## Varsity Show Distinguished By Individual Performances

"Summer Festival", 1953 Varsity Show, opened Monday night in Lubbock High School Auditorium for a three-night run. Story by Dick Shockley. Dialogue by Roy Smith and Dick Shockley. The cast and staff:

Gerald Marshall	Dick Shockley
Hotel Boys	Jerry Jackson
James Cromer	
Waitress	Betty Doris Hamilton
Mr. Schultz	Leonard Gaston
SMU Boy	Fulton Smith
TU Boys	Charles Whitfield
Mrs. Goodson	Claudia Ticer
Sac Goodson	Don Andrea
Patia	Harriet Henneman
Aggles	George Hargrove
Joe King	
Jane Stone	Joyce Lowe
Grace Love	Connie Hopping
Bobo Barton	James Sides
North Texas Boy	Don Luttrell
Baylor Boys	Don Ferguson
Lynell Ross	
Rice Boy	Frank Slioter
General Director	Odis Echols, Jr.
Assistant	Lavoy Berry
General Manager	Phil Thompson
Choreography	Virginia Carr
Hardy McNew	
Music Director	Jack Hon

By RALPH SHELTON  
Toredor Associate Editor

In the case of this year's Varsity Show, the whole was not equal to its parts. As a production, that is, "Summer Festival" was not up to the standard of excellence set by its individual performers. It suffered from the same ills that have become usual for Tech shows: lack of pace and lack of adequate dialogue to bridge the gaps between musical numbers.

The individuals in the cast, however, presented talent that should make students even prouder of Tech than they were when the Student Union opened. It was the cast that made "Festival" well worth seeing.

Miss Lowe Gets Laughs

Most polished performance was turned in by Don Andrea in the role of a UCLA student whose love for Joyce Lowe was not strong enough to overcome his fear—caused by Miss Lowe's bearish boyfriend, James Sides. Miss Lowe displayed a feeling for comedy that gave her laughs on most of her lines. She and Andrea were called upon at least once in the last act to ad-lib in a situation that neither writers nor directors had provided for in any way.

Sides, as the almost-blind football hero, managed to get chuckles from the sizable audience, too, with his squinting expressions. He teamed with Jerry Jackson, Gerald Comer, Betty Doris Hamilton for two numbers — "No Help

## Livestock Judging Contest Saturday Won by Techsans

Another first place was earned by a Tech judging team which competed in the Oklahoma City Intercollegiate Livestock Judging Contest Saturday. Tech placed first with a total of 4,406 points, Oklahoma A&M second with 4,333, and Texas A&M third with 4,311.

The Techsans placed first in the quarter horse division, third in cattle and hog division and fourth in judging sheep.

William F. Willis, junior from Odessa and Charles D. Hoover, junior from Perryton, tied for second high individual honors in the entire contest. Willis received first place in judging hogs, and Hoover ranked fourth in judging both hogs and quarter horses. Carl S. Menzies, junior from Menard, was the tenth high individual in the contest and placed second in judging quarter horses.

Other members of the winning team were: Lewis B. Blau, junior from Booker; Billy J. Harris, junior from Plainview; Martin M. McCarter, junior from Perryton; Joe N. Thorp, junior from Throckmorton. Team coach is Stanley E. Anderson, assistant professor of animal husbandry.

Wanted" and "Detour"—that left the audience nearly hysterical. Miss Hamilton emerged from her brief appearance as the finest comedienne of the evening.

### Hopping and Gillum Sing

Connie Hopping, a hardy perennial with Varsity Shows, presented a vastly-improved singing style, and Jean Ann Gillum was notable for her songs — which, however, were sometimes hampered by poor sound engineering.

Virginia Carr was matched with Dean Kelly in the show's production number, an Indian Rain Dance. Miss Carr's talent was evident in all the dances for "Festival". Her co-worker in choreography and dance direction was Hardy McNew.

The Varsity Orchestra and Chorus provided feature spots as well as incidental numbers for "Festival". Unique in the show was the drum battle between Jack Thornbrough and John Curry. Victory went to both.

The show will begin for the last time at 8 tonight. If we're not too late, let us caution you not to miss the show—probably the most original that Tech has yet seen.

## Jobs To Be Open On La Ventana, Toredor Staffs

Eligible students may now make application for editor or business manager of The Toredor or La Ventana editor or business manager for next year, according to Prof. A. B. Strehli, publications committee chairman.

All applications must be received by 5 p.m. Wednesday, March 25. Applicants are required to appear in person at that time on the second floor of the Journalism building to be interviewed by the board of selections.

The Toredor editor must have 90 semester hours and nine hours of credit in journalism, including one semester of experience on The Toredor. La Ventana editor must have 90 semester hours by the end of the semester in which he is selected. The business managers are required to have passed 60 semester hours.

Selections are made by the following student and faculty members of the publications committee: a student representative from each division; student chairman of the publications committee; faculty sponsors of The Toredor and La Ventana, and faculty chairman of the publications committee who is granted a vote if it is necessary to obtain a majority of votes.

## Kemas Initiates Pledges Recently

David Larson, Bruce Matson, and Ray Lunn, fall pledges of Kemas, were given awards at initiation ceremonies recently.

Larson received the award for high grade-point average; Matson, the award for best pledge; and Lunn, was selected as the best potential member.

Fall pledges initiated at the ceremonies were: Fred Currie, Bill Derriek, David Larson, Ray Lunn, Joe Lynch, Bruce Matson, Roddy Stargel, and Fred Willis. H. A. Anderson, Kemas Sponsor, was also made a member. T. C. Root was voted membership, but will be initiated later.

## Honors Given to 366 Techsans Today At Annual All-College Recognition Service

### Candidates Announce for SC Posts; Petitioning to Close Next Wednesday

Petitions for the general elections of Student Council officers and representatives have been taken out by 28 students.

All petitions must be turned into the council office by 5 p.m. Wednesday, March 25, and students will go to the polls from 1 to 5 p.m. April 8.

Students who have taken out petitions for offices of the Student Council are: J. C. Chambers, president; Bill Burton, vice-president; Nina Spearman and Margaret Wood, secretary; and Max Preston, business manager.

Candidates for representatives to the Council include: Pat Boles, Dave Larson, Gerald Russell, Paul Griffith, Terry Young, and Allan Tomlinson, all from the Engineering Division; Sue Dugan, Ruth Smalley, and La Nell Enochs from Home Economics; Donald Jordan, Jerry Raun, E. J. Tarbox, Don Andrea, Moody Alexander, and Gwen Williams, Arts & Sciences; James Sides, Mary Wiley, June Cook, Bill Fraley and Edward Weyman, Business Administration.

Candidates for head boy cheerleader are Dick Shockley and Bill Philpott. Girl cheerleader candidates are: Jeana Rose and Ann Lee Turner.

