Panther fans were stunned on Friday night when one of the Panthers was injured during the Glen Rose game. Tod Anderson received spinal injuries while playing on defense at linebacker. He was taken to the Blackwell Hospital, then rushed to the Hendrick Medical Center at Abilene. Report say he has injuries to his sixth and seventh vertebrae. He has been taken out of intensive care and is now in a private room. His room number is 7711 and his family reported on Wednesday morning that he is doing well and is in good spirits. Progress reports on Tod will be given as time goes on.

It was on the same day 11 years that we had to report the same news on Bill Clark. It was on September 26, 1969 that Bill was injured. We are all praying that Tod will recover completely.

A fund has been started by friends and concerned folks here to help with the expenses of the family. Most stores in town have containers for donations, or they can be sent to the First National Bank or to the Gorman Progress and we will see that the money is deposited in the fund. There is not a lot folks can do at this time except to show the family our love and concern, and that is exactly what the folks here feel for the Anderson family.

—J—
We were unable to attend the dedication of the gas plant at Carbon but have an article in this issue on the plant which employs 22 people. The Noel Plant will be a boon to the Carbon area and the drilling business. We congratulate the Odessa Natural Corp. on their interest in the gas interests of the area. The plant processes 30 million cubic feet of gas per day. From the raw material, 170,000 gallons of natural gas liquids such as ethane, butane, propane and natural gas can be extracted daily. Again our congratulations to this forward looking firm for their interest in the area.

—J—
Well most folks are buzzing around here about all the fun we have received recently. We give thanks to the Lord for the fine moisture and this will brighten up things around here. It may be too late for the peanuts but it will sure help in other ways.

—J—
Was sorry that the wife and I has to miss the TESCO Quarter Century Banquet on Tuesday night at Eastland. We always enjoy the banquets so much and haven't missed one in a good number of years. Ugh, just think of all that good food I missed. Oh, well, maybe we can make the next one.

—J—
We want to add our "Welcome Home" to all the advertisers this week in welcoming home all the Exes for the homecoming game Friday night and for all the activities on Saturday and Saturday night. There will really be a "Hot Time In the Old Town" so to speak as all the exes return for the gala event. The Homecoming committee has done a great job in preparations for the event. And we sincerely appreciate the advertisers, for the support on the homecoming paper. Have a great time!

Tod was taken to Blackwell Hospital where he was examined by Dr. L. Aguila, who ordered him transferred to the Regional Trauma Center at Hendrick Medical Center in Abilene.

Tod is the son of Mr. and Dero Anderson who moved to Gorman this year from Chillicothe.

In a telephone conversation with Mrs. Anderson, Wednesday morning, she reported Tod had been moved from ICU to a private room and was doing well. He has a good attitude and is in good spirits.

PANTHERS HOST BULLDOGS IN HOMECOMING GAME

The Panthers really got it all together on Friday night when they hosted the Glen Rose Tigers and held the Tigers scoreless while amassing 36 points. However, fans were not celebrating due to the fact that one of the Panther players, Tod Anderson, linebacker and full-back, was injured during the second quarter and was taken from the field in the ambulance to Blackwell Hospital, then later transferred to Hendrick Medical Center in Abilene with spinal injuries. Strangely enough, this injury to Tod happened on the same date as the injury to Bill Clark (also spinal injury) 11 years ago, on September 26. At last report Tod was off the critical list and was expected to be moved from intensive care to a private room. The injury was reported as the number 6 and 7 vertebra. There will be a more complete report of his injuries elsewhere in this issue.

The Big Red got on the scoreboard the first time they got their hands on the ball going 81 yards in 13 plays featuring a 37 yard scamper by Jimmy Johnson. Johnson got the touchdown on an 11 yard run with 3:28 left in the first quarter. Johnson also ran for the two pointer to make the score 8-0.

The two teams traded possessions before the Panthers scored again, taking the ball on the Tiger 31 and scoring in 5 plays with Mark Swanner getting the TD on a 21 yard pass from Dane Gressett with 4:01 left in the second quarter. The run for points failed and the score read 14-0.

The Panthers added another score before half time with Jimmy Johnson scoring on a 4 yard pass play with just 4 seconds left. The touchdown had been set up by a beautiful 61 yard run by Steve Spivey. Jacky Johnson ran for the two points and the Big Red led 22 to 0 at half time.

The Panthers got on the scoreboard again with 9:52 left in the third period when Jimmy Johnson broke into the open and raced 50 yards for the TD on the first play

following his recovery of a Tiger fumble on the 50. Spivey added the two pointer on a run and the score was 30-0.

