HONEST BILL

## MARVIN CHAMBERS TO BE POSTMASTER OF SPEARMAN SOON.

A letter from Congressman Marvin Jones to Assistant Postmaster Marvin Chambers, informed Mr. Chambers that his name had been submitted to Congress for approval as Postmaster of the Spearman office.

A letter addressed to the editor of the Spearman Reporter gave the information that the recent poll tax payers of this section indicated patrons of Spearman desired the appointment of Marvin Chambers as Postmaster, and his name had been submitted.

Mr. Chambers stated that he anticipated it would be a matter of two or three weeks before the anticipated change would be made here.

## SOFTBALL GROUNDS LIGHTED FOR PLAY

Through the wholehearted cooperation of the business men of Spearman, Community Public Service Corporation, the Telephone company and the City officials, the softball grounds are well lighted and will afford the players a chance for night play in the future.

The local telephone company donated the loan of four large telephone poles, Community Public Service Corporation donated the work of wiring the system for lighting and all the supplies used, as well as one light pole. The city of Spearman donated the loan of the four reflectors that will help light the field. Merchants of the city raised a fund of \$32.00 to take care of all other expenses.

A back-stop has been constructed and the field improved. This will give Spearman one of the best playing grounds of this sort in the Panhandle.

The project was sponsored by the Spearman Lion club, and it is understood that a new schedule of play will be arranged in the near future so that more teams may be accommodated. Other communities of Hansford county will be invited to use the field time to time, and perhaps two games will be played each evening, so that more people will have the opportunity of using the play grounds.

It is understood that Waka, Holt, Morse, and Gruver are forming organizations of teams in their respective communities, and a inter community league will be organized for play between teams of various communities.

## OLD - MEN - LADIES GAME TO BE PLAYED AUG. 16.

Last minute information regarding the softball game to be played between men past 50 years of age and the ladies team of this city is to the effect the game will be staged August 16 as a benefit game. A small admission charge is to be made and the funds will go towards sending a Spearman boy scout to the national jamboree.

## CONGRESSMAN MARVIN JONES ASKED TO HELP COUNTY TO GET SOIL CONSERVATION AID

A telegram from the Spearman Lion club was forwarded to Congressman Marvin Jones Tuesday, asking that he help this county in an effort to secure a soil conservation experiment station.

TO HON. MARVIN JONES  
Washington, D. C.  
Dear Marv:  
This letter is directed to you because every man I have ever talked to about any need for Federal help for Hansford County always says TELL IT TO MARVIN. This is true all the way up the line to the Secretary of Agriculture. His Honor Henry Wallace.

In an interview in which I represented Hansford county and presented our appeal for a soil conservation experiment station to Mr. Wallace, he said "Have Marvin take this matter up with me".

This places a heavy responsibility on you—but we folk of Hansford county who know and love you, feel that if it is at all possible, you will not fail us in this request.

Ochiltree county, hold their CCC camp, Dalham, Oldham, CCC camp, Dalham, Smith have their conservation stations. We stand right in the path of the blowing sand from every direction. We have had an application on file for such a station for a number of months, and without bothering you with the vital arguments in favor of such a station in Hansford county, would like to call your attention to the following bit of logic.

When a state sanatorium get a tubercular patient they want

## Many Hansford Folk Join Motorcade To Amarillo To Hear Secretary H. Wallace

The motorcade to Amarillo, to hear the address of Secretary of Agriculture, Henry A. Wallace, sponsored by the Spearman Lion club proved a big success. More than fifteen cars made the trip.

Among those attending from Spearman were: Bill Deck, Bill Miller, Bill McClellan, Slim Windom, Robt. E. Meek, Lee McClellan, John R. Collard, Simeon Caldwell, Judge J. H. Broadhurst, R. V. Converse, J. H. Buchanan, S. B. Hale, and others.

A committee representing this county interviewed Sec. Wallace after his address in the afternoon. The matter of correcting the allotment to place Hansford county on a par with adjoining counties was presented by John R. Collard. Secretary Wallace instructed the Hansford folk to take the matter up with the state organization, and indicated that any mistake in this respect would likely be corrected if proof of claims could be made.