### Tech Professors To Attend A&M Architecture School

Prof. F. A. Kleinschmidt, head of architecture, and Prof. Robert E. Lockard of the same department, will leave Friday to attend the Collegiate School of Architecture to be held at Texas A&M College.

Prof. Lockard was selected to write the program for the next Texas Society of Architecture student competition. His problem, a county courthouse, will be presented at the meeting.

## Engineers May Take 3 Years In Arts and Sciences

Engineers will be permitted to enroll in the Division of Arts and Sciences next fall, reports Dean D. E. Holcomb.

Under a new curriculum, the engineering student may take all required Arts and Sciences courses in three years followed by his major courses the following summer and the next two years.

The new option enables students to receive a broader foundation in non-technical subjects.

On graduation, the student would receive both a Bachelor of Arts and a Bachelor of Science degree.

Dean Holcomb explains that this new curriculum will provide the student with a broader foundation in non-technical subjects.

Tech Professor Will Judge Plays In Interscholastic League Contest

J. E. Harding, assistant professor of management, will judge the District AA Interscholastic League one-act plays to be held in Levelland Friday night. Winners will then present their plays in League contests later at West Texas State College, Canyon.

Mr. Harding will act as critic judge for plays entered by Spur, Post, Levelland, Plainview, Littlefield and Tahoka.

A total of 366 honors were given students this morning at Tech's annual All-College Recognition Service.

Athletic lettermen, holders of scholarships, students with high academic records and student leaders were honored.

Students selected for recognition are in the upper three percent of their divisional class during the fall or spring semesters of 1952, and have a grade-point average of 2.25 or better for either semester. Several of the students received more than one honor.

Master of ceremonies was James G. Allen, dean of student life.

"Overture to Mignon" was played by the Tech Concert Band, directed by Dr. D. O. Wiley.

The invocation was given by the Rev. Hubert H. Bratcher of St. John's Methodist Church.

Tschaikowsky's "How Blest Are They" was sung by the Tech choir with Dr. Gene Hemmle directing.

Making introductions and awards were: Dr. J. William Davis, letterman Dean Marjorie M. Neely, scholarship recognition of organizations; Prof. Ray L. Chappelle, holder of scholarships; Harold Brannon, student leaders; Dean Margaret Weeks, individual recognitions; Dean W. L. Stangel, class recognitions; Dean George Heather, divisional recognition, and President E. N. Jones, college recognition.

Dr. Jones, introduced by Vice-president Marshall L. Pennington, gave a short address following the presentation of honors.

Immediately after the recognition service an informal coffee was held in Drane Hall honoring parents and other family members of students who were recognized.

### Tech's Agriculture Professors Judge in Junior Livestock Show

Three Tech agriculture professors judged in the 20th Annual South Plains Junior Fat Stock Show of Lubbock Monday.

W. L. Stangel, dean of agriculture, judged steers in the annual Lubbock show. He also judged steers in the first livestock show 20 years ago.

R. C. Mowery, head of the department of animal husbandry, judged lambs, and Stanley Anderson, also of the animal husbandry department, judged the hogs.

## Senior Calendar

Monday, March 23

Last day for seniors who plan to graduate in May to file intention to graduate with their academic dean.

Last day for seniors expecting to graduate in May to pay their \$5 graduation fee, if diplomas are to be received at graduation. The receipt must be taken at once to academic dean.

Saturday, March 28

Midsemester reports due at 5 p.m. in registrar's office.

Wednesday, April 1

Last day to reserve academic regalia and order invitations at Bookstore.

Wednesday, April 15

Last day for refund of \$5 graduation fee for seniors who are unable to graduate in May. (These seniors must notify academic dean in writing that they will not graduate as planned.)

Last day to cancel reservations for invitations and academic regalia at Bookstore.

A course cannot be dropped after this day without a grade of WF unless move is instigated by academic dean.

## Eleven Firms To Interview Prospective Tech Graduates During Coming Week

Firms which will interview prospective graduates during the coming week were announced yesterday by Mrs. Jean Jenkins, director of the Placement Service.

Students interested may see Mrs. Jenkins for interview with representatives of the following firms:

Tomorrow

Texas Instruments Inc. of Dallas—electrical mechanical engineering and physics majors.

Tomorrow and Friday

General Electric of Dallas—electrical, industrial and mechanical engineering majors.

Ohio Oil Company of Houston—chemical, mechanical, and petroleum engineering majors. The latter may have either production or natural gas options.

Friday

Chemstrand Corporation of Decatur, Ala.—chemistry, chemical, electrical, mechanical and textile engineering majors.

Monday

Sears, Roebuck and Company

of Dallas — business administration majors.

White Sands Proving Ground, Las Cruces, N. M.—electrical, industrial, and mechanical engineering, physics and mathematics majors.

Monday and Tuesday

Continental Oil Company, Ponca City, Okla.—business administration majors.

Tuesday

Mrs. Tucker's Products of Sherman—chemistry and chemical engineering majors.

Southwest Public Service of Plainview — electrical, industrial and mechanical engineering majors.

Wednesday

Standard Oil of Indiana—civil, mechanical and chemical engineering majors.

Geophysical Service Inc.—petroleum geology, mathematics, physics, petroleum, mechanical and electrical engineering majors.

### Music Department Is Kept Busy; Several Events Are Scheduled Soon

#### Mr. Colvin On Tour

Herbert Colvin, music instructor, left Sunday on tour as accompanist and assisting artist on the southwestern tour of Lewis Roney, tenor with Columbia Artist Management. Mr. Colvin will play in cities in Arkansas, Kansas and southwestern Texas. He will return March 25.

#### Ira Schantz Serves

Ira Schantz of the music department served as an adjudicator for the Texas Federated Music Club's contest in Hereford on March 7.

#### Area Clinical Work

Dr. Gene Hemmle, music department head, will do clinical work in Midland Public Schools on March 19 and 20. On March 23 and 24, he will do clinical work in the public schools at Phillips.

#### Students Enter Contests

Six Tech music students entered

### Phi Eta Sigma To Initiate Freshman Honor Students

Initiation services for Phi Eta Sigma, freshman men's honor society, will be held at 5:30 p.m. March 31, in the Agriculture Engineering Auditorium, announces James G. Allen, dean of student life.

Any student carrying a minimum of 12 hours, with a 2.5 grade point average in either the summer or fall semester, is eligible for initiation into the society.

Students may check their qualification at the office of the dean of student life.

### Annual Stock Feeders Day To Be Held Here Tuesday

The Annual Livestock Feeders Day will be held on campus beginning at 1:30 p.m. Tuesday. Object of the field day will be to help ranchers of this vicinity with livestock feeding problems, and to instruct them in more desirable methods of feeding.

