### McGehee to Seek Gator Bowl Title

Bette Jane McGehee has been named to represent Tech in the contest for a queen of the Gator Bowl football game to be played New Year's Day in Jacksonville, Fla.

Miss McGehee was selected from 17 candidates by the Student Council. She is the daughter of Mr. and Mrs. D. K. McGehee of Canyon and is a transfer from West Texas State College, where she was chosen football queen and cheerleader during her freshman year. She is a sophomore home economics major and a member of Pi Beta Phi.

Miss McGehee will compete with entrants from eight southern schools. The queen will be selected during the Gator Bowl Basketball Tournament Dec. 28-29. The winner will receive a \$1,000 diamond ring, a television set and a \$100 evening gown. Her expenses will be paid while in Jacksonville.

### DORM OPENING

Dean of Men Lewis Jones announced Tuesday that because of the extra day added to the Christmas holidays the dorms will remain closed until noon on Jan. 4.

He added that room and board for the month of January will be reduced to \$58.55.

### TO RE-TAKE PICTURES

A representative of each club on campus is asked by Ted Harrison, La Ventana editor, to attend a meeting at 7:30 p.m. tonight in J206.

The meeting is for the purpose of scheduling appointments by clubs to have group pictures for the annual taken again. Photographs previously taken were not of the quality required. This time the groups will be photographed in the Journalism Building under studio conditions.

### COUNCIL MAY BROADCAST

Plans for broadcasting its meetings over KITTC, Tech radio station, were discussed by the Student Council Monday night. Such a plan would give students a chance to learn how the Council operates and the manner in which it conducts business.

Other business included: Approval of a request by the Lubbock Marine Corps Reserve to place barrels on the campus for the "Toys for Tots" campaign, to collect toys for needy children; and permission for Panhellenic to place barrels on the circle for food collection. Panhellenic will have the co-operation of Forum, Junior Council and AWS in its food collection drive this year.

### CAR POOL

Forum, service organization for senior women, will set up a car pool to take down girls who do not have a way to the Artistic Course program Dec. 16 at Lubbock Senior High Auditorium.

### Spooner Named 'Most Handsome Man' By Audience at Theta Sig's Club Scarlet

Vic Spooner, Red Raider captain from Colquitt, Ga., was elected Tech's Most Handsome Man by 289 Techsans at the annual Club Scarlet Saturday night.

Spooner was presented an after-shave kit by Linda Hudson, program chairman. Dee Bowman, master of ceremonies, received a carton of cigarettes. The Harmon-Knights, sponsored by the music department, were awarded the prize for the best act, determined by audience applause.

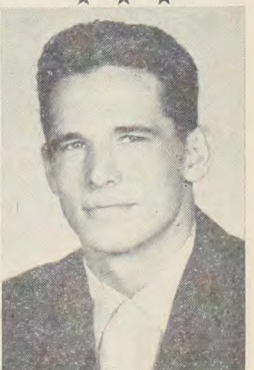

Other acts in the floor show and their sponsors were: Red Raider style show, freshman class; pantomime by David Pool, Alpha Phi Omega; New Orleans night club, by Alpha Chi Omega; can-can, Kappa Kappa Gamma.

Puppet show, Zeta Tau Alpha; "Tumult Among the Tombstones," Kappa Alpha Theta; tap dance by Margaret Williams, Knapp Hall; "Flynet," Sigma Alpha Epsilon; and a take-off on the Handsome Man contest, Pi Beta Phi.

Spooner won the Most Handsome Man contest with 67 votes. Other finalists were: Don Lewis, Quitaque senior, 62 votes; Buddy Hill, Lubbock freshman, 50; Paul Stuart, Lubbock senior, 43; Tommy Morris, Odessa sophomore, 32; Ben Wilson, Lubbock senior, 28; and Decker McKim, Lubbock senior,

7. McKim was out of town for a basketball tournament and was unable to be present at the voting.

Club Scarlet is a mock night club sponsored by Theta Sigma Phi, honorary fraternity for women in journalism.

