A one car accident last Wednesday resulted in heavy damage to an apartment in the Santa Anna Housing project. Minor injury to the apartment's occupant occurred when the car, driven by 21 year old Thomas Barker, impacted the building.

Apartment damaged in accident

One woman was injured and approximately \$10,000 in damage was done to a Santa Anna apartment complex when a local man lost control of his vehicle March 6.

Brenda Cochran of Santa Anna was slightly injured when her closet door fell on her left foot after a car crashed into the rear of her apartment.

Thomas Barker, also of Santa Anna, was driving west between Jefferson and Lee Streets when he lost control of his car and smashed into the rear of one of the Santa Anna Housing Project apartments.

Barker was charged with DWI, driving while license suspended, and with no insurance. He was released Thursday after posting \$1000 bond.

Another woman and two children who were in Cochran's apartment at the time of the accident were unharmed.

Allsup's Santa Anna store's new Assistant Manager is Chris Torres.

Benefit set for Sindt

There will be a benefit dance in Santa Anna, Friday, March 15, at the National Guard Armory to raise funds for Michelle Sindt of Brownwood. She is the granddaughter of Glen and Udell Copeland. Michelle is in Parkland Hospital in Dallas and is very ill. Music will be by the Kountry Kickers from 7 p.m. til 11 p.m. Admission will be \$1.50 per person.

We will also have pies and cakes for sale. Come out and enjoy good, clean fun and good music. Every one is invited, young and old. It will be greatly appreciated.

Damage at schools

Due to increase in vandalism to school facilities and property, anyone caught inside the buildings without direct school supervision will be charged with trespassing. School personnel will not issue keys to the school buildings unless administrative approval is given.

Park Board meets

The Santa Anna Park and Recreation Board met March 5, 1985 at the telephone company conference room. Mrs. Glenda Cook, chairperson, presided. Board members Gary Fleeman and Earlene Scott attended.

Preliminary work has begun toward preparing the grounds for reseeding. The entire park area will be plowed before planting begins. The Board set Saturday, March 30, 1985 as the first work day, weather permitting. Everyone is urged to come out on that day and help us with the work. If anyone wishes to bring a picnic lunch, please feel free to come and spend the day.

A raffle will be held in conjunction with the Chamber of Commerce Fun Fest on May 4, 1985. A cordless telephone with AM-FM radio, donated by Coleman County Telephone Coop, will be raffled off. Tickets may be obtained from any Park Board member beginning April 25, 1985; tickets will be \$1.00 or 6 for \$5.00. The drawing will be May 4, 1985.

The next Park Board meeting will be held on April 2, 1985 at the telephone company conference room at 7:00 p.m. This is open to the public and interested person are invited to attend. We need new thoughts and ideas regarding our park and encourage each of you to come to our meetings.

Allsup's graduates assistant manager

Chris Torres (left) has successfully completed Allsup's Assistant Manager Training course held at the company's home office in Clovis. Chris Torres receives her diploma from Rick Garris, instructor for the Assistant Manager Class. The three day course includes instruction in customer relations, company policies, operational procedures, and management skills. According to

Garris, 'The entire training program represents an effort by Allsup's to provide better service to our customers and prepare assistant managers for a rewarding career in the convenience store industry.' Chris Torres returns to her store at 1000 Wallis in Santa Anna.

Allsup's Convenience Store, Inc. is an Equal Opportunity Employer.

Positions set on April City ballot

The drawing for positions on the ballot for the city elections took place at 4:00 p.m. on Friday, March 8 at the City Hall. The April 6 election has attracted three candidates for the position of Mayor of Santa Anna. Four candidates have filed for the two positions that will be vacant on the City Council.

In the mayoral race, the candidates will appear on the ballot in the following order: 1. Joe Guerrero; 2. John Pearce; 3. Donald Hosch.

In the council race, the order on the ballot will be: 1. Roy Buse; 2. Garland Morgan; 3. Wade Jones; 4. J. T. Avants.

Chamber of Commerce Mexican Food fund raiser tonight

Mexican food served in a holiday atmosphere will be a highlight of activities in Santa Anna Thursday, March 14. The Frontier Day committee of the Chamber of Commerce is sponsoring the event to raise funds for the May 4 event. Tickets are on sale prior to the meal or may be purchased at the door. Serving will begin at 5:30 and

continue through 7:30 at the Lions Club building. Adult tickets are \$5.00 and children under 10 will be charged \$2.50.

