

Sunday In Municipal Auditorium

Band To Present Concert

By LANE CROCKETT
Toreador Staff Writer

Attention music lovers!
The Tech concert bands present their Spring Concert Sunday in the Lubbock Municipal Auditorium.
The "going band from Raiderland," with the turning of spring, has divided itself into three parts. It has put away the field equipment and brought out the concert music. The bands will have a diversified program of classical, folk and Broadway music.

First On The Program

First on the program is the Varsity Band I, directed by Dean Killion, director of Tech bands. The band will play "Callito," a fast-moving Spanish march; "Chorale and Alleluia," dramatic tone poem; "Somerset March" from "Folk Song Suite" and highlights from "The Music Man," featuring "76 Trombones," "Till There Was You," "Lida Rose" and "Marian the Librarian."

Varsity Band II, directed by Larry Van Weed, Tech music instructor, will perform "La Reine de Saba" (English translation "Queen of Sheba"); "West Point Symphony" by Dvorak and "Seventeen Come Sunday" from "Folk Song Suite."

Final Section Of Program

The Concert Band, under Killion's direction, will have the final section of the program. This band took a good will tour for Tech earlier this month.
The band will play "George Washington Bicentennial March" by Sousa; finale from "Symphony in F minor, No. 4," by Tchaikowsky; "Celebration Over-

ture" by Creston and "The Conqueror" by Teik.

In addition to the bands will be a quartet and two solos.

Quartet, Solo Featured

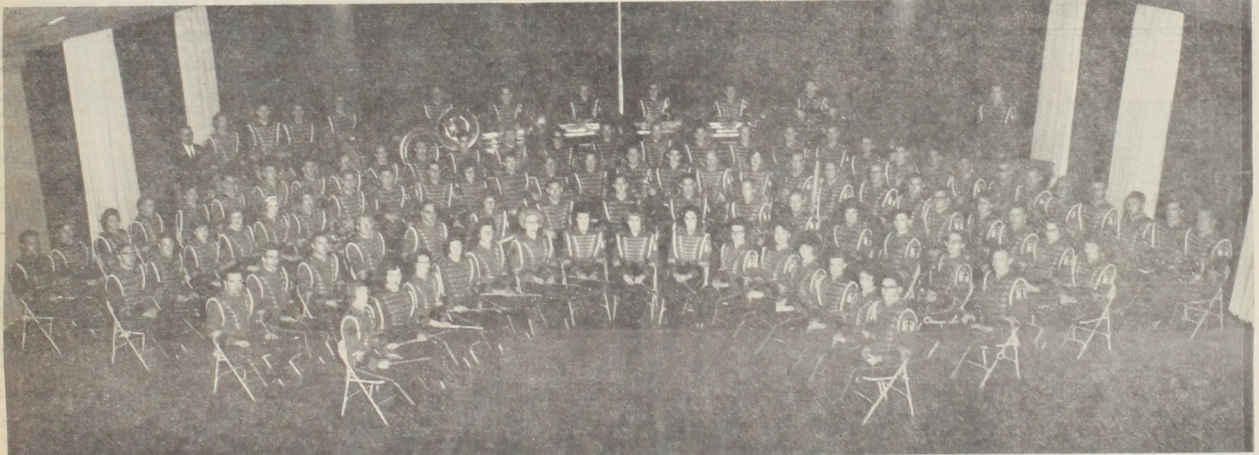

A baritone quartet featuring Marlin Lindsay, Phil Anthony, Clifford Bates and Bill Patterson will play "Carnival of Venice."

Weed will perform a trombone solo called "Concerto for Trombone" by Rimsky-Korsakov.

Robert Humiston, assistant professor of music, will play an oboe solo entitled "Concerto for Oboe" by Marcello.

Concert time is 3 p.m.

"The concert is admission free and open to the public," Killion said.

Longtime Tech Professor To Retire

By KATHERINE HEPNER
Toreador Staff Writer

Texas Tech's Dr. Warren W. Yocum, who has been a professor in the department of horticulture and park management of 26 years, will retire May 31.
"I am very glad I came to Texas and Texas Tech. This fast growing community has been a stimulating and inspiring place to work," Dr. Yocum said.

DR. YOCUM came to Tech in 1937 after completing work on his Ph.D. degree in botany at the University of Nebraska. He

received his B.S. degree in education in 1923 from Northeast Missouri State Teachers College and took his M.A. degree in horticulture in 1927 from the University of Missouri.

HE HAS made his life in the teaching profession since graduation from high school. Before entering college, he taught grades one through eight for a year in a one-room school house. After two years of college work he established and was principal of a high school in Ethel, Mo. In 1923 he established a second

high school in Bosworth, Mo.

The professor entered the University of Nebraska in 1927 and became horticulture instructor in the Agricultural College of the University of Nebraska, and was named assistant professor before leaving Nebraska to come to Tech in 1937.

"THE AGRICULTURE school in 1937 was just the pavilion and one stucco building with a barrack or two," the freshman horticulture professor recalled. He came to Tech as an assistant professor and in 1943 became professor of horticulture.

Married in 1925 to the former Nora Toombs, Dr. Yocum is the father of a son, David, and a daughter, Mrs. Joyce Bowen, now living in Asuncion, Paraguay, where her husband is in the foreign service.

IN GRADUATE school Dr. Yocum was a member of Sigma Xi, Gamma Sigma Delta, Phi Sigma and the Horticulture Club. He has since held membership in the American Society for Horticulture Science, the American Association for the Advancement of Science, the American Pomological Society, the Nebraska Horticulture Society and the Texas Academy of Science.

About Tech students, Dr. Yocum said, "I believe the students are as friendly and well-mannered as can be found anywhere. There has been a decided improvement in the quality of scholarship during my 26 years at Tech. I will certainly miss the association with these splendid young people and will always

be interested in their progress and the welfare and progress of Texas Tech."

DR. YOCUM has served on the Campus Planning Committee, the Commencement-Decoration Committee, the Interdivisional Courses Committee and the Faculty Advisory Committee.

He has also been active with the Optimist Club, Cub Scouts, Boy Scouts and is presently on a committee of the Lubbock Garden and Arts Center.

Dr. George Elle, assistant dean

of agriculture said about Dr. Yocum's retirement, "It's not a matter of replacing him. There's no one like him that could—he's just going to be missed. We all say Dr. Yocum has been a dedicated and fine teacher."

AFTER HIS retirement, Dr. Yocum plans to relax and do some traveling. He and Mrs. Yocum plan to remain in Lubbock. "The best years of our lives have been spent here and we hope we may be able to continue to contribute to our home community as well as enjoy it fully," he concluded.

Final Rodeo Action Scheduled Tonight

Tech's annual NIRA-sponsored rodeo moves into its final day of action today with two performances. The performances, scheduled for 2 p.m. this afternoon and 8 p.m. tonight, will be the last this year.

Rex Allen Star

The rodeo, featuring popular cowboy singing star Rex Allen and his horse Koko, has been the scene of laughs, action and excitement in the first two nights, and promises much of the same today, officials said.

Two Texas Tech cowboys, Clyde Fort and Eddie Puckett, jumped off to early leads in Thursday's action.

Fort Set Pace

Fort set the pace in bulldogging, with a quick 5.2 effort, and also leads ribbon roping, with an 8.6 effort.

Puckett, who garnered 172 points in the bull riding just as Thursday's events were coming to an end, leads in that division.

