Mountaineers

Pep Rally Friday, 4 p.m.

BLANKET, - The Mountaineers managed to elevate themselves to the number 10 spot on this week's Harris Poll despite a lackluster performance here Friday night. The offense seemed to forget what their job was until a worn down Blanket gave them scoring opportunities in the third quarter.

It appeared that the Mounties were still savoring last weekend when they ripped Bangs by a 19-0 count. "The defense had a good game, but the offense just didn't play up to anywhere near their ability. We looked sick, but we'll get over it," said Coach Gaylon Privett.

The first quarter saw Santa Anna's best drive, 60 yards in 12 plays, with Bebe Vasquez doing the honors from 10 yards out. Vasquez booted the extra point to put the Mountaineers on top to stay by a 7-0 margin. Vasquez toted the ball 24 times for the night and scraped up 111 yards to easily be the top ground gainer.

Defensively, Curtis Puckett, a 6'1", 185 pound senior, had an outstanding game, as did 5'10", 175 pound senior defensive tackle Shawn Harper.

The game ground on until the Mounties cranked up a 45 yard, 10 play drive that was capped off by a 16 yard Russell Williams to Reece McIver pass for a touchdown with 5:58 remaining in the third quarter. Vasquez kicked the P.A.T. to up the score to 14-0.

The Tigers left the ball on the ground on their own 6 yard line, setting up Santa Anna's last score. This time Craig Duquette rammed the touchdown in from one yard out. The P.A.T. failed as the snap was dropped by the holder. The score stood at 20-0.

The Mounties' defense limited the Tigers to only 3 first downs, coming on 39 yards rushing and 7 yards passing. The Mountaineers generated 11 first downs. The rushing total was 165 yards, with

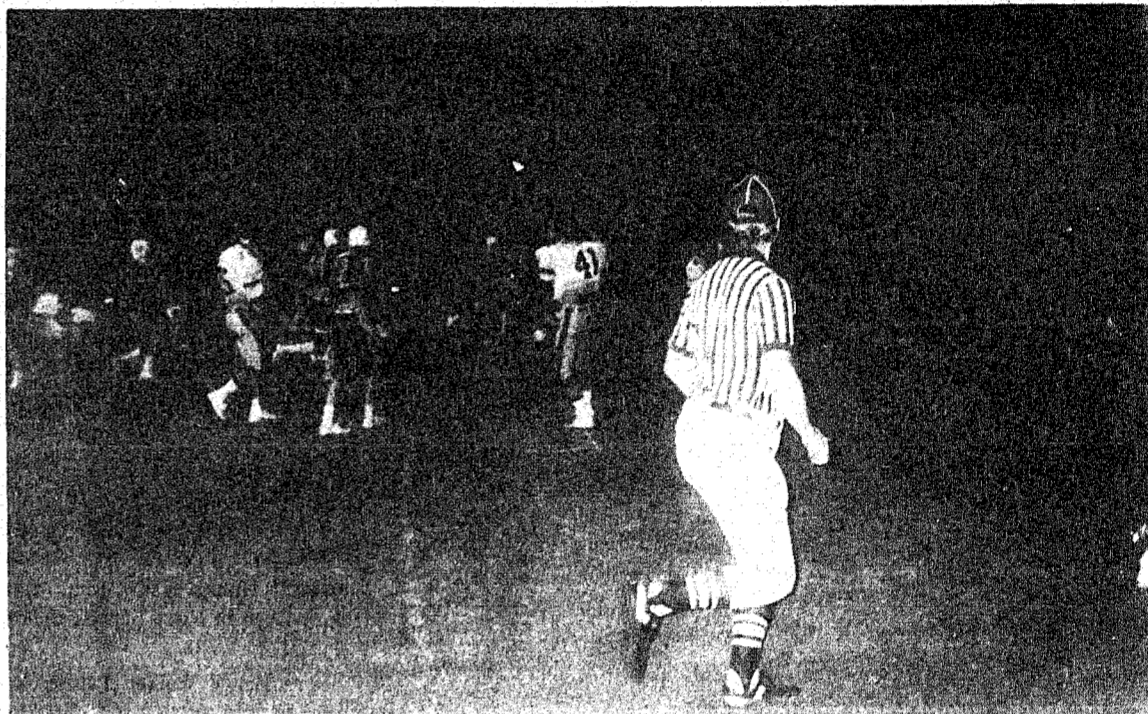

Vasquez punching out 111 of those. Santa Anna completed one of twelve passes for 16 yards and one touchdown. Blanket completed only one of eight passes for seven yards. The Mounties punted four times for a 35 yard average while Blanket punted six times for a 30 yard average. Santa Anna was penalized 4 times for 30 yards while Blanket was not penalized. The Tigers lost three of four fumbles while the Mounties recovered their only fumble.