The program will begin with inspection of cattle, with W. L. Stangel, dean of agriculture, in charge. Stanley Anderson, assistant professor of animal husbandry, will conduct an inspection of pigs and discussion of feeding trials now underway. R. C. Mowery, head of the department of animal husbandry, will conduct an inspection of lambs and discussion of feeding results.

the National Association of Teachers of Singing contest last Thursday in Oklahoma City. Students from Colorado, New Mexico, Oklahoma and Arkansas participated. Tech students who took part were: Irma Hopp, Nancy Davis, Gloria Snell, Rosemary Sprague, Lubbock; Tim Magness, Friona; and Ethlene Buey, Brownfield. Ned Harca, pianist, accompanied the group in their songs.

#### Madrigal Singers Concert

The Texas Tech Madrigal Singers will present a full-length concert at 8 p.m. on March 27 in the Recital Hall of the Music Building, says Ira Schantz, director.

#### Band To Give Concert

Tech's 100-piece Matador Band will present a concert at 3 p.m. March 29 in the Band Hall of the Music Building, says Dr. D. O. Wiley, director.

#### To Go To Oklahoma

Dr. D. O. Wiley, band director, will serve as an adjudicator for the annual Regional Band Festival in Waurika, Okla., Friday and Saturday.

### Officers of AWS Will Be Elected

Association of Women Students convocation will be held at 5 p.m. Monday in the Agriculture Auditorium. Qualifications for officers will be given at the meeting. Women nominated for office by AWS Council seniors will be introduced. Other nominations will be made from the floor.

Nominees will enter a general election March 25, and a run-off election March 26. Voting booths will be open from 8 a.m. to 5 p.m. in Horn and Knapp Halls, the Music, Home Economics and Administration Buildings.

### Sigma Tau Delta Opens Its Fraternity Membership

The Tech Chapter of Sigma Tau Delta, honorary English fraternity, is opening its membership to all English majors and minors of junior standing, having completed freshmen and sophomore English with a 2. average and all other work with a 1. overall average, states Dr. E. A. Gillis, sponsor of the group.

Dr. Jeff Sadler will speak on mythology in Greek literature at the 7:30 p.m. Thursday meeting of the organization.

### Spanish Society Initiates Eleven

Eleven new members were initiated into Sigma Delta Pi, national Spanish honor fraternity, last night. A banquet in the Navajo Room of the Caprock Hotel followed the initiation.

Honored guests at the banquet were Mrs. Roscoe Wilson, Dr. and Mrs. C. B. Qualia, and Mr. and Mrs. A. B. Strehli. A tribute was paid to Dr. Qualia, who has recently resigned as head of the foreign languages department. Color pictures of Mexican scenes were shown.

Members of the fraternity must have an over-all average of 1.5 or better and an average of 2.0 or better in Spanish. They are required to have three hours in a course number 200 or above.

The new members are: Mrs. Elizabeth Ayres, of Littlefield; Jimmie Bennett, of Big Spring; Elsie R. Carpenter, Plains; Virginia Carr, Lubbock; Mary Jane Coen, Littlefield; Kenneth Davis, Lubbock; Donald Graves, Lubbock; Ann C. Heatl, Lubbock; Zoe Merriman, Lubbock; June Welch, Lubbock; and Mary Ann Wilson, of Floydada.

#### TRI DELTA PICNIC

Delta Delta Delta will have a picnic-dance at 6:30 p.m. Sunday at the barbecue pit in Mackenzie State Park.

### Run Around

#### Thursday

Country Dance School  
Major-Minor Club Gym  
7-10 p.m.

#### Friday

WRA Volleyball Tournament Gym  
Afternoon  
Plant Industry Club Banquet  
7:30 p.m. Caprock Hotel  
Country Dance School  
Major-Minor Club Gym

#### 7-10 p.m.

#### Saturday

WRA Volleyball Tournament Gym  
Afternoon  
Air ROTC Ball Student Union  
9-12 p.m.

#### Monday

AWS Convention  
5 p.m. Aggie Auditorium

#### Tuesday

Home Economics Banquet  
6:30 p.m. Caprock Hotel  
Ballroom

### Air Force Ball To Be Saturday

Lackland Air Force Base Orchestra of San Antonio will furnish the music for the Air Force ROTC Cadet Ball at 9 p.m. Saturday in the Student Union Building. KFYO plans to broadcast the orchestra directly from the union building from 10 to 10:30 p.m.

Cadet Col. H. L. Vandegriff will be host at a reception for out-of-town guests and college officials from 8 to 9 p.m. Unit sweethearts will lead a grand march to open the dance and a program will be presented during intermission.

#### Food Economist To Speak

Mrs. Helen Moozer will give a demonstration in HE167 at 2 p.m. Monday in Miss Mayme Twyford's foods demonstration class. Mrs. Moozer is home economist with Procter and Gamble.

AND TELEVISION, TOO!

New Student Union Has Everything: Cards, Coffee, Ping Pong, Food . . .

A snack bar, a concession stand, Friday nights, with J. D. Sadler television sets and game rooms of the foreign languages department are a few of the many features being done at the Student Union Building. Movies will be shown in the ball room of the Student Union Building. The concession stand sells everything from razor blades to cig-

Another special room upstairs is the Anniversary Room, where receptions and teas will be held. In addition, there are three meeting rooms, two checkrooms, and the ballroom on the second floor. Chairs and drapes for the meeting rooms have not arrived but will be here in time for the formal opening next month.

The union building furniture, which was designed by Eames of Michigan and Knoll of California, is extremely modern, as is everything else about the structure.

About 550 students are being served at the snack bar daily, Jess Parrish, director of the Student Union Building, estimates.

Square dances are being held on

Without drapes, a public announcement system, and about half the furniture, the Student Union Building was opened last week, marking the fulfillment of a dream which began many years ago.

The rambling old Rec Hall will soon be forgotten, if not gone. Its career began in 1947 when the College acquired some war surplus barracks. From this same group of buildings, the Infirmary and many of the laboratories were set up.

There was no money for the project, just some barracks. Dean of Student Life James G. Allen asked for and got a contribution of \$25,000 from Lubbock businessmen to furnish the Rec Hall. The furniture was bought from Dunlap's, who let the college have it at cost plus tax.

A new floor was put in, part of which came from the Deak Hall dining room, then being remodeled. What became the Green Room was a cafeteria, with no connection to the Rec Hall.

Miss Martye Poindexter, head of the Applied Arts department, assisted in decorating the building, which was furnished on the unit plan.

The first director was Troy Ennis, who held the post for two years. Dan Purcell was the next director.

Some of the programs which the Rec Hall has sponsored were dances with name bands such as Skitch Henderson's; lectures given by Ogden Nash, Vincent Sheehan, Margaret Bourk-White, Louis Untermeyer, Edward Weels, and Eve Currier; and performances by Carl Sandburg, Charles Laugh-ton, and Jimmy Dorsey.

Jess Parrish, present director, says the new Student Union does not look now like it will be in a month. "We are opening now to enable the students to use the building," he emphasized.