# THE CAT'S MEOW

By PHYLLIS MARTIN  
Toreador Society Editor

In case this bit of news hasn't rocked the campus yet, I'll start out with a bang by telling you that Jim Farrell and Revis Gilbert are "going steady." That's good and congratulations! Other couples frating around are: Jimmy McClatchy, Olene Pittman; Shirley Harrison, Gary Johnson; Carolyn Pope, Don Hamill; Jimmy Johnson, Pat Garrett; Barton Massey, Evangeline Garza; Wesley Hopper, Sue Heffy; Arlen Wesley, Judi LeFever; Jeff Dulancy, Nancy Wier.

Which brings to mind a joke! One boy said to his girl, "So help me, I'll kiss you." She answered, "So kiss me, I'll help you." What's the first thing a girl hears as soon as she is first able to hear? It is her mother cooing, "One day you'll get married—you'll get married—married, for heaven's sake, get married already yet will ya!" That's a bugaboo, isn't it? Anyway Patsy Holley and Ray Marsh have planned their wedding for this month. To coin a phrase, "I do!"

Lost and Found: A woman's wrist watch has been found in front of Horn Hall. If you wish to claim the watch as your own, see Mrs. Eikel.

Other frequent daters are: Johnny Meyers, Ann Heatly; Allan Tomlinson, Dana Stamper; Jeannine Brown, Clyde Hollingsworth; Jane Hicks, Jimmy Conline; Lola Peticolas, Ken Gilbert; Don White, Sally Waghenor; Joe Guy Smith, Jeri Anglin; Elmer Wilson, Patty Pison; Jim Davis, Mary Gristy; Carolyn Fritchman, Billy Jack Frealy.

This bit of hogwash is a compliment to female fancy. "I know lots of girls who are looking for boys with blue eyes and green backs."

Congratulations to Miss Bette Jane McGehee on being selected as a candidate to represent Tech at the Gator Bowl Game. Bette Jane, Pi Beta Phi, is a home economics major from Canyon. She is a sophomore and a transfer from West Texas State College. A tactful greeting that we shall

pass on is, "You're looking good today, Joe. Who's your emblem?"

Bing Crosby's little boy was feeling very sad. His pet turtle was dying. Bing tried to console him, and said, "Look son, if the turtle dies, do you know what we'll do? We'll put him in a box, get all the kids together, put on fancy uniforms, get a bugle, march down the street in a parade and bury him in the back yard." The boy listened carefully, hesitated, and then said, "Let's kill him."

Did you know that the more you laugh the better your personality is? While you laugh you can't get ulcers. (Some of you may be reading this too late.)

At this point in the article I'll stop writing. I, too, have become nauseated.

# Jr. Council Holds Initiation Services

Three women were initiated into Junior Council, honorary service organization for junior women, at a candlelight service Monday night in the Student Union Building.

New members, their hometowns and majors are: Martha Blankenship, Morse, home economics education; Martha Hobgood, Lubbock, journalism; Shirley Massey, Odessa, English.

## PHI DELTA OFFICERS

Dick McGuire recently was elected president of Phi Delta Theta for the spring semester.

Other officers included: Carl Ince, vice president and reporter; Royal Hagerty, secretary; Melvin Deardriff, treasurer; John Thompson, warden; Buddy Moreman, historian; Danny Owen, courtesy secretary; James Hall, alumni secretary; Decker McKim, social chairman; Jerry Brown, scholarship chairman; Dick McCollum, choral director; Dick Cobb, chaplain; Reg Martin, house director.

BACKTALK

DEAR EDITOR: I see in the latest Toreador that entries are being accepted for the La Ventana Beauty contest and that a bevy of hopeful coeds have responded.

At the lowerclassmen rate of thirty-two per page, they would occupy 13 pages—only one more than that required by the multiple poses of six beauty queens.

But it is not my point to argue the enlargement of the sports section in favor of brawn and athletic skill over beauty. At least a fourth of the sports pages are snaps of football pile-ups in which hardly a single individual can be recognized.