Other Tech cowpokes in the standings as the rodeo comes to its close are Fred Schmidt, bareback riding, and Bill Barrett and Jerry Bloeker, bull riding.

TO RETIRE IN SPRING—Dr. Warren W. Yocum, longtime Tech professor in the park and horticulture department, illustrates some of his work on a city park project. Yocum will retire May 31.

'Little 500' Pits 24 Bike Teams

Entries are in for the annual "Little 500" bicycle race May 4.

These organizations have entered teams of six members each: Thompson Hall, Phi Delta Theta, Kappa Sigma, Phi Mu, Carpenter Hall, Sigma Kappa and Kappa Alpha Theta. Also entered are Sigma Nu, Kappa Kappa Gamma, Air Force ROTC, the Double T Assn. and THE DAILY TOREADOR.

Entering the race with two teams each are: Kappa Alpha, Delta Tau Delta, Alpha Phi, Doak Hall, Newman Club and Delta Delta Delta.

Time trials for men's teams will be at 2 p.m. Saturday at Memorial Circle to determine pit positions and numbers. Each team should have at least two members present. Women's teams will determine numbers and positions by drawing.

Permanent trophies will be presented to the first three girls' and boys' teams. A traveling trophy will go to the first-place boys' and girls' teams. Sportsmanship trophies will also be presented.

"Little 500" competition is sponsored by Circle K, Alpha Phi Omega, Saddle Tramps and Women's Service Organization.

Tech Coed Receives Top Honor

Anne Weaver, Houston senior, was named Province Nu's outstanding member by Pi Beta Phi social sorority.

Miss Weaver, Tech's 1963 Woman of the Year, received the announcement from Mrs. C. E. Fugham, local Alumnae Advisory Council chairman, at the annual Founders' Day banquet Thursday.

Called the Amy Burnham Onken Award, the honor is based on high scholarship, fraternity service and campus service.

This is the first time a member of the local chapter — Texas Gamma — has won the award. Province winners automatically contend for the corresponding national award. National winners will be announced in August at Province conventions.

Nu Province includes Tech, University of Texas, Texas Christian University, Southern Methodist University, Oklahoma State University, University of Oklahoma and University of New Mexico.

Local nominations are made from senior membership by Alumnae Advisory Councils. The province president chooses province winners, then forwards the records for national judging.

"I certainly think both honors are well-deserved, as does the chapter," said Cathy Gordon, chapter president.

Miss Weaver commented: "It just can't be true."

FIRST FOOTBALL GAME

Texas Tech's first football game was played against McMurry College of Abilene, Oct. 2, 1925, ending in a 0-0 tie. It was played at the site of the Fair Grounds in Lubbock.

MOTHER'S DAY is 'Flora-Scent' Day

Tau Beta Pi Member

Amarillo Soph Accepts Two Awards 'Proudly'

Smiling proudly, Vincent Bogda, Amarillo sophomore, accepted two awards at the annual engineering banquet Friday night.

Bogda was named the outstanding sophomore in the School of Engineering for 1963 by members of Tau Beta Pi, engineering honorary. He was also selected for the outstanding sophomore award in electrical engineering for the year by Eta Kappa Nu, electrical engineering honorary.

According to Don Roper, master of ceremonies, Bogda was chosen on the basis of academic achievement. Only sophomores are eligible for the awards.

"ET" major, Bogda has maintained a 3.9 overall grade point average. He was recognized in the All-College recognition services in March, and is a member of Phi Eta Sigma, men's freshmen honorary. He is pledging Kappa Alpha Order, social fraternity.

Makes 'A Pluses'

"Vincent has made more 'A pluses' in courses for which he had not had the prerequisites for than I've made B and 'C pluses' put together," one member of Tau Beta Pi said.

Dr. John Bradford, dean of the School of Engineering spoke on "Engineering Tomorrow."

"The need for a higher level of education has become obvious," Bradford said. "The world of tomorrow will be shaped by the application of scientific principles—this is the role of the engineer."

Will Need Ph.D's

Bradford stressed that the engineers of tomorrow will have to have higher degrees such as master's and Ph.D's in the future.

Harold Pluennke, Mason senior, was recognized at the banquet for his outstanding essay on the engineer's responsibility in government, selected by members of Eta Kappa Nu.

Seventeen pledges of Tau Beta Pi were initiated to conclude the program.

VINCENT BOGDA
. . . outstanding engineer

1,500 Name SC Officers

In moderately heavy turnout Friday, more than 1,500 Techsanes elected Student Council representatives for 1963-64 in a runoff election.

Johnny Barnhart polled 115 votes and W. J. Hill, 97, to join Garland Weeks as the three representatives of the School of Agriculture.

In Engineering, Charles Webb beat Ron Davis, 101 to 73, to take the lone position left in that school.

The new Business Administration representatives and their votes are Diane Baker, 143; David Beckman, 153; Mike Farley, 177; Becky Parker, 141; Jerry Peirce, 154; Sue Ring, 161; Bob Tate, 178; and Carolyn Wood, 189.

In Arts and Sciences, Bill Abraham polled 371 votes; Roland Anderson, 392; Sara Cox, 375; Keitha Davis, 398; Bill Dennis, 390; Jerry Gibson, 365; Chris Hernandez, 542; Lester Hess, 425; Bill Honey, 517; Holly Hunt, 426; Lee McElroy, 513; Barbara Sue Owen, 361; Judy Price, 378; Nancy Shoemaker, 404; and Joe Waller, 376.

The two Home Economics representatives are Jo Beth Barnes, with 95 votes, and Jeannie Gratton, with 72 votes.

Fashion Show Tops Luncheon

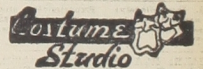

Highlight of the annual Home Economics Alumnae Luncheon today will be a fashion show presented by Mary Behrends, and featuring four Tech students.

Modeling will be Mrs. Laura Boyette, Jo Beth Barnes, Holly Hunt and Johnnie Yates.

The annual spring luncheon will be in the ballroom of Tech Union at 12:30 p.m.

Former students, Tech faculty members and graduating home economics seniors are invited to attend.

QUEEN CONTEST

Win \$5,000 in Fabulous Prizes
Pick UP Official Entry Blanks
at 2117 4th Street

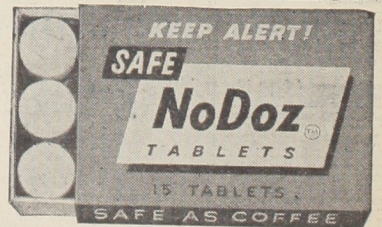

This is not a "beauty contest." Judging is based 50% on scholastic ability. Your intelligence and campus activities are important—as well as your poise, personality and attractiveness.

You do not have to be a "glamorous beauty" or a "Phi Beta Kappa" to win. The new NATIONAL COLLEGE QUEEN will have a combination of qualities . . . she will be bright, alert, personable.

THE WINNER COULD BE YOU! To enter, you must be attending an accredited col-

lege or university. Freshmen, sophomores, juniors and seniors are eligible. If you are not married) ENTER TODAY!

COLLEGE GIRLS . . . YOU CAN SEND IN YOUR OWN NAME. Or recommend one of your classmates . . . your roommate . . . your friend. Parents, you can nominate your daughter . . . or a neighbor who attends college. All candidates will receive equal consideration by the judges, no matter how the student's name is originally submitted.

