The Spearman Lynx played an exciting game last Friday night against the Bucks at White Deer. Only fifteen total yards offense separated the two teams. White Deer and Spearman both scored during the first half of the ball game. Spearman's score came on a forty-five yard pass play from #10 Brett Davis to #80 Keith Benson. The Lynx tried for a two point run on the conversion that would have given them a 1 point halftime lead. The conversion failed and White Deer had a 7 to 6 lead at the end of two.

The Bucks scored early in the third quarter and added another one point conversion. Spearman was unable to get the ball moving again. Final outcome was White Deer 14, Spearman 8. Spearman managed to reduce their turnover by 50% as compared to the last three weeks. There will not be a game this week due to six week test. This should enable Spearman to gear up for the homecoming next week against the Gruver Greyhounds.

Judge Pete Vernon, displays his Grand Champion Pumpkin that won first place at the Hansford County Fair Saturday.

Letter to the Editor

October 3, 1986

Dear Editor,

It's a proven fact that the better condition a person is in the least likely he will be hurt, and the better performance he will give.

In the 50's, 60's, and early 70's, coaches were allowed to get our boys and girls in shape. But today if coaches even try to work our young people too hard, yell at them a little, or try to get them to do their job right, they find themselves in the middle of angry parents.

In Spearman I believe we want some winning teams, so let's back off of the coaches and let them do their jobs! Sincerely,
A Concerned Parent

Linda White,

Carl Archer, Sheriff McFarlin and Peggy Archer visit with the First Lady.

Frosty Hickerson presents Mrs. Linda White with a gift.

Texas First Lady, Linda Gale White, maintains an active schedule of official duties and volunteers her time to support community projects and the arts.

Mrs. White has made public support for child abuse prevention and other family issues a priority. The honorary chairman of the Children's Trust Fund, she was the keynote speaker at a series of conferences on the prevention of child abuse which were sponsored statewide by the Governor's office in the fall of 1985. Mrs. White also worked to provide Texas teachers with a manual to help them identify the signs of child abuse and aid its victims.

The First Lady serves as honorary chairman of both the Pebble Project, a Travis County initiative to combat child abuse and neglect, and the Texas Coalition for the Prevention of Child Abuse. She was recognized at the 7th Annual National Child Abuse Prevention Conference as the 1985 recipient of the Administration for Children, Youth and Families' Commissioner's Award for Texas.

As a member of the Board of Directors of the National Child Care Action Campaign, Mrs. White has committed herself to its goal of implementing a national system of quality, affordable child care. She plays an active role as the honorary chairman and spokesperson for Texas

Communities in Schools Program, a project of the Governor's Office designed to keep high school students from dropping out.

Mrs. White serves on the advisory councils of Family Outreach of America, Inc., the Casey Foundation Foster Family Program and the CAVE Project of the Texas mental Health Association.

A former teacher and businesswoman, Mrs. White taught at Johnston High School in Houston from 1966 to 1969 and at Westchester High School in Houston from 1969 to 1970. In the mid-seventies, she began a career in real estate sales and maintains a current realtor's license.

Governor and Mrs. White married in 1966 and are the parents of three children: Wells, 15, born September 11, 1970; Andy, 14, born June 14, 1972; and Elizabeth, 11, born November 5, 1974.

Born on June 13, 1942 Mrs. White grew up in Irving, Texas. She graduated from Baylor University in 1964 with a degree in business administration.

Active in community volunteer work as well as children's issues, Mrs. White is honorary chairman of the City of Austin Sesquicentennial Program and serves on the Boards of Directors of Austin's Paramount Theatre and Access for Youth Program.

The Whites are active members of Hyde Park Baptist Church in Austin.

Among The Neighbors

Mr. and Mrs. George Collard have just returned from a two weeks visit with their daughter, D'Dee Collard in Baltimore, Maryland. They enjoyed their flights via Delta Airlines both ways. Last week-end they were joined by their son, Randy and Vickie and their little daughter, Megan from Baton Rouge, Louisiana. One of the many highlights of their two weeks was D'Dee taking them sailing in her sailboat on Chesapeake Bay.

