They scored a touchdown on a four yard run and then kicked a PAT. The half ended with Spearman trailing the Roughriders 8 - 20.

The second half was all Spearman Lynx. They started in the third quarter by forcing a Roughriders fumble that the Roughriders recovered in their own end zone for a safety.

In the fourth quarter the Lynx scored three unanswered touchdowns. The first was a six yard run by Tim Dooley. The second was long 76 yard run by Chris Williamson. The third was another run by Dooley. On this last

touchdown the PAT kick was good by Cody Reynolds to bring the score to a final 29 - 20 Lynx victory.

In their victory the Lynx amassed 303 total yards of offense. All of the yards were gained by rushing. The leading rusher was Dooley. He carried the ball 23 times for 114 yards and two touchdowns. He was followed by Chris Williamson who had six carries for 96 yards and two touchdowns. Scott Wilkerson had 16 carries for 56 yards and was followed by Ed Mayfield with six carries for 36 yards. last was Brian Beck with one carry for one yard.

On defense the Lynx blocked two punts and forced three turnovers. The two punts were blocked by Tracy Thompson. The first, he just fell on after the block. After he blocked the second punt he picked the loose ball up and advanced it inside the Roughriders 10 yard line to set up a Lynx touchdown.

The three turnovers were two pass interceptions and a fumble recovery. Mayfield and Dooley each intercepted a Roughriders pass. Tim Kizziar recovered the fumble.

This was the second time this season that the Lynx have beaten the Roughriders. They beat them here in the second game of the season. These wins, along with the win over Highland Park, are three bright spots for the Lynx varsity football '89 season.

City Sales Taxes Returned

City sales taxes totaling \$21,745.88 were returned to Spearman and Gruver in November, according to information from the State Comptroller's

office. Of that total, the City of Spearman received \$17,382.62 and the City of Gruver received \$4,363.26. Both amounts were down from the totals received in the same period last year.

In comparison, Spearman was returned a total of \$20,472.59 in November 1988, while Gruver received a check for \$4,737.37 last year. 1989 disbursements to Spearman have totaled \$169,192.80, up 5.95 percent from year-to-date receipts in November 1988, which amounted to \$159,685.61. Year-to-date figures for Gruver are \$41,801.46, representing a decrease of 1.24 percent from the \$42,325.08 total received through November 1988.

Statewide, State Comptroller Bob Bullock said that sales tax payments to Texas cities reached \$125 million this month, up more than 5 percent from last November's payments and over 9 percent higher than last year's total at this time. Checks to counties were up a healthy 7 percent over last November's payments.

"The economy is looking up for merchants in Texas and that means another good month for local governments," Bullock said.

This month's checks reflect local sales taxes collected in September by businesses that file monthly tax returns and taxes collected in July, August and September by businesses that file quarterly returns.

Businesses collect the state and local sales tax and send it to the Comptroller's office along with their tax returns. The state keeps its 6 percent share and returns the local sales taxes to local governments.

Cities and counties may levy a combined tax of up to 2 percent, Bullock said.

Houston received a check for \$22.6 million, which is 8 percent more than last November's payment. Dallas received the second largest payment at \$13.9 million, up 10 percent over last year's.

This month's payments to counties totaled \$11 million, compared to \$10.2 million last November. Bullock noted that the total payments to counties in 1989 show an increase of 43 percent. He explained that much of the increase is because 10 more counties started collecting tax in January of this year and another one started in April.

Mixed Drink Tax Returned

Hansford County received a check in the amount of \$295.77 from the State Comptroller's office as a rebate of sales tax collected on mixed drink sales in Spearman. Hansford County's total revenue collected on mixed drink taxes for the third quarter of 1989 was \$2,366.19. That amount was sent to the state, and the county receives 12.5 percent of that total in a check from the Comptroller's office.

State Comptroller Bob Bullock recently sent checks totaling \$11.1 million to 221 counties and 440 cities that collect mixed drink sales tax.

The checks represent the counties' and cities' share of the state's 12 percent mixed drink tax collected during July, August and September of 1989.

Bullock said that the state collected \$46 million in mixed drink taxes for that three-month period,

compared to \$43.9 million collected during the same three months of 1988.

Under state law allowing the sale of mixed drinks, Texas cities and counties each receive a 12.5 percent share of the tax collected on mixed drinks sold within their boundaries.

