## Britain Will Begin Labor Draft Soon

**Government Also Assumes Power To Seize Capital**

LONDON, Jan. 21 (AP)—Labor Minister Ernest Bevin informed the house of commons today that the government has decided to register Britain's working men and women for drafting into war factories.

Bevin reported steadily increasing production, despite air raids, but added that the country had "now reached a stage when it will be necessary to take industrial registration by age groups."

He said the registration was to "make a list of those who should be called upon to serve the state in the national industry."

The government risked a political storm from the left wing by its decision to draft labor, but observers predicted there would be little formal opposition.

Bevin's announcement launched a full-dress debate on manpower. Conservative Earl Winterton immediately applauded the decision.

Labourite Emanuel Shinwell complained that drafting of labor should not be ordered until the government had drafted "wealth, property and land in the national effort."

The power to draft men and women from other occupations or from unemployment into war industries was granted by parliament in the drastic emergency powers act of last May 22.

The act also gave the government the power to draft capital, but Bevin made no mention of this in his announcement to parliament.

In the coming months, the labor minister said, there "will be heavy demands for manpower and woman power for services, for munitions work and for civil defense."

## Dropping Off Frozen Mast One By One, 18 Fishing Boat Crewmen Die In Sea

BOSTON, Jan. 21 (AP)—Eighteen men drowned today, almost within sight of their homes, as the Boston schooner May E. O'Hara, homeward bound from a week on the fishing banks, was split open in a collision as it approached Boston harbor, and sank.

Five half-frozen survivors who were dragged to safety from the protruding main mast of the sunken schooner by the crew of the trawler North Star told their rescuers that the O'Hara apparently had struck a barge and that the remainder of the crew of 23 had fallen from the rigging, one by one, as their hands froze.

Brought ashore with their hands and feet frozen, half dead from drenching and exposure, the men said their schooner had sunk so fast there was no time to launch a dory, and that they had fled into the upper portions of the rigging to cling there for three hours, in the early morning darkness, from 3 a. m. until 6.

The faint cries of the survivors were heard by members of the crew of the North Star as they passed Finn's Ledge, on the outer fringe of Boston harbor, a dozen miles from the city.

Three times earlier, during those tragic hours, other craft approached the men clinging to the ice-sheeted rigging—and the men cried for help—only to see the vessels pass and their lights fade in the gloom.

Captain Lars Lunde of the North Star said the five told him that they had been able to attract the attention of one of three other craft, many more of the crew might have been saved.

The survivors said that the O'Hara, laden with its fare of fish and still further lashed down with heavy sheathing of ice in the 12-degree temperature, sank within five minutes as the crew—unable to launch the heavily leeked dories—struggled desperately to run their vessel aground.

Captain Lunde found five feet of the foremast and 12 feet of the mainmast of the O'Hara above the water near Finn's Ledge and guided the bow of his beam trawler so close that he was able to remove four of those clinging to the rigging.

The fifth, Cecil Crowell of Shelburne county, Nova Scotia, was helpless and unable to move from his perch, as a dory was put overboard and three members of the North Star's crew rescued him.

## Diplomat Has No Predictions Of War Course

**Former Ambassador Says He Does Not Know British Aims**

WASHINGTON, Jan. 21 (AP)—Joseph P. Kennedy, retiring ambassador to Great Britain, declared today that Britain's leadership was divided over the question of the advisability of the United States becoming an active participant in the war.

Testifying before the house foreign affairs committee, Kennedy said, in response to questions, that some members of the British government felt that if the United States entered the war it would "find a way to carry it through."

Others, he said, believed that United States entrance into the war would be a great detriment to Britain's war effort because it would slow down the flow of material from America.

"There was no unanimity on the question," he said. Kennedy appeared before the committee to testify on the administration's proposal for lease-lend aid to the British. In a radio address last week he expressed favor for the principle of giving the British all aid short of war but made it clear he was not wholly in accord with the method put forward by President Roosevelt.

Questioned as to whether he believed a "crisis" would develop in the next 60 or 90 days, as administrative spokesmen told the committee last week, Kennedy said he did not know exactly what was meant and that there were many things in the military situation which he did not understand.

"I have never understood, for instance, why the German army permitted a British army of 300,000 to escape from Dunkerque," he said.

If the German air force was as strong as they claimed, he continued, he thought they had a perfect chance to annihilate that British force.

The diplomat said also he could not understand why the Germans had not wrought greater destruction in Britain's industrial centers.

"If they have the strength to capture the air," he said, "the crisis might come any day. So far, they haven't indicated they have that strength."

## Folks All Gather For Big Party At Austin

AUSTIN, Jan. 21 (AP)—Folks came from miles around today to get a close-up view of flour salesman W. Lee O'Daniel's inauguration for a second term as governor.

The formal induction ceremonies in front of the capitol, a monster free barbecue on the lawn of the governor's mansion, a downtown parade, street dancing and a glittering night reception and ball were the main attractions.

The swearing-in ceremonies were scheduled, as usual, for noon. The barbecue handiers promised to have the meat and "trimmin'" ready for all comers immediately on conclusion of the formal exercises. They were confident they could serve 800 persons a minute.

When radio philosopher O'Daniel came to the capital two years ago to take the oath of office, the unusual feature was that the ceremonies were held in the University of Texas football stadium. This time, it was the biggest barbecue in a state accustomed to big barbecues.

## O'Daniel Takes Oath Again

### Final British Push Against Tobruk Starts

CAIRO, Egypt, Jan. 21 (AP)—British forces surrounding beleaguered Tobruk launched a major assault on the 30,000 Italian defenders of the Libyan stronghold today after the RAF had prepared the way with a series of night raids.