Any donations for the project will also be welcomed, and all local people are urged to contribute. Charlotte Moseley is chairman of the supper committee, assisted by Glenda Cook and others.

City fathers met

The Santa Anna City Council met in regular session at 6:30 p.m. March 7, 1985, with Mayor Edd Hartman and all councilpersons present.

Santa Anna Police Officer, Bill Allen, appeared before the council along with Brown County Deputy Sheriff, Glenn Smith, who serves as co-ordinator of the Brown County Crimestoppers, to make a presentation to the council regarding the Crimestoppers Program. The presentation included an explanation of the program and the basic organization necessary to start the program.

Discussion was held on the opening of Fannin Street. A motion to table any action until further information is available was passed unanimously.

A summary of the past month's police activity was presented by Police Chief Russell Ellis. Following an executive session, a committee of Gary Fleeman, Stanley Hartman, and Carmen

Donham was appointed to evaluate city employees performance.

Baptists to meet

The regular meeting of the Coleman County Baptist Association will be held Tuesday, March 19, at the Gouldbusk Baptist Church in Gouldbusk.

The meeting begins with the W.M.U. and Executive Board at 6:00 p.m. The evening meal begins at 6:30 p.m.

The program begins at 7:15 p.m. The program is on Doctrinal Emphasis. The speakers for the program will be Roger Hammonds of the First Baptist Church in Coleman and Ferris Akins, the Area Missionary. John Stanislaw, the Moderator and pastor of the First Baptist Church in Santa Anna, is in charge of the program. The public is invited to attend.

Election taking shape

Edd Hartman has announced he will not seek re-election as mayor, which means current councilman Joe Guerrero, along with John Pearce and Donald Hosch, are the candidates. Running for Guerrero's vacated council place are Garland Morgan and J. T. Avants, while Wade Jones and Roy Buse have filed for Dickie Horner's spot on the council. Horner is not running again.

Six candidates have filed for two places on the school board, including incumbent Bill Martin, while Max Eubank will not be returning. The others are Gary Absher, Danny Kellar, Wade Jones, Don Bible, and Scott Patterson.

Sindt improving

A local area high school student is steadily improving from a severe injury suffered in a car accident last January.

Michelle Sindt, granddaughter of Mr. and Mrs. Glen Copeland of Santa Anna, began therapy on her amputated leg last week. She has shown marked improvement in a short amount of time.

Although Sindt is progressing rapidly, doctors expect her to remain in the hospital for at least one more month.

Sindt was forced to have one of her legs amputated below the knee after being crushed between two cars. She is currently being treated at Parkland Hospital in Dallas.

Spring cleaning can be dangerous

While spring cleaning, Taffy Rutherford, daughter of Pat Rutherford, was injured when an aerosol can exploded.

Mrs. Rutherford and children were dumping trash in an area where trash had been burned previously and the aerosol can, which had been laying dormant, exploded. Taffy received first and second degree burns on various parts of her body. Taffy is recuperating from a very painful experience.

Chief presents Police Report

There was criminal mischief at the high school over the weekend. A total of 12 rubber tires were punctured and ruined. Eight tires on two different riding lawnmowers and four tires on a trailer parked on the school grounds were ruined. Total damage was around \$800.

There was an accident in front of the Mobil station on Wallis and First streets Saturday. Both cars were westbound. The car driven by Manuel Coronado of Santa Anna had stopped to make a left turn on First Street and was struck from the rear by a car driven by Earnest Dickie from Thrall, Texas. There was moderate damage to both vehicles.

A passenger in the Coronado vehicle, Vernabe Coronado, age 63, was hospitalized at Coleman for observation and treatment of injuries.

A passenger in the Dickie vehicle, Daisy Dickie, age 88, was treated for head injuries and released.

Both injured parties were transported by the Santa Anna

Funeral Home ambulances to the Overall Morris Hospital in Coleman.

Chief of Police, Russell Ellis said that he arrested a man Monday night for theft. The man in question is Micheal Wayne Blurton, 33 years old, of Lake Brownwood. Mr. Blurton was employed at the Allsup store here in town. He was hired on Saturday, March 9, and had worked on Saturday and Sunday. Monday morning a shortage was discovered in the cash receipts. Following investigation by Mr. Ellis, Mr. Blurton was arrested by Bangs Police Chief and a Brown County sheriff deputy. Police Chief Russell Ellis picked up Blurton at the Brown County Jail and transferred him to the Coleman County Jail Monday night. Charges were filed Tuesday morning of theft of more than \$750 but less than \$20,000, and bond was set at \$2500. Police Chief Ellis stated that some of the merchandise and money has been recovered and the case is still under investigation.

