Inch by Inch, A Kut Above Ribbon cutting held

Inch by Inch and A Kut Above, "a building-shared business," had a ribbon cutting Mon. afternoon to introduce their new business at 717 W. 7th.

Inch by Inch, a motorized exercise technique, is owned by Nancy Shaner. The business has 7 exercise tables and 1 massage table. Each table moves a different part of the body. According to some chiropractors and medical doctors, this technique is good for the relief of arthritis, posture, stress, and high blood pressure. The massage table is good for knee problems, headaches, stress, and back problems.

Nancy Shaner, a native of Booker, moved to Spearman 10 years ago. She and her husband, Jerry, have two children, Jennifer, age 8, and Bryan, age 7.

Inch by Inch also sells casual wear and t-shirts.

A Kut Above is a beauty parlor, owned by Katy Marshall. The shop specializes in professional haircuts, and a variety of permanents, but also features manicures, facials, and pedicures.

Katy Marshall, a native of Indiana, has been a hairdresser for several years. She has one son, Todd, an eighth grader.

Joyce Woolley is the assistant working at Inch by Inch. A Kut Above's other hairdresser is Pat Cudd.

A Kut Above has future plans to add one more hairdresser and also add a person to do sculptured and silk nails.

A tanning bed, owned by Danny and Laura Dear, is also in the shop for anyone who wishes to "tan inside."

The Chamber of Commerce, with Miss Hansford County, Michelle Cook, welcomed Inch by Inch and A Kut Above as new businesses Mon., June 26. Nancy Shaner and Katy Marshall, the owners, are standing at the center, one on each side of the bow.

When school ends, your children have one more lesson to learn
 You can help protect your children this summer by reminding them of the dangers of electricity. Children often play unsupervised outdoors during the summer, so they should know these basic rules.

- Never touch power lines with anything.
- Don't play in trees near power lines.
- Substations are not playgrounds. Children — and adults — shouldn't go near them.
- Power poles are not for climbing.

For more information on electrical safety, call or visit your local TNP office today.

Among the Neighbors

by Helen Fisher

Jo and Marcus Larson are back after being gone a couple of weeks and brought with them a bonus in the person of their 13 year old granddaughter, Jenny Larson.

Jo flew to Houston where their daughter and a son live. She, with daughter Marcia Wood, and daughter-in-law, Pat Larson, with their children, Jenny and Bryan, met Mike and Rita Larson and their daughter, Mandy, of Amarillo at South Padre Island. They spent a few days there, enjoying the beach and a day cruise in the area. They spent one day in Matamoros, Mexico. The children were very impressed with the contrast between life in Mexico and their own U.S.

Back in Houston, they met Marcus who had driven down. He stopped in Waco for a visit with his brother, Harold.

Mike Larson, who is an accountant with Mesa Limited Partnership, is one of those selected to be transferred to Dallas. While he and his family are looking forward to the move, Jo and Marcus are counting the additional miles needed to visit them.

Beth and Ray Phelps and Ruth Bryan were in Lubbock for a few days in June where they were in the home of Julia and Randy Billingsly.

While there, Ray attended the Rifleman's Meet held at Slaton on June 10 and 11. There was a large attendance and much enthusiasm evident. The setting for the meet at Slaton was very attractive and the weather was excellent.

Many members of the Hansford Gun Club participated and the members who placed in the competition were: Class AAA, small bore, open sight - Dennis Milton - second; Class AA, small bore, open sight - Bruce Brown - second; Class A, hunter pistol, scope, small bore - Ray Phelps - second.

On the second day Class AAA, big bore - Dennis Milton - third;

Class AA - big bore - Bruce Brown - first; Class AA, big bore - Danny Carthel - second; and Class A, big bore - Ray Phelps - second.

The second day, Ray Phelps was also chosen High Senior Performer. A question repeatedly put to the Hansford Club was where, oh where, was Worley Smith - the "ramrod of the nimrods." Well, Worley's story for not being there was that he had to do a lot of cowboying that weekend.