"Early this morning an attack was launched on Tobruk and the operations are proceeding satisfactorily," the British middle east command announced.

Tobruk, 80 miles inside Libya, has been under siege by land, sea and air since the British captured Bardia, 10 miles from the Egyptian frontier, on Jan. 5.

The RAF announced Tobruk was attacked heavily, seven planes were destroyed in an attack on Catania, Sicilian base of axis fliers raiding British Mediterranean shipping, and Valona was made the target of the heaviest assault yet loosed on that major Italian port of entry into southern Albania.

The RAF said direct hits were registered on Tobruk marine repair shops and military barracks. One artillery battery of four guns was silenced, the communicate said, and "many bombs" fell on a camp of about 200 tents.

In an attack Monday night on Catania, the British reported that two of the seven axis planes destroyed on the ground were large twin-engine bombers which burst into flames.

### Governor Promises Texans Will Bravely Defend Ancient Rights

AUSTIN, Jan. 21 (AP)—Before thousands massed in front of the capitol, Governor W. Lee O'Daniel today was inaugurated for a second term.

With his hand on an ancient bible, O'Daniel repeated the official oath after James P. Alexander, chief justice of the state supreme court.

A 19-gun salute by a battery of national guardsmen boomed and nine planes of the same military organization roared overhead.

The Texas Aggie 100-piece band played the governor's own famous composition, "Beautiful Texas," while a huge party of state officials stood on the bunting-draped platform.

A short time previously Coke Stevenson of Junction was also inaugurated for a second term as lieutenant governor.

The governor spoke the words of the oath in firm tone, with head erect and eyes straight ahead, looking out over a broad vista of green capitol grounds, studded with historical statues.

The crowd numbered possibly 10,000, compared with the 50,000 which witnessed his first inauguration in the football stadium of the University of Texas two years ago.

### Lions Stage Grid Dinner This Evening

The "major league" banquet scheduled his full stride this evening at 7:30 p. m. when the Lions club stages its second annual football banquet.

Jake Douglass, in charge of ticket sales, estimated that around 225 would be present for the affair to hear Dana Bible, University of Texas football coach, speak.

Bible, famed for many years as coach at Texas A. & M. college and later at Nebraska, won everlasting glory last season when he out-foxed the high and mighty Aggies to give his Texas Longhorns a 7-0 upset victory.

Coach Pat Murphy, members of his staff, and the football squad will be special guests at the banquet. Members of the team will be presented with gold footballs, emblematic of the district 3-AA championship. Murphy and Bible will make the presentation.

Schley Riley, directing the program, said that after the regular program, there would be a 15 minute recess before Bible projects motion pictures of the Texas-Aggie game. "This recess is to permit all Aggies to leave," he said.

Burke Summers, president of the Lions club, will preside. Wanda McQuain and Maurine Rowe, accompanied by Mrs. Jack Wallace, will be heard in a vocal duet. Supt. W. C. Blankenship will speak briefly before Curtis Driver introduces Bible.

A few tickets for the banquet are still available, Douglass said today at noon.

### Report British Citizens Told To Leave Japan

TOKYO, Jan. 21 (AP)—The British consul at Yokohama was reported today to have sent letters advising some British citizens in his district to leave Japan "before the impending crisis in American-Japanese relations comes to a head."

Letters were said to have been sent to a selected list of 30 British—presumably those with substantial property holdings.

British at Tokyo, Kobe, and other cities in Japan were said not to have received any such letters.

Those at Yokohama were reported to have been advised to depart by "the regular shipping routes," if they had no "important reason for remaining in Japan."

LONDON, Jan. 21 (AP)—Tokyo reports that the British consulate there had advised British subjects to leave Japan "before the impending crisis in American-Japanese relations comes to a head" were denied today as "quite untrue" by authoritative British sources. They refused to comment further.

Incidentally a few miles from Providence, R. I., where two more bombers were intercepted by three pursuit ships from New London, Conn., as the "invaders" flew in from Narragansett Bay.

Almost at the same time, spotters reported a flight of bombers flying high in the vicinity of the Massachusetts shoe manufacturing city of Brockton.

## US 'Invaders' Stopped Quick

NEW YORK, Jan. 21 (AP)—Two "invading enemy" bombers roared in from the sea today off Bellport, Long Island, where they were spotted by volunteer observers of the air defense command, and were intercepted a few minutes later by fighter planes over Fort Jefferson.

In making the interception about 17 miles from Bellport, the fighter planes, which took off from Suffolk flying field near the center of Long Island, successfully completed their mission in the first test of the four-day experimental exercises of the air defense command.

### British Raid Axis Air Base

CAIRO, Egypt, Jan. 21 (AP)—RAF headquarters announced today that seven axis planes were destroyed Monday night in a new British raid on the airbase at Catania, Sicily, believed to be the base for German dive bombers which recently have entered the Mediterranean warfare.

### Weather Forecast

WEST TEXAS—Increasing cloudiness tonight; Wednesday partly cloudy; snow squalls over southwest portion tonight and over north portion tonight and Wednesday; considerably colder tonight over north and southwest portions and over south portion Wednesday.

EAST TEXAS—Occasional rains, colder in extreme northwest portion tonight; Wednesday cloudy and colder, occasional rains in east and south portions. Moderate to fresh southwest winds on the coast, shifting to northerly Wednesday afternoon or night.