D'Dee is an R.N. in the Pediatric Intensive Care unit at John Hopkins hospital, and she also was selected to teach a Nurses course there.

A very special young man arrived in Northwest Texas Hospital in Amarillo on September 30. Hobbs McClendon White is the first male born in the Harwell family in 30 years.

He is the son of Mr. and Mrs. Chris White of Miami, and weighed 8 lb-13 oz and was 21 1/2 inches long.

His paternal line consists of grandparents Mrs. Nell McCoy, Perryton, and Kiffie White, Spearman, great grandparents Mrs. Lois Nollner and Mrs. Ailene White, both of Spearman.

On the maternal side, there are grandparents Mr. and Mrs. John Hobbs, Clayton, great grandparents Mrs. Roddy Harwell, Sr., Vega and Mr. and Mrs. Robert Hobbs, Nocona, Texas.

Jeff Lackey has become a strong advocate of the use of seat belts since his accident in Amarillo last Wednesday. Near the intersection of St. Francis and Lakeside, a loaded gravel truck pulled directly in front of him and was struck almost head on. Jeff and Andy Bennett were in the front seat and their seat belts prevented their being thrown thru the windshield. They received minor injuries. Jeff has a broken nose, face lacerations, broken ribs. Wanda Lewis received the most serious injuries and is still hospitalized at Northwest Texas Hospital. She was in the back seat, not using the seat belt, and sustained broken collar bone, ribs, lacerations and concussion.

Andy and Wanda had been at the bedside of their father who had just undergone by-pass surgery.

Many here noted the passing of Austin, Tex, Cotter 68, of Amarillo and brother of Omar Cotter. Austin grew up on the Cotter place just east of Old Hansford and attended school here.

J. B. Buchanan is recovering at home now after a months bout with pneumonia and complications. The last week he spent in St. Anthony's Hospital, but he feels that he will be out and climbing his windmills soon.

Mr. and Mrs. Jerry Don Davis felt that their chaperon tasks were easier than usual with the group they took to Glorieta from the Baptist Church. Attending the Senior Adult Week last week were Mr. and Mrs. Major Lackey, Altha Groves, Myrtis Ball, Evelyn Hiller, Viola Hutton, Matilda Entreklin, Eva Boyd and Mr. and Mrs. Davis. Tho cool, the weather was ideal until the last day, Friday, when the rains started.

JoAnn and Jeff Hawkins have kept glued to the telephone and t.v. flood coverage lately as one of her sons, Joe Ed Crawford and family live at Odessa. The last report from them was after a ten inch deluge and it was still raining, and no one was sure what could be expected. Her other son, Jim David Crawford and family live at Edmond, near Oklahoma City. The flood waters had reached their porch level and appeared to be receding at the time they last talked. They had just been thru a tornado scare, but it missed their area.

Mr. and Mrs. Marcus Larson and Mr. and Mrs. Newell Allen have just ended a leisurely trip to Las Vegas in their motor homes. Neither the weather nor the scenery could be better. Newell's sister, Maxine and Dick Vernon joined them for a few

days. The Vernons are from Porterville, California.

Mrs. Wilma Lackey returned to Amarillo Sunday after spending the week-end at home. She has been assisting in the care of her daughter, Ann Russell who had emergency surgery at Hi-Plains Baptist Hospital last week.

Mr. and Mrs. Ken Burch are at home after a month's stay in Eagle Nest and Red River area. They left there just as the bad weather moved in. Their daughter, Carma and Elbert Dorton and little Megan spent the last week-end with them.

Minister John Scott attended his 10th homecoming at his Alma Mater last week in Denver. The Bear Valley School of Biblical Studies also conducted a series of lecture ships during the week. Minister Scott will be leading a revival service at Keyes, Oklahoma next week.

Mrs. Darlene Farris underwent surgery on September 30 at Memorial Hospital in Dumas where several of her family members live. She is at home now and recovering, and expresses appreciation to all those who sent cards, called and otherwise showed their concern during her illness.