Formal opening ceremonies will be held next month.

Our 'Miss Texas' Is Schoolmarm To Local Students

How would you like to have Miss Texas as a student teacher in your class? Well, some high school students are getting just that chance!

Connie Hopping, Miss Texas of 1952 and a home economics education senior at Tech, is doing student teaching in one of the local junior high schools.

Miss Hopping is teaching a course in selection, construction and care of household linens to the homemaking girls. A boys group also asked her to speak to them about her experiences as Miss Texas.

Miss Hopping is only one of 22 senior home economics majors who will do student teaching this semester. These seniors teach for a nine-week period in connection with the course H. E. Ed. 441. The students teach everything from foods and clothing to child care and interior design.

Other seniors teaching at the present are: Patti Pipkin, Frances White, Juanita Davis, Mrs. Wanda Mason, Doris Cooper, Nancy Crosby, Treasure Phlegley, Mrs. Naomi Mounsee, Marvel Gibner, and Mary Killgore.

Mrs. Charlotte M. Brand, Texas Tech cataloger and chairman of the Texas Library Association Catalogers Section, will preside at a library catalogers workshop on procedures in Abilene April 15. The workshop will be co-sponsored by Hardin-Simmons University and McMurry College.

The catalogers are petitioning the American Library Association for regional group status in the national association's Division of Catalogers and Classifiers. They will vote on a constitution and by-laws at the Texas Library Association Convention in Lubbock the following day.

Tech Library Cataloger To Preside at Abilene Meet

Phi Psi will initiate two honorary members soon

Two honorary members will be initiated into Phi Psi, national honorary textile fraternity, Saturday night. The initiations will be held in the Textile Engineering Building.

Prof. L. O. Bunton, associate professor of textile engineering, and Hugh S. Clarke, vice president of the Texas Textile Mills of Dallas, the new members, will be honored along with other members at a banquet at Chicken Village following the initiation ceremony.

Dr. Lillian Gilbert will speak on industrial human relations at 4 p.m. Wednesday in the Gym.

Donnell-Allen Wedding Set For April 3 In Eliasville

The First Presbyterian Church of Eliasville will be the scene of the wedding of Miss Jacque Donnell to Nathan J. Allen at 8 p.m., April 3.

Miss Donnell graduated from Tech in January with a BS degree in animal husbandry.

Allen, who graduated from Tech in January, 1947, is an instructor in the animal husbandry department.

The couple will reside at 3205 B 35th St. in Lubbock.

Water Conservation Is Main Subject Of Civil Engineers Meeting March 28

The High Plains Branch of the American Society of Civil Engineers will open its meeting on Saturday, March 28, with an afternoon session in the auditorium of the West Engineering Building.

The Texas section of student branches will be welcomed by D. E. Holecomb, dean of Engineering, at 2 p.m.

Water conservation and policy will be the topic of the afternoon meeting.

H. N. Roberts, president of the High Plains Branch, will speak on "A Water Policy for Texas". T. R. Cantine, who is with the Bureau of Reclamation in Amarillo, will discuss "Water Resources Development by the Federal Government."

"The High Plains Underground Conservation District" will be Tom McFarland's topic. A film on water development will precede an explanation by Arthur Dugan of Texas water laws.

The evening session will be held at 7 in the Navajo Room of the Caprock Hotel. Following the dinner, three local members of the ASCE will enter reports in the student paper competition. Clarence Moore, junior engineering student from Morton, will present his paper which concerns siting and reservoirs. Carl Jack Smith, senior from Memphis, will speak on the historical development of structural engineering. Roy J. Taylor, Fort Worth senior, will talk about a hydraulic plant in British Columbia. The 15-minute talks will be judged by practicing engineers of this area.

First-place winner in the contest will enter the Texas A&M competition April 3, and the second-place winner will go to New Mexico A&M April 25.

A ladies program is being arranged by a committee of Lubbock women. They will assemble in the engineering Auditorium at 2 p.m. and again after dinner that evening.

WANTED . . . I will buy non-fiction books about Texas, the West and the frontier. Call J. NORMAN HEARD at 3-7636.

### Tech's Army, Air Force ROTC Units To Undergo Annual Federal Inspection

Tech Army and Air Force ROTC units will undergo their annual federal inspection March 19-20, announces college ROTC officials.

The inspection teams are expected to arrive in Lubbock today and will inspect the units Thursday and Friday. The inspection will consist of testing the students' proficiency in classroom subjects, military drill and formal ceremonies. In addition, Army and Air Force instructors will be rated on their proficiency. Administrative and supply records will also be inspected.

Inspecting officers for the Army ROTC will be Lt. Col. Lloyd G. Huggins, infantry, chief inspector; Lt. Col. Howard Rice, artillery; Capt. Thomas H. Collins, infantry; Capt. Robert L. Taylor, infantry; Capt. Randolph Cooper, signal corps; Col. N. H. Ellis, assistant army engineer and chief of troops division, engineering section of the 4th Army, and Maj. H. G. Thompson, chief of ROTC, Texas military district, Austin.

### Engineer Show Plans Set; Event To Be April 24-25

The contract for Engineering Show posters has been let to Dean McCallum, commercial art major from Lubbock. Pictures of the entrances of the new Science and Engineering Buildings will appear on the posters.

All engineering departments are working on projects for the Show, scheduled for April 24 and 25.

Officers in charge of preparations are: general manager, Joe Hastings, Dimmitt senior; assistant general manager, Paul Griffith, Tulia senior; publications, Jay Taylor, Fort Worth senior; assistant publication chairman, John Nolan, Lubbock junior; advertising manager, Emmett Adair, Lubbock senior; assistant advertising manager, James F. Johnson, Lubbock junior; and secretary, Mary Ann Johnson, Dallas freshman.

### Veteran Enrollment Reaches 712; War II, Korean GI's On Campus

Veteran enrollment for the 1953 spring semester reached 712, according to Robert Hoey, assistant registrar.

The total of 223 Korean veterans almost doubles last fall's enrollment of 116. There are 306 World War II veterans and 183 Texas veterans receiving training under the Hazelwood Act.

809 College Phone 2-3171

The inspection team for the Air Force ROTC will consist of Col. Hugh Bledsoe; Lt. Col. O. H. Seats, and Maj. Slyde H. Rogan. These officers are assigned from New York City and will conduct numerous inspections of area ROTC units under the command of the Air University, Montgomery, Ala.

The Air Force officers will be extended an invitation to the annual Air Force Ball to be held Saturday night in the Student Union Building.

There will be a luncheon at the Caprock Hotel tomorrow for the two inspection teams and various college officials.

### 15th Federal Inspection

This is the 15th annual federal inspection for the Army ROTC. The Tech unit is one of the 347 college ROTC units.