## Sailors Die In Open Lifeboat

AN EASTERN CANADIAN PORT, Jan. 21 (AP)—Twelve sailors died—some in agony and in madness, some quietly in sleep—but four lived to tell here today of 15 days of trouble from thirst and exposure in an open lifeboat adrift in the frigid North Atlantic.

An Italian submarine, which "just popped up alongside us," torpedoed and sank the 5162-ton British freighter Carlton 500 miles off Ireland Dec. 20, the emancipated survivors related.

The crew of 24 to put to sea in two lifeboats. One, with 18 aboard, still is missing. A British merchantman found the other and brought its handful of survivors to a hospital here last night. They had subsisted on meager supplies of water and biscuits.

Representative Fish (R-N.Y.) asked Kennedy whether he knew the war aim of the British.

## Miss 'Laneous Notes

By MARY WHALEY

The other night we saw the early spring showing of what the women are going to have to put on their heads this Easter and it left us shuddering.

There were cornucopia shaped bonnets, Charlie Chaplin derbies, and vells and frou-frou. A few of them were becoming and all of them were slightly daft.

Of course we know, world conditions being as they are, that milliners just can't give their whole attention to planning new hat styles. And world conditions being as they are, most of us women feel rather understanding about it all. But, gentlemen, or whoever did it, those hats!

The first few that were shown held the audience spellbound or speechless, whichever word you like the best, and then the next brought a few titters from here and there. But the last group was greeted with plain old horse-laughs.

We snickered too, but then got to wondering just how we would look. High-tailing it for work on a dusty spring morning with the wind whistling down the street. We got a mental picture of the veils and flowers being blown off our head or sticking straight out behind us in the breeze.

Truly, the hat designers do not try to protect the working woman.

Mrs. Bob Satterwhite was present as a new member and high score went to Mrs. Cecil Weaver. Mrs. Merle Van Vlack binged.

Yellow mums and fern centered the dinner table and others playing were Mrs. H. L. Davis, Mrs. Cecil McDonald, Mrs. Leonard Hillon, Mrs. Des Davis.

Mrs. Hillon is to be next hostess.

## FDR's Mother Enjoys Third Inaugural

WASHINGTON, Jan. 21 (AP)—Mrs. Sara Delano Roosevelt, who in a long life has learned to take things as they come, appeared serene and proud and quite unchanged today as her son began his third term as president.

Perhaps she moved a bit more slowly than she did in 1933, when Franklin D. Roosevelt first took the presidential oath. Perhaps she relied a little more on her polished coat as she passed from room to room in the White House. But she'd had a grand time throughout the inaugural weekend, and here was an honor that had come to no other American mother. She is 86.

From the moment the mistress of Hyde Park stepped off a train Sunday afternoon, the inaugural crowds demonstrated their affection for her. Spontaneous applause rippled wherever she appeared. Clothes-conscious women lavished praise upon her attire.

For the gala concert, she wore a handsome black velvet gown. Her hair was waved and piled high in dowager style.

In the thin winter sunshine at yesterday's inaugural ceremony, she snuggled in a black caecol coat with a big silver fox collar. Her hat was a smart black turban.

And as she rode to church before the presidential party drove to the capitol, she fondled a huge, old-fashioned bouquet, the same kind as her daughter-in-law, Eleanor, carried.

The president's mother was a center of attention on the inaugural platform before Mr. Roosevelt emerged from the capitol to renew his solemn oath. Cabinet members and their wives came up to pay their respects. Diplomats in gold braid and plumed hats chatted easily with her.

## Eloise Carroll Is Given Party On Her 5th Birthday

Eloise Carroll was honored on her fifth birthday anniversary Monday with a party given by the pupils of the Farrar school. Red paper hearts decorated the room and favors were heart-shaped red baskets holding Valentine candy.

Cake was served with Dixie cups and the birthday cake was white with five red candles. Games were played and birthday wishes made.

Others present were Beverly Dean Miller, Mary Jane Rowe, Bobby Bottomley, Betty Ann Walters, Martha Jean Nell, Don and Sylvia Brigham, Josephine Davis, Gilbert MUI, Bobby Utley, Billy Mancil, Sammy Tucker, Sandra Swartz, Tommy Tate.

Freddie Sue Inscore, Eddie Murphy, Diane Axtell, Roxann Brennan, George Albert McGann, Patsy Maddux.

Jimmy Hicks sent a gift.

## Pull the Trigger on Lazy Bowels, and Comfort Stomach, too

When constipation brings on acid indigestion, stomach upset, bloating, dizziness, gas-coated tongue, sour taste and bad breath, your stomach is probably "crying the blues" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin to save your touchy stomach from further distress. For years, many doctors have used Laxative-Senna as a vehicle, or carriers to make other medicines agreeable to your stomach. So be sure your laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin. See how wonderfully the Laxative-Senna wakes up lazy bowels and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant laxative. Buy Dr. Caldwell's Laxative-Senna at your druggist today. Try one laxative that comforts your stomach, too.

# Colds Have Launched A "BLITZKRIEG"!!

## Watch Out For Your Family!

NOW with epidemic colds spreading their misery—be careful, be as careful as you can. Do everything possible to help safeguard your family against the "blitzkrieg". There are certain time-tested precautions you can take that may save you and yours a great deal of sickness, worry and expense.

### Use These Two Time-Tested Treatments Whenever Needed

#### To Help Prevent Many Colds from Developing

At the first sniffle, sneeze or sign of nasal irritation—put a few drops of Vicks Va-tro-nol up each nostril right away. This helps to prevent many colds from developing. Because Va-tro-nol is expressly designed to help your natural defenses against colds in the nose and upper throat where most colds start.