Dewayne Kyle is a new resident of Spearman being here about a month now. He is from Amarillo where his parents reside. Mr. Kyle is a police patrolman for the City of Spearman. He is unmarried, member of the Baptist Church, has no particular hobbies, and is looking forward to making his home in Spearman. He lives at 822 S. Roland.

Mr. and Mrs. Bob Burke enjoyed the week-end as their children were all here. They were Mr. and Mrs. Ronnie Burke, Amarillo-Mr. and Mrs. Terry Burke and children, Pampa, and Charles and Sandi Clements and children of Perryton.

Mr. and Mrs. Merrell Johnson feel that will take two weeks to rest from their three weeks vacation, tho every day was a day to be remembered with pleasure. Merrell's brother, Mr. and Mrs. Andy Johnson of La Crosse, Kansas accompanied them. They went to Mount Rushmore, South Dakota, then to Vancouver, British Columbia to the World's Fair. A cousin of the Johnson provided hospitality for their 4 day stay here.

On the return trip they visited Mrs. Johnson's sister-in-law and family in Portland, Oregon; then visited another brother, Jerry, in Orland, California. A great deal of the return trip was driven in rain and fog.

Mr. and Mrs. Paul Hazelwood were in Dallas from Thursday thru Sunday. They were guests of her sister, Viola Wallin, and brother, Billy Joe Davis and family. They also paid a short visit to her aunt in Mexia.

Mrs. Bertha (Robert) Wilbanks, a former Spearman resident, now of Corpus Christi, has been visiting her sister, Mrs. Willie Wallis. They met in Amarillo and flew to Phoenix to visit another sister, then returned to Spearman. Mrs. Wallis took her to Amarillo Tuesday to fly back, on Tuesday.

Mrs. Sada Hoskins was relieved to learn that the Bartlesville flood waters had missed the home of her daughter, Sada Ruth and Howard Long. They were here when the rains started and left last Tuesday, driving thru torrential rains from Alva on. Their son, Howard Dean, who lives in Tulsa lost his trailer home in the flood there.

The sole Rangers fan in Spearman is torn between relief and sadness as the baseball season closed-the Texas Rangers is second place behind Gene Autry's Angels. For awhile during the season, it was respectable to be a Ranger Rooter-Next Year!!!

Fire Prevention Week

October 5-11

Dear Fire Chief/Fire Marshal, Governor Mark White has proclaimed the week of October 5-11, 1986 as FIRE PREVENTION WEEK.

Reviewing our TEXFIRS data, we find that 92,324 fires were reported in 1985, resulting in 247 fire deaths, including three firefighters, with 1,199 civilians and 1,200 firefighters injured. Property damage was estimated to

be \$363,517,327.

We encourage all members of the fire service throughout the state of Texas to emphasize the importance of fire safety and the message proclaimed by fire prevention week.

Speak out to prevent fires and save lives!

Ernest A. Emerson
State Fire Marshal

American Red Cross

American Red Cross Disaster workers have been on the scene during the flooding in Texas and Oklahoma following heavy rains which have filled rivers and creeks to overflowing. Reports indicate over 15,000 families have been affected in Oklahoma with a large number of these being in Tulsa and the Northeastern part of the state. Ten feeding stations have been set up in the Tulsa area with 35 mobile feeding vans operating in the field to serve food to disaster victims and workers. All National Disaster vans from Territory III, Region 3 have been sent to Oklahoma. The Amarillo van went to Chickasha, the Lubbock van went to Tulsa and the van stationed with the Childress County Chapter reported to Tulsa.

Lloyd Luck, Disaster volunteer from Childress, drove their van to Tulsa and is remaining to help with shelter operation and is presently in Grady County helping with damage survey, which is slow, due to inaccessible roads to flooded areas. Other Personnel assigned from Territory III include Jan Bradford, Disaster reserve, from Jackson County Chapter in Altus, who will report to Tulsa to assist with family service for victims of the Northeastern Oklahoma Floods. Vickie Moose, a disaster volunteer from Pampa, will be working in St. Louis, Missouri in the records and reports section for the Missouri fall flood disaster operation. She will serve as a

temporary professional employee for this assignment. Two South Plains Regional chapter staff from Lubbock are working in the Northeastern Oklahoma operation. As the need arises, others may be sent from Territory III to assist with this vast relief effort.

