

Panthers To Host Hico Friday After Losing To Dublin 16-0

The Dublin Lions downed the Gorman Panthers last Friday night despite the fact that the Red and Blue played their best game of the season. Gorman made 9 first downs against Dublin's 14.

The Panthers did not pass as much as in the first two games.

GAME AT A GLANCE	
Gorman	Dublin
9 First Downs	14
2 Passes Attempted	2
1 Passes Completed	1
8 for 30 Punts, avg. 5 for 45	
1 for 15 Penalties	13 for 155
2 Fumbles	3

only completing one out of two. In fact, both teams stayed on the ground throughout the game as the Lions only passed twice completing one.

Just before the gun sounded ending the game the Panthers were on the Dublin one yard line.

Neil Overstreet was injured early in the game which hurt the Panthers, both offensively and defensively. However, Gene Snider turned in an outstanding job in replacing Overstreet.

Others that played good ball were Townley, Bledsoe, Shugart, Puckett, Shell, Rodgers, Reeves, Cnaig, and Whitlock in the line and doing a fine job in the back-

field were Harrison, Brinegar, Welch, Page, Snider, and Overstreet.

The Panthers will play host to the Hico Tigers at Brogdon Field on Friday night. The only common opponent they have played is Early High of Brownwood. Early downed Gorman 34-6 and beat Hico 28-7 which makes the two appear to be about even.

Game time will be 7:30 p. m.

OUR TOWN

By Ted Bickle

Autumn is here! - as indicated by the date on the calendar - - But where is our Indian Summer weather? It seems to me that it has been unseasonably hot, but perhaps I have forgotten what the weather can be like in this part of the country.

However, late Monday evening a cooling breeze came along with a shower, so it should be more comfortable from now on.

Reports are that the peanut harvest will not be as large as it was last year but a fair crop is expected and that will help a lot, results being that there will be more money for trading in Our Town.

Gorman is continuing to grow but we still need more houses very badly. People come into the office every week asking if we know of any houses or apartments for rent.

It is good news to learn that very soon construction will begin on a new telephone building for Our Town. New and better equipment will surely serve us all better. Be sure and go by the telephone office and sign an application if you are not already a customer and want a telephone or if you want your service changed in any way.

In Our Town there are several oil companies represented. We have Gulf, Humble, Texaco, Premier, Amlico, Phillips 66, and Magnolia, which has three service stations within the city limits of Gorman, as well as the bulk plant with Mr. James Mears as Consignee. (See their ad elsewhere in this issue - also take note of the Gulf and Humble ads). Most people have their preference for this or that brand of gasoline. Everyone should be able to buy the one they think that gives them the most miles per gallon.

I call to your attention the fact that next week is Fire Prevention Week? We should practice "Safety First" on that score every week. Take every precaution.

The recipe I'm giving you this week is really a tasty accompaniment to any meat dish, especially chicken or turkey.

FROSTED CRANBERRY SAUCE
1 pkg. flavored gelatin
1 1/4 cups canned orange juice
1 can (1 lb.) Cranberry Sauce
1/2 cup chopped celery
1/2 cup chopped pecans
1 cup cottage cheese
2 tablespoons mayonnaise

Dissolve gelatin in hot orange juice. Add cranberry sauce; stir until blended. Chill until mixture begins to thicken. Add celery and pecans; put in mold. Chill until firm. Unmold on crisp greens and frost top with cottage cheese and mayonnaise mixed together.

WSC Hold First Meeting of Year

On Monday evening thirteen members of the Woman's Study Club braved the elements to the lake cottage of Mrs. Roy Blair for their first meeting of the year.

After the blessing by Mrs. G. C. Acrea we were served a delicious "Mexican Supper", fruit pie and ice cream.

Then for the most exciting part of the first meeting of a new club year - a peek at the new yearbooks.

The business meeting was opened with a prayer by Mrs. Marvin Nix. Mrs. Ray Rankin presented the yearbooks with a brief explanation of each program.

Our program for the evening, "The Key to 1960", was completed by an address, "Autumn Greeting," by our president, Mrs. G. C. Acrea. She explained club

Cubs Tie De Leon; To Host Glen Rose

SWPGA To Handle Eligible Peanuts

Growers who wish to market their eligible peanuts through Association loans are now able to do so at several locations in this area. Eligible peanuts are those harvested on acreage which does not exceed the farm allotment and which do not exceed the following grade standards: 10 percent foreign material, 9 percent moisture and 7 percent damaged kernels. Under present USDA regulations, the Association is not allowed to store peanuts which exceed these grade specifications. The grower is advised to take all the precautionary methods to make sure that his peanuts are eligible for loan.

Since SWPGA cannot support the price on peanuts which are not eligible, growers who sell such peanuts find it necessary to experience price cuts from commercial processors. The amount of price decrease depends upon the purchaser and upon the amount by which the excess damage, foreign material or moisture exceeds the maximum allowed under the price support program. Growers of eligible peanuts can take them to any of the following points, market their peanuts thru the loan, and immediately receive a draft in payment of the full loan value of the peanuts:

Ranger Peanut Co., Ranger Farm & Ranch Supply Co., Cisco Rising Star Mkt. Bldg., R. Star Gorman Peanut Co., Carbon Gorman Peanut Co., Gorman De Leon Peanut Co., De Leon Hogan Scott Whse., De Leon Farm & Ranch Supply Co. - (Louis Morgan), Eastland J. E. Whiteside Whse., Comanche Woldert Peanut Co., Dublin Joe Henderson Whse., Dublin and Proctor Poston Pnt. Whse., Stephenville

J & S SPORTS

Joe Bennett & Speedy Clark
J & S

Still Undefeated! The Cub football team remained undefeated on Tuesday night against the De Leon Kittens when the two teams wound up in a deadlock 8-8 score.

This was a tough one for the undefeated and untied Cubs going for their twentieth straight win. This could throw the district race into a tie if the Cubs and De Leon Kittens continue their winning streaks. If the district winds up in a tie there will probably be a play-off game to decide the district winner. If this happens our Cubs could more than likely beat De Leon.

Most of the fans seemed to agree that the Cubs were not at their best in Tuesday night's game. But we all know that the Cubs always give their best to the game.

J & S

The Panthers played their best game of the season last Friday night even though they came out on the short end of the 16-0 score at Dublin. The boys in Red and Blue made 9 first downs to 14 for the Lions and were on the Dublin 1 yard line when the final gun sounded. The Panthers chose to stay with their ground game only attempting two passes and completing one. The Lions also preferred the ground attack tossing only twice and completing one.

With more passing the Panthers possibly could have spread the Dublin defense and had a much better ground attack.

J & S

WELL IT'S OVER! Yes, the National League race was finally brought to an exciting climax at Los Angeles Tuesday evening. The Dodgers finally managed to beat the up and down Milwaukee Braves in the 12th. inning to sew up the National League race.

projects for the year - "Cemetery Improvement" and "To Promote Polio Shots in the Community."

Hostesses for the evening were Mrs. Othell Clark, Mrs. Ray Rankin, Mrs. G. C. Acrea, and Mrs. Ray Blair.

The Gorman Grade School Cubs and the De Leon Bearkittens tied Tuesday night in a district football game with the score ending 8-8.

Welcome Mat Ready For The Gorman Exes

Bill Parr, President, stated today that plans for the fifth annual Homecoming of Gorman High Ex-students are well underway with special events scheduled for Saturday, October 24th.

Mrs. James W. Mears (nee Bula Lee Mehaffey), secy-treas. of the ex-student group, has mailed cards to all available exes.

The homecoming program begins with registration at 9 a. m. A pep rally will be held downtown at 2 p. m. with the business meeting immediately following at the High School Auditorium.

A baked ham dinner will be served at 5:30 in the school cafeteria - \$1.25 for adults, children under 12, 65c. Write Mrs. Mears, Box 457, Gorman, for tickets.

ISSUE DATES FOR USDA SURPLUS FOOD ARE SET

The next issue date for the USDA Surplus Food Commodities for Rising Star, Pioneer, Okra, Carbon, Gorman, and Desdemona will be Tuesday, October 13th.

Issue date for Eastland, Olden and Ranger is Monday, Oct. 12. Wednesday, Oct. 14 is the issue date for Cisco, Scranton, Nimrod.

Mr. Doyle Preston, who has been in the hospital at Pleasanton, returned to Gorman last Saturday night about 8 o'clock. He was taken to the Blackwell Hospital where he stayed until Wednesday of this week when he was taken home. His condition is much improved but he is still confined to his home for awhile.

The two teams were playing a best two out of three play-off series and The Dodgers beat the Braves at Milwaukee on Monday before going to the coast for the second and deciding game.

The World Series begins today with the first two games at Chicago with a one day delay for travel, then the next three at Los Angeles with the final one or two games back at Chicago if necessary.

The mechanical brain that predicted that the Dodgers would win the pennant has also predicted that the White Sox will win the World Series. What do you think?

J & S

The first week of college football made the so-called experts that predict the scores look like amateurs as such highly favored teams as Oklahoma, SMU, Auburn, Michigan State and others that were several point favorites bit the dust.

The experts of the J&S Sports had one of their worst weeks since they started predicting the scores. Joe had a 60% average and Speedy only 50% average, which even their averages for the first two weeks at 65% each and from the looks of this week's Southwest Conference schedule we might go even lower. Nevertheless, here it is.

SPEEDY PICKS

Texas A&M over Miss, Southern TCU over Arkansas
LSU over Baylor
Rice over Duke
SMU over Navy
Texas over California
(TV Game of the Day)
Texas Tech over Tulsa
Mississippi over Memphis State
Auburn over Hardin Simmons
Army over Illinois

JOE PICKS

Texas A&M over Miss, Southern TCU over Arkansas
Baylor over LSU
Rice over Duke
SMU over Navy
Texas over California
Texas Tech over Tulsa
Mississippi over Memphis State
Auburn over Hardin Simons
Army over Illinois

The Cubs tallied late in the first half on a 6 yard run around end by Gary Overstreet who also added the extra points the same way.

The De Leon team scored suddenly in the middle of the third quarter on a 65 yard run on a straight handoff up the middle of the Cub defense and tacked on the extra 2 points around end.

End Bobby Rodgers was consistent throughout the game with his blocking and tackling.

The tie leaves the district race in a scrambled condition with Gorman, De Leon, Glen Rose, Hamilton, and Stephenville in a five-way tie for first place with one win and one tie each.

An unusual aspect about the district is that after only two weeks of district play no team remains undefeated and untied in the district.

De Leon and Stephenville meet next Tuesday night, while the Cubs play host to Glen Rose at 7:30 p. m.

SCHOOL TAX OFFICE OPEN ON WEEK DAYS

The School Tax Office will be open Monday thru Friday of each week from 8:30 a. m. to 5 p. m. in the Grade School Building.

COUNTY TEACHERS ASSN. TO MEET AT EASTLAND - 6TH

H. R. (Pop) Garrett, President of Eastland County Teachers Association announces the Association will hold its first regular meeting in the Eastland High School Auditorium on Tuesday, Oct. 6 at 7:30 p. m. After a short business meeting the following program will be given.

Invocation: G. B. Rush, Supt. of Ranger Schools.

Music: Arranged by Program Committee.

Speaker: Charles B. Hamilton, Field Rep. Headquarters Staff of Texas Education Agency, Austin.

