Most of the talk going around here this week concerns the actions of the city commission and the resignation of Chief of Police Cecil Funderburgh. Funderburgh tendered his resignation and accepted the position of Chief of Police of Eastland on Tuesday, which becomes effective on November first.

The citizens had let it be known that they wanted 24 hour police protection to continue in the city and the commission had voted to hire another police officer to fill the vacancy left by the resignation of Allan Swanner recently. However, they voted to place the police officers on 40 hours weekly, which would leave two days uncovered unless the officers agreed to fill in, without pay, to have 24 hour protection seven days a week. This and the decrease in the salary of Chief Funderburgh, we feel was the deciding factor for Funderburgh to accept the Eastland position.

This city will truly miss the outstanding performance of duty of this man and his devotion to our city. He did many other things, above and beyond the line of duty for our city. And we feel his worth will truly not be known until it can be found out just how many extra things he did for our city.

Our congratulations to Cecil on his new position. And we just hope that the ones filling his shoes and the positions of the other officers can do what he was accomplishing for our city.

The City Commission has an overwhelming task ahead in solving the problems of our city and they will need all the support we can give them in their quest to keep our city operating within the necessary limits that our tax revenues bring in. Of course money is always a problem for cities to do what needs doing, but with a few of the changes that have been mentioned by the council to bring in more revenue from water and sewer, and other needed improvements in items to add revenue that we are now missing, maybe it can all be solved to everyone's satisfaction.

I think all of us want what's best for our city, but at the same time we all have our own ideas as to how to solve it.

Received the following note the other day:  
Dear Progress Gang,

Here's my check to renew my subscription to the Progress. I enjoy reading it every week when it comes.

I was in Gorman for the 50th anniversary of my class (1940) and enjoyed the Peanut Festival and Parade as well. Its been a long time since I saw the streets so crowded with people.

The reunion was simply fantastic, thanks to the idea and efforts of Graydon and Velda Baze.

See you soon,

B. G. Alsbrook

We have been having a hard time getting folks to put money in the chute for the paper when getting papers from the outside paper rack in front of the office. We have been losing a lot of papers each week. We may even have to quit putting the papers outside and just sell them inside the office. It is a shame that we cannot have the box out so honest folks can get a paper when we are closed. But if the loss of papers continue then we will have no choice but to quit putting the papers outside.

The peanut farmers are really taking advantage of the beautiful harvesting weather that we have had the past couple of weeks. The peanuts are really rolling in now and things are beginning to stack up at the buying points. And with the bonus that is being paid for peanuts, the farmers will have even more incentive to get the crop gathered and brought to market.

It seems that the expected bumper crop may not materialize, mostly due to the big rain we received a couple of weeks ago, but the overall crop should really be a bright spot for the

## United Methodist Lord's Acre Set November 2nd

The First United Methodist Church will hold their Annual Lord's Acre Festival on Friday, November 2nd at the church Fellowship Hall.

A large trash and treasure sale will be held outside near the Fellowship Hall beginning at 8 a. m. and continuing until 6 p. m.

All other activities will be held in Fellowship Hall featuring arts and crafts, home baked items, canned food items, pickles, jellies, etc.

Coffee, tea and snacks will be available throughout the day.

A turkey and dressing dinner with all the trimmings, drink and dessert, will be served from 11 a. m. to 2 p. m. Cost per plate is \$4.50.

Everyone is welcome to come and browse. The congregation of the church welcomes the opportunity to meet and visit with friends.

## Bill Miers Democrat Candidate For District Clerk

My name is Bill Miers and I am the Democratic Nominee for District Clerk. I have been employed in the District Clerk's office as a Deputy for 4 years. This office is complex and demanding, but I enjoy working for the people of Eastland County. I have the knowledge and experience to manage this office in an orderly and efficient manner.

I was born in Texas and raised in Gorman. After graduation from Gorman High School, I attende Cisco Junior College, then graduated with a degree in communications from Sam Houston State University.

I am married and have four children, ranging from 8 to 19 years of age, Jana, Keegan, Eric and Dara.

I have been active in the public with the Lions Club and Jaycees, as well as having served a term on the Gorman City Council.

I have made a number of modifications in my job position. The child-support records of this office are more accurate and efficient since the installation of the computer system to record and maintain these records. This is a major responsibility of the District Clerk.