THE SAFE WAY to stay alert without harmful stimulants

Never take chances with dangerous "pop pills." Instead, take proven safe NoDoz®. Keeps you mentally alert with the same safe refresher found in coffee. Yet NoDoz is faster, handier, more reliable. Absolu-

tely not habit-forming. Next time monotony makes you feel drowsy while driving, working or studying, do as millions do . . . perk up with safe, effective NoDoz. Another fine product of Grove Laboratories.

News Briefs

Tech Hosts Vocational Agriculture Contests

Today 155 area high schools will compete in the 36th annual Texas Tech Vocational Agriculture Judging Contest on campus. Teams of three boys each will compete in livestock, dairy cattle, dairy products, cotton, wool, crops, poultry, meats, grass, and land judging categories. By Friday 517 teams had entered. Approximately 150 persons from the animal husbandry, dairy industry, and agronomy departments are involved.

The Engineers' Show special award for originality went to the department of agricultural engineers for its "Farm of the Future" entry. First place in the show went to industrial engineering department; second place, civil engineering department; third place, mechanical engineering department.

The Newman Club will have a Marlboro "tie-up" party at 8 p.m. today in the Newman Center. Music and refreshments will be available.

The 1963 Dairy Industry Awards Banquet will be May 4 at 7:30 in the Union's Coronado Room. Dairy Industry Club members and guests will attend.

The Tech Union will hold its annual Frantic Fun Fair at 8 p.m. Saturday. With play money passed out at the door, students will be able to play poker, black jack, roulette, chuck-a-luck, and bingo. A trophy will be presented to the winning gambler at the end of the evening. The theme of this year's Fair will be the Roaring 20's.

Dr. Mina Lamb, head of the foods and nutrition department, left Wednesday to attend a three-day meeting of the national planning committee of the College Foods and Nutrition Teachers Association at Stillwater, Okla. The conference to be on the Oklahoma State University campus, will discuss "Nutrition for the Space Age" and will seek methods to upgrade and evaluate college teaching in this area in order to meet current scientific progress and demands.

Dr. Harold E. Rorschach Jr. of the Rice University physics department will present a series of lectures at Tech May 7-8. The lectures are sponsored by the American Association of Physics Teachers and the American Institute of Physics.

Phi Gamma Nu, Women's Honorary Professional Business Sorority, will initiate 5 pledges Sunday at 4 p.m. The spring initiation ceremony will be at 1920 Slide Road.

WHITE ROSE PRINCESS—Linda Ferguson was named White Rose Princess for the month of April by Sigma Nu fraternity. Linda is a senior business major from Lubbock.

Pre-Med Day Draws Region Highschoolers

"Operation Pre-Med Day" is being conducted on the Tech campus today. Regional high school students interested in careers in medicine, dentistry and pharmacy are attending the annual event.

"Medical Careers in the Space Age" is this year's theme. The program will include tours of the campus and Methodist Hospital laboratories, displays and demonstrations, addresses by Tech personnel and members of the medical profession and informal discussion forums.

Awards Presented

An awards banquet at 6:30 p.m. at the Cactus Inn will conclude the day's activities. Awards will be presented to the senior entering medical school with the highest grades, and to the highest ranking junior and sophomore "pre-med" students.

Journeymen Appear In Concert May 3

The Journeymen, one of the entertainment world's newest and brightest names, will appear at the Municipal Auditorium May 3 at 8:15 p.m.

The program, a folk music concert, features songs with a bit of Americana in them. In their efforts to recreate an image of an age long ago, they offer tender ballads and rousing tunes that include anti-drinking lyrics, mines, cotton mills and rural rituals.

Record For Capitol

The trio, composed of John Phillips, Richard Weissman and Scott McKenzie, record for Capitol Record Co. Each is an accomplished musician and contributes a little of himself to the group.

John added to their repertoire the folksongs he learned as a child in Virginia. Dick's extensive collection of pre-Civil War songs have won him respect as a musicologist. Scott is the wanderer and comedian of the group. He is regarded as one of the best tenors in the business and has previously appeared with a well-known vocal group on the night circuit.

Instantaneous Success

The Journeymen were discovered by Frank Werber, manager of

the Kingston Trio. Their first release, "River Come Down" backed by "500 Miles" was an instantaneous success. Although they concentrate on folk music, the Journeymen are adept at pop ballads, blues and modern jazz.

The program is presented by the Special Events Committee of Tech Union.

Ticket prices are: Tech students 75 cents, faculty \$1.00, special students \$1.00 and general admission \$2.00. Tickets will be on sale at Tech Union and Wayne's Record Rack. Tickets will also be sold at the door.

SPORTSCOPE

A Roundup Of Sports On Campus

Texas Tech tennis players have a chance to influence the outcome of the Southwest Conference tennis championship. They meet Rice today and will tackle Texas Monday in Austin. The Tech netters meet the Owls here on the varsity courts. Tech's record is an outstanding 14-4, while Rice and Texas share the SWC lead.

Texas Tech's cinder oval will host the annual Red Raider Relays today. The event is for the state meet track and field qualifiers, and the entries thus far show a great interest in the annual event. Entrants from all over Texas and the South Plains have indicated they would compete. At the last count, entries were near 100. Finals will begin at 1 p.m. today.

A football clinic continues at 2 p.m. today. It is being hosted in conjunction with the annual Red-White scrimmage. Head Coach J. T. King and his staff are holding this clinic for high school coaches.

The "Little 500" bicycle race, an annual spring event put on by Circle K, Alpha Phi Omega, Saddle Tramps and Women's Service Organization, promises to be an exciting one this year. Twenty-four teams will compete May 4 for permanent and traveling trophies awarded to both boys' and girls' teams.

★ Reds Meet Whites Today ★

The series is knotted at two games each, and both teams are planning "to loosen up" in today's final spring training intrasquad game at Jones Stadium.

The battle begins at 4 p.m.

At the respective helms will be two freshmen that Lubbock football fans hope will be the stars of tomorrow; Ben Elledge

of Brownwood for the Reds, and Danny Scarbrough of Quanah for the Whites.

In the backfields, a number of outstanding candidates will be showing their stuff. For the Whites Leo (The Lion) Lowery, Max Gatlin, Roger Gill and Scarbrough lead the way. Donny Anderson, much heralded Stinnett halfback, Charles Gra-

ham, Billy Weise and Elledge are the pace-setters thus far for the Red squad.

The Reds have glittering pass-catchers also, in Jerry Don Balch and all-Conference David Parks, who both double as rugged defensive stalwarts.

Admission for the skirmish is \$1 for adults, 50 cents for students and ID cards for Tech students.

EXAMINATION SCHEDULE FOR THE SPRING SEMESTER, 1963

Time of Examinations—For Classes Meeting On:

Tuesday, May 21
 8:00—10:30—10 TTS
 11:00—1:30—2 MWF
 2:00—4:30—ALL sections of **BIOLOGY 141** and **142**. Room numbers will be announced in respective classes.

Wednesday, May 22
 8:00—10:30—8 TTS
 11:00—1:30—3 MWF
 2:00—4:30—ALL sections of **FRENCH 141-142**, **GERMAN 141-142**, **LATIN 131-132**, and **SPANISH 141-142**. Room numbers will be announced in respective classes.

