

# THE TOREADOR

## Religious Emphasis Week Begins Monday

### TWVA Hears Talk On Need For Gym

"If Tech is ever to have a new gymnasium, now is the time to act," Moley Jennings, director of athletics, told TWVA members at their Annual Spring Smoker Tuesday night. Pres. W. M. Whyburn also addressed the group.

phased by the stress placed on physical fitness by the Armed Forces, is still fresh on the minds of our legislators. We have been needing a new gymnasium for many years, but now is the time to get one," Jennings continued.

### Aggie Club Makes Plans for Spring

Dear W. L. Stangel announced that the Aggie school enrollment climbed to a new high this semester as he welcomed new members to the Aggie Club at its meeting Tuesday night February 11. President "Hub" Eastland presided.

Tech needs a new gymnasium for ALL the students, not only to further a wider recreational program, but also to provide classroom space and a convocation hall where the entire student body can be assembled at one time, Jennings pointed out.

At the same time, Dean Stangel announced that full financing for completion of the Aggie Memorial Auditorium has now been received. At the last Board of Directors meeting, a motion was approved to match dollar for dollar the Aggie Club contribution of \$2076.00. The Aggie Club has also set aside \$1500.00 for a Memorial Plaque for the Auditorium.

In conclusion, Jennings expressed his appreciation for the active part that TWVA has played in support of the drive for a new gymnasium.

The auditorium is to be completed as soon as Mr. Cummings can arrange for the purchase of the theatre type chairs, Venetian blinds, drapes and a stage curtain, Eastland announced. After completion of the project, the Aggie Club will formally dedicate the auditorium.

**Administrative Viewpoint**  
"I wish to say that Mr. Jennings' views on the subject of a new gymnasium are shared by the administration of the college, and that we are doing everything we can to secure a gymnasium for Tech at the earliest possible date," President Whyburn stated.

After a welcome address by the club sponsor, Dr. F. G. Harbaugh, Jim Hutchins introduced the Kiwanis Club Hot Shots.

Tech has asked the Legislature to appropriate \$500,000 for new buildings, with no order of preference given. Any building that has a chance of being approved has first priority with us."

Plans were made for the Aggie-Home Economics party to be held March 21.

Vocalists Sue Son, accompanied by Burl Hubbard, and Dorothy Carmack, accompanied by Pee Wee Lynn, began the musical program. Jamie Trainer sang several "country-wide pieces," and the Kiwanis Hot Shots entertained with novelty numbers. Floyd Read was in charge of the program.

### Cast Announced For Spring Play

Cast of "Arsenic and Old Lace," by Joseph Kesselring was chosen at tryouts Feb. 5, 6, 7. Joe Burson, instructor in the Speech Department announced Wednesday. The cast includes Billie Hutchins and Henrietta Jackson as Abby Brewster, Jim Thomas as Dr. Harper, Richard Miller as Teddy Brewster, Joe DePauw as Officer Klein, Frank Summers as Officer Brophy, Alice Barron and Helen McDonald as Martha Brewster, Dr. Ruth Hopping as Elaine Harper, Floyd Parr as Mortimer Brewster, Eddie Arayain as Mr. Gibbs, Billy Gilmer as Dr. Einstein, James Simpson as Officer O'Hara, W. D. Hollis as Lt. Rooney, and Joe Garrison as Mr. Witherspoon. "Several parts are cast double," said Burson.

### Directors Chosen For Varsity Show

Deadline for Varsity Show scripts has been moved up to Tuesday noon, Feb. 18. Jamie Trainer, general director, announced. She asked that anyone having ideas for a script contact her or one of the Varsity Show committee members. Final selection will be made next week.

The play, a successful Broadway production made into a movie, will be presented in the Lubbock High school auditorium March 18 and 19, according to Burson.

Directors chosen for the show are Joanne Crabtree and Frances Brashear, dramatics; Jimmy Carl, musical; Elizabeth Schmidt, Sarah McDonald, Jane Council and Mary Johnson, set design; Jack Cooper, lighting; Bob Watson, programs; and Virgil Miers, Joe Meador, and Bea Green, publicity. Stage manager, make-up director, and costume designers have not been chosen, Trainer said.

### Engineering Show Previewed Monday

Previews of the forthcoming Engineering Show were presented to members of the Engineering society Monday night, Feb. 10, according to Jim Waner, general manager. The show is scheduled for April 18-19.

Acting try-outs are tentatively scheduled for Saturday, Feb. 22. A description of characters will appear in the Toreador prior to try-outs, she said.

Demonstration of the Westinghouse precipitron, which is used for purifying air, were conducted by Weldon Harris. Other projects exhibited and their demonstrators were: Mine detector, Edgar Smith; walky-talky, James Southern and Edward Graf; portable telephone switchboard, John Lilly; gas turbine, Marshall McDonald; talking light beam, Edward Graf.

### Tech TE's Sell Large Towels

Towels are being made at Tech from West Texas' short staple cotton, according to Herbert E. Kiecke, superintendent of weaving research of the State Cotton Research Committee, and Ervin Conway, project principal of the Cotton Research Committee.

### Tech Will Be Featured On Nationwide Program

Texas Technological College will be featured soon on a nationwide radio broadcast by Dean Charles E. McAllister, it has been announced by Dr. W. M. Whyburn, president. Dean McAllister recently visited the Tech campus in connection with a survey of administrative problems in schools throughout the nation.

