

For New Fraternity

24 Men Sign Up

Twenty-four men had applied by Monday for membership in the founding organization for Tech's new fraternity, according to Thomas Stover, assistant dean of student life.

Applications will be taken through Wednesday in the Dean of Men's office.

Need 'Qualified Men'

"We need a group of qualified men who are interested and who can give their time to work on the organization of the fraternity," said Stover.

Interviews with the individual applicants will determine students with the time, grade average, and over-all character necessary for membership in the founding group.

If there is a good number of boys who qualify, there will be a group meeting of those who pass the screening to begin plans for formation of a fraternity. The

men will be taught the responsibilities, duties, and organization of a fraternity by IFC members.

Other Fraternities To Help

Establishment of a new fraternity will be aided by all of Tech's fraternities, Interfraternity Council, and the administration. The administration will make the final decision concerning the fraternity.

"The list of qualified boys will be submitted to interested fraternities," said Stover. "This way we can have a new fraternity by next fall."

2.0 Grade Point Required

All men interested in applying should have at least a 2.0 over-all grade average with 2.0 for the fall semester. They must be taking at least 12 hours of residence work this semester and must have been enrolled at Tech in the fall, officials said.

By ANN BROWN
Toreador Staff Writer

Mrs. Louise C. Allen will retire at the end of the spring semester after more than 30 years as a staff member of the Texas Tech journalism department.

Mrs. Allen's future plans include writing and research.

Collegiate and alumnae chapters of Theta Sigma Phi, women's professional journalism society, will honor the associate professor April 1 at their annual Matrix Table Banquet in Tech Union Ballroom.

PROF. W. E. GARETS, head of the journalism department said Monday, "Mrs. Allen has put in many years of loyal and faithful service to the journalism department and Texas Tech. The scores of former students who remain in contact with her year after year provide an example of the impact she has exerted as a teacher and friend. We wish her happiness and satisfaction as she moves from ac-

tive teaching to writing and research."

In 1938, Mrs. Allen sponsored formation of the Women's Press Club at Tech. It became the Alpha Upsilon chapter of Theta Sigma Phi in 1941.

THE RETIRING professor, active in civic life, in 1956 was named "Lubbock Woman of the Year."

The first edition of "Who's Who of American Women" in 1959 listed Mrs. Allen. In 1962-63, she was also listed in "Texas Women of Distinction."

Mrs. Allen was president of the Lubbock Women's Club in 1949-50, and of the Quarterly Club in 1952-53. She is now on the board of governors of the Tech Faculty Club and is president of the alumnae chapter of Sigma Kappa social sorority.

FOR MORE THAN 10 years Mrs. Allen has edited the official college bulletins.

She co-authored a textbook, "Radio and Television Continuity Writing," published in 1962.

Since 1945, Mrs. Allen has written monthly articles for "The Progressive Farmer." Her syndicated human interest column for women, "Lipsick Logic," has been featured in area weekly papers since 1947.

THE TECH professor maintains contact with as many ex-journalism students as possible and reports news of former students in the semi-annual departmental publication of "Texas Tech 'J' News."

Mrs. Allen said, "I waited until I thought that I could be happy retiring. I may not be entirely satisfied for a while, but I am looking forward to doing more writing and research. Most of all, I shall miss the contact with the students, for working with bright students keeps anyone young."

MRS. LOUISE C. ALLEN

Petitions Due Today For Spring Elections

Anyone planning to run for Student Council office or cheerleader in the spring elections must file and pick up petitions today.

Coronado Room Open

The Union Coronado Room will be open from 6-8 p.m. so that all candidates can come by to take out official petitions, fill out eligibility forms and pay filing fees. Fees for all positions—SC executive officer, SC representative and cheerleader—are 50 cents.

"Tonight's meeting will be the only chance for interested persons to sign up, and if they fail to come by, they will not be able to run," Judy Price, member of the SC Elections Committee, said Monday.

Petitions Require 500 Names

Petitions for executive offices and cheerleaders require 500 names. Petitions for representatives need 100. All petitions are to be returned to the SC office by noon Monday.

"After the petitions are in Monday," said Karen Anderson, Elections Committee chairman, "candidates may begin oral campaigning, that is, speaking to campus organizations and groups, but no sound trucks or PA equipment will be allowed on campus."

Campaign Dates

Regular campaigning for executive offices and cheerleaders will begin April 16, and representative candidates will start April 19. Elections will be April 19 for

the cheerleaders and executives, and balloting for representatives will be April 24.

Tech Women To Be Feted

Tech Woman of the Year and Faculty Woman of the year will be announced April 2 as part of the annual Women's Day activities.

Coeds, sponsored by women's organizations on campus, were nominated on the basis of their record of services and participation at Tech. They are all seniors with at least a 2.5 overall.

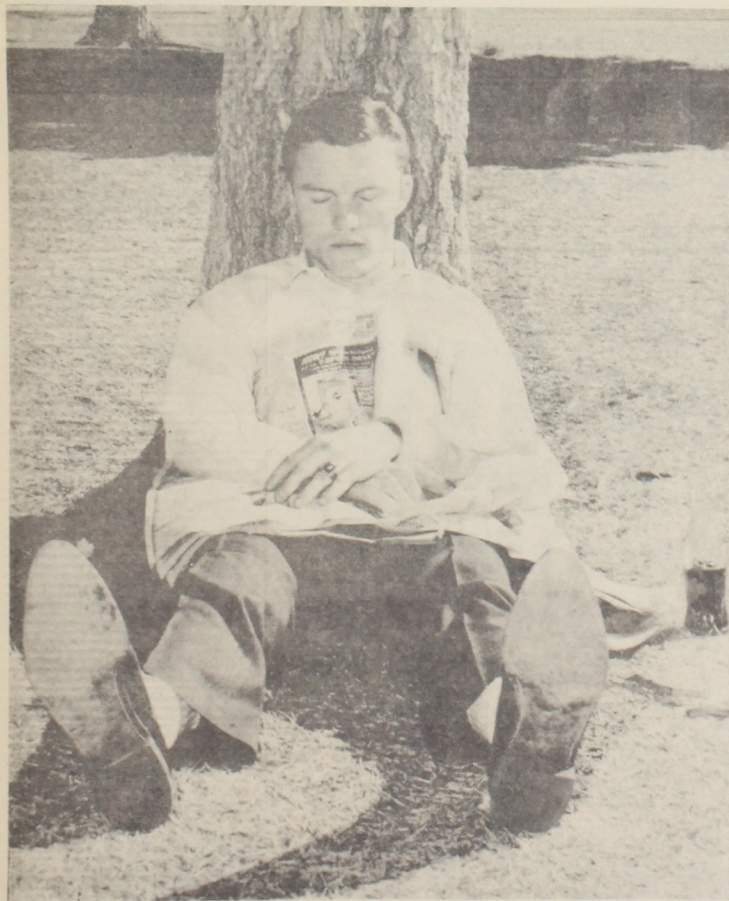

Those nominated are Judy McKinnon, Annette Sims, Anita Queen, Kay Kagay, Nickie Woeffel, Ginger Butler and Judy Cowger.

Also Rowena Williams McKinzie, Robbie Ramsey, Sunny Palmore, Nancy Vincent, Evangeline Young, Anne Weaver, Janet Leachman, Kristi Martin and Shelley White.

Faculty members were nominated on the basis of their outstanding service to Tech.

They include Hope Oberhelman, Mildred Bettencourt, Jean Jenkins, Quannah Lewis, Mary Gerlock, Dr. Mary Brewer, Mrs. Floyd Boze, Mrs. Bryan Edwards, Dr. Elizabeth Sasser, Dr. Olive Wheeler, Ruth Cowart and Claire Quicksall.

Both women, following their selection by Tech coeds, will be guests of honor at a tea in the office of the Dean of Women.

HO-HUM, IT'S SPRING—And it's also spring fever time. At least it would appear so by looking at Robin Butler, El Paso junior, who seems to find the warm spring sunshine and a sturdy tree at his back the perfect combination—too perfect for studying. —Staff Photo

German Show Features Circus Acts, Magician

Magicians, fortune tellers, animal acts, songs, dances, circus acts and a puppet play will all be part of the fun at the German Club musical "Zirkus Liederkrantz" at 7:30 p.m. today in the Tech Union Ballroom.

