### PRESS POINTS JOE BENNETT, Publisher

The forecast by the weathermen just as we were going to press with the paper didn't look too good for those who plan to travel during the first part of the holiday weekend. The forecast was for snow in much of the area, especially the west and in the Panhandle. Sure hope it clears out before the wife and I leave for Midland to visit Joetta and James and help them move into their new home.

Thanks to the correspondents and the advertisers for getting in the news and ads we will be able to take off a couple of days and enjoy Thanksgiving with our children and that's what Thanksgiving is all about. Spending time with the ones you love most. Thank the Good Lord for our family and for the blessings he has bestowed upon us. We hope he has blessed you and yours to the fullest and we hope and pray that everyone will truly be blessed and that they will give the Good Lord the thanks he deserves for all the blessings we receive in this best of all countries we live in. May your turkey be tender, may you be with your family, and may your favorite team win while you observe this holiday.

We will be closed on Thursday, Estelle and I will not be in the office on Friday either, but poor ole Lonnie will have to stay and keep the shop open on Friday before joining the family in Midland. Again we thank folks for their cooperation.

Have you noticed all the Christmas lights that have been turned on downtown Gorman. They help to remind folks about the Christmas season ahead. Plans are in the works for Santa to visit Gorman in early December. More on this later.

Urge those who received the reply surveys concerning the block grant for the City of Gorman to please fill them out and return them. This information is very vital to getting this grant and no one will know which reply is yours as all you have to do is tear the bottom portion of the survey off, fill it out and sent it back in. This grant could mean a lot to our community as it would improve the water system, fire plugs, some street paving and possibly some improvement in the sewer system, and the rehabilitation of some buildings, etc. Not everyone received one of the survey letters, so it is imperative you return it if you received one. So lets all cooperate with the City in this endeavor for the good of the community.

There will be some new development in our city as the land directly across the street east of the Archie Skaggs, T. J. Clark Construction Co., headed by Tommy Clark, will be clearing off the property in preparation of building some new homes. The survey for the first home is already underway and we understand that more will be built. We are happy to see the continued growth of our town and community.

And remember to smile - because God Loves You!

## REPLY TO SURVEY URGENT

You were informed a few weeks ago that the City was making application for a Community Development Block Grant for the purpose of improvement to the water system, installing fire plugs, some street paving, possibly some improvement in the sewer system, the rehabilitation of some buildings, some other much needed work in our city.

Before the application can be considered further, it is very necessary that we have the income survey sheets that were mailed out this week. All you will need to do is to check the blank to show if the total family income is above or below the figure stated in the letter that you received. After this is checked, tear off the part that contains your name, fasten the remainder together with a staple or scotch tape and drop in the mail. Names will not be associated with these replies in any manner. Only income figures will be checked.

This may be the last chance that we will have to secure a Block Grant like this since we are changing administrations in Washington. Remember that this is an out-right grant that does not require any City matching funds. It will not cost the taxpayer any additional tax money. I urge you to reply to this letter at once since there is a deadline on the application.

Thank you so much for your cooperation.

Charlie L. Garrett, Mayor

## Homemaking Hints

By Janet Thomas

When the pilgrims arrived on American shores, they found a land well developed with wild game, especially turkey. Because of the bountiful supply, these majestic birds were chosen by the settlers for their first thanksgiving table.

Turkey is still the number one favorite for this special holiday. Turkey is one of the highest protein, lower calorie meats available. Also, it is always a more economical buy.

As you get ready for your Thanksgiving meal, there are several ways to thaw a turkey correctly and safely. This method of thawing will take 2 to 2 1/2 days for a 12 to 16 pound turkey.

Another method to thaw the frozen turkey is in cool water. You will want to change the water frequently. For a 12 to 16 pound bird, this will require 6 to 7 hours.

The goal of turkey cookery is to have the meat completely done but still juicy and tender. Set the oven at 325 degree F. for roasting a turkey.

stay off that nasty Skoll. It is more dangerous than tobacco. It all is very costly habit. So avoid all forms of tobacco.

The same applies to all "alcoholic drinks. It costs are high in liver, money and health.

Here's wishing you the merriest of Thanksgivings to one and all.

Look and Smile. It should not be an antique for you to do that.

# Gorman PTO Urges Folks to Save Labels

The Gorman PTO is collecting labels and seals to help get new school equipment, teaching aids, or athletic equipment for grades kindergarten through 8th. In order to save enough of these, we need the help of every person in Gorman. Please save your labels from all sizes of the following:

Campbell's Condensed soups, Campbell's soup-for-one soups, Campbell's tomato juice, Franco American pasta products, Campbell's Chunky soups, Campbell's bean products, V-8 Cocktail Vegetable juice, Swanson canned products.

We will also be collecting "fun 'n fitness" seals on these items: Post Cereals - Raisin Bran, Toasties, Grape Nut Flakes, C. W. Post, Super Sugar Crisp, Honey Comb, Frosted Rice Krinkles, Grape Nuts, Bran Flakes, Fortified Oak Flakes, Post-Tens, Alpha Bits, Pebbles, Treat-Pak.

All flavors and sizes of: Birds Eye Orange Plus, Birds Eye Orange Plus and Frozen Concentrate, Wonder Bread, Log Cabin Pancake and Waffle Mix and Syrup, Birds Eye Awake - Frozen Concentrate.

