Tech Holds Election Rally

by MARILYN GARDNER

A campus-wide election rally, sponsored by the Student Council, is scheduled for 7 tonight on the Ad Building Green. The candidates running for the major offices of Student Council will be given an allotted amount of time during which they may present their platforms to the Student body.

Candidates for President will be given five minutes each; Vice President, four minutes; Business Manager, three minutes; and Secretary, three minutes.

Candidates for cheerleader will be given time to demonstrate their ability and the candidates for Student Council Representatives will be introduced.

Three boys and two girls will be elected cheerleaders. Student Council positions to be filled are: Agriculture, 3; Arts and Sciences, 9; Business Administration, 5; Engineering, 8; and Home Economics 2.

Ballot boxes will be in the Tech Union, Ad Building, Aggie Building, East Engineering Building, and the Home Economics Building Wednesday from 8-5 p.m. Voting will also be held in each dormitory from 11-1.

THE OTHER main issue of Wednesday's election is the revision of the Tech Constitution. Nineteen amendments which present minor changes will be voted on.

The Student Council decided at the first of the year to revise the constitution. A committee of three faculty members and three students was appointed. They presented the amendments to the Student Council, which approved them unanimously, April 1.

After the consent of the Student Council, President E. N. Jones approved the amendments. In order to go into effect, a **MAJORITY** vote is required.

Four Coeds Vie For Student Council Secretary Position

Four coeds will vie for the position of Student Council Secretary. Following are their qualifications and platforms:

MARY CATHERINE BIRKEL

BACH
Qualifications: Junior; vice president of Horn Hall, and legislator, Women's Inter-Dorm Council secretary, Junior Council secretary, Kappa Kappa Gamma corresponding secretary, Angel Flight president.

If elected to the office of Secretary, I would like very much to have consideration given by the Student Council on having the election for executive officers before that of the respective representatives.

I feel that by doing this those qualified defeated candidates would then have a chance to run for other positions on the Student Council.

I am very much in favor and would strive to get more student representation on faculty-student committees.

GAIL PETERSEN

Qualifications: Sophomore; Student Council, Drane Hall president and legislator, Tech Union Program Council, Ski Club secretary, Freshman Cheerleader, Panhellenic Council, Delta Delta Delta.

The combination of a keen desire to serve the students of Texas Tech as a representative in student government and past experience on Tech's Student Council has prompted my petitioning for the position of Secretary of the Council.

I am familiar with the duties of a secretary and have served in this capacity previously. I realize my responsibility of taking and preparing minutes of each meeting. After having served as a member of the Council for a year I feel well qualified to serve as chairman of the Elections Committee, which is

Tech Classes Dismiss

A four day program of fun, fantasy, frolic and reality will mark the first annual spring festival that will open Wednesday on the Tech campus.

According to President Jones, the council of deans approved that all classes be dismissed from 2-5 p.m. Wednesday at which time the Spring Festival will be launched.

THE SPRING FESTIVAL will have its official opening at 2 p.m. Wednesday with an All-College Convocation at which time President Jones will address the students.

The meeting will be conducted on the Administration Building Green where the year book will be dedicated and the Spring Festival King and Queen will be presented and crowned.

Following this event the Senior Carnival will begin at 3 p.m. on the Administration Building parking lot. Booths sponsored by cam-

pus organizations will conduct games of chance, skill contests, pie throwing etc.

BEGINNING AT 8 p.m. dance music will be provided by three western bands in the Union Ballroom, Recreation Hall, and Aggie Engineering Annex. Everyone is invited to come stag or drag.

At 10 a.m. Thursday the Willson Lectures will begin the second day of the Spring Festival. Dr. William H. Poteat of the Episcopal Theological Seminary of the Southwest in Austin will be the main speaker.

He is professor of philosophical theology and Christian criticism at the seminary and was a member of the philosophy department at the University of North Carolina for ten years.

THE LECTURE for Thursday will be entitled "Responsibility and Trust."

Following the Willson Lecture will be the Varsity Show pro-

duction of "Guys 'n Dolls" at the Lubbock Municipal Auditorium from 8 to 10 p.m.

At 9 a.m. more than 2,000 high school Interscholastic Leaguers from the Panhandle and South Plains will be on campus Friday for the annual Region 1 Interscholastic League literary and athletic events.

Featured in the Home Economics Open House Friday and Saturday will be six fashion shows, new home management techniques and finger painting demonstrations.

The open house will be conducted from 1 to 9 p.m. Friday and from 9 a.m. to 5 p.m. Saturday. A luncheon honoring Tech home economic ex-students and graduating seniors will be at 11:15 a.m. Saturday.