**NOTE:** If by chance you have a head cold, a few drops of Vicks Va-tro-nol up both sides of the nose should quickly relieve misery. It helps soothe irritation, shrink swollen membranes and clear out mucus-clogged nasal passages. As a result it makes breathing freer and easier and brings you comfort.

**TIME-TESTED VICKS VA-TRO-NOL**

#### To Quickly Relieve Miseries of Developed Colds

When a cold gets by all precautions and causes muscular soreness or tightness, spells of coughing or irritation in the upper bronchial tubes, relieve such misery the improved Vicks way—with a 3-minute VapoRub Massage.

Massage VapoRub for 3 minutes on IMPORTANT RIB-AREA OF BACK as well as throat and chest. Spread a thick layer over chest and cover up. This more thorough treatment actually increases the important STIMULATING-POLITICE action and PENETRATING-VAPOR action of VapoRub. And makes this famous old family standby work faster and longer to relieve distress of colds.

**TIME-TESTED VICKS VAPORUB**

REMEMBER THIS... Both Va-tro-nol and VapoRub have been thoroughly tested through years of constant use in millions of homes. If the miserable symptoms of the cold are not relieved promptly—or if more serious trouble seems to threaten—call in your family physician right away.

# Even Matches Mark First Round Of Gloves Tourney

## J. W. Coates Takes Light-Heavy Title

Big Spring's district Golden Gloves eliminations went on the boards last night in a series of scraps that had most of the battlers evenly matched, with the possible exception of one bout.

One district championship was decided during the evening, when J. W. Coates, Big Spring, outpointed Manuel Cruz, Marfa, and won the light-heavyweight berth on the district's boxing team that will go to Fort Worth for the state meet in February.

Coates, a newcomer to amateur boxing ranks, carried the fight to stout-hearted Cruz throughout the bout and had the Marfa boy groggy at the final bell. The new district titleholder showed a brand of slugging that should carry him far in upper-bracket circles.

## Frnka Likely To Get Tulsa Coaching Job

TULSA, Okla., Jan. 21 (AP)—Henry Frnka, the Texan now at Temple, was considered the leading candidate today for head football coach at Tulsa University, which won a title and ousted a mentor last season.

While some reports went so far as to assert that the university and Frnka had come to terms, officials of the school's athletic committee declared "no contract has been signed."

Frnka, whose work with the Greenville (Tex.) high school brought him into coaching prominence and to the attention of Ray Morrison, head coach at Temple University, was in town but he dismissed questions with a smiling "nothing to say."

Members of the athletic committee said that the Temple backfield coach was invited here to discuss the job which Chet Benefiel vacated under pressure at the end of the season after his Golden Hurricane had annexed the Missouri Valley conference championship.

While more than 50 coaches had applied for the job, the field was reported to have been narrowed sharply during the past week.

University officials have conferred with Spot Drew, end coach at Alabama, Dixie Howell of Arizona State Teachers college, and Pete Cawthon of Lubbock, who recently resigned as head coach at Texas Tech.

"Frnka had lunch with some school officials yesterday and will meet more of them today," one athletic committee member said. "It could be that he won't even be given the job."

It was strongly indicated, however, that a new coach would be named officially by Saturday.

Frnka, who played at Austin College of Texas under Cawthon, has been an assistant to Morrison for the past five seasons, the first four of them at Vanderbilt.

At Philadelphia, graduate manager of athletics Earl R. Yoemans of Temple said that while Frnka "has served only one year of a five-year contract with us" that "if he gets a chance to be a head coach, we will not stand in his way."

Lightweight—Pilar Yanez, Big Spring, took the nod from Ben Daney, Midland; Domingo Agular, Marfa, won by a technical knockout over Walter Dorman, Midland; Charlie Watson, Colorado City, won off Pilar Yanez, Big Spring, on a technical knockout.

Welterweight—Sonny Peach, Big Spring, beat Daniel Blackwell, Foran, by a technical knockout; James Paul Cooper, Colorado City, won over Theo Willis, Foran.

Flyweight—Billy Jackson, Big Spring, outboxed Willfred Yanez, Big Spring.

Light heavy—J. W. Coates, Big Spring, slugged Manuel Cruz, Marfa, into submission in three rounds.

Just Another Ferdinand. A foursome of fair Shawnee, Okla., golfers were trudging over the course when a bossy brother appeared smack in the middle of the fairway. . . . A sharp reversal of rules was in order. . . . Instead of keeping their heads down and their eyes on the ball, the girls kept their heads up and their eyes on the bull. . . . "Fore" cried one. . . . "Sukey" shouted another. . . . "Scat," ordered a third. . . . But apparently by the ball was just another Ferdinand, for it paid them no mind, but kept right on sniffing the

flowers along the edge of the fairway.

Students at North Dakota State have organized a "No third term for Cincinnati—we want the Brooklyn Dodgers club, Inc." With membership cards, a woman's auxiliary and everything. . . . The excitement was so great, Coach Ray Hanson fainted on the bench as his Western Illinois State Teachers quint rallied in the last minute to beat Iowa State Teachers, 52-50. . . . On their visit to Omaha, every man on the West Texas State cage team was initiated into the Nebraska Star Dusters club, membership in which is limited to those over six feet, four.

Feller came in by airplane early this morning and expected to return to his Van Meter, Ia., home after this afternoon's dotted line formalities.

Coach John Daniels of the Steers has given his lads an outside chance of taking the heavy end of the score from Coach Harry Taylor's hustling Bobcats. The boys from the Concho river bottoms have been sparkplugged by their stellar courtman, Bobby Lonon, and tonight is slated to be no exception so far as he is concerned.