The purpose of the research in the making of towels from short staple cotton is to find a market for West Texas' cotton, Conway stated.

The broadcast will be from Spokane, Wash., at a date to be announced later. The dean, who is chairman of the Association of Governing Boards of State Universities and Allied Institutions, spent last Friday and Saturday on the campus.

Absorbent and fabric tests were run on the towels made from short staple cotton and towels made by commercial manufacturers. Kiecke stated that the tests proved that West Texas' short staple cotton was superior in every way.

Towels 44 by 21 inches are being sold for 75 cents a piece and may be obtained in room T206. "No profit will be made from these sales, only the cost of making them will be realized," Ervin Conway stated.

### Student Council Votes On Three Proposals

Student Council approval was given Feb. 6 to plans of Kappa Kappa Psi, honorary band fraternity, to sponsor a jazz band concert at the high school auditorium. Transfer of \$73.93 from the class of 1943 to the Student Union building fund has been approved by Kenneth Robbins, former senior class president, President Troy Davidson announced.

Davidson will report on the Veteran's Memorial Loan Fund at the next meeting, and the Council voted to back this fund if it is found to be a worthy project. Joe Meador, Arts and Science representative, is to report on the World Student Service Fund.

TWVA's spring clean-up drive will receive Council assistance, as proposed by Meador.

## Dr. Smith To Be Initial Willson Series Speaker

Dr. Roy L. Smith, distinguished Methodist minister and editor of the Christian Advocate, will appear as Willson Lectureship speaker at four convocations during Religious Emphasis Week, observed this year during the week of February 17-23 at Texas Technological college.

Doctor Smith, named by Who's Who as one of the most representative Methodist ministers in America in 1935, is also a noted author and editor, having edited the Christian Advocate since 1940 and edited the Northwestern Christian Advocate in Chicago from 1929 to 1932.

"I Believe" has been chosen by Doctor Smith as the general subject for the Religious Week convocations. On Tuesday, February 18, at 10 a. m., he will talk on "I Believe in God." Wednesday, February 19, at 10 a. m., his subject will be "I Believe in Jesus Christ." Thursday, February 20, at 11 a. m., he will speak on "I Believe in Man." The fourth and final convocation Friday, February 21, at 11 a. m. will have as its subject "I Believe in Life."

Classes will be dismissed to enable students to attend the convocations.

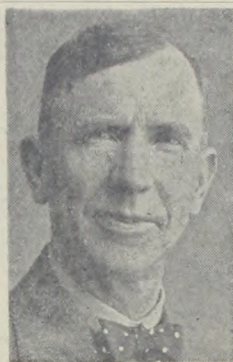

Doctor Smith's appearance as lecturer for Religious Emphasis Week has been made possible by the Willson Lectureship Fund. J. M. Willson, local citizen and resident of Floydada, contributed \$10,000 to Texas Technological college to be used as a fund for securing technological and religious lectures for the college. Willson is identified with many philanthropic enterprises and has donated money to many other colleges.

At Tuesday's convocation, the Matador band will play. Organ music will be furnished at the three following convocations. The college chorus will sing a hymn at each of the four events, according to Julian Blitz, director.

Several other features of Religious Emphasis Week have been scheduled. Forums are to be held at the four dorms at 10 p. m. on Monday and at St. John's Methodist church on Tuesday and Thursday at 7:30 p. m. These forums will be led by prominent local business men and pastors of Lubbock churches. Further discussion of Doctor Smith's lectures will be featured.

DR. ROY L. SMITH

J. M. WILLSON

### Rodeo Association Meets, Selects Two Sponsors

Dean W. L. Stangel and Cecil Horne were elected sponsors of the Texas Tech Rodeo Association at a meeting held in the Aggie pavilion Thursday night with Ed Hughes, acting chairman, presiding. The organization's constitution, which will soon be presented to college officials for approval, was read and committees were named.

### Aggie Scholarship Established Here

Global Corporation of Lubbock has presented a \$200 scholarship for agriculture students at Texas Technological College in an effort to stimulate high scholarship and greater achievement in the field of agronomy, according to Dr. Ernest Wallace, chairman of the college committee on awards and scholarships.

The scholarship will be presented annually in the fall semester to the senior agriculture student who has completed at least 11 hours of agronomy before September of the school year in which the award is made, and who has the highest average of all students eligible in all college work preceding his senior year.

Winner of the 1946-47 award will be announced soon, Dr. Wallace said. The awards will be administered by the college through its appropriate committee upon nomination of the recipient by the head of the Department of Plant Industry and approval by the dean of Agriculture.

President W. M. Whyburn, accepting the scholarship for the college, expressed appreciation to the Global Corporation for the constructive interest shown in Texas Tech by making the scholarship available.

### Commerce Division Gets New Title

Change of the Division of Commerce to the Division of Business Administration, approved by the Board of Directors, will become effective Sept. 1, announced T. C. Root, Dean of the Division of Commerce.

The purpose of the change is to emphasize the profession rather than the vocation, stated Dean Root. Only students of sophomors standing and higher will be admitted to the Division after June 1. This change will not effect Freshmen now in the Division.

"We are eliminating several curricula and combining others. The purpose is to broaden the course of study and to allow for intensification of the teaching effort in upper levels," stated Dean Root.

The five major departments will be Accounting, Finance, Management, Marketing, and Economics. Economics will be divided into Public Administration and International Trade. The course in General Business is being discontinued.

