G. W. Grays Mark 61st Anniversary

Last Friday, November 14th the children of Mr. and Mrs. Gifford W. Gray gathered in their parents home to help them celebrate their 61st wedding anniversary.

It was in the year 1890 that Miss Linda Percy moved with her parents to Gorman from Garland County, near Hot Springs, Arkansas. It was in the same year of 1890 that Dr. G. W. Gray brought his family to Gorman from Montgomery County, Ark. The two families had never known each other and it was in the Gorman school where Miss Percy and Mr. Gray met. They were married on November 14, 1897. They have lived and reared their children in Gorman.

Mr. Gray is referred to as "Mr. Peanut" by some of his friends as he has been a buyer of peanuts for the past few years. He was County Commissioner of this precinct for several years. Both Mr. and Mrs. Gray are 83 years old.

They have three daughters and all were present. They are Mrs. J. R. Matthews and son, James Gray Matthews, of Corpus Christi; Mr. and Mrs. P. C. Lightfoot of Sweetwater and their daughter and her husband, Mr. and Mrs. Robert Dickenson of Austin; Mr. and Mrs. A. C. Maddocks and daughters, Peggy and Margie of Denton.

Mr. and Mrs. Paul Caine of Sweetwater, friends of the Lightfoots, were also present.

Coffee Break Talk

By Joe Bennett

Someone must have tore down that barb wire fence up around Amarillo which holds some of the cold fronts and keeps them from spilling across Texas or else the strong winds blew it down for the cold front came buzzing clear across Texas in a big hurry this week. Wind damage is running high in several areas of the state. The temperature drop caused a heavy frost to hit this area on Wednesday morning. With all this chilly weather the peanut farmers who haven't harvested their crops as yet may have to drag out the old Long-Johns to keep from freezing while riding the combines. About 80 percent of the crop has been gathered and as soon as this welcome sunshine dries things out a little the remaining 20 percent will be harvested.

The way the weather is looking at present it seems as though

Gorman Cagers Begin Season

For Ladies Only

By Ted Bickle

Brrrr - - the cold front that we were threatened with for so long finally broke thru and come "rushing" in on us. Fortunately we didn't suffer from any wind damage. These cool crispy days makes a "feller" feel good - - and hungry, too.

Now that we don't mind feeling the heat from the oven, lets have oven-fried chicken. It saves a lot of time and is so good, and at the same time, add some sweet potatoes to bake. The last few minutes of baking slip in a pan of biscuits and your meal will be ready by the time you fix a green vegetable, prepare the drinks and dish up the dessert.

OVEN-FRIED CHICKEN

(Pre-heat oven 475 degrees)
1/2 cup flour
1 - 3 lb. fryer - cut-up
3 teaspoons paprika
1 1/2 teaspoon salt
1/4 teaspoon pepper
1/4 cup melted butter or margarine

Coat chicken with seasoned flour, melt fat in 9x12x2 inch pan and place chicken, skin-side down in fat. Bake 30 minutes at 475 degrees. Turn and bake 20 minutes longer.

Wash and dry sweet potatoes and brush with meat drippings and wrap in foil.

For dessert - New England PEACH SLUMP

1 - No. 2 1/2 can cling peach halves
3/4 cup sugar
3 tablespoons lemon juice
1/8 teaspoon salt
1/4 teaspoon cinnamon
2 tablespoons butter
1 cup biscuit mix
6 tablespoons milk

Drain peaches, saving syrup. Combine syrup with sugar, lemon juice, salt cinnamon and butter and heat to boiling. Stir until the sugar dissolves. Combine biscuit mix with milk, mix lightly with a fork, pat out lightly on a floured board to 1/2 inch thickness. Cut into about 1 inch squares, drop into the boiling syrup. Cover, turn heat low so that the syrup boils gently and cook for 20 minutes. DO NOT remove cover during cooking. Add peach slices to dumpling mixture and heat thru. Serve warm with cream.

Mistakes, mistakes - - I wish we didn't make 'em but we do. So please excuse us. One of these days we'll get out a perfect paper I betcha! Keep watching!

Those attending the Texas-TCU football game Saturday were Mr. and Mrs. Roy Byrd, Mr. and Mrs. Oda Mornoe, and Mr. and Mrs. Othell Clark.

A & B GIRLS LOSE OPENERS

The Gorman High School Pantherettes played Hico Tuesday night in their first basketball game of the season losing 37-26 to the Hico sextet.

Inability to score on easy shots ruined the chances of the Gorman team. Patsy Rawls was high scorer for Gorman with 9 points, followed by Mary Robertson with 5, Dolores Foster, 5, Mary Dell Thompson, 3, Nell Browning, 2, and Ava Askew, 2.

Others seeing action were guards Emma Jane Skaggs, Karen Wright and Tomasine Whitt.

In a "B" game Hico defeated Gorman 21-15 with Forwards Carolyn Gilbert, Edna Watson and Carol Ramsey and guards Linda Shell, Judy Mehaffey and Vicki Mauney seeing action.

