

Connally Seeks Action to Halt Labor Strikes

WASHINGTON, D. C.—Rising to the floor of the Senate last week, Senator Tom Connally urged his colleagues to give heed toward halting labor shut-downs in national-defense plants. Connally emphasized his interest in getting immediate legislative action on the problem.

"It seems to me, said the Texas Senator, "that fundamentally there is no difference between employer refusing to go on and produce and the employees refusing to proceed with normal production. So, if I had my way about it, I would adopt a provision directing or authorizing the President, through the Secretary of War or the Secretary of the Navy, to take over any plant which has a contract for the production of essential national-defense articles, arms or ammunitions, where disputes between the employer and the employees, or other labor disturbances, are impeding and delaying production."

Law exists now for the government to take over plants where the owner refuses to cooperate in the defense drive; Connally feels that the law can and should be amended to permit the Government to take a hand in cases where employees refuse to cooperate and tie-up defense production.

"There is a law against striking against the United States," remarked Senator Connally. "If the government should take over a plant as it did during the World War, governmental boards would determine each particular factory what is a fair wage and what are fair working conditions."

Connally's legislative record has long been considered as friendly to labor; yet at the present time he considers "the Union of the United States as Union Number 1 in this country, which is superior and paramount to any other union."

RECEIVES SCHOLARSHIP

Mrs. Heaton, teacher of English and Latin in Gorman High School, received word recently from Dr. L. M. Ellison, head of the English department in T. S. C. W., that she had been awarded a twenty-five dollar scholarship for outstanding graduate work toward her M. A. degree in English. Congratulations to Mrs. Heaton for this splendid work!

Milton Statham and family of Corsicana and Tom Statham and wife of Dallas visited their mother here over the week-end, and she returned with them for an extended visit.

Clean-Up Drive Showing Results

The work of the Clean Up Campaign which began Monday is making many lots look much better and with clear weather for a few days most premises will take on a more attractive appearance.

Those who have not gathered cans, rubbish and anything which tends to mar the home surroundings are urged to see to this at once in order to take advantage of having this hauled off at no cost to the individual. The only requirement is to place rubbish in sacks or boxes on the curb to be quickly picked up by trucks.

Senior Class To Present Play

The Senior Class has just announced that by special arrangement with Samuel French of New York City they have procured the rights to Bruce Brandon's latest and gayest comedy entitled, "High Pressure Homer." This is a comedy of family life and it is to be given on April 18, 1941 at the Gorman Gym. The cast has been selected and is rehearsing diligently under the direction of Mrs. Allen.

Good plays for amateur players are difficult to find and that is why this play was selected for local presentation as soon as it was read. If you've never attended a "laugh fest" here is your opportunity because "High Pressure Homer" is just that—a clean, entertaining and screamingly funny comedy that has broken attendance records everywhere. It is a fine study of American life attacked from a new viewpoint. The play is replete with funny situations and sayings that will be quoted all over town the following day. You'll be greatly amused at the character of Homer Hampton Haywood, a young show-off who in spite of his high opinion of himself only succeeds in making a hopeless mess of everything he tackles—and he tackles plenty of things during the three acts of this play. He seldom holds a job longer than a day or two and is just full of ideas for achieving great success with his high pressured salesmanship. This part is in the able hands of A. C. Donica and he will have you convulsed from the time he makes his first entrance until the very curtain of the last act. The entire Woodruff family in whose house the action of the play takes place are given to mad pranks that are so amusing to an audience, and judging by rehearsals this is going to be the best performance ever offered by a local group. It's a play for the entire family.

SINGING CONVENTION TO MEET APRIL 12 & 13

The Eastland County Singing convention will meet Saturday night, April 12, and Sunday, April 13, at the Penile Church, five miles south of Eastland, it was announced this week by A. E. LeClaire, of Eastland, president of the convention.

Several quartets are expected to be present, LeClaire's announcement of the convention meeting stated, and the public is invited to be present.

Bullet Gray of Nocona was here Monday afternoon for a short visit with homefolks. He was returning from Austin where he had been the past month having undergone a knee operation. Bullet was reelected to his place in the Nocona school.

Herb Thompson was in Dallas on business Monday.

Farmers Organize Gorman Truck Growers Association

The opportunity for truck farmers of this section to realize some cash at a time when their buying power is the lowest has presented itself and judging by the action taken by a large number of truck growers last Thursday night, April 3, they do not intend to sit idly by and watch some other section of the state step in and do the job and reap the harvest that awaits them.