City receives tax check

Santa Anna got a check for \$1,427.19 for the city sales and use tax allocation. The comparable payment for last year was \$1,501.77. The 1985 payments to date have been \$7,967.85. 1984 payments to date were \$5,763.23, making the percent change to date 38.25 percent.

State Comptroller Bob Bullock sent checks out last Friday totaling \$68.8 million in local tax payments to the 991 cities that levy the one-percent sales tax. Overall the checks represented large increases over city payments made last March, but Bullock warned that the in-

creases resulted from the way the city money was processed and did not necessarily indicate anything about the economy.

'Simply, in January several really large national corporations paid late and their money is included in the March checks,' Bullock said.

Houston's check was the largest--\$11.7 million--and represented 17 percent of total payments.

March checks represent taxes collected on sales made in January and reported to the Comptroller by February 20.

Open house Social Security dates set

Santa Anna Independent School System and the Parent Teacher Organization would like to invite everyone to Open House and the monthly meeting of PTO. The PTO program will begin at 7:00 p.m. with special announcements and a program about Texas presented by the Fourth Grade class.

The Open House for parents to visit each child's room and view their school work begins at 7:30 and ends at 8:30 p.m.

Refreshments will be served by PTO members in the cafeteria. We urge everyone to attend the program and visit the classrooms.

Beginning April 1st the Social Security representative to the Santa Anna area will be Nancy Edwards. There will be no change in the date or time. Mrs. Edwards will be at the Housing Authority office the 1st Wednesday of each month from 10:00 - 12:00.

Native named to post

Sue Kingsbery Porter, a Santa Anna native now living in Round Rock, has been selected as a page for the State convention of the Daughters of the American Revolution to be held in Ft. Worth March 21 thru 23.

Mrs. Porter will be one of several junior members of the organization who will assist with hostess duties during the meeting and take part in the ceremonies during the session.

A member of the Round Rock-Georgetown Chapter, Mrs. Porter is currently serving as registrar of the group and will be Vice Regent for the coming term.

In addition to her work with the D.A.R. Chapter, she is also an active member of the Round Rock First Baptist Church where she serves as chairman of the Recreation Committee and is secretary of the Long Range Planning Committee and served this year as chairman of the Round Rock March of Dimes Drive.

Mrs. Porter is the daughter of Barbara and Tom Kingsbery of Whon Route, Santa Anna.

Over 1,000 Future Homemakers of America met in Lubbock for the Area I Conference and elected Christi Castleberry vice-president of Programs and Projects. This office entitles Christi to represent Monterey High School at the State FHA meeting in Houston on April 12 and 13, at the National FHA meeting in Salt Lake City, Utah, July 15-19, and at the State Executive Council Meeting July 26 and 27. Christi attended the Youth Against Cancer Conference in San Antonio last summer as an FHA representative and plans to go again this summer.

In addition to FHA, Christi is a member of the National Honor Society and Tri-Hi-Y. She participated on a lawyer team at the Youth In Government Conference in the State Capital February 28-March 2 in Austin, sponsored by Tri-Hi-Y. She is a member of First Baptist Church and is membership captain of her Sunday School Class.

Christi is the daughter of Billy and Jean Castleberry and the granddaughter of Christine Smith of Santa Anna. She enjoys spending time in the summer with her grandmother in Santa Anna.

Delta Omicron meeting held

The March 11 meeting of Delta Omicron Sorority was held in the home of Betty Lewis with 18 members present.

Reports were given by Gail Loyd on the Valentine Party and by Gail Horner on the March of Dimes Fund Drive. A total of \$425.00 was raised. The nominating committee also gave their report on new officers for next year.

In new business the group voted to help the Chamber of Commerce with the city-wide clean-up drive scheduled for next month. Patti Musick was named Chairman of the activity and will be assisted by Jan Brixey. Also the sorority will be participating in the up-coming Fun-Fest with a Washer Pitch Tournament. Bernidine Watson will be in charge of this.