PRESENTED AS part of International Week and written by the third year German students, the musical will be presented entirely in German. Admission is free.

A puppet play, "Das Gluckskind," ("Child of Luck") will feature Tech students Jane Smith, Erin Schmidt, James Avinger, Michael Davis, John McLaren, Harold Harstvedt, Ruth Francy, Mary Dee Harris, John Haschke, Lynn Sherrod and John Knight.

VOCALISTS FOR the play will be Jane Smith, Erin Schmidt, Nancy Bacon, Jan Cone, Roy Guster and James Murphy.

Lubbock children attending Tech's Kinderschule will sing "Der Froehliche Wanderer" and "Schlaf, Kindlein, Schlaf."

Penny Thornall, circus choreographer, and her troupe will present two original dances, "Leichtenstein Polka" and "Die Holzauktion."

MAGICIAN DAN Johnston, fire-

baton twirlers Carolyn Davis and Carol Brashear, "The Flying Matadors," Indian dancer Talford Blessing and Jim Slaughter and his dance team will appear on the program.

The show, co-sponsored by the Tech Union, is under the general direction of Roy Guster. Musical director is Tommy Bacon.

Math Prof Feted By Honor Groups

Mrs. Margaret Bailey, mathematics instructor, was named "Outstanding Teacher" at a banquet Saturday honoring Phi Eta Sigma and Alpha Lambda Delta members.

Patrick R. Harris was chosen outstanding sophomore of Phi Eta Sigma, men's honor society based on freshman grades. Alpha Lambda Delta is a freshman women's honor society.

Approximately 200 persons attended the banquet as did President and Mrs. R. C. Goodwin. Dr. Joseph R. Smiley, president of the University of Texas, spoke to the scholars.

SIGMA CHI SWEETHEART—Miss Maryneil Ward was chosen sweetheart of Sigma Chi at the annual dinner-dance of the fraternity Saturday night. Miss Ward is an Austin sophomore and a member of Zeta Tau Alpha. She was escorted by Dayton Adams.

Phi Mu Alpha Slates Annual Spring Sing

Techsians are getting into voice for spring.

Ten sororities and two fraternities have officially entered Phi Mu Alpha's annual spring sing-song to be held April 19 in Municipal Auditorium.

THE SORORITIES are Zeta Tau Alpha, Alpha Phi, Kappa Kappa Gamma, Delta Delta Delta, Alpha Chi Omega, Pi Beta Phi, Sigma Kappa, Gamma Phi Beta, Delta Gamma, and Phi Mu.

The two fraternities are Phi Gamma Delta and Alpha Tau Omega.

All fraternities and sororities are eligible to enter. Applications may be obtained in the Music Bldg., room 101. A \$25 fee will be charged all entrants and will be due April 1.

"NO PROFIT will come from

this fee. It will cover all expenses for the sing-song and take care of the trophies," said Jim Sudduth, a spokesman for Phi Mu Alpha.

First, second and third place trophies will be awarded in both the sorority and fraternity divisions.

All categories of music are open for selection for the sing-song. Each sorority and fraternity will sing a fraternity song and one other selection of its choice.

GAMMA PHI BETA drew first place honors last year with its presentation of "Tantum Ergo" and "Romeo."

Phi Kappa Psi placed first in the fraternity division with "Noble Fraternity" and "Al Olivo."

Judges for the contest are Dr. Robert Clinton, Snyder; A. Verry, Brownfield; and Joe Carroll, Roswell.

AT THE CONCLUSION of the program Phi Mu Epsilon, women's honorary music fraternity, and Phi Mu Alpha will sing selections from "West Side Story."

Professor, Coed Chosen Officers

Ralph Sellmeyer, assistant professor of journalism, was named vice president of the Southwest Journalism Congress Saturday at Denton.

Johnnie Lu Raborn was elected secretary of the Student Press Club. Miss Rayborn is society editor of **THE DAILY TOREADOR**.

The three-day conference drew 300 students and teachers from 15 journalism schools in Texas, Oklahoma, Arkansas and Louisiana.

ESTES TRIAL NEARS END

EL PASO (P) — Lawyers concluded final arguments in the Billie Sol Estes fraud trial Monday and jurors were told they would receive the charge of U.S. District Judge R. Ewing Thomason Tuesday morning. Four defense attorneys told the jurors during a day of argument that Estes is innocent and that the people he is accused of defrauding are co-conspirators.

Speaking Of Tech

Way Out Wehrle Cites Individualism

By SUE WALKER
Toreador Staff Writer

John Wehrle draws "way-out" cartoons for THE DAILY TOREADOR.

And an interview with Wehrle is way-out experience.

"I used to try to be different. Then I figured out I was working from the wrong end. Anybody who questions things is an individualist," said the senior advertising art major as he worked on an illustration.

WEHRLE SAT ON a tall stool, answering questions without missing a stroke of his artist's brush. "You don't have to live in a cave to be an individualist."

Now 21, the cartoonist said he started drawing in the fourth grade to compensate for a weakness as a baseball hitter. Later he drew cartoons for his high school paper.

WEHRLE ESTIMATED that he has submitted 100 cartoons to THE TOREADOR in the past three years. He said he strives for hidden meaning and tries to be subjective rather than objective.

Asked if his cartoon "messages" ever caused trouble, Wehrle replied, "If they pleased everybody, they wouldn't do much good."

WEHRLE SAID HE often tries to sell his cartoons and has a rejection slip from "everybody that counts." Lack of sales doesn't worry Wehrle. He considers the rejection slips impressive status symbols.

Wehrle's cartoons show definite influence of his favorite cartoonist, Jules Feiffer. His favorite subjects are an elephant and aardvark.

"But dorm supervisors feeling as they do about elephants, I sometimes have to leave Fred, my elephant, at home," he said wryly.

"I LIKE TO DO lots of things," Wehrle rambled. "I like to draw to music. I like to write folk songs and find it exciting to sing. I like water colors, line drawings, pretty girls, fresh bread, the ducks at Mackenzie Park, people who think and pretty summers."

"I wouldn't want to be normal; normal people are usually dull. They accept a thing because it is, it always has been, and it always will be. Truth cartoons are my status symbol. I search for truth."

EVERY DAY IS exciting. The sun goes up and down, the grass grows, and I search for truth. I change my mind every day. I try to be more objective and find an absolute way, or at least the way that works best for me."

Wehrle never runs out of cartoon ideas.

"I don't believe in sacred cows. There is very little around that isn't humorous," he said. "It is just seeing the humor in it. I make fun of things I believe in. I'm not a sacred cow either."

THE CARTOONIST dreams of seeing things, meeting people, finding new ways of doing things, learning, painting and drawing. He doesn't like to feel tied down, so he doesn't save anything, not even his own art.

Wehrle is completely unconcerned about his work. He either loses or gives away most of it. Asked about a recent painting, he confessed he had temporarily misplaced it.

Where is it? "If I knew, it wouldn't be lost."
Such is the world of Wehrle.

LECTURE SLATED TODAY

Mr. and Mrs. Durwood Howell will lecture on their experience as residents of Brazil for seven years to Portuguese language students today. The lecture is scheduled for 7 p.m. in the Tech Union Blue Room. The public is invited. A special invitation has been extended to the Latin American bloc of the Tech Model United Nations.

Government Inspects Tech Army ROTC

Federal inspection of the Tech Army ROTC unit will be 4 p.m. Thursday.

Inspecting officers are Col. L. T. Ayers, Major G. L. Jared and Major T. H. Fletcher of the Personnel Services Division of the 4th Army Headquarters at Ft. Sam Houston.

The annual review will evaluate everyone from the basic cadet to the detachment commander. The inspectors will go through the ranks to observe each man, then get an overall picture in a pass and review. The student body's attitude toward ROTC will also

affect the rating.

"THE RATING will be for the school, not the individual," said Gerald Brown, brigade commander at Tech. "When a Tech ROTC man applies for a regular commission, his school evaluation will affect his chances."