The final Panther tally came on a 7 yard run by Spivey with 2:12 left in the third period. The drive covered 69 yards in 10 plays and featured a 19 yard run by Johnson and a beautiful 30 yard pass to Ted Underwood. The run for points failed and the final score read 36 to 0.

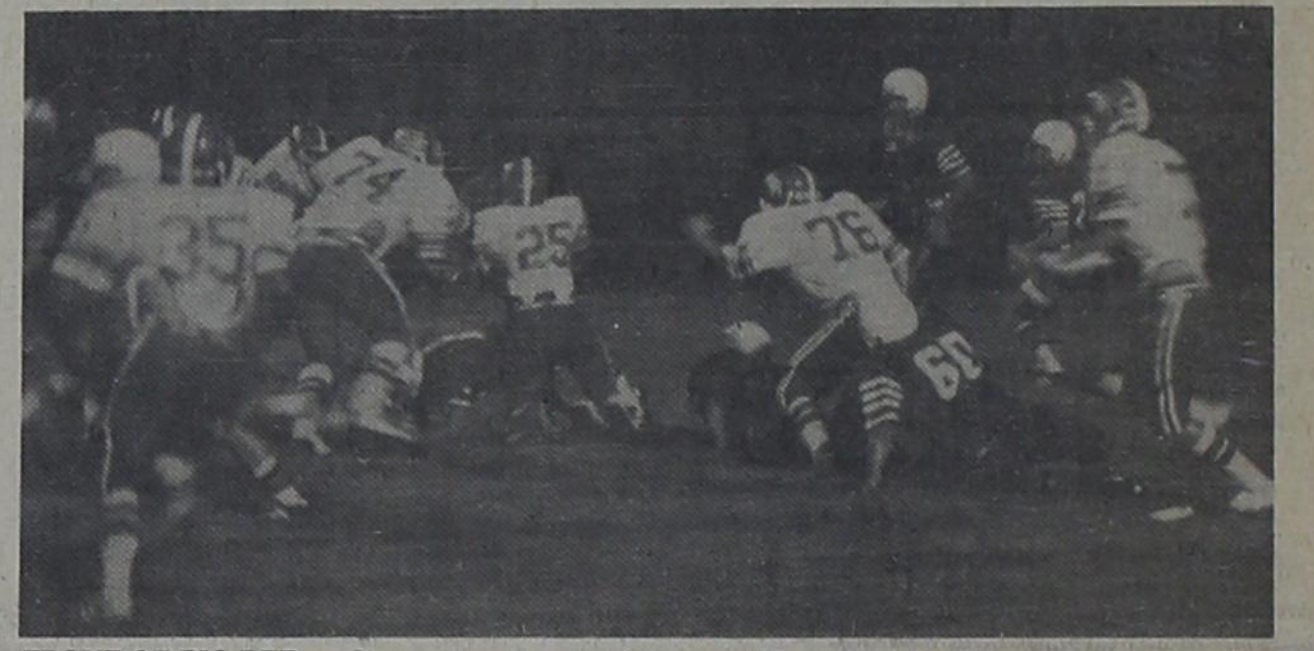

Jimmy Johnson was the leading ground gainer with 168 yards on 18 carries.

Spivey got 76 on just 5 tries. David Pettit had 21 on 9 tries. Greg Skiles had 10 on 5. Tod Anderson got 6 on 2 and Gressett had 3 on 2 keepers.

The Panthers will host the Loraine Bulldogs on Friday night in the Homecoming Game. Not much information is known about the Bulldogs but they defeated Sands last week and the Panthers are preparing for a tough game. We think the Big Red will get a victory for the Homecoming fans this Friday. Get 'Em Big Red!

FINE STOP - Shown above is Tod Anderson, Dane Gressett, David Pettit and Ricky Files helping to stop a Glen Rose running back from making a few yards in the game Friday night.

FRONT OF BIG RED - Show above is part of the front line of the Panthers blocking the Glen Rose Tigers to let Jimmy Johnson run with the ball. Also in the picture is Dane Gressett, Jackie Johnson, Curtis Warren and Andy Kinser.

GOOD TRY - Shown above is Bob Hagood and Gregg Skiles making a fine move on the Glen Rose Tigers Quarterback in the Game held Friday night.

SENIOR CITIZENS

Well, the Hurricane finally has given us one of that much needed moisture. For which we are so "Thankful". Tho we need an awful lot more, as it has been so hot and dry here so long. Those we certainly sympathize with those people in those flooded areas. Water and fire can do an awful damage in a few minutes time. Although both are an absolute necessity in our homes, etc.