Thursday, May 23
 8:00—10:30—11 MWF
 11:00—1:30—4:5-30 TT and ALL **MILITARY SCIENCE CLASSES**.
 2:00—4:30—ALL sections of **CHEMISTRY 141-142**. Room numbers will be announced in respective classes.

Friday, May 24
 8:00—10:30—11 TTS
 11:00—1:30—2:30-4 TT
 2:00—4:30—10 MWF

Saturday, May 25
 8:00—10:30—9 TTS
 11:00—1:30—4 MWF and **Saturday Classes ONLY**.
 2:00—4:30—9 MWF

Monday, May 27
 8:00—10:30—8 MWF
 11:00—1:30—1 MWF
 2:00—4:30—ALL sections of **ENGLISH 131**, **PHYSICS 143** and **236**, and **ACCOUNTING 234** and **235**. Room numbers will be announced in respective classes.

Tuesday, May 28
 8:00—10:30—1-2:30 TT
 11:00—1:30—ALL sections of **PSYCHOLOGY 130** and **230**. Room numbers will be announced in respective classes.

Examination time for classes meeting for more than one hour (as 1-2:30) will be determined by using the first hour of the class period to find the corresponding examination period for that class meeting. Requested changes in the schedule for individual students will be considered by the Dean of the School in which the student is registered.

EXAMINATION SCHEDULE FOR EVENING COURSES

Tuesday, May 21
 6:30—9:00 PM—Classes meeting 6:30-8:00 PM, TT, and Tuesday only.

Wednesday, May 22
 6:30—9:00 PM—Classes meeting 6:30-8:00 PM, MW, and Wednesday only.

Thursday, May 23
 6:30—9:00 PM—Classes meeting 8:00-9:30 PM, TT, and Thursday only.

Friday, May 24
 6:30—9:00 PM—Classes meeting 8:00-9:30 PM, MW, and Monday only. Also Classes meeting Friday 6:30-8:00 PM.

Trio Appears Here

John Phillips, Richard Weissman and Scott MacKenzie, better known as the Journeymen, will appear in concert at 8:15 p.m. Friday.

Sponsored by the Tech Union Special Events Committee, the trio will present a folk music session in the Lubbock Municipal Auditorium.

The Journeymen were discovered by Frank Werber, manager of the Kingston Trio, who describes them as "on their way to a marvelous future."

After signing with Capitol Records, the trio has become one of the brightest stars on the folk-music horizon. Their initial release, "River Come Down" backed with "500 Miles" won immediate ac-

claim and their first album, "Introducing the Journeymen" climbed high on the sales charts.

For audience entertainment, they have a well-balanced repertoire. They offer tender ballads and rousing tunes that include lyrics about anti-drinking, mines, girls, cotton mills and spirituals.

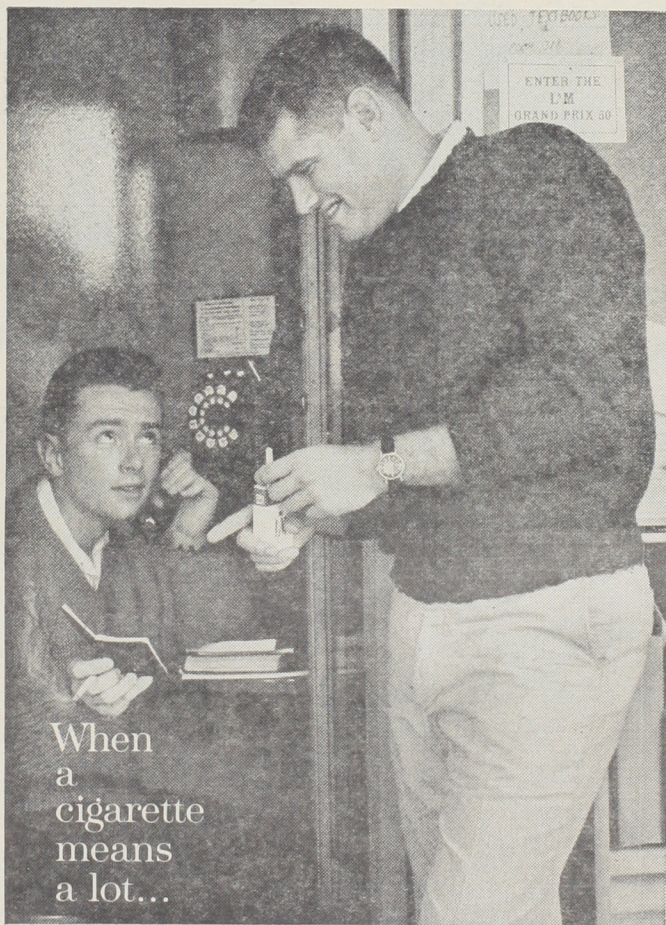

Although the Journeymen have registered sensationally in the folk music field, they are equally adept in pop ballads, blues and modern jazz. They strum banjos and guitars for a pleasing blend of voices and music.

The three are all accomplished musicians. John Phillips has added Virginia folk music to the trio's selections. Dick Weissman has

compiled an extensive collection of pre-Civil War songs, and Scott MacKenzie, who is regarded as one of the best tenors in the business, previously appeared with a well-known vocal group on the night club circuit.

Tickets to the Journeymen are 75 cents for Tech students and \$1 for faculty. They are on sale at the Tech Union and Wayne's Record Rack.

Three Tech Faculty Members Honored

Three faculty members have been elected to Phi Kappa Phi, Tech's top scholastic honorary fraternity.

Richard Dudek, head professor of industrial engineering and engineering drawing; Bill Lockhart, professor and head of applied arts and Gladys Holden, assistant professor of food and nutrition were selected for the honor, according to Dr. Paul Woods, secretary of the organization.

Phi Kappa Phi is the national honorary for academic achievement in all schools of a college or university. It was installed at Tech in 1956 with 14 faculty members already affiliated with the organization.

Phi Kappa Phi's annual banquet will be at 6:30 p.m. Thursday in the Union Ballroom. Besides faculty and student members, 147 newly elected student members will attend the banquet.

MR. PLEDGE—Larry Strickland, Lubbock freshman, was named Mr. Pledge for 1963 at the Sigma Kappa annual Mr. Pledge dance Friday. Strickland is an electrical engineering major and a Kappa Sigma pledge.

Campus Activity

Union, Council Schedule Annual Banquets Today

STUDENT COUNCIL BANQUET
Marshall Pennington, academic vice president, will speak at the Student Council banquet at 6:30 p.m. today in the Cactus Inn.

Plates are \$1 per person. Old and new council members who signed up for the banquet must attend.

Mortar Board Retreats, Elects New Officers

Sunday, the members of Mortar Board "retreated" to the Brian Edwards ranch near Tahoka. Activities included a discussion of the purposes and goals of Mortar Board, and planning activities for the coming new year.

Recently elected officers of the organization are Mary Gaskin, president; Carolyn Kelly, vice president; Lee McElroy, secretary; Annette Inmon, treasurer; Ann Orrick, historian; Mary Alice Terry, AWS representative; Carol Anderson, B.S.O. representative; Marilyn Tinney, projects chairman; and Jan Justice, editor.

UNION AWARDS BANQUET
Tech Union's 10th annual awards banquet will be at 6:30 p.m. today in the Union Ballroom. The banquet will honor students who have contributed outstanding service to the Union program during the past year.