### Frat to Sponsor Hanson Swing Band Concert

Kappa Kappa Psi will present Karl Hansen and his thirteen piece orchestra in a swing band concert Friday, Feb. 21 at 8:30 p. m. in the high school auditorium.

Tickets, priced 75c, will be on sale at Adair Music store and in the band room. Plans are being made also to set up a ticket booth in the Administration building.

Announcement was made that the association will be in charge of the parade at the spring rodeo which will be sponsored by the Block and Bridle club. The association also received an invitation from an Arizona college to enter a roping team in a rodeo to be held in Arizona, March 15-16.

Committees chosen and their members are: Concessions, Benson Sprawls, Albert Devins; parade, Glen Elkins; dance, George Elliot, Edwin Dawson; breakfast and chuck wagon, Jess Herring, Lloyd Holloway, John Bayles; program, L. D. Boone, K. O. Lewis; publicity, Jim Humphreys, William Montgomery; tickets, Harold Eastland, Jim Christian.

All students are invited to attend the association's meetings.

### Radar Exhibition Scheduled Monday

Radar, the electronic device which ranked second only to the atomic bomb in the list of the war's most amazing developments, will be seen in action here at 8 p. m. Monday, Feb. 17, at the Lubbock High school auditorium. Dr. Phillips Thomas, of Pittsburgh, Pa., research engineer for the Westinghouse Electric Corporation, will explain and demonstrate radar during a meeting sponsored by the Southwestern Public Service Company and the American Institute of Electrical Engineers.

The lecture, which will include other electronic devices, is designed to explain in non-technical language the marvels of 20th century scientific achievement.

Dr. Thomas has several inventions to his credit, including those of the ultra-audible microphone and the glow-discharge microphone.

### Three Debate Teams To Represent Tech

Three debate teams will represent Texas Tech in the Baylor Forensic Tournament to be held Friday and Saturday, February 21 and 22 in Waco.

Two men's teams and one woman's team will debate the national intercollegiate debate question: Resolved, that labor should be given a direct share in the management of industry. Each team will debate both sides of the question, said Annah Joe Pendleton, head of the Speech department.

Members of the Tech debate teams are Betty Jo Maynard, Jacquelyn Reynolds, Imogene Bagwell, Floyd Saddler, Marvin Jorday, James Bowman, and Glenn Ivy. Miss Pendleton will accompany the students.

### DIPLOMAS

Seniors who expect to graduate this spring may pay a \$3.75 deposit for their booklet diploma at window number two in the business office any time before deadline March 10, according to Orville Alderson, senior class president. The deposit will be returned if the student does not graduate as expected, says Alderson.

### TCC All-College Dances Are Planned

Tech Chamber of Commerce will sponsor all-college dances in the Student Cafeteria, beginning Mar. 5. The dances will be held on Wednesdays and Thursdays from 7:45 to 9:45, announced J. C. Bartlett, president of the Chamber of Commerce.

Hosts for each dance will be appointed by Bartlett. Miss Opal Wood, director of the Cafeteria,

is in charge of arrangements for food and a nickelodeon.

Faculty and campus representatives approved the dance arrangements this week. Bartlett presented the plans at a meeting attended by James G. Allen, Dean of Men; Margaret W. Weeks, Dean of the Division of Home Economics; Mrs. Johnnie Langford, Dean of Women; Troy Davidson, president of the student body; Jim Humphries, vice president of the student body; Maxine Harp, president of the Home Economics club; Elizabeth Schmidt, president of the American Women's society; Robert Pardue, business manager of La Ventana; and Wesley Hamilton, Student Council representative.

Financing of the dances will be worked out later. A fee of a dollar per person a semester will probably be charged for admittance, Bartlett said.

### St. Valentine's Love Bloometh

By WINNIFRED LARABEE  
Toreador Staff Writer

A new day dawneth. The poor sad student awaketh and with much ado prepareth for another day of higher learning, the thought of which maketh him to despair. There soundeth much wailing and gnashing of teeth.

But lo! someone approacheth! Who cometh? Nay, not the iceman, but the postman—he who singeth always twice. And behold! he bringeth a small white envelope which containeth a bright red heart bedecked with flowers, sweet verses, and fragments of lace.

The dawning day yttaketh on a happy glow. 'Tis Saint Valentine's, the one day in the year when humanity acclaimeth that power which maketh the world to turn on its axis. Love, that is 'Tis the day when all the world loveth a lover, and the romantics are nigh unto bankruptcy from the purchase of beribboned boxes of goodies.

Yea, this is the day when silent love speaketh; unrequited love giveth it one more try; and mutual love bloometh into unequalled splendor.

And hark ye to the sound! For on this day, billing and cooing goeth even unto the ends of the earth.

### Class Favorites Are Announced

Class favorites for the 1947 La Ventana are Lotta Beas Baldwin, senior journalism major, Lamesa; Pauline Lokey, junior applied arts major, Lubbock; Mary Jane Hinchey, sophomors history major, Lubbock; and Pattie McDonald, freshman arts and science student, Big Spring. This announcement was made Tuesday by Panze Butler, chairman of the Student Council Election committee.

Editor Alice Meading said that La Ventana will also recognize June Stine, journalism major from Archer City, and Carolyn Baldwin, arts and science student from Lamesa, junior and freshman selections in the December voting which was held in Lubbock.

Each of the second elections was supervised by two faculty members and at least one member of the Election committee, in accordance with provisions of the Student Council Constitution.

