KAM Pictures

More than 200 entries from 52 colleges and universities have been received for the 50-print National Collegiate Photography exhibition sponsored by Kappa Alpha Mu, national honorary photography fraternity, W. J. Bell, secretary, announced Wednesday.

Last year's show attracted 185 entries from 16 different schools. The 50 prints selected by the judges at the show in 1946 are now on a nationwide tour of colleges and camera clubs, and were displayed at Tech in March.

Three outstanding pictorial journalists will judge this year's exhibition and select the 50 best prints for the traveling show. They are: Edward J. Steichen, dean of American photographers; Wilson Hicks, executive editor of LIFE magazine; George Yates, chief photographer of the Des Moines Register-Tribune and instructor in photography at Drake university. Steichen was in charge of army photography during World War I and head of the Navy Air Corps photography in the recent war.

The photographer whose picture is chosen "best of the show" will receive an Eastman twin-lens reflex camera donated by Popular Photography magazine. Each photographer with a winning picture for the traveling show will receive a certificate of merit.

The closing date for entries is April 30, 1947. Entry blanks may be obtained by any college student by writing to W. J. Bell, Kappa Alpha Mu, 12 Walter Williams Hall, University of Missouri, Columbia, Mo.

MATH CONTEST
Seven Tech students have entered the seventh annual William Powell Putnam Mathematical competition, according to Lida B. May, assistant professor of mathematics.

The students are: Douglas McCoy, Francis Miller, Sam G. Jackson, James Murray, Thomas Summers, Stanley Swenson, and Chauncey Trout, Jr. The competition, sponsored by the Mathematical Association of America, will be held here May 24.

DELICIOUS MEXICAN FOOD
STEAKS, CHICKEN

To Suit Your Taste Be Sure To Dine at the Famous

THE MEXICAN INN

1910 Ave. Q Phone 8322

Popularity IN A PACKAGE

Here's a natural for fun. It plays anywhere... at the beach, on trains, boats... and with rich, "big-sel" electronic tone, always! 2 motors: Electric (plug it in) or wind up (tubes operate on battery).

There's no other photograph with the unique features of Capitol's "Luxury" Portable. Remember: It's produced by a record manufacturer, to give you recorded music at its best, when and where you want it. Ask your record dealer for Capitol's "Luxury" Portable.

The Know

By TWO WHO DO

Noticeably absent from the Varsity Show script, according to the coffee cup crowd, were the traditional jokes at the expense of the faculty and administration. A couple got by, but they were very mild say the prewar kids, in comparison with some from days long gone. Indian Joe Meador, blanket and all, was singing "Wagon Wheels" on the avenue after the served success. A lot of hard work and time was expended by everyone concerned. Mary King, Sarah McDonald, Jamie Trainer, and Buddy Sprague deserve many, many bouquets.

"Touche" has had it this week. No Miers. He was in cowtown with a lot of other happy young journalists this week when he should have been writing his column.

Bobby Childers all of a sudden isn't going steady with Jason Allen... Dorothy Carmack's date disappeared after the cast party, so fiscal Red Sanders played the lucky, elegant knight and took her home.

Jimmy Witt, a Sigma Nu from Texas U or a Centaur from Hyar, depending on the way you feel about the Greeks, met Ariene Spivey on Friday and pinned her on Saturday. This Parker spends considerable time with Jack Brown since Wes Hamilton was went.

So then everybody decided to get married. Engagement rings are being worn by Jane Everline, Lou Nolen, and Beth Ann Ryan, who are engaged to Bill Aycock, Rusty Williams, and Hammy Waddell, respectively.

The last of the La Ventana copy went to press last week and the La Vent staff came out, blinked their eyes, looked at their shadows, and decided that spring has come and is here to stay. The rumor that the annual will be late has no foundation... So far.

Casualties at this point in the girls' intra-mural baseball are: Boots Jobe, one broken finger, Mary King and Kay Parrish, dislocated shoulders, and Maureen Smith, a sprained ankle. And the season just started.

Many readers are of the opinion, it seems, that "The Know" knows too many things that shouldn't be told and that too many people only know what they read in the paper... Our feelings are hurt; we thought we were being so nice.

