WATER - Necessary to the survival of mankind and yet one of the most treacherous blessings man has to contend with.

Thanks to men and women dedicated to protecting the natural resources of our country, water is slowly being brought under control by storing in lakes and reservoirs for future use.

Along with conserving water and protecting their land many farmers and ranchers are being able to supplement their income with reservoirs being built on

DESDEMONA WOMAN
RETURNS FROM TOUR
Mrs. W. H. Davis of Desdemona
returned last week from a trip abroad that included Ireland Scotland and England. Leaving

abroad that included Ireland, Scotland and England. Leaving from Tulsa, Oklahoma, where she first planned the trip, Mrs. Davis flew to New York and from there via Irish Airlines to Shannon, Ireland where she joined the American Express "Best of England, Ireland and Scotland" tour. After several days in Ireland, where the famous Blarney Stone was kissed and authentic Irish stew enjoyed, the group went to Glasgow. Passing over the Bonnie Banks of Loch Lomand, one of the most beautiful sights was the setting of Sir Waiter Scotts "Lady of the Lake." Shakespeare's birthplace was of special interest to Mrs. Davis, who has literary interests. The group also saw Ann Hathaways enchanting cotta ge and a show at the Royal Shakespeare Theatre. A drive along Tor and a show at the Royal Shake-speare Theatre. A drive along Tor Bay and on to Plymouth where the Mayflower started its hostor-ic voyage in 1620. The names of the men on this volage were on the building where they spent the night before sailing. Among the highlights seen in England were Windsor Castle, The Queen's summer home and the

Queen's summer home and the

church that she attends and has her membership. The Church of England's many Cathedrals were also visited.

The group flew back to New York to begin the flight home, and Mrs. Davis said she returned with love and a special pride for the good ole U. S. A.

### B&B SPORTS Mrs. Eula Justice to Head Eastland Co.

The Panthers journey to Blanket Friday night for their first-district game with the Tigers. The Tigers will be quite a bit tougher this year as they field nearly the same team they had last year plus three who were ineligible, and needless to say, they are good ones. Blanket is very definitely the sleeper in District 17-B. Last week they defeated Evant by the score of 50-6. The Red and Blue downed the Elks in their first game of the season.

The Panthers have spent a good deal of their off week working on deal of their off week working on the season.

Singing Convention

Mrs. Eula Justice of Kokomo was elected president of the East and County Singing Convention at a meeting held Sunday, October 3, at Camp Inspiration in East-land. Her election followed the reganization for the past year. Mrs. Babe Norris was elected as secretary. She replaces Mrs. Justice who had resigned the position.

The Panthers have spent a good deal of their off week working on offense, They should be in a little better shape as some knees have had an extra week to mend. The Red and Blue should defeat the Tigers for their first District win Friday night.

Yea, Panthers! Skin the Tigers!

B&B
Should Class B football teams be restricted to Regional games? Would you like to see Class B football have the opportunity to advance to the State Playoffs? Personally we see no reason

advance to the State Playoffs?
Personally we see no reason
why we should be restricted to
regional playoffs! Some people
say we do not have the personnel,
that it would be detrimental to
the players' health and physical
welfare, and that it would completely disrupt a small school
while it would be a severe drain
financially to the community and
the school.

Just think, we had visions a few weeks as considered the school. HOGWASH! If football does this to schools why even play football? You do not have to have 50 to 100 boys to play a ten game schedule, then bi-district and regional. Lots of Class A, AA and AAA teams do not have over 25 to 30 players on the varsity team. Why would one, two or three more play-off games disrupt a school, system when it had not already done so for a ten game schedule and two play-off games. About the severe drain financially. How will extra money coming into the athletic fund be a severe drain? Even if all three of the extra play-off games were played on the road, how would the drain of funds affect the community? Unless it is just another excuse to keep a small town school team from play-offs.

If these are the reasons why a Class B school can't compete in State Play-offs in football, why allow basketball playoffs, too? To go still further, why not limit Class A, AA and AAA schools who do not have 50 to 100 boys playing football.

The reason for this steam being let off is a letter we received from A. E. Richards, Editor of the HOGWASH! ! If football does

Jayton Chronicle. If you would like to know why we wrote this article, like football, and would like to see State Play-offs for Class B, we invite you to stop by the Progress office and read Editor Richards' letter.

B&B

It looks like a long hard year for the B&B pickers! Herman had 55% last week while Joe had 45.

Just think, we had visions a few weeks ago of 100% one week, Would you believe a good, solid