According to information from Army Camp officials there will be an urgent demand for all of the fruits and vegetables that can be produced in this section, and, if the quality is high, the price will be equally high.

Such an organization in any community would not only serve to aid the farmers in this instance alone, but it might well be the beginning of a much bigger and far-reaching organization in the future.

The marketing place for the farmers produce was settled when it was learned that the two large warehouses of the Southwestern Peanut Growers Association would soon be vacant and that they could be used as a marketing center. It was also announced that the seed could be secured at wholesale price.

Every farmer in this section is invited to join this organization. They will be under no obligation to sell through the association but can sell their produce at the highest price that they can receive anywhere or at any time.

At the meeting the following officers were elected: president, J. E. Smith; vice president, Dallas Jobe; secretary-treasurer, Glen Kirk. Ten directors, composed of business men and farmers from the different communities around Gorman, were appointed.

Below are the recommendations given by the organization for the production of commercial vegetables in Eastland county; however, there are many vegetables other than those mentioned that will find a ready sale and a good price during the coming season.

Those farmers who are interested in this organization are urged to contact officials or members at once in regard to it.

There will be another meeting tonight (Thursday) at the school house at 7:30 p. m.

I. Snap Beans—Burpee Stringless Greenpod.

1. Land preparation—A good seed bed should be prepared.
2. Amount of seed per acre—60 to 80 lbs. per acre should be planted, depending upon the type of soil. Plant in 3 to 3½ foot rows with plants 3 to 4 inches apart in rows.
3. Fertilizer—200 lbs. of 4-12-4 or its equivalent is recommended per acre.
4. Cultivation—Thorough Cultivation when plants are young; very shallow cultivation after blooming.
5. Inoculation of seed is recommended.

II. Okra—Perkins Mammoth Longpod

1. Land preparation—A good seed bed should be prepared.
2. Amount of seed per acre—About 10 lbs. seed per acre should be planted. Plant in rows 3½ feet apart with stalks left 2½ to 3 feet apart in the row.
3. Fertilizer—From 100 to 200 lbs. of 4-12-4 fertilizer, depending upon the fertility of the soil.
4. Cultivation—Cultivate similar to cotton.

III. Cantaloupes—New Perfecto

1. Amount of seed per acre—2 to 3 lbs. seed per acre needed. Plant in rows 9 feet apart with the hills 4 to 6 feet apart in the row.
2. Fertilizer—Use good cow or sheep manure of 100 lbs. per acre of 4-12-4.
3. Cultivation—Cultivate shallow and keep vines turned until blooming.

IV. Squash—Yellow Summer Crookneck

1. Land preparation—A well prepared seed bed is recommended.
2. Fertilizer—Either sheep or cow manure or commercial fertilizer.
3. Cultivation—Shallow cultivation, planting same amount of seed as for cantaloupes.

V. Tomatoes—Henry Field's Redhead

1. Land preparation—The seed bed should be prepared early.
2. Planting—The seed should be planted in a hot bed; when plants are 4 inches high they should be transplanted into a cold frame; as soon as they put out their second set of feeder roots, ½ to 1½ inches long, they should be transplanted into the open field.
3. Fertilizer—200 to 300 lbs. of 4-12-4 or 6-12-6 per acre.
4. Seeding—Set in 7 ft. rows with plants 4 ft. apart in rows.

VI. Cucumbers—Long Green

1. Seeding—Rows 7 ft. apart with plants 3 ft. apart in rows on a well prepared seed bed.
2. Fertilizer—Heavily fertilized with cow or sheep manure and then add 200 lbs. of commercial fertilizer per acre.
3. Cultivation—Shallow, after a well prepared seed bed.
4. Amount of seed per acre—About same as for cantaloupes.

VII. Blackeye Peas—California

1. Planting—Rows 3½ ft. apart; plants 8 to 10 inches apart in row.
2. Cultivation—Shallow and clean.
3. Fertilizer—Superphosphate (acid) fertilizer at rate of 100 lbs. per acre after the seeds have been inoculated before planting.

VIII. Corn—Trucker's Favorite

1. Planting—Rows 3½ ft. apart with plants 3 ft. apart or rows 7½ ft. apart with plants 18 inches apart in rows.
2. Fertilizer—Apply 100 to 200 lbs. per acre of 4-12-4 and side dress with nitrate of soda or sulphate of ammonia.
3. Cultivation—Cultivate in the usual way for corn.