The Air Force ROTC will be inspected under the supervision of the Air University for the first time this year. They have previously been under the command of the 14th Air Force. The Air ROTC did not fall under separate command until shortly after World War II.

There will be an inspection of cadets in formation at 3 o'clock tomorrow afternoon and a military review by both Army and Air Force at approximately 4 p.m.

### Scotch-lite Sales To Aid Projects

Alpha Phi Omega, men's service organization, will sell Scotch-lite tape for \$1 in the Administration, Student Union, and Engineering Buildings next week. Booths will be open from 8:30 a.m. to 5 p.m. Monday through Friday.

Half the proceeds will go to Saddle Tramps to help pay for the flash cards used at football games. The balance will be used for the campus projects program carried on by APO.

Scotch-lite, a fluorescent tape, will be sold in 5-foot strips.

### Radio Panel Will Discuss ROTC, Selective Service

Texas Tech ROTC units will present a panel discussion March 31 on "Uncle Sam Goes To College".

The panel, which will answer questions concerning selective service and college ROTC, will be broadcast on radio station KSEL.

Glen Evans, Tahoka, will serve as moderator of the discussion. Panel members are Joel Wilson, Claude; Joe Stoltz, Hobbs, N.M.; Bob McGovern, Lubbock; Don Funk, Chickasha, Okla.; and Diane Wimberly, Gainesville, sponsor of Cadet Company D, Infantry.

### Writing Contest

The College Fiction Contest, sponsored by Mademoiselle magazine, is offering two \$500 first prizes to women undergraduates. Deadline for entering the contest is April 15.

Requirements for entering the contest are: Entrants must be women undergraduates; the story submitted must be between 3,000 and 5,000 words in length; the manuscript must be typewritten, double-spaced, on one side of the paper only, and must be accompanied by a stamped, self-addressed envelope.

In addition, the following information must be included: contestant's name, home address, college address, and college year. The finished manuscript should be sent to: Chicago Fiction Contest, Mademoiselle, 575 Madison Avenue, New York 22, New York.

### Candidates Asked For Rodeo Queen

Nominations are now being accepted from campus clubs wishing to present a candidate for Rodeo Queen of Tech's fourth annual Intercollegiate Rodeo to be held April 30-May 2.

All nominations should be accompanied by a photograph and should be sent to Chuck Sweeney in the Extension Building. Each candidate's name and picture will appear on posters accompanied by penny boxes which will be placed at various spots on the campus. A penny dropped in a box counts as one vote for that candidate.

"The pennies will be counted the night of April 28, and the winner will probably be announced the next day," Sweeney states.

# THE DU PONT DIGEST

## THE ENGINEER'S PLACE IN

# Plant Development

Another phase of Du Pont production activities offers challenging work for the technical man

E. H. Ten Eyck, Jr., B.S. in Ch.E., Syracuse '43, Ph.D. in Ch.E., Brooklyn Polytech '50, and W. H. Stevens, Jr., B.S. in Ch.E., Yale '50, take recordings on a new nylon unit.

D. S. Warner, B.S. in M.E., Purdue '47, and G. R. Prescott, B.S. in Met. E., Columbia '49, discuss improvements for stainless steel liners in tubes carrying corrosive materials.

In most Du Pont manufacturing plants you'll find two groups of engineers working side by side to make operations more efficient—to reduce costs and improve quality. The specialized work of one group, the production supervisors, has been rather fully discussed in the Digest.

Equally vital is the work of development men—the men responsible for advising management when operational changes should be made for economic or technical reasons.

Engineers from several fields of training are employed in development activities at Du Pont. It seems

to have a special appeal for the man who can take on a big problem, analyze its parts, and come up with a thoughtful, reasoned solution.

Individual development studies may begin in a number of different ways. Often they are sparked by the imagination of the engineer himself, who, of course, must be familiar with production costs, activities of competition, and recent or impending technical improvements.

Studies also may be inspired by suggestions of production supervisors or sales personnel, obsolescence of equipment, advances in competi-

John Purdom, B.S. in Ch.E., Ohio State '49, and Kenneth Kehr, North Carolina State '50, discuss diagram of a process for improved recovery of an intermediate for high polymers.

tive products, or the presence of unsatisfactory profit margins.

In a single study, the engineer may draw data from laboratories, semi-works and plant-scale experiments, prepare an estimate of profits and investments and consult with numerous specialists on various phases of the problem, both within the Company and outside.

Having collected data from these many sources and perhaps from an independent study of his own, the plant development engineer must then assemble and evaluate the material and prepare a recommendation that is based on sound engineering judgment.

Whether a product or process improves from the standpoint of competition, profit and efficiency depends, in great degree, on the quality of its plant development work. The development engineer's job is a responsible one at Du Pont, and the work of a good man is soon noticed.

HAVE YOU seen "Chemical Engineers at Du Pont"? New book describes initial opportunities in many fields, tells how experiences are varied to prepare men for administrative and management positions. For copy, write 2521 Neumours Bldg., Wilmington, Delaware.

CHARLES, IT'S YOUR DUTY TO VOTE ---

### Debaters to Meet Cambridge Students

"American Success Owing to Co-education" will be the topic when the Texas Tech debate team meets the British debaters of Cambridge University, next week.

On a month's tour of American colleges and universities, the Cambridge debate team will compete with the Tech team in the Agricultural Engineering Auditorium at 8:15 p.m. Monday.

Donnie Dean, Tech freshman, will compete with Peter John Mansfield, 24, whose birthplace was Ranchi, India. In 1933 he left India for Britain and served in the armed services at Hanover, Germany from 1947 to 1949. Since 1949 he has studied economics at Cambridge.

Thelmaeane Hutchins, senior speech major, will compete with Alistair Hubert Sampson, age 23, who was born in Wimbledon, London. He was commissioned in the Royal Army Educational Corps and holds a degree in history and law.

The debaters are coming here from Tulane University at New Orleans and will go from here to Abilene Christian College.

Students will be admitted on activity tickets, and others will be charged 75 cents.

### Students Receive Sears Awards

Billy G. Taylor of Lubbock, and Dibrell Stowell of Pampa, this week were awarded Sears scholarships for the spring semester, according to Prof. R. L. Chappelle, head of the department of agricultural education and chairman of the Sears Scholarship Committee.

These scholarships are for \$75 per semester. Eligibility to receive one is based on need, promise of leadership, intelligence, personality, and definite agricultural interests. Twelve of these scholarships are awarded to freshmen and one to a sophomore each year.

### Annual PI Club Banquet To Honor Crops Judging Team Members

The Plant Industry Club will hold its annual banquet at the Caprock Hotel at 7:30 p.m. Friday. Members of Tech's winning chops judging teams at the Chicago and Kansas City contests will be presented with medals for their outstanding performance.

Dr. William H. Gordon, Lubbock physician, will speak at the banquet. His topic will be "Are We Living Too Long?"