In other action the group voted to make donations to the following groups: \$25 to the Santa Anna Baseball Program; \$50 to the swim program; a \$200 scholarship to a worthy senior; \$25 to Meals on Wheels and \$25 to the Chamber of Commerce. Also \$5 was donated to Easter Seals and the Worda Russell Scholarship of ESA.

A report was also given on the upcoming District Meeting on March 24. Plans are going smoothly, and the Sorority would like to thank Judy Hartman for helping fire some place card holders for the meeting.

Becky Martin gave a program on home canning techniques.

Refreshments were served to the following: Dorothy Harris, Sharon Greenlee, Gayle Stewardson, Becky Martin, Suzy Voss, Pam Morgan, Lois Harper, Gail Loyd, Jo Ashworth, Donna Bradley, Bernidine Watson, Gail Horner, Debbie Dean, Patti Musick, Betty Lewis, Jan Brixey, Gay Martin, and Betty Martin.

Don's Diary

By Don Rutherford

As you read these words, I will be in Milford, Utah preaching a revival. Pray for the church and for me please.

As I was preparing these sermons for the revival and also writing on another project I came across a little book entitled The Pursuit of Excellence by Ted Engstrom. This little book at one place gently urges and at other places compels us to realize our God given potential. The author challenges us to look at ourselves and compare that person to the person we could be. In his words of wisdom he accuses us of being eager and willing to take the easy way out, waiting for perfection and success to come our way while we live a life of mediocrity.

A story from What a Day This Can Be, by John Catoir describes what happens to so many of us. An American Indian tells of a brave who found an eagle egg and put it in the nest of a prairie chicken. All his life, the changeling eagle, thinking he was a prairie chicken did what prairie chicken did. He scratched in the dirt for seeds and insects to eat. He clucked and he caled. And he flew in a brief thrashing of wings and a flurry of feathers no more than a few feet off the ground. After all, that's how prairie chickens were supposed to fly. Years passed. And the changeling eagle grew very old. One day he saw a magnificent bird far above him in the cloudless sky. Hanging with graceful majesty on the powerful wind currents, it soared with scarcely a beat of its strong golden wings. 'What a beautiful bird!' said the eagle to his neighbor. 'What is it?' 'That's an eagle, chief of the birds, but don't give it a second thought. You could never be like him.' So the eagle never gave it another thought and he died thinking he was a prairie chicken.

It is so much easier to pick insects

rather than to fly. It is easier to accept the status quo rather than to venture out.

I have before me a challenge and a big decision to be made. And this decision is not going to be easy. The Home Mission Board has asked Gloria and I to go to Pittsburg, Pa. this summer for a special project. At the end of the summer there may be a job offered to me of a two-year nature. This job will be Association Education Director for the greater Pittsburg Area. This is a tremendous opportunity and challenge as I would be directing the education processes of thirty churches in the area in the field of teaching and programming.

The opportunity to fly is there; but it calls for a move a long ways from home. I ask you to pray for us as we reach a decision.

But you see even if we go to Pittsburg, in this golden opportunity, the pursuit of excellence is a lifetime process.

There are some traits that set aside people who pursue excellence and those who choose to live like the prairie chicken.

Those who excel are those who have personal discipline. It is easier to watch TV than to do a project, but the TV will never make you a person of excellence.

People who excel are not down type people. The pessimist, I have been told, sees a difficulty in every opportunity and the optimist sees an opportunity in every difficulty.

The above the average person knows it is always too soon to quit. People of excellence see self confidence not as something unspiritual but as an honest belief in the gifts and talents God has given them.

I would like to spend some time with you on this subject, maybe in another article.

THINK ABOUT IT: God's part we cannot do Our part He will not do.

Fannie's Funnies

By Fannie Gilbert

Why is planning a vacation always easy for a married man? Because his boss will tell him when, and his wife will tell him where.

Over heard at the doctor's office, 'Miss Larue, you have acute appendicitis.' 'Oh, doctor, really! I appreciate the compliment, but I came for an examination.'

The wife who drives from the front seat isn't any worse than the husband who cooks from the dining room table.

She is really some housekeeper. She's been divorced five times and she's kept the house every time.

With food prices soaring, I sometimes think it would be cheaper just to eat the money.

A born loser is someone who is a piano player in a marching band.

Always forgive your enemy—nothing annoys them so much.