## ASK FARMERS TO CUT WHEAT ACREAGE IN '36

Washington, August 8—The A. A. announced today that a 15 per cent reduction in wheat acreage in 1936 will be required of farmers who sign contracts to adjust production.

At the same time, C. C. Davis, farm administrator, told farmers that if the Supreme Court should rule out the AAA program, the government would pay them for their compliance up to the date of such decision.

The new contract, to be offered to farmers probably within two or three weeks will cover the crops years 36-39 inclusive. It will be subject to termination at the end of any marketing year by the Sec. of Agriculture, and any grower will be given the option of withdrawal at the end of the first two-year period.

## GOVERNMENT WILL PAY ALL CONTRACTS MADE WITH WHEAT PRODUCERS

Washington, August 8—The A. A. announced today that a 15 per cent reduction in wheat acreage in 1936 will be required of farmers who sign contracts to adjust production.

At the same time, C. C. Davis, farm administrator, told farmers that if the Supreme Court should rule out the AAA program, the government would pay them for their compliance up to the date of such decision.

The new contract, to be offered to farmers probably within two or three weeks will cover the crops years 36-39 inclusive. It will be subject to termination at the end of any marketing year by the Sec. of Agriculture, and any grower will be given the option of withdrawal at the end of the first two-year period.

## Need Of Agricultural Conference Is Cited

A county-wide Agricultural organization to act in an advisory capacity concerning various agricultural activities is needed badly in Hansford county, it is stated by many Hansford farmers. Such an organization is sponsored by the Extension Department of agriculture of the state.

Members of the Lion club sponsoring the soft ball league have decided to throw play open for the entire community and county. Anyone who desires to enter a team in the league is asked to register the names at the Spearman Reporter office on or before Saturday August 17. Individuals who plan to play and have not been notified of having been selected on a team are urged to register their names at the Reporter office as the list as completed during the next week will include the names of all who can play in the league. The present schedule of play will be completed during next week and a new schedule will include any and all teams from Morse, Spearman, Waka, Holt, Gruver and any other community that desire to enter a team in the league. Each Saturday afternoon an exhibition game will be played between two all star teams. One day each week will be held open for play of teams that do not enter the soft ball league.

## TWO LADIES SOFTBALL TEAMS ARE ORGANIZED

At a meeting of Youne married ladies of Spearman held Monday afternoon, organization of two softball teams were perfected.

Mrs. Bill Hutton was elected as President of the ladies league, Mrs. Chloa Windom will serve as manager of the Cats, with Mrs. Pone Gibner as her assistant.

Mrs. Pauline Johnson was elected manager of the 'Hens' with Mrs. Margaret Gibner as her assistant. Practice began this Wednesday afternoon at 6:00 p. m. Mr. Jacobs has been employed as head coach for the teams, and it is expected an announcement will be made in the near future as to a schedule of games.

A person with very light hair will have poor eyes.

Its a sign of rain when the flies bite.

## WILL CALL ELECTION FOR SOIL EROSION DISTRICT IN COUNTY

An election to create a soil erosion district out of Hansford county will be called at the regular meeting of the Commissioners Court next Monday, it is said by local people who are preparing a petition calling for the election. This will enable Hansford county to retain half the state taxes collected in the county, to be used as funds to fight wind soil erosion. It is anticipated that the Federal government will aid in the campaign with additional funds to carry the program to a more successful conclusion.

It is stated that the election will be held at the same time the state-wide election is to be held, to vote on constitutional amendments. This date is August 24.

## WATCH YOUR STEP—WATCH YOUR STEP—GIRLS

An official challenge has been issued by Mayor Cooke to a team of Spearman girls to play Softball. Mayor Cooke will recruit his team from men past the age of 50 years.

Up to the present the Mayor has listed Messrs. Stetson, Uncle Rob Burran, Cooke, Hester, Edgar Womble, Ooley, Jacobs, Holton, Gray Sparks, Hicks Wilbanks, John Collard, and J. D. Tumlinson. He announces Womble and Meek as batteriers.

Mayor Cooke is asking for volunteers as utility players. He stated Tuesday that he was afraid he would need every man in Spearman past the age limit, to play his first contest.

There was some question as to whether or not Hicks Wilbanks and Edgar Womble were past the age limit of fifty years, but both men have signed up with the local team.

