

School Registration Friday - Classes Begin Tuesday

PANTHERS ARE BUSY READYING FOR SEASON OPENER SEPT. 6TH.

The Gorman Panthers of 1963-64 have been working hard at workouts twice daily since August 19th readying for the season opener with the Bearcats at De Leon on September 6th.

The boys have been looking real well in practice sessions showing a lot of hustle and determination.

Margaret Porter Is Community Club Queen Candidate

In a meeting on Tuesday night the Gorman Community Club unanimously chose Miss Margaret Porter as their candidate for the Gorman Diamond Jubilee Queen.

Margaret is the daughter of Mrs. Roma Jewel Porter. She is a junior in Gorman High School, a member of the Panther Band, member of the FHA for two years and was G. A. Counselor last year.

Kathryn Calloway Becomes Bride Of Larry Frasier At Local Church of Christ

Kathryn Louise Calloway, daughter of Mr. and Mrs. Wilburn Oscar Calloway of Rincon, N. M., became the bride of Larry Bennett Frasier, son of Mr. and Mrs. Audrey L. Frasier of Abilene, at 6:30 p. m. Saturday, August 24 in the Gorman Church of Christ.

The double ring ceremony was read by Will H. Scott of Throckmorton, uncle of the bride.

Cornelia Cook of De Leon was maid of honor and Ruth Ann Frasier of Abilene, sister of the bridegroom, was bridesmaid.

The maid of honor wore a street length gown of light turquoise silk organza over taffeta accented with a self-material rose at the center of the waistline, featuring a controlled bell-shaped skirt, brief sleeves and scooped neck. The bridesmaid wore a gown similar to the maid of honor except in a lighter shade and accented with a bow in the back. Both wore matching brief veils with pill box crowns. They carried bouquets of daisies.

Best man was John Todd of Amarillo and groomsmen were Chuck Matlock of Brownfield, Rickey Schmidt of Pampa was usher. Ruth Davonne Rodgers, niece of the bride, was flower girl, and Johnny Mears was ring bearer.

The sextet presenting the wedding music was Mrs. Burnett Eison, Mr. and Mrs. Luke Palmer, Miss Joy Love and Mr. and Mrs. Randolph Pritchett.

Given in marriage by her father, the bride wore a formal gown of white angel skin peau de soie and hand-clipped chantilly lace with removal jacket. The Bateau jacket featured long sleeves and was trimmed at the waist with lace. The bell-shaped sleeveless

In a scrimmage on Tuesday night the Panthers couldn't seem to get started. However, they were up against a very tough Class AA Dublin team with mostly veterans on the squad. We think they did a fairly good job being pitted against such a fine ball club.

Most of the boys played well, but we feel that Jerry Ormsby, Gary Overstreet, Dickey Eaves and Deryck Pocock deserve a big pat on the back for a fine job, both offensively and defensively.

Two of the Panthers, Benny Mathews and David Hunt, have both sustained injuries and have been out of action the past several days and also missed the scrimmage with Dublin. It is doubtful if either of the boys will see any action for at least two to three weeks. This will hurt the Panthers considerably.

The season opener will be at De Leon on Friday, September 6 at 8 p. m. and we look for the Panthers to play a very good game with the Bearcats.

MRS. McCLAIN LAID TO REST IN DUBLIN SUNDAY

Mrs. Ida May (Powers) McClain, 92, died at 7 p. m. Friday, August 23 in the Blackwell Hospital.

There was a gaping hole shot through one of its stars... but the flag was still there. Out of this experience came "The Star Spangled Banner." His portrait will be among 75 paintings in the "Faces of Freedom" exhibit in the Varied Industries Building during the 1963 State Fair of Texas, Oct. 5 through 20 in Dallas.

ODA MONROE HOME ON TEN DAY LEAVE FROM HOSPITAL

Oda Monroe, who has been a patient in the Veterans Hospital in Big Spring for the past several weeks, came home Friday for a ten day visit.

Oda is improving slowly, but says he is feeling much better.

Being an avid Panther fan, he says he just had to come home to get the Panther squad started for the season, and predicts a great year for them.

CARD OF THANKS

We wish to take this means of expressing our thanks to everyone who sent flowers and food during our time of bereavement.

We wish also to thank the nurses and Dr. Brogdon at the Blackwell Hospital for their help and kindness during the illness and death of our beloved mother. May God bless each of you.

Stage Show Set For September 14 Peanut Bowl Event

"Nothing Can Go Wrong," a professional two-hour musical stage show, will be another feature of the Fourth Annual Peanut Bowl Festival in Eastland, Saturday, September 14, Jaycee President Glyn Gilliam has announced.

The musical review will be staged at the Majestic Theater beginning at 4 p. m., immediately following the close of the giant downtown street parade.

The show is produced by the Entertainment Division, Post Special Services, Fort Hood, and every veteran can remember the quality of entertainments presented by the special service divisions.