Supplemental Information

Inoculation—Beans and peas should be inoculated with "Nitragin" inoculant prepared especially for each crop.

Seed Treatment—Cantaloupes, cucumbers and tomatoes should be treated with "Semesan" before planting to control seed carried diseases.

Insect Control—A complete guide for controlling vegetable insects, with the latest recommendations, will be available through officers of the organization or from the county agent or home demonstration agent.

BACIL ORMSBY RECEIVES PROMOTION

Friends of Bacil Ormsby will be glad to learn of his promotion in the Service Unit of the Quartermaster's Division, where he was inducted January 21.

Out of three hundred who worked for this place only five were appointed, Bacil being one of these. He is a second specialist, 1853 Service Unit, Quartermasters Detachment. He was promoted from a private to this position in about two months with his salary doubled. Another example of home town boy makes good!

TEXAN TO BECOME HEAD OF OKLAHOMA CITY UNIVERSITY

Rev. Cluster Q. Smith, native Texan, prominent in the Methodist Church, has been named president of Oklahoma City University. He was formerly president of McMurry College and has served as vice president of Southern Methodist University.

He is known to a number in this district having been presiding elder of the Cisco District from 1932 to '34.

L. D. Stewart was in Denton Wednesday to bring Mary Dell home for the holidays.

Skilled Workers Needed In U. S. Defense Program

AUSTIN—April 7.—Workers in Texas capable of manning defense industries were urged by Governor W. Lee O'Daniel today to register at their nearest local State employment office.

There is an emergency need for skilled workers, Governor O'Daniel said after conference with representatives of the Office of Production Management and other national defense agencies.

"The shortage of skilled manpower, already evident in the aircraft shipbuilding and machine tool industries, is of major concern in Washington," the Governor said. "It is also of great concern to us here in Texas, where we have the raw materials, workers, and imagination to build a great industrial State."

"The shortages of skilled workers may be, and probably are, in part at least, only apparent," the Governor continued. "It is highly probable that among our unemployed are men and women with skills and training which are needed immediately to fill defense jobs—or who could fill defense jobs with a short course of training to refresh their former skills. It is safe to say, also, that thousands of men and women possessing these much needed skills are working on non-defense jobs in which they are not using those skills. These people will enter the ranks of our industrial army—they can fill jobs in private defense plants and in arsenals and machine plants operated by the Government, thereby greatly implementing the national defense program."

The Governor urged that every unemployed person and every worker with an unused skill that is needed in defense industry go to the nearest State Employment service office and register immediately, or write him describing the work they are equipped to do.

Gorman Club Wins Place At District

The Sixth District Texas Federation of Women's Clubs closed one of the most successful conventions Friday at Ballinger with the presentation of awards announced. Representatives from one hundred and twenty-eight clubs were present for the convalesce, making the largest attendance in a number of years, it was reported.

In the Sixth District poetry contest Mrs. J. N. Kirk of the Excelsior Club of Gorman won first place with her contribution "Sunset Beauty," and was awarded a book of poems by Lexie Dean Robertson, past Poet Laureate of Texas.

Attending as representatives from Gorman were Mrs. Sally Bishop and Mrs. Ellen Oldham, and accompanying them in their car were Mrs. W. H. Davis of Desdemona and Mrs. John Love of Alameda.

BAKE SALE

The ladies of the New Hope Baptist Church will sponsor a bake sale, Saturday, April 12. The sale will be at Jay Grocery and Market.

BIRTHDAY PARTY

Miss Deanna Rose entertained a group of youngsters last week at the home of her grandmother, Mrs. Dean. She celebrated her third birthday with a party and Easter egg hunt. After all the eggs had been found and pictures taken of the group, whipped jello and cookies were served to the following:

Ollie Jo and Peggy Bob Rucker, Lou Evelyn Lassater, Shirley Broom, Betty Jane Foster, Barbara Ormsby, Ernestine Todd, John Edward Kimple, Annie Kate Blair, Jack Benney Shelley, Billy Ted Hamrick, Barbara Bennett, Joe Mchaffey, Woodrow Browning, and Little Jake Webb.

School Trustees Elected April 5th

There were three trustees to be elected April 5, as the terms of O. D. Brogdon, B. H. Butler and L. D. Stewart had expired. The names of Brogdon and Butler were on the ballot, and in order to elect the third, it was necessary to write in the third name with the following being elected: Brogdon, Butler and Stewart.

