

Beauford Jester Speaks to Techsans Monday

Techsans Choose Twenty Members for Council

Small Percent of Student Body Voted for Representatives

Twenty additional members to the Student Council were elected during Tuesday and Wednesday balloting in which about 20 per cent of the Tech students voted, said Troy Davidson, council president.

Under the present system of apportionment by divisions, engineering division received six members, arts and science five, commerce four, agriculture three, and home economics two.

Elected from the division of engineering were Sara McDonald, Pat Groves, Bob Cline, Marshall Mason, Frank Neil and Hoyle Moss.

Arts and science representatives are Gene Hardy, Wesley Hamilton, Joe Meador, Jamie Trainer and Johnanna Williams.

Commerce division students elected Virginia Blackburn, J. C. Bartlett, Jerry Taylor and Ralph Cocanougher.

Elected from the division of agriculture were James Gunter, Robert Baumgardner and Barton Willingham.

Betty Renner and Loy Catherine Barnett were elected from home economics division.

Elected last spring were Troy Davidson, Jim Humphreys, Bill Nugent, and Panze Butler, all officers of the student body, Eugenia Hopper, AWS representative, and Elmer Hargrove Athletic Council representative.

Other names appearing on the ballot included: Nancy Rea, Billy Bucy, Marshall Pullen, A. W. Hanley and Warren White from engineering;

Frances Clark, Bob Cole, Betty Bomar, Milton Butler, Dorothy Clift, Johnnie Sue Hamilton, Mary King, Mary Jane Hinchey, Pat Lively and Dick Copeland from Arts and Science;

Kay Parrish, Irvin St. Clair, Lois Cone, Jean McGregor, Tom Haley and John Wright from Commerce;

Pauline Lokey, Katherine Nelson, Wanda Jennings, Pat Vasen and Maxine Harp from Home Economics.

Candidates from the division of agriculture were unopposed.

Tech War Vets To Investigate Rent Increase

Tech's War Veteran Association's 10-point program was the outcome of an executive committee meeting last Tuesday night. Rumor had it that the ex-khaki clads were in support of the beer issue. Basis for this false report were destroyed when Arnold Maeker, commander of the organization, said TWVA as a body was "not supporting the cause for beer" at the regular session in the press building.

An investigation of the rental increase in Tech dormitories is one of the things for which the executive committee will be divided to head sub-committees.

The group will study measures to promote safe driving, encourage walking, and step up authorized parking zones which will prevent illegal parking carried on at the present time.

The association also plans to establish a nursery for the benefit of employed wives of college veterans. This was delegated to the women's auxiliary of the TWVA.

Other points in the program include: an investigation of the present status of West Texas Museum for which completion funds were raised before the war, enlistment of more members, maintenance of contact with alumni of the college, continuing a veteran's program on radio station KFYO, establishing intra-mural relations with other campus organizations, provision of a representative to sit in on the OPA panel, and publication of a clear-cut statement of policy.

Tall Fish Tales

Two fish engineering students were rehabilitating their first interview with Dean O. V. Adams.

Quoth 1st fish: "While I was in his office he asked two times where my hat was."

Quoth 2nd fish: "Well, where was Quoth 1st fish?"

Quoth 1st fish: "On my head all the time."

Former Student Co-edits Series

Dale Wallace, ex-Techian who received his M. A. degree in 1929, is co-editor of a series of volumes of Horace Walpole's letters, Dr. A. L. Strout, professor of English, stated. The first two volumes of this 40 to 60 volume series have been completed and are now being published by the Yale press. Dr. Strout said that this is one of the greatest undertakings in literary publication.

Wallace, who is the nephew of J. M. Gordon, dean emeritus of Arts and Sciences, received his Ph.D. at Yale, and he is now professor of English at Wayne University in Detroit, Michigan.

Jester Addresses Techsans

157 Co-Eds Nominated For Annual Beauties

La Ventana beauty selection has begun with the nomination of 157 Tech co-eds Tuesday and Wednesday.

A committee of 15 men students will select 45 beauties from this group, and citizens of 12 surrounding towns will choose 15 from this list, it was announced by the annual staff.

All 16 girls will be pictured in the Tech annual, and the top eight beauties, who will be selected by a state or national celebrity, will have full-page pictures, says Virgil Miers, beauty selections manager.

Following were nominated: Ruth Austin, Patsy Arrington, Joe Ann Bailey, Perce Butler, June Bussman, Sue Boulter, Beverly Beanson, Dorothy Ray, Evelyn Dodge, Dorothy Hlavatsky, Bobby Lee Childers, Carolyn Cheatham, Lotta Bess Baldwin, Lucile Burns, Jeanne Stovall Baker, Carolyn Baldwin, Alice Birdwell, Marian Beason, Mary Fay Bonds, Marjorie Eyrd, Dorothy Barnett, Marian Bain, Betty Bomar, Mary Alice Christian, Jane Coffey, Dorothy Carmack, Ann Crenshaw, Dorothy Clift, Maddy Claiborne, Bobby Lee Childers, Carolyn Cheatham, Carleen Clary, La Verne Carson, Doris Cornelius, Marjorie Crews, Dorrell Carpenter, Dorothy Cantrell, Betty Cuskie, Mildred Coak, Janice Conrad, Frances Clark, Betty Caldwell.

Sara Davis, Marilyn Dadds, Betty McMurtry Devin, Ramona Dick, Audrey Davis, Francis Ann Eubank, Avis Fuch, Polly Ann Gossett, LaWayna Griffin, Joan Galloway, Peggy Garrison, Bea Green, Francis Lee Grigsby, Lometa Hodges, Normie Hudgett, Joan Hodges, Alice Howell, Maxine Harp, Gloria Holleyman, Mary Jane Hinchey, Susan Harrison, Nelva Joyce Halbert, Betty Hart, Fay Hogg, Norma Hutnett, Joan Hughes, Wanda Sue Humphrey, Jan Howard, Honey Girl Johnson, Irene Knoles, Reba Kines, Bea Keeling.

Mary May Johnson, Wanda Jennings, Mary Connally Jones, June Lettwich, Martha LaRoe, Martha Liveley, Jane Lawson, Paulene Lokey, Pat Lively, Mary Ellen Maloney, Lam McKay, Sue Magee, Kate Moore, Patti Jo Musson, Joan Mayfield, Shirley Maggart, Elvia Irene Montone, La Reta Maner.