I compiled information required to apply for a grant for Eastland County. This grant was received in September of 1989 and work is currently progressing on this new Case Trackin System.

As the Democratic candidate, I know how the District Clerk's office operates. This means there will be no delays in the court or daily operations.

Experience does count! I have the experience to run the District Clerk's office. I ask for your continuing support in the General Election on

peanut farmers this year.

The Panthers are really rolling right along. If they can win their next two games, they will win the District 14A Championship. If not they still have a chance to be in the playoffs in a runner-up spot. But we think that the Panthers have the inside track to the title. More will be known after this week as the Baird Bears and the Rising Star Wildcats will square off in a game that will have much bearing on the district race.

No matter the outcome of the Bear-Wildcat game, for the Panthers to win the title they must win these final two season games.

So Go Get 'Em Big Red!

We have finally gotten Estelle back with us part of the time and things are beginning to get better around here. We missed her while she was "vacationing" in the hospital.

## Cecil Funderburgh Accepts Chief's Post in Eastland

The majority of the citizens of Gorman were saddened on Tuesday when they learned that Chief of Police Cecil Funderburgh had accepted the position as Chief of Police of the City of Eastland and the elimination Friday of the municipal judge's office held by Roy Parker. These men will be greatly missed.

The City Commission, faced with a delima of cutting expenses to help eliminate the \$130,000 indebtedness, have met in several called executive sessions to discuss terms and conditions of employing police officers and city judge in an effort to cut expenses.

The commission met for 2 1/2 hours behind closed doors Thursday evening on the status of police protection. Following the meeting Mayor C. M. Avery stated that the commission wants to maintain protection with police chief Funderburgh and patrolman Brett Ashley, and that the city had no immediate plans to hire a third policeman to replace patrolman Allan Swanner, who resigned Oct. 7th.

At the Thursday meeting an emergency meeting was set for 10:30 a. m. Friday to consider Chief of Police Funderburgh's proposal. His proposal was to cut hourly salaries of his and Ashley's and up the hours of police protection. Also reducing total mileage on the patrol car by 1,000 miles per month, resulting in full savings and a total savings of \$20,000 per year.

At the Thursday meeting the commission voted to stop charges ranging from \$1 to \$5.50 a month on businesses for night watchman serv-

## An Open Letter To Some Wonderful People

Twelve and a half years ago, I brought my family back to the Gorman area so that they could experience the warmth and friendship of caring people, or as I often refer to them, as "real people". I had lived in Fort Worth for twenty-five years, and my children had never had the opportunity to see people as they really should be.

True to my expectations, the people in and around Gorman are still warm, loving people who sincerely care for others.

Eleven years ago, in December, 1979, I was given the opportunity to go to work for the City of Gorman as a peace officer. I viewed this as an opportunity to return to you, the people of Gorman, just a tiny portion of what you have given me, and what you have done for my children.

I have been offered, and have accepted, a new job in Eastland as their Chief of Police, and it is with the deepest, heartfelt emotions that we leave our home here in Gorman. I want to thank each and every one of you for your friendship and your love.

I especially would like to say to the young people, our students, that I think that you are some very special people. You have helped me in so many ways that I will never be able to repay you in full. Your continued support for my replacement and other police officers will help to keep Gorman, Texas a very special place.

Thank you,

Cecil Funderburgh and family

3 for 15	Penalties	None

The Gorman Panthers wasted little time in showing their strength and power in District 14A as they jumped out to a 14-0 halftime lead in really outplaying the Rising Star Wildcats, but came out in the second half and with a couple of miscues, let the Wildcats tie the score. But following the tying TD by the Wildcats, the Panthers started a comeback and settled down for a convincing 28 to 14 victory.

The Panthers took the opening kickoff and were forced to punt. But there was indecision on the punt and the Wildcats tackled the punter on the Gorman 44 yard line.

Then six plays later the Big Red Defense got the ball for the Panthers when Stephen Scitern intercepted a Wildcat pass at the Gorman 42. And from there, the Panthers left little doubt that they came to play as Jason Ditmore took the handoff from

ices, since watching the businesses is part of the police responsibilities.

In the Friday commission meeting the council turned down Chief Funderburgh's proposal and set new salaries and hours of the chief and patrolmen.