County Trustees

The reelection of the following is the result of April 5's balloting for two county trustees and trustee at large: Mrs. J. R. Burnett, Cisco; Tohe Morton, Morton Valley; and Dr. P. M. Kuykendall, of Ranger, trustee at large.

Crawley and Baze Place At District

Gorman with only two contestants, Jack Crawley and Graydon Baze scored 12 points in the District Track and Field Meet held April 5th. at Breckenridge.

Crawley took first place in both discus and shot handily. His toss of 45 feet and 1 inch won the shot and his throw of 121 feet won him first place in the discus.

Baze placed third in the pole vault soaring over the bar at 10 feet and 4 inches.

Both are qualified for the regional meet this week-end at Abilene and if they place there will go to the State meet at Austin.

Jack and Graydon are two of the greatest athletes ever to wear the Red and Blue of Gorman High School and should be commended for their excellent work in football, basketball and track the past four years. Great things are expected of both in their college days.

CARD OF THANKS

We wish to express our sincere appreciation to everyone who helped us, in any way, when our barn burned. We take this method of telling you as it would be impossible to think each one personally. Your kindness and helpfulness will long be remembered and may true friends come to your assistance in time of trouble as you did to us.

Nick Duggan and family.

Church of Christ

As a man thinketh in his heart so is he, Prov. 24:9.

The thoughts of the wicked are an abomination to the Lord, but the words of the pure are pleasant words, Prov. 15:26. Finally brethren, whatsoever things are true, whatsoever things are just, whatsoever things are of good report, whatsoever things are lovely, if there be any virtue, think on these things, Phil. 4:8. Thought is the fountain of our actions. If we make the fountain pure all our actions will be pure.

Studying the Bible and attending church regularly will help keep our thoughts right. The Church of Christ welcomes you to study with them the Word of the Lord. Following is schedule of services:

Sunday: 10:00 a. m.—Bible study 10:50 a. m.—Preaching; 6:30 p. m.—Young people's meeting; 7:30 p. m. Preaching, Prayer meeting, Wednesday, 7:30, and Ladies Bible class—2:30 on Friday.

Mrs. Charles Boyd and son of Pecos spent the week-end with her parents, Mr. and Mrs. Bill Sims and other relatives. Mrs. Sims returned with them for a short visit.

Mr. and Mrs. Max Stephens of Artesia, New Mexico, who arrived last week for a visit with his parents, Mr. and Mrs. Tom Stephens, left Tuesday for their home. He is employed by an oil company there.

Lake Childers was in Brownwood on business Tuesday.

Omar Burleson Named Secretary To Sam Russell

Omar Burleson, well known here, began his duties as secretary to Hon. Sam Russell on April 1. With the exception of about a year here he has lived in Jones county most of his life.

He was defeated in the run off for State Senator by John Lee Smith of Throckmorton last summer. He was educated in Abilene Christian College and Simmons University. His law training was received in Cumberland and Vanderbilt universities and the University of Texas.

He recently resigned work with the Federal Bureau of Investigation to accept the work with Congressman Russell.

MRS. JOHN KIRK WON FIRST IN CLUB POETRY CONTEST

Mrs. John Kirk had cause to feel much better, her friends believe, when announcement was made of her recent poetry contest winning. At the district federated club meeting held in Ballinger on April 3 and 4, first place in poems, submitted from members of federated clubs throughout the sixth district, was given to Sunset Beauty written by Edna Anderson Kirk, member of the Excelsior club of Gorman. At the time of entering the contest, Mrs. Kirk was ill in Marlin.

It is not news to her friends here of her ability to write good poetry, but this is perhaps the first poem which she has entered for competitive judging. We hope this may encourage her to write others. Her poem follows:

Sunset at close of day!
Such beauty I have known
With clouds of amber, gold, and gray,
No canvas e'er has shown.

Sunset at close of day,
Such beauty to behold!
The skies and clouds rose-tinted,
gay,
With topaz trimmings bold.

Sunset at close of day
Then twilight softly flames;
Such beauty can but pass away
But Ah! the joy remains.

A LETTER TO MY FRIENDS

I wish to take this opportunity to thank my many friends who supported me in the school trustee election Saturday. I felt I had given the school the pro rata part of my time on the Board, and that some other citizen should serve. I did not permit my name to go on the ticket, in order that anyone else wanting to serve could have his name on the ballot and be chosen by the voice of the people. It was not my intention to shirk my duty, but I felt that there were others who might want to fill this place. When the ballot was printed, there were only two names on it, and my friends had enough confidence in my ability as a trustee to write my name on the ticket almost 100 per cent. So, for the interest manifested by the voting for me, I will again be glad to give my time, thought and energy to help advance the welfare of our school, and in the completion of the project that is now in progress, as well as any future development of our school.