Alb Messer, director of the student union at Oklahoma State University and past president of the Association of College Unions, will speak on "What Does Union Mean to You?"

The banquet is open only to those receiving awards.

EXPLORATION PARTY

The Tech Antarctic exploration party will present a resume of their experiences while exploring the Shackleton Glacier area of the Trans Antarctic mountains. Colored slides and movies will be used to illustrate the talk.

Students and others interested are invited to attend the meeting at 7:30 p.m. today in Chemistry Bldg., room 101.

Members of the exploring party are F. Alton Wade, head of geoscience; W. L. Yeats, instructor; David W. Greenlee, research assistant; all of the geoscience department.

YOUNG REPUBLICANS MEET

The Young Republicans Club will meet at 7:30 p.m. today in room 205 of the Tech Union. The meeting is the annual business meeting of the club, and new officers will be elected for the coming year.

Now a clean-filling, smooth-writing, money-saving Parker cartridge pen... only \$3.95
New PARKER ARROW

This pen can save you money on cartridges. Parker Super Quink cartridges are BIGGER and last longer (each is good for 8 or 9 thousand words). But, even if you didn't save a dime, this pen would be worth the extra price. It's a Parker.

And only Parker gives you a solid 14K gold point tipped with plathanium—one of the hardest, smoothest alloys ever developed. It should last you for years no matter how much you use it.

The pen won't leak the way cheap ones do. It has a built-in safety reservoir, and meets most of the tough specifications we set for our \$10 pens.

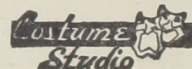

If you have trouble saying it, say it with a Parker. If you're a little shy and have difficulty saying "I love you" or even "I like you very much"—say it with a Parker.

The new Parker Arrow makes a beautifully expressive gift and looks as if you paid a small fortune for it.

The new Parker Arrow comes in black, dark blue, light blue, light gray, and bright red, with a choice of four instantly replaceable solid 14K gold points. Includes five free Super Quink cartridges with pen-protecting Solv-X (49¢ value).

Red Raider Nine Splits Series With Highlands

After dropping the initial game of the series, the Texas Tech Red Raiders came back to take a twin-bill from New Mexico Highlands University, 4-3 and 7-4.

The double win upped the Raiders to an even .500, 9-9 record.

The Raiders exploded in two innings as the Cowboys fumbled the ball game away.

Tech coupled four hits with two Poke errors in the second inning of Saturday's first game, to score four runs and hold on to the win.

Frank Ray, who was relieved by Dave Tartar in the sixth inning of the first game, got credit for the win.

Dennis Ruitosi, charged with both losses, was driven to the showers in the second game on back to back homers by Doug Cannon and Billy Gayle Wilson. It was the first of two homers for Cannon, as he hit another in the fifth with two mates on the sacks.

Tom Villareal of the Pokes hit three run homer in the bottom of the seventh to blemish a sparkling pitching job by Kippy Williams, who received credit for the victory.

Anderson - Led Reds Outlast Whites, 21-18

Donny Scores 2 TDs, Gains 108 Yards

By ARTIE SHAW
Toreador Sports Editor

A fellow that J T King hopes will lead Texas Tech up the stairs and out of the depths of the Southwest Conference cellar paced the favored Reds to a 21-18 victory over the Whites.

Donny Anderson, the 198-pound triple threat, raced for two touchdowns to pace the Reds.

The Stinnett sophomore gained 108 yards in eight carries, as he compiled his most impressive statistical record of spring training.

The contest, the rubber game of the series, was the fifth and final intrasquad skirmish of the spring.

Elledge Passes

Anderson grabbed a short pass from freshman quarterback Ben Elledge early in the first period, and twisted, turned and squirmed for 12 yards and the first Red touchdown. He displayed speed and agility as he left White defenders spread out in the dirt the entire distance to the goal.

About midway in the third quarter the Stinnett Flash grabbed an Elledge pitchout, and streaked down the sideline 86 yards to paydirt.

Senior end David Parks, determined to enshrine his name in the annals of Tech football, picked off a Danny Scarbrough pass just minutes after Anderson's run and scampered 48 yards for the other Red touchdown.

Wilson Paces Whites

Freshman Tom Wilson of Corsica, outshadowed up to this point by Elledge and Scarbrough, lead the Whites to all three of their touchdowns.

After a booming "coffin corner" kick by Anderson, the team of Wilson and Scarbrough guided the Whites 99 yards to the other goal and was rewarded by Hal Hudson's two-yard plunge to paydirt.

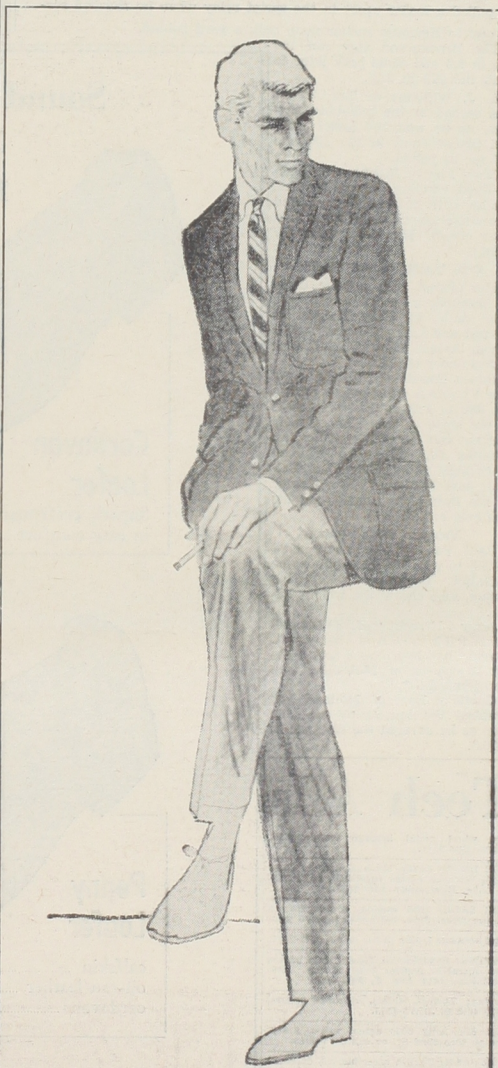

Late in the second quarter, Wilson plunged over from two-yards

out to score the second White touchdown.

Deep in the final stanza Leo (The Lion) Lowrey bulled his way over from the two for the Whites final score.

The Whites did not complete an extra point effort all day, as they tried for the tough two-point conversion each time.

Fullback H. L. Daniels kicked all three of the Red's extra points.

Rice Defeats Tech Netters

Texas Tech's netters grabbed only one doubles match in losing to Rice, 5-1, on the Varsity Courts Saturday.

Texas Tech, which ousted Rice from the first spot with its single point, is now resting in third, within striking distance of second.

Junior Beau Sutherland and Beau Kothmann were the lone Raiders to salvage points for Tech, as they downed Dale McCleary and Frank Bertram, 6-2, 1-6 and 7-5.

Fritz Schunck, who twice held match point on Trinity's Chuck McKinley last week beat Daryle Allison, 6-3, 6-4.

The Southwest Conference Tennis Tourney will be held in Waco, May 9-11.