## J. A. HILL Jr. WELL RECEIVED IN HIS LECTURE HERE

Perhaps one of the largest audiences to gather in Spearman for the year of 1935 heard 'Joe Boy' Hill give his lecture on his adventure with the Byrd expedition to the South pole.

The Lecture was most interesting and appreciated by the large audience of Hansford folk.

Mr. Hill came to Spearman under the auspices of the Mary-Martha Missionary Society of the Methodist church. This local organization received 40 per cent of the receipts of the lecture. It is understood that 25 per cent of the lecture goes to the Byrd expedition and the young lecturer only gets 35 per cent of the funds derived from his lecture.

## LECTURE ON REPEL SUNDAY NIGHT AT METHODIST CHURCH

An out of town speaker will give a lecture on Repeal at the Methodist church Sunday night according to information from Rev. Nichols. Everyone is invited to attend this meeting as it is of vital importance to every citizen of Hansford County.

## entire Panhandle.

We are told that the allocations of experiment stations in the Panhandle were made on the grounds of emergency needs. Seems that several of the counties had more men on the relief, land was badly damaged, and in making the allocation of the stations, these conditions were taken into consideration.

MARVIN JONES, I'm telling you that if this mad scramble for recognition under stress is not stopped, the moral of the finest people on God's green earth is going to be ruined.

To illustrate what I mean by this statement, I refer you to our own county. Back in May when the rains came, the government asked that we do all we could to employ men and take them off the relief rolls. WE DID. Farmers borrowed from the government and every possible private source and placed our men at work on our own farms. What has been the result. We are penalized because of our patriotic spirit. The government looks around for a place to hand out money where it can be best use and check up on Hansford county's relief rolls and find out it is the lowest in years.

Perhaps you boys up Washington way think we are over the drouth and depression. Lis-

## Dr. Scarborough To Preach At Revival At Near To Nature Park

Dr. L. R. Scarborough, President of the Southwestern Baptist Theological Seminary, Fort Worth, Texas will do the preaching in an old time camp meeting at Near to Nature Park. This revival is sponsored by the Trans-Canadian Association of the Panhandle of Texas and Oklahoma will cooperate in attendance, Dr Scarborough is known the world over, and needs no introduction to the Baptist of the Panhandle. The meeting will begin August 18, 35, and will last two weeks.

It is our earnest expectation that great numbers will bring their families and a tent and stay a whole week or for the whole meeting. This park is about 19 miles West of Spearman.

J. P. McBeth

## COMPLAINT MADE OF WORK BEING DONE IN TOPPING HIGHWAY NO. 88

Complaint has been registered that contractors who are topping highway 88 are employing out of county trucks and men. Judge J. H. Broadhurst stated that the contract was made between the state highway department and the contractors, and that the men in charge of the work were not required to employ local labor. He stated however, that he had talked with the contractors and they had agreed to employ local labor as much as possible. A representative of the Hansford Relief office stated that many local men were at work on the project. The statement included the fact that several local men who had been secured had voluntarily quit the work stating that it was too hard work. Those who desire may make application for work on the highway job. It is not necessary to be registered on relief to secure a job on this project.

## RELIEF DIRECTOR HAILE TO SERVE 10 COUNTIES

Relief Director Haile has been appointed as Director over ten counties, and will have his headquarters at Pampa, according to news dispatches printed in the Monday daily papers. Mr. Haile will continue the supervision of direct relief in Hansford and Moore counties.

## WPA DIRECTOR OF DISTRICT WILL VISIT HANSFORD COUNTY

PWA Director Merredith will visit Hansford county in the near future, according to a statement he made to a committee of Hansford folks at Amarillo Monday of this week. The public will be informed of the visit, and as much as possible, Mr. Merredith will be carried to the scene of prospective WPA projects.

## Mrs. J. L. Hays at St. Anthony Hospital

Mrs. J. H. Hays is a patient in the St. Anthony Hospital at Amarillo, this week. Reports coming from Amarillo are to the effect that Mrs. Hays is recovering as rapidly as could be expected. Her friends in Spearman wish her a speedy recovery.