Main bulwark and scoring threat on the Big Spring roster in the last two engagements is James Fallon, ball-shooting forward. Guardsman Horace Bostick is another lad who has carried the Herd's colors to good advantage in previous shows.

Ted L. Jefferies, president of the association, announced here last night the school would be held at Rice Institute Aug. 4 to 9.

It will be the ninth annual clinic and Clark Shaugnessy, coach of the Stanford Rose Bowl champions, and Jess Neely of Rice will be co-instructors. Frank Leahy, whose Boston College team won the Sugar Bowl title will tutor line play.

The school, which attracts from 300 to 500 coaches each year and is known as the nation's largest football clinic, was inaugurated at San Antonio in 1933. It was held there again in 1934, then went to Dallas in 1935, Fort Worth in 1936, Waco in 1937, Lubbock in 1938, Houston in 1939 and Austin in 1940.

The largest crowd ever to see an all-star game—an annual feature of the school—was in Houston in 1939. This coupled with the well-arranged athletic plant with regard to the school's needs, were major points in sending the clinic to Houston this year.

Johnny Paychek Quits Fighting

CHICAGO, Jan. 21 (AP)—Johnny Paychek of Des Moines, one of many heavyweights to feel the full power of Joe Louis' fist, announced today that he was through with the ring.

This statement came after Paychek's easy comeback following his match with Louis in New York last March. Louis knocked him out in the second round.

Two ragged-tempered polar bears, yearning for a cold wet feeling, jumped up and down trying to break through the ice of their Cheyenne mountain zoo pool. They couldn't.

Editorial—

Birthday Balls Will Continue To Show Results

The people who dance on the president's birthday, to help finance the campaign against infantile paralysis, should be pleased to get word of a report from the National Foundation which shows where and for what causes its money is going. Another opportunity for contribution comes this month, when another nationwide birthday celebration is planned.

The National Foundation has allotted its money and a broad judicial basis. Appropriations have been made for virus research, the money going to major schools of medicine, hospitals, laboratories, etc. Other money has been granted specifically for nutritional research, for research for the prevention and treatment of after-effects, for education, and for public health.

Washington Daybook—

Senator Harrison Will Keep Unity In Ranks

WASHINGTON—Political observers see in the election of Sen. Pat Harrison, of Mississippi, as president pro tem of the senate another definite step in the preservation of unity in democratic ranks.

Less serious probes into things behind the news see it merely as Senator Harrison's coming to his own, after nine years in the house of representatives, 21 years in the senate . . . and 30 years of being one of the most consistently popular men on capitol hill.

The two observations fall into a pattern. The senator's acid tongue has for many years made him one of the most feared adversaries in debate. In other days, when the democrats were in the minority, he was the "democratic gadfly" sailing about the senate and stinging the republicans on every issue that came up.

Man About Manhattan—

File Of Letters Substitutes For Diary

By GEORGE TUCKER NEW YORK—I have spent an interesting morning sorting and classifying several hundred letters from people whose careers I have admired.

Some of these letters are six or seven years old, and a few bear a 1941 date, and all have been accumulated at the whim of the postman over a period of years and tossed into whatever box drawer or coat pocket that seemed convenient.

Sorting them is a task I have needed to perform for a long while—for when I need to spell the name of Stephen Vincent Benet's youngest daughter, or refer to the description of a Connecticut farm house that Phil Slong has written the about, I have to ransack the house and tear boxes apart and bring ruin to my quarters, and often without avail.

Hollywood Sights and Sounds—

Hays Office Ranks Bull Above Rathbone

By ROBBIN COONS HOLLYWOOD—Movie history will be made in 1941. Cecil B. DeMille, to supervise underwater scenes in "Reap the Wild Wind," will don a diving helmet and submerge—marking the first time he has been frankly over his head.

Basil Rathbone now knows where he stands with the Hays office production code. Tyrone Power in "The Mark of Zorro" was permitted to run his sword through the Rathbone heart (for one of the "shock" scenes of 1940) but Tyrone Power in "Blood and Sand" cannot be shown stabbing any bulls.

Irving Rapper, the dialogue director making "Winged Victory" as his first picture, is happy about it even though his setup hasn't all the elements one promised him by a Russian agent whom he met in London.

New Financial Code Asked By Legislator

In the hopper of the 47th legislature today is a bill—style "The Fiscal Code of 1941"—for executive reforms in budgetary and financial procedures in the state government.

The widely discussed and eagerly awaited measure bears the signature of a new member, Rep. Joe C. Humphrey of Abilene, which is the headquarters city of the West Texas chamber of commerce.

As explained by Humphrey, this system provides for: 1. The coordination of executive management and responsibility through a governor's cabinet, and through an executive budget administered by a new department of finance and control.

**Senate May Oppose Special Licenses**  
AUSTIN, Jan. 21. (AP) — In the bosom of the senate internal improvements committee today rested a grave problem.  
The question before it was should it approve a resolution asking the highway department to stop designating the private automobile license plates of state officials with an "S.O." prefix.  
The author of the resolution was Senator Weaver Moore of Houston who opined:  
"I see no reason why any member of the legislature should have a special designation of the license plate of his private car. That's just my personal opinion."

ny," said Polly. She slipped her hand into David's. "You'll feel better when you've had a nice cool drink from the spring." She laughed. "Wouldn't it be exciting, she went on, "if drinking water from the spring did magic things to us?"

"And to our pocketbooks," said David.

"That's right," said Polly; "take all the joy out of life!"

"Sorry, honey— Only if the spring could do something to our pocketbooks, there'd be more joy in life—for us, anyway."