It will be a family show, with comedy, music and fascination. Completely set with costumes, sets lights and accompanied by its own musical aggregation, the show is sure to appeal to all.

A special stage is being built by the Club to accommodate the show in the modern, air-conditioned downtown theater.

Names of the show's stars, many of whom have appeared on national television programs, and are well known in entertainment

fields, will be announced later.

The stage show is another in a long list of events that are destined to make this Peanut Bowl the biggest and best ever. Beginning Tuesday, Sept. 10, when a queen is selected, through Saturday, the 14th, when the annual twirling contest gets underway at 8 a. m., throughout that day — the parade at 2:30 p. m., the stage show at 4, and the climax, the football game at 8 p. m., at Maverick Stadium between Cisco and Ranger Junior College grid teams, it all stacks up to be one of the biggest "fun days for everyone in the area."

Admission for the stage show has been set at 75 cents for adults, 50 cents for children — far below prices to be paid for the same show in other cities.

Miss Joyce Elaine Rainey, 17, of Desdemona was first entrant for the 1963 Peanut Bowl Queen Contest to be held Tuesday, Sept. 10 on stage at the Majestic Theater.

A senior at Desdemona High School, Miss Rainey is the daughter of Mr. and Mrs. T. J. Rainey, Route One, Desdemona.

During her sophomore year she was chosen class favorite and FFA Sweetheart, and is currently president of the FHA. Her junior year was highlighted by winning the Crisco Award for outstanding

COUNTY 4-H ADULT LEADERS MEETING HELD MONDAY

The Eastland County, 4-H Adult Leaders met on Monday evening in the Court House in Eastland.

Mr. Jimmy Lee, President, presided over the meeting.

A committee was appointed to plan a float for the Peanut Bowl Parade which will be Sept. 14th. It was also decided that the 4-H Clubs would also enter a riding group.

Date for the annual Achievement Banquet was set for October 19th in the Cisco Jr. College Cafeteria. Mrs. Garland Pharr and Mrs. Yvonne Lepley will be in charge of the foods and Mrs. Irvin Pippen

student in Homenoing. She was also awarded medals for outstanding student at Desdemona High School, athletic award, scholarship and merit award. She has lettered three years in basketball and three years in volleyball.

Also, Joyce was chosen basketball sweetheart during her junior year. She served as student council secretary and editor of the high school paper.

Sherman Sides of De Leon will be Miss Rainey's escort for the queen contest.

An extra-added attraction, Miss Linda Loftis of Fort Worth, Miss Texas of 1961, will serve as master of ceremonies and vocalist for the contest, according to Dick Dixon, contest chairman.

All high schools and junior colleges in the county have been invited to have a representative in the contest and deadline for entry will be Sunday, Sept. 1.

INSURANCE MEN WARN AGAINST CAR OVERCROWDING

A driver's invitation to "pile in" his car can be an invitation to "pile up" at an intersection or sharp curve, says the Association of Casualty and Surety Companies, an insurance company sponsored service organization.