ART DISLAY

An exhibition of pictures, including oils, water colors and black and white drawings by Charlotte Toepfitz of Hobbs, New Mexico, will be on exhibition at the Museum until Sunday, April 29, according to F. A. Kleinschmidt, Director of the Art Institute.

Mrs. Toepfitz, a native of Austria, came to this country about 15 years ago. She was honored guest at a tea the Museum, Kleinschmidt added.

PROF. WILEY

Professor D. O. Wiley, Director of Tech Band, is serving for the 14th time as judge in the annual Tri-State Band festival in Enid, Oklahoma, J. W. King, student band director announced today. Professor Wiley is also scheduled to direct the Mass Band in the final event Saturday.

Band students numbering 17,000 will participate in this event which is the largest of its kind in the world.

James Stahl's Will Declared Valid By Twelve Man Jury On Monday

A twelve man jury turned in a verdict rendering the will of the late James L. Stahl valid at the Pre-Law mock trial Monday night in C-101. Mrs. Maureen Smith Stahl, widow of the deceased, brought suit against Joe Meador, former houseboy of Stahl's, for the \$20,000 her husband left to Meador on the grounds that he was insane at the time the will was written.

The will which was witnessed by Barbara (Bea) Green, student, and Raymond Mack, government professor, stipulated that the widow and the houseboy would receive equal shares of his estate valued at \$40,000. Prosecuting attorneys Robert Cole and Clint Formby, pled that the deceased was injured during All-Western Days at Tech when he fell on his head from a horse; therefore he was incompetent at the time he wrote the will, the day before he died.

John Culver and Bob Cooper, counsel for the defense, offered evidence that Stahl died of a heart ailment, and that he was in his rightful mind at the time of his last will and testament. Meador testified that should he be allowed to keep the money, he would erect a Maypole on the campus.

The following jurors were sworn in by the Chief Justice, Darrell Carpenter: Hewitt Allison, Charles Arnold, John Dubberly, Bradford Bullard, Billy Aycock, J. A. Blackwell, Burton Crossen, Dick Harbord, John Murray, Garner Shaffer, George Zoller, and Bill Thurman, the latter being the foreman.

This trial was the annual spring all-college mock trial presented by members of the Pre-Law club.

Women Debators Place Third At Baton Rouge
Tech's women's debate team, composed of Betty Jo Maynard and Jacqueline Reynolds, placed third in the debate tournament sponsored by the Southern Association of Teachers of Speech at Baton Rouge, April 8-12, according to Annah Jo Pendleton, head of the Speech department, who accompanied the teams.

The teams debated both sides of the national collegiate debate question: Resolved, That labor should be given a direct share in the management of industry. In the women's division, SMU placed first, LSU placed second, and Tech third. Miss Pendleton served as a judge at the tournament, in which 29 colleges and universities were represented.

The Student Congress on Human Relations, held in connection with the tournament convened in the House and Senate chambers of the Louisiana state capitol, where college and university students made up the Senate, and high school students composed the House. Sadtler was elected Parliamentarian and was chairman of the Army-Navy committee. Reynolds and Jordan were members of the Committee on Foreign Affairs, and Maynard was a member of the Public Welfare committee.

Museum Will Show Artist's Work

A Children's Art Exhibition will be held in the West Texas Museum May 1-21, according to Dean W. C. Holden, director of the museum.

This exhibit has been held in the West Texas Museum each year since 1939. It is made up of work of public school children, whose contributions are sent to the museum. Any original work of art, regardless of subject matter or medium, will be accepted for exhibition, if it has been produced by a school child in his territory during the 1945-46 school year.

Several prizes will be awarded for the best work in the seven grades represented in the Museum Exhibit. The pictures will be judged by a special Art Institute jury, and the announcement of prizes will be made Saturday, May 10. The Grand Prize winner will be presented with his choice of a framed color reproduction of a work of art. Fourteen certificates of merit will also be given to deserving young artists.

Press Employees Make 2. Average

By LOMETA HODGE
Toreador Staff Writer

The grade point average for the eight student employees of Tech Press for the fall semester was 2.05. Wayne Kittley, superintendent of Tech Press, said that these men are all veterans taking an average of 15 hours each and working from 10 to 15 hours a week.