The Pantherettes will try the Stephenville A & B teams Thursday night at Gorman beginning at 7 p. m.

The So And Sew Corner

By ROONEY WILLIAMS

Things are moving right along here in the sewing room. The noise is increasing as the power machines continue to pick up speed and new operators are added. The new ones this week include Betty J. Greer, Wynogene Smith, Viola Dennis, Irene Harrison, and Barbara Tucker.

Heretofore nothing has been said in the paper about our inspectors. I believe they were listed as machine operators. They are just as essential but their job is a little different. They do just as their job says, inspect each job to see that it is well done. They also have to clip the loose threads from the garment. It is also the job of the final inspector to put the proper tag on each article stating of what material it is made and how it should be laundered. Our inspectors are Johnnie Hammon, Lois Harris, Jewel Petree, and Ona Rogers.

It seems there isn't much news to report this week. I imagine most of the women were home caring for their families over the weekend as the season for colds, sore throat, and flu is now at hand.

Ona Rogers' daughter and family, Mr. and Mrs. Glen Clement, are vacationing with her from Levelland.

Hazel and W. R. Collins entertained Mrs. Onie Burken from Salina last Saturday night.

Mr. and Mrs. Olan C. Dennis had supper last Saturday night with her brother, Allen Hodge, in De Leon.

Mr. and Mrs. Jim Self from Big Spring were visitors in the home of Donnie Self.

PANTHERS BEGIN PRACTICE

The Gorman Panthers began basketball practice Tuesday with twelve players on the squad.

The squad will be without a single letterman with Juniors Thomas Snider and Jerry Yates; Sophomores Jackie Simpson, Jerry Shugart and David West; and Freshmen Joe Harrison, Phil Puckett, Joe Bob Rodgers, Terry Shell, Gene Snider, Wesley Warren, and James Blackshear.

There is not a senior on either of the high school squads this season.

Methodist To Observe Thanks'gv Sunday Night

The congregation of the Methodist Church will observe Thanks giving Sunday evening, November 23rd, with a program and supper sponsored by the Woman's Society of Christian Service.

Mrs. Donald Bolt will have charge of the program.

Members of church families will bring either a pie or sandwiches to be enjoyed at the supper hour, six-thirty o'clock.

The Woman's Society also, a suggestion of Rev Haynes, outlined work for committees which will immediately began functioning in preparation for the New Church Formal Opening Day, on January 4th.