Maxine Banister was pleased to have a short visit from her great-granddaughter, Hilliary Weeks, on Friday. Hilliary is a granddaughter of the late Pat Banister and lives in Austin. Her grandmother, Joy Wilson, and her other great-grandmother, Mrs. Ellis Teasdale, all of Austin brought her by.

Cleo and Lowell Denman visited in the home of her grandson, Mr. and Mrs. Kyle Lee, in Amarillo on Friday. Also there was Kyle's brother, Kent, who left Saturday for Germany. He will be part of a group from Amarillo College who go on an interesting trip of four weeks.

On his return he will join his parents, Dora Kate and Lovell Lee, in Lafayette, Indiana. He will enroll in Purdue University this fall.

Mr. and Mrs. Roscoe Nelson spent several days in Missouri last week. They attended the Nelson family reunion at Grainvalley, near Kansas City. Later they visited her mother, sister and other relatives at Green Ridge.

Debra and Dale Gable have had a crowded house with guests from various towns recently. They especially enjoyed Father's Day, as all their children were with them.

His sons, Chris of Eckley, Colo. and Kenneth and Bridget Gable of Wray, Colo. with their two sons

and little daughter were here a week. The daughter caught her first glimpse of her grandparents as she is six months old.

Dale's children, Jonathon, 13, and Tanya, 15, will be here the rest of the summer. They are from Shamrock.

Since the Gables have one of the most productive gardens in Spearman, it could be that Jonathon and Tanya will have the fun and amusement of working in the garden!

Glenn and June Day are back now after spending some time in the Houston area. They went down to welcome Connor, 7 lb. 4 oz. grandson, and the new son of Carol and Charlotte Day who arrived on June 6.

Connor has a brother, Collin, and a sister, Carissa. Other grandparents are Fran and Ralph Edwards of Houston.

Ada and Lester McLain had a reunion with all their children on June 24, when they attended the wedding of their grandson Terry Don May at Bryan, Tex. He is the son of their daughter, Mona and Don May, and he graduated from A&M this spring as did his bride.

The McLain's other daughters, Polly and Reva, were there as well as Mary Brock and Don McLain, and Debra and Jim Brown.

The McLains and Mary then visited in the home of the Browns for a few days in Austin.

It was good to greet Delbert Allen who was able to spend the weekend at home for the first time in six weeks. They returned Monday for him to begin daily treatments. He and Ivan will now be staying at the Ronald McDonald House.

Vickie and Ronnie Bullard have just returned from a fascinating trip to Virginia Beach, Va. Their primary purpose was to meet and greet their 2 1/2 month old grandson, Josh, son of Scott and

Marla Bullard.

Scott, in the Navy, is stationed at the Naval base there and is an airplane mechanic.

It was Vickie's first trip through all the mountains and her first glimpse of the Atlantic Ocean.

The 3500 mile round trip was made through Oklahoma, Arkansas, Tennessee, and North Carolina. The beautiful scenery was new and so interesting to them.

On their return they stopped at Graceland, home of Elvis Presley, in Memphis Tenn.

They thought they were seeing a mirage when they came face to face with Ruth Shaver, her daughter, Stephanie, and Russell Shaver. Russell still lives in Spearman. Vickie and Stephanie were good friends and had not seen each other in ten years.

Ernestine Gray is noticing the silence in her home this week after having and enjoying company all through last week - from various towns, and on various days, and various times.

Mr. and Mrs. Raymond Scobee of Iowa Park spent a long weekend with her. Others from out of town were her daughter, Carol Watts, Tullia; the Gary Gray family of Dumas, and Ron Gray of Hooker.

Lorene McGuire is delighted to be having her guests to the early part of July. Her daughter, Joyce and Don Davidson with children, Karisa, Alatha and Craighton arrived recently.