## CHENEY FAMILY IN NEW MEXICO FOR VACATION

Mrs. Fran Cheney and family (minus Frank) are visiting her brother Clyde, of Broadview, N. Mexico this week.

## TEXAS FARMERS PLAN TEST SUIT ON TARIFF'S VALIDITY

H. G. Lucas of Brownwood, Texas president of the Texas Agricultural Association, has announced that farmers of this state would file a test suit to test the validity of protective tariffs. This movement is in retaliation to the approximately 450 suits filed by manufacturers attacking the validity of the AAA processing taxes from which farm benefits are paid.

This movement was inspired by aroused farmers and it is said that other states will join the movement, La. Oklahoma, Iowa, Alabama, Mississippi.

The plans are to contest tariffs on goods that farmers buy, on the grounds that they are special levies for the benefit of one class and that they are not revenue measures.

At a meeting of the directors of the Texas Agricultural Association being held at Bryan, Texas final plans will be made for the test suit.

The longest day in the year is June 21.

Montgomery is the capital of Alabama.

## COMPLETE WHEAT ALLOTMENT BOARD AT FRIDAY MEETING

Completion of the Wheat Allotment Board of Hansford county was perfected at a meeting of the committee held at the court house Friday evening of last week. The following were the officers elected to serve: Arnold Ferguson, President, J. L. Sanders, Vice President, W. A. Gillispie, Secretary, E. C. Greene, Treasurer, A. E. Ferguson, R. V. Converse, W. E. Maupin, Allotment Committee.

## COMPLAINT MADE OF WORK BEING DONE IN TOPPING HIGHWAY NO. 88

Complaint has been registered that contractors who are topping highway 88 are employing out of county trucks and men. Judge J. H. Broadhurst stated that the contract was made between the state highway department and the contractors, and that the men in charge of the work were not required to employ local labor. He stated however, that he had talked with the contractors and they had agreed to employ local labor as much as possible. A representative of the Hansford Relief office stated that many local men were at work on the project. The statement included the fact that several local men who had been secured had voluntarily quit the work stating that it was too hard work. Those who desire may make application for work on the highway job. It is not necessary to be registered on relief to secure a job on this project.

## RELIEF DIRECTOR HAILE TO SERVE 10 COUNTIES

Relief Director Haile has been appointed as Director over ten counties, and will have his headquarters at Pampa, according to news dispatches printed in the Monday daily papers. Mr. Haile will continue the supervision of direct relief in Hansford and Moore counties.

## WPA DIRECTOR OF DISTRICT WILL VISIT HANSFORD COUNTY

PWA Director Merredith will visit Hansford county in the near future, according to a statement he made to a committee of Hansford folks at Amarillo Monday of this week. The public will be informed of the visit, and as much as possible, Mr. Merredith will be carried to the scene of prospective WPA projects.

## Mrs. J. L. Hays at St. Anthony Hospital

Mrs. J. H. Hays is a patient in the St. Anthony Hospital at Amarillo, this week. Reports coming from Amarillo are to the effect that Mrs. Hays is recovering as rapidly as could be expected. Her friends in Spearman wish her a speedy recovery.

## CHENEY FAMILY IN NEW MEXICO FOR VACATION

Mrs. Fran Cheney and family (minus Frank) are visiting her brother Clyde, of Broadview, N. Mexico this week.

## TEXAS FARMERS PLAN TEST SUIT ON TARIFF'S VALIDITY

H. G. Lucas of Brownwood, Texas president of the Texas Agricultural Association, has announced that farmers of this state would file a test suit to test the validity of protective tariffs. This movement is in retaliation to the approximately 450 suits filed by manufacturers attacking the validity of the AAA processing taxes from which farm benefits are paid.

This movement was inspired by aroused farmers and it is said that other states will join the movement, La. Oklahoma, Iowa, Alabama, Mississippi.

The plans are to contest tariffs on goods that farmers buy, on the grounds that they are special levies for the benefit of one class and that they are not revenue measures.

At a meeting of the directors of the Texas Agricultural Association being held at Bryan, Texas final plans will be made for the test suit.

The longest day in the year is June 21.

Montgomery is the capital of Alabama.