IBM

DATA PROCESSING DIVISION

Interviews On Campus Apr. 2, 3 Marketing & Sales Systems Engineering

World of opportunity at IBM . . . If your major is accounting, business administration, economics, engineering, mathematics, science, or liberal arts, apply now for an interview with one of America's leading growth companies. Your college placement office can give you additional information about opportunities in the dynamic field of data processing. Openings will exist in our marketing division, at more than 190 sales and service offices located in major cities throughout the U.S. Extensive training programs will prepare you for an unlimited future in data processing. IBM is an Equal Opportunity Employer.

Careers with a future at IBM . . . *Marketing/Sales:* The Data Processing Representative is a consultant to his customers in business, science, industry, and government. He calls on customer executives, giving timely information, presentations, and demonstrations for better business management and controls through data processing. *Systems Engineering:* Data Processing Systems Engineers are men and women who study customer requirements in depth, devise the best approach, define a preferred machine and operational solution, and assist in the implementation of this solution.

Room for advancement at IBM Challenging and rewarding work at IBM can be found in developing more efficient data processing methods for business management. You can advance within your academic specialty and beyond, along a planned career path to professional or managerial positions. IBM practices promotion from within the company. Advanced education programs — such as tuition-refund courses at nearby colleges, company training for industry specialization, and graduate-level study at the IBM Systems Research Institute — provide opportunities to branch out into new areas.

If you cannot attend the interview, write or call: D. B. Stuart, Br. Mgr., IBM Corp., 1207 13th Street, Lubbock, Texas. PO 2-0855.

Freshmen Golfers Win; Tracksters Score Upset

Texas Tech's freshman athletes had their best efforts of the year, competition-wise, in golf, baseball and track last weekend.

Actually the baseball wins over South Plains came Thursday, but the frosh this season have compiled a perfect slate of five wins. Today the Pics will meet Odessa College in Odessa with Rick Freyogel expected to start on the mound.

The frosh track team pulled a fancy upset over the Abilene Christian freshmen, 65-63, in a meet on the Tech oval Saturday.

Tracksters Get Seven Firsts

The freshmen thinclads romped to seven first places and several point-getting places to beat out the late charge of the Wildkittens.

Steve Stephens took the shot put with a heave of 47-3; Dale Edgeworth won the broad jump with a distance of 22-4 $\frac{3}{4}$. The mile relay team composed of Harold Nippert, Mack Highfill, Gary Cook and Leslie Lee edged ACC in 42.7. Ron Davis ran away from the Wildkittens' big gun Frankie Flores, in the mile to win in a time of 3:28.7.

Bobby Carbone took the javelin throw with a toss of 179-6. Highfill won the 100 in a time of 10.4

into a strong wind. Don Wagner won the discuss throw to give the Pics a sweep in the weights with a 127-9 throw.

Golfers Sink McMurry

Led by Steve LaCron's medalist 76, the Picador golfers crushed

McMurry Friday on the Meadowbrook links.

LaCron edged past McMurry's top linkster, Jerry Neely, 1-up. Other golfers taking wins for Tech were Doug Ehle, Jim Ferrill and Joe Huber.

Varsity Track Team Loses To Colorado

The varsity Red Raider track team had to struggle to get points in the wind-swept dual meet between Tech and Colorado here Saturday. CU won 80 $\frac{1}{2}$ to 35 $\frac{1}{2}$.

The Raiders won only two events—the 440-yard dash and the mile relay.

Norman Donelson was the only individual winner for the Raiders as he turned the oval in 48.3 the 440. The mile relay team of Donelson, Gary Don Bove, Richard Vogan and Noel Carter outran a hustling Colorado team to win in 3:16.8.

The Tech 440 relay team was barely edged 42.3 to 42.4. Jerry Brock turned in a 4:23.5 to take

second in the mile; Twink Terry jumped 6-1 $\frac{1}{4}$ to take second in the high jump. Walter Cunningham ran second in the 100-yard dash with 10.2 against the wind.

Ronny Biffle was second in the high hurdles and intermediate hurdles. Bove ran second in the 80 and Frank Barker took second in the javelin and third in the discuss throw. Brock took another second with a 10:00.6 in the two-mile run.

Ticket Sales Close Friday

Friday is the deadline to buy tickets for the Women's Day banquet scheduled for 6 p.m. Tuesday. Tickets are on sale in the women's dorms and in the office of the Dean of Women.

Mrs. Hiram Cole Houghtan, guest speaker for the banquet, will speak on Challenges of the Day. The menu will include turkey and dressing, tomato juice, pear and cream cheese salad, corn, hot rolls and butter, strawberry shortcake and iced tea.

A tea, open to all Tech women students and faculty members, will be from 1.30-4 p.m. in the Dean of Women's office. A luncheon at noon in Drane Hall will honor the AWS executives and the Women's Day committee members. Tuesday morning the President's Hostesses will take Mrs. Houghtan on a tour of the Tech campus.

ARE YOU SURE YOU WANT THIS?—Mickey McIlwain, sophomore from Abilene, tries to purchase a ticket to the Women's Day banquet from Ann Orrick, Wichita Falls junior, who is banquet chairman. No men may attend the banquet, which will be April 2. —Staff Photo

Greek News...

Spring means many things to the Greeks at Tech — awards, initiations and philanthropies to name a few.

KAPPA KAPPA GAMMA
Sophomore Nell Ann Walter was presented the award for the highest average in the Kappa chapter at the annual Kappa Scholarship Banquet. Nell Ann had a 3.83 grade point average for the fall semester.

Other awards were presented to Karen Anderson, 3.8; Jane Smith, 3.8; and Judy Stewart, 3.7.

Ellen Hendrix won the award for the most improved grade average — from a 1.69 to a 3.2.

The big sister-little sister award went to Nell Ann Walter and Martha Welch.

KAPPA ALPHA ORDER
Pledges of Kappa Alpha are no longer pledges! They were initiated this past weekend.

New KA members are Johnny Carrington, Marshall; Griff Evans, Houston; Jim Bob Gibson, Plainview; Tom Gregory, Dallas; Jerry Happner, Mathis; Dale Jones, Lubbock; and Dave Kinderfather, Coffeyville, Kan.

Dale Jones was named Best Pledge.

ALPHA TAU OMEGA
At the ATO annual Founder's Day Banquet, Lynn Gibson, sophomore from Roby was presented the Outstanding Pledge plaque. Tom Ewens was recognized by the pledge class as Best Member, and he won a special commendation award for work as past president.

Charles Bennett, scholarship chairman, received the IFC scholarship trophy on behalf of the fraternity for highest grade point average for the fall semester.

GAMMA PHI BETA
The Gamma Phi's are busy planning an Easter egg hunt for 40 girls of Brownie Troop 242 at Guadalupe Center. About 400 eggs will be distributed Wednesday, April 3 for the group.

This is a special philanthropy sponsored annually by the sorority. Sandy Spillar is chairman.

Stories Due

April 1 is the deadline for short story entries in the La Ventana's "Post Magazine" section.

"We prefer the gayer, slick story for 'Post Magazine.' However, any type short story will be considered," said Travis Peterson, La Ventana co-editor.

Stories should run about 1500 words and must be turned in to the Journalism Bldg., rooms 209 or 211.

Stories will be judged by the La Ventana and "Post Magazine" editors. Manuscripts not used will be returned to the authors by April 22.

Applications Due Today For New Fraternity

Today is the last day to register for possible membership in the new fraternity to be established on Tech campus.

Pete Feather, IFC president, said eligible men should sign up in the Dean of Men's office, room 163. Qualifications for membership in-

clude a 2.00 for the fall semester and a 2.00 overall. Applicants should be taking at least 12 residence hours this semester.

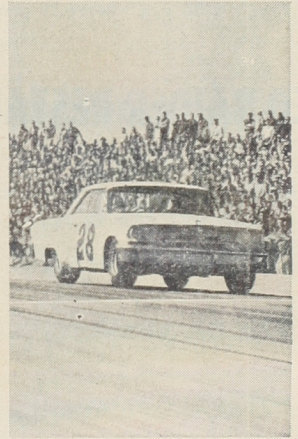

The interest shown by applicants along with the approval of the administration will determine the outcome of the new fraternity.