I am proud of our school and community and want to do my part in their advancement. I have been on the Board for the past eight or nine years, and have tried hard to make a trustee, and have not

in any way shirked my duty, although I feel sure that we, the Board, have made mistakes, but they were made through ignorance.

I am heartily in favor of a strong school system; there is nothing too good for our school. I shall continue to strive to help make it one from which any student could say, "I graduated from Gorman High School—I'm proud she's my Alma Mater."

Yours truly,

News of Desdemona

By Mrs. W. C. Bedford

Rev. W. E. Anderson, who is making his home with one of his daughters, Mrs. Jack Watkins, and family who live on a farm near Rising Star, came over Saturday afternoon and was the guest of Mr. and Mrs. J. E. Heeter and Mrs. S. E. Snodgrass until Sunday morning. He was the guest of Mr. and Mrs. C. H. Genoway at noon Sunday. At 11 o'clock, Sunday, he preached at the Methodist Church of which he was pastor from November 1938 to November 1940 when he retired from active work on account of his health. His many friends were delighted to see him and to know that his health is much better and he hopes to be able to re-enter the ministry next fall.

Sunday afternoon a singing was held at 2 o'clock at the Methodist Church where a large crowd had gathered to hear the many groups of singers from several nearby towns and communities. T. L. Acrea presided over the meeting and several different ones led the songs. Mrs. Gillett, of De Leon, was accompanist. By vote of those present it was decided to have a singing here on each 2nd Sunday afternoon beginning in May, as the County Singing Convention is to be held next Sunday.

Mr. and Mrs. Dave Key of Gorman were guests of his parents Sunday evening.

Miss Edith Creighton was hostess to the members of the "42" club Monday at the home of Mr. and Mrs. George Patterson. Mrs. W. H. Powers and Howard Williams drew places at the head table and did not lose a game. Those present were Mr. and Mrs. George Patterson, Mr. and Mrs. Howard Williams, Mrs. Tom Nabers, Mrs. W. H. Powers, Miss Delia Wall, Miss Ruth Crenshaw, Mrs. J. E. Heeter, Herrell Kelley, C. L. Brannan, C. A. Skipping and the hostess.

Mrs. W. H. Davis went to Gorman early Thursday and went with some of the club women of the Excelsior Club to Ballinger to attend the two-day session of the Sixth District Federation of women's clubs. Some other members of the Desdemona "21" Study Club who went on Friday for just one day were: Mmes. C. A. Skipping, Charles McFatter, C. W. Malthy, Scotty Lemaster, John Arnold and Howard Williams. They went in Mrs. Skipping's car.

Although not specially called as such, a National Defense industry has sprung up here in something of a big way in the business of buying cable and shipping it out to be melted up and used for various things needed by the government. Besides the buyers a number of truck men have come to our town to help in getting the cable shipped. Several hundreds ton have been stored on the gin lot and trucks are there every day—some carrying it out and others bringing in more from the fields near here.

APRIL 30th CLOSING DATE FOR MATTRESS APPLICANTS

County offices are advised that April 30th, 1941 will be the closing date for applicants to execute and file Form C M P-2, Application for Mattress Material. All families who are eligible to make application for a mattress in this program and have not done so should be at Higginbotham's on one of the three Saturdays, April 12th, April 19th, and April 26th. Committees will be there each Saturday to help you with the application.

Please make your plans to be at the place to meet the committee one of the three days. Do not go to the home of the committee members during the week. The committee will not be at the store except on the three Saturdays and do not go in and bother the clerks about it.

This program is for low-income rural families and not for families

IF YOU LIVE IN West Central Texas YOU'RE IN THE OIL BUSINESS

I am a farmer who knows what oil means to West Central Texas.

All of us who live in this section share in one way or another in the income which oil creates.

Nearly three and one-half million acres of our land are now under lease. Each year our lease and royalty income is an extra cash crop of over 6 million dollars.

Almost 30,000 residents of this area, including oil workers and their families, get their entire living from the petroleum industry. All told, this industry spends nearly 28 million dollars a year in West Central Texas.

This money is spent and respent until every farmer, merchant, business and professional man... in fact everyone... in our section gets his share of it.

Everyone living in West Central Texas today has an important stake in the oil industry and its future in Texas.