## MONEY FOR HANSFORD HOG ALLOTMENT IS RECEIVED THIS WEEK

Two thousand four hundred fifty nine dollars and seventy cents was received in Hansford county by the Hog Allotment committee Wednesday of this week. The money was for immediate distribution among those who receive benefit payments for cooperating with the government in the corn-hog program of the Federal government. This amount represents one half of the 1935 payment in Hansford county.

## SOFTBALL CATS POUNCE ON CARDS

Thursday afternoon August 1 After playing around a bit the Cats finally conquered the lowly Cards. Jack Hancock and Manager Whitson contributed to the victory for the Cats by dropping the well known agate whenever it came near them.

	Hits	Runs	Errors
CATS	8	13	12
CARDS	10	11	18

## BRAVES CONTINUE TO WIN

The Braves having lost but one game this year to the Yanks escaped defeat in the first half of the seventh inning Friday afternoon at the National League Baseball Park. With the score 4 up, the Braves went into the first of the seventh with blood in their eyes. Jacobs hit to short Parker hit a three bagger and was caught out on third, scoring Jacobs. Walter Wilhelm socked a pretty one to the pitcher who muffed it then the mighty Windom came to the bat and made a pretty out to left field, Frank ups and swats a double scoring Walt Joe clouted a double scoring Frank, Bakery Man Wright gets on first by one pitiful throw to first, finally the hero Mr. Meek. (Gas House Meek) lays the willow to the pill for a home run.

The final score Braves 10 runs 6 hits and 7 errors. Yanks 4 runs 7 hits 10 errors.

## CARDS RALLY TO WIN IN 7th

Monday afternoon the Cats had the game well in hand until the last of the seventh inning. The Cat bunch thought they had the game on ice when they scored 5 runs in their half of the seventh. But the Cards were tired of being the underdogs in every game so they had a huddle passed around the secret sign and shouted KGINKOD which means hit one on the nose in Arabian. The shouting did the job they pounced on the fast breaking ball of Pill Roller Sheets, who was backed up nicely with the Court House on one side and a beautiful prairie on the other. That was that. Score Cards 15 runs, 9 hits, 18 mistakes. CATS 14 runs, 6 hits, 11 mistakes.

## YANKS - CATS

No contest because of error in scoring.

BRAVES FALL TO CARDS

The Cards swamped the Braves in a hitting spree Wednesday afternoon 15 to 6. Led by Manager Whitson who hit 4 for 4 the Cards made 16 hits.

Score Braves 7 hits 6 runs and 11 errors. Cards 16 hits 15 runs and 5 errors.

## STANDING UP TO AUG. 8

Team	Hits	Runs	Errors
BRAVES	7	6	11
YANKS	15	6	5
CARDS	16	15	5
GATS	4	7	10

## HEADLINERS

The one and only "Headliner" is no more—that is he cannot rate as No. 1—or Head man of any newspaper in the future.—Announcement comes to Spearman that Herbert Campbell, former Assistant Editor of this paper was married to Miss Gladys Van Burkleo, at Tulsa Oklahoma last Sunday evening.

Information regarding the wedding is lacking. Telegrams sent (collect) to the Headliner were returned, and his father received the information only that the deed had been done and that he (Herb) would have his wife write the details of the wedding. Seems as if the former newspaper man had overestimated his position, since his friends in Spearman have not received the wanted information.

## NICHOLS AT ANGELO, TEXAS

A. Nichols is at St. Angelo, at the St. Angelo hospital she is recovering from a nervous breakdown. She home in about two

#### What is the yardstick for a cigarette...

Take mildness for one thing—how does it measure up for mildness? Chesterfields are milder—not flat or insipid, of course, but with a pleasing flavor.  
Then take taste for another thing—does it have plenty of taste? Chesterfields taste better—not strong but just right.  
In other words, They Satisfy—that's my yardstick for a cigarette.

Chesterfield...the cigarette that's MILDER  
Chesterfield...the cigarette that TASTES BETTER

# Duke of the PLOWSHARE

The slow, plodding water buffalo and the tireless tractor stand for more than the old and the new beast of burden—they are symbols of man's conquest over the soil, marks of the tiller's power.