They were now climbing the hill back of the Inn; the hill out of the side of which the mineral spring gushed forth, sending an inexhaustible supply of crystal-clear water down into the valley.

David turned and stood looking down upon the roof of the Inn which sprawled out below them.

"Poor Uncle Fred," he said. "First he had to leave the place half finished while he and Aunt Julia raised more money; then just after he got it open for business, and people were beginning to arrive, along came the depression. Just one piece of hard luck after another."

To be continued.

**Dawson Acreage Allotment Shows Only Small Change**  
LAMESA, Jan. 21 (Sp) — Total ginnings in Dawson county to January 15 was 24,500 bales. It is estimated now that the total for the county will be slightly above 25,000 bales.

The gins of Dawson county are running only on set days now. The freeze early in the season was estimated to have done damage amounting to 5,000 bales.

**Liquor Revenue In Texas Gains**  
AUSTIN, Jan. 21. (AP) — An increase of more than half-a-million dollars in Texas revenue from liquor during 1940 over that of 1939 was reported by Liquor Administrator Bert Ford today.

Ford said revenues jumped a total of \$566,221, adding that collections since organization of the state liquor control board in 1935 were \$34,137,425 while expenditures amounted to \$4,100,784.

The revenues provided \$22,460,777 for old age pensions, \$6,453,613 for the available school fund and \$383,001 for the deficit-ridden general revenue fund.

## Internal Rift In Iron Guard Thought Cause

SOFIA, Bulgaria, Jan. 21 (AP)—Widespread disorders in Rumania, with street fighting and bombings injuring civilians, German soldiers and communists in the streets of Bucharest and other cities, were reported in diplomatic dispatches today to Sofia, Belgrade and Budapest.

Some sources in the other Balkan capitals attributed the Rumanian outbreaks to bitter rivalry between extremist and more conservative elements in Rumania's Iron Guard.

Others suggested that increasing resentment in many quarters over German military concentrations in Rumania and against the regime of Premier Ion Antonescu might have flared into a free-for-all with Nazi troops trying to restore order.

There were reports too, the disorders might be part of an intended coup by leftists, followers of former King Carol, or others trying to wrest power from the German army and the pro-German Iron Guard.

Reports of the disorders were believed here to be supported by the reported withdrawal yesterday of German forces stationed in the vicinity of Giurgiu, Rumania, just across the Danube river from the Bulgarian town of Ruse.

It was reported here that they had been rushed to Bucharest and other Rumanian cities where disorders were developing.

Diplomatic advices reaching Belgrade said that the regular Rumanian broadcast from a Bucharest station was interrupted suddenly by a speaker who declared General Antonescu's policies and accused him of handing over Rumania to the Germans.

Both Belgrade and Budapest reported receiving word of heavy casualties in clashes of Iron Guard groups and in fighting between German troops and pro-German guards on one side and Antonescu supporters on the other.

Rumania's frontier with Yugoslavia and Bulgaria was closed to all except a few travelers with diplomatic passports.

Contingents of the German army were reported continuing to enter Rumania over Hungarian railways.

The official German news agency reported today in a dispatch to Berlin from Bucharest that Gen. George Petroviciescu had resigned as Rumanian minister of the interior and would be succeeded by Gen. Demeter Popesco, military commander of Bucharest.

There was no indication whether this change was linked with the reported Bucharest outbreaks.

The agency confirmed a report reaching Yugoslavia yesterday that a major of the German general staff had been shot to death at the door of a Bucharest hotel, and said the Rumanian government had started an investigation and ordered that sternest measures be taken.

## State Alien Law Is Invalidated

WASHINGTON, Jan. 21 (AP)—The supreme court held Monday that the 1940 federal law requiring registration of aliens invalidated a 1939 Pennsylvania alien registration statute.

Justice Black delivered the opinion, which upheld justice department contentions that the regulation of alien registration "is exclusively the concern of the federal government."

Justice Stone wrote a dissenting opinion in which Chief Justice Hughes and Justice McReynolds concurred.

## Youth Emphasis Week Observed By Brotherhood

Youth Emphasis week, being observed by the E. Fourth Baptist church under the direction of Marie Sadtler of San Angelo, was recognized at the Brotherhood meeting of the church Monday evening.

More than 50 young people were guests at the meeting and 151 were in attendance.

Music for the occasion was furnished by a string band under the leadership of Hollis Shirley. The church "Barbershop Quartet," members of which are Hollis Lloyd, Emory Rainey, Gordon Rimmer, and Bernard Reeves, sang negro spirituals. The church trio, made up of Orena Hughes and Mr. Fielder and Mr. Loughry, contributed several numbers to the program. Vivian Kainard played his own accompaniment to several numbers on the harmonica.

The Brotherhood was addressed by W. R. Puckett on individual soul-winning. The main speaker of the evening was Judge Cecil Collings who also spoke on personal soul-winning. Judge Collings expressed the necessity of personal such effort on the part of all Christian people. He suggested that individual spiritual weakness might prove retroactive in contributing to our own downfall as a nation, and that individual and personal moral stamina is a safe guarantee to national strength. The meeting was presided over by President Gordon Rimmer.

## Gayda Asserts Axis Leaders Discussed US

ROME, Jan. 21 (AP)—Virginio Gayda indicated today that United States activity—"the sharpening of warlike trends across the ocean"—figured prominently in the meeting between Adolf Hitler and Benito Mussolini.