### ROTC To Receive Uniforms Soon

Requisition of new uniforms for the entire cadet corps of the ROTC has been authorized by the War Department, according to Lt. Col. L. C. Adams, professor of military science and tactics.

Every cadet will get an officer type uniform. Elementary students will no longer be marked by the blue lapel. They will receive blouses, slacks, overseas caps of officer's green and the officer type short overcoat. Advanced students will wear officer's pink slacks, with green blouse and overseas cap, and the short overcoat.

These uniforms will replace the old uniforms, some of which have been in use since 1939, Col. Adams said. The requisition will be turned in immediately after the last man has been measured for his uniform, and the new uniforms should arrive in time for the Military Ball scheduled for March 21, according to Col. Adams.

Col. Adams further stated that he expects an infantry unit to be added to Tech's Department of Military Science this summer, thus opening another branch of service which will be available to male students.

### WHYBURN IS GUEST

Dr. W. M. Whyburn was guest Wednesday night at a dinner in Corpus Christi given by the president of the Corn Products Refining company, manufacturers of Karo. The dinner celebrated ground breaking for the first company plant in Texas.

WRA Tennis, 4-5 p. m., tennis courts.

# Editorial . . .

There is one thing on the campus which could be accomplished, benefiting all students, and which would not put the college to any extra expense. This idea could not be effected until next year, but now is the time to get the groundwork laid for it.

Anyone who has tried to schedule anything on the College Calendar will know what we mean. An official College Calendar is essential to keep entertainments from conflicting. However, (since the enrollment has grown and dormant groups have become active, not to mention the new clubs,) letting "first come first served" policy be enforced, is not fair.

We would like to see a new policy introduced, allowing equal time to all organizations. There will be students who argue that all groups do not entertain equally, and that there is too much administrative influence already. But look at it this way.

By November the calendar is loaded. Then when Varsity Show and Rodeo decide on an opportune date, they have to move earth and high heaven to squeeze the event on the calendar. This is not as it should be.

There should be some definite policy. For example, we would suggest (1) letting all-college functions and activities be scheduled first, (2) giving all clubs who want to entertain a free date, then (3) if there are any nights left over, allow several closed functions per night.

We do not know what has been considered along this line. No doubt the administrators will handle this matter with the student body as a whole in mind when it is suggested.

It would be a pleasant sensation for Techsians next fall to schedule their functions with no fear of being outdone by a rival group, and knowing at the same time that no all-college celebration will schedule later causing them to take a less convenient date. What are the chances of this getting past the right committees? We don't know. But here's hoping that something is done along these lines.

### BLUE CROSS

The latest Blue Cross Plan hospitalization drive, held January 27 through February 1, added approximately 240 new members to the Tech membership, according to G. A. Walters, Lubbock representative of the Blue Cross. About 815 students enrolled in the previous December campaign. Both drives were sponsored by the TWVA with the approval of the Student Council and the college administration.

## THE TOREADOR

Student newspaper of Texas Technological College, published every Friday on the campus in Lubbock, by students.

Entered as second class matter, Oct. 31, 1925, at the Postoffice in Lubbock, Texas, under the Act of March 3, 1879.

Editorial offices, Press Building, rooms 103, 105. Telephones: College switchboard; night editor, 8648.

Member Associated Collegiate Press

REPRESENTED FOR NATIONAL ADVERTISING BY National Advertising Service, Inc. College Publishers Representative 420 MADISON AVE. NEW YORK, N. Y. CIRCULAR POSTAGE PAID AT NEW YORK, N. Y.

Certain college officials are now contemplating having the men's and women's dorms occupied according to classification, after completion of the two new dorms.

With only six dorms, juniors and seniors would apparently share a dorm. This plan is still in the discussion stage, and student reaction will probably play some part in its formation.

"What's your candid opinion of our new column?" we asked a friend recently. "It's worthless" was the blunt reply. "That's true," we persisted, "but give it anyway."

Note To Social Clubs: This will probably be the last year that you may give as many dances as your finances permit. Plans are now being worked on to limit each club to a certain number of affairs, beginning next fall.

Tastes of Tech students vary from time to time, but a good indication of what today's Tech student likes can be found in the following list, which is a compilation of the five books most asked for, and with the longest waiting lists, in the campus library. They are:

- "The Egg And I" by Betty McDonald, "U.S.A." by John dos Passos, "The Last Chapter" by Ernie Pyle, "Then and Now" by Somerset Maugham, and Lloyd Douglas's "The Robe."

### POEM OF THE WEEK

I never kiss, I never neck, I never say hell, I never say heck, I'm always good, I'm always nice, I never play poker, I never shoot dice. I never wink, I never flirt, I say no gossip, spread no dirt, I have no line, play no tricks, But what the hell, I'm only six. —Masquerader.

Texas Tech Calves: When the Tech beauties were given a lunch in San Angelo during their recent trip to Austin, the master of ceremonies explained that in this part of the country they knew little about beauty judging and were more familiar with judging cows.

Phi U Frat Observed Founder's Day With Party: Phi Upsilon Omicron, the Omega chapter of the national honorary and professional Home Economics fraternity, observed Founder's Day Feb. 10. The special program was given at the home of Miss Margaret W. Weeks and Miss Mabel Erwin, 2602 20th street.

Betty Renner gave a review of the history of the national organization. The beginning and development of Omega Chapter was informally presented by three charter members: Miss Verna Crump, Miss Delliah Manire, and Mrs. Floyd Williams.