Don, a chaplain in the U.S. Army, has been stationed in Frankfurt Germany for three years and they left June 8.

They first went to Corpus Christi to be with his people. They found living in Germany interesting and very educational and traveled in a number of nearby countries. After July 6 they will be living in Washington, D.C. where he will be stationed.

Hollie Riley says if anyone notices her being a little more in the twilight zone than usual, she has a good explanation.

Thursday evening, during the rain storm, lightning struck the rural home of the Rileys. It came in on the hood of the stove, a few feet from where she stood and near where Earl was seated. There was a tremendous ball of fire and Earl says a crack like that of a .45. They were both stunned for a moment. Strangely enough, the electricity didn't go off and the only damage they could find was a burned out portable telephone.

For 24 hours they had a ringing in their heads, but suffered no further effects, except some shaky nerves.

The same evening lightning struck the home of Mr. and Mrs. Brad Beedy at 703 Gibner Drive. It struck in the rear of the home and ruined some television sets and electric relays, though a strong burning order pervaded the entire house, no evidence of fire could be found.

J.B. and Illa Mae Buchanan attended the International Windmillers Association First Annual Trade Fair held in Portales last week.

The attendance was large, with members coming from many states, including Ohio and California. The Buchanans renewed friendships with several old friends and made many new ones.

An interesting sidelight for the Buchanans was that one of the residents of the hotel where they stayed was Mrs. Bess Towe, widow of Beecher Towe who lived in Spearman long ago. Mrs. Towe sent greetings to her friend of half

Mr. and Mrs. Thomas Reed, of Spearman, would like to announce the marriage of their daughter, Jackie Ann, to Lonnie Bradley, son of Carl and Violet Bradley, of Ruidoso, N. Mex. The couple were married in Amarillo on June 18th at the home of the groom's brother. The couple are at home in Spearman.

a century, Mrs. Ora Sanders.

Though some may consider this column to be trivial, at least one reader, a former resident now living in California is grateful for being able to renew an old friendship from a little info that appeared in this column regarding another former resident in Arizona.

Thanks, Marilyn C. Graggs; glad to be of service!

Another casualty of the Thursday evening deluge was the planned backyard cookout as a surprise birthday party for Everett Tracy, at the home of Gloria and Don Knox.

However, with a little ingenuity and good-natured cooperation, all went well and most of the cooking was under the carport, so the surprise was complete.

It happened that Everett Tracy, local manager of the Horizon Oil and Gas Company, was in an all day meeting at Dallas on Thursday, Curtis Calder, President of Horizon Oil and Gas Company, being privy to the arrangements, flew back with him late in the evening and accompanied him to Spearman.

Those attending, in addition to the host and hostess, Everett and Dixie Tracy and Curtis Calder, were Eugene and Donna Yarbrough, Curtis and Rhonda Covington, Jimmy and Kay Vernon, Kirby and Paula McAdams, Anthony Wilkerson, and Keith Burgess. Karen Goodman, a new Horizon employee, during the heavy rain, fell and broke an ankle and was unable to attend.

The descendants of Amos and Ruth Burke held a family reunion at Lake Fryer on Saturday and Sunday. There were 48 present and the three surviving sons and one daughter were all present. They are Kenneth and Robert Burke of Spearman, Richard Burke of Perryton and Pearl Dean Skaggs of Panhandle.

On Saturday night, they gathered for a wiener roast and on Sunday a potluck dinner. Other activities were varied, including swimming, boating, fishing, games, and lots of fellowship and remembering.

From Spearman, those attending were Kenneth and Lorene Burke, Bob and Wanda Burke, Nell Burke and son Jesse, Audra Burke and Debbie Hornsby with son Chris.

Prior to the reunion, guests of the Bob Burkes were Arston and Gladys Wood of Bethany, Okla.

Belle Burke, of Amarillo, stayed with the Kenneth Burkes.