Mary Ann Mullen, Alice Meading, Beverly Montague, Pat Marquis, Betty Neal, Joanne Nislar, Betty Nance, Norma Nash, Beth Neeley, Bernice Neugebauer, Anita Oliver, Janette Pollard, Joan Proudy, Eleanor Lettwich, Phillipa Mary Frances Payne, Betty Parsons, Kay Parrish, Iris Parker, Nancy Rea, Janette Riley, Sue Ann Roberts, Helen Rippey, Eugene Reid, Pat Robison, Gerry Rodgers, Johnnie Mae Smith, Maureen Smith, Peggy Slappey, Bette Slagel, Pat Smoot, June Stine, Mary Jane Stucker.

Jean Schuler, Freda Sherwood, Bogan Sneed, Pat Smille, Betty Seay, Dottie Stringer, Jean Stanfield, Floradare Stuart, Martha Terry, Jerry Taylor, Jayne Thompson, Virginia Towns, Marjorie Tidale, Virginia Townsend, Eva Ruth Turnbough, Pat Vasen, Ellen Wiese, Sylvia Whitacre, Dorris Whitworth, Alice Woolsey, Betty Belle Whitehead, Audrey Williams, Jo Winders, Eugene Watkins, Estelle Welborne, Mamie Lou Wilson, Betty Wynn, Margie Williams, Wanda Weens, Jo Ann Webster, Nell Young and Betty York.

At a meeting of the Council of Academic Deans held at 3:00 p. m. on Wednesday, October 2nd, a motion was made and passed unanimously under which each instructor in the College would be asked not to record absences on Saturday, October 5, 1946, and not to give quizzes on that date.

I sat in on this meeting and concur in this action by the Council of Deans.

Sincerely,  
W. M. Whyburn  
President

NOTICE!

Those students who were issued Student Activity cards instead of books, can exchange these cards at athletic office for books, between now and 6:00 p. m., Oct. 18. Wives or husbands of students holding student activity tickets can purchase season tickets for remaining games at athletic office in Gymnasium, between now and Oct. 18," announced Morley Jennings.

One Fifth of Student Body Plans to Attend Dallas Game

Between 3,200 and 3,500 tickets have been sold or reserved for the Tech-SMU game, Morley Jennings, Director of Athletics, said Wednesday afternoon. Over 1,200 of these were to Tech students, KRRL Dallas, and KFYO Lubbock, will broadcast the game for those who are not going.

"The special train, sponsored by the Lubbock Chamber of Commerce, and approved by the Tech Administrators, will leave the F. W. & D. C. station, at 18th and Ave. G, at 8:30 Friday evening. The train will begin loading for the return at 11:59 Saturday night, and will leave at 12:30. If you miss this train your tickets are good on any later train," said G. C. Victory, Lubbock General Agent of the Burlington line.

More than 350 Tech students, 75 Lubbock fans, 114 band members, 47 Red Raiders and their coaches, will be on it, Victory announced.

The train will consist of 15 cars, four for the band, five coaches for students, three for Lubbock citizens, two for the team and coaching staff, and the baggage car. The baggage car will carry the concessions for the trip. The band will sell soft drinks, coffee and sandwiches.

Immediately after arriving the parade will begin says G. C. "Mule" Dowell, parade chairman. Led by the Matador band, Tech students, Lubbockites, and Dallas ex-students, will march down Commerce street from the Union Terminal to the intersection at the Baker and Adolphus hotels, where the pep rally will be held. KRRL and KFYO will also broadcast the pep rally.

"After the train pulls in at eight, the fans will leave the train and go to the foot of Jackson street, where the parade will be formed," says Victory.

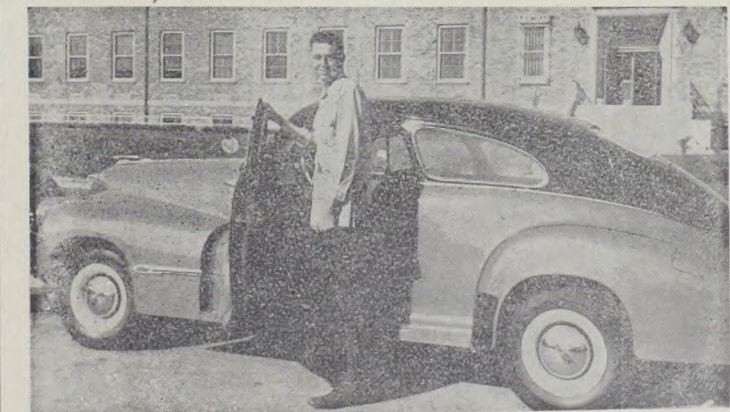

"After leaving the train they will move north on the platform to the mail sheds, where those who have baggage may check it."

"This baggage, then, instead of being taken to the regular storage room, will be put in a room just off the mail shed, which is known as the Hospital room, and where the passengers will be able to secure it during the day or on their departure Saturday night. There will be men present to render assistance, or direct those who may make inquiries," Victory says.

Faculty sponsors will be Mamie Tewford, associate professor of Foods and Nutrition, and Cecil Ayres, assistant professor of Agronomy.

Tickets for the game must be picked up by three o'clock Friday afternoon, said Morley Jennings. Mr. Victory advised all students to get train tickets before departure time.

W. F. Carey, Tech Vet

Tech Student First West Texan To Receive Car for Disability

After 11 months of hospitalization, Carey was fitted with an artificial leg and discharged in July, 1945. Although he walks so well on his artificial leg that it is hardly noticeable, Carey commented, "My leg still hurts when I walk a long distance." He said his car will be a great help to him since it is equipped with a hydraulic drive.

Carey, who is attending Tech under the Veterans administration vocational rehabilitation program for disabled veterans, has hope of some day being a county agent.

World War II veterans who are entitled to compensation for the loss of a leg are entitled to purchase a passenger automobile, station wagon, jeep, or tractor costing up to \$1600 at government expense. Thirty-nine of the sixty applications received in the VA regional office have been approved.

By CALLIE DEATON  
Tech's William Elbert Carey, 21 year old Aggie major and disabled veteran, received a specially equipped new Oldsmobile club sedan this week from the government. This car is one of the automobiles awarded by the government to all amputees.

Carey, who lost a leg in the Italian campaign, is the first West Texas veteran to receive one of these automobiles. For awhile he feared that he might have to drop out of school, since he did so much walking to and from classes.