36 DAYS THAT CHANGED THE PERFORMANCE PICTURE IN AMERICA

In 36 days, starting with the Monte Carlo Rallye in January of this year, our products have posted a series of competition wins that have made performance history. Here's what has happened:

Three V-8 Falcon Sprints were entered in the Monte Carlo Rallye. This is not a race. It is a trial of a car's total capabilities. We did it (nervously) for the experience and with practically no sense of expectation, because we had not entered an event like this before. One Sprint ended the experiment in a snow-bank. But the others finished 1-2 in their class with such authority that they moved the good, grey London Times to say: "The Falcons are part of a power and performance plan that will shake up motoring in every country in the world." That was Number One.

Number Two was a double win in the Pure Oil Performance Trials. Fords captured Class 1 and Class 2 (for high performance and large V-8's). Both of these trials were for over-all points rolled up in economy, acceleration and braking tests.

Then, at Riverside in California, in America's only long-distance stock car event that is run on a road course (as opposed to closed circuit, banked tracks such as the track at Daytona), Dan Gurney pushed a Ford to first place.

The latest news comes north from Daytona. There in the open test that tears cars apart—the Daytona 500—Ford durability conquered the field. Fords swept the first 5 places . . . something no one else had equaled in the history of the event. In a competition — which anyone can enter—designed to prove how well a car hangs together, 9 Fords finished out of 12

entered . . . a truly remarkable record considering that over 50% of all cars entered failed to finish.

Why do we keep such an interested eye on competitions such as these? Is speed important to us? Frankly, no. The speed capabilities of the leading American cars are now grouped so closely together that the differences have no real meaning. To us, who are building cars, success in this kind of competition means just one thing: the car is strong. This kind of performance capability means that the car is so well built that it can stand up to normal driving—the kind of day-in, day-out demands you put your own car through—for thousands of miles longer than less capable cars.

In tests like the Daytona 500 and Riverside, we find out in an afternoon what might take us 100,000 test-track miles to discover. We learn how to build superior strength into suspension systems, steering systems, drive train, body, tires. Anyone can build a fast car. What we're interested in is the concept of "total" performance.

We believe in this kind of total performance because the search for performance made the automobile the wonderfully efficient and pleasurable instrument it is today—and will make it better tomorrow.

America's best-built, most-car-free car!

Petitions, Expense Forms Due Monday

(Continued from page 1)

Stan Jones, Elaine Walter, Marcia Winkleman, Vicki Pharr, Charlie Steinman, Lee McElroy, Holly Hunt and Barbara Sue Owen also filed for the positions.

Others were Ann Courtney, Pam Bodoin, Kay Taylor, Laine Whitcomb, Betty Jamison, Anne Moore, Nina Koepf, Jodi Conway, Anne Henson, Joe Waller, Jeannie Rook, Steve Magee and Jane Knight.

Those running for the eight positions in business administration are Bob Gindorf, David Beckman, Mike Farley, Cay Ramsour, Bob Tate, Bobby Newsum, Bobby King, Ronald Jackson, Jack Robbins, Clark Pfluger, Cril Payne, Roxie Ward and Mary Ann Duckworth.

Also filing were Sheila Helbing, James Hunter, Diane Baker, Bill Thornton, June Wyche, Genie Culbertson, Sandra Cox, Alida Selley, Berry Spradley, John Burdette, Pat Walker, Sue Ring, Jerry P. Peirce, Carolyn Wood, Becky Parker and Tommy Orndorff.

In the School of Engineering seven positions are open. The candidates are Bill Homerson, Craig Sutton, Jack McClure, Patricia Daniels, Jerry B. Brock, Ronnie Davis, Mike Moore, Robert Elliot, Mike Stinson, Earl McGlothlin, Charles W. Webb and Ken Patterson.

The School of Agriculture has three places open. Those running are James Laney, Garland Weeks, Mike Webb, Mike Andrews, Tim Bennett, Bob Whitson, W. J. Hill, Frank Finch, Johnny Barnhart, Fred Brockaska, Burl Maders and Sherry Bingham.

The following are running for two places from the School of Home Economics: Jenanie Cratton, Delon Holcomb, Barbara Higgins, Nancy Sowell, Camille Wallace, Anne Dale, Sandra Duke, Jo Beth Barnes, Kathryn Timmins, Geneva Billings, Lynn McElroy and Tanya Tarkington.

Karen Anderson, Student Council secretary, said no more applications will be accepted. She announced an orientation meeting for all candidates at 6 p.m. April 4 in the Coronado Room.

Hikers Drop Out On Weekend Trek

Clyde Farris was the only member of the Tech Baptist Student Union to complete the 50-mile hike to the Wayland Baptist College campus in Plainview last weekend. The hike came after Tech BSU challenged Wayland BSU, which in turn challenged West Texas State BSU. A three-way hike match resulted.

Farris and one Wayland student stumbled onto the Wayland campus at 11:16 a.m. Saturday, 12 hours 8 minutes after starting their trek.

Only two West Texas State men attempted their leg of the hike from Canyon to Plainview. Both made it but needed 12 hours 10 minutes.

The event kicked off the annual BSU "Sportarama" on the Wayland campus.

"Those of us in hiking boots laughed at Farris when he showed up in loafers," said Jim C. Richardson, who dropped out after about 35 miles. "We figured he would be the first one to drop out."

Farris led most of the way, and Wayland men are quoted as saying "We'd sure like to shake his hand if we ever catch up with him."

Other post-hike comments included: "I have a new respect for the mile," and "Who says West Texas is flat?"

Other Techsians attempting the hike were Jim T. Richardson, president of the BSU; Ed Priest, Don Saddler, Ken Porter, Paul Honig, Harry Sargent and Nelson Saffell.

Two cars accompanied the hikers, supplying sox, candy and water.

"We would probably do it again if we had the chance," said Jim C. Richardson, "but, this time we would probably take more precautions, like taping our feet."

Techsians Will Go On Tour

Tech will have 13 delegates at the sixth Baptist Youth World Conference July 15-21 in Beriut, Lebanon.

Theme of the conference is "Jesus Christ In a Changing World." Approximately 3,000 youths from 70 countries are expected to attend. There will be at least one mass meeting of the group, but most discussions will be held in groups of 25.

Most groups will take a tour of the Holy Land with stops at Damascus, Jericho, Jerusalem and Bethlehem.

Techsians attending the conference are: Karen Kinard, Charlotte Taylor, Joe Johnston, Jim Ward, Jim Collier, David McInaney, Dorothy Jennings, Larita Ewing, Ford Cole, Mira Taylor, Bert Kiker, Pat Mystel and Pat Turner.

WSO Elects '63 Officers

Women's Service Organization recently elected officers for next year. Donna Lovel, junior from Lubbock, is president. Kathy Lodal, sophomore from Albuquerque, is vice president.

Recording secretary is Diana Stevenson, junior from Fort Worth, and corresponding secretary is Dru King, junior from Plainview. Sandra Wood, sophomore from Estelina, is the new treasurer.

Bunny Gilbert, sophomore from Dickinson, was elected parliamentarian-historian. Lynn Simpson, sophomore from San Antonio, will serve as pledge trainer.

Jury Deliberates Billie Sol Estes Case

EL PASO (AP)—A jury deliberated Tuesday on whether promoter Billie Sol Estes willfully defrauded a dozen major finance companies of up to \$24 million in fraudulent mortgages.

The case went to the jury at 12:15 p.m. after federal Judge R. E. Thomason told the jurors they should free Estes if they decided no fraud was intended.

The defense in the trial of the man whose massive financial empire collapsed only three days short of a year ago, relied heavily on the claim Estes bilked no one deliberately.

His attorneys, in summing up the case, declared all parties to the sale of the mortgages knew the security listed on the face of the documents was fake.

Officers Elected

The Society for the Advancement of Management had its initial meeting Thursday.

Officers elected are Melville Meford, president; Richard Linnartz, vice president; Jimmy Potter, treasurer. SAM will meet one Tuesday of each month at 8 p.m.

SPORTS X-RAY

by Ray Finfer

SO MANY PEOPLE seemed to get such a pleasure out of my missing the predictions of the Cincinnati-Duke basketball championship, which Cincinnati was supposed to have won. Unfortunately, Loyola of Chicago slipped past Duke and toppled the mighty Bearcats in the finals in overtime 60-58.