Since time began our great conflicts have been waged for land. Wars have been fought for fertile valleys. Battles have been waged for protective hill tops. The first kings were those who could control the most land. Dukedoms were created for those feudal landowners who threatened the king's reign.

Yet all this bloody struggle made little difference in the lot of those who worked the land. In every country in the world, until the opening up of America, the actual producers of food held no power of their own. They were regarded as the lowly peon class, the serfs. The sons of the soil were the sons of toil.

## THE FARMERS WERE SERFS

Landlord of old furnished their vassals with little more than the most meagre needs of life and the poorest of make-shift tools. They gave no thought to the backbreaking labor of producing grain which, for the most part, paid only for the peon's right to exist. Even today, in many parts of the world, water buffalo or oxen, hitched to wooden prongs, furnish the only power—other than human backs—for tilling the soil.

## FARMING BECOMES A BUSINESS

The broad, fertile fields of America did far more than offer freedom or religious thought. They yielded bountiful harvests and a high return for the effort spent. Unfettered by generations of servitude, American sons of the soil developed a freedom of thought and action unknown elsewhere in the world. The science of farming was born. New methods and machinery were invented. Tilling the soil became a pursuit worthy of the best.

Today's oriental coolie farmer has little in com-

mon with the American Duke of the Plowshare. Both work the soil—but one is still the slave of toil, the other the master. The Duke of the Plowshare wields his power as the ancient duke never dreamed. Thanks to his own ingenuity and the aid of modern business he is lord and master of his own land. From his broad acres he feeds the world and the world serves him. Idaho potatoes, Texas wheat, Iowa corn and Texas cotton have reached the farthest corners of the earth. The world of industry is ready to trade the products of its craft for the products of his field. From industrial centers everywhere come his motor cars, his tractors, his home conveniences, clothing.

## ARE YOU IN LINE WITH THIS MARCH OF PROGRESS? ? ?

Conditions have changed. New methods, not only Agriculture, but of merchandising face this generation. The cooperative organizations of Farmers making it possible for each individual producer to gain the very best market price for his products and at the same time secure his needed merchandise at reasonable prices, with the margin of profits being retained in the hands of those who make the volume of business possible, is rapidly solving some of the economical problems of the farmers of this section.

That the Government places a stamp of approval on the rapidly growing system of cooperatives is indicated by the fact that many government loans have been made to such organizations. If you listened to the speech of Secretary of Agriculture Wallace, at Amarillo, you can read-between the lines to know that the entire program of Agriculture in the United States depends upon the cooperation of the producers. Cooperation not only in the field of limiting crop production to eliminate an over burdensome surplus, but in every department of the activity of Agriculture. THIS means that producers of Hansford County should cooperate in their purchases, favoring their own FARMER owned organizations.

**Church of Christ**

Program for the week beginning Sunday, August 11th.  
Bible school 10:00 a. m.  
Preaching 11:00 a. m.  
Young People's Bible classes 7:30 p. m.  
Preaching 8:30 p. m.  
During week days preaching each evening beginning promptly at 8:30 p. m.

The church is beginning a revival Sunday that is to continue for two weeks.

Brother B. F. England, Evangelist is to do the preaching. Brother England needs no introduction to many people of Spearman, since he has been with the Spearman church since February of this year. He preaches the plain gospel as revealed in the Word of God and in a manner that you will appreciate and enjoy. People will be told not what they may do, but rather what the Bible tells them they must do in order to be saved. People will be told again how that they must live in the church that Christ established in order to be saved eternally.

A cordial invitation is extended everyone regardless of their religious beliefs to hear this series of sermons. You will be glad you come.

Following are some of the subjects to be discussed during this meeting:

**How to have a good meeting.**  
**Christianity of Divine origin.**  
**The Three Dispensations**  
**Establishment of the Church.**  
**The Spirit and its Work.**  
**The Bible our only Guide.**  
**The Thief on the Cross.**  
**Vowing**  
**The Name.**  
**Conversion of Saul.**  
**Conversion of the Ethiopian Eunuch.**  
**Heartfelt Religion.**  
**Where Shall I Spend Eternity?**

**METHODIST CHURCH**

Sunday school 9:30  
Preaching 10:30  
League 7:30  
Evening Worship 8:30  
Prayer Meeting Bible study Wednesday evening.  
Both W. M. S. meet Wed. afternoon.