Of the total \$46 million in state collections, counties received more than \$5.7 million, up from the \$5.4 million received during the same three-month period of 1988. Cities received more than \$5.3 million, up from the \$5.1 million received last year during those months. The state's general revenue fund received the balance.

Bullock said \$34.8 million was deposited into the state's general revenue fund from collections during July, August and September, compared to \$33.3 million collected during these months last year.

SISD Board Report

The Spearman ISD Board of Trustees met at 7 a.m. on Monday Nov. 13. Besides regular agenda of board business was an addendum that enables the board to invest \$310,000 from the Birdwell estate monies.

The monies came to the board as part of a bequest from the Guss Birdwell estate. The bequest was mainly in the form of land. The board has been selling the land over the last year and a half, and investing the monies. According to Larry Butler, SISD, superintendent, the board wants to continue to leave the monies in investments and let it accumulate to establish a two million dollar building and capital improvement fund.

In regular business, the board approved the final revisions to the high school handbook as presented by Principal Jim Kirkland. They gave approval to a choir trip

in the spring to Colorado Springs. The choir will be singing at the Air Force Academy services.

The Board designated themselves as trustees for the Gibners Scholarship Fund being set up for the board by John Hutchinson.

The board approved the favorable audit report by an independent audit. They also awarded the November gasoline supply for the district to Golden Spread Sales.

During the Superintendent's report, he informed the board on the progress of the North Canadian Finance Coalition. This is a group of school administrators from around the north Panhandle area who are working together to try and have some input into the new school finance legislation mandated for next year. The mandate was from the Supreme Court decision on the Edgewood vs. Kirby case.

Area School administrators Larry Butler of Spearman (left), James Warren of Friona (right) and other Panhandle School Leadership Association members will meet November 16 in Amarillo at the Region XVI Education Service Center. Featured speaker will be Dr. William N. Kirby, state commissioner of education from Austin.

Kirby will address the school finance issue. A recent ruling by the Texas Supreme Court in the Edgewood v. Kirby lawsuit holds that the Texas school finance system must be revamped by May 1, 1990. Area superintendents, members of TASA Texas Association of School Administrators also met recently at Region XVI to discuss management and leadership plans for 1990-91 and administrator appraisals.

Among the Neighbors

Kenneth and Margaret Evans returned Thursday after 11 days downstate. They left early one Tuesday morning, going by way of Brady for a short visit and to leave Maxine Banister. In San Antonio, they attended the National Water Association convention being held there.

Later at Cypress, a suburb of Houston, they were guests of their son Gary, Patti and family. The younger Evans are well settled in their new home now. They moved there from Denver last summer. He is with Jet Lube Oil.

Mary Ann Evans flew down from Amarillo and spent the weekend with them. Margaret noted that there was a tremendous number of deer on the roads between San Angelo and Fredericksburg. They were at a loss to account for it.

Another Spearman couple, in spite of their youthful vigor, has added grandpa and grandma to their titles. Billy and Martha Haden are pleased to announce that the title was bestowed by Sadie Kathleen on November 10 at High Plains Baptist hospital in Amarillo. She weighed 6 pounds, 13 ounces. Her parents are Billy Ray and Linn Haden of Canyon.

Her other grandparents are Richard and Loretta Farabee, Texhoma. Her great grandmothers are Janie Harland, Texhoma; Bertie Farabee, Haysville, Kan.; and Dorothy and Andy Anderson of Odessa.

Freeman Barkley is back from several days with his daughter, Mary Ellen and Malcolm Kirkland and family. They live in Sulphur Springs.

Garland and Virginia Head had a crammed schedule last weekend in Lubbock. They were guests in the home of Reverend Frank and Helen Oglesby. One evening they were pleased to have dinner in the Oglesby home with Earline Chambers. They noted that Earline misses her Spearman friends, and her health is not the best.

Ronnie Head, their son, came over from Artesia and attended the football game with them.

Sunday afternoon, they attended the dedication of the Ed Irons Junior High School in Lubbock. The Irons and Heads are old friends as he and Garland were roommates at Tech in their college

days. Of course the crowning success of the weekend was that Tech won the football game.

Nancy Thompson returned to her home near Utopia, Texas after several days here with her mother, Rhoda Overton. Rhoda underwent surgery on Wednesday at Hansford Hospital and is recovering at home.

