Chemical people speak to Rotarians Monday!

Judith Schaefer was guest speaker at Rotary Club in Spearman Monday of this week. Three high school students were also on the program with Judith. The three were ShaLynna Harris, Linda Huynh, and Julie Jones. The program was on drugs and alcohol.

It was one of the most important programs of the year for the Rotarians. The devastating results of dope and alcohol on our students was discussed. The Rotarians learned that some schools, with as many as 90% of the students partake in alcoholic beverages and cocaine. Of course no set percentage is known for the

schools in Hansford County, but this group of students and their leaders is trying to decide what types of programs can be substituted in our community to take the place of our "keg parties" and "beer busts!" One of the suggestions has been a "sock hop" possibly sponsored by the Rotarians or some club in the town.

Lynx teams played at Panhandle Thursday!

The Spearman 7th, 8th, and 9th grade teams played at Panhandle Thursday evening, and for the most part, the Panthers proved too much for the young Lynx and Lynxettes.

In the 7th grade girls game, the Lynxettes lost by a score of 38-10. April Wilkerson lead the Lynxettes in scoring, and in spite of the lop-sided score the Lynxettes played an excellent game. Score by quarter was 3-10 in the first quarter; 4-18 in the 2nd quarter; 6-28 in the third quarter and 10-38 final score in favor of Panhandle.

In the 7th grade boys game, the Panthers also defeated the Lynx, 22-14. Shannon Lanier paced the Lynx team with 6 points. Score by quarters was; 1st quarter, 2-8; 2nd quarter 6-11; 3rd quarter 12-14; and the final score 14-22 in favor of Panhandle.

The 8th grade girls lost to Panhandle 38-25 in a real good game. The Lynxettes were ahead 9-7 at the end of the first quarter; trailed 13-19 at halftime, and 22-29 at the end of three, with the final score being 38-25 in favor of Panhandle. Tena Villareal paced the Lynxettes with 8 pts. followed by Sunshine Smith with 5.

The 8th grade boys lost to the Panhandle team 36-16, with Lopez of Spearman making 6 points. The first quarter score was 0-12; 2nd quarter 9-24; 3rd quarter, 11-28; and final score 16-36.

The 9th grade girls came through for Spearman, paced by Londee Bradley with 20 points. The 9th grade girls blasted the Panhandle freshmen girls 37-24. The Lynxettes led 9-5 at the end of the first quarter; 19-10 at halftime; 25-14 at the end of three, and won the game 37-24. Londee Bradley is a transfer from Gruver, and is a freshman sensation.

The JV and grade teams will play again this Monday.

Statistics for all games furnished by Bennie Jones...a big thanks to Bennie for doing such a good job!

Among The Neighbors

Mr. and Mrs. S.W. Robertson were honored with a dinner on Sunday, November 17th, to commemorate their 68th wedding anniversary. It was held in the home of their son, Mr. and Mrs. Lowell Robertson in Perryton. The Robertsons were married in 1917 in Bonham, Texas. They were the parents of three children, all of whom attended the dinner. Other than the Lowell Robertsons, they were Mr. and Mrs. Ray Robertson and Mr. and Mrs. Junior Sparks, Stinnett. Three great grandsons, Michael and Roger Figure and Howie Mosier of Perryton, joined in the observance.

The many friends and relatives of little seven year old Julia Gumfory were relieved to learn that her open heart surgery was successful. Her Aunt, Mary Frances Dixon, was notified late Monday evening. Her parents, Carla and Tommy Gumfory of Gruver, and grand parents, Mr. and Mrs. Carl Archer, are with her at Mayo Clinic at Rochester, Minnesota. It is indefinite at this time how long she will be hospitalized.

Mrs. Maudine Patterson entertained a group of friends at a dinner and evening of cards at her country home on Tuesday evening. Six of the group were those who recently make a trip to San Francisco. They were Rosalie Butt, Adalyn Barnes, Maylinn Schubert, Darlene Howell, Jane Meek, Pearl Pierce, Jettie Davis and Lorene Kunselman were also guests. Mrs. Patterson had an additional pleasure in that her son, John, called her to tell her that her granddaughter, Brenda, had passed the bar exam and will be sworn in next week. She is associated with a law firm in Dallas.