Ed Bradford, junior engineering student and Linotype operator, and Rex Bradford, freshman engineering student and pressman, were included on the 1947 Tech honor roll. The honor roll is composed of five per cent of the students making the highest scholastic average for the year.

Dick Copeland, floorman at the press, is president of Phi Eta Sigma, men's freshman honor society. Don Duggan, pressman, was president of this organization before he went into the army. He re-entered Tech this spring.

Other employees of the press making an average of 2.00 are: Bill Sayre, Dennis Kennedy, Walter Kennedy and Lloyd Stack.

Chicopee Heads Hold Symposium

The Chicopee Manufacturing corporation, which is conducting cotton fiber and spinning research work in cooperation with Tech, a symposium on cotton research at Tech during the week of April 21, according to George W. Pfeifferberger, cotton research supervisor for the company.

Company officials attending were: G. Lineard, president of New Brunswick, New Jersey; J. C. Platt, vice-president of Gainesville, Georgia; J. F. Shaw, vice-president of Chicopee Falls, Mass.; C. S. Parsons, vice-president of Manchester, N. H.; Carlyle Harmon, research director, and C. H. Plummer, research engineer, both of Chicopee Falls, Mass.; H. C. Hanel, mill cotton classifier, of Manchester, N. H.; A. McNicholas, head cotton buyer, and Robert Shelton, assistant cotton buyer, both of Memphis, Tenn.

The group arrived at Lubbock by company plane on Monday, April 21. Meetings were scheduled for April 22-24, and the party will leave this morning. Inspection of research facilities, discussion of raw cotton problems and progress made in research to date, as well as plans for future cotton research are on the agenda. Pfeifferberger stated.

Bob Watson, senior journalism student, said happily that his brother, Jack, moved from Texas City to Odessa three weeks ago.

Several Techsans Disclose Opinions On Greek Nationals

After the editorial last week concerning Greek sororities and fraternities, we expected many letters to the Editor, pro and con. We did solicit some statements from Techsans on the matter which may be of interest to you.

JAMIE TRAINER, ex-Chap member and WICC member, says, "I think it will be at least five years before they will be here; however, I think Greeks will eventually be at Tech."

DUANE DAWKINS, College Club member stated, "I do not think they will ever be here, because of the money involved in financing them."

NANCY STILES, Sans Souci ex-rush captain, declared, "I'd like to have Greeks, but I do not think we should have any chapters unless we could have the best, and at present it seems improbable that the best ones are willing to come until others get started."

JO FORBES, DFD rush captain, "I do not think Tech should have Greeks because I think they would be more expensive and discriminatory; by the time they would get started here and have houses, there would be no housing shortage." Polly Gossett, DFD, AWS representative, says, "Ditto."

GLENN IVEY, Silver Key athletic director, explained, "There are advantages to Greek fraternities. Since the war I think Tech social clubs are leaning towards the evils of Greek nationals, and if properly instituted, the latter would be more advantageous."

GERALD HENDERSON, Centaur, says, "I have seen the evils of Greek frats at home (Dallas) and I think Tech will stay more democratic with social clubs, especially the way they are now. The less importance placed on social cliques at a college, the better."

BOB WATSON, Wrangler, and editor elect of La Ventana, states, "I do not think the Greeks would ease the housing shortage; they might bring better houses, I think Greek fraternities would be the best thing that ever happened to Tech."

FRANCES CLARK, independent and staff member of La Ventana and The Toreador, said, "If I were a club member, I would rather be

a member of a Greek club. I do not know enough about the merits of either to have an opinion." AMY SUE WAY, Ko Shari president, "I think it will be several years before we are faced with the problem."

GERALD STOKES, feature editor of La Ventana and Socii member, said, "I think Greeks are too expensive, too undemocratic for Tech; we are getting along very well without them."

MARY ELIZABETH MEEKS, independent secretary to the student body president, "I don't like Greeks; they are undemocratic. I cannot see anything good about them. The relationship between social clubs and independents is as good as could be expected right here at Tech."

BILLIE BURRELL, associate editor of the Toreador and independent of Drane Hall's WSGA, "I do not think they will ever come to Tech nor do I think they would add to the school."

JERRY STOLTZ, Kemas, "I'd like to be a Greek, but I am not eager for Tech to go Greek. If I wanted to be one bad enough, I'd go to some other school."