Carey, son of Mr. and Mrs. O. R. Carey of Post, route 2, received injuries necessitating amputation of one of his legs seven inches from the body in the Arno river campaign in Italy in August 1944, when an enemy shell caved in the fox-hole in which he was sheltered.

Dupree Will Make Introductory Address

Beauford Jester, Chairman of the Railroad Commission and democratic nominee for governor of Texas, will address the students of Tech at a special convocation in the gym on Monday, October 7, at 3 p. m., it has been announced by President W. M. Whyburn, who will preside at the meeting.

Judge George Dupree, Lubbock attorney and Tech professor of business law who attended Texas University with Jester, will introduce Jester following numbers by the Matador band. President Whyburn continued. The convocation will be followed by a tour of the campus for Jester, Whyburn concluded.

Jester will arrive in Lubbock Monday at 12:15 via plane to be at the opening of the South Plains fair, said Homer Grant, member of the Fair association, Monday night at 8:00 Jester will be principal speaker for the Veteran's Day at the fair, Grand ended.

Techsans in the city limits for its police protection and they have pledged us their assistance in enforcing our new traffic regulations," reported George Long, superintendent of grounds, Wednesday.

Long stated that one way street signs and "no parking" signs have been painted on various boulevards and around the circle. Parking will be prohibited anywhere around the circle; in front of or on either side of the Administration building; on the inside of boulevards coming in from College Avenue, around the triangles on the circle; in front of the Engineering building; or at the side of Women's Dorm II.

Long says students are being asked to watch the one way streets. "For example: to reach the south side of the Administration building coming in from Broadway, the driver must go completely around the circle and make the right turn at the Administration building."

Police will give tickets for violations of these regulations and fines will be assessed, Long said. If a driver ignores a ticket, the police will send a card and if this is ignored, the violator will be subpoenaed and held for contempt of court.

Billy Joe Whitehead

Billy Whitehead Dies as Result of Scrimmage Injury

Funeral services will be this afternoon at 4 o'clock in Mason for Billy Joe Whitehead, reserve fullback of the Red Raiders, who died early Thursday morning in West Texas hospital as a result of head injuries which he received in scrimmage Monday. His is the first death resulting from gridiron activities in the nation this year.

Billy Joe, who played against both West Texas State and A&M, was sidelined early in September for a few days after he had bumped his head on the ground following a tackle. Two weeks later he again was sidelined and had not taken part in heavy scrimmage until last week. Monday he was knocked down in a rush for a forward pass on Tech field. Witnesses said he fell to the ground, and was taken to the hospital.

Police will give tickets for violations of these regulations and fines will be assessed, Long said. If a driver ignores a ticket, the police will send a card and if this is ignored, the violator will be subpoenaed and held for contempt of court.

Colorful Parade Planned By Band At Tech-SMU Tilt

One hundred and nine red coated Tech bandmen will step off to the snappy march, "Blackjack" in a colorful half-time performance in the Cotton Bowl at the Tech-SMU football game tomorrow night.

The band led by "Pete" Wiley and fronted by two baton twirlers, Frank Summers of Kermit, and Billy Gilmer of Seminole, will march down the field, and will form the letters SMU. While facing the west stands the band will play "Peruna Elegante," a paraphrase on Peruna, written by Victor Williams, Tech band major, and then the SMU Varsity song. With a drum flourish the band will break formation on playing "Washington Post" march, and will execute several maneuvers before coming back to the center of the field.

When band reaches 50 yard line it will form the traditional Double T, and play the Matador Song.

D. O. Wiley, band director, says the band is shaping up nicely, and he expects to put on a performance that Techsans will be proud of.

Deadline Is Set For Tech Vets To Fill Out Forms

Veterans now enrolled in the college must fill out another form before 5:00 Wednesday, Oct. 9, C. E. Catlin, Veterans Co-ordinator, announced today. It is necessary that all ex-servicemen married or not, employed or unemployed, complete this procedure in order that their subsistence forms may be completed.

These papers will be found outside the veterans office on the first floor of the Administration Building. Mr. Catlin asks that all veterans fill out all blanks pertaining to them and place the form in boxes provided according to alphabetical order.

Section "A" of the blank must be filled out by everyone, and section "B" must be taken by those employed to their employers for completion stated Mr. Catlin. In the blank attach "A3" OUNT, P. E. B. MONTH" state the amount received. This does not include ROTC advanced pay nor the wage that the wife earns.

"Complete co-operation is necessary," Catlin said, "in order to insure expediency in paying subsistence."

ANNOUNCEMENT

"Student tickets to the Tech-SMU game must be picked up from the athletic office by 3:00 today, Friday, Oct. 4," says Morley Jennings, athletic director.

Saturday, October 5

# THE TOREADOR

THE TOREADOR, student newspaper of Texas Technological college, is published every Friday on the campus of Texas Technological college at Lubbock by the associated students of the college.

### Wars and Rumors of Wars

We don't know whether we're having post-war daydreams or pre-war nightmares, but how can we relax to read the evening papers after a hard day at school when the headlines keep yelling that we are about to have our precious rent-controlled roofs blown from over our war-weary heads.

We've already accepted this "shall not be in vain" stuff as a lot of malarkey, but this last ruckus is trying to be "in vain" entirely too soon. Looks like our twenty year peace plan has been shot all to hell.

When we find it necessary to polish off our allies as well as our enemies, this war business will be too much of a good thing. Where do we go to turn in our shootin' arns?—F.C.

### Life With The Exes . . .

#### DRISKILL

Word has been received from Manila that Jack L. Driskill, son of Mr. and Mrs. Willie Driskill of Turkey and former Texas Tech student, has been ordered to replacement depot for processing. He was with the 8th Army on the Philippine Islands of Yeyte, Sanar, and Luzon.

#### TUCKER

Former Tech student Norman D. Tucker, son of Mr. and Mrs. R. G. Tucker, Route 2, Burnst, Texas, is now a Technician Fourth Grade in the personnel section of General Mark W. Clark's Headquarters Co. in Austria. He was assigned overseas duty in August, 1945.

#### SIDES

Lieutenant Jack Sides of Childress, Texas, who has attended Texas Tech before entering military service, is now studying engineering at Wright Field, Dayton, Ohio. He served as a P-38 fighter pilot with the 82nd Fighter group in Italy during the war.

#### TURRENTINE

Miriam Turrentine, daughter of Rev. and Mrs. G. E. Turrentine, is attending the University of Iowa on a fellowship award after graduating at Tech on August 28, 1946. She will work for a Master of Arts degree in Spanish.