Mrs. Pearl Pierce was called to Casa Grands, Arizona last Friday by the death of her brother, B.M. Maize. He succumbed to a heart attack Thursday night, and the services were held Monday. B.M. was 72 years old and the son of the late Finis and Ethel Maize, former residents of Spearman. He is survived by his wife and two daughters, as well as two aunts, Edith Ferguson of Stinnett, and Hollie Riley of Spearman and hosts of cousins in Spearman.

Mr. and Mrs. Jesse Davis returned some time back from a short visit with their daughter and family, Delia Kaye and C.M. Sampson. The Davis drove to Morco Island, Florida and found the weather so hot, they shortened their stay. The Sampson's two sons, Hadyn and Corwin are still at home. C.M. is now in the air conditioner business.

Mr. and Mrs. Roy Livingston, 714 South Bernice, are new residents of Spearman. They were formerly of Pampa, but moved here from Gruver. Mr. Livingston is employed at the Phillips Plant, and they have one year old Steven to keep Mrs. Livingston busy. They are members of the Fellowship Baptist Church.

T. Ray Robertson, Spearman Postmaster, was in Lubbock three days last week at attend a meeting with other post masters in this section. It was their first meeting with the new Sectional Center Manager.

Mr. and Mrs. L.V. Pierce had as house guest for the week-end the H.E. Jenkins of Monahans, Texas. The Jenkins lived in Spearman several years ago. He has retired from the Sun Oil Company.

Floyd Hays, who has been a patient in Hansford Hospital, has been moved to the Senior Village at Perryton. He is recovering and expects to return home shortly.

Mr. and Mrs. Earl Riley observed their 52nd wedding anniversary last day with a supper at Suthpens in ger, complete with flowers and a cake. Anne Foster of Amarillo and Pat Northcutt of Dalhart joined them.

On Saturday, the Own Pendergrafts met Mrs. Vera Gray, of Ulysses, Kansas, at the home of Mrs. Lillian Ottaway of Tyrone, Oklahoma. These four met 20 other members of the Wheatbelt Good Sams at the country home of Mr. and Mrs. Eugene Squires for an early Thanksgiving dinner.

Then Saturday night, the Pendergrafts, Mrs. Gray and Mrs. Ottaway attended the 50th wedding anniversary dinner for Mr. and Mrs. Paul Mendenhall at Liberal, Kansas. The Pendergrafts and Mrs. Gray were over-night guests of Mrs. Ottaway.

Mrs. M. Idred, daily has returned to Hansford Manor after 8 days in High Plains Baptist Hospital in Amarillo.

Her daughter, Mrs. Barbara Mc Clellan, took her back to Aamrillo on Monday, but she was able to return. She is making some progress, tho not entirely recovered.

Southern Methodist University at Dallas was host to gather of 10,000 students this week-end to observe the annual United Methodist Youth Fellowship week-end. Of the 10,000 there were 54 from Spearman, including sponsors.

They left here about 2:00 a.m. Friday morning and returned Sunday evening about 7 p.m. A bus and a van were used to transport them. The students enjoyed going to the mall for shopping and ice skating, and the luxuries at the motel where they stayed. Perhaps the high light was watching the Tech-S.M.U. ball game. Since S.M.U. won, the Methodist youth celebrated, and the members of the other denominations accepted -- even so, they all agreed it was a wonderful week-end.

Six classmates of Panhandle University of Goodwell during the 1930s try to meet once or twice a year for a re-union. Last Tuesday Mr. and Mrs. Jimmy Blair of Grey, Oklahoma entertained them with a luncheon at K-Bob's in Perryton. Afterward they enjoyed an evening of visiting at the Blairs country home. The Owen Pendergrafts were among the guests. Also Mr. and Mrs. Clyde Kile, Beaver Mr. and Mrs. Paul Mendenhall, Liberal; Mrs. Vera Gray, Ulysses, Kansas; Mrs. Lura Adams, Hooker

and Mrs. Lillian Ottaway of Tyrone,

Dan Rogers returned safely after an urgent trip to Florida. His grandfather had suffered a slight heart attack a couple of weeks ago and was doing poorly. He is in his late 90's. After a short visit he returned with news that his grandfather condition was improving.

