Baptists Observe Anniversary

Members and former members of Santa Anna First Baptist Church met Sunday, October 12, to observe the 105th anniversary of the church. Theme for the day of celebration and worship was Celebrating the Past, Present and Future.

Over 250 people were present for the morning service with the pastor, Rev. John Stanislaw, as speaker. Special music for the service was presented by the church choir, directed by Patrick Hosch; a mixed quartet composed of Marty Donham, Ray Barnett, Gail Horner, and Leanna Hartman; and the Master's Men, composed of Donnie Neff, Patrick Hosch, Dickie Horner and Marty Donham.

A buffet lunch was served by the the Adult II Sunday School department, with tables arranged in the

gymnasium of the Christian Life Center and decorated in anniversary theme. Members of the food committee were William Brown, Bessie McDonald and Oma Dean Horner.

During the afternoon the former pastors present each spoke briefly, as well as two Santa Anna natives who are in the ministry. They included Harry Wigger of Bentonville, Arkansas, who was pastor from 1949 to 1983; H. G. Verner of Lubbock, pastor in 1954 to 1955; and Raymond Jones of Sidney, pastor from 1960 to 1966. Lyle Pearce of Louisville, Kentucky was ordained in the ministry at the local church, as was Don Rutherford of Arlington.

Rev. S. R. Smith served as pastor the longest time, eight years. Others with long tenure are the late Hal C. Wingo and Raymond Jones, who were pastors serving six years and

five months each. The Rev. John Stanislaw, has served the second longest, with six and one-half years.

Other former pastors who were unable to attend were A. G. Purvis of Cross Plains, who served from 1955 to 1967; Maurice Smith of Atlanta, Georgia, pastor from 1958 to 1959; and Wright Price of Brownwood, pastor from 1973 to 1978.

Taking part in the afternoon program were children's choir groups directed by Ann Langford and Gail Loyd, and Ray Barnett, chairman of the deacons. gave the benediction.

Special guests included Rev. Moses Padilla and several members of the Cordero Baptist Mission in Santa Anna, the Mexican Mission sponsored by Santa Anna First Baptist Church.

Ms. Clifford displayed a copy of Texas History by Mrs. P.B. Pennybacker, used for many years in Texas schools, from 1876 to around 1916. Annie Webb Blanton was elected State Superintendent of schools in 1916, though women did not have the vote at that time.

Jane Gustavus told of Texas women in government. When the first constitution was adopted, women had a very low status, with no vote, no jury service, no right to start lawsuits, not accepted as a witness for wills, no right to become lawyers. A married woman could not buy or sell property, not even what she had inherited. The eminent lawgiver, Blackstone, ruled that husband and wife were one, and that one the husband. The Earliest effort to gain citizenship for women was in 1898, by Minnie Fisher Cunningham and Anna Webb Blanton, but with men only in the legislature, the effort was dismissed with scorn. Through the years, eminent women attempted to enfranchise all adults mentally capable, but not until February, 1918, was the preliminary idea signed by Governor W.P. Hobby. The next year, the Texas Legislature urged national suffrage for women, and it became law in 1920.

The amusing career of Miriam A Furguson was told. After the impeachment of her husband, Jim Ferguson, she was elected to the office of governor by the loyal followers of the impeached Jim, in 1924. Defeated in 1926, she ran again and again and was elected in 1933.

Not until 1954 were women allowed on jury service, and it was in the 1970's before women could own separate property. Barbara Jordan of Houston was the first Texas woman elected to the Congress, and Ann Richards first elected as State Treasurer.

Present for the meeting were Mmes. Hardy Blue, Fred Williams, C.D. Bruce, James Spillman, Earl Chapman, A.D. Donham and Frank McCary besides those previously mentioned.

Deborah Gibson Early Queen Nominee

Deborah Gibson, granddaughter of Mrs. Audrey Wright has been nominated as a homecoming queen nominee for the junior class at Early High School in Early. Deborah is the daughter of Bill and Clara (Wright) Gibson. Early's homecoming will be held October 18.

Booster Club To Have Caravan

The Booster Club is organizing a caravan to go to Irion County Friday afternoon. Anyone interested is invited to be at the old gym at 4:40 p.m. Friday. The Caravan will leave promptly at 5:00 p.m.