TECH'S FIRST space-age Engineering Show will feature missile displays by the Air Force and **CLASSES, page 8 . . .**

Platforms Are Given

Highlighting the election races, Donnell Echols and Neal Pipkin battle it out for President, while John Offerle and David Steinman try for Vice President. Qualifications and platforms of the four candidates follow:

Donnell Echols

Qualifications: Junior; president Phi Gamma Delta, president Interfraternity Council, Student Council two years, BSO Retreat two years, Board of Directors of Rodeo Assn., Rodeo Council, Tech Salutes, College Awards for leadership, Bledsoe supervisory staff, Saddle Tramps, Aggie Club.

If elected president of the Texas Tech Student Council I will strive to:

1. Represent the student body wishes to the administration fully.
2. Fulfill the obligations of President of the Student Body to the best of my ability.
3. Work for a more reasonable solution to the parking problem.
4. Continue support for the proposed student insurance plan.
5. Try to institute the delivery

of a fall LA VENTANA.

6. Improve student-faculty relationships.

7. Work to build lasting traditions for a bigger and better Texas Tech by means of the Spring Festival and other college recognized student activities.

8. Work toward having a separate election for the Student Council executive officers and Council representatives, thus creating more interest for the executive positions.

9. Represent the student's welfare in maintaining adequate as well as good seats in the expanded stadium.

10. As a member of the Tech Union Board, work for continued strength in Union programs and student facilities.

11. Work for a better Texas Tech with all means in my power.

—Donnell Echols

Neal Pipkin

Qualifications: Who's Who in American Colleges and Universities, Tech Salutes, Tech Supreme Court, Cadet Col. of AFROTC, Saddle Tramps, past president of Sigma Alpha Epsi-

lon, past treasurer of Interfraternity Council, Wing Advisor in Bledsoe Hall.

If I am elected President of the Texas Tech Student Association, I will, to the best of my ability, encourage and lead our school to perform or begin the following major objectives during the year 1958-1959:

1. Many more paved parking spaces with special emphasis on better parking for off-campus automobiles.

2. More classroom facilities to meet the expanding enrollment of Texas Tech.

3. More student members on the joint faculty-student committees to guarantee that the student's view points will be given more consideration and power on campus policies and actions.

4. And to encourage the faculty to give quizzes which are fairer and which offer more opportunity to be passed without encouraging cheating or stealing to do so. By working through the Student Council and the faculty, I believe the cheating can be limited in a way which will benefit the school greatly.

Howard Runs For Business Manager

Dan Howard, lone candidate for Student Council Business Manager, bases his platform on the betterment of Tech. His qualifications and specific platform planks are:

Qualifications: Junior; Saddle-Tramp business manager, Student Religious Council business manager, Phi Delta Theta chaplain, Student Council, Doak Hall Dorm Assn.

My platform for the office of Business Manager of the Student Council is based upon the one idea that everything that I do will be done for the betterment of Texas Tech. With this in mind, the following are some of the things that I would try to do in the coming year:

1. Better inform the students and organizations of the actions and policies of the Student Council.

2. Better inform the organizations of the procedures of the allocations of the Matriculation Fee, and insure a fair allocation of the funds.

3. Work to foster better relations with other schools.

4. Represent to the fullest of my ability the best interests of the student body.

ROTC Schedules Ball Crowning of Queen

The annual Military Ball will be held Saturday night from 8:30 p.m. to 12:30 a.m. in the Tech Union Ballroom.

Highlighting the evening will be the crowning of the Military Queen. Candidates for Queen are: Janet Hopkins, Sandra Hendricks, Suzie Eastwood, Karen Key, Betty Hangrove, Mary Lynn Peveto and Leta Merle Roberts.

Other nominees are Madelyn Maddox, Ann Selecman, Cam Murray, Winn Sherrill, Barbara Quintanella, Janice Walner and Dorothy Jean Cochran.

A receiving line honoring PMST Col. James B. Carvey and Mrs. Carvey and Cadet Commander Richard Price and his date will be at the door. The dance will be officially opened by a grand march to the music of the Kingsman Combo.

Decorations will follow a military theme with a simulated missile on stage, six pictures of various military campaigns around the room and a powder blue and red crepe paper ceiling.

Refreshments will be served in the Anniversary Room. Only those cadets who did not join the Army ROTC Association will have to buy tickets, all other cadets will be admitted free.

... Varsity Show

Quannah Lewis, Tech English instructor, is the show sponsor.

STUDENTS comprising the dancing groups are Janis Jones, Donna Jean Smith, Judy Long, Martha Kinley Dorisanne France, Sharon Snow, Leta Merle Roberts, Gayla Cauthen, Juan Tianio, Nancy Pat Houston, Rebecca Pierce, Johnnie Wade, Gail Gilbraith, Delia Chase, Caroline Wood, Shirley Stephens, and Leroy Plumley.

Tickets are priced at \$1 each. There are no reserved seats and an identification card is not needed to purchase a ticket. Mortar Board, senior women's honorary society, will usher at both productions. Each performance begins at 8 p.m.