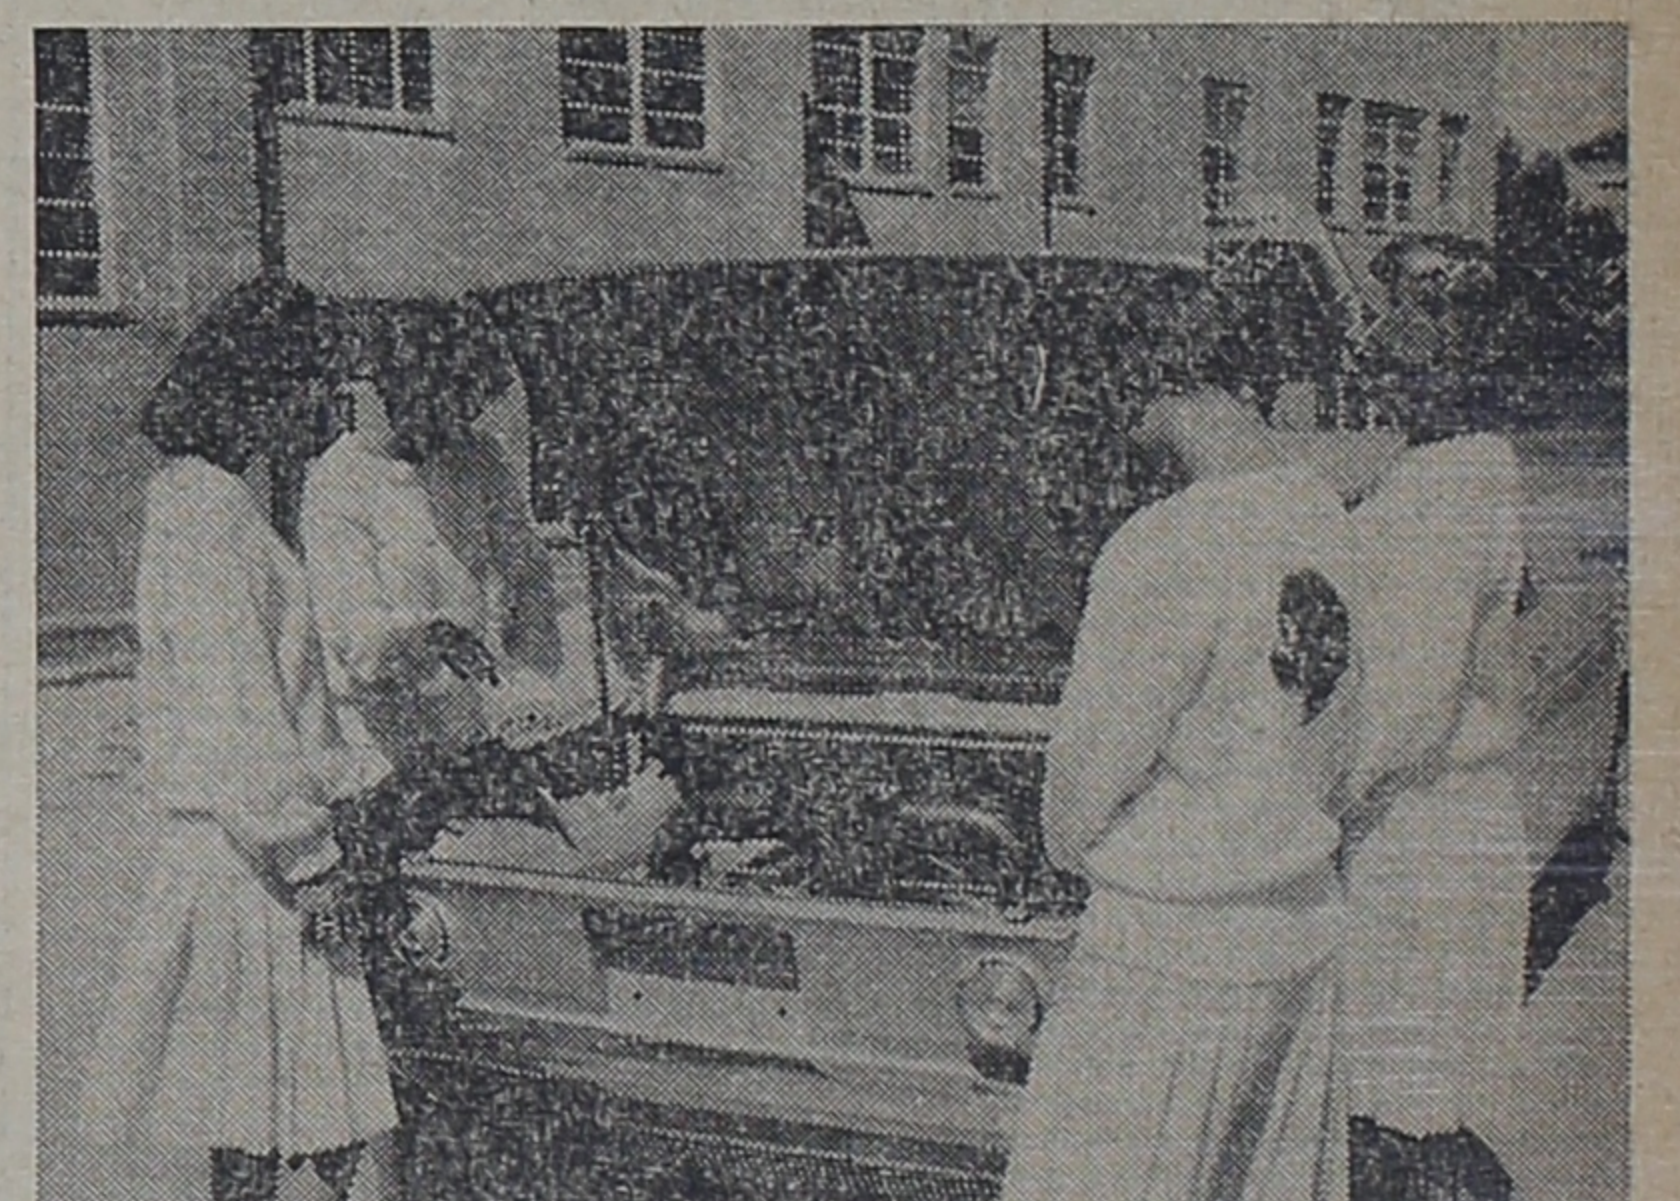

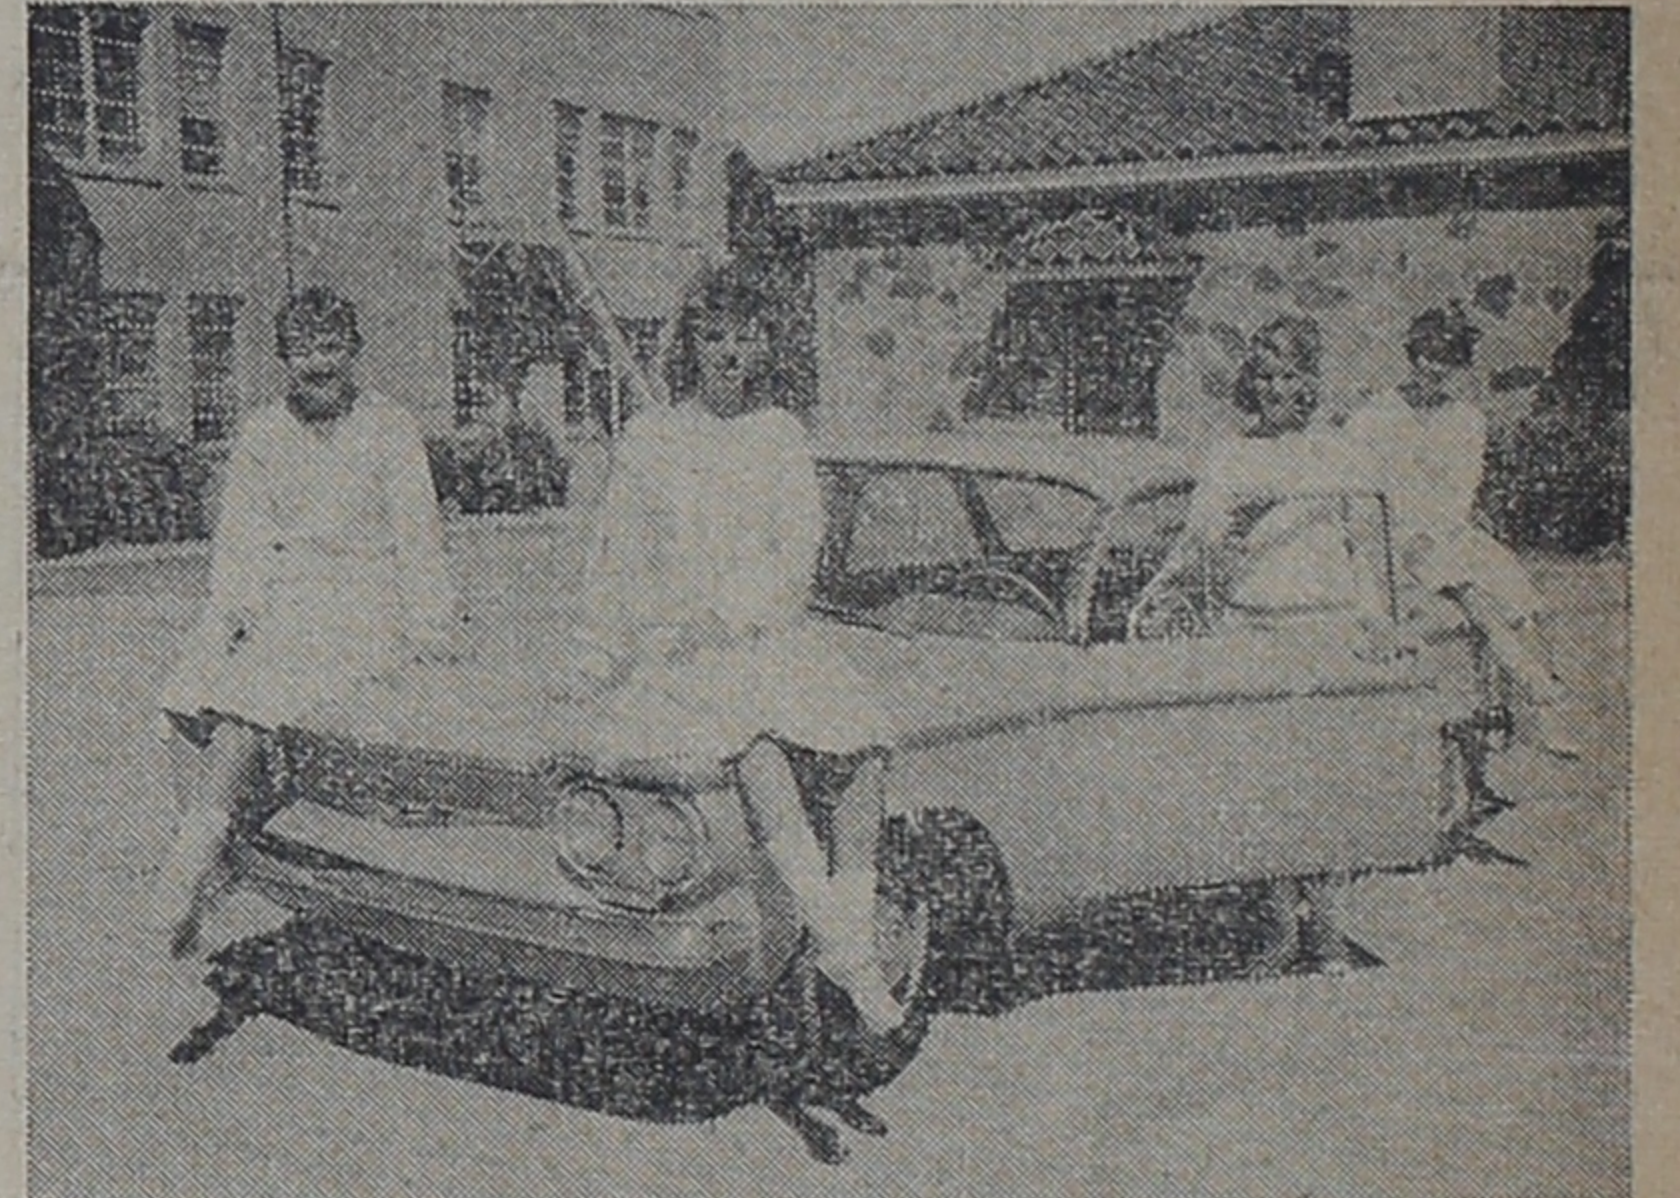

IMPORTANT INFORMATION 1960 SOIL BANK PROGRAM

We have received another revision of the 1960 Soil Bank program. An important change of establishing farm rates has been made. It is no longer required that the production for the last 5 years be taken into consideration. The same procedure used in the 1959 program will be followed for 1960.