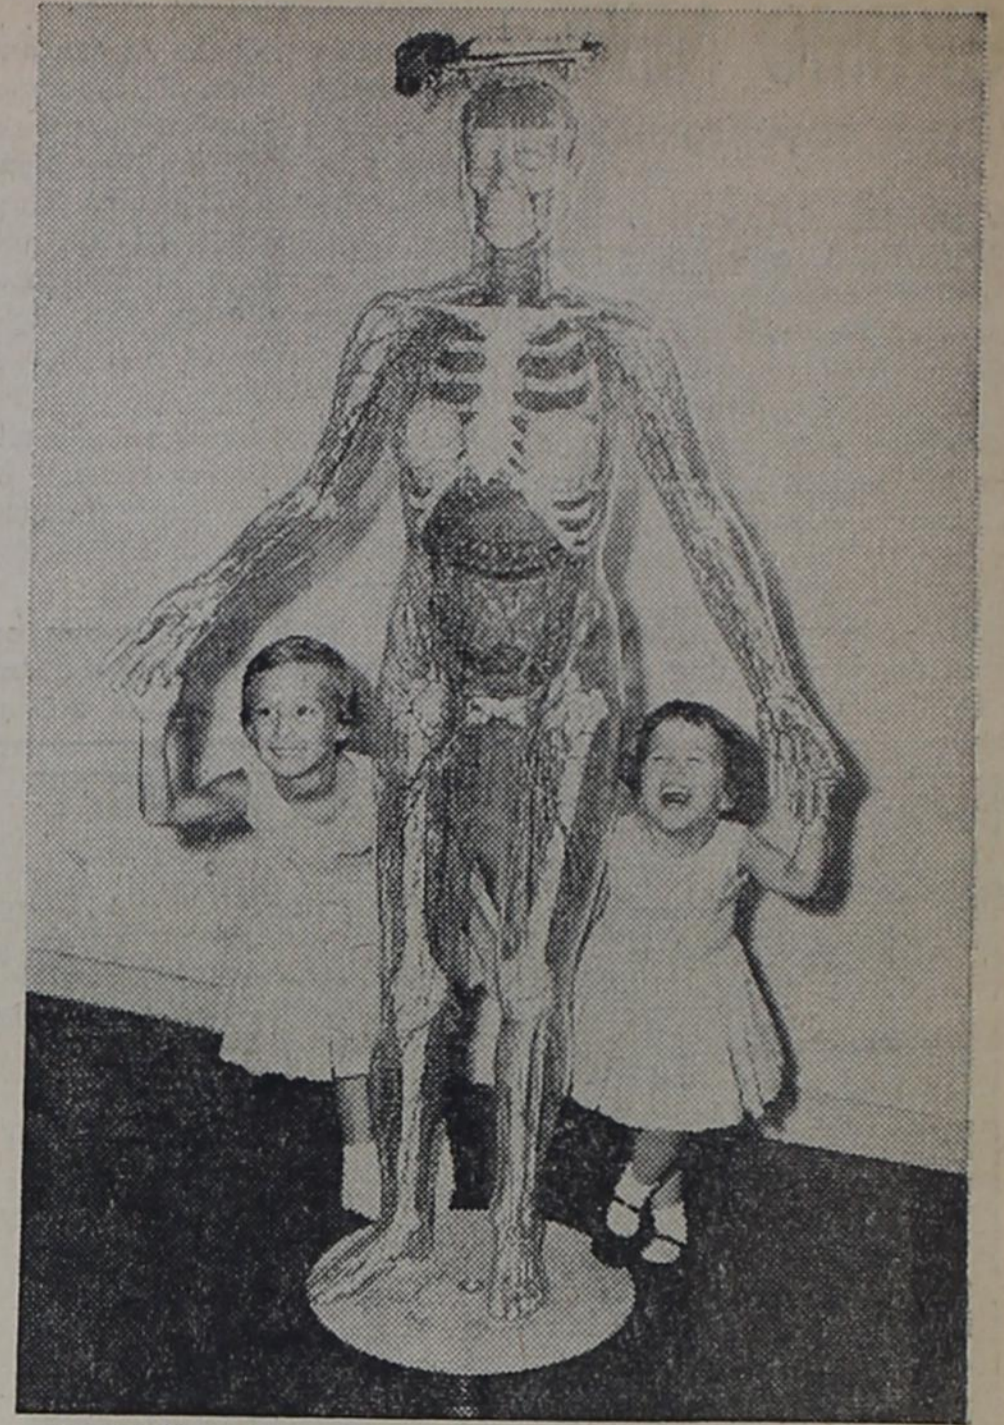

The Association points out that a heavy passenger load drastically changes the road behavior of an automobile. The car responds more slowly to the accelerator; braking effort - especially without power brakes - increases, and changed weight distribution alters the "cornering" characteristics of the car.

A crowded front seat makes it difficult for a driver to respond to these unfamiliar conditions.

If you must overload the car, exercise particular caution, especially when transporting children. Keep them in seat belts. Keep them as quiet as possible. Keep hands, feet and other equipment inside the car, not out a window. If children are riding in the deck behind the rear seat of a station wagon, seat them against the sides or behind the rear seat facing backwards. Don't let them get out until the car is parked and never leave the keys in the ignition.

All normal safety precautions should be increased — be sure the rear view mirror can be used; don't permit windows to fog up; travel only a reasonable distance on each leg of a long trip; and finally, stay alert.

This column will be glad to answer questions you may have about property and casualty insurance. Send them to Gorman Progress, marked to the attention of GORMAN INSURANCE AGENCY or Call RE 4-5312

NOW IS THE TIME TO CHECK THE LIGHT YOUR CHILDREN USE FOR HOME STUDY

Even children who pass the eye chart test with ease need special light for home study. Reading and other close visual tasks require plenty of good light to make seeing easier and to prevent eyestrain and fatigue. For best light from a table lamp, use at least 150-watt illumination. The lamp should be tall enough to shield the light source from the eyes. A diffusing bowl is recommended to soften the light and prevent glare. Check your children's study light now. Better light means better sight and better grades.

SLOW DRIVING PROHIBITED— it a violation to drive a vehicle so slowly as to impede traffic. Minimum limits, as well as maximum limits, are being posted on

the highways throughout the state. The new 70 miles per hour daytime maximum speed for passenger cars became effective August 23. A large percentage of Texas' vast Farm to Market System will come under the 70 mph maximum although some of these roads (and some of the older primary routes) will be restricted to the lower 60 mph maximum where conditions warrant.

HOUSEWIVES SAY...

ONLY GAS COOLS SO MUCH BETTER FOR SO MUCH LESS!

that their housework is made easier with GAS year 'round air conditioning. Dust and pollen are filtered out of the air, and drapes and rugs stay clean much longer. Cooking odors... and even Dad's cigar smoke... are taken care of in a jiffy with cool, fresh air in the summer—and warm, fresh air in the winter.