I fed my dog garlic and now his bark is worse than his bite.

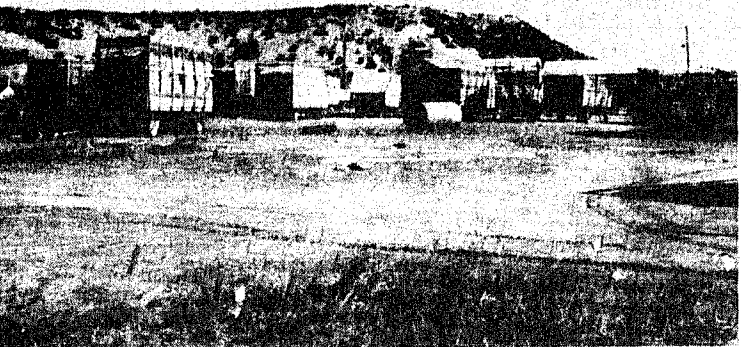

March of Dimes drive

The Santa Anna March of Dimes drive has concluded with a total of \$425.00 collected for the fund. Gail Horner was chairman of the local campaign, directing the house-to-house drive that was under the sponsorship of the Delta Omicron Chapter, Epsilon Sigma Alpha Sorority.

Volunteers from the sorority chapter and others called on local residents during the last two weeks in February seeking donations to the fund that now benefits research of birth defects.

Sorority members who assisted with the drive were Coyita Bowker, Donna Bradley, Debbie Dean, Sharon Greenlee, Lois Harper, Dorothy Harris, Gail Horner, Betty Lewis, Becky Martin, Patti Musick, Kathy Pearce, Suzy Voss, Bernidine Watson, Gail Loyd, Gay Martin, and Pam Morgan. Other volunteers taking part were Sandra Fitzpatrick and Jo Jones.

Appreciation was expressed to the townspeople and to the volunteers for making the drive a success.

Santa Anna's cotton gin has been in service to the area since it was built in 1936. Thru January 22, more than 300 bales have been ginned this season.

Cotton gin a center of activity

The cotton gin was patented March 14, 1794. To coincide with this event I would like to print this story written by Mrs. John Hunter.

The Santa Anna Co-op Gin, located on Brownwood Highway, has the honor of being the only cotton gin in Coleman county. It was built in 1936; at one time there were three gins here.

Coleman County is located in the center of the state, with a population of some nine thousand and Santa Anna claims some fifteen hundred. At one time every little community had a cotton gin. Remembered are Trickham, Whon, Rockwood, Gouldbusk, Shields, Burkett, Echo, Niwot, and Coleman had two gins.

J. T. Avants has been manager several years; Charlie Avants is gin-ner; Lois Avants is bookkeeper.

Directors are G. W. Loyd, David Avants, Barry Wilson, Harold

Wheat, Glynn McClure and Truett Hipsler.

Ginning started this season on November 26, 1984; discontinued on December 13, due to weather; started again on January 22, 1985 and had over 300 bales up to date and there were some 20 bales on the yard January 30. Most cotton has come from Burkett and Echo areas due to drought in southern part of County.

A picture made in 1949 shows all the cotton brought in one-bale trailers, now all of the trailers haul as many as six or seven bales.

Robert Tucker of Carbon brings cotton to the Santa Anna gin in two-bale trailers; Jim Fleming of Rising Star also brings cotton to the Santa Anna gin.

Darrell Hunter of Burkett had the first bale of cotton this season; Bill Hunter of Echo had a field of 30 acres and harvested 29 bales of cotton.

Nurse training

ABILENE, TEX...The Abilene Intercollegiate School of Nursing, a consortium of Abilene Christian University, Hardin-Simmons University and McMurry College, will begin offering a 74-hour associate of science degree in nursing effective this summer.

The program has been approved by the Board of Nurse Examiners of Texas, according to Dr. Elaine Forrest, dean of the Abilene Intercollegiate School of Nursing.

Persons interested in learning more about the program are asked to contact either Dr. Forrest, Box 909, HSU Station, 79698, or the admissions offices at ACU, HSU, or McMurry.

Scout news

Boy Scout Troop 230 enjoyed a two-day campout this past weekend on a private lake south of Santa Anna. The boys worked on some scouting activities, hunted arrowheads, and did a lot of fishing. They caught enough fish for a big fish fry Saturday night, with fish left over. They saw a lot of wildlife in their natural habitat and studied the wildlife signs. Some of the boys worked on camping and cooking skill awards as well.