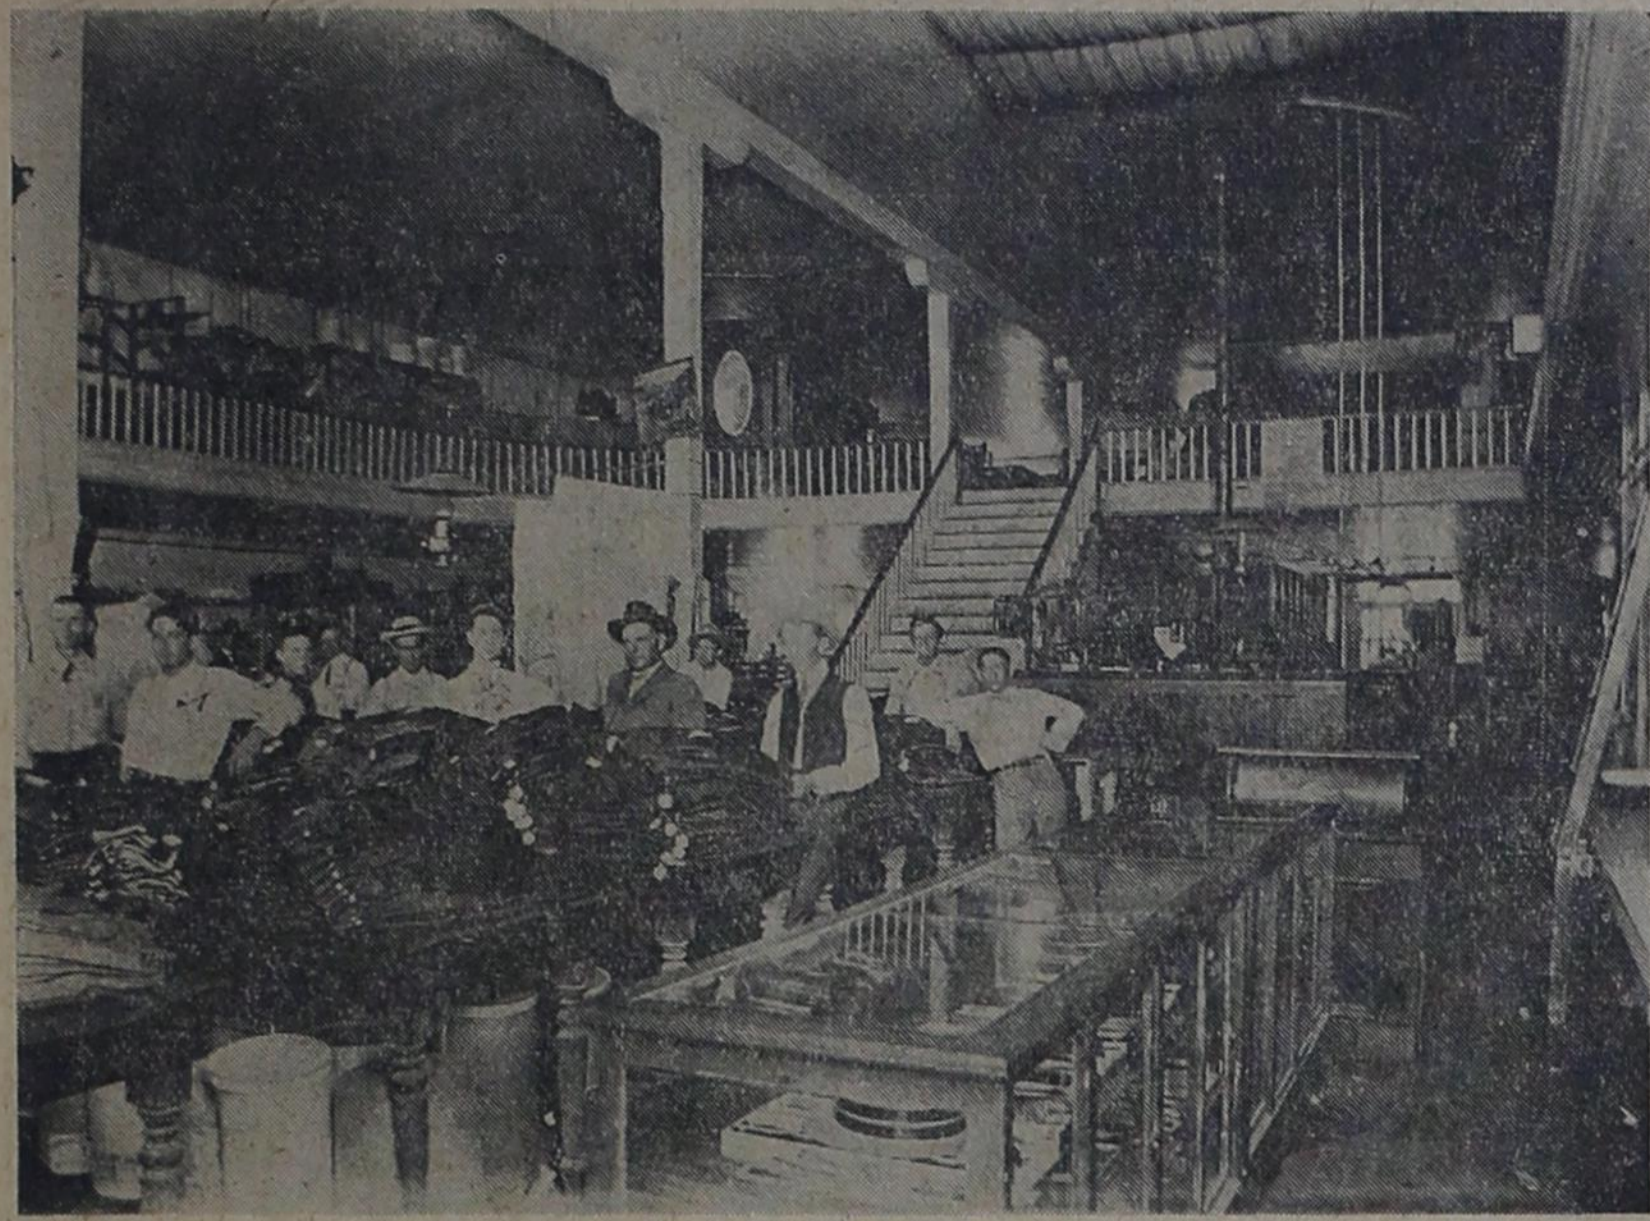

The November 25th, meeting of the Society will convene in Fellowship Hall with Mrs. Gene Baker in charge. The topic is Human Rights.

CARD OF THANKS

Our sincere thanks to friends and neighbors for the cards and letters while Mr. Mahan was in the hospital at Temple.

Mr. Mahan is recuperating at home and will enjoy having his friends call.

The Arthur Mahans

Do you recognize anyone in this picture. It was taken along about 1907 and shows the interior of Higginbotham's store. Note the ladies hairdos and celluloid collars on the men. Kerosene lamps were used for lighting. The rolling ladder on the right used to reach high shelves.

Higginbotham's has played an important role in the growth of towns in this area and most of West Texas. Folks in Gorman saw proof of this recently when they permitted the upper floor of the Furniture Dept. to be used for a garment factory.

The personnel of Higginbotham's extends you an invitation to visit their store next Wednesday, Friday and Saturday, 26, 28 and 29th during their 75th Anniversary Sale.