Joe Ben Hudgens Elected Prexy, Of Honoray History Fraternity

Joe Ben Hudgens was elected president of Phi Alpha Theta, honorary history fraternity Thursday.

Other officers are: Gayland Pool, vice president; Peggy Malinak, secretary-treasurer; and Lee Huddleston, historian.

Dr. Seymour V. Connor, archivist of Tech's Southwest Collection, spoke to the group on "Semantics" in the first of a series of monthly addresses.

Reviewing the question of whether there can be thought without language, he concluded that "if there is no language, there is no thinking; if there is vague language, there is vague thinking; and if there is burdensome language, there is burdensome thinking."

"Language is the foundation of scholarship," he said.

"Language, however, is not a precise tool and even the greatest scholars may bias their use of it," he added, urging all seekers of truth to be constantly on the lookout for bias and to avoid it themselves as much as possible.

Campus Groups Schedule Events

Three campus organizations are having events during the first part of this week.

Family night was observed by the Agriculture Economics Club last night in the Agriculture building.

Alpha Chi Omega sorority members will participate in the cancer drive this afternoon as a community project.

The cancer drive is being sponsored by the American Cancer Society to raise money for cancer research.

Knapp and Gordon Halls are having a mixer tonight in Knapp's cafeteria from 7:30 to 9 p.m.

... Carnival

for everyone attending the carnival:

Talent Show by Kappa Alpha Theta; Stage show by Zeta Tau Alpha; Walter Tank Dunking by Gamma Phi Beta; Dart Throw by Freshman Class; Pi Phi Pie Fite by Pi Beta Phi; Picture Taking booth by Delta Delta Delta; Golf Putting Green by Sigma Chi; Chattanooga Shine Stand by Alpha Phi.

Basketball Throw by Phi Delta Theta; Nail Driving Contest by Circle K International; Hot Dog stand by AWS; Dice Table by Tech Vets; Coke stand by Senior Class.

... Engineers

plays, including a multi-color dye bath. Mechanical Engineers will show various motors, including a jet engine.

Petroleum Engineers will have natural gas displays and a hydraulic pump model. The Industrial and Agriculture Engineers will also have exhibits.

Chairmen for the event are Lynn Elliott, general chairman; Eddie Henson, auditor; Bob Dyer, assistant chairman; Butch Lawrence, advertising; Gerald Freeman, traffic; and Jess McIvain, publicity.

... Secretary

a duty of the Secretary. I am aware that there is much that can be done towards improving and expanding our election program. I also realize that as Secretary I will serve as chairman of the Queens Committee, and I have already had the opportunity of observing this committee at work.

ROSA ELIA RIOJAS
Qualifications: Sophomore; Freshman Council, dorm legislator, Cosmopolitan Club secretary, Tech Union Committee sub-chairman, Sigma Kappa first vice president, Newman Club, 1958 Varsity Show publicity.

I am Rosa Elia Riojas, a nominee for your Secretary to the Student Council. In seeking the position, I am aware of the improvement needed by the student government.

A. Representation:
1. The Council is not representing you.

2. Why don't you vote?
B. Issues in which you have not been represented:
1. Dismissals—Maybe academic freedom is an impossible dream, but I don't think so.

2. Parking—We pay, no results.
3. Coaches—Campus opinion was strong! The student government made no sound until the Suitcase Club went to town. Who speaks

for students?
4. Cheating—What has the Student Council, as a body, said about cheating? Are you guilty? You are silent.
C. Let me speak and influence the Student Council for you.

LETA MERLE ROBERTS
Qualifications: Sophomore; Delta Gamma, Tau Beta Sigma secretary, Alpha Lambda Delta.
Building a better Tech should be the aim of every person running for office. The preamble to our Constitution states, "We, the students of Texas Technological College, do ordain and establish this constitution."

However, all too often the "we" in this sentence refers only to a small portion of the Tech student body—the small percent who vote.

My chief aim, if I were elected Secretary of the Student Council, would be not only to attend each meeting and aid in solving the major issues pending, keep proper records, and assist other officers, but also to push elections.

I feel that head of the Elections Committee should not be regarded as an obligation, but as an interest—the interest of the numerous students which each Council member represents.

Remember! In order to have a better Tech, you must vote and elect the people who you think will best represent you.

... Candidates

John Offerle

Qualifications: Junior. If elected Vice President of the Student Council, I shall:

- Promote action by the Student Council to obtain pencil sharpeners for every room.
- Support a movement to rid our campus of certain "X" buildings, and replace said "X" buildings with adequate class rooms.
- Promote the extension of campus activities such as Artists Courses, which would be financed with the Matriculation Fee.
- Encourage campus officials to maintain fair parking.
- Discourage any removal of power from BSO by the Student Council.

—John Offerle

David Steinman

Qualifications: Junior; Arts and Science representative to Student Council, TISA parliamentarian, Phi Eta Sigma, past class president.