Three of five sessions of the 11th annual band clinic will be held in the Music Building Friday and Saturday. The clinic will be sponsored jointly by Tech and Lubbock Public Schools.

Pop Music Is First Choice On Campus Radio Survey

Recordings of popular music are the favorite radio programs of student listeners, according to a recent survey made by the campus radio station, KTTC. The survey was made in the Student Union Building and dormitories, says W. Ferron Halverson, faculty adviser.

Two members of the Arnold Air Society will fly to Washington, D. C., to attend a national organizational meeting of the air society Dec. 29 and 30.

Traveling is also traditional with the family. Since Capt. Leach entered the Air Force in 1937, they have lived in 33 states and traveled through the remainder of the 48.

Tech Is Popular With The Leaches

Attending Tech is a family tradition with the J. L. Leaches. Mrs. Many E. Leach of Lubbock is a senior majoring in business education and her daughter, Patricia Ann, is a second-term freshman majoring in pre-med.

### Block & Bridle To Hold Saturday Show; 101 Are Entered in 'Little International'

A "milkmaid" contest will enliven proceedings at Tech's sixth annual Little International Show Saturday. This specialty act will be presented for the first time and will be held about 3 o'clock in the afternoon.

The 101 entries in the show constitute the largest group of participants in the history of the event, sponsored by the Block and Bridle Club.

Judging will be held in the Livestock Judging Pavilion. Members of Tech's national championship livestock judging team will be superintendents for the five divisions in the show.

The superintendents, senior animal husbandry majors, are: Carl Williams, Hermleigh, general superintendant; Billy Jones, Mercury,

boef cattle; Fred Willis, Odessa, sheep; Lewis Eliau, Booker, hogs; Carl Menzies, Menard, horses; and Dale Hoover, Perryton, dairy cattle.

Raymond L. Knight, former member of Block and Bridle who is with Lubbock Cotton Oil Company will be judge.

Ribbons will be presented to the first five places in each class. A large rosette will be presented to the winner of each division, and banners will be presented the champion and reserve champion showmen of the contest.

Refreshments will be available at the show and the public is invited.

Following the contest, Block and Bridle will hold a "Days of '49" party at 8 p.m. in the agricultural engineering shed. The party is open to all college students. Admission is \$1.50.

#### BRIDGE INSTRUCTION

If you are a bridge enthusiast you may take advantage of the duplicate bridge instruction which will be offered 6:30 p.m. Monday in the Union by Mrs. Wesley Collier, a member of the Lubbock Bridge Club.

Tech is one of more than 600 schools throughout the United States invited to compete in the 1954 National Intercollegiate Tournament.

### Companies Honor Barfield, Moore

Edward C. Barfield, McCamey junior, has received the Standard Oil Company of Texas \$500 scholarship and Clarence Moore, Morton senior, has been presented the Sacony Vacuum scholarship of \$750. Dysart E. Holcomb, dean of engineering announces.

Barfield, petroleum engineering major and a war veteran, maintained a 2.55 average this semester and Moore has a 2.4 average covering a three-year period.

While attending Everett Junior College, Washington, Barfield was a member of the varsity golf team. He is assistant manager of the Engineering Show, a member of the American Institute of Mining and Metallurgical Engineers, vice president of Pi Epsilon Tau, honorary petroleum engineering fraternity and a member of Tau Beta Pi, honorary engineering fraternity.

Moore, civil engineering senior, is a member of the American Society of Civil Engineers, Tau Beta Pi, Kappa Mu Epsilon, honorary mathematics fraternity and the Engineering Society.

This is the second Standard Oil scholarship awarded a Tech student and the first of the Sacony Vacuum scholarships. They will be continued next year.

### Cast Announced For Speech Plays

Casts for two one-act plays to be presented by the speech department the week of Jan. 11 were announced recently by Ronald Schultz, director.