The time for making application for payment rate has been extended to Oct. 9th. The rules regarding ownership and tenants has not been changed. If a producer is interested in securing a Conservation Reserve contract for his farm, application may be made through the County ASC Office before Oct. 9, 1959.

Pep Leaders Try Peppy Corvair

Thanks to Check Smith, Kernel Gene and four of the Panther Pep Leaders enjoyed a ride in the new Corvair by Chevrolet last Saturday. Bud Smith drove us to the high school where these pictures were taken.

Nell Browning and Edna Watson perched on front with Kay Browning standing and Mary Robertson on the rear fender. The little Corvair seats six comfortably.

Second picture - Young ladies inspecting the peppy little motor in the rear - and then entering the car for the trip back to town.

Smith Bros. are holding open house Friday and extend you a special invitation to stop in and see this new addition to the Chevrolet family and also the new superlative '60 Chevy.

Pecan Growers Have Field Day In Gorman

Members of the Eastland County Pecan Growers Assn. inspecting a pecan tree in the orchard of W. C. Browning. Kernel Gene missed the group as they came in from Rising Star and stopped at D. J. Jobs for a trip through his orchard. While inspecting the Jobs orchard the group was invited to help themselves to some of the fine pears and delicious apples and later were served cold drinks.

The second picture was taken at the Brown Jug Cafe where the group were guests of the Gorman Progress for lunch. Facing the camera: C. E. Smith of Rising Star, a director of the Texas and the Eastland County Pecan Growers Assn., and J. L. Rainey of Richland Springs, an outstanding pecan grower in Texas.

After dinner the group went to W. L. Wallace's place located next to the Brown Jug. They are trying to estimate the number of pounds of pecans Wallace's Western Schley tree will produce this year. Mr. Wallace planted this tree in 1953, and stated that the yield would probably be about thirty pounds.

From the Wallace orchard the group went on to inspect Sheriff J. B. Williams trees and the orchard of B. B. Freeman in the Grandview Community.

Members of this group have been instrumental in making Eastland County one of the top pecan producing counties in the State and hope in time to encourage many other farmers to plant trees. It is a good money crop most every year. New varieties are being introduced and several in this group have young trees for sale.

Attending were: Eastland: J. M. Cooper, County Agent, Curtis L. Boase, Asst. Co. Agent, Ben McKinnis and Sheriff J. B. Williams. Ranger: R. V. Galloway, Mgr. C of C, T. C. Wylie, Buck Wallace and W. J. Herrington. Route One, Ranger: B. B. Freeman, E. E. Blackwell, and John Love.

Rising Star: E. D. Ware and C. E. Smith. Stephenville: H. D. White and S. J. Boaze.

Cisco: Oscar Schaefer, Pres. of EOPGA, and Mrs. Schaefer, A. Z. Mynick, Mr. and Mrs. Edwin Schaefer, Mrs. R. H. Dunning, Frank Birkhead, Mgr. C of C; Mrs. C. L. Carmichael, W. D. Thurman. J. H. Womack, nurseryman, De Leon, and L. D. Romberg, Brownwood.

Gorman: W. L. Wallace, Chas. Underwood, D. J. Jobe, W. G. Kirk. Invitations were extended to the group by representatives of Ranger, Cisco and Gorman to hold their annual Pecan Show in one of these towns. Pecans selected at this show are entered in the State Contest.

ANNYE KATE BLAIR NAMED TO PLEDGE CHI OMEGA AT NORTH TEXAS STATE

Denton - Annys Kate Blair of Gorman has been named to pledge Chi Omega, national social sorority, at North Texas State College.

Names of 102 pledges to the six sororities were announced this

week by Dr. Imogene Bentley, dean of women.

Miss Blair, the daughter of Mr. and Mrs. Walter M. Blair, is a sophomore education major.

Thompson-Prague Wedding Vows Read Sunday At Methodist Church

Miss Sara Jane Thompson became the bride of Thomas Graham Prague Sunday afternoon, September twenty-seventh at four-thirty o'clock in the First Methodist Church. Officiating ministers in the double-ring ceremony were Rev. John Dowd, the local pastor, and Rev. Robert Haynes, pastor of the Methodist Church in Euless and former pastor here.

The bride is the daughter of Mr. and Mrs. James Odell Thompson and the groom is the son of Mrs. Lorena Prague of Dallas.

Altar floral arrangements were shell pink gladioli, ferns and palms. The candleabras were graduated sacred-sevens.

The tapers were lighted by John Shell, Robert Whitt and Jim Thompson who is brother to the bride.

Paula Eppler of San Angelo and cousin on the bride was the flower girl.

Pre-nuptial music and the traditional wedding marches were played by violinist Miss Sylvia Brummett of Denton, accompanied by Miss Anita Davis of Arlington at the piano.

Miss Edith Bolt sang "The Lord's Prayer" by Melotte at the close of the ceremony.

Hurricane lamps with pink ribbon streamers marked the bride's path leading to the kneeling pillow.

Given in marriage by her

father, the bride wore a dress of candlelight illusion tulle. The shirred bodice, fashioned with a beatha of Chantilly lace, dipped to a point in front. A ruffle of the lace extended from the bouffant skirt into a full cathedral train. Her fingertip veil with crown of pearls and iridescent sequins was of imported illusion. Her corsage was a white orchid with cascade of Stephanotis.

Attendants of the bride wore gowns of dusty pink satin with jewel studded veiling headpieces. Their corsages in shades of fuchsia complimented the gowns and were later used as a centerpiece for the refreshment table at the reception.

Maid of Honor was Miss Mary Dell Thompson, sister to the bride. Bridesmaids were Misses Mary Kathryn Dennis of Hodge, Louisiana, Kay Ashworth of Kingsville, Jeanette Prague of Dallas, Annys Kate Blair of Gorman, and Mrs. Ronald G. Brown of Dallas.

Mr. Sam Clinton of Corpus Christi was best man. Grooms-men were Messrs. Ronald G. Brown, Floyd Cantlon and Robert Burch, all of Dallas, Boyd Taylor of Houston and Joe Mehaffey of Gorman.

Ushers were John Edward Kimble and Burnett Eison.

Wedding trip for the couple will extend through the Southwest States. On returning they

will be at home, 3717 D Winthrop Avenue, Ft Worth, Texas. Mr. Prague has transferred from the Dallas offices of Peat-Marwick-Mitchell to the firm's Fort Worth offices.

RECEPTION HELD IN CHURCH PARLORS

The bridal couple, with their parents and attendants received guests in the church parlors where punch was served with pieces of the wedding cake.

In the house party were Miss Judy Mehaffey who registered guests and Misses Tomazine Whit, Kay Lynn Ramsey, Linda Lee Speck, Gerry Bolt, all of Gorman, Maryleann Hall of Huntsville, Kay Adkins of Union City, Tennessee, Charlotte Hilley of Lamesa, Mrs. Don Van Pelt of Denton, Lynda Shell, Linda Harrison and Kay Ann Craddock.

Out of town guests registering

were William S. Nichols, Valliant Nichols, Mrs. Lorena Prague, Miss Sara Ja Denson, Mr. and Mrs. S. E. Clifton, Dick Cole, all of Dallas, Jim Lewis of Rising Star, Mrs. Robert Haynes and Carolyn Haynes of Euless, Mrs. A. M. Allen, William Hadley Scott II of De Leon, Mr. and Mrs. W. R. Eppler, Miss Sara Beth Greer and Miss Sara Edwards, all of Abilene, Don Van Pelt of Denton, Mrs. Boyd Hilley and Harold Hilley of Lamesa, Mr. and Mrs. Curtis Chitty, Mr. and Mrs. Joe Pratt of Terrell, Mr. and Mrs. Elb Lee and Jimmy of Waco, Miss Ingrid Royal of Schenectady, New York, Mr. and Mrs. Delmar Ashworth of Kingsville, Mrs. Bobbie Wood and Mr. and Mrs. Turner Collie of Eastland, Mr. and Mrs. B. M. Collie of Austin, Mr. and Mrs. George Eppler of San Angelo, Mrs. Walter Dav-

PRENUPTIAL HONORS FOR THE BRIDE

Pre-nuptial functions honoring the bride included an announcement tea given by Mesdames Barton Eppler and R. C. Mehaffey; a bridge luncheon by Mrs. D. V. Rodgers; the bridal shower, hostesses of which were Mesdames W. Glynn Kirk, Gus Frosard, Keith Whitt, Marvin Blair, and Melvin Shell; a brunch with hostesses, Mrs. John Kimble and Mrs. Wilbur T. Shell; and a bridesmaids' luncheon given by Mesdames William Brogdon and Edward Harrison.

The rehearsal dinner was given by Mrs. Lorena Prague, mother of the bridegroom, at Lone Cedar Country Club, Saturday evening.

is, Mr. and Mrs. J. E. Whiteside and Mrs. C. E. Hicks, all of Brownwood.

WYNNE CHESTER SAYS:
Travel Light, Gunwise, For UPLAND GAME!

The upland game seasons are either here or about to be, depending on where you call home. Upland game, for those who haven't been paying attention to the "here comes Autumn" talk of husbands and male friends, means birds . . . pheasant, grouse, quail and the like, Gunning for them is fascinating, thrilling sport. But for us gals it has a special attraction . . . what a wonderful chance to drop household chores and go outdoors to share a favorite experience with our men. Upland game shooting demands good timing, so a light, easy-to-handle shotgun is in order. Quite a few guns have been designed to meet these requirements. They're fast-swinging, and light enough for a "mere slip of a girl" to carry all day . . . feather-weight automatics and repeaters, beginner's single shot models and beautifully balanced little 410's. Why not look them all over with a couple of experts . . . your local sporting arms dealer and the male shooter in your life . . . before deciding?