A NUMBER OF PEOPLE have also commented that since I so resoundingly missed my predictions perhaps the guess that the Yankees will win the pennant might be wrong too. However, upon thinking it over, consulting my roommate and a few other devout Yankee fans, I find that it has been agreed upon that the Bronx Bombers will once again become World Champions.

I NOTICED ON the wire Monday that the Yankees won their sixth game of the Grapefruit League against only 10 losses and that we have moved ahead of Minnesota in the standings. We're all the way up to ninth place now. Grass doesn't grow around the spikes of a Yankee.

TEXAS TECH STAR sprint swimmer Phil Simpkins, sophomore from Houston, will begin competition in the National Collegiate championships in Raleigh, N.C., this weekend. Simpkins will swim in the 50 and 100 and may possibly compete in the 200. His appearance there marks the first time in history that a Tech swimmer has gone to the nationals.

Simpkins was first in the Southwest Conference 100 with a record-breaking 48.6.

COACH GEORGE PHILBRICK is in his 11th year of tennis coaching at Texas Tech and has one of his finer teams in competition this year. Led by the duo of Daryl Allison, senior from Lubbock, and Beau Sutherland, junior from Kerrville, 1962 SWC doubles champions, Tech has a team of young tennis players, with a lot of desire and ability. In the next few years, the Raider netters will be high in the SWC in all categories.

Other varsity tennis men are Don Draper, junior from Houston; Don Foles, sophomore from Harlingen; Greer Kothmann, sophomore from Junction; Robert Peterson, sophomore from Wichita Falls; and Fred Wickett, sophomore from Fort Worth Arlington Heights.

Next tennis action will be Saturday with Hardin-Simmons in the morning at 9 a.m. and Abilene Christian in the afternoon at 2 p.m. on the varsity courts.

Both Win, 1-0

Tech, ACC Split Two

Fans in Abilene Monday were treated to some exciting baseball as the Texas Tech Red Raiders and the Abilene Christian Wildcats exchanged 1-0 wins in a doubleheader.

The highlight of the dual match was the sparkling pitching per-

formances in the first game by ACC's Sam Carpenter and Tech's Morris Huddle. Carpenter tossed a one-hitter at the Raiders in the opener with shortstop Foy Williams getting a single in the first inning.

Dudley, pitching his finest game of the year, was barely outdone as he threw a two-hitter at the Wildcats. His losing effort brought his season record to 1-1.

Yippy Rankin, batting for left fielder Doug Gibbins, to advance McCrummen to second. Ray fanned and Ronnie Ayers went out. Then Tech first baseman Bob Fielder hit a sharp single past third baseman Duncan Boyer to drive McCrummen in. That was the only run Ray needed to win, allowing ACC seven scattered hits.

Fielder Was Big Gun

Fielder was the big hitter of the second game with two-for-three. Williams added another single in the second game to his lone single in the opener. Richard Perry in a pinch-hitting role got Tech's other hit of the second game.

The Raiders are now 2-4 for the season. They will remain idle until April 5-6 when they will meet New Mexico Highlands.

Raiders Came Through

In the second game, ACC again handled the Raider batsmen seemingly with ease, but Coach Berl Huffman's baseballers came through when needed.

ACC's Don Lewis allowed Tech only four hits in the nightcap, but the Raiders fashioned a run in the fifth to win the ball game for ex-Abilene Eagle Frank Ray, taking his first win of the season against two losses.

McCrummen Scores For Tech Marshall McCrummen, batting for third baseman Richard Barker in the fifth, led off the inning by reaching first on ACC's Norman Scott's error. Lewis then hit

Golfers Meet Texas Western

Texas Tech's golfers tackle Texas Western here Wednesday, then take on defending Southwest Conference champion Texas A&M at College Station Saturday.

Coach Jay McClure's linksmen for the two matches probably will be chosen from three lettermen—Housty Brewer of Andrews, Jim Davidson of San Angelo and Bruce Doble of Worcester, Mass.—Gary Littlejohn of Midland and Richard Yates of Corpus Christi. Yates is Texas amateur champion.

Texas Tech did not meet Texas Western last year. Despite finishing sixth in the conference race, the Red Raiders upset finalist A&M here 5-1 in the 1962 season finale.

BULLETIN

Phi Epsilon Kappa won the All-College Championship in basketball Tuesday night 43-42 over the Devils. Bickie Williams was the leading point scorer for Phi Epsilon with 26, while Bill Logsdon scored 15 points for the Devils.

Team totals for the fall semester and for two of the spring sports have been compiled and in first place is Phi Delta Theta with 136 points. In second place is Thompson Hall, with a total of 121; in third place, Carpenter Hall with 94 points. These totals are for the leading teams in this year's intramural program.

TOTALS ARE COMPILED in the order a team finishes in its respective league. Points are for first and second place teams. A first place is worth 50 points and a second place merits 40 points. Any team finishing first or second in open play receives five and three points respectively.

OVERALL OUTSTANDING team this year has been Delta Tau Delta; it has netted 1122 points.

The Deltas are followed in order by: Pi Kappa Alpha, 1084; Bledsoe Hall, 707; Carpenter Hall, 679; Thompson Hall, 661; Sigma Nu, 617; Sigma Alpha Epsilon, 575; Gaston Hall, 572; Phi Kappa Psi, 567; Kappa Sigma, 501; Air Force ROTC, 486; and Phi Gamma Delta, 421.

EDSEL BUCHANAN, intramural director, has announced the final results of the fall-spring semesters curling championships. Gordon Hall and the Pi Kappa Alpha "B" team tied for the championship with four wins and one loss each, but Gordon was given the title because of a win over the Pikes in season play, 6-2.

Delta Tau Delta "B" team was second, followed by Sigma Nu, the Delta "A" team and the Pikes "A".

SOFTBALL RESULTS — Several leagues are underway in intramural softball competition. The Phi Deltas lead the fraternity "A" league with a perfect four wins, followed by Sigma Chi and the ATO's with two wins and one loss.

Sunday's results of the fraternity leagues had the Sigma Chi with a bye; Phi Deltas 14, ATO 4; Sigma Nu 18, SAE 13; Kappa Sigs 7, Phi Psi's 25; KA's 17, Deltas 11; and Figs 24, Pikes 10.

MONDAY'S RESULTS in the independent league found the Crusaders 1, Rodeo Association 0; Phi Epsilon Kappa 15, AFROTC 3; and BSU 12, Newman Club 7.

Phi Epsilon Kappa leads the independents with two wins and no losses.

VOLLEYBALL STANDINGS—In the dorm league, Gordon beat Thompson's "B" 2-0, and Bledsoe's "C" team topped Bledsoe's "B" team 2-0. Gordon will meet Bledsoe's "C" team at 7 p.m. Monday for the dorm league championship.

The Chicks beat the PhiEK's No. 1, 2-0 and the PhiEK No. 2 team beat AFROTC No. 2. The Chicks will meet the PhiEK's No. 2 at 8 p.m. Monday to decide the independent champ.

Simpkins Vies In Meet At Scene Of Big Upset

By BILL HOLMES

Tech Sports News Director

Although it will be a definite upset for Phil Simpkins to win a National Collegiate swimming title this week, at least he'll be competing at the scene of probably the biggest surprise a Texas Tech team ever pulled. In December 1951, the Red Raider basketballers beat by 63-62 in Raleigh, a North Carolina State team ranked in the top ten. The Raiders, down 10 at halftime, caught up via the zone press and went ahead in the final seconds as Jim Sexton stole the ball, passed to Jack Alderson, whose shot stayed on the rim long enough for Paul Nolen to dunk it.

TT TT TT TT

Speaking of upsets, Texas Tech's Don Sparks used his secret weapon to nip Abilene Christian's freshmen 65-63 in last Saturday's meet. The weapon? Reinforcements from freshman footballers, who delayed suiting out for Saturday's scrimmage long enough to account for 20 points.