Brownwood Grabs Red Raider Relays

The Brownwood Lions, led by sprinter Jerry McCullough, edged out Kermit Saturday to win the annual Red Raider Relays. McCullough, who netted 24 points, led the Lions past Kermit and Denver City. Kermit scored 50 points and Denver City got 38, as the Lions clinched it with 56 points. McCullough, a member of last year's AAA champs, almost pulled a major upset in the sprint relay when he finished second to Kermit's anchor man, only a yard behind.

The Brownwood star ran the 100 in 9.9 and came back later to grab the 220 in 21.5.

A. J. Williams of San Angelo was second in the individual ratings, as he won the broad jump and placed third in the 100 and 220 for 22 points.

Craig Fox of Stephenville placed third, winning the low hurdles, placing fifth in the high jump and was a member of the winning mile relay team. His total was 17 points.

Pole Vault Record Holds
The closest that anyone came to breaking a record was in the pole vault, as Gary Hobson of Kermit and Larry Moon of Dallas Bryan Adams cleared 13-6, four inches under the record.

James Cowell of Dimmitt set a new Class AA standard, as he ran the 880 in 1:56.5, the lowest time in the state in that class. Cowell had not run the 880 in under two minutes flat until the regional track meet two weeks ago, and almost beat Midland's Eddie Shirley at the Relays, as Shirley ran the half-mile in 1:55.7.

Vasquez Wins Shot
Raul Vasquez threw the shot 55-9 1/2 to win in that event, as he defeated Brownwood's Doug Young, who threw the weight 52-8 1/2.

Jerry Utrecht of O'Donnell jumped 6-3, and won that event. Utrecht had less misses than Robert Seagroves of Muleshoe, who also jumped 6-3.

Geoffery Earl of Midland Lee grabbed the laurels in the mile run, as he covered the distance in 4:26.3.

UT Downs Tech Golfers

The University of Texas, led by Bill Munn, killed all hopes of a Texas Tech Southwest Conference golf championship as they strappated the Raiders 5-1, Friday. Richard Yates was the only Raider able to salvage a point, saving the Raiders from total disaster. Yates gained his point by downing Pat Thompson, 4-3. Munn, the number one man for the Longhorns, was pitted

against Tech's top golfer Bruce Dobie. What was supposed to be the top match of the day turned out to be a rout for the Texas ace as he won going away. Both players halved the first 10 holes, then Dobie seemed to lose his touch, as he lost four of the final seven holes played. Final score was 3-1 in favor of Munn. Tech's number two man, Housty Brewer, lost to the

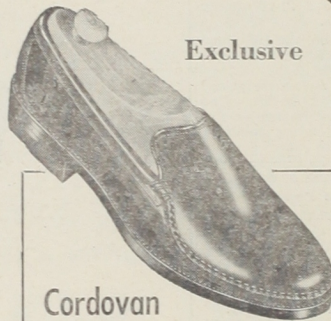

Longhorns' Randy Geiselman, 2 and 1. Jim Davidson, playing as the number 4 man for the Raiders, lost 4 and 3 to big Oscar Goode. The only bright spots in the day as far as the Raiders were concerned were the fine 33s shot on the front nine by Dobie and Yates. By losing to the Longhorns Tech dropped to fifth in the standings, while Texas moved up to fourth.

Outstanding Performances Highlight Speech Dramas

In Keller Story Dark Versus Light

By NANCY MILLER

Toreador Amusements Editor

The world, to a child, is a jungle of sounds and colors that take form and shape as he grows older and begins to understand them. Using his eyes and ears, he absorbs impressions and puts them together in the pattern that eventually forms the fabric of his life.

But what if the child is blind and deaf? What if he has no means of gathering these impressions? The world, to this child, is a haze of grey, with no means of communication and no motivation, save the basic instincts.

Helen Keller was a child such as this. Blind and deaf from illness, she groped through childhood relying on touch, and temper tantrums, to live. Her parents,

with a cruelty born of despair, talked of putting her in an asylum for the insane. She was alternately slapped and loved, and she responded by striking out and crying meaninglessly.

And then another person came into her life. Her parents, as a last resort, hired a teacher. That teacher was Anne Sullivan.

The story of Helen Keller's emergence from her dark world is told beautifully in "The Miracle Worker." Ann Bancroft, as Anne Sullivan, is iron-willed and determined and convinced that her pupil is more than an animal. And Patty Duke, as Helen Keller, is superb.

The movie is amazingly free of the usual Hollywood trappings, filmed in stark black and white, and containing not one unneeded line of gesture.

It is hard to say which scene is the best, since the Academy Award winning actresses Bancroft and Duke play all of them as though acting were a craft instead of a profession. One of the most memorable is the struggle in the lining room, when Anne Sullivan teaches Helen to fold her napkin.

The movie is undoubtedly one of the best to be released in the last few years. It is played with an intensity rare in today's productions. No part, no gesture, no line is neglected. From the first hysterical, "She's blind!" when Mrs. Keller looks closely at her child, to Anne Sullivan's triumphant "She knows!" when Helen spells out "water" over and over in a frenzy of discovery, the movie is a masterpiece. The viewer will leave feeling as though he too has emerged from a dark world to one of light.

"The American Dream" and "The Zoo Story" premiered Monday to a sparse opening-night crowd, but the cast played as though the theater were crammed with world-renowned notables.

Overcoming the difficulty of playwright Edward Albee's sometimes incomprehensible message, they presented his terse plays quite well, with performances of particular intensity by Judy Eaton and Fred March.

"The American Dream" dealt, rather vaguely, with the American Scene, its facts and fictions, joys and sorrows, in dialogue honed to a knife edge. Marilyn Marek, as Mommy, is a deadly caricature of Momism, from her continual browbeating of Daddy to her sugar-coated bowing to Mrs. Barkley, the volunteer worker. Daddy, the damp, cringing "yes man" is played by Bob Adams, whose portrayal will make every man in the audience who has ever said yes to a woman flinch.

Judy Eaton, as Grandma, has her part down pat from gestures to quavering speech. She emerges as a composite of all elderly people, and leaves the viewer with the impression that she is the only sane member of an insane world in a particularly perceptive performance.

Michele Roberts, as Mrs. Barkley, takes a swipe at the "professional women" of the world, who are bent on doing good but have no idea why. She is a competent, if confused, volunteer worker, but her interest in The Young Man makes one wonder just what goes on during her off hours.

Charles Benton, as the Young Man, is the American Dream, but one realizes that one day he may turn out as the American Nightmare. He runs, in his performance, from fair to good. But he still has traces of a West Texas accent that tend to mess-up such lines as, "I lived on the West Coast a long time."

If there is any fault with "The American Dream," it lies in the play itself and not in the acting. Albee's efforts are praiseworthy, but he leads the viewer from a normal world into a maze of confusion and doesn't quite lead him out again. The play possesses an original style, but style is not enough. There must be a clarity of thought in order to capture the imagination. And that is what is lacking in "The American Dream."

"The Zoo Story," however, is indeed another story. It does contain the all-important clarity of thought. Coupled with the above-average acting, it provides an hour of terrific intensity that is well worth seeing.

And it is cast well. Fred March, as Jerry, is an agony of loneliness that plucks and then tears at the heart. In possibly one of the best performances at Tech this year, March runs from the heights and the depths, taking the

viewer with him. And all the while, he is desperately trying to "make contact" with Peter, the respectable middle-class individual to whom he is talking. There is no other word to describe March's performance than "superb."