### 'Mural Schedule

## \$100 Is Offered In Essay Contest, Dr. Camp States

A prize essay contest, open to all junior and senior full-time students who are non-English majors in an accredited American college or university, is being sponsored by College English Association, according to Dr. Truman W. Camp, English department head.

"What English Departments Should Do for Students Not English Majors" is the essay topic. Its length is not to exceed 1,200 words.

First prize is \$100 cash and publication in the CEA Critic. Essays awarded honorable mention will be published in full or in part in the Critic.

Manuscripts must be double-spaced and typewritten. The upper left hand corner of each page should bear the name and address of the author.

Essays, accompanied by statement of English department head that student is a non-English major, full-time junior or senior, must be submitted in a sealed envelope bearing the statement, "My Essay submitted to the CEA Prize Contest 1953," followed by signature of contestant, his address, and the address of his college.

Entries must be postmarked by midnight May 17, and addressed to Executive Secretary, CEA, Box 472, Amherst, Massachusetts.

### Mr. Anderson Leads Seminar

H. A. Anderson, assistant professor of economics, lead the faculty economics club seminar last night. The group met in the home of Archie Leonard, assistant professor of agricultural economics.

When cramming for a test it takes  
A pack or more for me;  
But still my mouth feels clean and fresh—  
They're Lucky Strikes you see!

Arthur A. Leff  
Amherst College

Nothing no, nothing-beats better taste

and **LUCKIES**  
**TASTE BETTER!**

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

**Be Happy—GO LUCKY!**

All round our ivy-covered halls  
You'll hear the students say,  
"For real deep-down enjoyment,  
Get Lucky Strike today!"

Al Cavalari  
Michigan State College

**COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!**  
Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

From coast to coast in campus votes,  
We've found what students like—  
For cleaner, fresher, smoother taste,  
They go for Lucky Strike!

### Air Science and Tactics Department Announces New ROTC Promotions

Air Force ROTC promotions have been announced by the Department of Air Science and Tactics. Special Order No. 8, dated March 2, announces the following promotions:

Commissioned officers—Eddie D. Goetze, Billy E. Tarpley, majors; Ronald D. Smith, Thomas N. Welch, Tommy Boston, Edward A. Daniel, Gerald C. Dallas, Jack C. Worsham, William W. Lovelace, Robert C. Story, Kenneth E. Yancey, Milton I. Christian, Morris W. Turner, captains; J. B. Baker III, R. J. Franks, W. R. Marlowe, B. C. O'Neal, H. D. Rogers, G. T. Knowles, W. D. Meyer, J. D. Spencer, J. L. Rogers, F. A. Story, D. C. Helm, R. N. Hancock, J. N. Mason, B. W. Kirkpatrick, R. L. Warren, C. M. Rae, E. A. Shipman, first lieutenants.

Noncommissioned officers—Cecil A. Dillard, George D. McKim, master sergeants; J. G. Davis, C. B. Hollingsworth, O. J. Praeger, O. J. Sexton, J. B. Wilde, V. D. Hart, D. B. Miller, B. B. Wright, technical sergeants; S. P. Covington, E. C. Blackmon, D. R. Chambers, J. D. Harkey, R. L. Schunder, L. P. Blau, E. T. Fouts, H. W. Standlee, A. C. Keith Jr., L. T. Harvey, B. W. Matson, L. D. Hollingsworth, R. E. Hazelett, J. L. Gray, R. A. Willingham, W. T. Hoelscher, W. L. Jones, O. D. Hart, G. T. Forstner, J. B. Taylor, Albert Purcell, J. A. Taylor, J. W. Thompson, H. E. Rucker, staff sergeants.

### Country Dance Instruction In Gym Through Friday

The Texas Tech Country Dance School will be held today through Friday in the gymnasium. Beginners classes are from 7 to 8:30 p.m. and advanced courses are scheduled from 8:45 to 10:15 p.m.

The Manning Smiths, folk dancing instructors at Texas A&M, will direct the school, which is sponsored by the Major-Minor Club of the physical education department for women. Tickets which are \$2 each, may be purchased at the women's physical education office.

### Three Geology Faculty Members Help Plan New Mexico Field Trip

Three members of the Tech geology department have been invited to assist in arranging a geology field trip for 120 oil company employees May 21-23 in the Sangre de Cristo Mountains of New Mexico.

The assisting Tech geologists are: Dr. R. G. Sidwell, professor and head of the geology department; Dr. L. M. Cline, distinguished professor of geology; and G. F. Warn, assistant professor of geology. They worked on plans for the trip with the Panhandle Geological Society of Amarillo last week at Raton, N. M.

### Article by G. F. Warn Is Published In National "World Oil" Magazine

G. Frederick Warn, assistant professor of geology, is author of an article published in the March issue of the national World Oil magazine. A second installment, entitled "Spraberry Structural Conditions," will appear in the April issue of the magazine.

Mr. Warn's first article explains how operators must understand peculiarities of Spraberry reservoirs in order to handle wells properly.

### Miss Snow Named Chairman

Miss Nelda Snow, instructor of business education and secretarial administration, was elected chairman of the business education section of the West Texas State Teachers Association for 1953-54 at its annual meeting last week end. Her duty as chairman is to plan the sectional program for the 1954 meeting.

### Four Will Attend Journalism Meet

Four representatives of Tech's journalism department will leave by car at 5 a.m. tomorrow for the Southwestern Journalism Congress to be held at the University of Houston Friday and Saturday.

The group will hear lectures by leading journalists, take part in panel discussions pertaining to college publications, and make field trips to Houston radio and TV stations and newspapers.

Those planning to attend include: Doug Crain, Pat Edwards, John Toler, and Mrs. Louise C. Allen, sponsor.

### Education Professors Teach At Night in Nearby Towns

Six Tech education professors are conducting evening courses through the Division of Extension in surrounding South Plains towns.

Dr. John Carroll is instructing in Gail and Sweetwater, Miss Katherine Evans is teaching in Sweetwater; Dr. R. L. Davidson, in Snyder, Spur, and Plainview. Dr. T. B. Livingston is instructing in Lamesa; Dr. Horace Hartsell, in Brownfield; and Dr. George Mechem, in Slaton.

Total enrollment for these classes is 225.

Tech extension courses began in 1927.

### Sick List

Those in the infirmary this week include John Dee Burleson of Sneed Hall and William E. McDaniel Jr., 2323 9th st.

### WANT TO ENTER?

Delta Pi Kappa, national journalism fraternity, is sponsoring its annual "Turtle Trudge" at the University of Detroit April 23-26. For campus organizations wishing to enter turtles in the "Trudge," and a candidate for the Queen contest, more information is available in The Torreador office.

### CHEMISTS TO MEET

A called meeting of American Chemical Society will be held in the Tower Room of the Chemistry Building Tuesday afternoon at 5. announces James Powell, president. Plans for the Engineering Show will be discussed. Every member is urged to attend.