The five Oklahoma counties in Territory III have not had major damage. Some livestock has been lost and damage to farmlands from water is evident.

Eight states have been hit by rising waters, making it necessary for many families to leave their homes. Estimates indicate 32,785 families have been affected and probably more than 15,000 families will need Red Cross assistance in Michigan, Illinois, Missouri, Minnesota, Oklahoma, Kansas, Wisconsin and Arkansas. Red Cross expenditures estimate projected at this time is between five and six million dollars. Services include mass care to include shelter and feeding; furnishing cleaning kits and other emergency needs. As families are able to return to their homes, Red Cross family service will assist further.

The support of the public is needed to defray disaster expenditures. Red Cross chapters are accepting contributions specified for use in these flood disasters. Mark contributions for "Flood Relief" and send to your local chapter to be forwarded to use to assist families in this emergency.

Frosty Hickerson and First Lady, Mrs. Linda Gale White.

Fall Foliage Festival

Canadian's annual Fall Foliage Festival is being expanded this year to two full weekends, in celebration of Texas' Sesquicentennial year. Varied activities are being planned for the weekend of October 11 and 12 and for the following weekend, October 18 and 19.

Saturday and Sunday, October 11 and 12, the first annual Fall Festival Car Show will be held in the show barn of the Hemphill County Exhibition Building. The show will feature antique and classic cars and trucks, and street rods. Dash plaques will be awarded to all entries and trophies to the winners in three categories. Saturday's show will be from 11 a.m. to 7 p.m. and Sunday's show from 11 a.m. to 5 p.m. Admission for spectators will be \$1.

On the same day and during the same hours a Collector's Showcase will be held in the meeting area of the Exhibition Building. Collections of all kinds will be on exhibit and trophies will be awarded in three categories.

Those planning exhibits should pre-register with the Canadian Chamber of Commerce, 323-6234, designating the amount of space needed for the collection.

Chamber Manager Diane Black says that 24-hour security will be provided for both the Car Show and Collectors' Showcase.

Saturday night at 7 and again Sunday afternoon at 2 o'clock the second River City Revue will be held at the Middle School auditorium. The revue will feature all home-town talent and will be directed by Jim Hughes of Guyton, Oklahoma. Admission will be \$5 for adults and \$2.50 for children.

The next weekend's festivities will begin on Saturday morning, October 18 with a Chili Cook-Off starting at 10 o'clock at the City Park on Highway 60-83 North.

At one o'clock at the Rodeo Arena across the highway the Northeast Panhandle Team Roping Championship will be held. Ropers will be limited to residents of Hemphill, Lipscomb, Ochiltree, Gray, Roberts and Wheeler counties in Texas and Ellis and Roger Mills Counties in Oklahoma. Those interested in participating may contact Donnie Johnston at 806-323-6439.

From 1 to 5 that afternoon, October

18, a City Park Concert, free to the public, will feature the music of Frankie McWhorter and Ridgeway. There will be food and game booths sponsored by local organizations. Lawn chairs or blankets to spread on the ground are recommended for those attending.

On Sunday, October 19, the annual Tour of Homes, featuring three of Canadian's homes will be held. The homes which are included in this year's tour are the Citadel, home of Dr. and Mrs. Malouf Abraham, Jr., at 520 Nelson; the home of Mr. and Mrs. Dick Waterfield at 406 North 6th (both of which are period homes); and the home of Mr. and Mrs. Wayne Haygood, at 923 Hillside. Tickets for the Tour of Homes will be on sale at the City Auditorium from 1 to 4 at \$5.00 for adults. Children under 12 years of age who are accompanied by an adult will be admitted free.