Boys from Troop 230 who attended the campout were Shawn Harper, Curtis Puckett, Jimmy Row, Jacky Duquette, Scotty Martin, Tommy Willeford, Charles Snodgrass, along with Scoutmaster Tex Wright. Also attending the campout was a visitor from Abilene Troop 272, Jeff Lee.

Any boys who are interested in scouting and participating in scouting activities, such as the weekend campouts, are invited to attend Troop 230's weekly meetings at the Armory on Monday nights at 7:00 p.m.

Tennis tourney here this Friday and Saturday

Teams representing fourteen schools have already entered the tennis tournament scheduled to kick off with the prelims at 8:30 a.m. Friday.

Coach R. C. Smith expects the field to grow even larger before the deadline of Thursday afternoon. The Santa Anna team has to be viewed as among the favorites in the boys division with the return of Doug Warnock, Johnny Vasquez and Chris DeLeon who all gained valuable experience by qualifying for the State Tournament last year.

The nod goes to the Paint Rock girls doubles team who also advanced to last year's State Tournament.

Rounding out the field are entries from Coleman, Rochelle, Goldthwaite, Stamford, Junction, and Baird, as well as teams from Eden, Miles, Cross Plains, Clyde, Ballinger and Wylie.

An excellent tournament is expected to unravel this Friday and Saturday at the Santa Anna High School tennis courts. Finals will be Saturday afternoon.

Dual tennis match Santa Anna vs. Coleman

Coleman High School tennis teams visited Santa Anna last Tuesday afternoon and the two teams played to a near stand-still. SAHS won seven matches and CHS won six matches.

In boys singles play, McCord Wilson defeated Ramon Vasquez, 6-1, 6-1 and Chris DeLeon, 6-0, 6-1 in his second competitive workout this season. In other matches, Greg Vasquez of SAHS bested Jim Caldwell of CHS, 6-7, 6-2, 6-3. Doug Warnock, SAHS defeated Kelly Jeffreys, 8-1.

Warnock also defeated Stacy McKee of CHS, 8-5.

CHS Ted Martin defeated Chris DeLeon, 8-5 in another singles matchup.

In girls singles action, CHS Karyn Crye won her two matches, defeating Stacy Gunner of Santa Anna, 8-3, and Irma Castillo of SAHS, 8-4. DuAnn Hubbard of CHS defeated SAHS Stephanie Hartman, 6-2, 6-1.

In doubles action, SAHS Doug Warnock and Chris DeLeon defeated Stacy McKee-Ted Martin, 6-3, 7-5 while CHS David Tyson and Johnny Jurado teamed up to Ramon and Greg Vasquez, 6-4, 6-4.

Stacy Gunner and Irma Castillo of SAHS defeated CHS Bridget Beal and Geneva Morales, 6-3, 6-2 and Jeanene Jones and Nola Hughes of SAHS bested Glenda Stamper and Stacy Robin of CHS, 4-6, 6-4, 6-1.

Soccer results

Saturday games resulted in some close scores as the Soccer Season rolls on. The under 7 Division saw the Chiefs take the measure of the Stars by a 5-2 score. The Santa Anna Coyotes slipped by the Tornados by a 4-3 margin.

The under 10 Armadillos took an easy 6-3 game from the Santa Anna Bombers while the Pirates bumped the Santa Anna Panthers 4-1. The Patriots held off the Braves 2-1 to round out the under 10 action.

Under 12 action saw the Santa Anna Lions and the Santa Anna Kickers battle to a 1-1 draw. The Cobras fared better taking the Aztecs 3-1.

The Santa Anna Sting fell twice in the Under 16 division by a 2-1 score to the Santa Anna Raiders and 3-0 to the Chapparrals.

I.R.S. TIPS

If you use your car while providing services to a charitable organization, you will be able to take a larger tax deduction next year, the Internal Revenue Service said.

A deduction is now allowed for either the actual out-of-pocket expenses or 9 cents per mile. Beginning in 1985, the standard mileage rate will be increased to 12 cents per mile. Parking and tolls are also deductible in addition to either the standard mileage rate or actual expenses, but nothing is allowed for general repair or maintenance.

For more information get the free IRS Publication 526, 'Charitable Contributions,' by using the order blank in your tax instruction package. It is also available as reference for reading at many public libraries.