Katherine Nelson was chairman for the Founder's Day program. The white two-tiered birthday cake with 32 candles representing each active chapter of Phi U in the U. S. was lighted by Omega members.

## Nursery For Veterans' Children Sponsored By Welfare League

Children of Tech Veterans who have working wives will soon have a new daytime home, according to C. E. Gatlin, coordinator of veteran affairs, and Mrs. Ann Duke, instructor in home and family life. Plans for a nursery school and emergency day nursery to be located in Lakewood village at LAAF, have been developing for several months through the efforts of several organizations and many individuals, says Gatlin and Mrs. Duke.

The Lubbock Junior Welfare League is backing the project, and proceeds from the Junior Welfare League Charity ball, which will be held February 13 at the Cotton Club, will go to this cause.

The nursery school will be located in what was formerly the Officers club, and was made available by Lubbock housing authority.

The purpose of the school, which will open the middle of this month, is to provide proper care for preschool children whose mothers must work in order to enable the fathers of the children to remain in school, and to enlarge the program on home and family education, which has been in progress the last nine months.

This project is a non-profit organization, and Tech veterans living at Lakewood village will have priority, stated Gatlin and Duke.

The executive committee of the nursery school is composed of town people and Tech faculty members. Martha Kuykendall of Lubbock is chairman, with Mrs. Duke as co-chairman. Tech representatives of committee are: Charlotte Ballow and Miss Sannie Callan of the Tech nursery school; Miss Vivian Johnson, instructor of H. E. Education; Arnold Maeker, commander of Tech Veterans; and Margaret W. Weeks, Dean of Home Economics Division.

Others on the committee include: Mrs. John Beyers; Miss Reuby Tom Rhodes; Mrs. Marion Key; Mrs. Derwood Bradley; Mrs. Robert Howard; and Mrs. C. C. Mansell, president of Junior Welfare League.

### LIBRARY SERVICE

Additional service for library patrons has been announced by A. S. Gaylor Jr., Librarian. Lists of monthly additions to the library will be placed on a table in the main hall of the Library.

anytime if they need them to continue post-graduate work at another college. We feel that this is an unfortunate situation for those students who have laboriously (?) worked toward their degrees for four years to find that they must wait until the following June graduation to receive a diploma, in person or by mail. However, it is not only a Tech policy, but one that is practiced in many universities over the land. A check of registration figures shows that from 1938 until now, over one-third of Tech graduates have completed their requirements during the summer semesters.

Which, in turn, indicates that more than one-third of all enrolled students at the college will not participate in a graduation ceremony, or will wait a year to do so.

Now that summer graduates have been eliminated at this college, those students that complete degree requirements any time during the summer, must wait a year to participate in graduation ceremonies or even to receive their degree. However, a transcript of credits will be available to them.

## The Know

By TWO WHO DO

The Plutocrats: Independents on the campus lost a heroine when their Joan of Arc became a socialite—JACKIE LEWIS turned Ko Shari. . . MARIAN WOODS went to Shari and SUE ANN ROBERTS went Souci—this time. . . Souci's were most embarrassed when BARBARA SURMAN thought she lost a coat at their rush party, but she found out later she didn't even wear one. Women! . . . DFD's will probably say onions to FLOYD SADLER. . . Good sports of the year are JUNE STINE and CAROLYN BALDWIN. The freshmen turned keys up in their usual manner, but the Juniors have no excuse for the bad taste they showed in electing a new favorite. . . The spy mentioned in Touche was so wrong when he said several faculty members were shocked at some of the dialogue in a submitted Varsity Show script. They might have been had they read it. . . Another week, another Kemas. This time it's HUGH ENGLISH and MENON STANGEL is wearing his pin.

These Changing Times: The TWVA's ETO heads were whirling about the right day to have the smoker, but at long last they settled for Tuesday. They've had it and we don't mean the smoker. . . HENRY TACKETT, ex-Navy radio man, said that his name never had, and probably never would, appear in the Toreador. Well, everyone can't have a perfect record, time changes everything, Henry.

Prison Walls: OPHELIA BEAL and RALPH COCANN OUGHTER will tie the knot but soon and the same goes for LOUISE CRIM and TEDDY WALDRIP. . . The big secret being rumored is the marriage of DOROTHY CARTRELL to NELSON BARDWELL — took place between semesters, we hear.

The Children's Hour: GLENN IVEY dates both ELAINE HEAD and JOAN FORBES. Not at the same time, but he must be the busy one. . . If JACK BLAKE never jittersburged before in all his life, then he must have been inspired Saturday night at Cactus. . . Inspired was not the word for CHARLEY GUY the same night. He just felt awful when he saw MARY ALICE CHRISTIAN there with another fellow. . . BOB WATSON was oh so in love this week this LOUISE WALKER. . . LUTHER STEGER and DOROTHY CARMACK should get together. What

Close behind Head was Gene Hardey, land who engineered the floor plans presented this season.

Don Groves, new Tech basketballer, had a total of 11 points in the first two games. The El Pasoans got started with Greg Scoville in two sensational games. The Minors led the Tech team one field goal throw and Head hit a long over hand shot from the key before Tech front to run the score half time.

During the second round continued to Coach Huffman.

Aggie Club: Harold Eastland has been elected president of the Aggie Club for the Spring Semester. He is flanked by the officers chosen: Montgomery vice-president, secretary, treasurer, Johnnie Lehall and Ed Houran.

The Red Raiders will have a glint of trouble for the first time in three games they will meet on the way. A few of three encounters week coach Huffman will be favorites in three games they will meet.