Student government is an operation that looks forward for carries out, and protects all the rights and needs of the student body. Other governing bodies control administrative and faculty areas. I feel that an effective Student Association would work with a sense of feeling for the whole college program by taking complete charge where it should, while being able to work in hon-

est and complete cooperation on problems that are shared by students and administration alike.

In controversy such as membership on student-faculty committees, I believe that the addition of one student member to each group would insure rightful representation. This would not endanger Administrative policy. Allocation of the Matriculation Fee and policy for student publications are areas where student voice is vital.

The Student Council should also work with and for the various campus organizations in their specific areas. I feel that school spirit comes only from a feeling of goodwill about every part of the student's college life. Better communications between faculty, students, and the administration; increased interest in real campus problems by the whole student body; better scholastic recognition; and a true representation of Tech to other schools is what our Student government would aim for.

I feel that past experience as a member of the Tech Student Council, a class officer and a member of the Texas Intercollegiate Student Association give me the experience to be an effective Vice President.

—David Steinman

Tour of Europe

ENGLISH DEPARTMENT

Six hours of credit in English can be earned in connection with the European tour which the English Department sponsors in 1959. Many inquiries have been made regarding the travel course. Students can plan their English courses for next fall accordingly.

Mrs. Strout will conduct the tour. It will be her sixth trip to Europe. The details of the itinerary will be available when the fall session of college opens. Plan, NOW, for the 1959 trip.

Election

majority vote of the Student Body is required.

SOME OF the articles which the amendments involve are the matriculation fee; enforcement of campus publicity rules; co-ordination of Homecoming activities; provision of a Student Council sponsor; and an increase in the powers of the Student Council.

Copies of the amendments will be at all ballot boxes. Students will be allowed to vote on them collectively or separately.

AT A RECENT meeting of the Elections Committee, feeling that II-B-3 of the Elections Regulation misrepresented the views of the Student Council, so the committee rewrote this particular section to read as follows:

"Posters and placards must conform to the above mentioned dimensions and none may be attached to the outside of campus buildings; however, these approved posters may be used on personal property. This does exclude the use of hand bills and cards."

PAT RAINER, Student Council Secretary, stressed the importance of this election, and urges every student to vote.

The results will come out in Thursday's TOREADOR, and will be posted at the Student Council Office Wednesday night at 11 p.m.

Open House Set for New Men's Dorms

Interested persons will have a chance to see the interior of the new men's dorms April 18-19 when the men's inter-dorm Council conducts open house.

Open house for faculty and staff will be April 18 from 4 to 6 p.m., and for students and public April 19 from 1 to 6 p.m.

Tours will be conducted through men's dorm No. 5, the first dorm southwest of the Coliseum. Part of that dorm is completed and will be shown.

Four new men's dorms will be ready for occupancy this fall and will house 1,436. They are being built in the same style as the other dorms on campus — two dorms connected by a dining area.

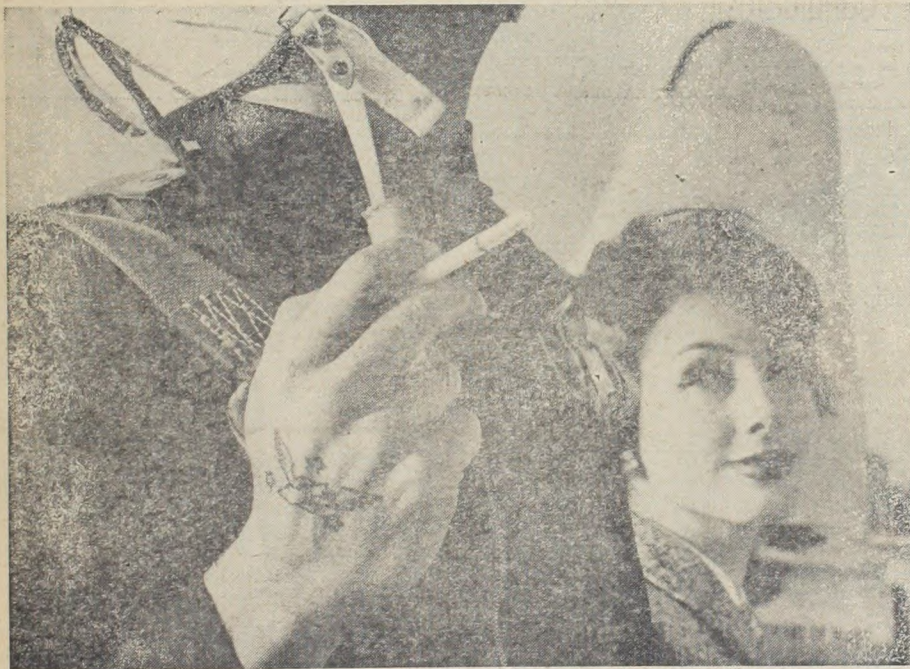

They have built-in furniture and are very similar to Weeks Hall, the new women's dorm.