The authoritative editor of Il Giornale d'Italia outlined these five "well-defined phases" of the war situation which he said called for the meeting:

1. Intensification of German air attacks on Britain;
2. Intensification of the axis counter-blockade in the Atlantic;
3. Critical developments in the Mediterranean;
4. The sharpening of warlike trends across the ocean, which do not pass without reactions from the whole political and military system of the war;
5. Vast international accords of the axis.

## Guy M. Baker Dies In Dallas

Guy M. (Shorty) Baker, 36, resident here for 10 years, succumbed in the Methodist hospital at Dallas at 1:20 a. m. Tuesday, according to word received here.

He had entered the hospital for a delicate head surgery but succumbed before the operation. It was reported, Baker was a chef at the Settles hotel.

Surviving are his wife, his parents, three sisters and three brothers, including Sam Baker, Big Spring. Others live in and near Dallas. Relatives here include Mrs. D. H. Conner, mother-in-law, and Mrs. R. B. Miles, Ackerly, sister-in-law.

Services have been set for Thursday at 10 a. m. in the Rene Cox funeral home in Dallas.

## Union Slaying Trial Begins

NEW ORLEANS, Jan. 21 (AP)—District Attorney J. Bernard Cocke said today he would seek a capital verdict in the trial of William C. McCuiston, 38, former National Maritime union official, charged with murder in the slaying of Philip Carey in September 1939.

Selection of a jury was expected to consume most of today's first session of the trial.

Carey, secretary-treasurer of the National Maritime union, was beaten with chains and shot by a group of men who approached an automobile in which he was seated with friends in front of a saloon.

McCuiston was indicted for murder by the Orleans parish grand jury while he was in Washington testifying before the Dies committee on un-American activities.

## Mangled Man Lies Hours Without Aid

HOUSTON, Jan. 21 (AP)—All night long J. R. Mills, 65, lay helpless between double tracks of the Southern Pacific line after he was struck by a freight train last night.

He had a compound fracture of both legs, his left arm crushed and bruises all over the body.

Mills was awakened twice during the night by trains passing. He yelled for help, but was not found until 8:30 a. m. today.

Taken to a hospital, he lapsed into unconsciousness after telling police officers of his ordeal.

## England Builds 100 New Ships

LONDON, Jan. 21 (AP)—Lord Chatfield, admiral of the fleet, told the Royal Empire Society today Britain is building more than 100 ships for naval and air force purposes and "the sea situation is showing continual improvement."

Construction of the new vessels, which will include 64 patrol ships and 26 mine sweepers, shows Britain firmly believes that ships and not planes command the sea, Lord Chatfield said.

## Axis Powers May Seek Aid From France

ROME, Jan. 21 (AP)—Foreign observers expressed belief today that Benito Mussolini and Adolf Hitler have agreed on a plan to obtain France's cooperation in the war against Britain by direct action if necessary.

With the German military establishment in Sicily flurging largely in the axis plans for the Mediterranean war, the observers look for a mad attempt to gain further bases on the French island of Corsica and Tunisia, in French North Africa.

The British island of Malta, which thus far has been the chief Mediterranean objective of the axis air fleets, would be another effective base, if it could be wrested from its defenders, it was said.

The objective of such extensions of the present campaign would be to make the Mediterranean too hot for the British fleet, thereby closing the sea to convoys and reducing Britain's strength in the war against the Italians in Libya and also cutting off British aid to Greece.

A supplementary move, these observers say, might be a German effort to obtain Dakar, chief port of French West Africa, as a base for operations against British or eventual American operations in the Atlantic.

Such moves would have to be moved across the Mediterranean for any German occupation of North Africa bases, but it was pointed out that the Germans demonstrated their ability to ferry guns, tanks and men when they moved into Norway.

## Japanese Suggests US Take It Easy

TOKYO, Jan. 21 (AP)—Foreign Minister Yosuke Matsuoka expressed "earnest hope" today that the United States would reflect seriously on her attitude toward Japan's ambitions in greater East Asia both "for the sake of peace in the Pacific and the sake of peace in the world in general."

The United States, Matsuoka told the Japanese diet (parliament), has "evinced no adequate understanding of the fact that the establishment of common prosperity throughout greater East Asia is a matter of vital concern to Japan."

## Here And There

Mrs. J. C. Douglas has received a letter from Eva Sanders, Baptist missionary in Nigeria, Africa, that was mailed November 24th and received here January 20th. The letter had been delayed along the way where it was held by censors.

As they say in Spain, this poll tax business is coming along "poco a poco." Tuesday noon the total had eased up to 1,359 plus 62 exemptions. Only nine days remain for payment of the tax which enfranchises the citizen for 1941.

A few more checks dribbled into the county AAA office Tuesday, seven bringing in \$1,010.67, bringing the total soil conservation payments to \$168,429.15 in 1,237 checks.

First monthly meeting of the Permian Basin Water association will be held in Odessa this evening. Planning to attend from here are B. J. McDaniel, president, J. D. Stenbridge, N. S. Myers, J. C. Carter and H. W. Whitney, all attached to the city water department in varying capacities. The association was organized here a month ago upon completion of an extension course.

While their brother Lions banquet with the football team and Dana Bible today, other members of the club will journey to Pecos for the quarterly zone meeting. Pascal Buckner, district deputy governor, was to have spoken at the meet but he is in Abilene and unable to attend.

Rural school districts came in for more state apportionment money Tuesday. County Superintendent Anne Martin reported receipt of \$2,721.80, which represented \$3 per scholastic, minus the final 40 cents on county administration. This brings the payment this year to \$10, leaving \$12.50 due on the current apportionment.

## Man And Woman Shot In Orange

ORANGE, Jan. 21 (AP)—Miss Laraine Wagner, 29, was shot to death and her former husband, Carl Jennings, 27, was wounded critically here last night.