Lillie Palmer, Paul and Betty Hazlewood attended a surprise birthday party in Texhoma Sunday afternoon. The party commemorated the 80th birthday of their cousin, Ermin Hollis. The occasion was held in the community building, and Ermin, who finished high school in Spearman, is a retired farmer, so the birthday cake was decorated with a windmill and miniature tractors, bales of hay and other farm paraphernalia to carry out the decor.

Ermin's brother and sister came from Jacksonville, Fla.

After a 19 year intermission, Pauline McGee can again help to spoil a grandchild. Last week she was in Abilene with her son Gary and Amy McGee who are new parents. On November 3, Bailey Blant arrived via the Hendrick Hospital in Abilene weighing 8 pounds, 3 ounces.

Grandparents are Mr. and Mrs. Cullen Anderson of Waco, Pauline and the late Blant McGee of Spearman. Great grandmother is Mrs. Mary Davis of Hollis, Okla.

Jerry Gibner came from Albuquerque to spend the weekend with his parents, Pope and Margaret Gibner.

Pope had undergone cataract surgery in Pampa on Thursday. Pam Schnell had driven him over. He is pleased at his rapid pace of recovery.

Freda and Bruce Sheets had guests for a couple days last week when old friends, Mr. and Mrs. Harry Davis of McCook, Neb. were here. They were enroute to Fulton, Texas on the coast where they winter.

Another guest on Monday was Richard Newcomb. He is the nephew of Freda's and lives in Lubbock.

Olive and Owen Pendergraft were in Liberal last Friday where they met her six college dorm mates and their three surviving husbands. This is the group that has been together at least once every year since their college days in the 1930s. They had several meals together this time and met in the home of the Paul Mendenhalls in Liberal.

The Pendergrafts and Vera Gray then spent the night at Tyrone with Mrs. Lillian Ottaway before going on to Garden City. There they met 34 other members

of the Good Sam Travel Group for a meal and fellowship.

It was a grand time of camaraderie, fun and spirit for all those who accompanied the girls cross country team to Georgetown last weekend.

The group left on Friday and stayed in Austin, returning Sunday. Those making the trip were Jimmy and Lois Shieldknight, with Marsha; Fred and Brenda Shieldknight with Kelli, Quentin, and Clara; Charles and Hazel Shieldknight with Ashley and Macy; Linn and Dick Gillaspie; Jerry Holton, Jim Ivy, Ronnie and Donita Lusby, with Michael and Mandi; Dorothy and Becky Lusby; Ladd and Cathy Gafford with Matt; Cindy Holton with Jason; Coach Susan Davis, Bill Jack Pittman and Becky Beedy.

Heather Murrell came over from S.M.U. and from A & M came Carly Shieldknight, Jan Crawford, Mark Allen and Pat Shields.

Edith and John Pipkin have a new generation to add to the family genealogy as they are now great-grandparents.

Chris and Heidi Stokes of Amarillo announce the arrival of a daughter on Sunday, Nov. 12 in Amarillo - being LuRae Renee, weight 8 pounds, 1 ounce.

Grandparents are Yvonda and Larry Stokes and Janet Chase, all of Amarillo, and Ronnie Chase of Borger.

Great-grandparents, in addition to Edith and John, are Mrs. Alene Stokes of Pampa and Mr. and Mrs. Paul Guthrie of Amarillo.

To the men of the Spearman High School class of 1931 - no, your confidence in Clyde Longley has not been betrayed! At one of the high school reunions, the men of the Class of '31 presented Clyde with a fancy scroll commending him for his incredible achievement in avoiding the bonds of matrimony for all these years.

Then last week this paper announced the birth of a daughter to Mr. and Mrs. Clyde Longley - leaving his classmates in a state of shock.

But it happens that the daughter was born to Clyde and Tia Conley - not Longley.

Clyde is again able to be in his shop after a series of treatments at the VA hospital for a slight stroke. He is still an out-patient, but feels he is making some recovery.

Birth Announcement

Jeff and April Bonham of Amarillo announce the arrival of their son, Brice Heath, at Northwest Texas Hospital on November 8 at 11:40 a.m. Heath weighed 7 pounds 13 3/4 ounces and was 20 inches long.