OCTOBER 1959 IS IMPORTANT DATE FOR FARMERS

Beginning in October 1959 farmers will have social security disability protection for the first time. That date can be an important one for any farmer who becomes disabled in October or later months.

Although many severely disabled people in the Abilene area are now receiving disability insurance benefits under social security, farmers have not been able to qualify up until this time, according to R. R. Tuley, Jr., Manager of the local social security office.

A disabled person has to have social security credit for 5 years in the 10 years immediately before he became disabled. Because farmers were not covered under the law until January, 1955, they could not meet this test before October, 1959, unless they had had other work covered by the Social Security Act in earlier years. By now, however, most farmers will have earned 5 years or 20 quarters of coverage under social security beginning with the month of October.

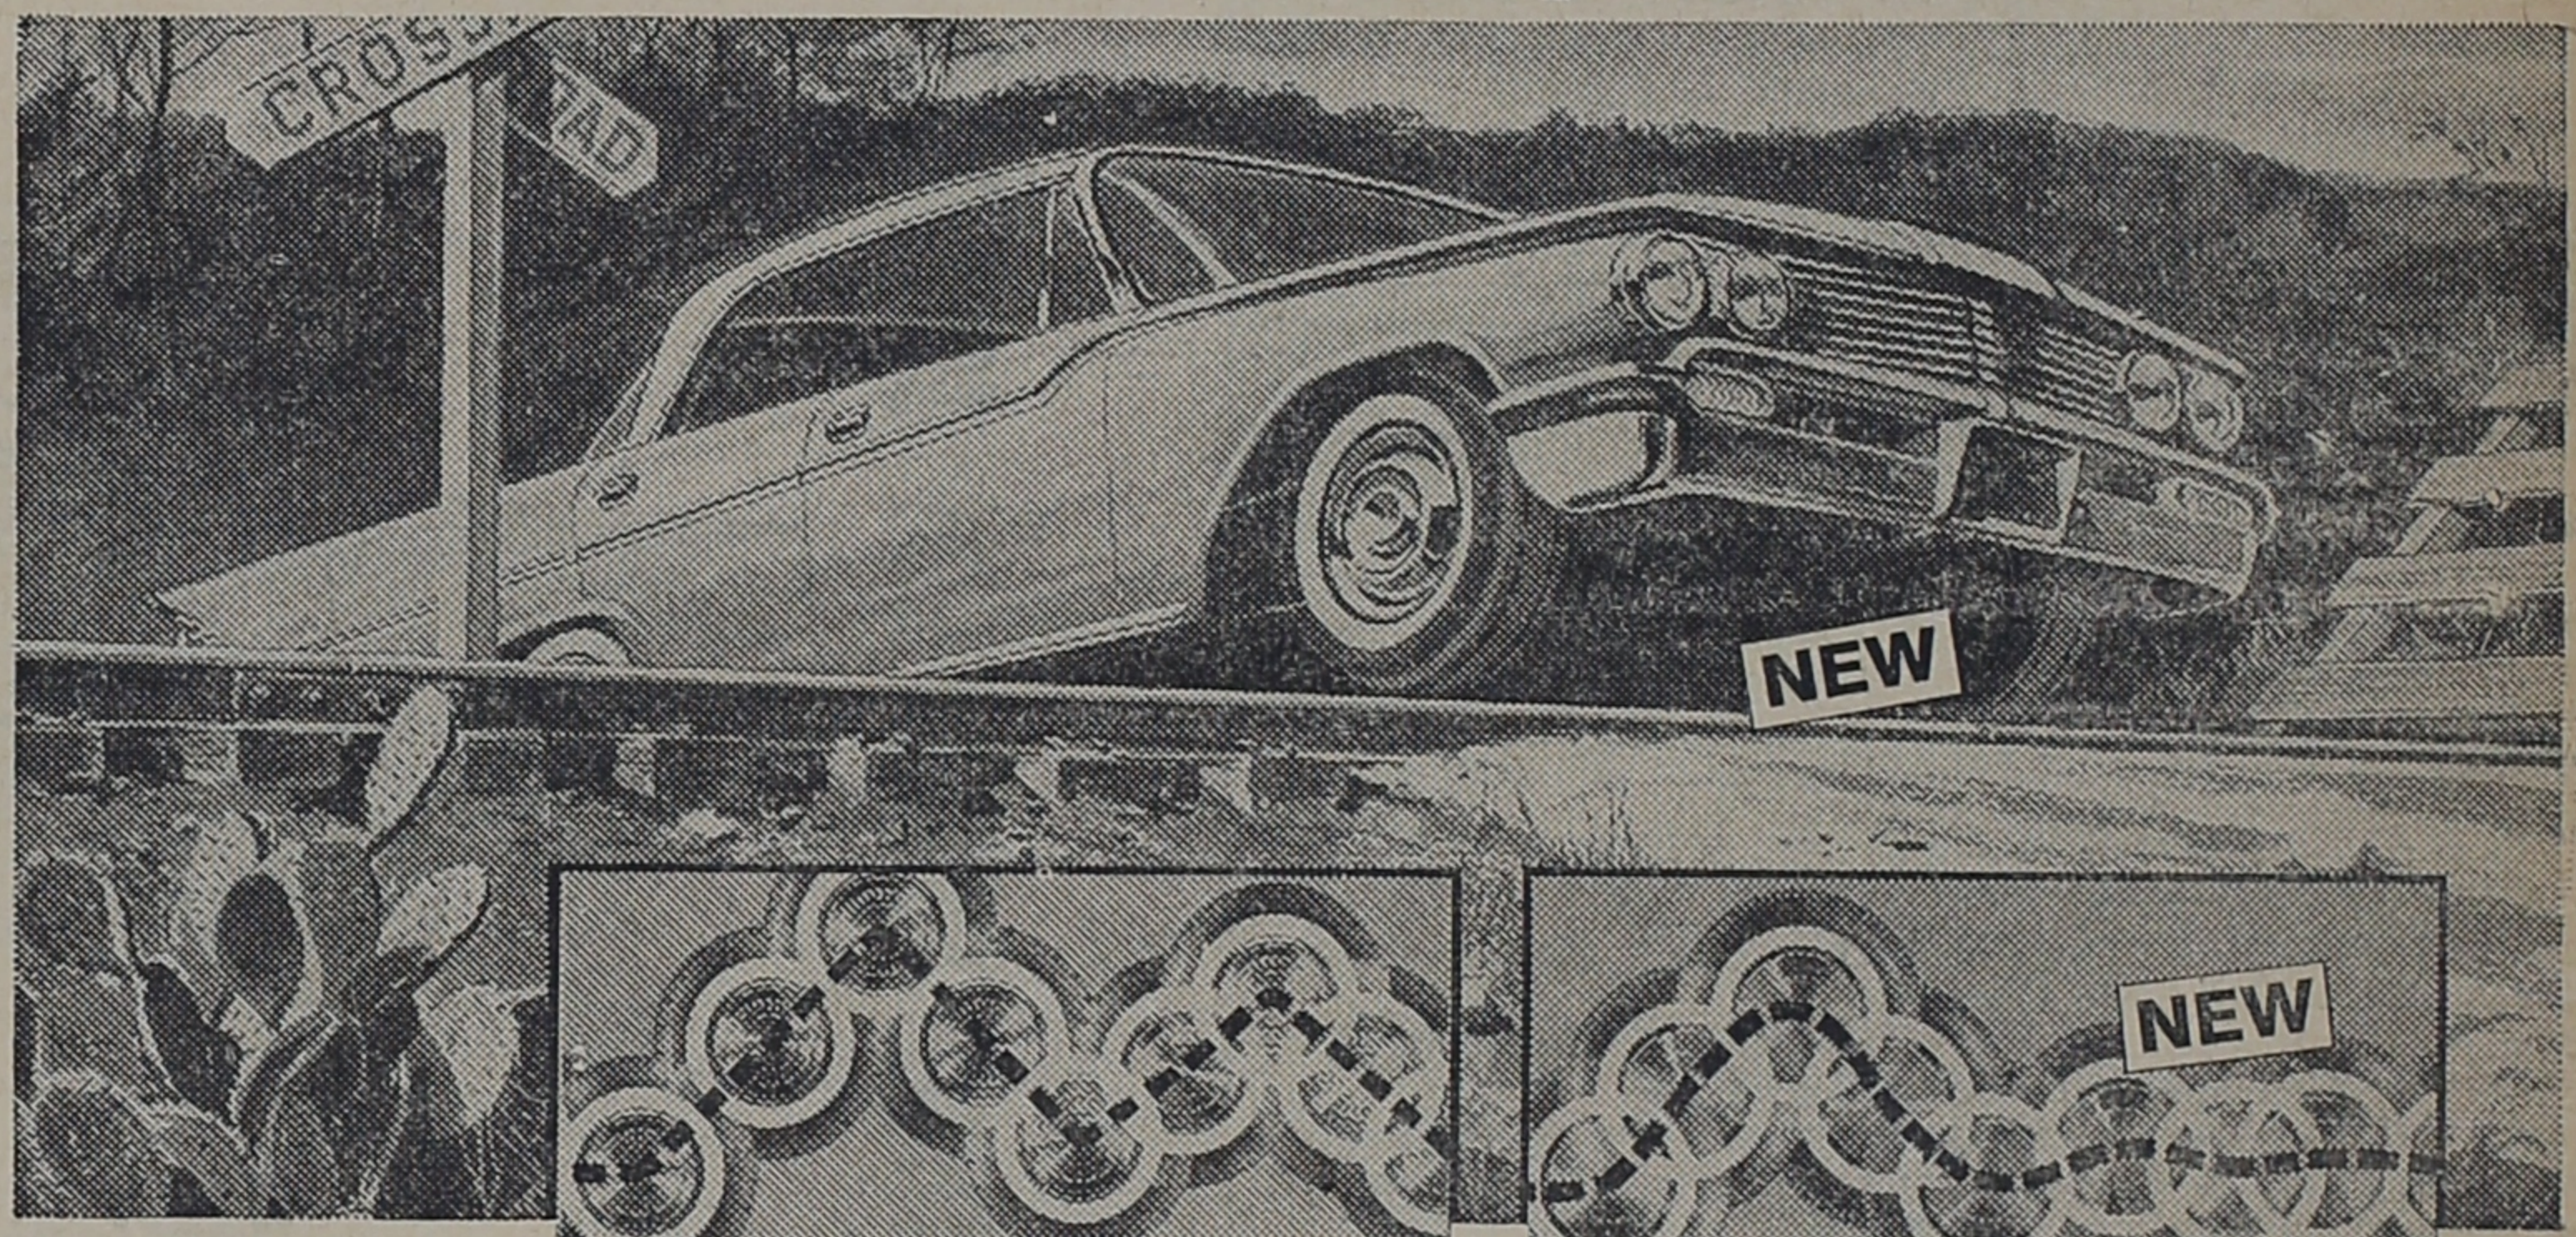

This does not mean that farmers can be paid disability benefits for the month of October because the law still requires that a person be disabled for 6 months or more before payments can be made. But it does mean that the farmer who becomes disabled in October or later can meet the work requirements of the law and become eligible for benefits after the 6 months waiting period.

This 6 month period was placed in the law as a means of measuring the effect of the disability, which must be of "indefinite and long-lasting duration."

HUMBLE Presents... THE NEW TIRE of this generation!