Center Steve Stephens of Roswell, N.M., won the shot put; tackle Don Wagner of Perryton, the discus; and fullback Bobby Carbone of Albuquerque, N.M., the javelin. Tackle Roy Brown of Carlsbad, N.M., placed third in the discus, and quarterback Ben Elledge of Brownwood, second in javelin.

Elledge's javelin effort apparently was a good warm-up for the scrimmage, since he threw two touchdown passes and connected on

RAIDERS USED TO MATADORS

During the 1930's Collier Parris, then sports editor of the Lubbock Avalanche - Journal was inspired by a combination of Texas Tech's coast-to-coast schedule and the all-red football uniforms, to dub the team the Red Raiders. Coach Pete Cawthon liked the new nickname and although the official name for Tech is the Matadors, the team is called the Red Raiders.

ROBISON SUCCESSFUL

Polk Robison, head basketball coach at Tech for 18 years, had a 500 or better mark in conference play with every SWC member. He had a similar mark as a Border Conference member before Tech left that league to join the SWC.

two extra point tries as his Red team won 38-20.

TT TT TT TT

Junior Arterburn, who set Texas Tech's one-game total offense record as a quarterback in 1951, frequently can be found in Tech's whirlpool, treating a leg broken in a church league basketball game. He was playing against Elmer Tarbox's team at the time. Tarbox, a member of Tech's Athletic Hall of Honor for his three-sport stardom in the late 30's, has moved his athletics weights business to Lubbock.

TT TT TT TT

Bill McClure, the Abilene Christian track assistant, and Jay McClure, Texas Tech golf coach, are brothers.

TT TT TT TT

Rocky Hill, the former Albany

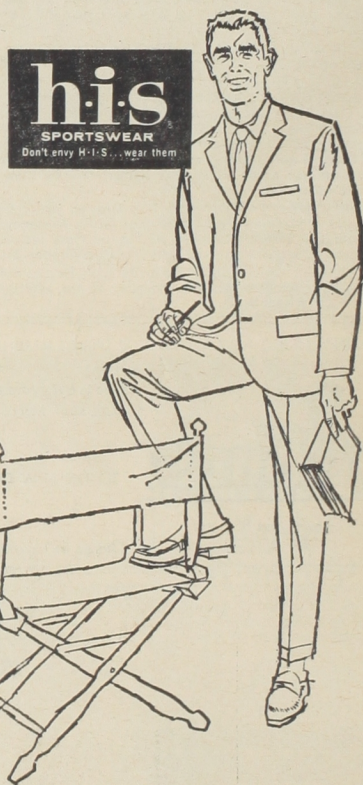

all-state end, now in the Texas Tech backfield, placed third in the Conference A state high school golf tournament and ran on the Lions' fourth place 440 relay team.

TT TT TT TT

Texas Tech's football spring training wind-up game will be played at 7:30 p.m. April 27. In conjunction, Tech will conduct a high school coaching clinic for 300 high school coaches.

TT TT TT TT

Texas Tech's Don Sparks, track and field coach, will serve as referee of the San Angelo Relays Friday and Saturday. Tech will enter the relays, but the Picador thin-clads, upset victors over ACC Saturday, will resume action at the Texas Relays next week.

REMEMBER...
TO VOTE!

Pat Hamilton

Secretarial Candidate

In both leadership and service capacities, I have served and am serving Texas Tech:

Through school — I have worked in the Home Economics Club,

and am past CANDLE Editor and incoming President of Phi Upsilon Omicron.

Through organizations — I am a member of President's Hostesses, will be a legislator of Doak Hall, and have recently been selected to membership in Mortar Board.

Through Student Council — I have served on the Elections, Current Events, and Allocations committees.

If elected your Secretary, I would like to accomplish the following things during my term of office.

- Continue the present secretary's program of opening up the campaigns and putting the candidates in front of the voters.
- Make arrangements so that all counting of votes can be done by IBM computer. This would insure fast and accurate tabulation of votes.
- Hold Freshman Council elections as early as possible in the fall so they may work on a more united freshman class; they could reserve a section of the football stadium for the freshmen whose enthusiasm might boost our school spirit.

Cecile Camp

Secretarial Candidate

My qualifications for Student Council secretary are: EXTENSIVE secretarial training, GOVERNMENT minor, EIGHT consecutive year's service on student councils.

My platform is:
 Ready to serve YOU in:
 1. Better communications for a better Tech—

- Council members should report back to their organizations
- Minutes of meetings should be printed in the TOREADOR

DOR
 2. Fairer elections for a better Tech—
 ● Re-evaluation of officer qualifications
 ● Filling cheerleader and class officer vacancies

- 3. More special events for a better Tech—
 ● Another all-school program such as the Model U.N.
 ● Top national speakers
- 4. Safer traffic for a better Tech—
 ● Let the students decide

Judy Price

Secretarial Candidate

Qualifications:
 Student Council 62-63, Elections Committee 62-63, Recognized by Student Council for leadership,

Freshman Council 60-61, Junior Council, Sigma Kappa, Phi Gamma Nu, Pi Delta Phi, President's Hostesses.

As Secretary of the Association, improved communications would be one of my goals. As a member of the election committee this year, lack of student interest in campus elections has been painfully evident. Campus positions are often filled by a very small percentage of voters. Integration of students into Tech's student government could be achieved through a coordinated program with the TOREADOR.

I would also work this summer with IBM in the Engineering Department to set up a program for elections. All elections then would be held on IBM cards and counting would be done electronically.

Office Duties

The secretary's duties are:
 KEEP the minutes of meetings of the Student Association and of the Student Council; BE responsible for the maintenance and preservation of the official version of the Student Association constitution and all rules and regulations of the Student Association; SEE that a copy of the official version of the constitution and all rules and regulations of the Student Association remain on file in the office of the president of the college; SEND a copy of the minutes of each meeting to the following: President of the College, Dean of Student Life, Dean of Men, Dean of Women, Student Council sponsor, Vice President and Comptroller, Academic Vice President.

AT all times maintain and preserve the official copies of the Student Association constitution and bylaws in the Student Council office.

PRICE IS RIGHT for SEC.

CECILE CAMP

for

SECRETARY

Ready to Serve YOU

1. 8 CONSECUTIVE YEARS ON THE STUDENT COUNCIL.

As your representative I will stand for (1) a name change for the school (2) more power for student government (3) and other measures which I feel will make Tech "FIRST" nationally and in the Southwest Conference.

RONNIE BOTKIN

for
Business Manager

WHO WILL IT BE? — Techsians voting by secret ballot today will choose three boys and three girls from the 18 candidates for cheerleaders to rally students behind the Raiders next fall. Run-off elections are set for Monday. —Staff Photo

Cheerleader Candidates

And Duties

Candidates for cheerleader are Carolyn Buxton, Linda Edie, Carol Fursman, Gay Gillespie, Jeannine Jones, Nelda McQuien, Camella Moore, Kathy Osthoff, Sandy Sample and Jami Steinhoff.

Other candidates are Myrna Stephenson, Lynn Wallace, Dennis Ashmore, Mike Bohn, Smiley Irvin, James Perry, John Ward and Bobby King.

Those persons elected will:

- Be responsible for all Texas Tech pep rallies
- Coordinate the generation of enthusiasm at all recognized college athletic events
- Be responsible for furnishing a representative to the Southwest Conference Sportsmanship Committee
- Encourage good sportsmanship on the campus
- Be responsible to the business manager for the management of their finances
- Elect, from their number, a

head cheerleader who shall be a male student and shall serve as their chairman.

PRICE IS RIGHT for SEC.

It Takes More Than Yelling To Be A Tech Cheerleader

Lots of people can yell and cheer with gusto when the Red Raiders go over for a touchdown. Quite a few can turn flips, inspire enthusiasm and attend all athletic events.

But there are a few special qualities, perhaps best classified under the term, gung-ho, that sets a good cheerleader apart from the football crowd.

Special qualities don't include regular cheerleader duties such as coordinating pep rallies and being on hand at ballgames.

One Tech cheerleader called it a year-round job. "A cheerleader must attend teas for visiting athletes, entertain visiting yell leaders and when away, attend all planned functions at other schools," she said.

High on her list on what makes a cheerleader really go is being able to perform yells well, en-

thusiasm, and devotion.