# Reds Will Battle Whites In Annual Spring Game

Jerry Johnson of Hale Center and Jack Kirkpatrick of Post will be starting quarterbacks in Tech's Red Raider Round-Up intra-squad game in Jones Stadium Friday night.

Rounding out the Whites' starting backfield besides Johnson, will be halfbacks Norman Janes of Lubbock and Bobby Cavazos of Kingsville and Fullback James Sides of Lubbock.

The Red backfield will have Don Lewis of Quitaque and Don Douglass of Corpus Christi at halves and Rick Spinks of Kermit at fullback. Kirkpatrick will quarterback this squad.

In the White line are Dean White of Lubbock and Vic Spooner of Colquitt, Ga., at ends; Earl Leggett of Jacksonville, Fla., and Arlen Wesley of Littlefield, tackles; Hartsell Haws and Bobby Hunt, both of Altus, Okla., guards; and Billy Ricketts of Thomasville, Ala., center.

Red linemen include Ends Paul Ervin of Odessa and Harold Spraggins of West Point, Ga., Tackles Jimmy Williams of Phillips and Jerry Walker of Pampa; Guards Don Gray of Breckenridge and Bobby Lambert of Nixon, and Center Don Funk of Chickasha, Okla. Gray and Spooner will captain the two elevens.

The contest is slated for 8 p.m. Friday, and will climax the Raider spring training program.

## Fencers Capture Individual Wins

Tech's fencing teams captured three firsts and two second places in individual foil competition at a tournament in Denton Saturday, but lost two team contests to TSCW and to Dallas YMCA.

TSCW beat the Raider team 5-1, while the Dallas squad won 5-0.

Zoe Merriman of Tech took first place in Women's Novice Foil and in Women's Junior Foil, while Wanda Linam, also of Tech, took fourth.

In men's individual play, Jack Carnell of Tech took first place in Intermediate Foil, with Roddie Hobson finishing second.

## West Texas Relays Next Stop For Tech Tracksters

Tech's track squad, after making a successful showing in Fort Worth a couple of weeks ago, will enter the West Texas relays in Odessa Saturday afternoon.

Expected to compete for the Raiders are: 440 relay—Herr, Covey, Farrell, and Fairley

880—Herr, Covey, Farrell, Fairley

1200 high hurdles—Farrell

100 yard dash—Fairley, Herr

High jump—Jones, Reed

Broad jump—Covey, Jones

## Rough Scrimmage Ends Grid Clinic

A rough and rugged Raider intra-squad scrimmage in Jones Stadium Saturday evening closed Tech's third annual coaching clinic—a two day affair attended by 181 coaches representing 65 cities in West Texas, New Mexico, and Oklahoma.

The clinic, opening at 1:45 p.m. Friday, featured lectures by J. O. (Buddy) Brothers, former Tulsa coach, and C. R. (Pat) Pattison, Lubbock High School mentor.

Brothers explained to the note-taking coaches his running offense system that surged Tulsa to the top in offense for three consecutive seasons.

Coach Pattison spoke on Lubbock High School's offense, explaining how the system of the 1951 and 1952 state champs operated.

Additional talks were given by Tech football coaches Buzz Warren, Wyatt Posey, and Bob Kellogg. Basketball Coach Polk Robinson lectured on his specialty, and Track Coach Landon Westbrook spoke on training and treatment of injuries.

The hard, spirited Raider scrimmage which wound up the affair resulted in several injuries. Carl Madison broke a shoulder bone; Bobby Cavazos received a sprained ankle; Harold Spraggins lost part of a tooth, and Sides received a knee injury.

The Raider offense seemed to be farther advanced than it was at this time last year. The backs were hitting the line hard and frequently breaking into the secondary Lewis, Spinks, Sides, and Burke were all getting good gains.

Tackle Jerry Walker was probably the outstanding lineman on the field, with Center Billy Ricketts and Tackle Earl Leggett also turning in good performances.

### FIVE ARE INITIATED

Los Camaradas, men's social club, recently initiated five members. They are Charles Bowen, J. L. Garrison, Glen Rose, Tommie Seale, and Ed Swenson.

## 'Mural Tourney Starts This Week

The All-College Basketball Tourney got started this week with three games scheduled. The results were not in for the contests between BSU and Sneed East, AU and Kemas, and College Club and Rangers. The other first round game is between Sneed Trotters and Wranglers, March 24 at 7 p.m.

The winners and runners-up of each league were taken for the play-offs. In two leagues there were two teams tied for second, therefore, both teams were included in the playoff.

Representing the Independent League is BSU, first, AU and Rangers, tied for second; MCCC Loop, Wranglers, first, Kemas and College Club, tied for second; Dorm League, Sneed Trotters, first, Sneed East, runner-up.

Semi-final contests are slated March 24 and 25, with the championship game carded for 7 p.m., March 26.

## Four Loops Start 'Mural Softball

Intramural softball got off to a fast start with 25 teams competing in four leagues. The loop winners will meet around the last of April in a playoff to decide the all-college champion. All leagues will play a single round robin.

All games are played on the diamonds behind the gym at 5 p.m.

The Aggie League has five members: Block and Bridle, FFA, Fresh and Soph., DM Club, and PL.

There will be seven teams in the Independent League: Architects, Rebels, Blue Angels, Steers, Wesley Wildcats, BSU Bums, and 4 F's.

MCCC will have eight: Adelphi, Centaur, College Club, Kemas, Los Camas, Silver Keys, Soci, and Wranglers.

The five teams making up the Dorm League are: Bledsoe, Doak, Gordon, Sneed East, and Sneed West.

# Annual Meeting of Texas Librarians To Be Held in Lubbock April 15-18

Approximately 450 librarians are expected for the 40th annual meeting of the Texas Library Association April 15-18 at the Hotel Lubbock, according to J. N. Heard, Tech order librarian.

The convention will be held in conjunction with the meeting of the first West Texas Adult Education Conference. Members of both groups will attend some of the library sessions.

The theme of this year's convention, "The Role of the Library in the Community," will be of particular interest to Lubbock citizens because of the recent development in regard to the long-delayed construction of a local public library.

Arrangements have been made for a group of outstanding librarians, educators, and writers to address the convention's various sessions.

### The Library and Community

Miss S. Janice Kee, executive secretary of the Public Libraries Division of the American Library Association, will speak Wednesday morning, April 15, on "The Library in the Community." In the afternoon, she will preside in an open forum discussion of library problems.

The first general session will present the keynote address by R. J. Blakely, manager of the Central Region Office of the Fund for Adult Education.

A model panel consisting of Miss Kee; Mr. Blakely; Mrs. Joe Haddon, Amarillo District Chairman of the Friends of Texas Libraries; Walter E. Long, former manager of the Austin Chamber of Commerce; Mrs. J.W. Agee, librarian of Del Mar College; and R. C. Janeway, Tech librarian, will at 8 p.m. during the second general session, discuss the library's role in the community.