Also at the City Auditorium there will be a Kountry Kitchen sponsored by the Women's Service League, starting at 11 in the morning, and a Hobby Show and Sale, featuring handcrafted goods.

Tourists will be encouraged to take the unescorted drive to Lake Marvin to view the fall foliage and to take a marked nature trail. Information will be available at the City Auditorium at 6 Main Street.

Also on Sunday afternoon from 2 to 4 o'clock there will be a free bluegrass concert at the Gazebo Park at 6th and Purcell.

Concert

The Choral Department of the Spearman schools will present a fall concert on Tuesday, October 21, 1986, in the Spearman High School auditorium at 7:30 p.m. The program will include performances by all students involved in the choirs from the fifth grade through high school. There will be no admission charge, but donations will be accepted to help cover shortages caused by budget cuts within the system.

To God a note of Thanks

By: Mrs. E.A. Greever

Friends, our study of Gods Holy Word in the New Testament or gospel dispensation of time is for the whole wide world, not just for a selected few a group here and there but for whosoever will every where and all articles I have written to be published in the Spearman Reporter have given God thanks for and I suppose as one very small individual in Gods great world this one would be called the testimony of Mrs. E.A. Greever, being impressed to write because of the first thing asking God for when waking one morning. "Help Me To Bear Firm Fruit Today. Though in the year 1908 I repented of my sins with a godly sorrow with tears flowing down my cheeks, God saw and heard my cry and forgave me and gave peace in my heart at age 20. This was in the state of Mo. at an inland town called Preston, that was almost destroyed by the Civil War.

From 1908 to 1920 my soul was so thirsty for something from God I knew not what, and during the year 1920 at the school house in Wawaha, Texas 6 miles north of my home here in the Texas Panhandle my soul was made to rejoice when hearing the full doctrine by Jesus and the Apostles he sent forth, sanctification healing for the body, baptism of the Holy Ghost, return of the Lord, judgment, resurrection of the dead, conditional immortality, destruction of the wicked and other commandments, we are told to observe I began earnestly seeking for the things needed in my life to be ready for eternal life. I surrendered soul spirit and body to Gods will. This He accepted, sanctified making me pure and holy setting apart to His glory and service and with this commitment took him as my body physician meaning every organ of my body. Two years later at the Joe Davis home in the Range community in Okla about 30 miles north of Spearman in a prayer or tarry service the Holy Ghost a gift of God sealed my life and on entering spoke in another language that I knew nothing of and I was for 2 1/2 hours unable to speak English the only one I knew and during this time all present heard preaching singing and testifying by the Holy Ghost. Why all of this? That you might know what it took for me to bear the fruit of the Spirit and what I must hold fast to every day of my life.

From 1908 to 1986 very near the 98th mile stone in life to write of the communion I have had with Father Son and Holy Ghost and of the many blessings that has been given a book could be written. Christ in me the hope of glory Col. 1:26; but dwelling in a mortal body. The word says though the outward man perish (body) the inward man (Christ) is renewed day by day.

11 Cor. 4:16; My record has been kept since 1908 in the book of life and now in 1986 I still must have Christ who dwells within to help me. Now for my text. Help me to bear Firm Fruit Today. A heart cry that my life may prove I have the fruit of the Spirit which is love, joy, peace long suffering, gentleness, goodness, faith meekness and temperance.

Fruit is the product of something and quiet a difference if firm or faulty. Rev. 3:11 tells me; Behold I come quickly hold that fast which thou has that no man take thy crown.

Jesus said in the world ye shall have

tribulation but be of good cheer I have overcome the world John 16:33; In Romans 8:17; we read and if children then heirs, heirs of God and joint heirs with Christ if so be we suffer with Him that we may be glorified together. 11 Tim. 2:12; If we suffer we shall also reign with Him so to bear firm fruit in times of tribulation for soul spirit or body whatever may come my way under much pressure be strong in the lord and the power of his might. I have a firm foundation and that Rock is Christ and in 1 Peter 2:5; I am one of the lively (make alive who was dead in trespasses and sin) stones in the spiritual house.

