

## HULLS

By KERNEL GENE, aPe

NO TITLE by Don SoRelle  
Folks, in moping around town Wednesday, 7th, trying to find someone who will listen to me as I have done for the past fifty years, I stopped in front of a place that says Kernel Gene's Palaver. I says to myself, "When did this happen to De Leon?" On second thought I recall reading his paper and I can't say that I could find anything to growl about.

I decided, I'll meet the guy. I walk in and at a desk sat a little short, sawed off ball-headed fellow smoking a cigar, pretending he is working. I say, "don't want to take up your time, just want to get acquainted."  
He says, sit down, and shoves an ash tray in front of me.  
Now this guy says in his newspaper, he has time to talk with anyone and he just ain't beefing. In twenty minutes we have each other's history.

We tried to out brag each o'ner, talking about everything except money and our friends. I soon learned I didn't have a chance. I can say one thing about the Kernel, he has a lot more of one thing I have been accused of having a lot of, "hot air". I mentioned I had done some writing but no one had to tell me that most of it was corny.

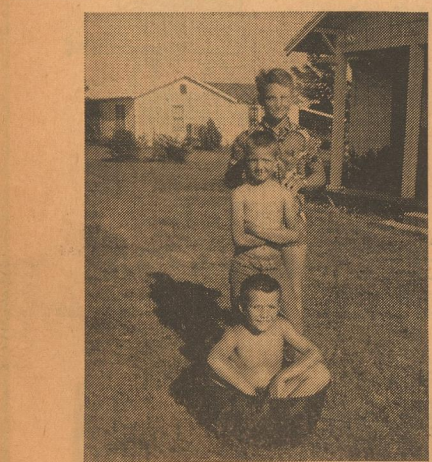

He says, "How corny" . . . and mentions screwballs, morons, etc. I don't quite get it. Wondered if he was talking about me or himself. Anyway, there isn't any "corn or kernel" attached to my name.  
He asked if I had lived in De Leon. I told him I paid my poll tax and voted in De Leon until I retired, then had to move to Waco where my kids see that I eat regular. Told him about my plantation in De Leon and he asked where. Told him two blocks off Main Street.

Got his curiosity aroused. He closed his shop and took his picture-taker along. At the plantation he looked around, backed me off in my tater path and said smile. He took the picture from the camera and handed to me. "That's a nice looking old gentleman," I said.  
He hesitated a moment and then said, "It's a nice looking Tater Patch."

Now folks, don't blame me if this published. I warned the Kernel the last paper that published my stuff, twenty-seven readers canceled their subscriptions. Having known this guy so short a time, if I don't change my mind, wish him a great success and my hat's off to Kernel Gene.  
Signed: DON

## Charlie Garrett To Be Representative Of Gorman At ESC

Charlie Garrett, Superintendent of Gorman Schools, will represent the school in the newly organized Education Service Centers Program which will begin in September. The Education Service Centers represent a new development in Texas education, explains Dr. J. W. Edgar, Texas Commissioner of Education. The State plan for their implementation calls for 20 of them to be located regionally throughout Texas in Abilene, Amarillo, Austin, Beaumont, Corpus Christi, Edinburg, El Paso, Fort Worth, Houston, Lubbock, Madisonville, Midland, Mount Pleasant, Plano, San Angelo, San Antonio, Tyler, Victoria, Waco, and Wichita Falls.

When established, these Education Service Centers will (1) provide for the establishment of the Regional Media Centers authorized by the Fifty-ninth Legislature (2) coordinate and encourage development of supplemental educational services and centers under Title III of the Elementary and Secondary Education Act of 1965 in accordance with State law and policies of the United States Office of Education and (3) provide a locally-oriented base for statewide educational planning.

Through the media services, these regional centers will provide participating school districts with such visual aids as motion pictures and slides, a magnetic tape duplicating service for audio and video tapes, and a visual duplication service to reproduce transparencies and filmstrips.

In addition to providing schools in a region with instructional media services, a center will provide an opportunity for resources of the region - metropolitan and rural - to contribute to educational planning.

Still additional services will be developed by each center in answer to regional needs. And as needs vary from region to region, so will services, and local schools will help to determine what those services should be.

The Fifty-ninth Legislature, by its enactment of Senate Bill 408, paved the way for these media services of the Education Service Centers. This statute provided for a State program for education media for Texas schools and authorized the State Board of Education to establish needed plans and procedures to facilitate media services.  
Under provisions of this law, the State should be ready to implement such centers by September 1, 1967, says Dr. Edgar.

**KOKOMO NEWS**

By MRS. GLENN JORDAN

Our community, like all the other communities around, received a lot of damage from the heavy rains that fell on Sunday and Monday mornings. Reports have

been from 3 1/2 to 6 inches throughout the community. Several TV antennas were damaged, tree limbs were broken from high winds, fields were washed very badly and fences were washed down. A lot of the farmers that had already planted peanuts will have to replant in places. So much of the top soil of the land is gone. Water was up over the bridge over Nash Creek, at one time, leaving debris scattered on the bridge and Hwy. 2689.

Vacation Bible School is in progress at the Kokomo Baptist Church this week. Attendance is good. Despite the rain and bad roads, there were 40 there for enrollment on Monday morning. Commencement for the school will be held on Sunday night at 8:15. Everyone has a cordial invitation to attend this program and see the work the children have done.

Mr. and Mrs. Freddie Shackelford, Camilla and Melissa of Dumas and Teresa Mearse of Snyder are spending their vacation with Mrs. Shackelford's parents, Rev. and Mrs. J. W. O'Neal.

Kenny Stokes of Midland and David Hanks of Wichita Falls are visiting with their grandparents, Mr. and Mrs. R. M. Richburg.

Mr. and Mrs. J. C. Clearman of Hereford spent Sunday night with his cousin, Mr. and Mrs. Albert Hendricks.

Stephen Joiner of Jal, N. M. is visiting with his grandparents, Mr. and Mrs. T. D. Joiner, and Chester.

Mrs. Gladys Brown of Sweetwater returned to her home on Tuesday after a weeks visit with her son, Mr. and Mrs. Bill Brown, and Kris.

Mr. and Mrs. John W. Henderson and Mrs. Lola Donaldson attended the singing at De Leon on Sunday afternoon.

Kokomo Baptist Church had charge of the church services at the Lawndale Home on Sunday afternoon. Those going to the home were Rev. J. W. O'Neal, Mr. and Mrs. Jim Jordan, Mrs. Albert Hendricks, Mrs. Claude Fuller and Christi, Mrs. Glenn Jordan and Mrs. W. A. O'Neal.

Mr. and Mrs. J. L. Morrow and Mr. and Mrs. Larry Morrow visited in Huckaby on Sunday afternoon with J. L.'s sister, Mr. and Mrs. C. A. Elston.

Visitors on Sunday night were the Shackelfords and Teresa and Mr. and Mrs. J. C. Clearman of Hereford.

Mr. and Mrs. Glenn Jordan and Teddy visited on Sunday with Mr. and Mrs. Claude Fuller, Christi and Ricky.

Mr. and Mrs. Bobby Little and Arleen of Tyler are spending the summer here with his mother, Mrs. John Little. He is helping with the farm work. Bobby is a teacher in the Tyler Schools.