A motion was made to do away with the City Judge's position and to hire another patrolman to give coverage for 24 hours, but to hold the hours to just 40 hours a week. The motion carried and the meeting was dismissed.

A large group of citizens have attended the commission meeting supporting 24 hours police protection for the city and supporting the policemen.

In the commission meeting held on Tuesday evening, the commissioners voted to place Brett Ashley in the position of Interim Chief of Police at the present time. It was also discussed about the hiring of two more police officers to fill the vacancies. It is hoped that the hiring of new patrolmen can be accomplished in the immediate future.

This was all the action taken at the Tuesday night meeting.

Kevin Hirst, and behind some great blocks from the front wall of the Panthers, broke loose and raced 58 yards for the score with 5:55 left in the period. Hirst added the point after and Gorman led 7-0.

The two clubs exchanged possessions a couple of times, and with 5:08 left on the clock in the first half, Kevin Hirst got the final yard on a keeper to cap a 65 yard, 12 play drive that featured a 20 yard first down run by Stephen Scitern; a pass of 20 yards to Cory Pack for a first down; a 12 yard scamper by Matt Jones; also two more runs of 3 and 6 for first downs on third down plays. Hirst booted the point after and Gorman led 14-0.

During the halftime intermission the Panther Marching Band performed the routine that they were to present at the Band Contests on Saturday at Brady. They did a great job and the crowd really appreciated all the hard work and sweat that the Band put into getting ready for the event. The band was awarded a 2 in the contest. They did not get to advance in the competition, but they have come a long ways and are really to be congratulated on their effort and improvement this year.

Following the halftime activities, the Panthers forgot that the Wildcats were still in the game. The Big Red defense stopped the Wildcats on the first possession after the half and made them punt. Gorman got the ball on their own 15 and moved out to the 42. Then on a pass try, the ball was a little bit high for the offensive man, and Jarrod Horton, a tall secondary player stepped in front of the receiver, went high for the ball, intercepted it and raced for a TD with 6:25 left. Danny Alcorn booted the extra point and the score was 14-7.

Then after exchanging a possession by each team, the Wildcats got another interception on a bad pass attempt by the Panthers and returned it to the Panther 30. Then on the first play, Jimmy Evans found his receiver open down the sideline and Brian Bailey caught the pass and raced the 30 yards for the score with 9:22 left. Alcorn kicked the extra point to tie the score 14-14, and just that quick the Wildcats were back even with the Panthers, even though they had only 5 first downs.

The Big Red defense did a great job of holding the potent wildcat offense and held them to just 88 yards on the ground and just a total of 138 yards. Stephen Scitern did a great job in the secondary, picking off two Wildcat passes at critical times in the game. But the entire defense is to be commended for the outstanding job they did.

This Friday night the Panthers travel to Santo in another District 14A battle with some more Wildcats. The Panthers will need to keep up the good play on defense and improve the passing attack for a victory in this one. And, of course, this is yet another must win game for the Panthers to stay atop the District race.

So let's all follow the Panthers to Santo and give them out total support.

However, this score by the Wildcats woke up the Panthers. They took the ball on their own 30 yard line and started a drive that covered the distance in just four plays. On the first play Jason Ditmore ran for 8 yards. On the next snap the Panthers were lenalized 5 yards. Then Kevin Hirst got the first down with a 9 yard run. After a play for no gain, Kevin faked a handoff, broke out to his left and broke open to the outside and raced 51 yards to put the Panthers out front again with 7:49 left in the game. Hirst booted the point after and Gorman led 21-14.

After kicking off to the Wildcats, the Big Red defense again took charge as Stephen Scitern again intercepted a pass at the Rising Star 43. From there the Panthers scored in 8 plays to ice the win with 4:24 left in the game. The drive featured an 8 yard run by Stephen Scitern; a 4 yard run for a first down by Ditmore; a 3 yard run for s first down by Stephen Scitern; and a 15 yard run for a first down by Hirst. Then following a 3 yard gain, Jason Ditmore got the final 4 yards for the score. Ditmore ran in for the two pointer and the Panthers stopped the Wildcats the rest of the way for a 28 to 14 victory.

Jason Ditmore led the Panthers with 95 yards on 17 carries. Hirst got 76 yards on 11 keepers. Matt Jones ran for 75 yards on 19 tries. Stephen Scitern had 57 yards on 14 trips. Cory Pack ran twice for 17 yards.