LOOK WHOSE BACK! - The above picture was taken in July but the same truck and salesman will be back Nov. 26th through the 29th. for Higginbotham's Seventy-Fifth Anniversary Sale. Mr. Krause, sales manager for the Southern Division of Ozark Manufacturing Co., was telling Mr. Watson, manager of Higginbotham's Furniture Dept., that he hoped his company would make a return trip to Gorman because he really enjoyed visiting in this section of the country.

Another display of interest to folk will be the 1903 Oldsmobile driven by a Mr. Phillips representing SANDRAN floor covering. Some folk have wondered about the big piece of linoleum on the street in front of the furniture dept. Its SANDRAN's way of showing how their linoleum will hold up under any condition. Mr. Phillips will be in Gorman on Wednesday, November 26th.

Rural Route Extensions Ok'd

Aletha Garrett Becomes Bride Of Durwood Burgess

On Thursday, July 17, 1958 Miss Aletha Garrett became the bride of Mr. Durwood Burgess in Ardmore, Oklahoma. Justice of Peace E. L. Caldwell performed the ceremony.

Aletha is a senior in Gorman High and plans to finish her senior year. She is also a major-ette with the Panther Band. She is the daughter of Mr. and Mrs. W. E. Garrett of Gorman.

Durwood is the son of Mr. and Mrs. Rayford Burgess of Gorman. He is presently employed in the office of the Gorman Peanut Co. and is attending night school at Ranger Junior College.

The couple are making their home with his parents while looking for a place of their own.

Congratulations!

Mrs. Dona M. Moorman, local postmaster, received word Wednesday that the Post Office Department had granted the extensions of rural routes out of Gorman. About twenty percent of the requests did not come within regulations and were turned down. However, most of the ex-

Early Mailinf For Christmas Urged

Due to the fact that this Christmas Season's mailings is expected to hit an all time high, the Post Office is urging you to mail your Christmas packages early so that they may be delivered by December 25.

All parcels that are to be sent overseas should be in the mails immediately and all parcels should be mailed not later than December 10 to assure delivery by Christmas.

Your cooperation will be greatly appreciated.

tensions asked for were approved and will become effective November 29, 1958, and those rural patrons that have not been receiving mail should have their rural mail box up by this date and let the carrier know who will be receiving mail from their respective box.

Some twenty-five families will be benefited by the approved extensions.

Mrs. Moorman expressed her appreciation for the cooperation, understanding and patience of the rural carriers and patrons while going through the process of getting the department to approve the extensions of the three local routes.

CARD OF THANKS

I wish to thank everyone for their kind and thoughtful deeds during my illness in the hospital. The lovely flowers, the beautiful cards, the visits and your prayers are greatly appreciated.

SIPE SPRINGS O. E. S. CELEBRATE 50TH YEAR

Above left: Mrs. Katie Jones, left, and Mrs. Beulah Jones, right of Sipe Springs Chapter No. 416 Order of the Eastern Star, honor Mrs. Fannie Carpenter of Eastland, center, when cutting the cake for the Fiftieth Anniversary of their chapter.

Above right: Mrs. Minnie Houser, Mrs. Josie Whiteside, Mrs. Beulah Jones, Mrs. Zelma Morgan, all of Sipe Springs and Mrs.

Dena Morris of Comanche. All of these ladies have been members of the Sipe Springs Chapter O. E. S. for over 35 years.

Mrs. Beulah Jones, in giving a brief history, stated that records showed the Chapter was organized July 14, 1908 by J. H. McCorkel, DGM. Officers elected were Mrs. Mollie Moorman, WM, and J. D. Paine, WP, R. D. Needham, Sec'y. Originally named Hansford

Chapter, the name was changed to Sipe Springs Chapter in 1913.

Although Sipe Springs has dwindled from a prosperous oil town in the twenties, members of this organization refuse to give up. Members who live in nearby towns try to attend on meeting nights. There is an atmosphere of optimism which makes one feel that perhaps there might be new growth starting in this community.

DISTRICT CHAMPIONS - 1958 - The above picture shows the Gorman Grade School Cub football team who were District Champions of their district this season.

Bottom row: Gerald Scitern, Michael Foster, David Kirk, William Jay, Harold Rodgers, and Terry Clark; Second row: George Bolt, Terry Joiner, Jerry Wilson, Gary Overstreet, James Wallace, Billy Welch, Don Wallace, and Jerry Ormsby; Third row: Larry Kirk, Richard McLearn, Wayne Bledsoe, Gene Simmons, William Boyd, Rodney Stephens, Larry Anderson, and Mgr. Leslie Hamilton; Top row: Coach David Goodwin, Mgr. J. L. Hamilton, Joe Ed Baze, Rodger Woodall, Richard Watson, Vicki Stacy, and Bobby Rodgers. Not shown are Ronnie Page and Tommy Broom.

We are in for another winter of rain, sleet and snow which will considerably brighten prospects for another good crop next year. We can always stand a hard winter if it will give the needed moisture for next year's crops. I am forecasting an early snow for this area.