Freshman safety James Hartman was banged up making a tackle and will not see action in this week's game.

Santa Anna next travels to take on winless Rising Star in the last non-district clash. Kickoff is scheduled for 8:00 p.m.

There will be a pep rally at 4 p.m. at the Perry Gymnasium for everyone to help cheer the Mountaineers on to another victory.

Booster Club Meeting

Rusty Bryce, a freshman student at Santa Anna High School, has been selected by the Santa Anna Athletic Boosters as the Mountaineer mascot. Attired in a mountaineer costume and carrying the Santa Anna Black Magic flag, the new mascot will be on hand for each football game, performing on the sidelines.

Rusty is the son of Mr. and Mrs. Rusty Bryce and is a member of the

junior varsity football team.

Lois Ann Harper was recognized as "Booster of the Week" for the Friday, September 13, football game with Blanket. She is the mother of Shawn and Rex Harper, members of the varsity football team. Shawn is a senior guard and Rex is a junior running back.

It was announced that the black polo shirts with Mountaineer logo

have been reordered and the additional ones will be available soon. The Booster Club is providing the shirts at cost for local boosters to wear at athletic events.

The membership drive is continuing through September, and all local people are urged to join the group.

Meetings of the organization are held each Tuesday evening at 7 p.m. at the meeting room of the Telephone Cooperative building. The film of the previous week's game is shown at each meeting.

Santa Anna Receives \$2,096.98 Check

AUSTIN— State Comptroller Bob Bullock Wednesday sent checks totaling \$57.3 million in local sales tax to the 1,005 cities that levy the one-percent city tax.

Santa Anna received a check totaling \$2,096.98, bringing total payments this year to \$21,358.99, a

98 percent increase. In 1984 the payment at this time was \$2,017.64 with a total of \$21,151.68.

Houston's check for \$9.4 million was the largest, bringing total payments this year to \$114.2 million, up 5 percent over last year. Dallas' payment was \$7.2 million for a 1985 total of \$84.2 million, a 14 percent increase.

San Antonio received \$3.5 million, pushing 1985 payments to \$41.7 million, up 15 percent over last year.

Austin's check for \$2.7 million brought total payments this year to \$33 million, a 22 percent increase.

Fort Worth's payment was \$2.3

million, bringing this year's total to \$25.3 million, up 12 percent. El Paso's September check for \$1.3 million pushed total payments to \$15.6 million, 15 percent over 1984 payments.

Bullock also sent checks totaling \$25 million to the state's five Metropolitan Transit Authorities.

Austin's Capital Metro received its first check—for \$2.2 million—since

the Comptroller began collecting the Austin MTA tax July 1. Houston's MTA received \$10.3 million for total payments of \$131.4 million in 1985. Dallas' Dart check was for \$9.9

million, bringing 1985 payments to \$115.3 million. Via in San Antonio received \$1.9 million for a 1985 total of \$23 million. Fort Worth's MTA payment of \$551,998 pushed payments this year to \$6 million in 1985.

September checks represent taxes collected in sales made in July and reported to the Comptroller's Office by August 20.

Annuals for Sale

The Santa Anna High School Annual Staff still have a few annuals to sell. The annuals are priced at \$18.00 each, and can be bought from any member of the annual staff during school hours.

Madden-Baker Vows Exchanged

Jacqueline Kay Madden and Rev. Dr. Vaughn Willard Baker were married by candlelight June 29 at Perkins Chapel on the campus of Southwestern University in Georgetown.

Officiating at the double ring ceremony were Rev. Jim Chandler, senior minister of the First United Methodist Church of Round Rock; Rev. Marshall W. Hampton, former principal of the Harris Elementary School in Austin; and Rev. Dr. David Watson, who is on the Board of Discipleship of the United Methodist Church in Nashville, Tenn.

The bride is the daughter of Mr. and Mrs. Jack Madden Jr. of Round Rock. The groom is the son of Mr. and Mrs. W. C. Baker of Arlington.

Given in marriage by her father, the bride wore a traditional gown of ivory satin and re-embroidered Alencon lace trimmed with simulated pearl clusters and sequins. The close-fitting bodice had a stand-up neckline, tapered sleeves and a Basque waistline. The full skirt was encircled with a scalloped hemline that extended into a semi-cathedral-length train.