The Big Red defense did a great job of holding the potent wildcat offense and held them to just 88 yards on the ground and just a total of 138 yards. Stephen Scitern did a great job in the secondary, picking off two Wildcat passes at critical times in the game. But the entire defense is to be commended for the outstanding job they did.

## FARM AND GARDENS

By **David L. Tunmire**  
Eastland County Extension Agent

Many parts of Eastland County experienced a light frost a couple of mornings last week. The threat of frost has raised the concern about prussic acid poisoning to many livestock producers.

Prussic acid or hydrocyanic acid poisoning occurs when livestock ingest plants containing this potent toxin. The acid develops when the plant is stressed in drought conditions or wilting following a frost. Another particularly dangerous time is when new sprouts begin to form on stressed or wilted plants.

Plants which have the potential for producing toxic levels of prussic acid include Johnson grass, sor-

## ASCS

### PEANUT PRICE SUPPORT LOANS

Price support loans are available for warehouse stored peanuts and farm stored additional peanuts from harvest time through January 31, 1991. The national support price for 1990 crop peanuts is \$631.47 per ton for average quality quota peanuts and \$149.75 per ton for average quality additional peanuts.

Additional information is available at this office.

### FALL PEANUT QUOTA TRANSFERS

We are maintaining a list for producers to indicate their need to transfer quota or receive quota under the fall transfer provisions. Fall

gum, sorghum hybrids and sudan-grass. Wild cherry species also have this potential.

Producers need to be taking precautions now because frost is when the potential for prussic acid poisoning is most dangerous. Do not graze susceptible plants for two weeks after a non-killing frost. Do not graze susceptible plants after a killing frost until the plant material is dry, usually in 10 to 14 days. Do not graze at night when frost is likely. Do not graze susceptible plants which are wilted or with young tillers.

After a frost susceptible plants cut for hay should be well cured. Wait at least two months before feeding.

There usually are no visible symptoms of prussic acid poisoning. Most of the time only dead animals are found. There is an antidote but it must be administered quickly to be effective.

Winter brings the threat of prussic acid poisoning for livestock but it can be managed for when precautions are taken.

transfers must be filed on or before December 31st.

### WORD OF CAUTION

Peanut marketing cards are issued to each farm producing peanuts for the purpose of recording the production of peanuts produced on that farm. Using the card to market peanuts on another farm, allowing

another person to identify peanuts produced on another farm, or commingling peanuts from more than one farm constitutes false identification of peanuts.

Violations will result in the assessment of severe monetary penalties and other possible civil or criminal liabilities.

## A Heat Pump cools, heats and saves.

Honest talk from your neighbors about heat pumps.

Texas is heat pump territory. And Texans are spreading the word that a heat pump cools, heats and saves.

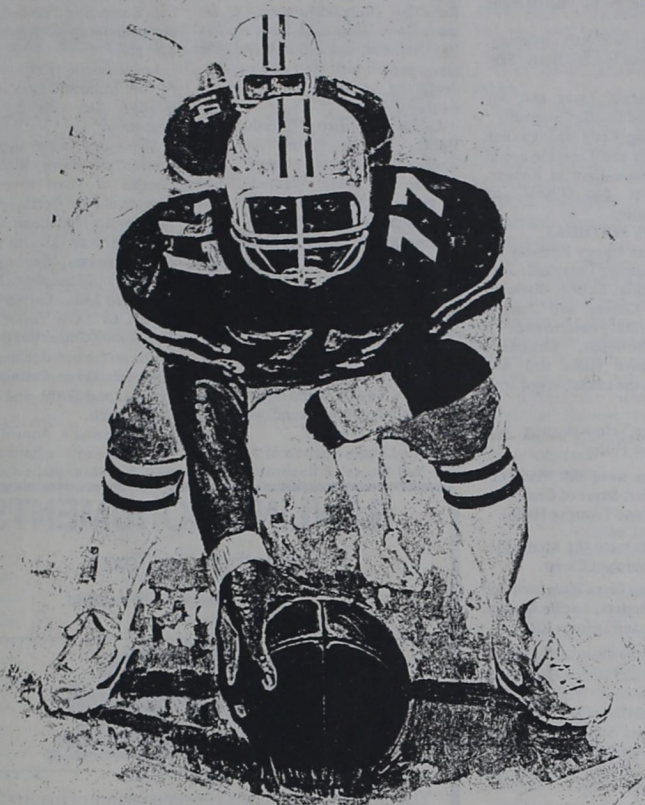

In the summer, it's a high efficiency air conditioner, and in the winter it keeps your home comfortable and saves money on your heating bills.

