Desdemona School | Pecan Field Day Holding Its Own

Dear Editor:

the following announcement of May 15th. their graduation from High School.

Baccalaureate Services at the school at 11 a. m., May 17. James R. Williams, Superintendent, will be the speaker. The services will be set to Organ music.

Commencement exercises will be held at the school at 8 p. m on May 21st.

The Seniors wish to announce Mahan. that if any "Exes" or friends of the school would like to purchase a 1959 Annual, they have some for sale at \$3.50 each. You may obtain one by mail order or pick it up at the Commercement exercises.

The Desdemona Independent School District has operated in the "black", so to speak, this past year, which will be the first time for some time. Furthermore, it may be possible to make a small payment on the outstanding debts of the school by the end of the fiscal year.

The school has an unusual music program with an electric Hammond Pipe Organ. Mrs. Shirley Woodward, a Master of Music, from Stephenville as teacher.

The School has six nice trophies won this year by boys and girls in athletics.

The Desdemona Senior Class may be unusual in one other respect; that is, each member of the graduating class has earned a scholarship to some college.

The honor students are: La Tonne Lewis, Valedictorian; Mrs. Helen Lewis Grimshaw, Salutatorian; and Roy "Moose" Johnson, high boy.

For the friends of the Desdemona Schools, may we announce that the Board of Education is continuing the operation of the school for some time to come. They have pulled out of the three county offices and have their own tax program underway. If the creditors will be patient just a few months longer, it will be possible for them to collect their accounts.

Thank you. James R. Williams, Supt. Desdemona Schools