#### Tech Ahead

Texas Tech in its 21 years of football has played 205 games, winning 119, losing 71, and tying 15. The Red Raiders have piled up 2,850 points to opponents' 1,750. Their greatest victory—in points—was the second game of 1925 when Wayland College was defeated 129-0. Single point or other close wins over bitter rivals, of course, have gone down in history as triumphs of as great magnitude.

#### Whyburn Speaks

Dr. William M. Whyburn, President of Texas Technological College, spoke to the Crosbyton Lion's Club Tuesday night, September 24. Wives of the members were guests at the meeting.

### TECH-SAND

Due to circumstances beyond our control, we can't predict the outcome of the TECH-S.M.U. game, but we know that every TRUE TECHSAND will be in Dallas, regardless of excused or unexcused absences.

Every co-ed is waiting for CHARLES REYNOLDS to come out of hibernation. Could our star halfback be allergic to women? Perhaps GLORIA HOLLEYMAN could change his theories.

Too bad boys! FREDA SHERWOOD has a T.C.U. boyfriend. Ex-Techman JOHANN (Stupid) STUDDER visited the campus last week showing off a carat and half diamond.

"RABBIT" PARDEE, the "Little Lou" crooner, has been dating Sissy Harris constantly.

One of the cutest couples at the Vivi picnic was CHOC MILLER and JUNE STINE.

Portable radios were evidently the chief source for conversation at the Sans Souci dance, as each stag always had the latest reports on the TECH-A&M game. In fact, after the game, all broke out in fifteen rabs.

JOAN WEBER is now wearing HENRY MORAN'S Centaur pin. What happened to PEELER, HENRY?

LAM MCKAY and STANLEY HUCKABY have been seen together a lot lately. But STAN, who was the blonde you were with Monday night?

While in Hollywood this summer, EDWARD BOVERIE had the luck to be standing next to Lauren Bacall at Grauman's Chinese theater. This something to talk about, eh, Boverie?

HUGH MONROE seems to have the taffy on cute MARTHA TERRY, but so does HOWARD SCHMIDT.

CARL HANSEN must have been in a state of confusion before he played for the dance Saturday night as he forgot to give SUE SON her music. That is easy to understand since he married LOU SCOGGIN the next day. Congratulations, CARL.

LOUIE WALD has been dating that cute freshman from his hometown, LA VERNE CARSON.

MAUREN SMITH and CARLEEN CLARY seem to think the STOVALL boys are an entertaining pair.

Have you seen the ring and bracelet that BUSTER MELTON brought JOHNNY MAE SMITH from San Antonio? Don't get excited, there are no vows attached.

We wonder if those two cute folk, BOGAN SNEED and FRANK QUALIA, are or aren't going steady. It seems they can't decide either.

We hear that RAY CRENSHAW is quite the football hero in MARTHA DEE'S eyes, or at least in her letter to him, it seems. You'll have to get around to meeting this admirer, RAY.

Some fellows never allow you to reach for the check. They hand it to you.

Pauline Cathey, Welch, to Randall Hughes, Levelland.

### Let's Build A Student Center

"There is no time like the present." Amen! If each of the 5,349 students enrolled at Tech this semester would donate one dollar per month for the remaining eight months, there would be a sum of \$42,792, which is enough to build a plain temporary Student Union building before next fall.

It would be a place large enough to hold the entire student body at dances or convocations. We have been hoping for a miracle and waiting for it to happen long enough. If we face facts, we will see that it will be many long years before we can have the magnificent edifice we want for a permanent building. While we are holding our hands, students come and go—needing a place to stay during off hours and a place for college functions.

It will be a long time before we get a donation large enough at present prices—it will be even longer before the state legislature appropriates money for a recreation center when classrooms are needed. It will be a long time before anyone but the student body realizes the need and starts pushing a plan, any plan.

We don't have any bright ideas about how or who to do this. But it does seem as if one or more of the many student organizations on the campus might be interested in sponsoring this cause. How about it Student council, honorary organizations, service clubs, social clubs or departmental groups?

### Watch The Birdie

La Ventura staff is asking that all students have their photos made immediately if not sooner at Koen's studio on Broadway. This is a must in your college curricula. When the annuals come out in May, you don't want to regret that you didn't have time to pose for a picture.

So far the annual staff has not set a deadline, it is merely saying that this is the time to do so. Of course, when they say that you must have your pictures made before a specified date, there will be a mad rush, with long waiting lines. Be a smartie, get your photo made before the last chance.

#### FACULTY BABY GRADUATES

Tech's first faculty baby was awarded a degree at summer commencement exercises of the college. Ava Ruth Stangel, daughter of W. L. Stangel, dean of Agriculture, and Mrs. Stangel, received a bachelor of arts degree, with a major in Spanish and minor in English. She was born Sept. 16, 1925, the day the first Tech faculty meeting was held, a few days prior to opening of the college.

#### Engineering Ball

Plans for the Engineering ball to be held Nov. 9 will be discussed at a meeting in the Engineering auditorium Monday evening by the board of directors, composed of divisional engineering societies, according to Frank Neal, president of Engineering society.

Remember when Congressmen split hairs instead of pulling them.

### Dormitory Rent Boost

Gripping is one of the special privileges of our nation and some of the Tech students have sure been exercising this privilege since the room and board price went up to \$47.50. Of course we realize that inflation is here, not only with students, but with the people who have to purchase food for the dormitories. Just in the past year the overall food price has advanced 26 per cent. Why shouldn't room and board go up some to compensate for the rise in food cost?

The students who live in the dormitories don't realize just how lucky they are. Almost any person who has to live out in town would be glad to trade places. These people have to pay at least \$60.00 for room and board and often much more. Also, other outstanding colleges in Texas are charging quite a bit more than Tech.

We don't blame the students for wanting to know the reason for the price increase, but we do blame them for condemning others before they have checked and made sure that the rise was not absolutely necessary. We feel sure that if these students, who believe themselves to be wronged, would check up on the increased food prices, they would find that they agree with us that a rise in the room and board price had to be made.

To quote Mr. W. T. Gaston, Business Manager of the college: "When the dormitories opened in 1934, it was at a price of \$22.50 a month. Beef was on contract then

for \$0.8 a pound, now it is \$3.2 a pound. Butter has advanced from \$24 per pound to \$78; milk, from \$10 to \$20 a quart; coffee from \$16 to \$48 a pound; eggs from \$10 to \$59 a dozen."