"A good cheerleader above all to develop sportsmanship and his enjoys cheerleading," she reflects. "He should at all times strive to develop sportsmanship and his own potential to its fullest."

Industrial Engineers Win First

Industrial engineering department took its fifth straight first place in the recent Science and Engineering Show.

Industrial engineering exhibits demonstrated techniques in production control, plant design, materials handling, work measurement, statistical quality control, product design, manufacturing analysis and organizations research.

Displays in the 31st SE annual show were judged on appeal to the public, explanation of department curriculum and presentation of exhibits.

The industrial engineering display received 3,705 points of a possible 4,000.

Bud Lanham was chairman of the department's exhibit. American Institute of Industrial Engineers and Alpha Pi Mu set up the displays.

READY TO STOMP—Judy Richards, junior, and Bob Fouts, senior, are all decked out for the Phi Mu western dance 8-11:30 p.m. today. Jimmy Heap's Band will play for the open dance at Vann's Catering Service. —Staff Photo

Delegations Plan Trips

Delegates from Tech's history department will scatter to state and regional history meetings in Austin and Albuquerque this weekend and next.

Four faculty members will represent Tech at the Texas State Historical Assn. meeting this weekend. The Austin meet begins today and continues through Saturday. Dr. David Vigness, department head; Dr. Ernest Wallace, professor; Billy Mac Jones, instructor and Richard Marcum, teaching assistant, will attend.

Tech's chapter of Phi Alpha Theta, history honorary, will send five representatives to a regional meeting in Albuquerque, N.M., Friday and Saturday, May 3-4.

Attending will be Dr. Paul Woods, history professor, and Lt. Col. George R. Hull, professor of air science.

Ronald Benson, teaching assistant, will present a paper on the Hay-Pauncefote treaty.

Nancy Vincent, Alpha Theta president, and Sarah Gaston, Austin junior, are Tech's student representatives.

Why Do You Read So Slowly?

A noted publisher in Chicago reports there is a simple technique of rapid reading which should enable you to double your reading speed and yet retain much more. Most people do not realize how much they could increase their pleasure, success and income by reading faster and more accurately.

According to this publisher, anyone, regardless of his present reading skill, can use this simple technique to improve his reading ability to a remarkable degree. Whether reading stories, books, technical matter, it becomes possible to read sentences at a glance and entire pages in seconds with this method.

To acquaint the readers of this newspaper with the easy-to-follow rules for developing rapid reading skill, the company has printed full details of its interesting self-training method in a new book, "Adventures in Reading Improvement" mailed free to anyone who requests it. No obligation. Simply send your request to: Reading, 835 Diversey Parkway, Dept 9894, Chicago 14, Illinois. A postcard will do.

Zsa Zsa Stars In Union Show

Mel Ferrer and Zsa Zsa Gabor star in "Lili," a technicolor movie, at 4 p.m. and 8 p.m. today and 2:30 p.m. Sunday in Tech Union Coronado Room. The Special Events Committee is sponsor.

Grads Discuss Negro Novelist

Grover Lewis and Nolan Porterfield, graduate English students, will lead the discussion at today's Noon Forum in the Tech Union Blue Room.

Discussion topic is contemporary Negro novelist, James Baldwin. Baldwin is author of "Another Country."

Purdue Prof Lectures On European Market

Competition from the European Common Market will force the U.S. to move rapidly if it is to hold onto its world markets or consider expanding them, according to Dr. James Greene, industrial engineer and visiting lecturer at Tech.

His ideas may carry some special weight since he has recently been a consultant to the European Production Agency, a division of the Common Market's organization.

"The U.S. must find ways to produce goods with more efficiency," he declared. "This presents a challenge to our industrial engineers."

Dr. Greene, a Purdue University professor, is spending three days, Monday through Wednesday, at Tech. He is conducting seminars in general industrial engineering research, production control and operations research.

Positions Open For L-V Staff

Applications are now being accepted for associate editor, copy editor and staff artist for next year's La Ventana.

Students interested in these positions should write a letter giving their qualifications, past experience on an annual or newspaper, why they want the job and any new ideas they may have for next year's La Ventana.

Past experience is not necessary, but preferable. Applications should be turned in to the La Ventana office or to either Johnnie Lu Raborn or Travis Peterson by May 1.

These are paid positions, and applicants should be willing to put in a great deal of time.

HONORARY MEETS

Psi Chi, psychology honorary, will meet at noon today in Tech Union, Elmer's Lounge. The group will initiate members and present a slate of officers. Those attending must sign up in the psychology office, X-31.

SURROUNDED—Carol McCormick, Ennis sophomore, was surrounded by cadets from England's Royal Air Force after their captain said, "If I were you blokes, I wouldn't let these ladies sit alone."

As I see it . . .

by johnnie lu raborn

"You think we speak the same language, but we don't," said one cadet from Cranwell, the Royal Air Force Academy in England. I had to agree with him.

Tech's Angel Flight was visiting the Air Force Academy in Colorado Springs. Some were dated with English cadets, who were also visiting. It was a real education.

For years, I've heard the English stereotype came out with "jolly good," "old chap" and "ra-ther." They are all true with the addition of an occasional "quite" and "Oh, my yes."

In England, you are not "out to lunch" but "around the corner." When we have a lousy date he is called "cull" or "bad head," but Cranwell calls them "grimmies."

'MAKING OUT'

It is a mystery how they got it but "cupeake" is said for "making out." Tennis shoes are called "blimp shoes," and a resounding "dash it" means darn or damn.

We Americans take much for granted. These cadets had never seen a drive-in movie or drive-in restaurant. Motels were also new, for they don't exist in England. Some of the guys got their first taste of pizza, Mexican food and pretzels. They didn't like it.

'STATUS SYMBOL'

It is a status at our Air Force Academy for the "firsties" or seniors to have Sting Ray Corvettes. That vast parking lot is full of them. I didn't see five cars under two years of age. The Cranwell "chaps" find it "marvelous" to get to ride bicycles when seniors. They do have cars, but generally these are somewhere in the 30's models. A car 10 years old is relatively new.

I did notice one thing about the cadets as a group. They abounded with national pride. One said, "There will always be an England." To which some of the U.S. cadets sort of laughed. A Cranwell "troop" recounted with a "Don't scoff at it, national pride is a wonderful thing." Their pride was so emphasized that it made me wonder if we "came over" the same way about our country.

On Saturday night, a formal ball was given for our flight, Cranwell and first classmen (seniors) at the academy.

The British boys taught us one way to live up a rather stiff dance. During one of the songs, one Cranwell "troop" yelled "Ants." The cadets immediately fell down on the floor, rolled over on their backs and kicked their feet and arms into the air. At the sound "dead ants," the legs and arms went stiff. Rather quaint, I'd say, but still effective enough to break everyone up.

GHOUL POOL

The Angels with U.S. Academy dates were wondering that night if they were included in the "ghoul pool." It goes like this. The academy hosts arrangements for blind dates for the formals. Cadets within each squadron enter a "pool" for 25 cents. At the dance, squadron officers act as judges and dance with the dates of each cadet entered in the pool. Afterwards, these officers decide which had the worst date and he wins the money. If we did it here, I would be rich.

AS I SEE IT

Sigma Kappa will choose a "Mr. Pledge" at 8 p.m. today in the National Guard Armory. Mr. Pledge will be chosen from fraternity pledges. The Caravans will play for the all-school dance.

Phi Mu will have a western stomp, 8-11:30 p.m. at Vann's Catering Service. The open dance will feature Jimmy Heap's band. Tech Union also is having a western dance from 8-11:30 p.m. in the Ballroom. Jimmy Mackey is playing.

KAPPA KAPPA GAMMA

An informal "German Beer Garden" will be the setting for the Kappa Kappa Gamma dinner dance at 6:30-11:30 p.m. today.

Delta Sigma Pi will have its Rose Dance from 7:30-12 p.m. Saturday at the Pioneer Hotel.

Newman Club will go on a picnic Sunday to Palo Duro Canyon.

Red-White Skirmish Ends Spring Training

Scarborough, Ben Elledge Opposing QBs

By ARTIE SHAW
Toreador Sports Editor

A pair of shining freshman quarterback prospects will be opposing each other at 4 p.m. in Saturday's final spring training scrimmage.