And it's made to last, offering you virtually trouble-free service for years to come. So check out the amazing heat pump for yourself.

## OPEN LETTER TO THE PEOPLE OF GORMAN

We have had several people tell us that they would like to be able to have their prescriptions filled in Gorman, but being on a fixed income they have to find the lowest price possible. We now have good news for anyone who has been going out of town to try to find these prices. During the month of November we will refill your prescriptions at or below the price you are now paying at any retail pharmacy or drug store open to the general public with walk-in service, plus we will guarantee the price not to increase for 3 months or 3 refills which ever comes first. The following restrictions apply:

1. Cash only no credit cards or charging allowed.
2. Proof of purchase from other pharmacy, (i.e. recent receipt, recent price list, or recent quote from store)
3. No third party plans will be allowed.

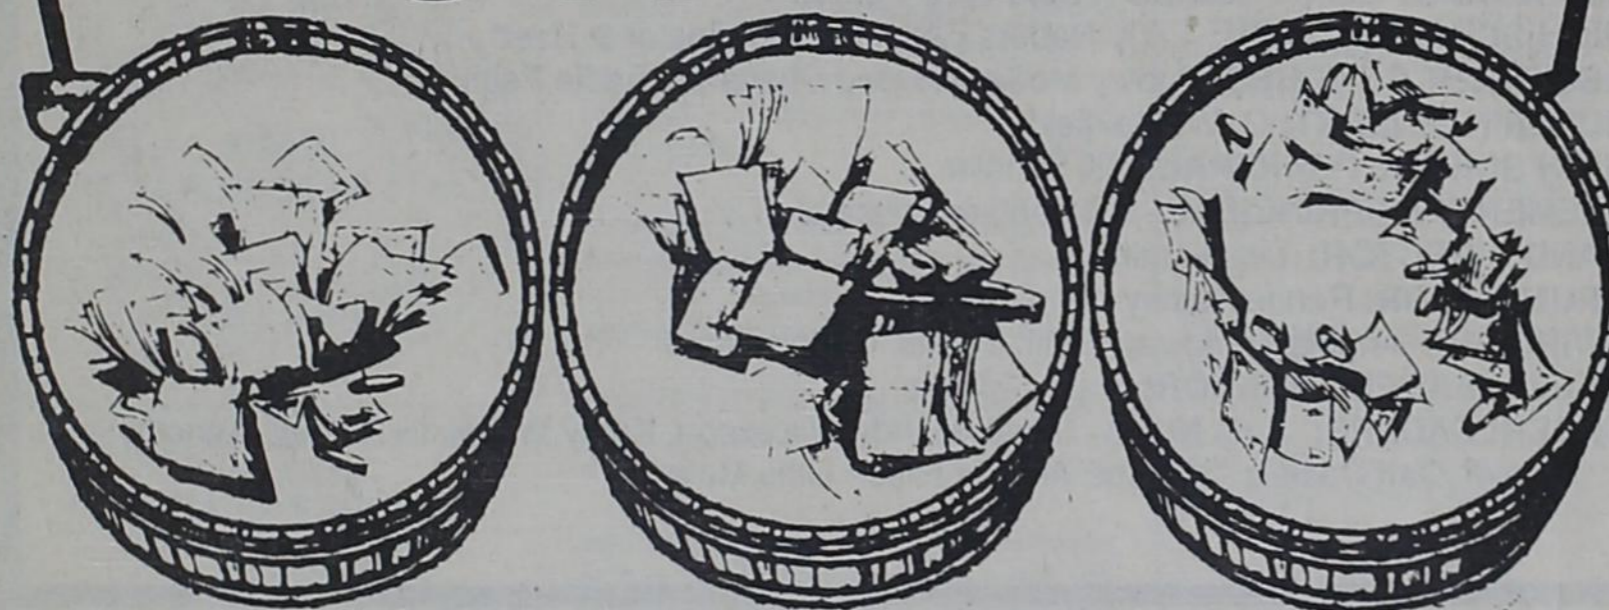

To get your prescriptions refilled under this offer, bring in your old prescription bottle and proof of price and ask our pharmacist to call the other store for a copy and fill your prescription with our price guarantee.