It's all right to gripe, but it shouldn't be indulged in without knowing why. Of course there are some who just like to gripe, and for those, we have no suggestions. But for students who pride themselves on being fair-minded, democratic citizens, let us suggest that they investigate the food situation for themselves to at least give the persons who authorize the rise a chance.—D. B.

Walter L. Gardner, 1943 Dairy Manufacturer graduate from Tech, has been appointed assistant superintendent of the Creamery department, succeeding C. W. Dennison, who is now on the teaching staff in the Dairy Manufacturing department.

No wonder newborn babes cry so much. If you were only a few days old, out of a job, and owed the government \$2,500, you'd squall too.

Apparently the fellows who have been shouting "Down with Socialism, Fascism, Communism and Capitalism" are now down with rheumatism.

# Texas Aggies Fall Before Raider Blast 4-0

## High-Geared Raiders Meet SMU Oct. 5

## Men In Red Outplay Touted Farmers In All Departments

### Seek Third Victory Over Mustangs

Meeting their second Southwestern conference foe in as many weeks, the high-g geared Red Raiders will invade Dallas Saturday in an attempt to break the four game series with the Southern Methodist Mustangs.

The Men in Red came away from the A&M tilt last week in San Antonio injury-free and they completed a light workout Friday afternoon before boarding a special bus for their second Cotton Bowl tilt Saturday.

Saturday's Cotton Bowl fray is to be a special feature of West Texas Day at the State Fair of Texas.

The Red Raiders, accompanied by the Tech Matador Band, and several hundred students and Lubbockites, are gunning for their third victory over the Mustangs in four games played. In 1933 and 1944 the Mustangs handed the Raider aggregation two defeats with Tech taking one game in 1932 and 1943.

The two elevens have always been evenly matched, as the score history indicates with the Raiders taking a slight edge over the Mustangs this season by virtue of a tie Saturday back over the Aggies last Saturday.

Saturday's clash will find a strong Raider line averaging 200 pounds with a backfield of about 180 pounds.

Last week the Mustangs battled a strong Temple eleven in Philadelphia to a 7-7 deadlock.

This is the second of a three-game series the Raiders will play away from home grounds. Following the Saturday session they will invade Oklahoma at Tulsa and return home to meet the Baylor Bears at the Homecoming game Oct. 19.

### Cars, Caperers Cause Confusion

By PAUL BERTHELOT  
Toreador Staff Writer

With the return of World War II veterans to Tech campus comes among other difficulties an invasion of automobiles never heretofore seen at the college. It is a well-known fact that these contraptions, definitely here to stay, are in the worst shape in the history of the United States. This, however does not elevate the prime cause for alarm. Traffic accidents are always on the upturn, and there doesn't seem to be any way to make the public realize that most of them can be avoided. This week we see the "one-way" driving and "no-parking" signs around the campus. This might help the present situation, but the main problem for the Tech veterans of "no hits, no runs, no errors" campaigns of crossing the campus, is that we need more and smoother and better drained places to park our cars.

There is a greater necessity for students to bring their cars to school because they live so far away. The streets of our campus were not constructed to allow such a load free continuous passage. It is therefore necessary that both the driver and the pedestrian observe a few fundamental rules of caution in navigation of the thoroughfares. Nothing of a serious nature has at this time been brought to our attention. Only negligence will cause something to be. Do not be a partner to negligence—remember the war is all over but President Truman's signature, and one cannot get a medal anymore for risking his life.

The girl who won't marry you may have a dozen reasons. Chances are the first one is that you don't have enough money, and the eleven other reasons are things that she wants.

FOUR FINE REASONS—Roger Smith (70) finds the way paved by solid blocking as he takes 22 yards from the Texas Aggies Saturday down San Antonio way. He is led by guards James Reed and Floyd Lawhorn (66) and (35) respectively. Aggie end Clarence Howell (81) vainly tries to head Smith off. (Associated Press Photo, courtesy Lubbock Avalanche)

### DOUBLE-T DOPE

By SAM MALONE, Jr.  
Toreador Sports Editor

During the normal life of a football season from year to year, the average fan may possibly cull out around 15 per cent of the sports news as "straight dope" and the remaining 10 or 12 per cent as plain routine for the home team.

However, this year we have reversed the procedure and a Toreador reader may well find that the high-sounding adjectives found on this page will turn out to be reasonably sensible.

Like, for instance, Texas Tech having an undefeated and untied season, winding up in some very classical bowl come New Year's day.

There is one or two little obstacles to such a possibility, the biggest of which seems to be the Oklahoma A&M Aggies. Too, there are the Rice Owls, Hardin-Simmons Cowboys, and Coach Morgan would ensure this department by stating that there will always remain the very next opponent.

So, to get on the safe side of the footballists' Mustangs, we hereby give nine points and send the Toreador sports staff spirit every inch of the way with the Dallas-bound Red Raiders.

Here are a few of the game results of Raider opponents over the week end: S.M.U. tied Temple 7-7. Tulsa swapped the New Mexico Ags 52-0; Baylor bowed to the TCU Horned Frogs 19-16; Rice Owls dropped their first game to Louisiana State 7-6; Oklahoma A&M and Arkansas deadlocked at 21-all; Arizona pounded Arizona State 67-9 and Hardin-Simmons Cowboys rode Kansas State 21-7.

According to our prize correspondent Charlie Schooley he has an expense account who is director of athletic publicity for Tech, Tuffy Nabors was the alert spark that helped the officials at San Antonio end the Aggie game last Saturday night. During the blank space between official end of the game and when the official shot his forty-five, Tuffy, seeing the official clock, unsated the Aggie center, pounced on the ball and politely informed the referee that the Raiders only play their games sixty minutes. Needless to say he had ten other backers immediately.

### Edwards Elected

Sybil Edwards was elected president of the Casa Linda Club Tuesday, Sept. 17. Other officers elected at the meeting were: Vice-president, Joy Dene Vardeman; Secretary, Willa Mae Stacy; Treasurer, Cherylone Roberts; Historian, Dorothy Harbin; Reporter, Arlene Couchman. Plans for Homecoming were also discussed.

New residents at Casa Linda are Frances Lay, LaVerne Hefley, Sue Owens, and Wanda Weems.