Coaches, players, and boosters are hoping for a good turn out for this game as it is very important. Irion County and Santa Anna are picked to be No. 1 and No. 2, respectively, in this district. All fans are encouraged to make plans to attend the game.

Upon arriving in Irion County, fans are asked to honk their horns so that the Mountaineers will know that their fans have arrived, and Irion County will know that they are being invaded by fans from Black Magic Country.

The pep rally will be held at 2:55 this week so that the team can leave for Irion County shortly after 3:00.

Boosters of the week are Terry and Orabeth McIver. They have two sons playing on the Mountaineer team: Kecece, a freshman, and Shelby Tuttle, a senior.

Last weeks booster of the week was Roberta Tomlinson, who has a son, Eddie, a sophomore, playing on the team.

Self-Culture Club Meets

The October meeting of the Self Culture Club was last Wednesday in the home of Earlene Scott, with Grace Short as co-hostess.

Refreshments were served as members arrived. The tea table had a hand embroidered cloth made by artists in the Virgin Islands, and the napkins were white with sprays of fall flowers. Varieties of breads and cookies were served with coffee and fruit punch.

Betty Henderson presided at the business session. The roll call was answered with a fact on Texas history, presenting a vignette of past events of the state. Mrs. Joe Barnes

brought out the vote of the United States government against admitting Texas as a state, and other amusing and unusual stories were told.

Mary Clifford gave a talk on Texas women in education, remarking that in early Texas, the boys and girls were sent to separate schools, and though women were teachers along with men, higher education for boys was more generally expected.

Baylor Female College was one of the first to provide an equal program for women, but as co-education became common, the social life of the people was changed.

WTC CHEERLEADERS— Leading cheers for the Western Texas College basketball teams this year will be these newly chosen cheerleaders. On the back row are LaRaye Bolden of Hamlin, Latrice King of Lubbock and Jacqi Johnson of Sweetwater. Miss Garrett is the daughter of Mr. and Mrs. W. D. They Came In Peace by Leona Bruce

Chapter 17 cont.
 The first doctor to live at Camp Colorado in Lula Harvey's memory was a Doctor Lane, and the Dr. Cochran, who moved on to Coleman after the town was started. Housing was no problem at Camp Colorado, as the many buildings of the post were still standing and fairly habitable.

The grist mill on the Jim Ned was the community meeting-place, where the men rode with corn and wheat to be ground for bread. The sawmill made green trees into lumber, rawhide lumber, which was tough and hard and soon shrank and curled, but was the only building material at hand except stone, and the rocks of some of the post houses were hauled away for this use.

The blacksmith shop which the soldiers had used was still a necessary part of community life; horses for riding and using for the rocky roads must be kept shod, now

and then a wagon wheel would break, plowpoints must be sharpened. The blacksmith was a man named Potter, remembered by Mrs. Harvey and by the late John Elkins. Mrs. Potter's father ran the flour mill on the creek, and when his wife died her little girl, Janie Viets, came to live with the Potters. The pretty little black-haired girl went to school while still rather young, no more than six, and through the years the sweetness of the pretty curly-haired child has not been forgotten.

Mountaineers Win Fight, 31-16

Pep Rally Friday at 2:55 p.m.

The Mountaineers gained a hard-fought 31-16 win over the Edén Bulldogs Friday night to set the stage for this Friday's clash with Irion County. Irion County shares the top spot in District 8-A West with the Mounties, at least until they host Santa Anna for a 7:30 p.m. kickoff.

Edén gave Irion County a scare only a week ago and provided the Mounties with a closer game than the score indicates. For Edén, it was a case of too little, too late.

The Mountaineer defense turned in another great performance as they pressured the Bulldogs into mistakes that let the offensive unit strike for paydirt. The defense set up the first TD when Craig Duquette swiped a pass at the Bulldog 27. Four plays later, Russell Williams hit

Johnny Herrod with a 27 yard dart for the score. After Bebe Vasquez booted the PAT, the Mountaineers were in front to stay, 7-0 with 9:12 remaining in the first quarter.