A side-rolled brim hat fashioned of Alencon lace, seed pearls and sequins, styled with a double tulle bow

and fingertip veil, completed her attire. She carried a cascade of Kurun Troubadour cymbidium orchids and Lady Di roses, accented with treated baby's breath and glacier ivy.

Mary Sue Passmore of Austin was the maid of honor. Also attending the bride were Millye Bailey of Round Rock; Helene Madden; the bride's sister-in-law from Durango, Colo.; Joy Baker, the groom's sister from Arlington; and Karen Baker, the groom's sister-in-law from Owasso, Okla.

They wore tea-length gowns of peach chiffon and Alencon lace. They carried natural-stem bouquets using Lady Di roses and peach austomaries with treated baby's breath.

Lindsay Baker, the groom's niece, was the flower girl. Patrick Bailey was the ringbearer.

Serving as the groom's best man was his twin brother, Daughn C. Baker, of Owasso, Okla. Groomsmen were Ken Madden, the bride's brother from Durango, Calif.; Terry McIver of Santa Anna; Rev. Ron Albertson of Hico and Rev. Ken Schultz of Dublin. Van Beckwith of San Antonio and John Chauvin of Round Rock seated guests.

Music for the wedding was pro-

vided by Rev. Tommy Collins of Stephenville, who played the organ; Mrs. Myra Schomburg sang "The Lord's Prayer" and Rick Thorn sang "The Wedding Song." Both are from Round Rock.

After the wedding, a reception was held at the Mood-Bridwell Atrium on the Georgetown campus. Members of the houseparty were Patti Dragos of San Antonio; Fran Carfer and Marge Hill of Austin; Doris Owens of Cedar Creek; Debbie Lumsford, Teresa Violano and Sue Simmons of Round Rock; Ora Beth McIver of Santa Anna; and Toncie Young and Annie Roe Buckley of Killeen.

The bride is a graduate of Killeen High School. She has a bachelor's degree and a master's degree in education from the University of Texas, and is employed as a special education teacher at Harris Elementary in Austin.

The groom graduated from Boardman High School in Boardman, Ohio. He has a bachelor's degree from Miami University, and earned a master's degree and a doctorate at Perkins School of Theology at Southern Methodist University. He is the minister of outreach at the First United Methodist Church of Round Rock.

Following a honeymoon trip to Acapulco, the newlyweds will be living in Round Rock.

Chaffin-Roberts United In Marriage

Robin Smith Chaffin and Kenneth Ray Roberts were united in marriage Saturday, September 14 at the First Baptist Church Chapel in Abilene. The bride is the daughter of Mr. Robert T. Smith and Mrs. Dean Bass, both of Santa Anna. She is the granddaughter of Mr. John Hensley and Mrs. Delinda Smith, both of Santa Anna.

Parents of the groom are Mr. and Mrs. Herbert M. Roberts of Abilene. Reverend Gary Roberts, brother of the groom, pastor of the Sabougla Baptist Church in Mississippi officiated the double ring ceremony at 7:00 p.m.

The church setting was arranged to center before the beautiful stained glass window of the chapel. Tall candles in a spiral candelabra and banks of greenery framed the window. A pair of candelabras each holding a trio of candles with flowers and greenery flanked the candle arrangement on each side to complete the setting. Flowers and greenery accented with satin ribbons marked the mothers' pews and the aisle was marked with matching satin bows.

Given in marriage by her grandfather, Mr. John Hensley, the bride wore a sheerganza gown with embroidered brussels and silk venice lace. The Victorian neckline was set in a sheer yoke and the basque bodice of embroidered sheerganza had waisted silk venice trim at the neckline and waist. The sleeves were of embroidered sheerganza silk venice at the cuff and slight drop shoulders. The sheerganza skirt had a silk venice border hem to a chapel train. The schiffle embroidered tiarra headpiece with embroidered edge of bridal illusion completed the

Coleman County Telephone Cooperative, Inc. Manager, Danny Kellar, reported to the city council regarding the city's request for Coleman County Telephone Cooperative, Inc. to take over the TV Cable Service in Santa Anna. Manager Kellar stated that Board Members would not consider taking over the CATV service unless the city resolved all existing problems with Brownwood TV Cable. At this time Coleman County Telephone Cooperative, Inc. has no plans for furnishing cable TV service.

ensemble. The bride carried a cascading bouquet of white and apricot roses, baby's breath and greenery.

Suwanee Smith of Abilene, sister of the bride, was matron of honor. Bridesmaids were Lucinda Price of Brownwood, sister of the bride, and Mary Roberts of Sabougla, Mississippi, sister-in-law of the groom. Kristen Chaffin of Abilene, daughter of the bride, was flower girl.

