## Mountain Echoes

By  
Barbara  
Kingsbery

Since last week the Santa Anna Lions Club received numerous suggestions for club projects and community improvement.

In response to my comment about the poor response to their request, Mrs. Pat (Bobbie) Seals phoned to express her opinion--and that of several of her friends--that Santa Anna was such a good place to live, there were few changes or additions necessary!

Mr. and Mrs. Seals chose Santa Anna as their home about eight years ago and are still happy with the community.

Many of us are missing Dick Longbrake's American flag that has flown for years in his front yard on Wallis Avenue. In fact, the FLAG is missing. It was stolen -- flag and staff-- some time last week.

January has not provided much moisture in the community, but it was better than several of the recent months. There was moisture recorded on the first of January and on the last day of the month, and several times in between.

## Ownership Changes At Local Grocery Store

Dennis Gaines of Coleman, a veteran groceryman and merchant, has purchased Harvey Grocery Store in Santa Anna and assumed management Wednesday, February 1. The business was closed Wednesday for inventory but was to open Thursday (today) for business.

Billy Joe and Doris Harvey have operated the grocery store the past two years. Formerly known as Piggly Wiggly Grocery Store, the business was operated by Richard Compton before the Harveys purchased the business.

Mr. Gaines was in the grocery business in Coleman 38 years and at one time owned the local store with his son.

Remodeling and redecoration of the store are underway at the present time, and an enlarged stock of merchandise is to arrive this week. Mr. Gaines plans to have prices competitive with those in area stores and will be expanding the stock at the store.

The Harveys will continue to work with Mr. Gaines at the present time, assisting the new owner with the store's operation.

## Suggestions For Projects List Youth, Clean-up, Dogs

Santa Anna Lions Club members have had a number of suggestions for community projects and improvement during the past week. The suggestions were read at the Tuesday meeting of the club by the group captains, M. L. Guthrie Jr., Anthony Strother, C. P. Wenzel, John Gordon and Rob Cheaney, filling in for group captain Wendell Sparkman.

The most frequent suggestion from the five lists included the control of stray dogs, a major clean-up of the town with the removal of abandoned vehicles and removal of vacant buildings and structures, and suggestions for youth activities and entertainment.

The need was cited for additional tennis courts, a youth center and city park. Support was urged for the County swimming pool.

Some of the suggestions included support of the Boy Scouts, clearing street intersection obstructions, providing a taxi service on election days, purchase of a street sweeper and improving sidewalks, and organizing a summer recreation program for young people.

Suggestions also were to

promote additional rental housing, pave and repair streets, replace traffic signs, mark crosswalks at school and churches, renovate the baseball fields, and sponsor dances and games each month for young people.

Senior citizen projects and activities were mentioned; sponsor a rest stop for travelers on holidays; raise salary of law enforcement officers; sponsor a youth talent program, and seek help in finding jobs for young people each summer.

The Lions Club members were also urged to plan worthwhile programs for the club, stimulate members to take part in the club activities and to investigate the available funding for city-wide projects.

The club will be working within the committee in compiling the project list and will also meet with the City leaders to coordinate their projects.

Residents of the community have an additional week to submit suggestions for the projects.

## Gates At City Cemetery To Be Closed At Night

Leaders of Santa Anna Cemetery Association have announced that the gates at Santa Anna Cemetery will be open from 8 a.m. to 5 p.m. each day and locked at night.

The closing of the cemetery at night was brought about by increasing amount of vandalism at the cemetery.

Noble Carpenter, president of the Cemetery Association, stated this week that the hours might be extended in the spring for the convenience of those wishing to work at their cemetery lots or drive out later in the evenings. They regret the move to lock the gates, but must do so to protect the property.

## Probated Term Assessed Coleman Theatre Owner

Arlie Clinton Berg entered a plea of guilty last week before County Judge W. W. (Pete) Skelton to the Class 'B' misdemeanor offense of commercially exhibiting obscene material in Coleman County. The offense for which Berg was convicted involved the showing of a 'so-called' XXX rated movie 'Loveland' at the Oak Drive-In Theatre in Coleman on the ninth day of November, 1977. The charges against Berg were made in the form of an indictment returned by a Coleman County Grand Jury as a result of evidence presented to the Coleman County Grand Jury by Sheriff H. F. Fenton. The Grand Jury was conducted by District Attorney Gary R. Price, Assistant District Attorney W. Stephen Ellis and County Attorney of Coleman County, Joe D. LeMay.