Six Candidates Are Disqualified

Six students, running for Student Council Representative positions, have been disqualified for failing to turn in an expense account.

Students and schools are: E. C. Goodman and Becky Pierce, Business Administration; Loy Hunter and Della Clase, Engineering; Janet Johnson, Arts and Science, and Wesley Masters, Agriculture.

Raiders Begin Spring Practice

With 22 returning lettermen and a total of 63 candidates reporting Texas Tech's Red Raiders opened their spring drills yesterday afternoon.

The present plan as outlined by Head Coach DeWitt Weaver is to complete the spring practice sessions, 18 in all, by May 2. The annual spring game will be played on April 25 as the conclusion to the annual coaching clinic which will feature Navy Coach Eddie Ederlatz.

NINE OF THESE 22 returning lettermen were starters on last fall's team that won two and lost eight. They include end Gerald Seaman, Ft. Worth, senior; tackle Jim Henderson and Phil Williams, Lubbock seniors; guard Ed Strickland, Pampa junior; center Bill Turnbow, Burkburnett junior; quarterback Jerry Bell, Ballinger senior; halfbacks Milton Vau-

ghn, Littlefield senior, and Jimmy Knox, Graham senior; and fullback Floyd Cole, McCamey senior.

A starting fullback in 1956, Doug Duncan of Wellman, is also returning this year after a season of scholastic ineligibility. He led the Tech rushers in 1956.

THE REST OF the returning lettermen many of whom saw a good deal of action last fall, are ends Jerry Selfridge, Borger junior, and Bobby Stafford, Roaring Springs senior; tackle Jerry Stockton, Tuscola junior; guard Roger Nesbitt, Compton, California senior; center Jack Henry, Floydada senior; quarterbacks Floyd Dellinger, LaVega senior, and John Riddle, Artesia, N.M. senior; halfbacks Mickie Barron, Childress junior, John Roberts, Stillwater, Okla. senior, Ronnie Rice, Lefors junior, Mack Pogue, Sulphur Springs senior; and fullback Gene Bentley, Panhandle senior.

Junior college transfers include tackle Don Rose of Texarkana (Texarkana College) and fullback Max Brod of San Angelo (Wharton College).

FULLBACK DICK STAFFORD is a transfer from Midwestern. He changed when that school discontinued football. Quarterback Bob Witucki of Tulsa is a transfer from Notre Dame. He sat out last year to establish eligibility.

Returning squadmen are guard Charles Fainagin, Dumas junior, and Juan Delgado, Ozona junior; quarterback Ken Tallington, Tyler junior; halfback Norman Blocker, Stanton senior; and fullback Bobby McCune, El Paso senior.

Members of the freshman team last fall expected to report include ends Mike Seay of Andrews, Rory Younger of Whitney, Jim Brock of Fort Worth, Tommy Turner of Garland, Eldon King of El Paso, Don Favis of Justin, and Stanley Bolding of Dallas; tackles Dale Robinson of Stamford, Emmett Bowers of Abilene, Allen Tolbert of Vega, Winston Becker of

Brady, Kelly Gilbert of Oklahoma City, and Robert Myer of San Antonio; guards Mike Nichols of Lefors, Jere Mohan of Panhandle, Joe Henderson of Lubbock, Bobby Mackey of Hillsboro, Jackie Wiles of Levelland and Jim Mason of Dallas; centers E. J. Holub of Lubbock and Fred Weaver of Cooper; quarterbacks John David Bryant of Hereford, Gerald Hodges of Dallas, Larry Johnson of Kress and Wayne Wassom of Pecos; halfbacks Johnny Janak of Big Spring, Dan Gurley of Fort Worth, Charlie Moore of Lubbock, Jim Tiner of Dumas and Jimmy Willis of Sudan; and fullbacks Howard Bradford of Lefors and Glen Amerson of Munday.

Two new coaches have been added since last fall. They are Joe Kerbel, head coach at Amarillo High School last fall, and J. T. King, assistant at Texas A&M last fall.

The rest of the staff has Beattie Feathers, Aubrey "Red" Phillips, E. F. "Junior" Arterburn, Joe Moss and Tom Hamm.

Freshman Amarillo Battle Cancelled

Wet grounds caused by the weekend rains forced postponement of the scheduled Picador-Amarillo Junior College baseball game yesterday.

Coach Paul Ortosky's nine will now have to wait until this week end for resumption of action. Friday they open a two-game series here with San Angelo Junior College.

IN TWO EARLIER games in San Angelo the Picadors won both times.

Ortosky will probably nominate Bill Curry of Amarillo to start Friday. Curry leads the moundsmen with a 2-1 record. He has allowed but one earned run in 30 innings.

He owns wins over Odessa Junior College and San Angelo Junior College. His lone loss was to Odessa.

SATURDAY IT will probably be Don Beck of Amarillo Palo Duro who owns a 1-2 mark.