Our deepest sympathy goes out to the Richard Tucker family of Chaney Community for he was a fine upright neighbor and will be missed by his many friends. Buck Wheeler of Carlsbad, N.M. formerly my neighbor in Staff-Kokomo Community. Raised there to manhood. Also Mrs. Rose Day, age 90, born in Eastland and lived there 90 years. I have known her many years. Her dad was Charlie Simmons. He was our mail carrier out of Eastland in 1912 and later for a few years.

As I write this one this Sunday morning, I have not heard from the Andersoh Boy since yesterday. I want to ask this question. Is the Football game worth it? This small town has had it happen to it twice. You may differ with me. Tho I say "NO".

I know that they can get hurt the same way in other games.

I notice there is a Bill in Congress to stop all Busing just for intergration. That should have been done years ago. It would save billions of dollars.

I notice where the Army spent 2 1/2 million dollars on Bowling alley in Germany. A waste of U. S. Army money. They already had several company alleys there.

The Mexican illegal children in the U. S. should be sent back to Mexico with their parents.

The Mexicans that are citizens here should speak English at all times. Just teach their children English only. Learn birth control, instead of a child every 8 to 13 months. It is a great sin in my opinion to have a large litter of children and not be able to feed, clothe and educate them. Mexico has tried it for 400 years. That is the main reason for that country's trouble today.

Remember this: When you pray, it must be to Jesus and not to some man here on Earth. No one on Earth can send you to Hell and no one can pray you out of Hell.

There are so many seriously ill we wish for them the best of everything.

Look up. Smile. It is worth so many kind words. Bless you all.

PET FACTS & FIGURES

After a kitten is born, it develops a sense of taste and smell within a few days and, soon after, an ability to hear. But a cat does not begin to see until about the ninth day. However, still more time must elapse before it is able to focus and see truly well.

Kittens must be "litter box" trained. In the meantime, they'll probably have "accidents," and any cat lover knows how that can odor-up a house. Luckily, there's Lestoil Deodorizing Rug Shampoo, the clean way to keep odors away. You just spread the shampoo's foam on the rug, let it dry about 15 minutes, then vacuum. Results: a clean, odor-free rug.

PEANUTS ABANDONED OR BAILED

What does a peanut producer do if he decides to abandon or bale peanuts? First, he needs to visit the county office and file an application for disaster credit on Form ASCS 574. If the peanuts are going to be baled, arrangements for an appraisal of the potential production prior to the time the peanuts are baled should be made.

Desdemona Ceremony Unites Miss Frasier And Mr. Iley

Sharon Lynn Frasier and Richard L. Iley exchanged marriage vows August 17 at 3:00 p.m. in the First Baptist Church of Desdemona. Dr. Bill Spencer officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Ira Frasier of De Leon. Parents of the groom are Mr. and Mrs. M. W. Iley of Desdemona.

The church decorations consisted of an arch of greenery

decorated with a variety of peach and white carnations and yellow and orange daisies placed at the altar. On either side of the arch was candelabra holding seven candles, each decorated with greenery and peach bows. Beside them were flower arrangements of peach carnations and bows with fern.

Peach carnations and bows with greenery marked the pews.

CARD OF THANKS

We would like to express our sincere thanks for all the food, flowers, words of sympathy and everything that was done for us in our time of sorrow. May God bless each of you.

Natural Gas Plant Dedicated in Carbon

By LORETTA FULTON
State Editor

CARBON — A natural gas processing plant officially was dedicated here Tuesday and named in honor of its founder, W.D. Noel.

As the Cisco Junior College band played and about 300 guests dined on barbecue, a huge sign for the plant bearing Noel's name was unveiled. "I'm indeed honored and extremely pleased," Noel said. He was a co-founder and first president of Odessa Natural

Corp. which operates the Carbon plant and others like it in Odessa and May.

Noel said he had been involved in the oil and gas industry since 1935, when he began work as a roustabout for Gulf Oil Co. in Breckenridge.

Noel said many people including land and royalty owners, government officials and others made location of the Carbon plant possible.

"All of you had an important role. All of you made this

plant possible," he said. The new plant, which is located about four miles west of Carbon, has been in operation two months. It employs 22 persons and processes 30 million cubic feet of gas per day. From the raw material, 170,000 gallons of natural gas liquids such as ethane, butane, propane and natural gas can be extracted daily.

Joe Shepard, division manager for Odessa Natural Corp., said the Carbon plant is "another major step forward for Odessa Natural."