"A Phoenix Too Frequent," by Christopher Fry, young British playwright, will be the major play of the two. Members of the cast include: Gayle Ewing, freshman, and Lavoy Berry, senior, as Dyanne; John Perry, junior, as Tegeus, the corporal; Betty Doris Hamilton, sophomore, as Doto, the serving woman.

"Red Peppers," a short play from the series "Tonight at 8:30" by Noel Coward, will be used as a curtain raiser. Noel Coward and Gertrude Lawrence originally played in it in London.

Players for "Red Peppers" are: Hardy McNew, senior, George; Nancy McKissack, junior, Lily; Hal Bynum, freshman, Alf; Jack Pruitt, sophomore, Mr. Edwards; Myrna Wilson, freshman, Mabel Grace. The role of Bert will be filled at a later date.

Students interested in working on the production staff for these plays may contact Mr. Schulz in the Speech Building or Theatre Workshop as soon as possible.

### Military Fraternity To Install Chapter

Texas Tech Military Association, a group of senior ROTC cadets, will become a chapter of Scabbard and Blade in January. Maj. T. S. Crocker, executive officer of the national military fraternity, will establish the chapter here. Exact installation date has not been set.

Officers of the Tech association, which has 27 members, recently were informed that their petition for membership, submitted last month, had been approved by national officers of Scabbard and Blade.

Officers of Tech's association are: Jay Eddy, president; Evertette Abernathie, vice president; Robert Leach, secretary; Charles Maple, reporter.

Members of the organization are: Bernard Beck, Roy Beckman, James Broderick, Roy Bryant, Robert Cavazos, Dudley Coleman, William Cobb, Harold Fox, Ernest Grote, Adrian Hill, Arch March, James McGee, Martin Meissner, Edmund Noakes, John Noland, Rex Phillips, Herbert Seigler, Wayne Teague, Jacob Watson, James White, John Whitfield, Hector Wood and L. O. Woodward, Jr.

#### INTERVIEWS SET

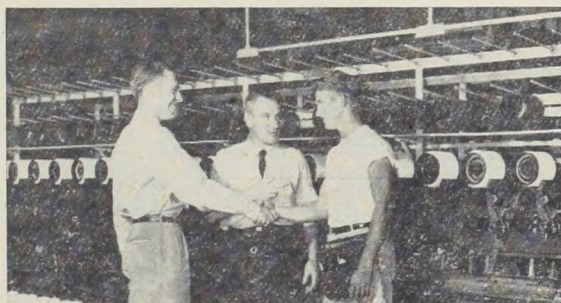

Representatives from three employers will interview 1954 graduates in the Engineering Division on campus next week.

Men from Phillips Petroleum Company and the Los Angeles Civil Service Commission will be here Tuesday. Houston Lighting and Power Company will interview prospective employees Thursday.

## THE DU PONT DIGEST

### Production Supervision

Requires Knowledge of Materials, Machines, and Men

Wm W. Kinsley, M.S. in M.E., Penn. State 1949 (left), production supervisor in Du Pont textile fiber plant, is introduced to new operator by foreman.

Keeping production rolling in a modern industrial plant is a job that appeals to men trained in many branches of science and engineering. If you are looking for opportunities in this field, you won't have to look far at Du Pont, where more than 1,500 members of the technical staff are engaged in production supervision.

To qualify, a man must be able to understand both the mechanical and chemical phases of production. In addition, he should be a good planner and, above all, have a knack for working with others.

Production supervisors are responsible for care of plant facilities, supply of raw materials, supervision of operation and maintenance, cost and shipment of finished products, as well

as personnel relations, training and safety.

Since Du Pont makes over 1,200 products and product lines, it can offer many opportunities in a wide variety of operations to men interested in production supervision. In Du Pont's Organic Chemicals Department, for example, most technical men start in plant development groups, where they gain a background in both the technical and economic aspects of manufacture. Those with interests and abilities in production may then transfer to that field to acquire further, and more detailed, experience. Advancement leads to jobs as Building Supervisor, Senior and Chief Supervisors, and Superintendent.