The attendants wore matching gowns of apricot satin crepe. They carried nosegays of mixed flowers in shades of white, apricot and rust, backed with white lace holders and accented with streamers of satin. A circlet of matching blossoms in their hair completed their ensembles. The flower girl wore a white satin crepe gown fashioned like those of the bridesmaids. She carried a miniature nosegay of mixed flowers and her circlet of matching flowers had satin ribbons cascading down the back.

Stan Chapman of Abilene served as best man. Groomsmen were Jay Roberts, brother of the groom and David Hale, both of Abilene. Bill Smith, brother of the bride, seated the guests. Margie Warren of Abilene was at the register.

Wedding music was provided by John Campbell, organist and Don Woodcock, horn soloist, both of Abilene.

Following the ceremony, a reception was held at the First Baptist Church University Place. Backed with apricot shaded screens and flanked on the sides with Springere ferns, the bride's table had a white floor length silk cloth draped with

Self Culture Opens Year's Study

Mrs. Earl Simmons and Mrs. Frank McCary were hostesses when the Self Culture opened their year of study in the home of Mrs. Simmons, last Wednesday morning.

The refreshment table was laid with hand embroidered cloths bought when the Simmons family were stationed on the island of Aruba in the Caribbean, and centered with zutuny flowers in a low bowl. Party foods and dainties from the Slovenian cookbook of Mrs. Simmons' family heritage were in the theme of the day's program.

Mrs. Oran Henderson presided at the business meeting, calling attention to the new year of the group, which was organized in 1903 and has seldom if ever missed a meeting in the 82 years. The elaborate club scrapbook was displayed on a coffee table.

Mrs. Mary Clifford called the roll, which was answered with the name of an ethnic group in Texas. Letters were read from Mrs. Era Walters, of resignation, and Mrs. Veva McClellan, asking for associate membership. Reports were given on the medals presented to students of the public school in spelling and to the Seventh Day Adventist school in math.

To open the program on history of Texas, Mrs. Hardy Blue spoke of the importance of history to mankind. She quoted works of philosophers which included the idea of our heritage. It is man who has put meaning into human existence. Man will gather up what he can of his civilized life and record it.

Mrs. Grace Short told of the empire which is the state of Texas, and spoke briefly on the Six Flags which have flown over Texas in recorded times, French, Spanish, Mexican, Texan, United States and Confederate, giving dates of those facts.

Delta Omicron News

Delta Omicron Chapter of ESA met for its regular monthly meeting on September 9, 1985. Gail Loyd was hostess for the meeting held in her home in the Loss Creek Community.

Brenda Walkins of the Coleman Health Department Office presented a "Young Adult Health Risk" program. Members filled out Health Risk Profile Charts to identify their risks concerning Heart Disease, Cancer, Diabetes and Accidents. Discussion was held on how to improve or eliminate these risk factors, and a challenge was made to each member to work to improve on one or more of these areas in their daily lives. Results will show when another profile will be conducted when Walkins returns for a follow-up program in February of 1986.

Becky Martin presided over the business meeting in which several projects were discussed. Delta Omicron will sponsor the Cake Walk and Ring Toss at the Back-to-School Carnival on September 14.

A new project beginning in October will be to provide Birthday Cakes to residents of Ranger Park Inn.

A Fingerprinting booth will be featured at the Halloween Carnival for the purpose of aiding in identifying children in certain situations.

Mrs. Jim Spillman told of the phenomenal increase in people in Texas, that by the year 2000 it is expected to reach 20 million. Most of the growth will occur in 48 counties, the metropolitan areas of the state. Texas ranks second in the number and diversity of foreign-born and ethnics, one in five families now speaking a language other than English in their homes. The effects of this tremendous change in our ethnic makeup will be in customs, dress, morals, religions, industries, courts of law, land ownership, state and Federal officers; in the supply of water, the highways, modes of travel, most of all in education and in the lives of ordinary citizens.

With interesting pictures, Mrs. Spillman told of the thirty cultures represented in our neighborhoods, of the great gathering of all these diverse peoples at the annual Folklife Festival at the Institute of Texas Cultures in San Antonio, already one of the greatest exhibitions of groups of races from all over the world.

She mentioned the Tigua Indians of Ysleta, once the owners of 36 square miles of land, now confined to 3 1/2 acres; and of the Alabama-Coushatta tribes of East Texas, now increasing in numbers and flourishing because of our tourism and their pride in their arts, industry and tribal customs.