### Divisional Meeting Friday

Friday morning will be devoted to divisional meetings. Those attending the meeting of the Division of Archives and State and Local History will hear talks by Witt B. Harwell of the Texas State Library, Miss Helen Humnicut of the University of Texas Library, Seymour V. Connor of the Panhandle Plains Museum and Ben G. O'Neal of Wichita Falls. Lewis Nordyke, author of many articles and books dealing with the Southwest, will address the Children's Librarians Division. The subject will be "The Writer and the Librarian."

The Friends of Texas Libraries luncheon will be held Friday. Among the outstanding librarians who will speak at the luncheon are Thomas J. Gibson III, Texas state librarian; C. Lamar Wallis, president of the Texas Library Association; and David H. Clift, executive secretary of the American Library Association.

### Geology Club Sees Movies

Three sound movies were shown to the Geology Club Monday night. The movies were: "Birth of an Oil Field," "Prospecting for Oil," and "10,000 Feet Deep."

# HE Open House Scheduled in April

Dates of the Home Economics Open House are April 24 and 25 instead of March 24 and 25 as stated in last week's Toreador.

Theme for the event will be revealed at a meeting of the seminar class of senior home economics majors at 4 p.m. today. It was chosen at a meeting of the Home Economics Club Council Tuesday.

The chairman, co-chairmen and faculty advisors of all the committees for Open House are scheduled to meet at 5 p.m. Friday in H105. Patti Pipkin, Open House chairman, will present the budget for the event at this meeting.

Student committee chairmen and faculty advisors for the event are: Marvel Gibner and Dr. Geraldine Clewell, hostess committee; Henri Vaughn and Mrs. Winnifred Gifford, registration; Sarah Mickey and Mrs. Edna Buster, guides; Lena Schmidt and Mrs. Ethel Beidler, program; Mona Ray Powell and Mrs. Troy Lockard, posters; Carol Jean Sandlin and Dr. Mina W. Lamb, publicity; and Mollie Jordan and Mrs. Vivian Adams, invitations.

Departmental chairmen and faculty advisors are: Pat Dossier and Miss Martye Poindexter, applied arts; Jan Edwards and Miss Sannie Callan, child development and family relations; LeNell Enochs and Mrs. Jonnie Michie, foods and nutrition; Juanita Davis and Mrs. Vivian Adams, home economics education; Shirley Waterstreet and Miss Marie Drew, home management; and Alberta Curry and Miss Mabel Erwin, clothing and textiles.

# Collegiate Rodeo Dates Announced

College rodeo for 1953 opens March 27 at the University of Houston, announces the National Intercollegiate Rodeo Association from Abilene.

The two-day event in Houston will be the first of thirteen approved rodeos preceding the NIRA championship on May 14. Approximately 20 rodeo teams from four states are expected to participate. It will be held at Hardin-Simmons University.

Collegiate cowboys compete in six major events: calf and ribbon roping, bareback and saddle bronc riding, bulldogging and wild Brahman bull riding. Champions are selected in each, in addition to a team champion and best all-round cowboy.

Sul Ross will defend its 1952 team championship title.

**Dr. C. Earl Hildreth**  
OPTOMETRIST  
DIAL 2-4828  
Broadway and College

### Techniques Demonstration

Dr. Per G. Stensland, director of Tech's Adult Education Program, will conduct a strategy session on the techniques employed in leading and recording group discussions Friday afternoon at 2 o'clock. Jack Spear, director of the American Heritage Project, will present a film and tape recording to demonstrate techniques employed in carrying out the project. A panel of Berger and Lubbock citizens will discuss objectives of the American Heritage Project as reflected in the foregoing demonstration. Presiding over the third demonstration will be Mrs. H. F. Godeke, chairman of the Lubbock Library Board. The demonstration will be centered around a panel discussion of what community groups expect from the library.

In keeping with Lubbock's western tradition, a chuckwagon dinner and square dance will be held at the O. L. Slaton Junior High School Friday evening.

One highlight of Saturday's morning program will be an address by Miss Nettie Lee Benson, librarian of the University of Texas Latin-American Collection. She will discuss Latin-American libraries at the meeting of the Special Libraries Division. At the third general session, R. S. Blakeley will present a summary of group discussions regarding the role of the library in the community.

During the convention, dinners will be held for students and graduates of the library schools of the University of Texas and Texas State College for Women.

The convention will be open to anyone who is interested in libraries. Registration fee is \$1.

### Tech Institute of Finance Selects Its New Officers

Hayes Tucker was named president of the Tech Institute of Finance in an election held recently. Ed Weyman was chosen vice-president.

## the toreador

THE TOREADOR, student newspaper of Texas Technological College is published every Tuesday and Friday on the campus at Lubbock by the associated students of the College.

# BURL HUBBARD

## Familiar Figure to Tech Dancers Tells Story of Childhood, College Days

By SUE FINDT  
Toreador Staff Writer

The ballroom of the Student Union Building was officially opened last week by Burl Hubbard and his orchestra as they played for the weekly Twi-Lite dance.

"The opening of the Union Building represents a new era of campus activity in which there will be more student participation," says Mr. Hubbard.

### Played Piano

Burl Hubbard, assistant professor of business administration, has been "making music" since he was seven years old. At seven he played the piano, but now plays the bass fiddle, as a result of a post-war shortage of bass players.

While a student in Texas Tech Mr. Hubbard paid his expenses by playing in a band composed of a group of college students and operated on a co-operative ownership basis. He married his junior high school sweetheart in 1944 and graduated from Tech in 1947 since which time he has been associated with the Tech faculty.

He received his Master's Degree from Oklahoma University in 1949 and is now writing his dissertation for his Doctor's Degree from Ohio State University.

His 10-piece orchestra has been known on campus since 1947. They originated the Rec Hall dances in the spring of that year. Forty-five college dances per semester are the average run for the orchestra and these dances constitute 80 per cent of the playing they normally do.

Mr. Hubbard believes last week

will go down in history because it rained and the Union Building opened.

### Businessmen Players

All members of the orchestra except one are professional businessmen and they earn \$60 to \$300 a month playing as a hobby. These men have an average of 10 years musical experience each and have a total of 103 years experience.

The first number of the dancing program was "Southern Fry," a perennial favorite first introduced on Tech campus by Ned Bradley in 1936. The entire program was broadcast over station KTTX.

The dances are held in the Student Union Building from 8:30 to 8:30 in Tuesday nights. Alternating playing with them is K. Carter and his orchestra.

### Former Engineering Professor Speaks to Tech's ASCE Group

E. D. Middleton spoke on "Relations Between Engineers and Contractors" recently at the American Society of Civil Engineers.