Heath was welcomed by older sister Chelcie; maternal grandparents, Mrs. Patty Black of Lafayette, La. and Sam Abston of Spearman; paternal grandparents, Mr. and Mrs. Jim Bonham of Gruver, and great grandparents Mr. and Mrs. E.C. Abston of Spearman, Mrs. Ouida White of Lubbock and Mr. and Mrs. N.E. Payne of Dumas.

Blankenship, Timmons Wed

Mrs. Gregg Timmons

Debra Blankenship and Gregg Timmons were united in marriage November 11 at 6:00 p.m. with the Rev. John C. Speight Jr. officiating. The ceremony was held at Colonial Hills United Methodist Church in San Antonio, Texas.

The bride is the daughter of Mr. and Mrs. W.L. Blankenship of Morse. Parents of the groom are Mr. and Mrs. Fred Timmons of Schertz, Texas.

Matron of honor was Rhonda Curr of San Antonio. Bridal attendants were Dana Vaughn of Desota, Tex. and Brenda Swank of Denver, Colo. Best man was Scott Timmons of San Antonio and groomsmen were Mark Timmons of Austin and Bill Blankenship of Gruver.

Guests were seated by Danny Montague and Jim McCaddie. Justin Hottle served as ring bearer.

The bride received a bachelor's degree in business administration from West Texas State University and is presently employed as a sales representative for Eastman Kodak Co. The groom holds a bachelor's degree in business administration from the University of San Antonio and is employed as a sales representative for Eastman Kodak Co.

The couple will reside in Houston, Texas.

THC Book Award Attracts Top Judges

Three outstanding scholars in the field of Texas history have agreed to serve as judges for the 1989 T.R. Fehrenbach Publications Award, one of the most prestigious writing competitions in the state.

The competition, named in honor of well-known historian and THC chairman T.R. Fehrenbach of San Antonio, will award up to three \$1,000 cash prizes to authors of outstanding publications on

Texas history or prehistory. Entries will be accepted until December 31, and winners will be announced next spring.

Serving as judges for the 1989 competition are Dr. T. Lindsay Baker, curator of history at the Fort Worth Museum of Science and History; M. Dora Guerra, director of Special Collections at the University of Texas at San Antonio; and Dr. Ron Tyler, director of the Texas State Historical Association (TSHA) and professor of history at The University of Texas at Austin.

Dr. Baker, the author of more than 10 books and numerous articles, is a popular speaker around the state and nation. He frequently presents living history programs for historical groups, schools, and other organizations, and he is well-known for his expertise in various fields, including engineering and architecture. The winner of various grants and awards, Dr. Baker currently is working on a book on Texas' historic lighthouses.

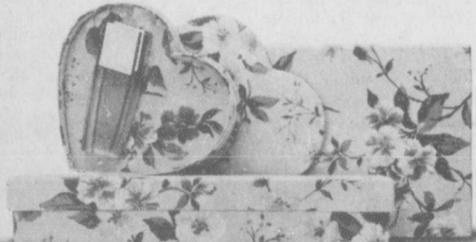

Ms. Guerra, who has served as head of UTSA's Special Collections since 1980, has extensive experience in the history of the

West, Southwest, Texas, San Antonio, and Spanish Colonial Mexico. She has lectured across the state and nation, and is frequently called upon as consultant on projects relating to the history of San Antonio. Familiar with several languages, Ms. Guerra has interpreted 16th, 17th, and 18th-century Spanish Colonial manuscripts of historical significance for various state agencies and private individuals.

Dr. Tyler balances dual roles as director of TSHA, the state's oldest heritage organization, and professor of history of UT Austin. He is the author of more than 10 books and numerous articles, and has been recognized by several organizations for his outstanding contributions to the field of Texas history. Formerly associated with the Amon Carter Museum in Fort Worth, Dr. Tyler has organized several exhibitions across the state, and he lectures widely, both in the United States and in Poland.

For additional information about the T.R. Fehrenbach Book Award or to request an official guidelines and nomination form, contact the THC, P.O. Box 12276, Austin, TX 78711, 512/463-6100.

CARD OF THANKS
 I would like to thank everyone for their prayers, visits, cards, flowers and gifts while I was in the hospital. Also, a special thanks to the Hansford Hospital for their care and support.

