REVIVAL TO BE HELD H. Blackwell Laid To Rest Monday

PRESS POINTS Joe Bennett, Publisher

Well, we have some good news and some bad news for you this week. First, the bad news: The Progress is forced to raise the subscription rates to \$6 for local subscribers and \$8 for all other subscribers.

By Brenda Hirst The Frank A. Gray Memorial Park Association has begun work for the summer season. We had a Clean-up Day, the grass was mowed and trees trimmed.

New Hope Baptist Church extends to the community an invitation to participate in revival services which will be held June 28 through July 3. Daytime services Monday thru Friday will be at 12 noon with lunch being served in the fellowship hall.

RANGER — Home Blackwell, 83, of Ranger died at 2 a.m. Saturday June 20, 1981 in Western Manor Nursing Home after a long illness.

Mike Henson will be preaching. Mike has been the pastor of Harmony Baptist Church at Morton Valley

He graduated from Howard Payne University in Brownwood and has completed two years work at Southwestern Baptist Theological Seminary. He and his wife, Nancy have one six year old daughter whose name is Leah.

The Rev. Ronnie Skaggs, First Baptist Church pastor, officiated. Burial was in Alameda Cemetery. Born August 20, 1897, in the Chaney Community, he was a lifetime Eastland Co. resident.

The cost of the Progress on the racks will be increased to a level equal to the papers in our area and will be 25 cents per copy beginning July 2 along with the increase in subscriptions.

Our proposed work for this summer is to build restrooms and supply them with water; build a fence across the front of the park; designate parking area; and improve roads.

KOKOMO NEWS by Zelda Jordan

There is really no doubt that summer has arrived, but I guess that we are still lucky that we have not had the 100 plus temperatures that some parts of Texas has had.

He is survived by his wife and several nieces and nephews. Masons served as pallbearers and conduct a Masonic graveside service.

Graveside Rites For Miss Reed

Yvonne Reed, 3 month old daughter of Mr. and Mrs. David Reed of Abilene died Monday June 15. Graveside rites were held in Stephenville Tuesday June 16 at 2:00 p.m. at Lowell Cemetery.

Anyone wishing to give a donation to the Park Association should see Milton Jensen, Troyat Underwood, Ted Higginbottom, Howard Hagood, Doug Rainey or Arnold Butler.

Summertime is a time of family reunions, and there has been several concerning the people of Kokomo in the last couple of weeks.

The cool damp weather that we enjoyed for awhile has given away to the usual good old hot summer weather and most of the farmers of the area are glad to see the dry weather and hot days right now so they can finish planting and do some spot replanting where the peanuts were washed out by the water.

SENIOR CITIZENS NEWS

Well, today the Sun reached the end of its journey northward or rather the Earth did that on its axis. So it starts south for six months and that terrible north wind and snow and ice.

Ott brought new batteries for his radio and still cannot get his ball games. He rises two extra packages of cud each day. You had better hurry or you will miss that

double header the 4th. What all should do is just stay at home and strike. The players are getting too much salary now. The tickets to the games are too high any way.

Our sympathy goes out to the Sorrells family in your grief. May you look to the Master of All in you time of sorrow.

In answer to Ross Wilson's statemtn about the fools

that opposed the peanut program. I written several times about opposing the peanut program in its present form. He needs to borrow a Bible from some one and read what it says about anyone calling a person a fool. He said give them hell. He might find himself in a precarious condition.

I say it is not right to subsidize the Dairy and peanut industry and let the others root hog or die. Stop leasing, transferring or selling of allotments.

they are asking for over two million dollars to subsidize to repair Railroad to ship

peanuts on. They cannot hope for more shipment by rail than there has been. So they will need more money later.

Just set a certain loan price on peanuts. No allotments. So anyone can plant peanuts. A reasonable price. That way you would rule out the inefficient ones. Set a limit on all crops taht you could put in loan or sell in any one year.

Elbert went to the farm on Tuesday evening brought back a 52 inch Rattler. A lot of good steak went to waste there. The skin sure would have made a nice belt.

When we were on the farm a turkey stole off her nest and hatched three little ones. She stayed on the creek with them for several weeks. One day Elbert and Vernon came in from the pasture and Vernon said "Mother the old turkey still has her three turkeys yet. We saw where she crossed through the mud and there were three little turkey ruts." He knew cars, wagons and cultivators made ruts. So did the turkeys.

What I am wondering is how President Reagan is going to balance that Budget. He must remember he borrowed 65 Billion dollars

the first thing. To balance his Budget that must be paid back and I have not seen any figures where he plans to pay it back. If I borrow that way the Bank would want that back with interest.

The first time I farmed in 1925. I sold wheat for \$2.00 a bushel. Bread was 12 cents for 1 1/2 loafs. Today wheat is \$3.70. That will buy five loaves of bread. While in 1925 it would by 176 loaves. So you see the farmers are getting cheated as usual. The feed and clothes they are entitled to. That is always true.

In 1926 I believe they were

GORMAN PROGRESS, JUNE 25, 1981

trying to set a record at Ranger. K. C. Jones had a grain elevator and flour mill there. There was a wheat field about 200 yards from the mill. Bob Hise put the thrasher at edge of field. Mr. Breuner had reaper there. Jones blew whistle on mill. Reaper started. Hise thrashed about 1/2 bushel of wheat. a car rushed it to the mill. a

woman had ingredients in bowl ready for flour. Oven in mill already hot. In less than one hour hot biscuits were being eaten with butter and honey. It was a world record at that time. Um! Good eating.

Look up. Smile.