Basketball season is well under way at present following the last football game of the season last Friday night when the Panthers lost their hardest fought game of the season 16-0 to District Champ Baird. Baird went undefeated in district play this year. Basketball practice is progressing nicely. The Gorman girls A and B teams played Hico Tuesday night in their first game of the season. Both teams were defeated. The Pantherettes lost 37-26 and the B team lost by a score of 21-15. But as the season progresses the teams should improve considerably.

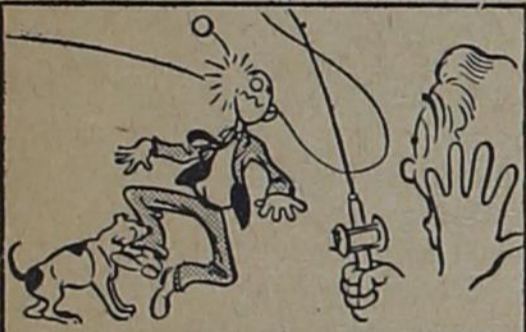

A complete basketball schedule appears elsewhere in this issue.

Don't forget the Jaycee Christmas Toy Drive which is now in progress. This is a very worthwhile project and the Jaycees are doing their utmost to see that the underprivileged children of Gorman will have a happy Christmas. So if you have any repairable toys or wish to donate new ones to give these children please notify the Jaycees or call the Progress office and leave your name so the toys may be picked up or if you wish you may leave them at the Progress office. Join in this campaign and help the Jaycees to make these children a little happier at Christmas.

Well our pigskin predictions backfired last week with the Southwest Conference teams causing most of the damage to our averages. Arkansas won over SMU, A & M surprised highly favored Rice, TCU outlasted the Longhorns, Nebraska took Pitt and Ohio State beat mighty Iowa. Of course, in our estimation all of these losses were upsets. Have you heard the definition of upset. An upset is when the team you think is going to win gets beat.

The way things are going in the SW Conference there is no

telling who is likely to come out on top. Seems like everyone is capable of coming up to beat the other. TCU is on top at present with no losses and Rice is second with one loss. SMU lost its chance for a title when they lost to Arkansas last week and came up with two losses. And with two losses a team doesn't stand a chance to win the title. The deciding game will come up Saturday when Rice will host the TCU Horn Frogs. If Rice beats TCU they will be tied for first place. However if the Frogs win they

will sew up the Cotton Bowl bid. Speedy got five of ten right last week for 50 percent bringing his season average down to 66 percent. I won the pick of TCU over Texas and gained one game on him, and came out with 60 percent right to make my season average read 64 percent. We were knocked down bad last week. Guess it was the weather (or something). But we have thawed out the three pounds of blubber in our heads (our brains) and have come up with the sure winners for this week. (we hope)

Health is only fair at this writ-

By F. L. Rowley

THE first snow had begun to fall. Alice Miller watched dreamily through the big front-room window. Only the occasional click of her mother's knitting needles broke the cozy silence. Behind them the freshly set table awaited the arrival of Mr. Miller. At length the older woman spoke: "A penny for your thoughts, dear."

"They're worth more than that," laughed Alice.

"I might have known. You're thinking of that nice Mr. Thompson again. Why don't you send him an invitation to spend the holidays with us?"

"Mother! We're mere acquaintances. Besides, he didn't impress me as being too bright last summer. Would you believe it? He didn't even know what a polyphemus was!"

Is Surprised

"Indeed? I am surprised! I

Mrs. Miller nodded. "And you have other superior traits—like story telling."

should think that every red-blooded American would know what a polly-whosis is! What is it?"

Alice ignored the question. "And he claims to be going to college. Why, I know more about science than a dozen Jim Thompsons!"

Mrs. Miller nodded. "And you have other superior traits—like story telling."

"What?"

ing in this community. Quite a number are suffering from colds and sore throat.

Mr. Jimmie Heeter, who has been a bed patient at his home for several months, is now considered about the same.

Mr. Clayton Williams, who has been ill for several weeks, is still a house patient and no improvement in his condition is reported.

"Fibbing," said her mother softly. "Perhaps you've forgotten the hours that poor boy spent trying to teach you how to drive the car? He should know that you've had a driver's license for years!"

Alice chuckled. "Did you see dad's face the day we ran over his little fence?"

Mrs. Miller shook her head. "Your father and I didn't think it was very funny; and I'm sure that Mr. Thompson was embarrassed."

Alice's smile faded. "You're right, mother, Jim treated me like a lady—and I didn't act the part. I only got him to teach me to drive so that I could see him more often. And now—"

"Now he's away at school."

Not Important

"Maybe. Somehow I have the feeling that he's nothing more than a clerk in a grocery store. But I don't care if he is. He's a gentleman, and that's a rarity in these parts."

Although Alice didn't say it, had Jim Thompson proposed marriage she would have accepted on the spot. Since last summer she had gone out on many dates, but for some reason they had all fallen flat. Odd that the unassuming Jim should stand head and shoulders above the other men she knew!

The New Year came and with it Jim Thompson. This time he was not so shy. After dinner he drew Alice aside to show her a diamond ring. At the sight of it she nodded happily. It was when they were entering the parlor to break the news to her parents that the full significance of the ring struck her. She was ready to bolt.