Beck has beaten San Angelo Junior College and lost to Odessa and Amarillo J. C.

The Picadors are 3-3 for the year.

Strickland, Pampa junior; center Bill Turnbow, Burkburnett junior; quarterback Jerry Bell, Ballinger senior; halfbacks Milton Vau-

MISSING FROM THE starting line-up when spring drills began yesterday at Tech were last fall's alternate captain, end Pat Horstfield on the left, and Captain, guard Charley Moore on the right. They are the only two graduating starters.

WASHINGTON (AP) — Pedro Ramos, 22-year-old Cuban right hander pitching his first open day game, dazzled President Eisenhower and a nearby pack of newsmen and a nearby pack of newsmen at Griffith Stadium Monday. Ramos set Boston down with five hits and hurled Washington a 5-2 surprise victory over the Red Sox.

The Senators made the most likely Boston fielding in the six innings to crack open the game with three runs.

MACKIE JENSEN lined a homer into the left field bleachers in the third to account for Boston's lead.

Senators Drop Bosox 5-2 in Opener

WASHINGTON (AP) — Pedro Ramos, 22-year-old Cuban right-hander, pitched his first opening day game, dazzled President Eisenhower and a nearby packed house at Griffith Stadium Monday. Ramos set Boston down with five hits and hurled Washington to a 5-2 surprise victory over the Red Sox.

The Senators made the most of shaky Boston fielding in the sixth inning to crack open the game with three runs.

JACKIE JENSEN lined a homer into the left field bleachers in the third to account for both

Boston runs. Don Buddin, who had singled, trotted across ahead of Jensen.

Jim Lemon drove a solo homer into the same seats in the fourth for the Senators' first run.

A crowd of 26,675, including the customary dignitaries, watched the game—first of the year in either league. They enjoyed perfect 70-degree weather.

NONE WAS happier at the outcome than Eisenhower. He was rooting as usual, said White House Press Secretary James C. Hagerity for the Senators.

Ramos' hurling, following Eisenhower's traditional opening pitch, evened Eisenhower's score as president. Washington now has won three and lost three with Eisenhower officiating.

Boston suffered the loss of Ted Williams, who came down overnight with a severe attack of food poisoning. Williams lay in misery on a clubhouse table before the game and never went out on the field. Gene Stephens took his place in left field.

Boston trainer Jack Fadden said Williams may be able to play when Boston opens at home Tuesday against the New York Yankees, but no decision will be made until later.

Shortstop Buddin, fresh out of the Army, scored a Boston run but was one of the chief Red Sox culprits afield. He threw wide to first on Jim Lemon's routing grounder at the start of the sixth and the error enabled Washington to hang on for its three big runs in that inning.

Frank Sullivan, the 6-foot, 7-inch right-hander and eventual loser, then walked Norm Zauchin. After Herb Plews and Rocky Bridges filed out, Ramos himself singled Lemon home with what

represented the winning run. Eddie Yost's one-bagger brought in Zauchin and Pedro.

in live appearances and also did a slick fielding job at third. Playing in his 11th opening game, Yost saved the Senators two runs in the first when he made a diving stab of Jensen's low liner with the bases loaded.

Frank Malzone then hit into a double play to get Ramos out of difficulty.

Ramos, who now has a 12-5 career record against the Red Sox, demonstrated again that he has Boston's number. He struck out only one and walked four, but after the fifth allowed only one man past first base.

SULLIVAN was going well un-

til the sixth, giving up only the two runs brought in by Lemon's homer and Roy Sievers two-out, two-on single in the fifth.

All the Senators' runs in the sixth were unearned. Sullivan who had won 10 of his 14 previous decisions with the Senators, yielded seven hits. Murry Wall relieved Sullivan, after the Red Sox starter was yanked for a pinch hitter in the Red Sox seventh.

Eisenhower behaved like any other fan, munching peanuts and applauding when Lemon slammed his homer.

THE PRESIDENT sat with Calvin Griffith, president of the Senators, and a party of government officials and friends. He stayed through the entire game, as usual.

Also the bowling entry deadline has been extended to April 24. The tournament will be held April 26.

Trampoline Team Shines At Meet

Three Tech trampoline performers ran away with honors Saturday at the Mid-South Gymnastic Meet on the campus of Northwestern State College at Natchitoches, Louisiana.

Joe Naylor captured first, Charles Rittenberry, second, and Jay Johnson, third, in the Collegiate Open Division of the Trampoline.

Northwestern State won the meet with 132 points. They were followed by Baylor, 62, Northwest Oklahoma, 38, Tech, 11, and Texas A&M, 1.

Other teams that competed include Texas University, the Dallas Athletic Club and the Wills Athletic Club of Gulfport, Mississippi.

Like Opens Season For Convocation

WASHINGTON (AP)—President Eisenhower opened the 1958 baseball season with the traditional first pitch—a lobbing righthand toss snatched by Washington centerfielder Whitey Herzog.