Thursday night in El Paso will be a battle with the Tech team. They will have some court Feb. 7. The Raiders will try to upset the current El Paso cellar dwellers when they encounter the University of at Albuquerque. The in third place, are of the strongest contender conference.

The next home game of the Raiders is slated for Feb. 10. They will have the Border conference championship all but sure winners, who boast several players have an average of over 50 points in winning victories and have five to go.

## Casa Linda Plans Dance To Observe Valentine

Plans for a Valentine dance were discussed at Casa Linda's first house meeting of the Spring semester. The meeting was held Monday, Feb. 3. The dance will be semi-formal, and will be Saturday, Feb. 15.

This semester is the first time in its history that Casa Linda has housed more than eighteen girls. Nineteen girls are living there now but this is a temporary condition. Avis Fuchs, assistant business manager, is to live in the Home Management House the last half of the semester. This will leave the usual number of occupants in the house.

a well-suited couple. Rags To Riches: JOY SAWYER drives an old, beat-up 1942 New Yorker convertible, but a girl that TOM HALEY writes letters to through the mail has a 1946 Town and Country job. JOY is wondering if the '42 model will be obsolete.

Lost And Found: MARY ANN DYKES never did find her Souci pen. . . FRANCES DALMASSO isn't lost: Somebody broke through a book line and there she was, still playing bridge in the bookstore. Same old crowd. Do those people leave for food and sleep or do they live on bridge?

The Children's Hour: BRUCE PIPKIN had beer bottles, not stars, shining in his eyes Tuesday at coffee. Said something about steak and Saturday. He was pretty happy, too, to be having coffee with FRANCES EUBANKS. What ever became of the girl BRUCE IS engaged to?

Close behind Head was Gene Hardey, land who engineered the floor plans presented this season.

Don Groves, new Tech basketballer, had a total of 11 points in the first two games. The El Pasoans got started with Greg Scoville in two sensational games. # Raiders Swamp Miners In Impressive Victory

## Garland Head Is High Point Man

By BILL SAYERS  
Toreador Sports Writer

Tech's Basketball team climbed another notch in the road back from the Border conference cellar with an impressive win over the Miners from El Paso on the Tech basketball court Feb. 7.

Unleashing their best offensive effort of the season, the Raiders pulled ahead early in the game and were never seriously challenged thereafter, though the Mighty Miners showed plenty of power despite their lack of height. The Miners speed and accuracy on long shots were not sufficient to overcome the height advantage of the Raiders who were pulling away at the final whistle.

Garland Head, all-conference guard, showed his early season form in piling up a total of 18 points to top scoring honors for the evening and turned in a fine defensive performance in holding Mike Izquierdo, Miner forward and second highest scorer in the Border conference, to a total of only three points.

Close behind Head with 17 points was Gene Hardey, lanky Tech forward who engineered some of the finest floor plays seen on the Tech court this season.

Don Groves, newly returned Tech basketball player, had some difficulty in finding the hoop but managed for a total of 11 points and controlled most of the rebounds under both goals.

The El Pasoans got off to a fast start with Greer Scousch dropping in two sensational field goals to put the Miners 4-0. Gene Hardey then sank one field goal and a free throw and Head hit the hoop with a long over hand shot to put the Raiders ahead. From then on the two teams saw-sawed back and forth, before Tech broke out in front to run the score to 40-29 at half time.

During the second stanza the Raiders continued to forge ahead with Coach Huffman substituting freely.

### AGGIE CLUB OFFICERS

Harold Eastland has been named president of the Aggie club for the Spring Semester for 1947. Other officers chosen are: William Montgomery, vice-president; Pat-sy Jones, secretary; George Hall, treasurer; Johnnie Leathers Marshall and Ed Houran, reporter.

## Raiders Hit Road For Three Games With Conference Foes

The Red Raiders hit the road this week with a glint in their eyes that mean trouble for the Border conference foes whom they will meet on the way. After winning two of three encounters played last week, coach Huffman's hoopsters will be favorites in two out of three games they will play this week.

Thursday night in El Paso, Tech will tangle with the Texas Miners, whom they drubbed 74-44 on the home court Feb. 7.

The Raiders will take the court against the current Border conference cellar dwellers Friday night when they encounter the New Mexico A&M, at Las Cruces.

Saturday night the Tech quintet may encounter their toughest foe in the University of New Mexico, at Albuquerque. The Lobos, now in third place, are considered one of the strongest teams in the Border conference.

The next home game for the Raiders is slated for Feb. 21, when they meet the U. of Arizona, who have the Border conference championship all but sewed up. The Wildcats, who boast four all-conference players, have wracked up an average of over 60 points per game in winning eleven straight victories and have five more tilts to go.

## Raiders Complete Track Schedule

The Texas Tech track schedule for the 1947 season has been completed, according to information received this week from Track Coach Walker Nichols.

The season will begin with the Border conference Olympiads at Laredo Mar. 7-8 and end with the Border conference meet at Albuquerque May 9-10. Nine meets are scheduled over a ten-week period. May 3-4 will be an open date.

The quad-meet at Abilene Mar. 22 will include teams from ACC, McMurry, Hardin-Simmons and Texas Tech. The El Paso quad-meet will be composed of teams from the University of New Mexico, West Texas State, Texas Mines and Texas Tech. Teams from the University of New Mexico, West Texas State, and Texas Tech will compete in a tri-meet at Albuquerque Apr. 12. Texas Tech and West Texas State clash in a dual meet on Tech field Apr. 19. The following week West Texas State, Hardin-Simmons, and Tech meet here. The complete schedule follows: Border Olympiads—Laredo, Mar. 7-8.