The responsibilities of these supervisory levels vary, depending upon

George B. Bradshaw, Jr., B.S. Ch. E., M.I.T., Asst. Supt., inspects a unit used in ammonia synthesis operation.

the men, the operation, and the products.

For example, in manufacturing dyes, up to 50 different operations may be carried out. Production and maintenance must be carefully planned and scheduled so that all needs for finished product are met. Temperature, pressure, and quality of reactants must be carefully controlled to insure that each batch of dye will match previous batches exactly.

In making each color, from 6 to 10 different unit processes may be called upon. And, in the course of time, all the unit operations known to chemical engineering come into play. Obviously, production supervisors have excellent opportunities to use and expand their technical knowledge and ingenuity. Equally important, they can acquire background and varied experience that prepare them for advancement to responsible positions in management and administration.

### Tech Artists Course Program to Offer De Mille Dance Theatre on Wednesday

The Agnes de Mille Dance Theatre, organized by the noted choreographer and by S. Hurok, the impresario, will appear at 8 p.m. Wednesday in the Lubbock High School Auditorium. Presentation is by the Tech Artists Course.

Presenting a repertoire ranging from Bach to Broadway, the company of dancers, singers and instrumentalists is currently on its initial six-month tour of more than 100 U.S. and Canadian cities.

Heading the company as leading dancers are: James Mitchell of musicals and movies; Gemze de Lappe, ballerina; Lidija Erankin; and Danny Daniels, for whom Morton Gould composed his "Concerto for Tap Dance and Orchestra."

Other featured dancers are: Virginia Bosler; James Jamieson and Bunty Kelley of the London company; Casimir Kocik; Evelyn Taylor; and Dusty Worrall. Rufus Smith, baritone, and Ramonda Orselli, soprano, are the leading singers.

The Dance Theatre has been in preparation since 1948, when Hurok and Miss de Mille began to lay plans for a unique company that would place equal stress on dance and theatre.

The troupe differs from usual

## Raiders Will Play Seventh Post-Season Game Jan. 1 With Auburn's Plainsmen in Gator Bowl

When Tech meets the Plainsmen of Auburn in the Gator Bowl at Jacksonville Jan. 1, it will mark the seventh appearance for the Raiders in a post-season game.

It will be the fourth separate bowl for the Raiders, who have appeared previously four times in the Sun Bowl and once in the Cotton and Raisin Bowls. They have only one victory in Post-season contests, the 1952 Sun Bowl game.

**Mountaineers Defeat Tech**  
In 1938, Pete Cawthon's Mountaineers played their first post-season game, losing to the Mountaineers of West Virginia 7-6 in the Sun Bowl at El Paso.

A definite break in the game early in the second quarter gave the gold-jerseyed mining lads their initial scoring opportunity.

**Fumble Sets Up Score**  
Tech's halfback, "Bubbles" Gene Barnett, fielded a West Virginia boot on the goal line and brought it out to the four. On the next play Barnett was hit hard and fumbled and the Mountaineers recovered. West Virginia scored four plays later and kicked the extra point which proved to be the winning margin.

Tech's score came in the second quarter as Elmer Tarbox, Babe Curfman, Charley Calhoun and Ed Smith alternated to move the ball 99 yards down the field for the tally. Tom Neeley's attempted conversion was blocked. Approximately 13,000 fans watched the game.

**St. Mary Wins Cotton Bowl**  
St. Mary's Galloping Gaels of California knocked off the Raiders 20-13 in the 1939 Cotton Bowl game. The game was a climax to Tech's first and only undefeated and untied season.

The Gaels held Tech scoreless for three quarters while piling up a 20-0 margin. Tech came alive in the final stanza which left the spectators breathless to score two touchdowns.

**Tarbox Scores**  
Barnett passed to Tarbox for the first tally for the Raiders. Jodie Marek converted. The second Tech touchdown also came on a pass. With fourth down on the goal 31, E. J. McKnight gathered in a pass on the one and scored standing up. The conversion attempt was no good and time ran out on the battling Raiders.