Mountaineers to host track meet

A giant track weekend is on tap in Santa Anna, March 15 and 16, when the Mountaineers will host two days of thin clad activity. Thirteen girls teams and thirteen boys teams will kick things off Friday at 2:30 p.m. when the Junior High Division gets under way.

According to Athletic Director, Galen Privitt, the Mountaineers girls and boys will have to be viewed as among the favorites since they will be competing in front of the home town fans. The Goldthwaite and Cross Plains girls teams also have to be considered as top contenders on the Junior High level. The Talpa girls have been strong in recent years and could slip in and win it all.

The Boys Division will see a good Lohm team pressing the Mountaineers for the team title. 'There are so many good kids in this meet that there can be a lot of surprises,' is the way Coach Privitt summed up the field for this Friday's action.

Rounding out the field will be boys and girls entries from Olfen, Rising Star, Gustine, Moran, Divide, Miles, Cherokee and Mozelle.

The Varsity Division will open up at 8:30 a.m. Saturday when the field events get under way. The field prelims will be immediately followed by the finals.

Prelims in track begin at 10:30 a.m. and will close by 12:40 p.m. Track finals begin at 2:00 p.m. Seventeen schools will bring girls and boys teams while May and favorite, Goldthwaite will bring only girls. Baird, the only AA entry will have only a boys team.

Coaches Joe Young and Dean Bass feel that the home field advantage should boost the Mountaineers performance and install them as favorites along with Cherokee and Mozelle. Blanket, Moran, Leuders-Avoca and Throckmorton will be bringing in some good athletes and should be tough. Divide, Richland Springs and Talpa have been building a good program and are capable of a strong finish.

The field is rounded out with teams from Mullen, Lometa, Rising Star, Gorman, Gustine, Rule and Eula.

The people to watch include Craig Duquette in the sprints and hurdles along with Russell Williams in the hurdles. Curtis Puckett is very competitive in the 400 meters while Richard Hensely is coming off an injury interrupted season last year to look good in the 1600 this Spring. Hensely was a regional qualifier in the 3200 as a Sophomore in Colman. Melissa Buse is a competitor for the girls team and will represent Santa Anna well.

Baseball registration tonite

An important meeting of Santa Anna Community Services will be held tonight (Thursday) at 7:00 p.m. at the ag building.

Registration will be held prior to the meeting; 5:45 p.m. to 6:45 p.m. Forms were passed out at school Monday. Fees are \$10.00 for the first child and \$5.00 for each additional child per family.

A work day to get fields ready has been set for Tuesday, March 19th at 5:30 p.m. Parents are urged to be present and bring tools for working.

Anyone wishing to coach a team and anyone wishing to umpire

should attend this meeting. All interested persons are invited to get involved and support the young people of this community.

In a meeting held last Thursday night the following were elected as

officers for the 1985-86 season: President--Ray Barnett, Vice

President--Marty Donham, Sec.-Treas.--Ruby Fleeman. Board members elected were: Wayne

Langford, Gary Fleeman, J. E. Williams, Roddy Dean, Marty Donham, and Dale Bradley, outgoing President.

'The difference, however, is that no matter what they do or how hard they try, they will eventually lose. The disease is always fatal.'

'Children born with cystic fibrosis have an instinct for survival--an innate determination. They struggle every day through physical therapy, swallow dozens of pills and confidently make plans for the future.'

As a tribute to these courageous kids, Mrs. Hosch said a special Walkathon will be held on Saturday, March 30. Proceeds will help support research to find a cure or control for cystic fibrosis and to help fund a nationwide network of clinics that specialize in diagnosis and treatment.

The major problem with cystic fibrosis is a thick mucus that clogs the lungs and intestines and makes simple things like breathing and eating a daily struggle. The wear and tear on the respiratory and digestive system is eventually fatal. Although scientists don't know yet

Cystic fibrosis

What do you really know about cystic fibrosis? Well, Sandy Hosch, chairman of the Santa Anna Campaign for the Cystic Fibrosis Foundation will be telling us some about the disease and how we may help others who have the disease. She will be submitting articles over the next several weeks and will hold a Walkathon on March 30, 1985.

Following is one of the articles: Author Tom Wolfe called it 'the right stuff' in his best-selling novel about test pilots and astronauts.