### Ten Techsians Are Coaching In City Grammar Schools

Of the ten men teaching the fundamentals of football to young boys of the grammar schools in Lubbock, eight of them are students in Texas Tech, according to the announcement of R. W. Matthews, superintendent of Lubbock schools.

The coaches and their respective schools are: Pat Farris, George M. Hunt School; Joe Bob Foster, Chris Harwell; Floyd E. Read, Central Ward; Royal James, Wilson; Loyd Sanders, Sanders; Jimmie Williams, Guadalupe; Ernest Winter, Dupree; Aubrey Thompson, George Bean; Joe Jones, McWhorter; and Herb Leaverton, Kay Carter.

Farris, Foster and Read are former Red Raiders and all are ex-servicemen.

### Bobbie Lewis Wins Contest For Last Week

Bobbie Lewis, winner in last week's Football Guessing contest, doesn't bother with any scientific systems.

"I just take a wild guess at 'em," says Lewis, a Junior civil engineering student from Hale Center. He declined, however, to make a prediction on the outcome of this week's game at Dallas.

After last week's long list of upsets, some of the experts like Williamson might do well to throw away their scientific systems and follow Lewis' example. Of the ten games listed in last week's contest, Lewis picked all but two of the winners, missing the Missouri-Oklahoma tie and the Minnesota-Nebraska game. The object of the contest is to pick the most winners with the nearest to correct scores.

Corcorran's, sponsors of the contest, give \$5.00 credit on the purchase of merchandise at their store to each week's winner. This week Corcorran's is also going to give one Tem-Tex sport shirt to the outstanding Tech player in the Southern Methodist game. The player will be chosen by Tech coaches.

### Williams Is New Associate Agriculture Professor

Herman F. Williams, 1938 graduate of Oklahoma A & M, has become associate professor in agriculture engineering, replacing H. P. Clay, who recently removed to California Polytechnic at San Luis Obispo.

Mr. Williams has been affiliated with the Soil Conservation corps in New Mexico, Oklahoma, Kansas and Arizona since his graduation, except for three years spent as a civilian engineer with the War Department in Tulsa.

Washington and Indiana are the only states technically American in name. Washington was christened after the first President. Indiana was so named because large tracts there were purchased and settled by the Indians.

(Read the letter to BUCK and WING in next Sunday's Avalanche)

An inspired and determined Texas Tech Red Raider football team outplayed the highly touted Texas Aggies last Saturday night to walk off with a 5 to 0 victory and give Co-Capt. James Reed a fine present on his 22nd birthday.

The Raiders went into the game with gamblers and forecasters predicting the Aggies would win by two or three touchdowns. But the Aggies never had a chance. They were out-classed in every department and never really threatened until the last minute.

The Raiders went into the game with the strategy of outplaying the super-confident Aggies at the start. They did just that—and then carried through to the end.

Four times Tech was on the verge of scoring, it appeared, but it was not until the game was in its last two minutes that the marker went over.

Charles Reynolds, the Denver City high school graduate who claims Odessa as his home, was the man who finally reached the final yard strip. He intercepted an Aggie pass and raced 17 yards to the 14 before he was stopped. Leete Jackson crashed the line for three yards and then it looked like he would try again.

Jackson plowed into the line and the Tech forward wall charged in. But Leete didn't have the ball. Quarterback Dick Standerfer just turned and tossed the obnoxious Reynolds on a wide run around left end and speedy Charlie showed some of the speed which made him Ford's champion 100-yard dash champion by marking up the touchdown, going away.

The Aggies rallied sharply, but not enough. They marched down the field, passing wildly. Two of the passes hit and officials gave them 22 yards on an illegal pass interference, a penalty, motion pictures of the game disclose, should not have been given. However, the ball was resting on the eight yard line with 15 seconds to go.

The Aggies went into a huddle. A substitute raced in from the sidelines. He halted and ran back a few feet to get new instructions. The huddlers waited. And then the clock ran out. Officials didn't notice this fact until the Raiders called their attention. But the game was over and thousands of fans raced on the field.

In Lubbock the celebration was as great, almost, as V-J Day. Hiss tooted—people shouted—traffic was snarled—the Victory Bells rang out for over an hour. It was a great day for Tech and its followers. Six times the Red Raiders had gone down to defeat before the Aggies. Tech had been rated 24th in the nation, Texas A&M fourth. The majority out and about said it was an upset; but it wasn't for Coach Dell Morgan, his aides, and his players. They'd planned it that way.

The fleet freshman, Reynolds, was the popular hero around San Antonio Saturday night. And he should have received full credit. But to other stalwarts of the Red Raiders line and backfield has gone praise for their activities.

None of the 28 men Coach Morgan used against the Aggies faltered an inch of the way. There were mistakes, mistakes which must be corrected if SMU is beaten this weekend, the coaches say. But there was no lack of heart along the line and it was fought all the way.

Roger Smith, Tech's oldest player and co-captain, gave further evidence he is one of the Southwest's greatest backs. Tuffy Nabors led a defense which had the Aggies groggy. Joe Smith rushed the Aggie passers until they were dizzy, and then shifted to get his hand in on sundry tackles. Jameste Reed helped open the holes through which Tech backs plied up yardage. Everyone did his part—and well.

Roger Smith averaged six yards a tote in making 67 yards in 11 forward moves. He carried the second half kickoff back 46 yards and almost got away for a touchdown. He intercepted a pass—and he punted to the sidelines with regularity, once putting the ball out of bounds on the four-yard line, once on the seven. It was Roger's toe that kept the Aggies in the hole a lot of the time.

Tuffy was in on a third of the tackles. Joe Smith 18 times rushed Aggie passers so they got rid of the ball just as he hit, four times to find the ball intercepted, 13 times to have it fall incomplete. About half the time Bill Kelley was in there with him.

The hero of the game was supposed to be little Barney Welch, Aggie freshman. Barney made 19 yards in eight attempts at carrying the ball. His sole claim to fame Saturday night was his punting—and he did well.

The game was marked by a clash of brothers in the line. Bernie Winkler for Tech, James Winkler, for the Aggies. It was a toss-up who came out best.

All-in-all, Tech amassed 150 yards from scrimmage, punted 493 yards for an average of 35 yards, returned punts 54 yards and kickoffs 63 yards, and intercepted four passes.

The Aggies made 114 yards, punted 398 yards for an average of 45 yards, returned punts 35 yards and kickoffs 35 yards, and intercepted one pass.