**Tech Loses To Tulsa**  
With 12,000 fans rooting for both sides, Tulsa's Golden Hurricane defeated the Raiders 6-0 in the 1942 Sun Bowl. The game was a scoreless contest until the final minutes of the last quarter when Tulsa's great star Glen Dobbs passed for the only score.

Tech's J. R. Callahan tried a 15-yard field goal in the second quarter that missed by inches. Another

Raider threat got as far as the Tulsa 29 before bogging down.

Co-capt. Tyrus Bain of Tech was voted the "most valuable player of the Sun Bowl tilt" in this game.

**Sun Bowl Spells Another Defeat**  
Tech and Miami of Ohio played in the 1948 Sun Bowl game, with the Ohio boys coming out on top 13-12.

The Redskins took the lead midway of the first period following a 70-yard sustained drive. The attempted conversion was blocked by Dan Pursel.

**Conley Scores**  
Cal Stevenson set the stage for the first Raider score when he took a punt on the Tech 40 and ran to the Miami 27. James Conley took a shovel pass and ran to the seven for a first down. Two plays later he scored. The extra point was wide.

Miami blocked a punt on the Raider 17 which set up its second score. The Redskins converted for the winning point.

Tech's second tally came when Bernie Winkler intercepted a Redskins pass on his own 35 and went all the way for the score. Freddie Brown's conversion attempt was blocked and Tech absorbed its fourth loss.

**Played In Fog**  
In 1950, the Raiders journeyed to Fresno, Calif., and played the San Jose Spartans in the Raisin Bowl. The Spartans handed the Raiders their fifth post-season defeat 20-13.

In pea-soup fog that got thicker by the minute, the Raiders scored first as Tim Hatch bucked over from the one. The extra point try was good and Tech led 7-0 in the first quarter.

The Spartans tied it up in the second quarter and the half ended 7-7.

**San Jose Scores Twice**  
San Jose scored twice more to take a 20-7 lead before the Raiders came alive. A bit of daring gave the Raiders their second tally. With fourth down and needing five for a first deep in his own territory, Ike Stuver ran 76 yards for the touchdown. The point after attempt was no good.

**Raiders Win '52**  
The Raiders finally broke the post-season drought in 1952 when they defeated College of Pacific 25-14 in the Sun Bowl.

It took the Raiders three plays to go 63 yards for the first touchdown in the first quarter. Jim Turner started it with 14 yards, Bobby Cavazos added 10, and Turner went 39 more for the score.

COP tied the score later in the same period but Tech came back after the kick-off to take the lead for good.

**Three TD's Scored**  
Jerry Johnson passed to Lewis Crossley for the second score; Junior Arterburn scored the third one; Sandy Welton went around right end from 11 yard out for the final six points.

The Tigers scored their final touchdown late in the second quarter.

**Second Chance**  
Jan. 1, the Raiders will get a chance to win their second post-season game. The record of five straight defeats was broken in the last bowl game. Who knows? Maybe a winning streak has been started.

### Red Raiders Begin Preparation For Gator Clash New Year's Day

Tech's Red Raiders resumed training yesterday for their Jan. 1 Gator Bowl engagement with Auburn.

The squad had been excused from practice since their 46-12 victory over Hardin-Simmons Nov. 28.

The Raiders will workout through Dec. 22 and then leave for the Christmas holidays.

A chartered Braniff plane will leave Lubbock with the players on the morning of Dec. 26. They will arrive at Ponte Vedra Inlet that afternoon. The team will practice at Duncan U. Fletcher High School field in nearby Jacksonville Beach.