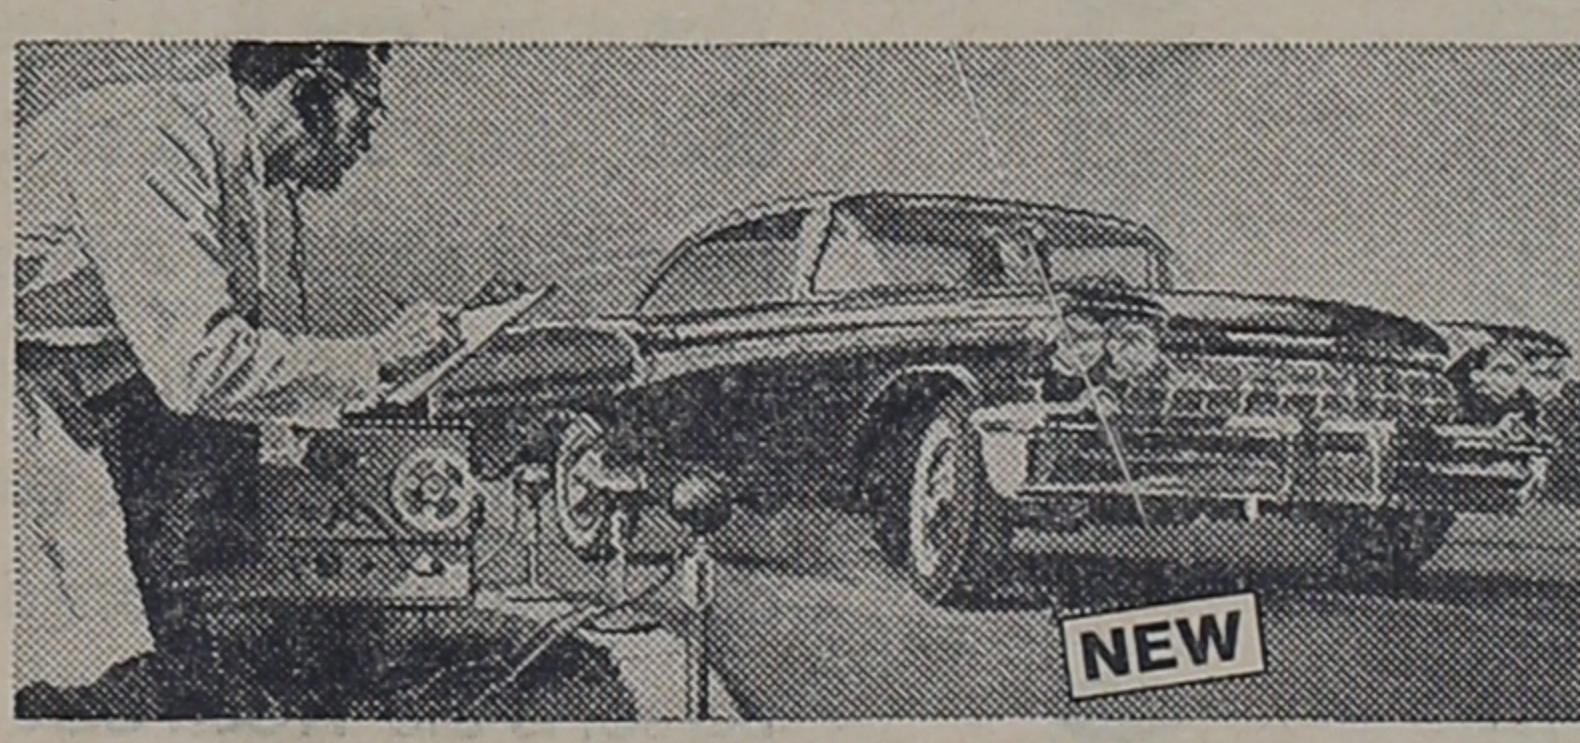

ATLAS BUCRON TIRES

Ride easier than any other tires

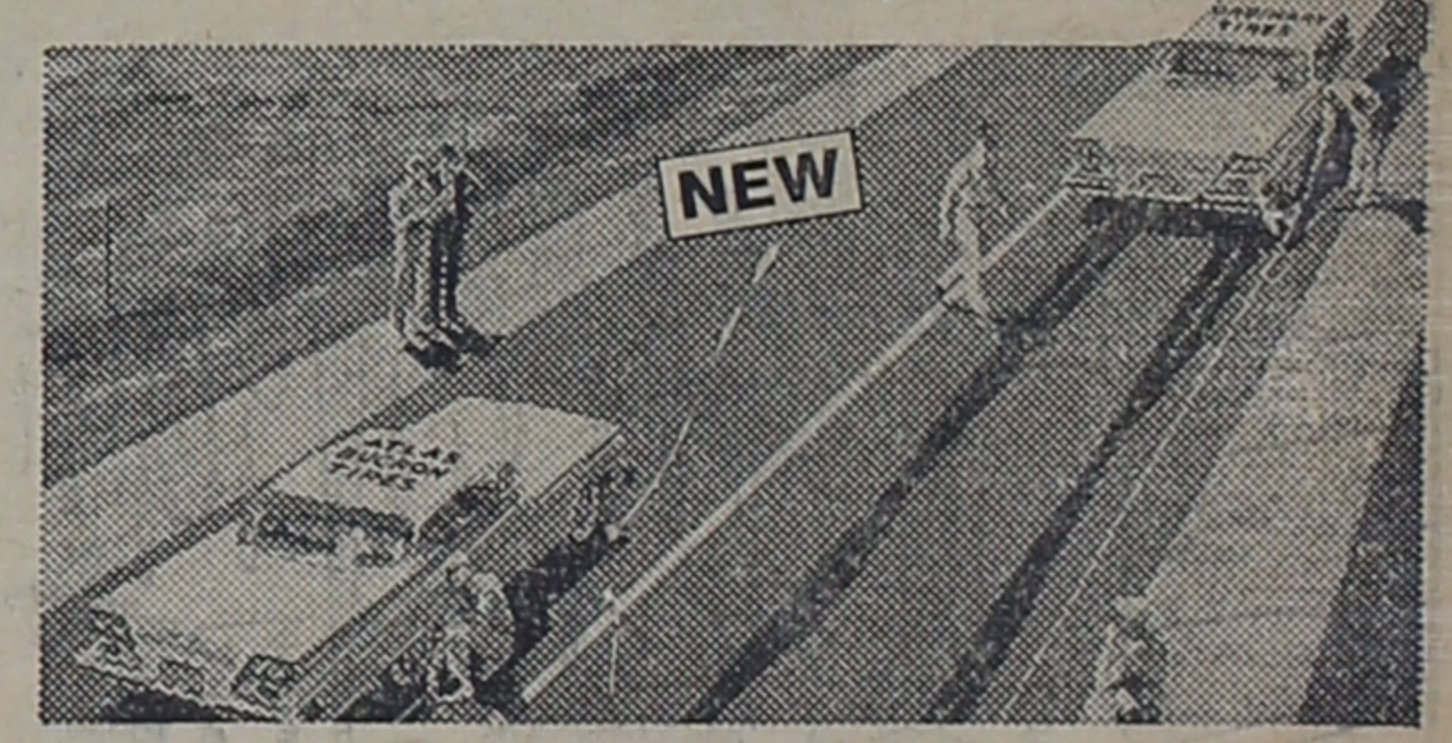

Ordinary tires "bounce" . . . multiply bumps and jars. Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

SOAKS UP BUMPS AND JARS! You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron smothers "bounce." Your car rides like the day you bought it, steers easier, handles better.

POSITIVELY NO SQUEAL! The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the miracle new rubber of the tread.

SAFER! Stops 30% quicker than ordinary tires. Tested against other tires, the Atlas Bucron Tires stopped 30% quicker—often the difference between a safe stop and an accident. Atlas Bucron Tires will stop quicker on wet pavement than ordinary tires on dry.

HUMBLE OIL & REFINING COMPANY

Trade Now for a set of these amazing new tires. Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. Equip your car with Atlas Bucron Tires on all four wheels.

GUARANTEED BY HUMBLE

Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. (Note: All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

NOTICE

Now we can definitely say that Gorman will have a New Telephone Plant. Along with Dial Telephones and A New Telephone Building. Of course, our plant will be built for a town that is growing and improving every day. Our engineers are now busy on this phase of the work. They are also studying how many switches and terminals that will be needed to give everyone service who is desiring it.

In order to have enough equipment to serve you, we must know AT ONCE whether you desire service or not. We also want to know how many of our subscribers want to up-grade or down-grade their service.

We only have a couple of weeks to get this information. Please come in an sign an application if you are interested.

REMEMBER, we are building this plant for you. Don't be left out. Remember it takes a written application to obtain service. All rates, tariffs and operational data will be furnished at the telephone office.

KOKOMO NEWS

By Mrs. Glenn Jordan

On Monday, Sept. 21st Mrs. Bill Brown and Mrs. Euell Allison honored their parents, Mr. and Mrs. Henry Lovell, with a dinner on their 40th wedding anniversary, in the Allison home. Those present were: the honorees, Mr. and Mrs. Henry Lovell, Mr. and Mrs. Mike Morgan, Mrs. C. J. Lovell, Miss Joyce Greenwood, Mr. Berry Greenwood, Mr. Edwin Allison, Miss Annie Allison, Mrs. J. E. McDaniel, Duane and Wallace, Mr. and Mrs. Bill Brown and Kris, all of Carbon, Mrs. Ione Bownds and Doris of Eastland, and Mr. and Mrs. Euell Allison and Alvie.

Mrs. J. L. Burleson of Herm-
leigh spent last week with her
daughter, Mrs. H. L. Scitern and
family.

Mr. and Mrs. George Bennett
were shopping in Abilene last
Wednesday. While there they
visited with their grandson,
Dwight Bennett, who is attend-
ing McMurray College.

Ricky Fuller spent Thursday
with Danny Snider.

Mr. and Mrs. Jim Jordan were
shopping in Stephenville on Fri-
day.

Mr. and Mrs. Tommy Webb of
Abilene were visiting with her
parents, Mr. and Mrs. Buddy
Eaves, on Saturday.

Mr. and Mrs. George Burke of
Midland were overnight guests of
Mr. and Mrs. R. Q. Graham on
Friday night.

Mr. and Mrs. Roy Dennis and
daughter of Odessa, Mr. and Mrs.
Bruce Hooper and children of
Andrews, Mr. and Mrs. Q. D.
Fuller and Russell were visiting
with Mr. and Mrs. Claude Fuller
and children on Saturday night.

Mr. and Mrs. Voncil Reynolds
and three children and his dad,
Mr. L. D. Reynolds, were visit-
ing with his uncles, Mr. and Mrs.
Whit Graham, Mr. and Mrs. R.
Q. Graham, and with Mr. and
Mrs. Delman Eaves and Mark.
Mr. Voncil Reynolds has just re-
turned from duty in Korea. They
were enroute to De Leon to visit
with his twin sister, Mrs. Vonita
Hallmark, and family.

Mr. and Mrs. H. L. Scitern
were in Merkel Thursday on bus-
iness.

Mr. and Mrs. Larry Strube of
Abilene were visiting with Mr.
and Mrs. Jake Crawley over the
weekend.