Eisenhower, accompanied by a party of friends, sat in his usual box by Washington's dugout opposite the first base line.

HE WAS AMONG some 25,000 fans who turned out to Griffith Stadium on a perfect spring afternoon for the Senators' game with the Boston Red Sox. The weather was a sunny 69 degrees.

Spring Festival Kicks off Tomorrow

Engineers Give Show To Add to Full Week

Approximately 2,000 visitors are expected on the Tech campus to view almost 200 exhibits at the Engineers Show Friday and Saturday, announced Lynn Elliott, chairman.

One-hundred and fifty high schools are expected to be represented at the annual show.

The show will feature an "Atoms for Peace" exhibit from the Atomic Energy Commission. The exhibit, which explains the peaceful uses of the atom in terms the layman can understand, will be on display at the Naval Armory.

ARMY ROTC will have a display of the Nike Ajax Guided Missile. Pyros, Tech rocket club, will also have a missile exhibit.

The architectural engineering department exhibits will be in X-I and II building between the east engineering building and the museum. They will feature a Japanese garden.

Senior Carnival Here; Booth Positions Open

Does your organization want to sponsor a booth in the Senior Carnival? It is not too late to enter!

Join the fun and get Tech's first Spring Festival off to a good start.

The Senior Carnival will be held on the Administration Building parking lot tomorrow from 3 p.m. to 6 p.m.

IF YOUR organization would like to sponsor a booth it is only necessary to notify Don Gray, Gordon Hall; Mary Alice Richardson, Horn Hall; or Joe Hood at SW 9-2189.

The parking lot will be roped off this evening and the booths may be set up anytime tomorrow morning.

Fifteen booths entered have been assigned locations and eight additional lots have been reserved for late entries.

THE FOLLOWING booths promise a lot of fun and surprises

CARNIVAL, page 2 . . .

'Vote, Says Thompson

Tomorrow between the hours of 8 and 5 each of you will be given the opportunity to vote for Student Council officers, representatives and cheer-leaders whom you want to represent Texas Tech for the school year 1958-59. It is the responsibility of each person as a member of the student body and as a citizen of the United States to acquaint yourself with each of the candidates and then VOTE. Let's all take advantage of this American privilege.

In addition to voting for individuals, you will be given a ballot to vote yes or no for nineteen constitutional amendments. These amendments are all minor but are still important. The amendments were presented to the Student Council by a student-faculty constitution committee and were unanimously approved. Each amendment was then approved by the president of the college, Dr. E. N. Jones. You will be able to vote yes

for the entire nineteen or you may vote on them separately. For a better and more workable student constitution, I urge each of you to vote yes on every amendment.

THE CHEMICAL Engineering will have a display explaining the catalytic cracking process, and will feature a magic show.

The Textile Engineers will have various weaving and dying displays. ENGINEERS, page 2 . . .

Election Tomorrow

Tech Chooses Couple

A new throne at Texas Tech will be filled tomorrow in a campus-wide election when the king and queen of the Spring Festival are chosen from a field of five boys and five girls.

QUEEN NOMINEES Patsy

Classes

Army ROTC units and the "Atoms for Peace" Atomic Energy Commission exhibit.

On display Thursday and Friday will be a 35-foot Rascal missile that is fired from B-47 bombers to ground targets and the Army's Nike-Ajax air defense used in guarding strategic areas throughout the nation will be displayed Friday and Saturday.

OTHER FRIDAY highlights will be the Tech Union "Frantic Fun Fair" from 8 to 12 p.m. The Union will be turned into a giant gambling casino with dice tables, roulette, poker, black-jack and bingo.

A 25-mile bicycle race followed by a barbecue and the senior dance will be featured Saturday at 2 p.m. The course for the race will be around the circle and down Broadway.

Each team is composed of four men and is opened to all Tech male students.

BEGINNING AT 4 p.m. a barbecue in Jones Stadium will be held in dedication to the Senior students of Tech. The dance, sponsored by the freshman, sophomore, and junior classes, will be held in Fair-Park Coliseum. Admission is \$1.50.

Each team will be assigned a pit for making repairs. The race will test the endurance of both the riders and their machines. The race will be broadcast over a local radio station and an ambulance will stand by in case of accidents.

Especially exciting to the spectators will be the rider changes. The boys must change in a pit area which is 16' x 3'. It will require considerable skill to stop a speeding bicycle and dismount while a teammate mounts all in an area.

FAILURE TO accomplish this within the given area will result in a one lap penalty. This should be better than watching rider changes at a Pony Express relay station.

The three top teams will be awarded trophies. A special sportsmanship trophy will also be

presented. The winning team's captain will be crowned by the Festival Queen.