J. T. JACKSON, College Club member, "I'd like to have the prestige of a Greek pen, but I don't think Tech and Greeks would ever mix."

Sides Elected President Of Religious Council

Jerry Sides, member of the First Christian Church was elected president of the Student Religious Council to serve during the school year 1947-48, retiring president, Robert Baumgardner, announced last week.

Other Student Religious Council officers are: H. A. Mahle, vice-president; Charlene Baumgardner, secretary; Ralph Bucy, treasurer, and Betty Ewing, reporter.

The Council considered a number of prospective speakers for a Christian Activities Week to be held November 3-6, 1947, but nothing definite was decided.

New members of the Council will be honored with a picnic at Mackenzie State Park, May 8.

YOUR "T-ZONE" WILL TELL YOU...
T for Taste... T for Throat... that's your proving ground for any cigarette. See if Camels don't suit your "T-Zone" to a "T."

Fencing Team Invited To International Meet

Declined Offer To Fence In NY

The Tech fencing team received an invitation last week to the Wilkinson International Invitational Fencing tournament in New York City.

The team had to decline the invitation because the date conflicted with remaining dates on its schedule in the Southwestern league and too many classes would have to be missed.

Teams from every section of the United States, Mexico, Cuba, and other foreign countries compete in the tournament. The matches are fought in the grand ballroom of the Waldorf-Astoria Hotel.

Tech's two fencing teams leave for Dallas today and their final matches in the Southwestern Fencing League. They will fight the Dallas YMCA and Houston Fencing Club.

The A team will clinch second place in the league by winning both matches, and if the B team should lose one of their matches it could put the two Tech teams into a tie for first place.

Later in May, Coach George Beakley said he will take about 15 men to the Southwestern Individual Championships which will be fought in Austin. This will complete the current fencing season.

Six of the fencers gave an exhibition for the Men's Brotherhood of the First Baptist Church here in Lubbock last Tuesday night. Harry Gunn and Jack Drain fought an epée match, George Beakley and Keith Wells a saber match, and Sammy Self and Jack Carnell fought with the foils.

Socialites Play Spring Baseball

The spring intra-mural softball season opened at Tech on April 17, with Wranglers downing Los Coms 10-3 and Centaurs defeating eKmas in a free scoring game 23-18.

College Club eked out a 12-9 win over Soci on April 18, and Centaurs were dropped by the Keys 10-5.

In a one-sided tilt on April 21, the Wranglers took their second win 20-4 over the College Club while it took an extra inning for Soci to down a fighting Los Coms team 12-11.

Scores on April 22 were Wranglers 19 Keys 6 and Centaurs defeated College Club by a score of 17-0.

All games start at 5 p. m. on the diamonds north of the gym and will last seven innings except in case of a tie which will be played as long as necessary to determine the winner.

Remaining games are scheduled as follows:

April 23	1-5	4-7
April 24	1-6	2-5
April 25	3-5	4-6
April 26	4-5	1-7
April 29	2-7	3-6
April 30	5-7	1-2
May 1		3-4

May 2 the best two teams will start their play-offs, the winner being determined by two wins out of three.

The team code numbers are: 1, Los Coms; 2, College Club; 3, Wranglers; 4, Soci; 5, Kemas; 6, Centaurs; 7, Silver Keys.

WOMEN'S SOFTBALL

Sans Souci is the only undefeated women's softball team after two days of the intramural series among the five women's social clubs. DFD and Las Chaparritas have won one and lost one. Ko Shari and Las Vivarachas have lost the one game each has played.

Scores from the first two games are as follows: Monday: DFD, 2; Los Vivarachas, 1; Sans Souci 3, Las Chaparritas, 2; Tuesday: Sans Souci, 4; DFD, 2; Las Chaparritas, 11; Ko Shari, 2.

Wednesday, Ko Shari will play DFD and San Souci will meet the Los Vivarachas. Thursday's games will be between DFD and Las Chaparritas; Las Vivarachas and Ko Shari. On Friday the Las Chaparritas play the Las Vivarachas and San Souci play Ko Shari.

An all star team will be selected from the five teams which will play the Women's Recreation Association's team. WRA is composed of women physical education majors. Umpires for the above mentioned games are WRA members.