Mr. Edwin Allison and Miss
Annie Allison visited with Mr.
and Mrs. Euell Allison on Satur-
day night. Mr. Edwin Allison
celebrated his 70th birthday this
week.

Mrs. W. F. Bryant is in the
Gorman hospital but is hoping to
return to her home on Tuesday.
We wish for her a very speedy
recovery.

Mr. and Mrs. Vern Garrett
have been visiting with their
daughter, Mrs. Jerry Hallmark,
who is ill in the Eastland Me-
morial Hospital. A speedy re-
covery is wished for her.

Mr. and Mrs. George Eppler
and children of San Angelo spent
Saturday night with Mr. and
Mrs. W. A. O'Neal.

There was a great number of
visitors present for the Dedicat-
ion Service of the Kokomo Bap-
tist Church Building on Sunday.
Among them were Reverend and
Mrs. Leslie Tom and children of
Ginard. Rev. Tom is a former
pastor at Kokomo. Also present
was Mrs. Willie Skaggs, wife of
the late Rev. Willie Skaggs, who
was pastor at Kokomo for 40
years.

While here Rev. and Mrs. Tom
visited with Mr. and Mrs. W. A.
O'Neal.

Mr. and Mrs. J. B. Alexander
of Stephenville visited with Mr.
and Mrs. Victor Pack on Sunday
night.

Rev. and Mrs. Jackie Heath
were supper guests of Mr. and
Mrs. Calvin Brown on Sunday
night.

Rev. Heath's parents and bro-

**Final Rites For
Miss Harrell
At Desdemona**

On Wednesday, Sept. 23, 1959,
Miss Gladys Evelyn Harrell pass-
ed away at her home in Desde-
mona, Texas.

She was born Nov. 29, 1914 at
El Reno, Okla. She later moved
with her parents to Desdemona
where she spent the remainder
of her life. She was a member of
the Baptist Church.

Funeral services were held on
Friday, Sept. 25th, at the Baptist
Church in Desdemona with Bro.
Buel Bryan officiating.

Her father preceded her in
death.

Survivors are her mother, Mary
Lee Harrell; one sister, Mrs.
Elaine Watson; one brother, Otis
Lee, and two nephews, Marion
Watson, Jr., and Otis Harrell, Jr.,
and her grandmother, Mrs. Fan-
nie Genaway; a number of uncles
and aunts and a host of friends.

Pallbearers were Clarence Rag-
land, Murray Foote, Brooks Wil-
coxson, Roy Guthrie, R. Lewis,
and John Arnold.

Interment was in the Desde-
mona Cemetery.

Her brother, Jerry Don, visited in his
home Friday and Saturday. They
were moving from Houston to
Big Spring.

Sylvia Hendricks spent the
weekend with Linda Harrison.
Mr. and Mrs. Albert Hendricks
visited with Mr. and Mrs. Ed
Harrison on Sunday night.

Mrs. Willie Skaggs and her
daughter, Mrs. Parker, and son
visited with Mr. and Mrs. J. A.
McNeely on Sunday afternoon.

**WCS Study U. N.
Economical Effort**

Members of the Woman's So-
ciety of Christian Service attend-
ing the Tuesday meeting in the
home of Mrs. M. E. Shell heard
a discussion of economical efforts
of member nations of the United
Nations. Mrs. Donald Bolt lead
the discussion and gave the map
study.

Her discussion with quiz direct-
ed by Mrs. J. W. Townsend re-
vealed the developments in vari-
ous countries in reclamation and
conservation of natural resources,
including water from subterranean
areas, in rivers from the
ocean and conservation. She also
talked on the familiar topic "Oil",
which has caused so much tur-
moil. One-half is used for trans-
portation with only one-fifth for
industry.

Oppression, want and national
development, as well as war, are
factors which have caused our
trouble spots.

The third session will be held
in the home of Mrs. Edward Har-
rison at 9:30 o'clock Tuesday, Oc-
tober 6th. Those attending are
asked to not persons, plates and
trouble spots in world affairs.

ON DISPLAY! FRIDAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY!

DISTINCTIVE! SATISFYING! ENDURING! SUPERB! SPIRITED! JOYFUL! SWEET!

ELEGANT! QUIET! SMOOTH! LUXURIOUS! ENDURING! SUPERB! SPIRITED! JOYFUL!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

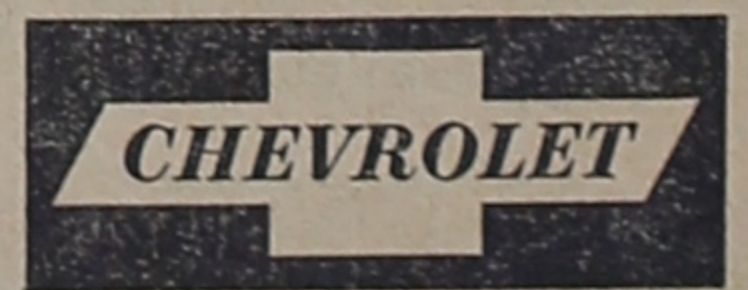

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close. It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line. Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel. Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds. Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models. But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes... and that's to drop in on your dealer and drive one!

See your local authorized Chevrolet dealer

Mrs. Nell Rainey Is Outstanding Home Economics Teacher At Gorman

Mrs. Nell Rainey is a graduate of T. W. U. of Denton (then C. I. A.) with a B. S. Degree. Soon after graduating she went to Matador, in West Texas, as a Home Dem. Agent where she worked until her marriage. Her husband was a bridge contractor and they moved to various places over the state for a number of years. In 1952 her husband's health forced him to spend most of his time at home. It was then that she began her teaching career. She started in Alexander as Home Economics and Science teacher and at the half term she transferred to Carbon. After spending five years there she became Home Ec teacher in the Gorman School in 1956. This year makes her third year to head that department. She has been a faithful teacher and sponsor for the girls from picnics to charm school.

CARBON FHA NEWS

Pat Reynolds, Reporter

The Future Homemakers of Carbon met Monday night, the 14th for the installation of officers. The officers installed are the following:
Pres. - Annie Mae Stephenson
1st. Vice-Pres. - Kay McDaniel
2nd. Vice-Pres. - Patsy Hale
Secretary - Mary Elizabeth Been
Treasurer - Delores Johnson
Publicist - Wanda Tucker
Reporter - Pat Reynolds
Historian - Linda Eaves
Sargent-At-Arms - Nancy Benton

After the ceremony refreshments of cookies and punch were served at the cottage to the club members and parents.

Monday, the 21st, a short assembly was held to award the Homemaking Girls stuffed dogs for selling magazines.

Each girl had to sell thirty-five dollars worth of magazines or a combination of five Look and Seventeen in order to receive a dog.

The girls awarded dogs were the following: Mary Rome, Katharine Sandlin, Jane Garrett, and Pat Reynolds.

CARBON HIGH NEWS

Our football boys really gave us the spirit we needed last Thursday night. The Wolverines played a very exciting game with the Brooksmith Mustangs. The score was 6-0 in Carbon's favor. Kenneth Taylor made the touchdown.

The Wolverines play Pottsville Thursday, October 1st at 8 p. m. Everyone is asked to come to see an exciting game here at Carbon.

The Wolverine lineup is: Jerry May, left end; Kenneth Taylor, right halfback; Benny Frasier, left halfback; Eddie Frasier, quarterback; Rodney Jackson, center; and Billy Sandlin, right end.

Our coach is Dale Key and the Assistant Coach is Mr. Mosier.

We would all like to have a big crowd out this Thursday night to cheer the Wolverines to another victory.

See you next week.
Reporter, Colleen

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

FRIDAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! FRIDAY!

THE REVOLUTIONARY Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair. The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one. The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit. By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle. Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow. Corvair's size—some 5 inches lower, 2 1/2 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater*). Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6
Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM
Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE
Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT*
Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR
Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER
Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT
Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION
There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

*Optional at extra cost

TRADE IN YOUR OLD TV SET NOW ON A NEW

Hoffman "DUET"

sight and sound system

HOFFMAN QUALITY HAS EARNED THE GOOD HOUSEKEEPING GUARANTY SEAL

HAVE A COMPLETE HOME ENTERTAINMENT SYSTEM FOR THE COST OF QUALITY STEREO ALONE!

Hoffman's "Duet" is a coordinated electronics system to provide the ultimate in TV, and superb stereo sound in TV, high fidelity and FM/AM radio. Each unit is self-contained—can be used independently. BOTH units combine to bring TRUE stereo reproduction or to give your TV sound stereo-like quality. The exquisitely designed and finished cabinets match perfectly.

THE TV has Hoffman's brand new Pan-Vision screen that lets you see ALL the picture just as it leaves the transmitter. No matter where you sit you see the full picture without distortion, and, because the safety glass is sealed to the face of the Pan-Vision tube, there is no extra safety glass to produce unwelcome reflections.

THE STEREO gives you exciting home entertainment services. Play stereo records using the matching tv unit as the second sound channel. Use it as a second sound source for your tv audio to achieve fuller sound. Play the AM or FM radio using the tv unit as a second sound source for fuller sound. A seven-control panel gives you all these combinations.

HOME FIRE FACTS and FIRE SAFETY IN THE HOME

HOME is where more than 7,000 of the 10,000 building fires occurred annually in Texas during the past ten years. Home is where 400 of the 500 deaths by fire occur annually in Texas during the past ten years. Home is where more than 200 of the 400 deaths by fire that occur annually in Texas involve children under 15 years of age and persons over 65 years of age. Home is where the annual loss of life by fire ranks third among causes of accidental deaths, being led by motor vehicle accidents and falls. Home is where the average Texan spends more than two-thirds of his time, and where the average person is perhaps more careless with fire than any other place. A fire burn is always painful and often disfiguring. Asphyxiation by fire gases is responsible for a majority of fire deaths, and this fact makes fresh ventilation of great importance in the home and elsewhere. Fire deaths are principally due to burns and to the inhalation of carbon monoxide and other gaseous products of combustion. These Home Fire Facts make the Prevention of loss of life or personal injury by fire the first objection of all fire protection, and saving property secondary. Should you want to know how you can safeguard your life and that of your family against the danger of fire, you are invited to "TUNE IN" how to use this

HOME FIRE SAFETY CHECK LIST

Mom and Dad are important people about the home. They know all of the answers. Some questions Dad can answer best; others, Mom knows more about - but together, as a family, you can work out the answers on "How Fire Safe Is Your Home?" If any of the questions asked on this Home Fire Safety Check List don't apply to your home . . . just cross them out. All of the questions listed can be answered "Yes" or "No". Each question answered "No" POINTS TO A FIRE HAZARD. Study the "No" answers. You will then have a good picture of the fire hazards in your home. You, working together with your family, should take immediate steps to correct the fire hazards found.