The Scottish heritage in Texas is exemplified in the Gathering of the Clans, an annual festival at Salado. The Spanish people were here since the 1520's, the King's Road, El Camino Real, being from near Eagle Pass to Nacogdoches. 62 percent of the population in South Texas is Spanish speaking. The French presence in Texas dates before Spanish days, and to the present time Castroville west of San Antonio is proud of its forming by Baron Castro of Paris. Among the powerful German settlements were those

near Fredricksburg and farther east, peopled by highly educated citizens from all parts of Germany who fled a tyrannic regime in the 1840's, but spreading over half the state their culture, religion and love of learning.

Black America came early to Texas, the first being the talented Esteban, slave of Cabeze de Vaca, without whom the explorers would never have reached the west coast. 11,000 Greeks arrived here since 1890, most fleeing the Turks who oppressed them. The Norwegians have been a great element in our growth, one of them inventing the Case disk plow. Most Lebanese came after 1890, chiefly Christian, and have added a stable and studious part to our culture. The Chinese came as dependable laborers, and now number over a hundred thousand, part of the city of Houston now being a Chinatown.

Besides the 50,000 Koreans, the 13,000 Japanese, there are countless Laotians, Thais and Vietnamese who have found refuge in Texas since the war of the 1960's. Mrs. Spillman told that we must realize that Texas is already a melting pot of races, and that we live together in harmony unknown in other parts of the world. Also it must be brought home to us that we have received the cream of all the nations, the most ambitious, courageous and hard-working, many of them from civilizations more advanced than our own, and be thankful for this inflow of their high character and mentality.

Present for the club meeting besides those mentioned were Mrs. Norval Wylie, Mrs. C. D. Bruce, Mrs. Fred Williams, Mrs. A. D. Donham, Mrs. Earline Scott, and Mrs. W. T. Gustavus.

Santa Anna accompanied Jeffery to the grandparents home for the weekend.

Mr. and Mrs. Graham Fitzpatrick were weekend guests with their sons, Mr. and Mrs. Neil Fitzpatrick and girls and Don Fitzpatrick in Odessa. They reported it rained the entire weekend there. We had very little moisture to fall in our community, as much as 1 inch was reported, but not at our house.

Mr. and Mrs. Darwin Lovelady of Santa Anna were bedtime guests of Mr. and Mrs. Elec Cooper in Rockwood one night the past week.

I drove to Abilene on Wednesday of last week and visited my daughter, Mr. and Mrs. Bob Smith from De Soto, and Bob's cousin, Mrs. Sylvia Costa of Lake Brownwood. Was my first time to get acquainted with Mrs. Costa, a lovely lady. I really did enjoy the day. Bob Smith left Dallas for Pittsburg Sunday morning at 8:40 a.m. following a week with his family.

Mrs. Floyd Morris and granddaughter, Jennifer, were in Brownwood Saturday and while there they visited with Mrs. Alice Morris.

Mrs. Darwin Lovelady and sister, Juanita Minica, of Santa Anna visited with Mrs. Betty Bearden and also with Mrs. Elva McDaniel in Brownwood during the past week.

Randy and Buffy Martin visited with Jennifer Morris in the home of her grandparents, Mr. and Mrs. Floyd Morris Sunday afternoon.

Mrs. Lucille Sorrels of Coleman visited with Mr. and Mrs. Darwin Lovelady in Santa Anna Sunday afternoon.

I have not been able to contact Mrs. Tom Vinson. She told me Saturday she was looking for her granddaughter, Susan Berry and daughter, K.K. from San Angelo for Saturday night and Sunday.

On the weekend of the 8th Mr. and Mrs. Darwin Lovelady and Doris Ruth Stearnes of Brownwood drove to Austin and spent the weekend with Mr. and Mrs. Nofie Smith and his parents, Mr. and Mrs. Roy Smith. They reported Mrs. Roy Smith is at the present making her home in a nursing home in Austin and all are doing reasonably well. Mr. Roy Smith is Mr. Darwin Lovelady and Doris Ruth Stearnes uncle.

D.A.R. Meeting Held at Opera House

Small flags and posters in the patriotic theme were used when the Capt. William Buckner chapter of the D.A.R. met for a salad luncheon last Saturday. Held at the Opera House Restaurant, the luncheon was hosted by Mr. and Mrs. Joe Berton as a tribute to the organization.

The U-shaped table had red and white cloths and runners of crepe paper connecting the posters and flags. Hostesses were Mrs. Hardy Blue, Mrs. Betty Henderson and Ora Beth McIver.