Twenty-nine teams, composed of six men each, will vie for the honors. Teams that have paid the \$5 entry fee are: Sigma Alpha Epsilon, Phi Tau Alpha, Dolphins, Kappa Sigma (2), Sigma Chi (2), Delta Theta, Phi Kappa Psi (2), Kappa Sigma (2), Aggie Club.

AMERICAN SOCIETY of Mechanical Engineers, Alpha Tau Omega, Sigma Nu (2), Phi Gamma Delta, Double T Association, Dan Norman Bicycle Shop, Delta Tau Delta, Cavaliers, Phi Kappa Psi (2), Phi Delta Theta, Student Council, and Phi Kappa Alpha.

Everyone will be admitted to the race free.

Dr. Poteet, a professor of philosophical theology and Christian criticism at Episcopal Theological Seminary of the Southwest, Austin, will speak Wednesday on "Anxiety, Courage and Truth." His final lecture will be at 10 a.m. Thursday on "Responsibility and Trust."

CLASSES WILL not be dismissed for the lectures, but the talks are arranged so that students and faculty who have either nine or ten a.m. open will be able to attend at least one session.

Dr. Poteet was born in Kaifong, Honan, China, and holds a B.A. degree from Oberlin college, B.D. from Yale University and Ph.D. from Duke University.

Applications Due

Applications for the positions of halftime assistant director of student publications and advertising managers of THE TOREADOR and LA VENTANA must be in by three this afternoon.

Applicants must be available for interview 12:30 tomorrow at the Student Publications Committee meeting in Tech Union.

For additional information, call B. J. Whitted or Wallace Garets at extension 234.

Festival, Alcohol Don't Mix at All

It is against the law to consume or be in the possession of alcoholic beverages on the Tech Campus. This law will be strictly enforced during Tech's first annual Spring Festival, and those caught breaking the law will be subject to disciplinary action.

Spring Festival officials urge all persons attending Festival activities to curb all "drinking" on the campus, and not to be intoxicated while at the Festival. This is necessary for the success and continuance of the spring festivities.

Guys and Dolls Show Opens Thursday Night

Approximately 50,000 man-hours will be represented when the curtain goes up on the 1958 Varsity Show, "Guys and Dolls," Thursday at 8 p.m., according to Producer Roger Loter.

"Guys and Dolls," a musical based on a story by the late Damon Runyon, features a cast of 26 Texas Tech students plus the dancing groups of 26 members.

LOTER STATED that eight

Tech organizations are selling tickets to the two-act production and that they are selling fast.

"Since there are no reserved seats," Loter explained, "Students who plan to attend the show should get tickets while they last. Several out-of-town high school groups will attend 'Guys and Dolls' Friday night."

Director John Gilbert's cast stars Bob Hancock as Sky Masterson; Elizabeth Wilson, Adelaide; Kay Adkins, Sarah; and Rex Pope, Nathan Detroit.

Others in the cast include Bill Leonard, Glen Burns, Beverly Austin, Rodney Hill, Art Dodds, and Marilyn Morris.

MISS MORRIS also serves as assistant director and David Edwards and Bob Huff are the Business and House Managers, respectively. Stage Manager is Claude Rogers and John Ashby is his assistant.

Jean Groesbeck, choreographer, and her assistant, Mary Harrington, created all of the dance routines that will be featured in the musical.

Carolyn Porter is in charge of the wardrobe and Tom Shamburger is publicity chairman. Miss VARSITY SHOW, page 2 . . .

ELECTIONS WILL be conducted today 8 a.m. to 5 p.m. in Agriculture, Administration, Home Economics, East Engineering and Tech Union Buildings.

Ballot boxes will also be open in all nine dormitories from 11 a.m. to 1 p.m.

Winners will be crowned at the Festival Convocation tomorrow at 2 p.m. by Pres. E. N. Jones on the Ad Building green.

Bicycle Race Heads Saturday Program

by VERNON STEWART

Tech's version of the Indianapolis 500 will be run Saturday at 2 p.m.

Tech's version will differ from the 500 in that instead of driving automobiles, the drivers will pilot bicycles around the 6 of a mile track. The race will be 40 miles long instead of 500.

OTHER PHASES of the First Annual Bicycle Race will be very similar to the classic 500, which is run at the Indianapolis Speedway each May.

Each team will be assigned a pit for making repairs. The race will test the endurance of both the riders and their machines. The race will be broadcast over a local radio station and an ambulance will stand by in case of accidents.

Especially exciting to the spectators will be the rider changes. The boys must change in a pit area which is 16' x 3'. It will require considerable skill to stop a speeding bicycle and dismount while a teammate mounts all in an area.

Rows Roped Off

The two double rows in the center of the Administration Building parking lot will be roped off at 1 p.m. today to allow Senior Carnival booths to be set up and will remain roped off through tomorrow.

Pres. Jones asks that students usually using the lot form car pools or otherwise arrange ways to allow for this decrease in parking space.

All cars must be removed from the two rows by 1 p.m. today.

David Thompson, President Student Association