MATCHES AND SMOKING HAZARDS

- Do you keep matches in metal containers away from children? Yes No
- Do you extinguish all matches, cigarette butts and cigars carefully before disposing of them? Yes No
- Are there plenty of ash trays in all rooms in the house? Yes No
- Are all members of your family instructed not to smoke in bed? Yes No
- Do all members of your family know that approximately 27% of the annual insured fire losses in Texas were caused by 'Matches-Smoking'? Yes No

ELECTRICAL HAZARDS

- Do you have an experienced licensed electrician to install or to extend your wiring? Yes No
- Do you use only approved electrical appliances and equipment listed by Underwriters' Laboratories, Inc.? Yes No
- Do you use only 15 amp fuses in the fuse box for your household lighting circuits? Yes No
- Are all flexible electrical extension and lamp cords in your house in the open - non placed under rugs, through partitions or door openings, or over hooks or nailed? Yes No
- When removing attachment plugs from outlets, do you correctly grasp the plug itself, instead of pulling on the cord? Yes No
- Do you use bracelet-labeled approved flexible cords to insure safety from fire? Yes No
- Have you had the electric wiring, wiring installations and electrical appliances in your home inspected by a licensed electrician as a life and safety measure? Yes No
- Have you provided special circuits for heavy duty appliances such as washing machines, refrigerators, deep freeze boxes, etc., instead of overloading the electric circuit in your home? Yes No
- Do you have only an experienced electrician repair your appliances and other electrical equipment, instead of tampering with it yourself? Yes No
- Do all members of your family know that approximately 22% of the annual insured fire losses in Texas were caused by the misuse of electricity? Yes No
- DO ALL MEMBERS OF YOUR FAMILY KNOW THAT "PEOPLE AND NOT THINGS CAUSE FIRE?" Yes No

GASOLINE IS A HAZARD

- Do all members of your family know and realize that Gasoline is a Motor fuel and not a cleaning agent? Yes No
- Do all members of your family know that it is the VAPOR from the EVAPORATION of gasoline rather than the liquid itself which burns or explodes when mixed with air in the presence of a source of ignition? Yes No
- Do all members of your family know that Gasoline should always be kept in approved metal containers and never in bottles or open containers? Yes No
- Have all members of your family been instructed to never (1) bring gasoline into the home, or (2) to use gasoline to cleanse clothing or anything? Yes No

GAS HAZARDS

- Do all members of your family know that domestic fuel gas like most flammable gases is more or less toxic and involves a health as well as a fire hazard? Yes No
- Do you know that the installation, alteration and repair of gas piping in buildings should be done only by men fully experienced in this work, and the gas should be turned on only after the system has been thoroughly tested for leaks? Yes No
- Where flexible gas tubing is used, is it of an approved type? Yes No
- Do you know that rubber tubing deteriorates rapidly and has been responsible for many fires and explosions? Yes No
- Do gas burning appliances have adequate clearance of at least 18 inches from woodwork and other combustible materials? Yes No
- Are gas burning appliances, such as room heaters, provided in sleeping quarters or rooms generally kept closed, vented and equipped with an automatic pilot? Yes No

GENERAL HOME FIRE SAFETY PRECAUTIONS

- Do you keep all closets, storerooms, and attic free from rubbish, oil, rags, old papers, broken furniture, etc? Yes No
- If you use an oil mop, do you keep it in a metal container or other safe place, well ventilated where it will not catch fire by spontaneous ignition? Yes No
- If trash and rubbish are burned, do you use a suitable outdoor incinerator? Yes No
- Is an adult always present during the entire time trash, leaves, etc. are burned out of doors, and is the fire completely extinguished when you leave it? Yes No
- Have dead weeds and grass, dried leaves and rubbish been removed from your vacant property and vacant property adjacent to yours? Yes No
- Did you know that approximately two-thirds of all home fires and other fires occur in the night? Yes No
- Do you know how to turn in a fire alarm and the telephone number of your local fire department? Yes No
- When you employ a baby sitter do you instruct her carefully on what to do in case of fire? Yes No
- Do you believe in Fire Prevention, and do you believe that your local fire marshal, fire chief and fire men want to help you make your home safe? Yes No
- Did you know that your local fire marshal or fire inspector will make a Fire Safety inspection of your home upon a request from you? Yes No
- Did your entire family take part in completing this check list? Yes No

**M. F. BOSTON RECEIVES
 GRADE C CERTIFICATE
 FROM STATE HEALTH DEPT.**

State health authorities have awarded M. F. Boston of Gorman a Grade C 'certificate of competency' in recognition of his skill and knowledge of water plant operation.

The certificate was awarded under Texas' general sanitation law that water plants furnishing the public must be under the supervision of an operator who has proved his talent for the job in a written examination and has been certified by the Texas State Dept. of Health.

Boston's newyl won certificate will be valid for three years. After meeting certain requirements of experience and training, he will be eligible to try for higher certification.

The examination for Grade C certification covers fundamental knowledge in quality requirements for a public water supply, interpretation of bacteriological analysis, selection of pumps, well or surface supply sanitation, distribution system sanitation and procedures involved in pipe laying and maintenance.

Grade C certification requires a minimum of one year of experience plus 40 "credits" earned by attendance at annual district and state water works short schools sponsored by the Texas State Dept. of Health, the engineering extension service of Texas A & M College, and the Texas Water and Sewage Works Assn.