Fort Worth Stock Show — Fort Worth, Mar. 14-15.

Quad-Meet—Abilene, Mar. 22.

Texas Relays—Austin, Mar. 29.

Tri-Meet—El Paso, Apr. 5.

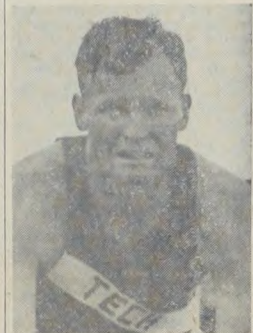

Tri-Meet—Albuquerque, Apr. 12.

Dual Meet—Lubbock, Apr. 19.

Tri-Meet—Lubbock, Apr. 26.

Open Date—May 3-4.

Conference Meet—Albuquerque, May 9-10.

CHARLEY REYNOLDS, last year's Border Conference 100-yard dash champion and member of the winning mile relay teams, will be back this year as a member of the Tech track team.

### FRAT SMOKER

Sigma Gamma Epsilon, national honorary geology fraternity, is announcing a smoker in the geology department on Tuesday evening, February 18. All male geology and petroleum engineering students of sophomore rank or above are invited to attend.

## Jackson Organizes Tech Team For Border Golf Competition

Approximately fifteen aspirants have turned out for golf so far in answer to a call by Dr. J. W. Jackson who is organizing a team to play a regular schedule with other border conference schools. Many more are expected to turn out before the deadline next Saturday noon and from these will be picked a team of five members who will travel with the track team and participate against schools in conjunction with the track meets.

Among those who have turned out are several golfers who have won laurels in previous play. Included among these are: Jack Walker, a former member of Tech's golfing team and a letterman, Jerry Stoltz, who won the first flight in the Hobbs, N. M., Open last year, Chick Trout Jr., Lubbock junior golf champion, Joe Horne and Frank McGonagill.

Dr. Jackson urges all those who wish to participate to see him in room 304 of the Administration building before noon Saturday, Feb. 15.

## Tech Fencing Finals To Highlight Game

Finals of the Texas Tech fencing tournament will be held between halves of the Tech-Arizona basketball game the night of Friday, Feb. 21, Coach George Beakley announced today.

Beakley said semi-final rounds will be held this weekend. Favorites among the 24 men competing in the round-robin pool competition are Sammy Self, Jack Carnell and Jerry South of Lubbock and Jack Drain of Dallas.

"Staging of the fairs finals at the basketball game will serve a triple purpose," the coach said. "It will be an introduction to fencing for most of the spectators, an example of a fine sport will be set and there should be a lot of excitement."

Beakley said if enough interest is shown among spectators, a match probably will be arranged for the half time period of the closing basketball game the night of Feb. 25, when he would meet an opponent, possibly Keith Wells, former Texas champion, in a sabre duel.

## Techsians Will Fight At Golden Gloves Contest

Tech students Bill Henderson of Levelland and Tom Adams of Brownfield left Tuesday with five other district Golden Gloves champs for the state contest in Ft. Worth this week-end. Ray Crenshaw, Tech griddle who won the middleweight championship in last month's fights at Tech gym, did not go with the squad because of the need to study before the opening of spring football.

Henderson, classy featherweight, and infighting specialist Adams were accompanied by Coach Dell Morgan who will be in charge of the team, and Bert Kahn, who will handle the boxers.

## College Club Wins Intramural Title In Football Finale

College Club tied Kemas 0-0 Sunday afternoon. A couple of hours later the Centaurs defeated the Silver Keys 13-0, and the College Club moved into undisputed first place in the Intramural touche-football league.

The College Club won four games and tied two on the road to the title. Both ties were 0-0 scores, one with Kemas, the other with Silver Keys. The Silver Keys and Kemas tied for the second place honors with season records of four wins, one tie, and one loss. Centaurs took fourth place with a four won, two lost record. The Wranglers, Scif and Los Coms finished out of the running.

Monday night the representatives of the top four teams voted to not play the Shaughnessy play-off that was originally scheduled to decide the champion from the top four teams. The basketball season which starts next week would have caused a conflict between the two sports.

The conference standings are:

TEAM	W	L	Pts	Pct	Ptc
Arizona	11	0	736	490	1.000
Ariz. St. Flgstr	6	3	410	409	.667

## Forty-One Pledges; Three Members

Las Chaparritas, women's social club, will hold its twentieth annual presentation tonight at 7:30 in the Hotel Lubbock. Karl Hansen's orchestra will furnish the music. The traditional Valentine motif will be used in the decorations.

Three girls are to be presented as members and forty-one as pledges.

Betty Davis, escorted by Jack Noyes, will wear white net over satin. She will carry an arm bouquet of blue iris.

Ann Tabbot, carrying a colonial bouquet of red roses, will wear a white damask strapless dress. James Halls will present her.

Rosemary Harrison, presented by J. E. Harris, will wear a pale pink colonial style taffeta and net. She will carry a puff of pale green carnations and daffodils.

Mary Alice Mitchell, presented by James Currie, will wear blue marquisette, drop-shouldered dress. She will carry an arm bouquet of red roses.