To God: A note of thanks

by Mrs. E.A. Greever

Friends we are to study Gods word this week concerning a soldier of Jesus Christ and the topic we read is found in 11 Tim. chapter 2 verses 3 and 4. Thou therefore endure hardness as a good soldier of Jesus Christ. No man that warreth entangleth himself with the affairs of this like that he may please him who hath chosen him to be a soldier. First we are told to endure hardness. The first verse in this chapter Paul tells Timothy to be strong in the grace that is in Christ Jesus and surely we all realize how weak we are our next breath is given by God and the pressure upon a follower of Jesus we have been told over and over in previous lessons from Gods holy word of tribulations and persecutions that await us so we must be strong in the Lord and in the power of his might firm no easy dented under pressure. We have been sanctified which means made holy and set apart to do the will of God. Jesus gave himself this be done for us and he is the commander of the army, and the weapons we use are not that the world uses. In Eph. 1:3-4 we read Blessed be the God and Father of our Lord Jesus Christ who hath blessed us with all spiritual blessings in heavenly places in Christ. According as he hath chosen us in him before the foundation of the world that we should be holy and without blame before him in love. Another scripture John 15:16 Ye have not chosen me but I have chosen you and ordained you (qualified you). The weapons of our warfare against our adversary the Devil and all his followers we find recorded in 11 Cor. 10:4-5. For the weapons of our warfare are not earned but mighty through God to the pulling down of strong holds casting down imaginations and every high thing that exalteth itself against the knowledge of God and bringing into captivity every thought to the obedience of Christ. Surrendering our like to Jesus he sanctified and made a new creature of us. Now we by Gods grace and mercy are wearing the armour of Jesus Christ our great commander. Eph. 6th chapter. We are able to withstand in the evil day and having done all to stand the peace Jesus left for us is our faith that is able to quench all the darts of the wicked one. We have been sealed by the Spirit and the only weapon we use is the sword of the spirit which is the word of God. A continual spirit which is the word of God. A continual study of his word and a life of prayer.

The word of God is quick (alive) and powerful and sharper than any two-edged sword piercing even to the dividing asunder of soul and spirit and of the joints and marrow and is a discerner of the thoughts and intents of the heart. Heb. 4:12 Uncle Sams soldiers leave all when going to war

and we as soldiers of Jesus Christ forsake all and move at his command. And the command was that the whole world hear the gospel or his word.

As an illustration of a true soldier let us read the story in 1 Samuel chapter 17 of Goliath and David. Please read the entire chapter for as I have again read it my soul has been made to rejoice in the Lord for the soldiers of Jesus Christ do not use a spear or sword no not anything the world uses in war today nor does it take an extra large physical body. Let us hear a scripture found in 1 Cor. chapter 1 verse 27-28-29 But God hath chosen the foolish things of the world to confound the wise and God hath chosen the weak things of the world to confound the things which are mighty and base things of the world and things which are despised hath God chosen yea and things which are not to bring to nought things that are? Why? That no flesh should glory in his presence.

Thank God for Jesus never loses a battle if we the soldiers strictly obey his commandments.

Straight Talk

from Texas-New Mexico Power Company

Why did TNP Employee Sammie Redwine inspect her Christmas lights?

Now that the holiday season is fast approaching, make sure you have done everything possible to have a safe holiday by inspecting all of your Christmas tree and holiday lighting. It is quite common to save holiday lighting from one year to the next, so rather than assume that everything is always alright, make it a standard practice to inspect all holiday lighting each year.

TNP Employee Sammie Redwine carefully inspects all of her holiday lighting for worn or decayed insulation, cracked or broken bulbs and receptacles. She even inspects the electrical connections. When it comes to holiday lighting, if in doubt—throw it out. It is much better to replace old or worn out holiday lighting than to take a chance of spoiling the holiday season with an accident.