The woman was slain as she ran towards Officers R. L. Bominy and Zane Cormier.

The policemen said they heard her scream and the shots at about the same time.

Jennings was found nearby with a bullet wound in the temple.

## Jury Finds Green Insane

Roy Green, Borden county resident facing three charges of cattle theft and who was tried on a sanity pleading, was found to be insane by a 10th district court jury today.

The sanity hearing was held first, and its proceedings will be certified to County Judge Walton Morrison, who will issue an order of commitment to the Big Spring State Hospital. Thus, trial on the theft indictments is out.

J. C. Williams, alias J. C. Blair, drew a seven-year sentence on his plea of guilty to a charge of car theft. He already has a five-year sentence from Eastland county and Judge Cecil Collings made the seven-year sentences, entered in each name, run concurrently.

Neal Willie Evans and Charles Hardin, negroes, billed for theft, were given two years in prison by the court after they entered guilty pleas and Lula Mae Garnette, negro charged jointly, was given a two year suspended sentence. The pair was given credit for 41 days spent in jail here.

A 90-day suspended jail sentence was assessed against W. H. Gillem, along with \$50 fine and costs, on his plea of guilty to an indictment for driving while intoxicated.

The court entered judgment nisi and ordered a \$1,000 bond of J. E. Terry, billed for drunk driving, forfeited. Sureties were Terry, Oscar Glickman, A. B. Winslett and J. W. Marchbanks. Terry failed to make appearance Tuesday as required. Attorney Martelle McDonald represented the state in all cases.

## County Gets Draft Quota

The Howard county selective service board has received a call for seven selectees on February 11 as its share of the state quota, Bruce Frazer, secretary of the local body announced today. With six trainees from the county already in camps for one year's service and 26 due to leave for stations on January 27, the February call will bring the total number of selectees from Howard county to 39.

According to present plans, the Rotary club will be in charge of a send-off program for those leaving for duty. The Lions club handled proceedings when the December group of men left for army posts.

Up to date 325 questionnaires have been mailed to prospective citizen soldiers, thus providing enough on the lists to take care of any immediate calls for expansion.

## Aircraft Workers Postpone Strike

SAN DIEGO, Calif., Jan. 21 (AP) Postponement of a strike deadline from 7 a. m. (PST) until 7 p. m. tonight, was announced early today by Harry C. Malcolm, federal conciliator in wage negotiations between the Ryan Aeronautical company and CIO United Automobile Workers.

The postponement, Malcolm said, was agreed to by the union negotiators after Dr. John Stebbins, national director of conciliation and John Owen of the national defense commission had communicated with the CIO representatives.

## Hoyt's Answered Two Great Needs States Mrs. Koch

Amarillo Mother and Daughter Say Hoyt's Compound Mended Broken Health, Regulated Vomiting Spells, and Renewed Appetite.

"Hoyt's Compound worked like magic for my 12-year-old daughter and me," says Mrs. A. J. Koch, of 705 Jefferson St., Amarillo, Tex.

MISS LOUISE KOCH

as. "A year ago, my health broke. I had sour stomach, gas bloating, indigestion and dizzy spells. There was a knotty sensation in my stomach. I was nervous, couldn't sleep. My daughter Louise had no appetite and was bothered with vomiting spells. She was underweight, and often had to stay home from school.

Hoyt's regulated my stomach and bowels, ended my nervousness and dizziness. Now I sleep well, have a good appetite. It controlled my daughter's vomiting spells, helped her regain weight and color. She eats well. She likes Hoyt's, and even asks for it.

Hoyt's Compound is sold by the Collins Bros. Drug Store, and for your convenience, by druggists everywhere.—adv.

## General Motors Gets Order For Aviation Motors

DETROIT, Jan. 21 (AP)—General Motors Corp., the world's largest automotive firm, today announced completion of plans for a monthly output of 1,500 aviation engines and parts and subassemblies for 200 huge bombing planes.

In making the announcement, C. E. Wilson, General Motors president, said the corporation, one of the "big three" in the motorcar industry, had entered into a cooperative arrangement with North American Aviation, Inc., for the production of twin-engine B-25 medium bombers.

Wilson, from the hospital where he was being treated for a skating accident injury, said that manufacture of parts and subassemblies would begin immediately so that final assemblies by North American Aviation at a plant to be built in Kansas City "can start by late summer."

He added that, at the peak of the program, the corporation will have 40,000 men employed in the manufacture of airplane parts alone.

At present, the Ford Motor Co. and Chrysler Corp. have cooperative agreements with aviation firms for the production of thousands of huge bombing planes to cost millions of dollars.

## Churches Set Paralysis Day

Sunday, January 25, has been designated as "Infantile Paralysis Sunday" in Texas. Leading Texas divines have joined up with outstanding religionists of the country in calling for an observance of the day in every church throughout the nation. Dr. Daniel A. Poling, president of International Society of Christian Endeavor, well known in almost every city and town in Texas, is a leader in the movement to bring about unanimous observance by all faiths.

In issuing the call for observance of the day, Dr. Poling said: "No cause more deeply moves the heart of America than the national campaign for the assistance of victims of infantile paralysis. Christian Endeavors throughout America will give their eager general support to this program."

The call for Texas churches to join in the celebration is issued by William L. Clayton, Houston, chairman of the Texas Committee for the Celebration of the President's Birthday. On the night of January 30, when President Roosevelt will be 59, all sorts of entertainments will be given in thousands of Texas cities and communities to raise funds to fight infantile paralysis.