Too Late Now

But it was too late. Jim was making a neat little speech. After an awkward silence Mr. Miller asked politely: "And what kind of work are you in, my boy?"

Jim looked surprised. "Hasn't Alice told you? I'm at Glenwood College."

"What are you studying?" asked Mrs. Miller hopefully.

Jim smiled. "I'm teaching, Mrs. Miller. I'm professor of Science at Glenwood."

Mr. Miller coughed.

Alice's hands went to her face. She was thinking of the polyphemus moth.

"I really didn't have the heart to tell you," said Jim turning to Alice. "Especially after your splendid lecture on insects."

"Science is wonderful, isn't it?" asked Alice breathlessly.

To which they all heartily agreed, starting the New Year with a note of harmony.

DEFINITELY NEW, DECIDEDLY DIFFERENT!

Chevrolet shatters precedent beautifully with a completely new car for the second year in a row. Here's the one that's shaped to the new American taste. The '59 Chevy's new and different in everything from ride to roominess!

It's new all over! In the fresh slant of its Slimline design. In the spacious comfort of its Body by Fisher and vast areas of visibility. There's a new Hi-Thrift 6 that delivers up to 10% greater gas economy, bigger brakes, better-than-ever suspensions, a new finish that needs no waxing for up to three years. Nothing's new like Chevy's new! See it at your Chevrolet dealer's now.

what America wants, America gets in a Chevy!

The impressive new Impala Sport Sedan. Like all new Chevies, it has Safety Plate Glass all around.

6th Annual Pecan Show, Dec. 12-13

Ranger - Pecan growers in both Eastland and adjoining counties are being invited to enter exhibits at the Sixth Annual Eastland County Pecan Show, to be held in Ranger on December 12-13.

Wilson Guest, president of the Ranger Chamber of Commerce, is issuing a special invitation for growers to enter pecans in the show. The two-day affair will be held in the Joseph building on Main Street in Ranger.

A quart of pecans will constitute enough for an entry. People who live intowns are equally welcome to have entries in the show, the same as those in the county.

"We are planning to make this the biggest and best pecan show ever held in the county," T. C. Wylie, chairman of the Agriculture Committee, said in commenting on plans for the show that has attracted attention throughout West Central Texas.

Growers are limited to one entry of each of the improved varieties of nuts. For example they may have one entry of Burketts, one entry of Mahans, etc. There is no limit, however, on the number of entries of native seedlings.

The pecans will be judged on size, color, appearance, shell thickness, cracking quality, weight, percentage of meat to shell and other factors. A team of horticulturists from Texas A & M College, headed by B. G. Hancock, of the Agricultural Extension Service, will do the judging on Saturday, Dec. 13, according to Oscar Schaefer, of the Cook Community, president of the Eastland County Pecan Growers Association, whose organization, jointly with the Ranger Chamber of Commerce, is sponsoring the show.

The largest papershell division of the show is expected to be in the Burkett entries, it was explained. Over 50 growers entered this variety at the 1957 show held in Cisco.

Second Rat Control Campaign Underway

The second rat and mice control campaign for the year got underway this week when the Eastland County Farm Bureau set up several bait stations over the county for the convenience of their members as well as for the general public according to John Love, Cheaney, President of the sponsoring organization.

Fumarin treated bait will be used in this campaign, same as for the first campaign waged last August he said. The need for killing the rodents now is perhaps as great if not greater than it was in August according to Love. As winter approaches rats and mice will begin migrating from the woods and fields into houses, barns, cribs, grainaries and other places in even greater numbers looking for food and shelter.

The Fumarin treated bait can be obtained at a reasonable cost at not only Loves Place in the Cheaney Community but also at the J. D. Caldwell farm near Gorman; A. Z. Wyrick Locker Plant in Cisco; Arther Wrights farm in the Long Branch Community; Hermod Schaefer's place in the Nimrod Community; and at Perkins Implement Co. in Eastland. Other bait stations may be set up later if necessary.

Fumarin is quite similar to Warfarin it was explained. The widespread use of an anti-coagulant bait has proven to be relatively safe for use on farms and ranches and in the vicinity of children, pets, poultry and livestock. Repeated ingestions of the material over several days is necessary to cause the thinning down of the blood so that internal or external bleeding starts. Once this hemorrhage starts it never stops until the death of the rodent. This is a radically different principle of rodent control from the violent stomach poisons.

Rats and mice do not associate the baits with death as the material has no odor of Fumarin, no taste, so that the problem of bait shyness is eliminated.

The Fumarin is mixed in with cornmeal, rolled oats, powdered sugar and peanut oil.