Arizona Sports Writer Says Wildcats To Win May Meet

TIM BALLANTYNE, University of Arizona, is favored to win the Border conference high jump.

Odds and Ends

By JERRY STOLTZ, Toreador Sports Writer

Spring basketball starts this evening. Coach Folk Robinson will have nine lettermen headed by Don Groves and Ardis Barton as a nucleus towards a fine team for next season. Workouts will be from five to eight in the Tech gym.

Bill Stern in a recent issue of Sport had an article on subsidization of athletes. He pointed to TCU as an example of universities paying football players and cited the case of the three boys who left Tech at the beginning of this semester to go to TCU as one case.

Incidentally "Red" Coates, one of the three transfers, recently starred in a game in Odessa between the "Exes" and next years defending state champions. The "Exes" won 7 to 0 for the first time in 11 years.

The WRA Tennis Tournament starts tomorrow. The Tech tennis team meets Hardin-Simmons and West Texas in a triangular match here. And the Tech golfers play Hardin-Simmons at the Lubbock Country Club tomorrow.

The TCU-Tech tennis matches held in Ft. Worth Wednesday were too late to make this issue, but if the Tech netters won it was the first defeat of the season for the TCU team. The previously topped A&M 4-2. The Tech golfers also met TCU on Wednesday.

For those who would like to see the Tech track team in their last scheduled meet before the Conference meet, journey to Canyon tomorrow night, Tech, West Texas, and Hardin-Simmons will hold a triangular meet starting at 7:30.

Approximately 20 men will make the trip to Canyon, according to acting track coach Maxey McKnight. This will be the final tune-up for the Techs before the Border meet, and they should, on the basis of past performances this season, have no trouble in winning the meet.

Tomorrow's meet was to have been held here but since West Texas refused to participate in the meet here, the other arrangement was made.

Quoting from the New Mexico Lobo, "Coach Berl Huffman has a squad of seventy enthusiastic players practicing." They are predicting big things to come and also looking towards the Big Seven (six now that Colorado joined the Big Six) in the event Tech and Arizona foresake the Border Conference.

Bruce Barnes held a tennis clinic Wednesday afternoon on the Tech campus. Everyone present enjoyed watching or learning.

Remember the Tennis team plays tomorrow afternoon. And if you feel like walking you might go out to the Country club and watch the golfers.

SOCK AND BUSKIN
"The Flattering Word", a one-act play by George Kelley, was presented by Sock and Buskin Monday, April 14, at a meeting of Mads and Matrons club in Levelland. The play was directed by Margaret Melcher, junior Arts and Sciences major. The cast included James Simpson, Jack Terrell, Ida Matney, Ruby Joyce Redus, and Tommy Heatley.

When a student at a Western college was asked how he was going to dress for the Mardi Gras, he gave with the meek reply, "I had thought of going as a yardstick, but I don't go to dances as a rule."

SPORTS

Friday, April 25, 1947 THE TOREADOR Page 3

Don't Laugh; You Too May Want To Play

By HALCYON POLLARD, Toreador Staff Member

Becoming quite popular around the campus is a new sport called "Netting the Lepidoptera." The sport takes all the skill of fencing, the muscle required by football, and the nimbleness needed to make a good tennis player.

Not only is the game fast and hard but it is considered by some to be dangerous. A bite from the notorious Lepidoptera could be deadly, depending entirely on where the victim is bitten.

Rules of the game are simple. First, one must be able to identify the Lepidoptera. They come in various and sundry colors—strawberry sundry, chocolate sundry, lemon sundry, etc.

After the Lepidoptera has been identified the next step is to run, do not walk, toward the intended catch. Third never be caught with your net down. Being caught with your net down is on an equally dissatisfying plane with running toward the wrong goal line—or worse still, as over-bidding in bridge.

Anyone can play Netting the Lepidoptera. First-aid information may be had in any Biology student. The only equipment needed is a strong butterfly net and a membership in Biology 131.

SMU Linkmen Win Match Ponies Triumph 6 To 0

Southern Methodist linkmen swept all six matches from the Raiders at the DAC Country Club course in Dallas last Tuesday 6-0.

