

# CHEANEY NEWS

Reporter, Mrs. Bill Tucker

It has been called to our attention that even headlines get overlooked and all because it wasn't in the Cheaney News.

For instance, some did not know that Mrs. John Love kept office days, each Tuesday and Friday for Farm Bureau, in Eastland at the Perkins Implement Company, because we hadn't

mentioned it in the Cheaney Column. Now we had not overlooked the fact, but it had already made the headlines so we didn't repeat it — but we do appreciate the interest in the news and community activities.

Mr. and Mrs. Dick Weeks, Ann Sue and Dicky of Comanche were visitors Sunday with the Ben Freemans and Hatley Deans.

Mrs. John Love went to Gatesville Saturday and brought back her small niece, Patsy Rose Smith

for an overnight visit.

They went back to Gatesville Sunday to attend the funeral of Patsy's grandfather, Frank Smith, who was tragically killed last week in a car wreck. Patsy is the daughter of Minnie Dell (Rose) Smith and Floyd Smith, of Jal, N. Mex, a sister to Mrs. Love.

Mr. William Melton has made a splendid recovery from surgery. He passed his 79th birthday while a patient in the Blackwell Hospital. He will be able to go home this week.

Mrs. Zelia Perrin continues to be very low in the Ranger General hospital. Her parents, Mr. and Mrs. Bill Sparger, have moved in to Ranger to make their home.

Billy Joe Rodgers overcame his sudden attack of appendicitis after several days treatment, without surgery.

Mr. and Mrs. Oliver Galloway were callers in the John Tucker home a few days ago.

A field representative of Boles Orphans home, Bro. Louis Hogue, preached both morning and evening services at Cheaney Sunday. Following the evening service, pictures of the home and its students were shown. Other guests were Mrs. Hogue, Mr. and Mrs. Robbins, Don Kinney and a girl friend all of Abilene.

Mr. and Mrs. Herman Nerger were Sunday afternoon callers in the Eula Hart home.

R. D. Hart came home ill, from Snyder over the weekend, but reported back to his job on Monday.

Mr. and Mrs. Frank Poteet were supper guests Friday night in the Bill Tucker home. After supper that dishpan full of popcorn proved mighty tasty as we toasted our toes by a good wood fire.

Mr. and Mrs. Leo Huddleston, Mr. and Mrs. Jack Blackwell and Mr. and Mrs. Jno Love went to the Gorman Church of Christ Saturday night, to hear the program by the Bel Canto Chorus, of Boles Orphan Home, Quinlan, Texas.

James Hart II (Junior) is reporting for service on November 10. He has been a reserve, since World War II and rated a Lieutenant (J.G.) in the Army in the European theatre of action.

It was while he was stationed in England that he met and married Kay, his wife. They are here visiting his mother, Mrs. Eula Hart, this week.

Mr. and Mrs. Sanford Lemley went to Gorman on Sunday, following the morning church service to attend the birthday dinner of her nephew, Smick Ramsey of Houston. The two small boys playing in the Lemley yard Sunday morning were David and Bobby Hart, sons of Lura Belle (Ramsey) Hunt, of Houston visiting here on the birthday occasion.

Mr. and Mrs. John Love entertained the members of the Farm Bureau Resolutions Committee and their families with a Mexican Supper, Thursday, Nov 1st, using home demonstration methods and recipes for the entire menu, thus adding a star to the Home Dem. Crown.

Included on the guest list were Mr. and Mrs. Joe Bob Browning, Kathy and Bobby of Gorman; Mr. and Mrs. Luther Cunningham; Mr. and Mrs. Ben Freeman and Mrs. Carrie Freeman, and members of the Love family.

The committee worked at drafting resolutions to be presented on Tuesday night, November 6th in Eastland at the Annual County Convention of Farm Bureau. Richard Tucker left Monday morning for Hobbs, N. Mexico, where he expects to be employed. Mrs. Tucker will join him later.

## IN SINCERE APPRECIATION

Some of you we may otherwise miss, so we are taking this means of trying to express our appreciation for all the sweet and wonderful things you did for us when our Papa passed away and thru the long illness before. We have no words that are adequate to express the comfort you afforded us. The flowers were all one could ever hope to see and the wonderful food brought here was so perfect. These kind expressions of your love and sympathy shall remain in our hearts until we have finished this earthly course. These sweet things have made our heavy burden easier to bear. We especially want to mention Bro. Ray who visited Papa often and gave him so much comfort. May God bless and keep each of you thru all your days.

Mrs. Angie Pritchard and daughters.

## PACIFIC COAST CITIES TOPIC OF STUDY FOR PROGRESSIVE CLUB

"Pacific Coast Cities" was the topic of study for the Progressive Study Club when they met on Thursday, November 1st in the home of Mrs. Gene Wright.

Mrs. Wright read a paper prepared by Mrs. G. C. Acrea who was detained at her home due to illness. Unusual facts peculiar to the various cities listed were given in the description and many bits of historical interest. And although the title had specified Pacific Coast Cities, other cities of the West were discussed.

# Armistice Day

Today as we pay silent homage to those who gave their lives that we might continue to enjoy Democracy, let us rededicate ourselves to a continuation of the principles for which they fought. We have freedom at the polls, freedom to participate in civic activities and, above all, freedom of thought and speech. Let us exercise these privileges of democracy wisely and to the fullest of our abilities — for this is the best way we can prove they did not die in vain.

## Information and facts pertaining to the Special Election to be held in Eastland County On November 13th for the Re-Allocation of Constitutional Taxes.

Our Constitutional tax levies were written into the Texas Constitution prior to 1900. These tax levies produce the operating funds of your county, and are now as follows: Jury Fund .15 cents; Road and Bridge Fund .15 cents; Permanent Improvement Fund 25 cents; and General Operating Fund .25 cents.

Since 1900 many changes in the various costs of operating a county government have taken place. Consequently adjustments in these tax levies for Eastland County are necessary to operate its government with more efficiency. The Jury Fund, out of which the jurors and other court costs are paid, does not need the full .15 cent tax. In recent years the Legislature has enacted laws which have added to the tax burden supported by the Road and Bridge Fund and the General Operating Fund.

The present state laws permit changes in these constitutional tax levies for a period of 6 years if voted by the property owners of the county. In view of these laws and in view of the need of the adjustments in the tax levies the Commissioners' Court has called a Re-Allocation Election for November 13th.

Therefore, the Re-Allocation Election merely gives your Commissioners' Court the authority to re-arrange the operating tax levies of the county for a period of 6 years. THESE CHANGES DO NOT RAISE YOUR TOTAL TAX LEVIES. THEY MERELY RE-ARRANGE YOUR TAX DOLLAR.

★ ★ ★ *To Every Automobile Driver* ★ ★ ★  
*In The State of Texas*

## HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