The defendant was assessed a term of 180 days in the Coleman County Jail, which was probated on the usual condition of probation, plus additional condition that the defendant not commercially exhibit obscene material. The probation also carried the additional conditions of the payment of a probation fee and court cost by the defendant.

Pre-trial hearings were conducted by Judge Skelton in County Court in Coleman Monday, January 23. At the pre-trial hearing, the movie film was shown in the courtroom for

viewing of the Court, the attorneys and selected witnesses at the request of the defense attorney in connection with his preparation to defend Berg in the anticipated trial.

The case had been set for jury trial beginning Monday, January 30.

The defendant, Berg, has indicated his intention to move from Coleman County, and the Court has given its consent to such a move by the defendant, the consent necessary under the conditions of probation.

District Attorney Gary R. Price stressed that the conviction of Berg was only connected with the particular film for which charges were initiated and have no legal affect on the showing of similar films at any theatre. The District Attorney did point out that the commercial exhibiting of obscene material by anyone would likely be promptly considered by the Grand Jury for appropriate action.

The Class 'B' misdemeanor conviction carries a maximum punishment of 180 days in jail and-or a fine of any sum up to \$1,000. A conviction for a second offense by the same person would be a Class 'A' misdemeanor which would carry a maximum punishment of up to 12 months in the county jail and-or a fine of any sum up to \$2,000.

The defendant was represented by Frank Shore, a Dallas attorney.

## Dogs Beware: Get City Tags Or Be 'Jailed'

Dog owners in Santa Anna are hereby reminded that all dogs must be vaccinated and tagged or they will be picked up and impounded.

Due to increased complaints, a dog catcher is again at work taking untagged animals into 'custody' at the City Dog Pound.

City Secretary Mary Lou Jones noted that the 1978 tags are now on sale for \$1 each, and that dogs must have vaccination certificates before the tag may be issued.

Some dogs with tags may be picked up when neighbors complain of a nuisance or damage, so anyone losing their dog or dogs should check by the City Pound, then go to City Hall to arrange for their animals to be released.

Dogs unclaimed within a certain period of time will be destroyed.

## MOD Drive Held Here Last Week

Funds for the Santa Anna March of Dimes drive are still welcomed and an account is open at Santa Anna National Bank for those wishing to make donations to the 1978 campaign.

Cathy Strother, chairman of the local drive, expressed appreciation to the workers who helped with the house-to-house drive last week, but also urged area residents who were not contacted to make contributions.

Due to the cold weather and lack of workers, only part of town was canvassed last week. However over \$200 was collected during the drive.

Workers assisting Mrs. Strother were Mmes. Rodney Dean, Ronnie Hartman, Pat Hosh, James Perry, Ken Bowker, Rob Cheaney, Charles Greenlee and Miss Sharyl Fuller.

## IRS Returns For Farmers Due March 15

While most taxpayers have until April 15 to file their 1977 income tax returns, the filing date for farmers and ranchers is much sooner.

'Agricultural producers who did not file an estimate of their income by January 16 and did not pay the estimated taxes must file their tax returns and pay due taxes by March 1, points out Dr. Richard Trimble, economist in management for the Texas Agricultural Extension Service. 'However if farmers filed an estimate, they have until the April 17 deadline to file final returns.'

Trimble notes that several changes were made in the income tax law during 1977 which should be of interest to Texas farmers and ranchers.

A major change was the elimination of the standard deduction and the low income allowance. These two items have been replaced by a flat amount called 'zero bracket amount.' This amount depends on your filing status.

'The zero bracket amount is not a separate deduction, but the equivalent amount is built into the new simplified tax tables and tax rate schedules,' explains the economist.

Another change is that the deduction of \$750 for each exemption and the general tax credit have been built into the new tax tables, so there is no need for the taxpayer to determine these. The general tax credit has also been revised to consider exemptions for age and blindness, adds Trimble.

Filing requirements have also been changed for the 1977 tax year.

For example, an individual must file a return if his gross income is \$2,950 or more and a married couple under 65 years of age must file if their joint income is more than \$4,700. If both are 65 or older, they may make \$6,200 before being required to file a return.

There are many other minor changes, and Trimble suggests several publications that may be of help, available from the IRS or from any county Extension office.

ENGAGED— Mr. and Mrs. Pete Wooten of Coleman have announced the engagement and approaching marriage of their daughter, Lynn, to Jody Yancy, son of Dee Yancy of Santa Anna and the late Mrs. Yancy. The wedding will take place March 3.