For more information on holiday lighting safety, be sure to call our office. Helping you have a safe holiday season is just one more way we are...

Church of God presents "Gods Prison Gang"

"God's Prison Gang," a newly released film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang and two other notorious criminals who have become Christians will be shown at Church of God, 601 South Ash, Perryton, Tx 79070 on Wednesday, November 20, 1985. The showing is scheduled to begin at 7:30 p.m.

The film, shot behind the walls of New York's Attica prison, is hosted by Art Linkletter. It tells the story of how the work of International Prison Ministry is accomplishing what more guards, higher prison walls and greater financial expenditures have failed to do—keep released inmates from returning to lives of crime.

Telling their stories in 44-minute film are George Meyer, Al Capone's favorite driver, Floyd Hamilton, (Public Enemy No. 1) the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California; and Ted Jefferson, convicted of crimes from drugs and robbery to murder.

Also featured is "Chaplain Ray," whose Dallas-based International Prison Ministry has changed the lives of thousands of inmates over the past 18 years.

The Reverend David L. Bruce pastor of the Church of God, said he hopes all citizens concerned about the problem of rising crime will attend the free screening of the film.

GIFT GIVING IDEAS

One of the loveliest ways to say "I love you"—any time of year but especially during the holidays—is with a gift you make yourself. It shows special thought and effort. And if you've a long list of "must gives" plus lots of hostess presents, creating something at home can offer real economy.

Since everyone loves to eat, why not delight them with goodies from your kitchen this year? You don't have to be a cordon bleu cook to produce this simple but elegant pesto sauce—scrumptious on pasta, all kinds of salads, fish, chicken, lamb—originally developed by New York's famed Vista International Hotel.

The two basic requirements are quality basil leaves and 100% pure Italian olive oil—look for clear, golden Bertolli, your assurance of consistent excellence. Versatile olive oil, which contains no cholesterol, gives delicate, distinctive flavor and a delicious touch of fragrance to this and so many different recipes.

Pesto Sauce Recipe

In blender or food processor, combine 1 1/2 cups Bertolli Olive Oil, 1 egg white, 3 cloves garlic and 4 tablespoons white vinegar. Mix well. Chop 20 leaves of fresh basil (or dried equivalent), 1/2 cup pine nuts (or slivered almonds) and 1/2 cup walnuts very fine. Add to oil and vinegar mixture. This amount serves about ten and can easily be multiplied.

You'll find it's very rewarding to spend a day making up quantities of the sauce, then packaging it attractively in crocks or inexpensive small apothecary jars tied with ribbons or holly.

Raisins are rich in nutrients, containing ten minerals of important food value, including iron and copper.

Free Arbor Day Kits

To help Texas teachers and organizations conduct Arbor Day programs, the Texas Forest Service is again offering free program kits.

Each kit includes a loblolly pine seed packet with planting instructions, program aids for a local Arbor Day observance, suggested classroom activities for teachers, and a copy of Governor White's proclamation.

Arbor day is to be observed on Friday, January 17, 1986 in Texas. It was first celebrated in Texas in 1889. Since 1949 it has been observed annually in Texas on the third Friday in January, although dates vary in other states. The purpose of the event is to promote a greater appreciation of the beauty and value of trees and forests.

The official state observance for 1986—Texas' Sesquicentennial or 150th birthday year—will be held simultaneously in two places. A large Heritage live oak tree will be planted at the San Jacinto Battleground State Historical Park near Houston. Here, a re-enactment of Santa Anna's surrender to General Sam Houston will be telecast (courtesy of KTRK-TV, Channel 13, Houston) live to a big screen TV in the ballroom of the Hyatt Regency Hotel in Austin, site of the official state ceremonies.

The public is invited to attend either of the state events, and many other public events will honor Arbor Day on other Texas locales.

Program chairpersons and teachers should address requests for Arbor Day kits to the Texas Forest Service, College Station, Texas 77843.

Distribution, on a first-come, first service basis, will begin mid-November.