Mr. and Mrs. Atila Runyan of Morse announce the engagement and approaching marriage of their daughter, Amy Melissa, to Thad Kyle Reid, son of Mr. and Mrs. David Reid of Morse. Grandparents of the bride-elect are Mrs. Pearl Talbott of Powderly, Texas and Mr. and Mrs. Lawrence Runyan of Phoenix, Ariz. The prospective groom is the grandson of Mr. and Mrs. Robin Giblin of Morse. A 1987 graduate of Spearman High School, Amy is a junior business administration major at Wayland Baptist University in Plainview. She is employed in the collections office at WBU. Reid is a 1986 Spearman High School graduate and is a senior accounting major at WBU. He will graduate in May 1990 and is pursuing a license as a Certified Public Accountant. He is presently employed as lab assistant in the WBU Division of Business. The couple plans a Dec. 20 wedding, to be held at 4:00 p.m. in First Baptist Church of Gruver. They will reside in Plainview while finishing their education.

First Baptist Church Sends Reps To Convention

Six local Baptists joined over 5,000 others from across the state of Texas at the 104th annual meeting of the Baptist General Convention of Texas in Lubbock on November 7-8. The six local messengers were from the First Baptist Church and its mission church, Primera Mission Bautista. Pastor Russ Gibbs, Betty Uptergrove, and Glen and June Day represented First Baptist. Reverend and Mrs. Romeo Reyes went from Mission Bautista. "I felt it to be very inspirational," said Pastor Gibbs on his return. "It was an excellent conference to set the stage for the National Convention in New Orleans in June."

In Lubbock, the First Baptist Church messengers participated in the election of new officers, approved a \$63.5 million dollar budget, and met with other Texas Baptists to establish goals for the group in the coming year.

Texas Baptists elected Phil Lineberger of Richardson as president, approved a \$68.75 million challenge budget and adopted a five-year, long-range state missions plan at their annual convention.

Lineberger, pastor of Richardson Heights Baptist Church, was elected on the first ballot, defeating John Morgan, pastor of Sagemont Baptist Church, Houston, and H. Bailey Stone, pastor of First Baptist Church, Odessa.

Winfred Moore, pastor of First Baptist Church, Amarillo, nominated Lineberger, citing his church's record on evangelism and missions. He noted the 4,000-member Richardson congregation gave more than \$550,000 to missions causes last year.

Ed Rogers, pastor of First Baptist Church, Dumas, was elected first vice president. He defeated Gary Don Miller, pastor

of First Baptist Church, Borger, and Dennis Hochgraber, pastor of Parkside Baptist Church, Denison.

William Ray Farmer Jr., pastor of First Baptist Church, Valley Mills, was elected second vice president. Other nominees were Greg Wallace, pastor of First Baptist Church, Atascocita, and Richard Barret, a deacon at First Baptist Church, Denton.

At a news conference following his election, Lineberger affirmed the course set by previous leaders while encouraging Texas Baptists to "loosen up, lighten up and stop being so serious about each other."

Shunning labels that have characterized the 10-year controversy within the Southern Baptist Convention, Lineberger said, "I dislike labels. They cause us to dismiss people too quickly."

Underscoring support for Texas Baptist leadership and institutions, Lineberger said, "Our Texas Baptist work has been so strong, it would be difficult for anyone to attack Texas Baptists in the area of leadership. A glaring weakness would be hard to find."

Messengers approved a \$63.5 million basic Cooperative Program unified budget and challenge goal of \$5.25 million for 1990. The basic budget recommendation was the same as in 1989, while the challenge portion represents an increase of \$250,000.

Worldwide Southern Baptist mission causes will receive \$23,270,210 (36.65 percent) of the basic budget. Those funds will help support more than 7,500 missionaries in about 110 nations, six seminaries, the Radio and Television Commission and other missions endeavors.

The remainder will be used in Texas to support 23 Texas Baptist educational and benevolent institutions and a variety of state missions causes.

Convention messengers also adopted a long-range plan for 1990-1995, "Mission Texas: Reach, Grow, Serve," an emphasis on reaching people, developing believers, strengthening missions and ministering to persons.

Goals of the plan include: increasing Sunday School enrollment up 1.75 million and average attendance to 750,000 in the next five years, starting 1,500 new churches and missions by September, 1995; and involving 2,000 churches in new ministries to persons with critical needs.

In the annual convention sermon, B O Baker, an international evangelist and longtime pastor of Plymouth Park Baptist Church,

Irving, Texas challenged Texas Baptists to follow Jesus' example of humble servanthood.

"We are entering the era of the '90s desperately separated, significantly wounded and bleeding from the blows of our brother's sword," Baker said.