But it was Tech which had the points which count, the touchdown, and it was Tech which did the celebrating.

### Five Social Clubs Announce Officers for Fall Semester

Two men's social clubs elected officers for the fall semester. Centaur club elected the following officers September 16: Roger Flanagan, president; Forrest Daniels, vice-president; David Johnson, secretary; Buster Melton, treasurer; Henry Moran, reporter.

Kennas officers elected Wednesday night were: president, Paul Nail; vice-president, Carl Minor; secretary, Hugh English; treasurer, George Wall; and pledge trainer, Howard Schmidt.

Officers for three women's social clubs were elected for the fall semester. Las Vivas, Wed. Sept. 25, chose the following officers: Bobby Childers, secretary; Johnnie Sue Hamilton, treasurer; Carol Sherrod, pledge trainer; Deah Brannen, W. I. C. C. representative; Lometa Hodge was elected president and La Wayne Griffin vice-president at the close of the spring semester in 1946.

D. F. D. officers elected Wednesday, Sept. 25, were: Mary King, W. I. C. C. representative; Sue Thompson, business manager, and Mary Hammock, parliamentary.

Las Chaparritas officers, also elected Wed. Sept. 25, are: pledge trainers, Jerry Taylor, Maye Mitchell and Margie Crews; sergeant-at-arms, Dottie Stringer and Jayne Thompson.

### Tech Aggie Teams Place In Contest

N. C. Fine, associate professor of animal husbandry, stated Monday in a telegram to the animal husbandry department that Tech's cattle judging team was rated fourth in judging Brown Swiss, and tied with Purdue University's team for fourth place in judging Holstein-friesians at the Interstate Dairy Cattle Judging Contest Sept. 30, in Waterloo, Iowa.

H. G. Sprawls, senior animal husbandry major from Tulla, was ranking student in judging Brown Swiss, and James Gunter also a senior, placed tenth in the entire all-breeds contest. Sprawls also placed fourth in Holstein judging, and ninth in Jersey judging. The team placed fifth in Holstein-friesian judging, and eighth in judging Guernseys.

Eleven agricultural colleges in the United States and Canada were represented at the contest, the first since the beginning of the war, in which Iowa State College ranked first, Ontario Agricultural college second, Pennsylvania State college third, and Texas Tech and Purdue University tied for fourth.

The team representing Tech, composed of Albert Devin, H. G. Sprawls, James Gunter and John B. Wheeler, will return to the campus later this week.

It is said that Oregon obtained its name from euceron-gen, a Shoshone word meaning "place of plenty" or from wau-re-gan, Algonquin for "beautiful water."

### W. I. C. C. Limits Number Of Stags For Club Dances

"Two stags and a date per girl may be invited to the social club dances," La Wayne Griffin, president of the Women's Inter-Club Council, announced that this has been passed by the council. She said, "This is mentioned by way of explanation to the boys' clubs and other organizations, who have heretofore received blanket bids; however, with the present crowded conditions and lack of sufficient dancing accommodations, blanket bids will no longer be used."

She added that members of the W. I. C. C. are working on plans for deferred rushing for girls' social clubs. "It is our hope that arrangements can be completed in time for deferred rushing to go into effect by the Spring semester of '47."

### Chorus Consists Of 300 Students

College chorus, under the direction of Dr. Julien P. Blitz, has begun its work for the year with an enrollment of about 250 girls and 50 boys.

At present the class, which meets every Monday evening at 7:00 p. m. in St. John's Methodist church, is working on college songs to add to the impetus of school spirit. Tentative plans for the rest of the year include Christmas carols and the annual spring presentation of "The Seven Last Words of Christ."

Dr. Blitz especially welcomes the boys to the class and expresses his appreciation of such a large number and his enthusiasm for the prospects of the year's work.

### Lamb Elected Club President

Herschel Lamb was elected president of the Dairy Manufacturing club at the club's first meeting, Sept. 25. Other officers elected were: Luther Loveless, vice president; R. V. Ball, reporter; and Norman Hoback, secretary-treasurer. L. G. Harmsworth, C. W. Denison, faculty members in the dairy manufacturing department, were elected club sponsors.

Plans were considered for the annual Homecoming breakfast which is to be held for the alumni Oct. 19 at 7:45 a. m. in rooms 228 and 230 of the agriculture building. Recommendations for revision of the Dairy Manufacturing club constitution were discussed at a special meeting called Sept. 30 by Herschel Lamb. The proposed revisions will be put before the club for vote at the next regular meeting on Monday, Oct. 7.

Regular meeting nights for the club have been set for the first and third Mondays of the month.

### Terrell Elected To Head Dramatic Fraternity

Veteran Jack Terrell, junior speech major, was elected president of Alpha Psi Omega, National Honorary Dramatic fraternity, at the first regular meeting Tuesday Oct. 1 at 8 p. m. Other officers elected are Maxine Hammersdorf, vice-president, and Imogene Bagwell, secretary.

### Textile Society Elects Officers For The Year

Officers of the Textile Engineering society were elected Tuesday night for the year. President J. C. Long presided over the meeting and the following were elected: C. L. (Snuffy) Harris, vice-president; Mary Ross, secretary; and John Romine, treasurer. Committees were appointed to be responsible for programs and socials and to appropriate money for a textile tour. Maxine Craddock and Frank Kelley were elected club sponsors.

### Fish Receives 4-H Club Award

Wanda Weems, freshman home economics student from Rotan, has been named the outstanding 4-H Club girl in Texas for work done in clothing achievement last year. According to word received by Dean Margaret Weeks, Wanda will be honored on Youth Day, Oct. 5, at the State Fair in Dallas.

Wanda, who has been in the 4-H for the past seven years, is being entered in the National 4-H clothing achievement and records contest.

New York honored the Duke of York when it selected its name.

A hint by yours truly that if a few students would walk out it would make a swell news story was not well received, and when no one could think of any new charges, counter-charges, indictments or address books to exchange, Roy Grimes of Lubbock was elected vice-president of the class of '50. The floor was opened for nominations for secretary and I knew that my front door was open to the same girls. They paraded the three girls down in front and out the gym door. When some slime on the first row stood up to get a better view, everybody thought they were having a standing vote, and that trio was almost elected by acclamation. But when Prexy Price said that only one could be elected as having the best figure—excuse me, ability to write, they elected Mary Christian of Waco as class secretary.