Featured will be Danny Scarborough of Quanah and Ben Elledge of Brownwood.

The annual contest is the rubber game of the series, as the Reds jumped to a quick two-game advantage, only to have it taken away from them in the last two outings by the underdog Whites.

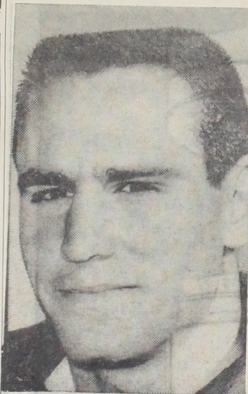

Two upperclassmen quarterbacks, Bill Worley of Midland and James Ellis of Lubbock, underwent knee surgery in December and will probably not see action, although they will be suited.

Statisticians Overworked

With both the Reds and the Whites threatening to "loosen-up" their previously tight offenses, the stress could be worse on the statisticians than on any one else.

Last week the Reds gathered 364 yards of total offense in a losing cause, while the Whites haled and threw for 277 in their 20-12 victory.

Long gainers have been the word of the day thus far, and any

BILL WORLEY

. . . Will not see action

more would be just icing for the cake.

Jim Zanios, Albuquerque full-back, for example, took a handoff from Red quarterback Ben Elledge and raced 52 yards off tackle in a spectacular gainer.

Elledge connected on two long passes, one to all-Southwest Conference end, David Parks, for 44 yards and another to Stimmert half-back, Donny Anderson, for 41 yards.

For the rubber game, each having won two contests, lineups will be exactly the same as last week. There may be a trade at half-back between David Baugh of Rotan, a Red last week and Jimmy Edwards of Roysie City, who played for the White squad last week.

Admission is \$1 for adults, 50 cents for students and Tech students will be admitted by showing their identification cards.

Traffic and Security

The staff is comprised of a chief, 10 commissioned officers, one night sergeant, two radio operators, one secretary, one clerk and two part-time employees. There are three radio-controlled patrol cars. In October, 1962, there were 6,240 cars registered to park on campus.

Tech Linksmen Meet UT At Meadowbrook

Texas Tech, in an effort to get back into the Southwest Conference golf race, engages the University of Texas here on Lubbock's Meadowbrook golf course today.

Tee-off time at Meadowbrook is 12:30 p.m.

Coach Jay McClure's linksmen, 4½-1½ losers to Texas Christian University here Monday, will also be motivated by a desire for revenge. Texas sports five lettermen from the squad that downed the Red Raiders 5-1 in Austin last year.

Texas Tech currently has a 14½-9½ standard. The Raiders lost to Texas A&M, knocked off Rice 6-0 and defeated Baylor 5-1 before dropping the match to TCU.

Texas' players will probably be Bill Munn of Midland, Randy Geiselman of Houston, Oscar Goode of Austin and Pat Thompson of Mission.

Texas Tech golfers for the match will probably be Bruce Dobie of Worcester, Mass., Richard Yates of Corpus Christi, Housty Brewer of Andrews and Jim Davidson of San Angelo.

Yates is Texas amateur champ, and lost his first-SWC match of the year to Jack Montgomery of TCU last week.

Tech Netters Challenge Rice, Texas In Important Matches

Texas Tech tennis players, in their next two matches, have a chance to influence the outcome of the Southwest Conference championship campaign.

In successive matches—against Rice University here Saturday and against University of Texas in Austin Monday—the Red Raiders tackle the teams currently sharing the lead.

Coach George Philbrick's netters, besides playing the role of potential spoilers will be out to guarantee or better their own third place position. Tech is 14-4 following wins over Baylor University 5-1 and Texas Christian University 6-0 and a split with Southern Methodist University 3-3.

Raiders' netters will be Daryl Allison of Lubbock, Greer Kothmann of Junction, Beau Sutherland of Kerville and Robert Peterson of Wichita Falls.

Rice University is led by the 1962 Southwest Conference finalist in both singles and doubles, Fritz Schunck. The Owls, coached by Sammy Giamalva, are defending Southwest Conference team champions.

Last year Rice downed Tech 6-0, and the Longhorns battled the Raiders to a 3-3 draw.

A re-match of last year's SWC finals doubles match, won by Allison and Sutherland over Schunck and DeEdward Greer, has been virtually ruled out by re-pairings on both teams.

Matches, on the Varsity Courts, will start at 1:30 p.m. The public is invited free of charge, Coach Philbrick pointed out.

GEORGE PHILBRICK

Pics Down AFB, 20-12

Texas Tech's Picadors picked up their eighth win of the season Wednesday as they ran away from Reese Air Force Base, 20-12.

The game, which took three hours and twenty minutes to play, was called at the top of the ninth inning due to darkness. Tech slammed out 17 hits, as converted basketballer Dadid Schmidly picked up his first mound victory of the season. Schmidly pitched the first four innings and left the game with a 15-5 lead. In his four innings stint, Schmidly allowed only four hits, while striking out six and walking three.

The Picadors were led at the plate by second-baseman Buzz Henderson, who collected four hits out of five at bats. Jim Murrell and Ronnie Holly drove in the most runs with five RBI's apiece.

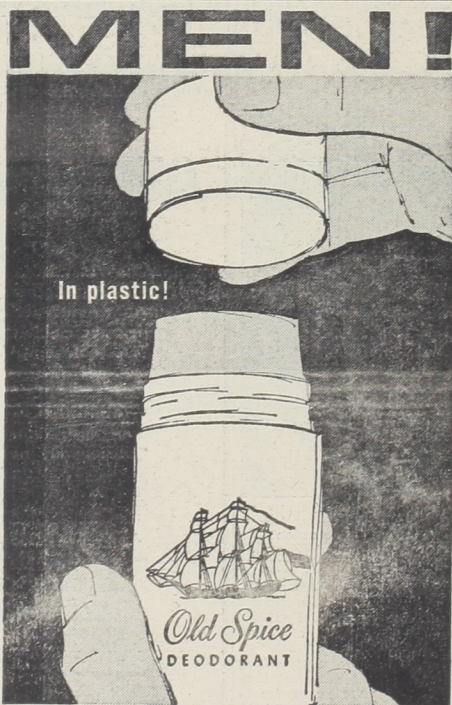

"FLORA-SCENT" makes The Perfect MOTHER'S DAY Gift

Raiders Visit Highlands Nine

Two improved baseball teams—Texas Tech and Highlands University—clash in a doubleheader at Las Vegas today.

Since Texas Tech posted a pair of wins, 5-2 and 3-0, here earlier this month, the Cowboys have won six straight and now are 10-10 for the season.

The Red Raiders have a three-game streak, and five of the six, going for them. Their only loss came at the hands of the Abilene Christian College nine. Other wins are the twin-killing of Highlands and a double victory over ENMU.

★ Sports Shorts ★

If a sports fan wants to stay busy here this weekend, he won't have much difficulty.

Touching off the crowded schedule was an NRA Rodeo, which begins at 8 p.m. Thursday. Other night sessions are carded for tonight and Saturday night. One is also slated for 2 p.m. Saturday afternoon.

★ ★ ★

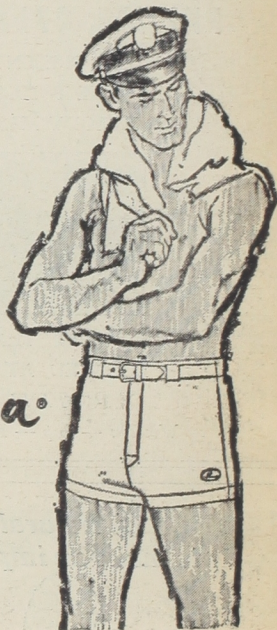

A football clinic gets underway at 2 p.m. today and continues through Saturday. It is being hosted in conjunction with the annual Red-White scrimmage and will include a barbecue tonight and sessions Saturday morning. Head Coach J T King and his staff are holding this clinic for high school coaches.

★ ★ ★

Starting at 1 p.m. Saturday will be finals in the Red Raider Relays, open to state track and field meet qualifiers. The strongest events prior to the start of the Relays appear to be the 100-yard dash, pole vault and high jump.