Mrs. Don Starnes presided at the business meeting. Mrs. Hugh Williams gave the secretary's report and Mrs. Joe Bunt the treasurer's. The Chaplain, Mrs. Otis Throgmorton, gave a memorial.

Mrs. C. D. Bruce was speaker for the day, and told of the importance to the planet Earth of its water. So far as astronomers know, Earth is the only astral body possessing water, and Mrs. Bruce stressed its vital need for all living things. Texas, the center of the Sun Belt, is receiving a flood of immigrants from other states and countries, and the uses of water will multiply far beyond our present supply within this decade. The city of Houston

alone is gaining 900 new people each day, and all over the state the increase is similar.

The proposed Stacy Dam on the Colorado River south of Coleman will be the greatest possibility for the west Texas area, and will affect towns and country as greatly as did the coming of the Santa Fe in the 1800's. Now approved by all agencies concerned except possibly the Environmental, the contract for the dam will be let in June of 1967, as told to Mrs. Bruce by Oscar Olivo, Supervisor of Surveyors for the project. The construction of the dam will start then, and the two-mile structure will take two years to complete. With little flow in the river normally, one great flood like that of 1936 could create a sizable lake, and after that the supply of water to dozens of towns and communities would be assured.

When filled to capacity, the lake will be three times the size of Lake Brownwood, and about as great as Lake Whitney. Access roads to the various arms of the lake are now being planned by Coleman County commissioners. Almost two-fifths of the lake will lie in Coleman County, and the dam itself will connect Col-

eman and Concho counties.

Mrs. Bruce told of the life of Morgan Stacy, for whom the town of Stacy was named, and whose name is commemorated in the lake itself. He was the son of Jess Braswell Stacy, a Trickham settler of the 1870's and who founded a trading post where a cattle trail from southwest Texas to Kansas crossed the Colorado. Later the store was moved a mile south, above flood stage, and became a thriving frontier village. Morgan Stacy prospered as the town grew and ranches were subdivided, but in late life he suffered from allergies so severely that he sold his property and lived in other Texas towns. He, his wife and a daughter and son are buried in the Santa Anna cemetery. The Stacy families have been prominent citizens through the years, several of them still in this area.

About thirty members of the Capt. William Buckner chapter of the D.A.R. were present, and several guests. Among them were Mrs. Bruce's daughter and granddaughters, Evelyn Kingsbery of Crystal City, Ann Kingsbery Womack of Phoenix, Ariz., and Sue Kingsbery Porter of Austin, who is vice-regent of her D.A.R. chapter.

Band Boosters

Jo Ann Buse is the new president of the Band Booster Club, elected at the September 3 meeting at the Band Hall. Other new officers are Ruby Fleeman-Vice-President; Teresa Absher-Secretary-Treasurer; Patti Musick-reporter; Pat Wright-Membership Chairman; and Marcie Holt-Uniform Chairman.

Plans for the buffet luncheon for Homecoming on October 12 was discussed, with Judy Hartman named chairman of the fund raising event.

Lonnie Baker, the new band director, was introduced and meetings announced for the first Tuesday night of each month.

Memberships to the group are now available, with individuals being \$2 and couples being \$3.

Weekend Visitors

Weekend Visitors with Rose Bass and MR. and Mrs. Dean Bass were Mr. and Mrs. Richard Bass and Ashley of San Antonio and Mrs. Agnes McDonald also of San Antonio. They were here to visit and to attend the wedding of Robin Smith Chaffin and Kenneth Ray Roberts of Abilene.

SANTA ANNA NEWS

By Mrs. Tom Rutherford

I received a notation from Mrs. Alton (Louise) Davis and was asked to put the following in my news letters.

On October 12, 1985, Mr. and Mrs. Tommy and Carol Davis and children, Denise and Terry, are honoring their parents and grandparents, Mr. and Mrs. Alton and Louise (Cooper) Davis in their home., 1511 Augusta Street in

Snyder on their 50th Wedding Anniversary, from 2 to 4 p.m. They would really love to have any friends who would like to come to the anniversary celebration on Saturday, October 12, in the home of Mr. and Mrs. Tommy Davis.

Jeffery and Jennifer Morris of Santa Anna were weekend guests of their grandparents, Mr. and Mrs. Floyd Morris from Friday night to Sunday afternoon. Reggie Moffett of

Rockwood Homecoming

By Mrs. John Hunter

The Rockwood Homecoming was held at the Community Center, Sunday, September 15, with some 100 former residents and friends registering.

Mrs. Cooper conducted the business session before lunch; Mrs. Wayne Bray, Secretary-Treasurer, gave routine reports. New officers were elected from the floor, after Cooper and Bray asked to be relieved, after serving several years.