"We dare not continue to barter the influence of Southern Baptists upon the game table of denominational politics. It is imperative that we close ranks, sound the certain sound and move out upon the common agenda of missions and world evangelism."

In other business, the Texas Baptist convention approved resolutions opposing a state lottery, affirming small membership churches, calling for prayer, urging support for cooperative missions and evangelism, and underscoring the need for integrity in church finance.

VIPs Named At SHS

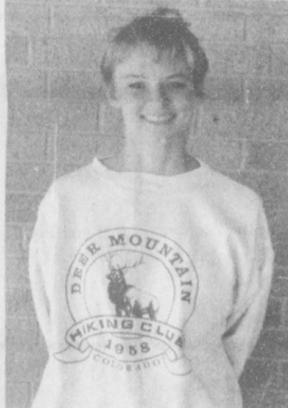

Cacy McGill, Alan Howell and Wanda Jones have been named Spearman High School VIPs for the month of October.

McGill, a senior at SHS, is the 17-year-old daughter of Ed and Debbie Pearson of Spearman. Her interests include dancing, swimming, singing, water skiing and acting. Future plans for her are to attend Texas Tech University and study business accounting. After completing college, she says she may attend law school.

Howell, age 17, is a junior at SHS. He is the son of Neal and Suzanne Howell of Spearman. Basketball and biology are listed as his interests. He says he would like to go to college and study medicine to become a sports doctor or orthopedic surgeon.

Jones is a 13-year teacher in the Spearman school system. She attended Friona High School and West Texas State University. She and her husband Hershel have three children, Rhonda, Roger and Jim; and five grandchildren. When not in front of the class, she enjoys painting, cross-stitching, movies and watching all sports.

Spearman High School names three VIPs each month, to include two outstanding students and an outstanding teacher. Spearman Lions Club helps to sponsor the program.

Jean Ann Behney will be writing a series of stories concerning Spearman High School graduates and their accomplishments after high school. The stories will include achievements of recent and not-so-recent SHS grads. We would like to be able to "keep track" of Spearman students and their accomplishments after graduation. Anyone with information about Spearman students and their achievements can call the Reporter, 659-3434, to set up an interview for this special series.

The Sunday, Nov. 26 edition of The Hansford Plainsman will be published early due to the Thanksgiving holiday. Anyone with information, stories or advertising to be published in that edition is urged to contact the Spearman Reporter, 659-3434, during the week of Nov. 13-17 for inclusion in the Nov. 26 edition of the Plainsman. The staff of the Reporter, Statesman and Plainsman wish to thank area residents in advance for cooperation in this effort.

78/68 Two numbers that can save energy

By setting your thermostat at 78 in the summer and 68 in the winter, you can keep your home comfortable without wasting energy.

If you're tempted to raise or lower the setting, consider this: for each degree you adjust your thermostat, your energy use increases by about 6 to 8 percent.

For more ways to save energy with more common sense than dollars and cents, visit your TNP office for a free brochure.

Golden Spread Center Hosts Bridge Tourney

On Saturday, Nov. 11 at the Golden Spread Center there were shouts of "four spades" and "five hearts" mixed in with anguished cries of "not the ace!" It was the first ever Golden Spread Open bridge tournament. Bridge players from around the north Panhandle of Texas, Oklahoma and New Mexico came to the Center to match skills with the local bridge aficionados.

There were 44 participants competing for prizes that were made by or donated by the members of the Golden Spread Center. The prizes were quilts, baskets and other little knick knacks. Players won prizes for bidding and making high scoring games, for accumulating the most points for the day, and for getting the lowest point total for the day.

Jean Ford of Dalhart, chose a flowered quilt as her high point prize. Bee Campsey of Texline, chose a sun bonnet quilt for her second highest point score. A black basket was selected by Marguerite Terrell of Stratford, as her low score prize.

There appears to be no hometown advantage to these tournaments, as the local players went prizeless. When they went to Stratford for a tournament they took home five out of eight prizes. At Guyton they took four out of six prizes. In Boise City the local players won one of the prizes.

Pearl Pearson, director of the Center, said they would like to make this a regular annual event.

Low Bruni, of Stratford, [left] and Newell Allen, of Spearman, arrange their bridge hands.

Out of town bridge players discuss the last hand at the Golden Spread Center.