Jim Slaughter, as Peter, the publishing man, is stuffily good as respectability wrenched from its element and thrown into a situation over which it has no control. He methodically beats away Jerry's plea, and makes him say "Thank you" in a crashing climax.

The plays are marked with performances of spectacular brilliance. They are more than worth seeing for the acting. In the speech department's latest offerings, the casting director should take honors along with the performers.

FAVORS A&M 'COEDS'

AUSTIN (AP)—The House refused 71-39 Tuesday to let a legislator introduce a bill to keep girls from attending Texas A&M.

Rep. Will Smith of Beaumont said many former Aggies sought the bill. A two-thirds majority would have been needed for permission to introduce the measure.

Union Directs Interesting Poll

A recent poll conducted by the Tech Union Public Relations Council asked the question, "Would you be interested in a program for married students?"

Since most of the students polled were single, the response was mainly negative. However, a few showed interest and suggested functions and services such a program should offer.

One married couple interviewed, Mr and Mrs. Leroy Cebik, had some definite ideas on the subject. Leroy, a junior philosophy major from Stratford, Connecticut, thinks that the Union should first publicize its present events in a way which would appeal to both married and single students. In this way married students would not feel cut off from the rest of the student body by a "special program."

"A nebulous committee, perhaps made up of one person from each present Union committee, should be created to investigate before any program aimed specifically at married students is attempted," Cebik said.

His wife, Mary Helen, a junior home economics major from Big Spring, pointed out that time and money are a problem for married students. She suggested that if the Union does offer a program aimed specifically at married students, it should be offered on a monthly basis and at reasonable cost.

Mary Helen added that she would like to hear speakers on budgeting and other such subjects of interest to married students.

Exhibits on home decoration, films and reasonably priced babysitting were some of Leroy's suggestions. He believes that married students would participate in such a program; however, he pointed out that there would be considerable difficulty in planning the program effectively.

LA VENTANAS DUE SEPTEMBER 1

The 1963 La Ventanas are expected to arrive on campus September 1, 1963, and will be distributed to students beginning the first day of registration for the fall semester.

Those students who will graduate this spring and summer and those students who simply will not return next semester, and who purchased a 1963 La Ventana, are to go by Room 102 of the Journalism Building to make arrangements for mailing of the book to you.

There is a \$1 charge for mailing and handling of the La Ventana, and it should be given along with your new address. Don't be left out when it comes time to receive your new La Ventana.

Raiders Blank Aggies As Allison Bows Out

Daryl Allison and the Tech netters whitewashed Texas A&M Monday, 6-0, to regain third place in the final Southwest Conference standings.

Allison, senior, disposed of the Aggies' Richard Barker, 6-4, 4-6 and 6-3. Both are No. 1 players on their respective teams.

Allison and Robert Peterson defeated Barker and Ricky Williams in the No. 1 doubles match. The Tech duo had to come from behind to win, 4-6, 8-6 and 10-8.

Despite the lopsided Tech victory, Coach Omar Smith's Aggie quartet put up a tremendous battle, driving the Tech netters to split sets in all but one match and forcing five others to deuce. Two of the sets were extended.

The Raiders were one point ahead of the Aggies before the match and needed only a 3-3 tie to clinch their place in the conference.

Others Have Trouble

Tech's No. 2 and No. 4 men, junior Greer Kothman and sophomore Robert Peterson, had difficulty in their matches.

Kothman dropped his first set to Carroll Kell 6-3, before rallying to win 6-2, 6-3. Peterson ground out a 6-4, 3-6 and 6-1 decision over Albert Aldrich.

Junior Beau Sutherland, playing No. 3, had to extend the match to one hour and 50 minutes to triumph over Williams. Sutherland won the first match, 6-1, fell back at the Aggie's rally, 4-6, and finally broke his service to win 6-3.

The No. 2 doubles match went the minimum of two sets, as it was the only match of the day not split. Kothman and Sutherland knifed through Aldrich and Dean Dyer, 6-1, 6-0.

Tech amassed 21 points over the season, while losing 15.

The Raiders meet Hardin-Simmons and ACC before they travel to Waco to compete in the Southwest Conference tennis tourney.

FROM THE BENCH by artie shaw

Daryl Allison helped the Texas Tech netters wipe out A&M's Aggies Monday and walked off the court, through with regular season SWC tennis competition.

Daryl Allison has won three varsity letters at Tech and deserves 20 more for his meritorious service to Tech and to Tech tennis.

Fierce determination and a burning desire are the mainstays of Daryl's character, according to his coach, George Philbrick.

"Daryl, being our number one player, always has to play the toughest players in a contest with another team. And most of the time these players have years of experience over Daryl, but this doesn't hamper him any. He stays in every match through determination and desire."

Next year Tech's varsity tennis squad will have to take the court without a great sportsman. So at this point I would like to join with Sigma Delta Chi, Polk Robison, George Philbrick and many others in saluting Daryl Allison — an attribute to Texas Tech.

EVERYBODY LOVES A GLOVER

Last year's freshman basketball team could easily go down in the annals of Tech sports history as the greatest that ever was. Dub Malaise, Bob Measles, Norman Reuther and company were a crew of frosh that turned every school for miles around green with envy.

But next year, a great new name will come into the limelight of freshman basketball. The name of Bob Glover of Dallas Jefferson.

During his senior year Glover was named to various All-Star teams, including All-Tournament in AAAA.

The reasons are obvious.

During his senior year the 6-5 Glover averaged 20 points per fracas and snatched almost as many rebounds.

Taking one particular game, he scored 30 markers and speared 27 rebounds in the regional battle with Denton.

The sharpest - shootin' Rebel of them all will be at Texas Tech next fall to play for the Raiders.

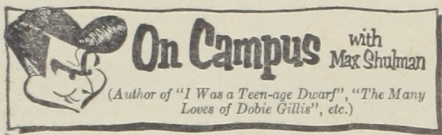

With prospects like this, whose basketball future could look more rosy?

THIS SOUNDS FAMILIAR

Over in Porkerland the annual intrasquad skirmish looks like another toss-up. There's no let down on anybody's part. The veterans consider this the toughest contest of the year.

The reasons for this type of behavior aren't too hard to fathom.

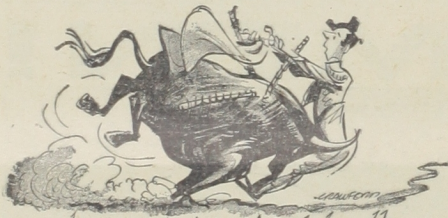

Take a squad of 60 to 70 sophomores—eager red shirts and seasoned squad men—tell them all they're fighting for 11 positions on next year's squad, and then stage the whole "shebang" in front of 15,000 squealing fans, and you've got to have a blowup somewhere!

HOW TO SEE EUROPE FOR ONLY \$300 A DAY: NO. 3

When all of you go to Europe during your summer vacation, you will certainly want to visit Spain, where the tall corn grows,

The first thing you will notice upon entering Spain is the absence of sibilants. In Spain "s" is pronounced "th" and thereby hangs a tale. Until the reign of Philip IV—or Guy Fawkes, as he was sometimes called—Spaniards said "s" just like everybody else. Philip IV, however, lisped, and Spaniards, having an ingrained sense of propriety and not wishing to embarrass their monarch, decided that everybody should lisp. This did indeed put Philip IV very much at his ease, but in the end it turned out to be a very bad thing for Spain. It wrecked the sassifras industry—Spain's principal source of revenue—and reduced the nation to a second-class power.

to keep body and soul together

As a result, Spaniards were all forced to turn to bull fighting in order to keep body and soul together. Today, wherever you go in Spain—in Madrid, in Barcelona, in Toledo, in Cleveland—you will see bulls being fought. For many years the bulls have sought to arbitrate this long-standing dispute, but the Spaniards, a proud people who use nothing but Castile soap, have rejected all overtures.