At the 6:25 mark, a Mountie drive stalled and Vasquez was called on to kick a 40 yard field goal to up the score to 10-0. Before the quarter was out, Vasquez capped off a 6 play, 62 yard drive by punching in a three yard TD. The Vasquez PAT with 1:59 remaining boosted the score to 17-0.

Curtis Puckett jumped on an Edén fumble in the end zone at the 5:29 mark of the second quarter to stretch Santa Anna's lead even further. With the Vasquez PAT, the score inched up to 24-0.

Edén came storming back with an

eight play, 65 yard drive of their own to become the first team this year to score on the Mounties in the first half. Toby Tomlinson got the call from one yard out. Todd Sanford passed to Stacy Dillard for the two point conversion. With 3:30 left in the half, the score stood at 24-8.

Duquette pounced on an Edén fumbled punt on the Santa Anna 42 yard line. From there, the Mounties cranked up a three play, 58 yard drive with Vasquez breaking for a 48 yard TD scamper. With 3:38 left in the third quarter, Santa Anna owned an imposing 31-8 lead.

The Bulldogs put together an eight play, 60 yard march of their own that highlighted the clutch passing of Senior Quarterback Todd Sanford. Sanford hit his tight end, 175 pound

sophomore Clayton Taylor, with a 23 yard strike. He followed this with a 17 yarder to Ray Torres out of the backfield. Sanford then bolted the final 27 yards for the TD. Sanford ran in the two point PAT to close out the scoring.

All West Texas linebacker Shelby Tuttle lead the Mounties with 15 tackles and nine assists, followed by Craig Duquette's 5 tackles and five assists. Duquette also intercepted two passes and recovered a fumble. Shawn Harper, a 166 pound senior guard, also hopped on an Edén fumble.

According to Head Coach Galen Privitt, this Friday's game at Irion County will be the toughest task that the Mountaineers will have faced the season.

Jr. Mounties Defeated by Jr. Bulldogs

The Santa Anna Junior Mountaineers were defeated by a very fine Edén team last Thursday. The Edén Junior Bulldogs won the game 22-0 but they might have scored several more times except for the outstanding defensive effort by the Junior Mounties.

Edén took the opening kick-off and drove 60 yards for their first touchdown. Santa Anna was unable to move the ball against the larger Edén team. Hard hitting defense by Santa Anna caused Edén to fumble three times. The first half ended 8-0 in favor of Edén.

In the third quarter, Edén scored

twice more to take a lead of 22-0. For the remainder of the game, both teams played about even. Santa Anna seemed to improve in the second half. They caused Edén to fumble the ball twice more.

Scotty Anderson lead the Mountaineers defensively with 13 unassisted tackles, one fumble recovery, and was involved in several other tackles. Alonzo Hernandez, Ken Brixey, Luis Padillo and George Siller also played well defensively.

The Junior Mountaineers will take on a team from Brownwood this Thursday in Santa Anna at 5:30.

Bundle UP Your Home Today

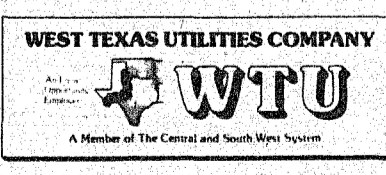

And Help Keep Energy Bills DOWN This Winter.

Upgrade Your Insulation.
Insulation comes in rolls, loose fill or batts. The "Resistance-value" or "R-value," indicates the ability of a material to keep heat from passing through it. The higher the "R-value" the more heat the insulation will keep inside in the winter and outside in the summer. WTU recommends R-30 insulation in the ceiling and R-16 in the walls.

Keep Weatherstripping & Caulking in Good Condition.
Seal cracks around doors, windows, pipes and wiring to help you save on both heating and cooling costs. Polyurethane or similar caulking, plus felt or foam-rubber products, come in an easy-to-install form at most hardware stores and will help you draft-proof your home.

Call Your Heating Serviceman.
Have your heating unit checked NOW by a qualified specialist to put it into top operating condition. Not only will you minimize the possibility of a costly and uncomfortable breakdown in the middle of winter, you will also help keep down home operating costs.

Remember REDDY Supplies the energy— but only YOU can use it wisely!