The seals will read: Worth 2 points fun 'n fitness proof of purchase seal.

Cut this article out of the paper and put it somewhere in your kitchen, perhaps taped on your cabinet door or somewhere that will help remind you before throwing away your empty boxes and cans.

Also, ask friends and relatives out-of-town to save theirs. We need lots of labels and seals and everyone will count towards getting something useful for the school kids.

There will be drop boxes for these labels and seals at school, at Jay's Grocery, at Bob's Grocery, at Henderson Quickway and Gorman Hotel Apartments.

If you are unable to get your seals and labels to the drop points, please call Sandra Warren at 734-2650, Mary McCormick at 734-2024 or Brenda Hirst at 734-2464 and someone will collect them for you.

We need everyone's help on this project so - "SAVE THOSE LABELS"!!

We, the P.T.O. thank you, and the kids will thank you.

## KOKOMO NEWS by Zelda Jordan

Wintertime seems to be upon us again. It is cold and misting rain this Tuesday morning, but so far no snow has fallen as forecast.

Albert Hendricks and Glenda Miles of Abilene, with Helen Browning at the piano and Glynda Bond at the organ, rendered the special music at the Kokomo Baptist Church on Sunday morning. Visitors were Mr. and Mrs. Roddy Miles, Robert, Joe and Sheri and Mike Fuller of Abilene, Kelly and Yancy Buchanan of Clyde and Mrs. Modess Burgess of Gorman.

It was a great time of fellowship and good food at the annual Thanksgiving Supper in the fellowship hall of the Kokomo Baptist Church on Wednesday night, November 19, giving thanks to God for all the many blessings he has bestowed upon us.

Mr. and Mrs. Albert Hendricks were in Abilene on Friday to visit with their daughter, Mrs. Roy Buchanan, who had undergone surgery in the Hendricks Medical Center. Kelly and Yancy Buchanan returned home with their grandparents to spend the weekend. Mr. and Mrs. Hendricks took them home on Sunday afternoon and visited with Mr. and Mrs. Roy Buchanan and report that Sylvia returned home from the hospital and was doing fine. We send get well wishes to her.

Mr. and Mrs. Gene Rodgers and Joe of Midlothian spent the weekend here with his parents, Mr. and Mrs. Cullen Rodgers and with her parents, Mr. and Mrs. Hulon Lasater in Gorman. Mr. Lasater is in the hospital at Gorman, and get well wishes go out to him.

### LOUISE RANKIN HOSTS WOMAN'S STUDY CLUB

The Woman's Study Club met in the home of Mrs. Louise Rankin on Monday evening November 24, 1980 for a "Texas" program.

The evening began with a covered dish supper of authentic Texas food featuring red beans with ham and various kinds of salads.

A salute to the Texas Flag opened the program. Mrs. Mary Crenshaw, using the Club Woman Magazine, gave a report on some of the advantages of a Club's Membership in the Federation of Women's Clubs.

We wish to express thanks and appreciation to everyone who had a part in making the loss of our loved one, Eva Northcutt, easier to bear.

### MEMBERS OF NFIB APPROVED LEGISLATION

WASHINGTON, D.C. — Members of the National Federation of Independent Business have overwhelmingly approved of proposed legislation which would limit the length of time the federal government can require records to be retained to four years.

The proposal, sponsored by Congressmen Charles W. Stenholm and Jack Hightower, both Texas Democrats, was included in NFIB's latest Mandate vote on issues and was approved by 90 percent of members responding. Only seven percent opposed the proposal.

Stenholm and Hightower are currently working to obtain additional co-sponsors.

### KOKOMO HELPS AT BAZAAR

Anna Laura Clearman, Johnnie B. Griffith, Nancy Hendricks and Naoma Morrow were in Eastland on November 14 to work in the concession stand at the Senior Citizen's Bazaar. Members of the Kokomo Extension Club sent baked goods to be sold in the concession stand.

for the legislation, which will be reintroduced during the upcoming 97th Session of Congress.

"The measure had considerable support during this past session," commented Stenholm, "and with this type of strong backing from NFIB members, we expect to see it move rather quickly through the channels."

The bill would establish a four-year statute of limitations for business on record-keeping and alleged civil violations of federal rules, regulations or laws. At present, businessmen are required to maintain records indefinitely and are subject to civil penalties without any time limitations.

"This is one means to cut down the cost of doing business," Stenholm said, "and chip away a little at the inflation rate. The costs of compiling and maintaining unnecessary records are normally passed along to the end user of the product or service involved if that business is to remain solvent."

"NFIB estimated that, aside from tax records, there are more than 1,100 record-keeping requirements that are imposed on small business each year," he continued. "While our bill

## Lawndale News

By Jettie Daniels

As Thanksgiving draws near, we should all stop our daily chores and give thanks to our Lord for all the many blessings he has bestowed upon us in the months and days gone by.

Thanksgiving brings with it Blessings that we sometime over look. It is right that we should give Glory to God for all his goodness toward us. But as soon as we begin to Give Thanks, we start to count our Blessings. This time our eyes from the unpleasant to the pleasant, from that which might discourage to that which encourages, from the gloomy to the cheerful, from the burden of our Guilt to His Indefinite Grace. But Thanksgiving does still more. God