The scores were: Leo Corrigan 4 and 2 over Oran Wilson; Bob Henry downed Jack Walker 2 and 1; Gerald Joyce beat Elmer McKinney 5 and 4, and Matt Roberts took Bill Baxter 2 and 1.

Joyce and Roberts paired to beat McKinney and Baxter 4 and 3; Henry and Corrigan defeated Walker and Wilson 3 and 1.

The Techsans meet Hardin-Simmons and West Texas State tomorrow at the Lubbock Country Club.

Westerners Win At Tech Stadium In Spite Of Dust

The High school Region One track meet held the sports spotlight in Lubbock last Saturday as the local Westerners scored an easy team triumph in Tech stadium.

Adverse weather conditions hindered participants and no new records were set. A stiff wind and dust blew throughout the afternoon.

Team scores were: Lubbock 31½; Amarillo 20; Andrews 15; Lefors 14; Muleshoe 11; Panhandle 9; Pampa 8½; Lamesa 8; and Canadian 7½.

Individual honors went to Andrews' Charley Pinnell who scored 10 points in winning the pole vault and 120 yard high hurdles. Joe Ogden of Lefors with 8 points and Arthur Rampy of Lubbock with 6½ points won runner-up honors.

Feature events of the day were the walk-away victory scored in the mile run by Rogers of Childress, the easy mile relay win by Amarillo and the photo-finish of the Lubbock 440 yard relay team over Lefors.

Best times were made by Rogers of Childress who ran the mile in 4 minutes 52 seconds; Johnson of Lubbock with 51.8 seconds in the 440 yard dash; and Amarillo's mile relay in 3 minutes 40.5 seconds.

In the field events, the Westerner's Wilson cleared 5 feet 11 inches in the high jump and just missed 6 feet which would have tied the meet record.

MATH FRAT

Dr. F. W. Sparks professor of mathematics and national vice-president of appa Mu Epsilon, national honorary mathematics fraternity, and D. T. Elligott, student member of the local Texas Alpha chapter, have returned from Normal, Ill., where a national convention of the fraternity was held at Normal University, April 10, 11, and 12.

Gambler's Fixes Are Menaces To Sports

Policing agencies for both college and professional sports to supplement Commissioners "with absolute authority," are essential to keep sports clean, according to an article titled "The Gambler's Fix Menaces Sports," appearing in the Look Magazine released nationally April 15. No sport is exempt from the threat of gambling influence in a nation that spends 15 million dollars on sports betting alone, and the "series of odorous scandals in the last two years has shaken public faith in American sports," says LOOK.

Thoroughbred racing, in hiring a former FBI ace to clean its own house, is a good example for other sports. Since 1945 excellent progress has been made in ridding racing of a plague of horse-dopers, ringers and crooked jockeys; other sports could profit by similar policing activities.

College sports, although stricter since the Brooklyn College basketball scandal, need the effective safeguard of a commissioner with the "uncompromising temper of the late Kenesaw Mountain Landis," backed by absolute authority.

The dirty linen recently aired by professional baseball, football and boxing only serve to underscore the fact that these and other sports are still on trial. Pro football is "without power to police itself."

Neither boxing's Egan and baseball's Chandler is a Landis. But, concludes LOOK, anything less than a Landis backed by an internal policing setup in each sport, will lead to a blow-up that will make "the dirt of the last two years seem like the pettiest larceny."

SPANISH MOVIE
"Tigre de Jalisco," a Spanish movie starring Evita Munoz, will be presented at the Llanos theatre here May 8, under the sponsorship of Capa y Espada, Spanish club, according to Mrs. Scottie Mae Tucker, instructor in the foreign language department.

Tickets, which will be available to all students, will go on sale May 1, says Mrs. Tucker, and may be obtained at the foreign language offices, or from members of the ticket committee. The ticket committee is composed of Julia Vincente and Betty Seaman, co-chairmen, L. O. Miller, Guillermo Perea, Calla Deaton, and Joreen Kocurek.

Tech Tennis Team Loses Match At Dallas 2 to 4

Tech netters suffered their first setback of the season at Dallas Tuesday, 2 to 4, at the hands of Southern Methodist.