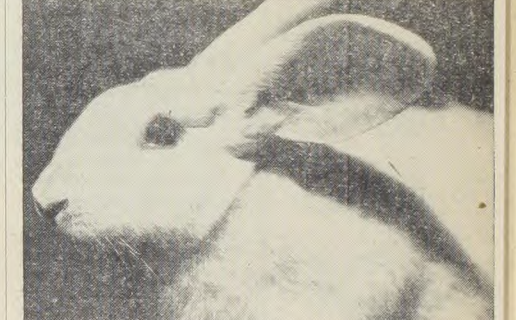

The Tech athletic department is busy filling orders as tickets are going rapidly.

## Kappa Sig Defeats Pi Kappa For 'Mural League Title

Kappa Sigma defeated Pi Kappa Alpha 1-0 in an overtime touch football game for the championship of the intramural Fraternity League.

Kappa Sig won the game when Gene Steel caught a 3-yard pass from Fulton Smith.

The Chowhounds, winners of the Independent League, will meet Kappa Sig in the first round of the playoff which will determine the championship of the three leagues.

Doak Hall, winner of the Dormitory League, drew a bye and will meet the winners of Kappa Sig-Chowhound game.

## Texas U. May Ask SWC To Consider Tech's Name

Tech is expected to have its name submitted again for membership in the Southwest Conference when the conference holds its winter meeting this weekend at Dallas, according to a story released by the Associated Press.

It is expected that Texas University may once more submit Tech's name for membership as it did in the spring meeting.

At that time both Tech and Oklahoma University were submitted, neither receiving the necessary five ballots. Oklahoma has since stated that it is happy in its own conference.

## Tech Cagers In Tourney; Four Teams To Participate

Texas Tech's basketball team will compete in a four-team tournament at Snyder tomorrow and Saturday. Other teams entered are McMurry, North Texas and Howard Payne.

The Raiders won three out of four games during the opening week, averaging 82.5 points, and established themselves as co-favorites for the Border Conference crown along with University of Arizona.

Tech opened the season with a 95-55 victory over McMurry. Then in a tour of the South they defeated Tennessee 88-71, trounced Sewanee 76-47 and then were knocked from the undefeated ranks by Vanderbilt 75-71.

## ROTC Rifle Team Will Compete Against New Mexico University

Texas Tech's ROTC rifle team will fly to Albuquerque Friday to compete against a University of New Mexico Naval ROTC team.

Accompanied by four ROTC instructors and Cadet Coach Charles Burford, Tech's 10-man team will be flown to Albuquerque by the Air Force. Tech's rifle team, with a win over West Texas State against no losses this season, will have a return match against West Texas at Canyon Dec. 17.

# Raiders Praised At Grid Banquet

"Texas Tech's Raiders had a record this season worthy of the Cotton or Sugar Bowl or any other bowl—and certainly worthy of admittance to the Southwest Conference," Harold V. Ratliff, regional editor of the Associated Press, stated at the annual Lions Club grid banquet in the Caprock Hotel Wednesday night, Dec. 2.

Bill Holmes, sports publicity director at Tech, introduced Ratliff as the "man who has done the most to help Tech over the state."

Following Ratliff's principal address, Head Coach DeWitt Weaver commented on Tech's 1953 grid squad.

"This is the finest group of boys I have ever coached," Weaver said.

## TENNIS CHAMP

David Clark, Tech junior, won the singles tennis championship at a quadrangular meet in Abilene on the Hardin-Simmons court Saturday.

Schools entered in the meet besides Tech were Hardin-Simmons, Abilene Christian and West Texas State.

Clark defeated Terry Smith of WST 6-3, 6-1 and then defeated Max Leach of ACC 6-4, 3-6, 6-1 for the title.

## C OF C PLANS

A possible Gator-Bowl Day in Lubbock is one of several projects being undertaken by the Tech Chamber of Commerce. Main event of the day would be a pep rally.

At present the organization is working with cheerleaders to coordinate and assimilate information on the Gator Bowl, points of interest in that area and other information related to the bowl game.

## PLEDGES WIN

In the annual Sigma Alpha Epsilon pledge-member touch football game played Sunday, the pledges emerged victor 13-6.

As is the tradition, the losers will give a party for the winners.