We are able to make this offer with the assistance of a supplier and will at the end of the three months reevaluate the offer and if successful continue the plan.

Sincerely,

/s/ George Simmons

## Golden Peanut Co. Names New Management Team

Atlanta — Formation of a new management executive committee to direct operations of Golden Peanut Co. was announced today by Don W. Sands, chairman of the board. Michael A. Stimpert, Larry J. Lemley and James W. Dorsett were named to the three-member team.

Gaylord O. Coan, who has served as Golden's president and chief executive officer, has been named executive vice president of Gold Kist Inc. Coan will continue his association with Golden by serving on the company's board of directors.

"I'm pleased to be named to Golden Peanut Company's board of directors," Coan says. "During the last three years, Mike, Larry and Jimmy have played important roles in charting the strategies and direction for this company and it's been a pleasure for me to work alongside them."

"Today's Golden Peanut Company is one of the 25 largest companies in Georgia with \$0.5 billion in sales," Coan continues. "Mike, Larry and Jimmy have solid backgrounds in the peanut industry and in marketing. I'm confident they'll continue moving the company forward at a rapid pace."

Golden Peanut was formed in 1986 as a joint venture partnership between Gold Kist and Archer Daniels Midland (ADM). Last year, Alimenta Processing Corp. joined the partnership.

Michael A. Stimpert, who has served as executive vice president, will chair the new management executive committee and will be responsible for staff and operations.

Larry J. Lemley adds new responsibilities to his present position as executive vice president of sales and marketing. He will direct domestic and international sales and marketing. Prior to joining Golden Peanut in 1989, Lemley was vice president and general manager of Alimenta (USA), Inc.

James W. Dorsett is promoted to executive vice president for procurement and government relations. His most recent position with Golden was vice president of procurement.

Golden Peanut, headquartered in Atlanta, buys, shells and markets peanuts worldwide. The company has seven shelling plants, a blanching plant, an oil mill and more than 200 buying stations located throughout the key peanut production regions of the United States.

Guthery of Desdemona; 17 grandchildren; and 25 great-grandchildren.

## Sixth Annual Chili Cook-Off Big Success

Some 11 cooks competed for the crown of 1990 "Chili King" last Saturday at the American Legion Post 471 Annual Chili Cook-Off. Shades of Belle Starr. The steen Clan came to town and walked away with honors that would stir the blood of many doubters.

Homer Steen from Monahans walked away with top honors and is the 1990 "Chili King" while 1986 "Chili King" Brother Bobby Steen from De Leon took third place. Thanks to Eric Royall and the De Leon VFD won second saving us from total embarrassment.

Some say that the judges this year took the bull by the horns and returned some justice to the chili cook-off when they awarded 1989

## WITH FRIENDS

Visiting Modell Crawley during the weekend were Mr. and Mrs. Bob Pharris of Haskell.

"Chili King" Mike Butler and fire builder Joe Locke the "Worst Chili" for 1990 Contest. Chili King Mike Butler has been quoted as saying that if he could have had a good fire, this worst chili award could have been avoided. Wait til next year, Mike.

Clayton Young saved the turtle race in winning first place over two Fort Worth turtles - Shawn Ross finished second while his friend, also from Fort Worth, Mac Caruthers, finished third. Another turtle (from De Leon) entered by Garland Bingham had to be picked up and moved. Seems that sleepy had been given sleeping pills instead of pep pills.

Judges for the 1990 contest were John Miears, Cathy and Randy Powers.

Officials for the chili cook-off were pleased with the 1990 contest and plans are in the making for the 1991 contest.

## Cubs Defeat Wildcats 26-14; Host Santo Wildcats Thursday

The Gorman Cubs played a victorious game against the Rising Star Wildcats on Thursday, October 25th.

With 3:59 left in the first quarter Don Mauney scored for the Cubs, with Chad Latham running in two extra points. Tom Bynum and Ronald Majors then made some outstanding tackles for the Cubs.

Don Mauney scored again for the Cubs in the second quarter, making the score at halftime 14-0.

The halftime activities included a spirit dance by the Cub Cheerleaders and they performed to "Ice, Ice, Baby," by Vanilla Ice.