Patsy Bryan Hambricht, of Coleman was named new president for 1986; La Nell Brusenhan was elected Secretary-Treasurer. After business session adjourned, Junior Brusenhan conducted devotional, reading scriptures; Boss Estes of Fort Worth voiced the Invocation.

Guests were invited to go by the loaded tables to be served, where the "high point" was Barbecue, prepared by Mr. and Mrs. Bill Hodges of San Angelo.

In afternoon, Bob Rutherford of Santa Anna showed video tape of "Linnie Box and her Store," prepared by KTAB-TV and Video tape of all the group he had made while we were visiting, which was a delightful surprise.

Visitors came from Abilene, Brownwood, San Angelo, Temple, Coleman, Brady, Katy, Fort Worth, Menard, Eldorado, Huntsville, Lockhart, Houston, Santa Anna, Clyde and Rockwood.

First Homecoming was held October 16, 1961, honoring "Mr. Bob" Steward on his 91st birthday anniversary. Only two years, 1968 and 1969 have been missed.

Homecoming is a wonderful commemoration for our loved one. See you Third Sunday in September 1986--Ya'll come!

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 5, 1985

PROPOSITION NO. 1 ON THE BALLOT

Sections 1 and 2 of House Joint Resolution 6 propose a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$980 million of Texas Water Development bonds.

The additional bonds to be issued will be dedicated for deposit in the Texas Water Development Fund, with \$190 million of those bond proceeds to be used for water supply loans and facilities acquisition and with \$400 million of those bond proceeds to be used for state participation in the acquisition and development of facilities for storage, transmission, transportation, and treatment of water and wastewater.

The amendment would also allow the legislature to provide for the creation, administration, and implementation of a bond insurance program to which the state pledges up to \$250 million of its general credit to insure payment of the principal of and interest on bonds or other obligations issued by political subdivisions of the state for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control or desalinization. Unless authorized to continue by a two-thirds vote of the members of each house of the Legislature, the bond insurance program will expire on the sixth anniversary of the date on which this section becomes a part of the constitution. Bond insurance issued before expiration of the program will not be affected by such expiration.

The amendment would authorize the legislature to create and appropriate money to special funds in the state treasury to make grants, loans, and other financial assistance available to governmental entities for certain enumerated water planning purposes. Also, the legislature would be permitted to extend the benefits of constitutionally approved water projects to nonprofit water supply corporations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$980 million of Texas Water Development Bonds, to create special water funds for water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

PROPOSITION NO. 2 ON THE BALLOT

Section 3 of House Joint Resolution 6 proposes a constitutional amendment that would allow the Texas Water Development Board to issue and sell Texas agricultural water conservation bonds in an

amount not to exceed \$200 million, if authorized to do so by a two-thirds vote of the members of each house of the legislature. The Texas agricultural water conservation bonds would be general obligations of the State of Texas, and would be paid from the first money coming into the state treasury in each fiscal year. The amendment would allow Texas agricultural water conservation bonds to be issued and sold only for four years after the date on which this Act becomes a part of the constitution.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance and sale of \$200 million of Texas agricultural water conservation bonds."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment that would permit the legislature to authorize a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property if such relocation or replacement is done in conjunction with or immediately following the relocation or replacement of water mains serving the property. Any legislative enactment permitting the expenditure of funds for such purposes would authorize the city or town to fix a lien on the property, with the owners' consent, for the cost of relocating or replacing the water laterals, and would provide that such cost shall be assessed against the property, with repayment by the property owner to be amortized over a period not to exceed five years at the rate of interest set by law. Such liens could not be enforced until after five years from the date the liens were affixed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to enact laws permitting a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would authorize the use of the proceeds from the sale of permanent school fund land to acquire other land for the permanent school fund. Currently, the constitution requires that proceeds from the sale of such land be invested in certain bonds and other securities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing proceeds from the sale of land dedicated to the permanent school fund to be used to acquire other land for that fund."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 59 proposes a constitutional amendment that would enable the legislature to regulate the provision of health care by hospital districts. The proposed