It is therefore necessary for me to explain bull fighting to anyone who is going to Spain. It is also necessary for me to say a few words about Marlboro Cigarettes because they pay me for writing this column, and they are inclined to pout if I ignore their product. In truth, it is no chore for me to sing the praises of Marlboro Cigarettes, for I am one who fairly swoons with delight when I come upon a cigarette which gives you the full, rich taste of good tobaccos plus the pure white Selectra filter, and Marlboro is the only smoke I have found that fulfills both requirements. Oh, what a piece of work is Marlboro! The flavor reaches you without stint or diminution. You, even as I, will find these statements to be happily true when once you light a Marlboro. Marlbors come to you in soft pack or Flip-Top box, and are made only by the makers of Marlboro.

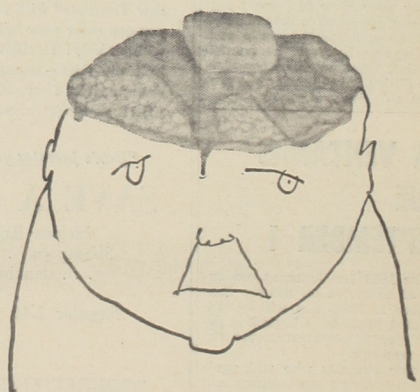

But I digress. Let us return to bull fighting. Bulls are by nature bellicose creatures who will keep fighting till the cows come home. Then they like to put on pipe and slippers and listen to the "Farm and Home Hour." However, the Spaniards will not allow the bulls any surcease. They keep attacking the bull and making veronias—a corn meal pancake filled with ground meat. Bulls, being vegetarians, reject the veronias and then, believe you me, the fur starts to fly!

To be perfectly honest, many Spaniards have grown weary of this incessant struggle and have left their homeland. Columbus, for example, took off in three little ships—the Patti, the Maxene, and the Laverne—and discovered Ohio. Magellan later discovered Columbus. Balboa also sailed to the New World, but he was silent on a peak in Darien, so it is difficult to know what he discovered.

Well sir, I guess that's all you need to know about Spain. So now, as the setting sun casts its rosy fingers over El Greco, let us take our reluctant leave of Spain—or Perfidious Albion, as it is jocularly called. Aloha, Spain or Perfidious Albion, aloha!

© 1963 Max Shulman

Let us not, however, take our leave of smoking pleasure. Let us keep enjoying those fine Marlboro Cigarettes—rich, golden tobacco—pure white Selectra filter—soft pack or Flip-Top box—available in all fifty States of the Union.

Distance Runs Prove Aggie Malady

EDITOR'S NOTE—This story is the third in a series on the upcoming Southwest Conference track meet presented by the sports staff of THE DAILY TOREADOR. The articles are based on the latest information from each of the sports publicity directors of the SWC.

If the Southwest Conference eliminated the dashes (and relay events) for 1963 — the track and field title would turn into a five-team battle for honors.

Here's where the rest of the league joins Texas A&M and Baylor in a full-scale festival. The distance field is well-spread

throughout the eight schools — with each having a candidate deserving of honors; and both A&M and Baylor will hardly gather a single point in the hurdle races.

Take the hurdles for example. Five teams figure in a scrap for high hurdle points — completely excluding the Aggies and Bears. Bobby May of Rice, Rex Wilson of Texas and Ronnie Biffle of Tech have each graced the 120-yard standards in 14.1. Still they don't have the market cornered. Arkansas has two men figured to be in the running, Ralph Brodie and Ed Renfrow; SMU's Bob Johnston has stayed with the leaders in earlier races; and even Rice and Texas have greater depth to claim other points. Verl Brown of Rice with a 14.2 is an example.

330 New Race

The league has shelved its long traditional 220-yard low hurdles for the new 330-yard intermediate race. It's designed to prepare SWC hurdlers for the longer 400-meter hurdles of Olympic competition. The fastest time of '63 will become a certain record. Thus far — SWC runners have had little opportunity to ready themselves for this "off-brand" event — but the top names remain much the same. May has a 37.7 in a triangular meet; and Wilson is a half-step behind with 37.8 at the Border Olympics. Gary Collins of Rice is third best at 38.1; and both Brodie of Arkansas and Wayne Jordan of Baylor have been clocked in 39.1. Rapid improvement is possible

here with each new race.

Best Balance In 880

Moving into the distance field (880, mile and two mile runs) you'll find the best balance in the league. The half-mile should again see an exciting race between defending champ Brian Bolton of SMU (1:52.5) and Loy Gunter of Texas (1:53.3). No less than 12 men have run under 1:56.0 — representing six SWC schools. Jim Sebastian is A&M's best hope (1:53.7); Bill Sage of Rice has a 1:54.0; David DeBoer of Baylor is the top Bruin hopeful (1:55.4) and Arkansas has Haydn Hicks (1:55.9). Several of those schools can come up with strong second men.

Mile Run A Feature

The mile run should be a feature event of the Saturday finals. Mickey Wade of SMU has been clocked in 4:16.9; TCU's Marvin Silliman ran a 4:16.2 in the same meet (the Border Olympics); A&M has a trio of strong milers — Ilhan Bilgutay (4:18.5) Herbie Campbell (4:20.3), and E. L. Emer, 1962 two mile champion (4:23.6); Arkansas includes Deardorff (4:22.4); Tech has Jerry Brook (4:19.3); and the Baylor Bears boast two strong milers — DeBoer (4:19.0) and David Sergrest (4:23.8). Whether this crowded field can push the winner to a record performance (4:10.5) remains to be seen.

Moving to the afternoon's longest event, the two mile run, Emer will be a slight favorite. He has

U Of A Provides Busy Agenda

For the information of any Tech rooters or sports fans who may be going to Fayetteville for the SWC Meet, THE DAILY TOREADOR prints this schedule of activities for the May 9-11 period.

Thursday, May 9—The SWC golf tourney begins at 8 a.m. at the Fayetteville Country Club. 36 holes will be played Thursday and 36 Friday.

Friday, May 10—Golf tourney (medal play) continues, starting a 8 a.m. Meetings of officials, coaches and publicity directors. Track competition begins at 1:30 p.m. at the track stadium, with the preliminaries and some finals being run. Dinner for all visitors at 6:30 that evening.

Saturday, May 11—Faculty representatives conclude with a morning meeting, and the track finals begin at 1:30 p.m.

H-SU Boots Head Coach

ABILENE (P) — Jack Thomas, Hardin-Simmons University athletic director and head football coach, was fired Tuesday for what a school official said was "failure to follow administrative directives."

The university was recently placed on football probation for two years after the NCAA found that 32 high school football players had taken part in a competitive gridiron workout for Hardin-Simmons athletic scholarships.

Thomas, a line coach at Texas A&M before coming to Hardin-Simmons in Jan., 1962, said he did not have any immediate plans.

His dismissal was announced by George L. Graham, executive vice president of the university.