Love suggests that the baits be left in the small paper sacks which should be placed next to a wall in the barn or outbuilding. It should also be placed behind something such as a bale of hay, box or barrel or a plank or a board. Some have done well by placing the material in a paper

Recapturing the serenity of a time, long ago

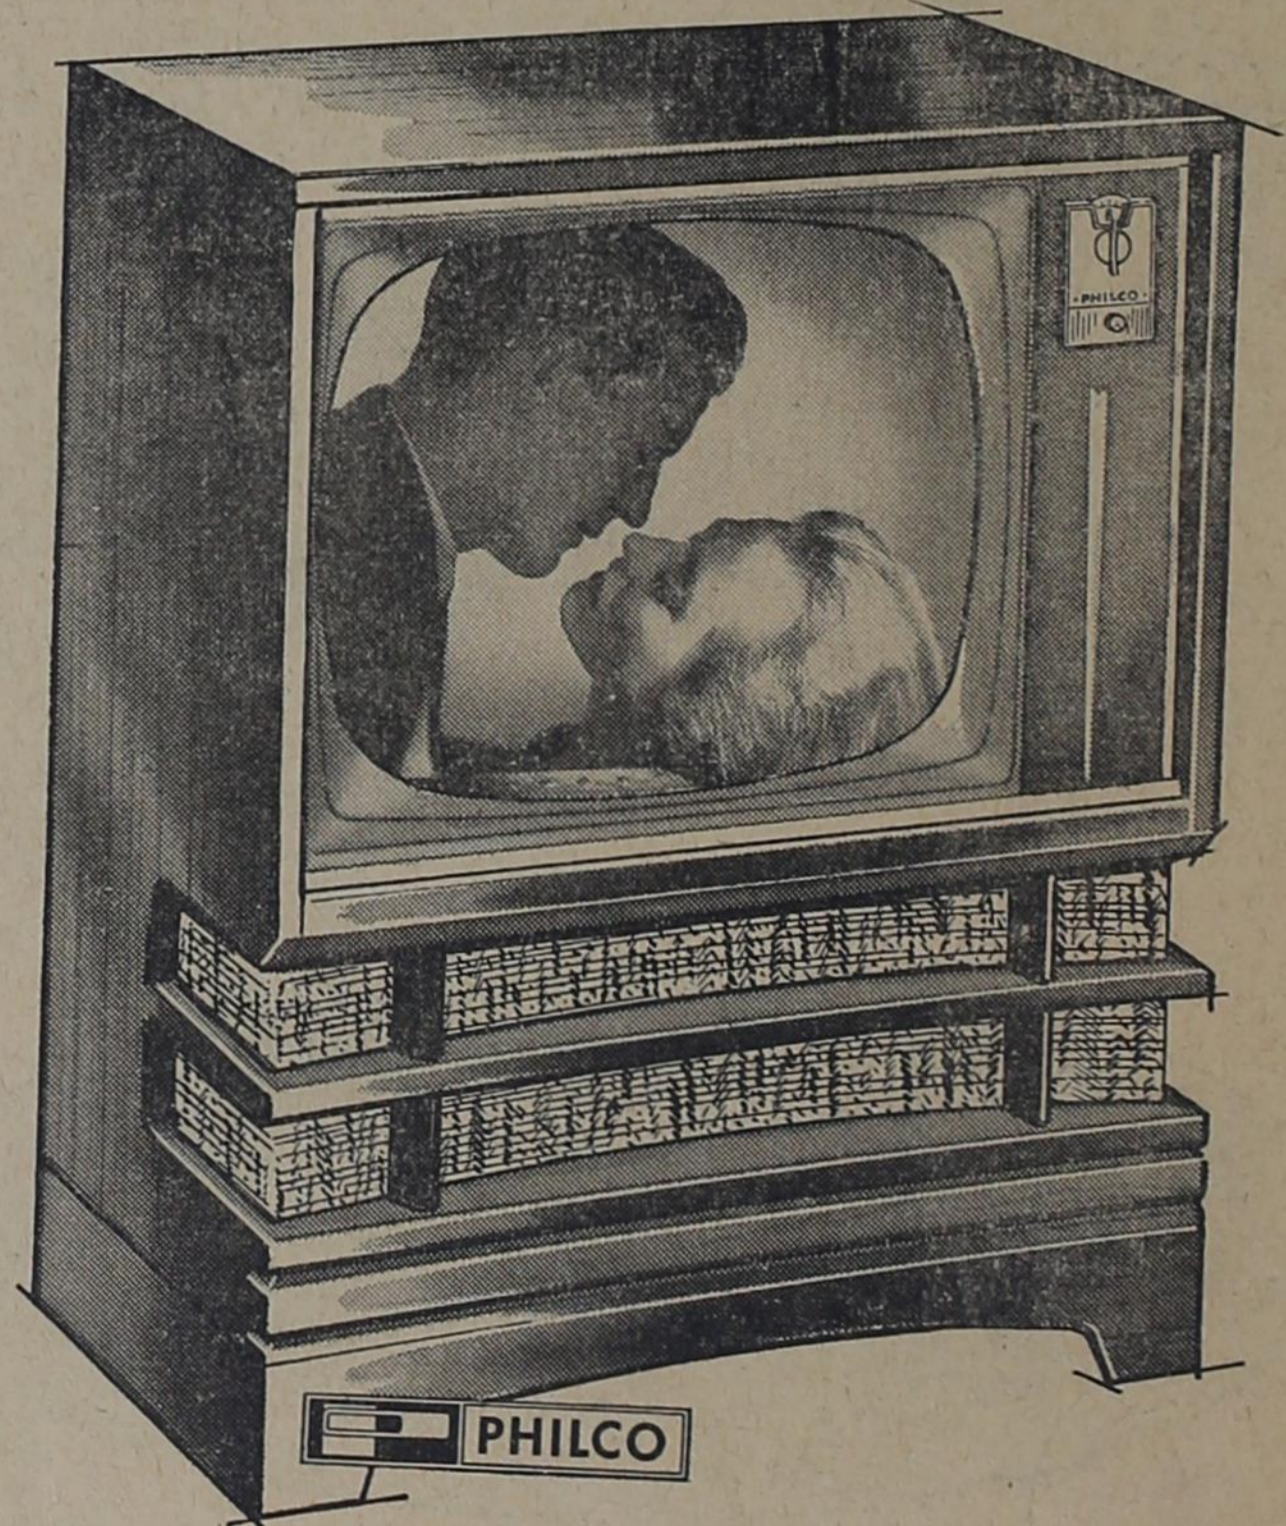

Sometimes on a quiet street of a sequestered village, one can sense the tranquility of yesteryear's simple life and sturdy virtues. Today's pace is faster, it's problems more complex, but the virtue of thrift, so esteemed by our forefathers, can still contribute most importantly to our peace of mind. Systematic saving remains today as always, the keystone of happy, contented living.

It's really very simple to
Get in and out of Modern Low Automobiles

Face away from car . . . Sit down . . . Pivot to right.

As simple as A-B-C . . . Jean Richert who stands 5 ft. 9 inches has no trouble in gracefully getting into her 1959 Chevrolet Impala Sport Sedan which measures 56 inches from ground to rooftop. "No one," says Jean, "will have any difficulty getting into the low-designed cars if they follow these three easy steps . . . first, face away from the car . . . second, sit down, then pivot to the right lifting legs up under the wheel . . . to get out easily just reverse the procedure."

Game Preserve Views Two Films

People who came out to the Sabanna Valley Game Preserve Association meeting last week let themselves in for a surprise treat that they are not likely to soon forget. Instead of one film as had been expected, two films showed up, brought by two different groups, neither of whom knew the other was to be there and on one of which the membership had any advance knowledge. Both films turned out to be excellent and one was so extraordinarily outstanding that it was the expressed opinion of most everyone present that no finer film of its kind has ever been shown on any screen.

Miss Eudora Hawkins, who represents the Wild Life Conservation Dept. of the State Federation of Women's Clubs, presented a film on Alaska, our 49th state, which was a splendid film and was enjoyed by all present for its excellence of photography and factual portrayal of life and conditions as they exist in Alaska. This film had more to do with Alaskan people, cities and industries than with wild life and it was a revelation to many people.