**Our Junior Fire Marshals
 work for a safe community!**

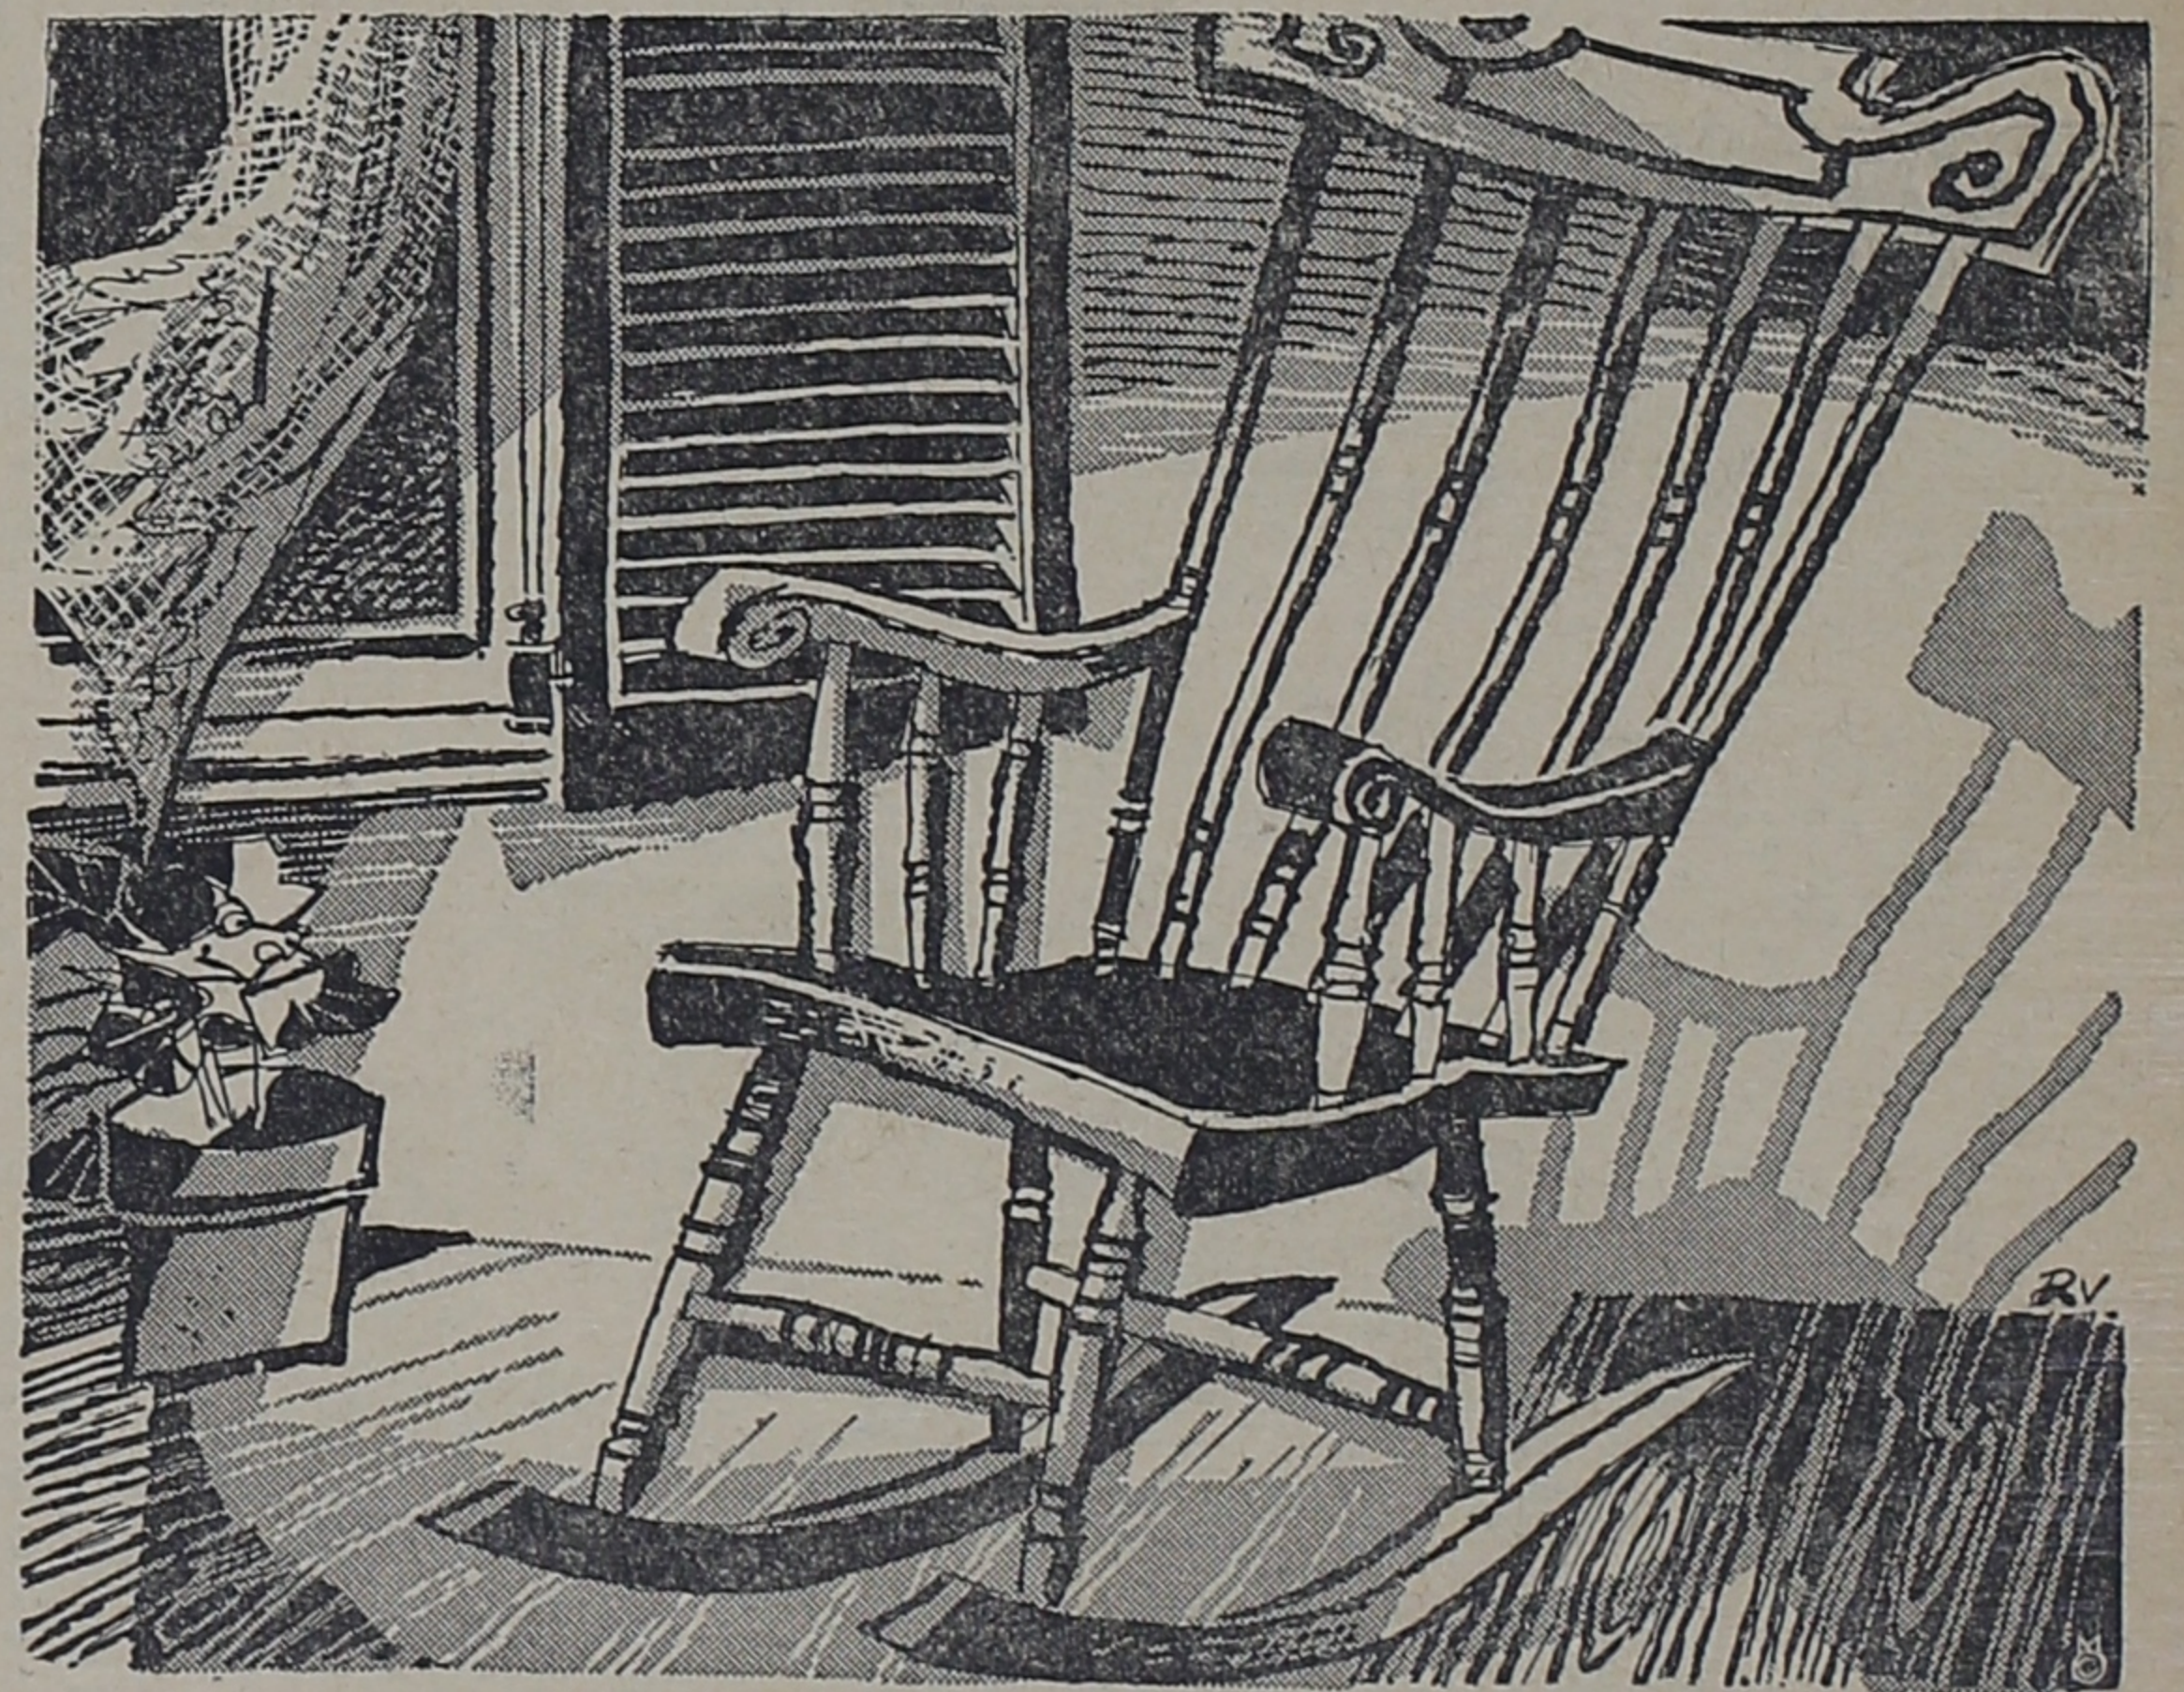

Is your youngster a Junior Fire Marshal? If so, he or she is participating in a program that's helping to make our community a safer place to live . . . learning fire safety principles that may save a life some day!

Be sure to help your youngsters put those principles into practice by inspecting your home with them when they bring home their Fire Prevention Report.

We are happy to cooperate with the Hartford Fire Insurance Company in sponsoring all Junior Fire Marshal activities throughout the year. And we invite your support for the program, too.

**Generations of
 Service!**

The old family rocking chair (in which grandma rocked daddy) has become a well loved symbol of long and faithful service in many a home. We can heartily applaud this warm sentiment for the tried-and-trusted . . . because we too have had the privilege of serving one generation after another of many families hereabouts . . . have helped achieve security and success. Confidently we look forward to doing the same for their children and their children's children.

We welcome the opportunity to serve new families, too.

KEEPING UP WITH FRIENDS

Mrs. Dona Moorman is vacationing in California.

Mr. and Mrs. Roy Dennis and Vicki of Odessa and Mrs. Bruce Hooper, Jimmy and Velia of Andrews visited Mr. and Mrs. Q. D. Fuller and Russell over the weekend.

Mr. and Mrs. Wayne Rone and boys of College Station visited their parents, Mr. and Mrs. E. G. Rone and Mr. and Mrs. Emmett Bingham, over the weekend.

Mr. and Mrs. Jess Richardson are visiting with her daughter and husband, Mr. and Mrs. Bill Woods in Waco. From Waco they will go to Fort Worth for an ex-

tended visit with their daughters, Mr. and Mrs. Bob Jones and Mr. and Mrs. Bill Heffley.

Mr. and Mrs. Don Van Pelt of Denton visited her grandmother, Mrs. J. Frank Dean, over the weekend. Mrs. Dean has just returned from a months visit with her children in Morton.

T/Sgt. and Mrs. Joe L. Cook and son spent the weekend visiting his mother, Mrs. Scythia Bagwell, and other relatives. Joe is in Amarillo for special training with the Air Force. After a weeks visit here Mrs. Cook and son will go to San Marcus to visit with her parents during the two months Joe is in training.

Mr. and Mrs. Alton Brown and son recently returned from Iraan where they spent four days with her parents, Mr. and Mrs. Homer Bibby, and other relatives.

VISITORS FROM ALASKA

Visiting in the home of Mr. and Mrs. George Cooper last week were M/Sgt. and Mrs. James Cooper of Anchorage, Alaska and Mrs. Joe Stanfield of Monahans, Texas.

Sgt. and Mrs. Cooper have been in Alaska for the past two years. During that time they have seen Alaska change from a Territory into the largest state in the Union.

Sgt. Cooper is assigned to Headquarters, U. S. Army, Alaska, as Inspection Chief of special weapons. He has traveled over most of the biggest state from Point Barrow in the far north to Annette Island in the south and from the Aleutian Chain to the Canadian Border.

James, better known to local people as "Pete", is the oldest

son of Mr. and Mrs. George Cooper. He will have completed 20 years of service in the Army on March 17, 1960. His wife, Wanda, is the daughter of Mrs. Joe Stanfield of Monahans and a cousin of Mrs. Stanley Porter and Mrs. W. T. Broom of Gorman.

Sgt. and Mrs. Cooper like Alaska and think it is a beautiful country, but they are eagerly awaiting their rotation date of May, 1960 and are hoping to be sent back to Fort Hood, Texas.

Also visiting in the Cooper home last week were Mr. and Mrs. John H. Cooper and children of Kansas City, Mr. and Mrs. Dwayne Clement of Waco, Mr. and Mrs. W. T. Broom, Mr. and Mrs. Stanley Porter, Harley Fowler, wife and mother, all of Gorman, Mr. Rennie Byrd, wife and mother of Killeen, Mrs. Craig Smith, Mrs. Gladys Lucke, Mr. and Mrs. George Porter, and Mr. and Mrs. Bill Stanfield and Francis of Colorado City.

Mr. and Mrs. Clement brought their projector and the group enjoyed seeing the many and beautiful slides that Pete and Wanda had made in different parts of Alaska.

They are to leave Oct. 1st. to return to Alaska and boarding the same plane will be Bro. and Mrs. J. B. Fowler who once worked with the Midway Baptist Church. Bro. Fowler is being sent to Fairbanks to hold a 10-day revival. The couples know each other but neither one knows a-

SENIOR NEWS

By Clyda Rankin

Hey Gang:

Ah, schedules, hum drum, bore dom, and all that jazz has taken over school. No, not really, something is always popping around here. I would absolutely love school if it weren't for lessons.

The seniors wish to bow very low and graciously to all you wonderful people who bought our cakes Saturday. Our sale was a howling success, and we are grateful to you. Sure, some of the cakes weren't professional

about the other being scheduled to be on the same flight. Imagine their happy surprise when they first meet. It is sure to make their flight much shorter and more enjoyable!

Happy landing!

The GORMAN PROGRESS, Eastland Co., TEXAS, OCT. 1, 1959

looking, maybe a few were lopsided, but they were nice and fresh.

Class favorites have been elected and I think the seniors have made a fine choice. They are Mary Robertson and Jerry Anderson. Mary is head cheerleader. She has played basketball all her years in high school and plans to play this year. She takes on responsibilities easily and is eager to learn and work. Jerry is one of our main football players. He was injured early in the season and has been out of the lineup so far this year. Jerry is one of the most outstanding track runners Gorman has ever seen. He is friendly and full of fun, with a big smile for everyone.

Time has passed so I must get

back to the task of learning the 3 R's.
Beat Hico! ! over and out

Humble sponsored the first live telecast of a football game in Texas. The year was 1948 and the game was between TCU and Texas.

Heats the utensils...not the kitchen

COOL ELECTRIC COOKING

You'll enjoy cool cooking when you cook electrically. Electric surface cooking units transfer heat to utensils by direct metal-to-metal contact, with no intervening air space. They heat the utensils and the food, with a minimum of heat waste into the kitchen. The electric oven is insulated all around

—including the bottom—to keep heat inside the oven and out of the kitchen. Start now to enjoy cool cooking the modern electric way. And discover electric cooking's other advantages of cleanliness, speed, accuracy and automatic operation. See your electric range dealer soon.

Cool electric cooking is a feature of all Live Better Electrically Medallion Homes.