1 Peter 4:12-13; Beloved think it not strange concerning the fiery trial which is to try you as though some strange thing happened to you. But rejoice in as much as ye are partakers of Christs sufferings that when His glory shall be revealed ye may be glad also with exceeding joy. The following are examples of some of Gods people under pressure. Daniel in the lions den. The three Hebrew Children in the fiery furnace. Job with his body covered with sores. Jesus under pressure all during His ministry. Paul who said the spirit witnessed to him that wherever he went bonds and imprisonment awaited him.

Friends, I am so very thankful that Christs abiding presence means He is a present help in every time of need.

Can people see Jesus in me? Does my life prove I have been with Him? I certainly hope so. If they do it certainly is not of any good thing that I have done. For I have nothing I have not received from Him therefore I glory only in the Cross. 1 Cor. 1:31; That according as it is written He that glorieth let him glory in the Lord.

Conservation Reserve Workshop Scheduled

A Conservation Reserve Program (CRP) Workshop is being sponsored by the Hansford Soil & Water Conservation District for current and potential CRP participants. The workshop will be Tuesday, October 14th at 9:00 a.m. in the Golden Age Center located at 105 East Broadway in Gruver.

The CRP is a means by which highly erodible cropland is planted back to grass to reduce soil erosion. Land users receive 50% cost-share payment for establishment of the permanent vegetative cover and annual rental payments for a 10 year period of management which allows no grazing, haying or seed harvest.

Keith Martin, Hansford County

Bob Bullock Reports

State Comptroller Bob Bullock Wednesday said the recently-ended special session improved, but did not solve, the state's financial problems.

"The tax bill and spending cuts and bookkeeping maneuvers have chiseled away at the problem and the projected deficit is now about \$983 million," Bullock said.

He said the spending cuts and temporary tax package reduced the deficit in funds affecting certification from \$2.3 billion to just below \$1 billion.

He said the preliminary calculations show that the spending cuts will amount to about \$482 million and the tax bill will bring an additional \$764 million between January 1 and August 31, 1987.

Bullock said about \$108 million in additional taxes will be produced under the bill but not be turned into the state until after September 1, 1987, which will be credited to the next budget period.

"These tax and budget issues will affect only the current budget," Bullock said, "and the next legislature will start off with nearly a \$1 billion deficit."

The legislature has given the state some breathing room by narrowing the budget gap.

"They face the prospect of seeing taxes and finances top their agenda when the regular session starts in January."

Mexican Dinner Planned

Lynx Prepare for Gruver During Week Off

The Spearman Eighth Graders will play against Gruver on October 16 after a two week interlude.

They were beaten 32-0 by a bigger and faster White Deer Team. White Deer totally shut down the inside running game, forcing the Lynx to either pass or run outside, both of which were difficult on the rainsoaked turf of Lynx Stadium. Meanwhile White Deer's big backs plowed through the Lynx defense for huge chunks of yardage.

The Lynx played a satisfactory game, though, against a more athletically talented team. At times their offense moved the ball down the field, and the defense made some big plays including a blocked punt.

Even though the Eighth Graders have improved over last year, they have given up an average of 18 points

a game, while only scoring an average of 5. Last year the ratio after four games was 12 to 8.5. But the Lynx had scored 28 in one game.

Starters include: OFFENSE: Right End-Chris Williamson, Right Tackle-LeRoy Cazarez, Right Guard-Temp Shepperd, Center - Mac Shepperd, Left Guard - John Ehhredge, Left Tackle-Jarret Swan, Left End-Mark Brown, Quarterback-Jay York, Halfback-Edgar Nava, Fullback - Ramon Rosales, Flanker - Lee Villarreal. DEFENSE: Right End-Jeff Hutchison, Right Tackle-John Ehhredge, Left Tackle-Temp Shepperd, Left End-Manuel Holoquin, Outside Linebackers - Ramon Rosales, Inside Linebackers - Mac Shepperd, Edgar Nava, Cornerbacks - Jay York, Brandon Baker, Safety-Lee Villarreal.