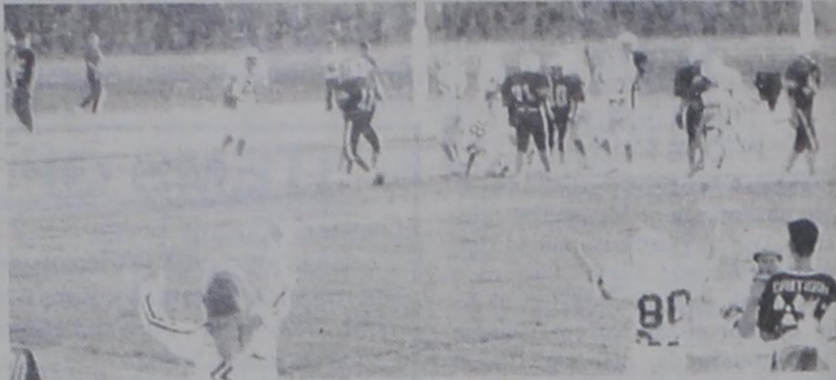

Don Mauney scored again in the third quarter. Rising Star also scored for the first time.

In the fourth quarter, Rising Star scored for the second time gaining on the Cubs. With only seconds left in the game, Don Mauney returned the kick-off for a score. The final score was 26 to 14 in the Cubs favor.

Coach Eddie Pettit said, "we played an excellent game. We were very aggressive and our offense played their best game of the year."

The Cubs next game will be their last home game of the season when they host the Santo Wildcats. The kick-off will be at 6:30 Thursday.

## Jennie Stone Celebrates 104th Birthday July 11th

Jennie Stone, a resident of the Granbury Care Center, celebrated 104 years at a birthday party on Wednesday, July 11th.

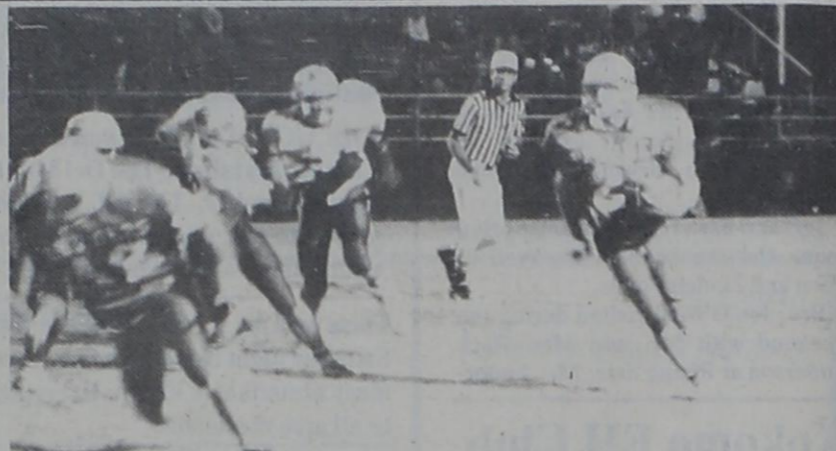

Stone was born on July 24, 1886 on a cattle ranch in Nebraska. In 1896, her family moved to Indian Territory in Oklahoma, where her father farmed and ranched. Four years later the family moved to Tulsa to operate a boarding house.

Stone met her husband, the late Earl L. Stone, Sr., in Tulsa and they married March 10, 1910. They traveled to Texas during the oil boom of 1918 and settled in the Desdemona and Gorman area where she resided until 1983.

Her husband's company, the Kennedy and Stone Drilling Company, drilled one of the largest oil wells in the Desdemona Field during the boom days of 1919.

Her children are Mrs. Miola Townswood of Fort Worth; Earl L. Stone, Jr. of Granbury; and the late Mrs. Clara Mae Smith of Gorman.

Stone has been a resident of the Granbury Care Center since 1983. She was a longtime resident of Gorman and has many friends here who love her and wish her well.

KEVIN ON THE MOVE - Kevin Hirst with blocking out front by Matt Jones is shown gathering enough yardage in game action Friday night for a First Down. Kevin had 11 carries for a total of 76 yards.

PANTHER DEFENSE HOLDS WILDCATS - Justin Underwood and Kenneth Rainey are shown above making the tackle on a Rising Star Wildcat during game action Friday.