Jane Council, carrying a colonial bouquet of red roses, will be presented in a strapless white satin dress trimmed in satin cords. Her escort will be Raymond Luce.

Gianelle Etter, presented by Max Wyatt, will wear a white strapless embroidered organza dress and will carry an arm bouquet of blue carnations.

Sue Humphrey, wearing blue net trimmed in iridescent sequins, will carry a colonial bouquet of red roses. She will be presented by Dick Mulkey.

Norma Nash will carry deep pink carnations with her fascinator net dress trimmed in rhinestones. Bob Nash will present her.

Tulle Hill, presented by Bob Weaver, will wear a dress of pale pink net with a ruffled peplum and bodice of metallic cloth. She will carry pink roses.

Una Scott, carrying an assorted colonial bouquet, will be presented in a black strapless taffeta dress with a ruffled peplum. Her escort will be Bobby Lewis.

Patsy Ballard, wearing a strapless white net with ruffled bodice and bouffant skirt, will be presented by Tommy Nash. She will carry an arm bouquet of blue iris.

Joan Hughes will carry a nosegay of white orchids and gardenias with her peach net strapless dress sprinkled with gold sequins. J. J. McClure will present her.

Jane Skinner, presented by John Ratliff, will wear white brocade satin with a wrist band of orchids.

Dorothy Stinnett will wear white silk with lace bodice with silver sequins and dropped shoulders carrying an arm bouquet of yellow jonquils. Her escort will be Lynn Rich.

Frances Senteil, wearing pale blue chiffon with long, full sleeves and shirred bodice scattered with silver sequins, will carry red roses. She will be presented by Jerry Kerbow.

Margie Williams, presented by Don Brooks, will wear pink net, strapless with a small pleated ruffle at the shoulders. She will carry pink blue carnations with a matching halo in her hair.

Allice Walker will wear white net with tiered skirt and silver sequins carrying an assorted pastel nosegay. Her escort will be Keith Butler.

Norma Hudman, carrying pink camellias, will wear a strapless dress with pink bodice and a skirt of black net. She will be presented by Jack Wirtz.

Sue Magee, wearing a dress with fitted red velvet bodice and blended pink net skirt, will carry an arm bouquet of roses. David Puttett will present her.

A white net dress with bouffant net skirt and off-the-shoulder fitted bodice will be worn by Betty Ruth Cobb. She will wear red roses in her hair and will be presented by Cleveland Cobb.

Kay Finley's dress will be white net with sequins. Her colonial bouquet will be of red roses. Hugh Monroe will present her.

Mary Faye Bonds, presented by Arthur Rampsy, will wear pink net with a pink and gold metallic bodice and matching gloves. She will be presented by Clifton Lee Cook.

Millie Gene Lipscomb, in a black faille dress with draped peplum and full skirt, wearing long black gloves, will carry an arm bouquet of yellow roses. Her escort will be Jim West.

Sarala Dillingham, presented by Alan Nelson, will wear white with satin bodice and sheer skirt. She will carry purple iris.

Jane Everline will carry yellow jonquils with her dress of pale blue net over taffeta. Bill Aycock will present her.

Mary Lou and Martha Sue Lawson will wear identical strapless white marquisette with a peplum effect, carrying colonial bouquets of red carnations. She will be escorted by Norris Young.

Dorthea Forsgren will be presented in pale green with bustled marquisette skirt. Dorthea, presented by Bobby Menamy, will carry an arm bouquet of red roses.

Pattie McDonald will wear white marquisette sprinkled with green sequins, carrying an arm bouquet of red roses, she will be presented by Creed Coffee.

Iris Parker, wearing blue chiffon with pale pink flowers inset in the bodice, will be presented by Wesley Hamilton. She will carry yellow roses.

Pat Keen, carrying purple iris, will wear white marquisette with bouffant skirt and fitted bodice. She will be presented by Luther Lovelless.

Hermannell Bray's dress will have a black velvet basque waist and pastel taffeta skirt. She will wear a wrist corsage of white jasmine and pink camellias. Her escort will be Lee Ray Swin.

Eugenia Watkins, presented by Lem Titusworth, will wear white marquisette with drop shoulders. She will carry maroon carnations.

Jeanne Francis, in an off-the-shoulder black net, gold-sequined dress, will carry a colonial bouquet. Her escort will be Johnny Rasor.

Joy Munden, carrying an arm bouquet of red and white tulips, will wear white net with a ruffled sweetheart neckline and corded straps. She will be presented by O. B. Stephens.

Beth Ann Ryan's dress will be aqua net with a light gathered bodice tying on the side. Presented by Robert Pardue, she will carry yellow roses.

Anabelle Flanagan, presented by Don Cade, will wear an off-shouldered white net with gold sequin trim. She will carry an arm bouquet of red roses.

Jewell Alice Pharr, wearing blue carnations in her hair and outlining the bodice of her yellow marquisette dress with black lace on the peplum, will be presented by Lee Pharr.

Peggy Bitton, presented by Cooper Hastings, will wear a white net dress with peplum. Wearing matching embroidered marquisette gloves, she will carry red roses.

Oleta Stewart will carry lavender framed in pink roses with her white marquisette dress with metallic silver-handled peplum and ruffle. Her escort will be Ira Layman.

Clarice Martin, in a strapless red net dress with fitted bodice and bouffant skirt, will be presented by Robert Coffee. Her bouquet will be of white roses.

Thylla Reno will wear fitted blue net over taffeta with fitted bodice designed with pastel sequins and pearls. Carrying