For Miss Eula Frazier, Wednesday afternoon. A large crowd of children were present.

Mr. and Mrs. W. A. Shapley and daughters and Miss Jewel Wallin returned Friday from Colorado.

Mr. and Mrs. A. W. Evans and son, Mrs. W. B. Hart, Mrs. William Bradshaw and grandson, Earl visited relatives near Cheyenne, Oklahoma.

Mrs. D. L. McClellan shopped in Guymon Saturday.

Mrs. A. E. Ferguson and children returned last week from Pasadena, California, where they have made an extended visit with relatives.

Mr. and Mrs. F. P. Wilson have returned to Gruver from Lubbock where Mr. Wilson attended school.

Mr. and Mrs. Gay Fletcher and family returned Sunday evening from a trip to the New Mexico mountains.

**MARVIN JONES SAYS**

The AAA amendments as they passed the House of Representatives made provisions for carrying on the agricultural adjustment program and for protecting the government against unnecessary suits.

These amendments passed the House more than a month ago.

The Senate has adopted a number of changes and amendments some of which should not be permitted to remain in the measure.

The Senate amendment permitting suits by processors to recover taxes paid, in the event processing taxes are held invalid by the Supreme Court, is too broad.

The processor has simply been the agent for the collection of these taxes which have been written into the general price structure of the country.

If such suits are permitted, and recovery is had, the money should be placed in the custody of the Court as a trust fund.

The processor, at the most, should be allowed to recover no more than the tax which he has paid on stocks which he has on hand and unsold at the time the suit is instituted.

The wholesaler should be allowed to recover taxes paid on any stocks which he has on hand and unsold at such time.

The retailer and distributors should certainly be accorded the same privilege.

In fairness, the balance should go to the consumer who is the ultimate purchaser, but he probably could not be located.

We know the processing tax was a definite factor in the price of all goods sold after such tax became effective. It remains a very definite factor in cost at this time, notwithstanding the fact that many manufacturers are withholding the tax in the hope that the Supreme Court may eventually declare it invalid.

It would create chaos to invite tens of thousands of suits to recover hundreds of millions of dollars when the processor was merely the agency through which these taxes were passed on to the public. The government cannot allow this to become a racket by the processor for recovery of taxes which were really paid by the ultimate consumer.

Either the amendment should be eliminated entirely or modified so as to avoid the abuses which it invites.

The bill will now go to a joint conference group representing the House and the Senate, whose duty it will be to iron out the differences between the bill as it passed the House and as it passed the Senate.

I am very hopeful that we will be able to reach a proper agreement, as it is all-important that the farm program be continued.

**THE THREE CALVES OF GOLD, OR IN THE TEMPLE OF HIGH FINANCE.**

**BAPTIST CHURCH**

THE THREE CALVES OF GOLD, OR IN THE TEMPLE OF HIGH FINANCE.

Here resides the power that man business and nations reverence. Here the ancient calf of gold comes back as triplets, with greater power than ever before among

nations that worship it. The biggest calf belongs to the U.S. The fattest calf belongs to France.

The worried calf belongs to old John Bull. You see the owners of the world's golden calves, each in front of his own idol.

We are in the WILDERNESS! Which way are we headed? Come next Sunday morning to the service and hear some timely words on WHICH WAY TO GO: on vested interests, greed, prejudice, hatred, suspicion, and mistrust. What to do when SPIES make their report. It does not pay to cry out against GOD.

Sixteen people were baptized into the fellowship of the church the past two Sunday nights. We are cordially inviting all who are able to come and be with us in the preaching and remember we have a place for you in our church.

The B.T.U. has a place for you come.

**PARK IS LOCALE OF "ONE MORE SPRING"**

If you had to be marooned, would you choose a remote island or more practical, select a city park?

The second alternative is adopted by the characters in the show lauded ONE MORE SPRING the dramatic story of two lonely souls in quest of romance.

Janet Gaynor and Warner Baxter screen romances perfect team, are costarred in Fox Films screen version of the Robert Nathan best seller of the same name. It comes on Saturday night preview to the Lyric Theatre for a 2 day engagement.

It is the absorbing story of