But it was the other film, presented by Mr. E. E. McAlister of Eastland and his group of Soil Conservation specialists, that brought the audience to the edge of their seats and kept them there. Many films on wild life have been shown here during the last 3 years and people gener-

- Mrs. W. R. Haynes, Lingleville
- Mrs. W. A. Dickey, De Leon
- Mrs. F. C. McCorkle, Beaty
- Mr. R. W. McPhail, Duster
- Mrs. Ella Counts, Gorman
- Mrs. George Harris, Rising Star
- Mr. J. E. Ryan, Glen Rose
- Mr. G. E. McCulloch, Cisco
- Mrs. Cora Love, Gorman

ally are quite well acquainted with the usually shown film of this type, so no one was expecting anything extra special and Mr. McAlister only said he thought the people would like it. The people did. It made the average wild life film look amateurish by comparison. No one viewing this film could fail to marvel at the infinite care, time and patience required in its filming or to appreciate the pure artistry of it. It is truly a picture that stands out - way out.

The Sabanna Valley Game Preserve Association would like to go on record as endorsing this film wholeheartedly and recommending it to any and all groups interested in the preservation of bird life in general and of the Bob White in particular.

M. Y. F. NEWS Janice Day, Reporter

The M. Y. F. meeting was opened by the singing of "Love Lifted Me." Tomasine Whitt led the singing and Janice Day played the piano.

Carol Hatcher had the lesson in the last of the series of fellowship lessons. Jimmy Brightwell, Terry Shell, Joe Harrison, Mary Thompson, Kay Craddock, Linda Shell and Edith Bolt were the cast for a play which showed how the members of a committee planning a party or function of some kind could be inconsiderate or considerate of others. We talked about not only associating with our group, but being considerate of others and helping them when they need help.

The meeting was closed as the group repeated the MYF benediction.

The Harold Burlesons of Abilene and the Bobby Burlesons of San Marcus were here with relatives.

Mrs. H. T. Lane visited one day last week in Abilene with her sister, Mrs. W. E. Koonce. Mrs. Lane reports her sister shows very little improvement since suffering a stroke several months ago.