### Socli Club Entertains Dates At First Fall Social Function

First function of the Socli men's social club, for this semester, was a hayride-picnic Friday night in Aggie Grove. Dancing in the Silver Dollar followed the weiner roast.

Members, pledges, and dates were: Wes Askew, Pat Berg, Bob Cole, La Rue Malouf, Gene Collins, Martha Harris, Jay Denton, Joyce Byrom, Robert Gaston, Jane Lawson; John T. Hall, Emma Young; Tom Haley, Joy Sawyer; Jimmy Johnson, Betty Bomar; Arch Keyes, Mrs. Arch Keyes, R. L. McClellan, Sue Foulter; Jack Nesbit, Nina Hickman; Wendell Nutt, Jean Alger; Steve Payne, Marlon Bain; Bob Roper, Betty Bratton; Gerald Stokes, Norma Hudson; Irvin St. Clair, Helen Bryan; Jimmy Velvin, Mary Jo Oswald; Ted White, Frances Rambo; Bob Williams, Janet Swindler; Dick Willbanks, Frances Hawnes; Andrew Willingham, Jean Holt; Barton Willingham, and Wanda Weems.

Other members included: Brae Biggers, Bill Carroll, Ray Cooley, Tom Hassell, "Doc" Hanley, Richard Taylor, and Frank Neal.

Chaperones were Mr. and Mrs. G. C. Decker and Mr. and Mrs. C. T. Overby.

### Tech Aggie Club Outlines Plans For Fall Term

Aggie club met Tuesday, Oct. 1, at the Pavilion. Dr. Fred J. Harbaugh, professor of animal husbandry, was elected faculty sponsor.

The Aggies' plans include the annual pig roast, Nov. 12, the Aggie-home economic party and the Aggie club banquet.

Committees have been appointed for the fall semester of 1946. Albert Devin is chairman of the membership committee assisted by Camille Stevens and John Ash. Jerry Beavers, chairman, John Bill Wheeler and Francis Montandon, compose the program committee.

Chairman of the social activities committee is R. V. Ball, assisted by Elmer Harvance and Lloyd Hal-lows. Joe Cardwell, chairman, Jim Hutchins and Ray Sprawles were appointed to the refreshment committee.

Bob Armstrong, president of the club, announced the next meeting would be Tuesday, Oct. 8, at 7:30 p. m. in the Aggie auditorium.

### Tech Sends News Throughout Nation

Tech's College News service which has been handled by Cecil Horne, Journalism Head, since the fall of 1926, is designed to give news to papers and magazines throughout the state and nation.

Information is sent from this institution to 185 newspapers and 12 radio stations regularly as well as numerous special articles. "Over five hundred pictures were used in connection with publicity," says Horne. "Silly features and propaganda are not a part of this service."

### Cabaret Party Set For Oct. 10

Department of Health and Physical Education for Women will honor all entering freshmen and all transfer women students with its annual Cabaret Party in the gymnasium, Thursday, October 10, from 7:30-11 p. m. Members of the Women's Recreational Association and Major-Minor club are to be hostesses.

Plans are being made to decorate the gym in the cabaret style. An interesting and varied program is being planned and will be climaxed with the showing of the movies of the 1946 Play Day.

### Women Veterans to Meet

All Tech women veterans are to meet in J-205, Thursday, Oct. 10 at 7:30 p. m.

Campaign posters brighten the college campus these days and indicate an active school spirit. But a little more care in posting these bulletins is in order.

Scotch tape on the walls will tend to deface our buildings. Bulletin boards are provided for this purpose, and some of the school officials have asked that students use these and other suitable places for their posters.

This is your school. Take care of it.

### Convocation Held For Men Rushees

Convocation for men's social club rushees was held Monday, Sept. 30, in C-101 from 5 to 6 p. m., according to Charles Washburn, acting president of Men's Inter-Club Council. Rush week will continue through Friday, Oct. 11, when preference cards will be signed between 4:15 and 6:15 in C-101.

Each club's functions are being held in the Hilton Hotel at 7 p. m. on the following nights: Tuesday, College Club; Wednesday, Socli; and Thursday, Kennas.

Parties scheduled for next week include: Monday, Silver Key; Tuesday, Los Camarades; Wednesday, Centaur and Thursday, Wranglers.

### Vets Must Return Books When Courses Are Dropped

C. E. Gatlin, Veterans Coordinator of the college stated today that vets who drop a course for which they registered and secured a book must turn in that book to the bookstore for credit. It is possible that a small charge for the use of the book will be made, Gatlin said.

## Veterans Vote

IN THE LUBBOCK COUNTY

## Beer Election

Saturday, October 5th

If you have been here since January, February, or March and live here even though you did take a summer vacation trip and are 21 years old and a man of your own you can vote here in Lubbock county in all elections. No registering or signing up here is necessary at any time. Just take your discharge or a copy to the polls.

Check your Lubbock address with the following voting precincts to determine where you vote.

From Main to 2nd Street, taking in Men's Dormitories, east to Ave. Q—Vote at K. Carter School at 6th and Q.

From Broadway south to 16th, east to Ave. Q—Vote at the Junior High School, 14th and T.

From south of 16th to 19th Street, College Ave, east to Ave. Q, including Women's Dormitories—Vote at the Senior High School, at 19th and Ave. T.

From south of 19th to 27th, Ave. Q to College—Vote at the Dupre School at 1920 Ave. T.

From north of 19th and west of College—Vote at the Senior High School at 19th and Ave. T.

From south of 27th and West of College to the city limits—Vote at George R. Bean school at 3000 Ave. N.

From north of 27th, west of College and south of 19th St.—Vote at the Roscoe Wilson school at 25th and Jefferson Ave.

OTHER TEXAS COUNTY POLL TAXES CAN BE TRANSFERRED HERE AFTER RESIDENCE FOR SIX MONTHS IN LUBBOCK COUNTY BY THE LUBBOCK COUNTY TAX COLLECTOR'S OFFICE.

IF YOU HAVE NOT VOTED IN ANY OTHER COUNTY SINCE SETTING UP RESIDENCE HERE YOU ARE ELIGIBLE TO VOTE.

IF YOU LIVED HERE IN 1941 OR 1942 OR 1943 WHEN YOU WERE CALLED TO THE SERVICE AND RETURNED TO LUBBOCK TO LIVE AFTER GETTING OUT, YOU HAVE TAKEN UP YOUR RESIDENCE WHERE YOU LEFT IT AND ARE ELIGIBLE TO VOTE.