But it also applies to some very special children: the 30,000 youngsters who inherited a lung disease, cystic fibrosis, that is not yet curable.

These children have all the bravery and pioneering spirit of any astronaut said Sandy Hosch, chairman of the Santa Anna Campaign for the Cystic Fibrosis Foundation.

Just 15 years ago, few children with cystic fibrosis lived past five years. Today about half will make it into their 20's.

Surviving into adulthood however produces more obstacles, Sandy Hosch said. CF is not a cheap disease: it costs between \$6,000 and

\$12,000 a year for treatment. Some patients find themselves in a 'catch-22' situation: too ill to work full-time, but without a job, they can't afford medical insurance.

Those who can work often encounter discrimination caused by myths about a misunderstood disease.

Adults with cystic fibrosis also face difficult decisions about marriage and family. The psychosocial, physical and financial demands of the disease can strain the best relationships. The majority of males are sterile and while females can bear children, it is a risk to their own health. An even more difficult decision is whether to risk passing the disease onto future generation.

'Despite all this, children and adults with cystic fibrosis approach life positively,' Mrs. Hosch said. 'They automatically go into high gear when confronted with an obstacle and do the best they can in every aspect of living. They are truly an elite group of people.'

Mrs. Hosch urges everyone in Santa Anna to join the fight against cystic fibrosis by being a part of the upcoming Walkathon.

'More money for more research--that's the best way we can help provide a better, brighter future for people with cystic fibrosis,' Sandy said.

The Cystic Fibrosis Foundation, a private, voluntary health agency with 100,000 volunteers across the country, receives no government funds and relies solely on contributions from the public to help support programs of research, care, and education.

For more information contact Mrs. Patrick Hosch, local chairman of Cystic Fibrosis Foundation at 200 N. 6th, 348-3259.

A QUILT FOR NEBRASKA

Here is another fascinating patchwork that traveled west with other family treasures of a by-gone generation.
Prairie Queen is really just another nine-patch, the four corner squares pieced of two triangles with intermediate squares of four patches and a plain center. The small sketch in the upper right corner is a set suggestion, four-inch light bands horizontally between blocks, four-inch bands vertically with pieced blocks at all intersections giving the mitered effect.
Then the odd shape piece, folded at the center is a sheaf of wheat applique copied from a very old quilt. Spaced several inches apart at the outer edge of a six-inch border, they would add much to the patchwork center.
Four blocks with five strips wide, white and four and one-half of gold by five blocks and six set strips long would be 68 by 84 inches, and six-inch borders would bring this up to 80 by 96. Five and one-half yards of white and four and one-half of gold would make this interesting quilt.

Children's trust fund

Children's Trust Fund bills have recently been filed in the Texas Senate and House of Representatives by Senator Chet Brooks and Representative Stan Schlueter.

Senate Bill 371 and House Bill 1185 will establish this special fund to finance programs to prevent child abuse and neglect. Recognizing the need for planning at the local level, the Children's Trust Fund will emphasize community-based programs.

If passed by the legislature as proposed, the bills would establish the CTF and the council on child abuse and neglect to direct the funds and establish guidelines for grants to be awarded from the CTF.

Proponents of the bills point out that in 1984, the Texas Department of Human Resources (TDHR) assisted over 105,000 victims of child abuse and neglect and that the CTF monies for prevention programs would keep thousands of children out of this tragic statistic.

Funding for the CTF would come from several sources: an increase in marriage license fees, grants from private and public sources, and individual contributions. Also, over the next five years, the Federal Challenge Grants Act of 1984 will provide \$1 in matching federal funds for every \$3 that a state puts in a trust fund such as CTF.

I.R.S. tips

A person receiving interest through the year can expect an information form reporting that interest at the end of the year. A new provision in the law provides that, beginning in 1985, some payors of interest may receive them too, the Internal Revenue Service said.

Businesses or government agencies that receive interest of \$600 or more from one person, on a mortgage secured by real property, must report the receipt of that interest to the IRS and to the payor. This includes amounts paid under a contract for deed or in lieu of interest. If the interest is received for someone else, only the first person must file the report.

A penalty of \$50 may be imposed for each failure to file this return with the IRS, up to a maximum of \$50,000, unless the failure is due to

reasonable cause. If, however, there is intentional disregard for the filing requirements, the penalty amount will be increased to \$100 for each failure, with no annual limitation.