The Raiders, although beaten, made a strong bid for victory. Broyles, suffering his first defeat of the season, got off to a good start in his singles match winning the first set 6-0 from Frank Jones. Jones rallied, however, to take the next two sets 6-4, and 9-7.

George Martin stopped Glen Ivey 6-0, 7-5; Bob Morrow beat Ed Seudday 6-1, 6-0; and Bob Barnes won from Joe Montgomery 6-2, 6-3.

The Techsans were able to salvage the two doubles sets. Broyles and Ivey teamed to down Martin and Morrow 4-6, 6-4, 6-3 in one match; Scudday and Montgomery won from Billy McClellan and Barnes in the other 3-6, 6-2, 6-4.

The matches were played on the Cole Park municipal courts. Raider netters make their only home appearance Saturday against Hardin-Simmons and West Texas State. The Raiders beat Hardin-Simmons earlier this season at Abilene.

This hydro-carbon series gives you ethylene, butylene, propylene, and," said the chem prof turning to write several symbols and numbers on the board, "what will this give you?"

World Traveller Muriel Lester Speaks At Church

Muriel Lester, author, lecturer and world traveller, spoke at the First Methodist church, Friday, April 25, at 7:30 p. m. Miss Lester was sponsored by the Tech Wesleyan foundation, the student organization of the Methodist churches of Lubbock.

Miss Lester left England in August 1916 on a world tour which took her to Egypt, Palestine, India, China and Japan. Gandhi sent Miss Lester to the storm centers of India as a reconciler, she visited Afghanistan, Baluchistan, Quetta, Assa, and Bengal. Madame Chiang Kai-shek of China and J. B. P. K. K. were some of the other leaders with whom she talked.

This will be Muriel Lester's first visit to America since the war. The author's travels have taken her to the orient five times, once through South America and eleven times through the United States. Miss Lester is known for her work with the underprivileged of London's East Side. She and her sister, Doris Lester built the community center, Kingsley Hall.

Costume Design Winners

Winners of an Advanced Costume Design contest received material from the Textile Engineering department with which they made dresses that were modeled during H. E. Open House, according to Edith Colman, instructor in Applied Arts, and Franklin Ely, instructor in Textile Engineering. The entries were judged on good design, originality, suitability to material, occasion and individual. The Textile Engineering department furnished two materials: one of a green cotton, the other a purple checked gingham.

Nell LaRoe and Beverley Montague tied for first place using the green cotton material. Second place winner was Mrs. Minnette Rowan. Jacqueline Small will make and model a dress designed by Mrs. Minnette Rowan for the purple-checked material. Betty McWorter and Wanda Venter won second and third place, respectively. Jacqueline Small received honorable mention.

Soph Queen Nominees Told

Queen of the Sophomore Hodge Podge will be elected at a sophomore meeting Thursday, May 1, at 5 p. m. in C-101, and will be announced at the Hodge Podge to be held Friday, May 2, from 8-12 p. m. in the gym, according to Welborn Willingham, class president.

Nominees for queen are Jane Coffee, Jean Holt, LaRue Malouf, Iris Parker, Carol Sherrod, and Ellen Wiesle.

Hodge Podge, annual all-school dance sponsored by the sophomore class, will be barn dance style, Joe Ann Bailey, class secretary, said. Joe Bob Mansler's orchestra will furnish the music.

Tickets are 75 cents for couples, \$1 for stags, and will be on sale in the Ad Building Monday from 3-5 p. m. Tickets may also be obtained from Willingham, Winston Churchill, Aubrey Ferguson, John Ratliff, Amy Sue Way, and Ted White.

Tech Newman Club Sends Delegates To Convention

Representatives of the Tech chapter attended a Newman Club convention at A&M College, Bryan, Texas, April 18, 19, and 20, says Bill Fulkerson, president of Tech chapter.

Tech students attending the affair were: Gladys Wilde, Roger Willett, Patsy Traverse, Johann Syler, Victor Gerdes, and Fulkerson. Newman clubs from the following colleges were represented: Texas State Teachers College for Women, Tech, Texas University, Oklahoma A&M, Rice, Prairie View, San Marcus, North Texas State Teachers College, and Oklahoma University.

The Tech group attended the A&M Cotton Ball and Pageant Friday night. The convention ended Sunday afternoon with a banquet.