services the district must provide, by setting requirements a resident must meet in order to qualify for services, and by determining any other relevant provisions necessary for providing health care to residents.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to regulate the provision of health care by hospital districts."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would enable the State of Texas to enter into an agreement with another state to confine inmates from the state of Texas in penal or correctional facilities of the other state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit state prisoners to be placed in penal facilities of another state pursuant to an interstate agreement."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 27 proposes a constitutional amendment that would authorize the commissioners court of Chambers County to divide Chambers County into not less than two and not more than six justice precincts. Under current constitutional law, Chambers County may be divided into not less than two and not more than five justice precincts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing Chambers County to be divided into two to six precincts."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment that would grant an additional \$500 million in bonding authority to the Veterans' Land Board for the veterans' housing assistance program. Under the current constitution, the Veterans' Land Board is authorized by Article III, Section 49-b-1 to issue and sell not more than \$800 million in bonds, \$500 million of which may be used for the Veterans' Housing Assistance Fund. This amendment would increase that authorization to permit the issuance and sale of up to \$1.3 billion in bonds, \$1 billion of which would be used for the Veterans' Housing Assistance Fund. In addition, the amendment would remove the current definition of "veteran" from the constitution and permit the legislature to redefine "veteran" as the changing times and circumstances require.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing \$500 million in additional bonding authority for the veterans' housing assistance program and changing the definition of those veterans eligible to participate in the veterans' land program and the veterans' housing program by authorizing the legislature by law to define an eligible veteran for the purposes of those programs."

PROPOSITION NO. 9

House Joint Resolution 72 proposes a constitutional amendment that would permit the legislature either to enact a statute or to at-

propriations Act to require prior approval of the expenditure or emergency transfer of any funds appropriated by the legislature to state governmental agencies.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to protect public funds by authorizing prior approval of expenditure or emergency transfer of state appropriations."

PROPOSITION NO. 10 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds, the proceeds of which would be deposited in a fund to be known as the farm and ranch finance program fund. The fund would be administered by the Veterans' Land Board and would be used to make loans and provide other financial assistance for the purchase of farm and ranch land. The amount of bonds outstanding at any one time would be limited to \$500 million. The principal and interest that becomes due on such bonds in each fiscal year would be paid from amounts remaining in the interest and sinking fund at the close of the prior fiscal year, with the balance due to be appropriated from treasury revenues in the fiscal year when such amounts become due.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds to provide financing assistance for the purchase of farm and ranch land."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment that would define indictments and informations as instruments charging a person with the commission of an offense, and would delete certain technical requirements as to the form of writs and processes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the manner in which a person is charged with a criminal offense and to certain requirements applicable to state writs and processes."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 10 proposes a constitutional amendment that would grant the Texas Supreme Court and the Texas Court of Criminal Appeals jurisdiction to answer questions of state law certified from federal appellate courts. In addition, the two courts would promulgate rules of procedure relating to the review of those questions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting the Supreme Court of Texas and the Court of Criminal Appeals of Texas jurisdiction to answer questions of state law certified from a federal appellate court."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that would create a board with legislative approval. The amendment would provide for the continued power of the legislature to provide for judicial reapportionment, and

will be the responsibility of the Legislative Redistricting Board if the Judicial Districts Board fails to make a timely reapportionment. The amendment would provide for the creation of judicial districts smaller than a county in counties where the creation of such districts has been approved by the voters at a general election. The amendment would provide for more than one judge for a judicial district. The amendment would rename supreme judicial districts as courts of appeals districts. The amendment would provide that the jurisdiction and terms of court of district and county courts may be as provided by law. The amendment would provide for rules of judicial administration and civil procedure to be promulgated by the Supreme Court, and would provide that the legislature may delegate additional rule making power to the Supreme Court or to the Court of Criminal Appeals. The amendment would provide that courts and judges in existence at the time of its adoption remain in existence until otherwise provided by law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the reapportionment of the judicial districts of the state by the Judicial Districts Board or by the Legislative Redistricting Board, and providing for the administration and jurisdiction of constitutional courts."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 27 proposes a constitutional amendment that would abolish the office of County Treasurer in Andrews County and transfer the powers and duties of that office to the County Auditor. The amendment would also abolish the office of County Treasurer in El Paso County if, at the statewide election at which this amendment is submitted to the voters, a majority of the voters who vote in El Paso County favor the amendment. The functions of the office of El Paso County Treasurer will be performed by a person employed or designated by the El Paso County Commissioners Court. The amendment also provides for the abolition of the office of County Surveyor in Denton, Randall, Collin, Dallas, El Paso, and Henderson Counties upon approval of such abolition by a majority of the voters who vote on the question at an election called by the commissioners court of the county. If the office of County Surveyor is abolished in any county, the commissioners court may employ or contract with any qualified person to perform the duties of the office.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for:

- (1) the abolition of the office of county treasurer in Andrews County and El Paso County; (2) the abolition of the office of county surveyor in Collin, Dallas, Denton, El Paso, Henderson, and Randall Counties."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 5 de noviembre de 1985.
