#### GORMAN FIREMEN ASSIST IN EXTINGUISHING \$100,000 FIRE AT DE LEON

Two stores were completely gutted by fire Sunday, March 29 in De Leon. Assisting the De Leon Firemen were crews from Gorman, Comanche, Dublin, Rising Star, Eastland and Stephenville. De Leon Fire Chief Melvin Calhoun estimated the damage to Shelby Pharmacy, where the fire originated and neighboring Bibby's Variety Store, at a combined \$100,000.  
Firemen fought the blaze about four hours and were able to keep the fire from spreading to other stores. Success in controlling the blaze was given to the amount of water available. It was generally stated that had De Leon not had the lake water, local wells could not have supplied enough water to keep the fire from spreading.

### PREVENT POISONING-

"Children will eat anything." Sadly true, in the case of a child poisoned by ingesting medicine or a household product.

How can you protect your youngsters from this danger? Here's how:

- 1) Keep medicines and household products out of sight and reach.
- 2) Keep these items in the original containers, not in a pop bottles, glasses, dishes, or cups a child associates with food or drink.
- 3) Lock the medicine cabinet.
- 4) Assume the child is curious and take no chances.

### EXCITEMENT ON A BUDGET AT SIX FLAGS

**HANG ON!**—Guests at SIX FLAGS Over Texas, the family entertainment center between Dallas and Fort Worth, roar along at speeds up to 38 feet per second on the Runaway Mine Train. The exciting ride is one of the most popular attractions in the Park's 145-acre layout.

Where in the world can a vacationer find a spot to spend the entire day with his family, enjoying a multi-million-dollar array of rides and shows, and come away without spending a dime more than the entertainment budget allows?

The answer: SIX FLAGS Over Texas.

The huge theme park's one-price ticket policy has made it a favorite with the budget-minded vacationer. And, who isn't? Once a guest has bought an adult ticket (\$5.00) or a child's ticket for those under 12 (\$4.00), everything inside the beautiful fun center is free. The only exceptions are food and souvenirs.

Guests can climb aboard any ride or watch any show as many times as they like during the day at no extra charge.

For the 1970 season, SIX FLAGS Over Texas features more than 85 rides, shows and attractions. Each is attractively showcased in the 145-acre, wooded site at Arlington, midway between Dallas and Fort Worth.

There is so much to do and see that the Park's hosts recommend that a family plan to spend at least eight hours enjoying the lavishly landscaped facility.

Since SIX FLAGS Over Texas opened in 1961, more than 15,000,000 people from throughout the world have sampled its excitement. Nearly two million passed through the gates last year.

The Park derives its name from the flags which have flown over Texas during its long and colorful history... Spain, France, Mexico, Republic of Texas, Confederacy and the United States of America. The entertainment area is divided into six sections, with an appropriate theme carried out in each.

In the Mexican section a major attraction has been added for the 1970 season. It's "Los Voladores—The Flying Indians Spectacular." Daring Totonacan Indians from Mexico, wearing brilliantly-colored costumes, climb to the top of a 100-foot ceremonial pole. Then, clinging to slender ropes, they plunge from the pole and begin a dizzying spiral to the ground.

The Spanish section is the home of SIX FLAGS' most popular ride, the Log Flume. Guests climb into hollowed-out logs for a fast ride through torrents of water, ending with a slightly wet plunge down a steep incline.

Visitors in the Confederate section stroll through streets lined with picturesque shops and exhibits built in the style of the Old South. In the Southern Palace Music Hall, they watch a full-scale musical production. One of this year's shows features a dazzling backdrop made up of screens on which some 1,400 color photographs are flashed by electronically-controlled projectors.

Just around the corner guests climb into Indian "bull boats" for a dark trip through the Speelunkers Cave. The charming inhabitants are brightly costumed, animated figures... all very busy doing the things that Speelunkers love to do.

Fire spurts from an erupting volcano in the Mexican section as guests travel through an ani-

mated wonderland aboard a tiny train moving at "siesta speed."

Gunshots echo in the Texas section as the SIX FLAGS sheriff and his deputies shoot it out with the bad guys (who always lose). In the nearby Crazy Horse Saloon a musical revue provides entertainment for guests who drop by for a drink of nothing stronger than coffee.

Cannons roar and shots splash into the water as visitors make the "perilous" journey down the LaVaca River in the French section. The boats are besieged by wild animals and caught in the crossfire of a battle between an Indian war party and the settlers.

In Boom Town, visitors ride elevators to the two observation decks atop a 300-foot oil derrick. And, at the 50-foot level, there's a 12-lane super slide.

Nearly in the 1,500 seat arena where trained porpoises go through their paces in a salt water pool. And, there's the Chevy Show, where guests are surrounded by action on the circular Cinesphere movie screen.

A short walk down a scenic path brings the visitor to the Runaway Mine Train. Guests riding in ore cars traveling at speeds up to 38-feet-per-second roar under a waterfall and through an underwater tunnel.

The Kroff Puppet Theater features an exciting production new to SIX FLAGS Over Texas. It's the work of the Kroff brothers, Sid and Marty, known to audiences throughout the world for their innovative productions for stage, movies and television.

Around every corner there's something new to see or do. And, with more than 1,200 tons of air conditioning cooling even the outdoor waiting lines, it's a refreshing, relaxing experience.

Throughout the Park, the visitor is impressed by the immaculate cleanliness of the surroundings. Every member of the staff, right up to Chairman of the Board Angus G. Wynne Jr., is part of the "cleanup crew." If a guest drops a cigarette or a piece of paper, it's picked up immediately.

The term "amusement park" is not found in the SIX FLAGS vocabulary. Mr. Wynne, the Great Southwest Corporation official who founded the Park, was looking for something bigger, better and far more beautiful than the traditional "amusement park." Visitors seem to agree that he found the answer.

Mr. Wynne is particularly proud of the young hosts and hostesses who staff all of the attractions. Mostly college students, they are attractive and tastefully groomed and costumed. And, the "SIX FLAGS smile" is guaranteed to erase doubts about the thoughtfulness and courtesy of the new generation.

Excitement, beauty, cleanliness, courtesy and imagination are a few of the things that make SIX FLAGS Over Texas something very special. And, according to the Texas Tourist Development Agency, these elements have also made the Park a number one attraction.

MRS. ESTELLE CRADDOCK, AGENT — RE 4-5410

WASHINGTON "As it looks from here" OMAR BURLISON Congressman 17th District

WASHINGTON, D. C. — HEARINGS BEFORE THE WAYS AND MEANS COMMITTEE continue on a revamping of medicare and medicare.

NUMEROUS WITNESSES HAVE BEEN BEFORE THE COMMITTEE, including representatives of the American Medical Association, hospital associations, insurance carriers, private physicians and others who give an appraisal of present operations of these programs and make recommendations for change.

ABOUT EVERYONE AGREES THAT FAILURES and weaknesses in medicare and medicare have not resulted from a lack of dollars from the Federal Government.

AS HAS BEEN MENTIONED HERE BEFORE, the cost of medicare and medicare has skyrocketed, much of it due to inflation but other factors have influenced it also. The effort is to search out the difficulties in our health care system and seek ways of remedying the faults.

A DOCTOR MEMBER OF THE CONGRESS PROPOSES that the Federal Government purchase annual insurance for each one qualified for medicare. He suggests that the Federal Government pay 85 percent of the average \$400 health care expense and the State assume the balance.

UNDER THIS SYSTEM, THE COST TO THE Federal Government would be approximately \$1 billion more a year but would not be subject to unexpected escalation as is the present case. The proposal would actually intend to eliminate medicare, which is a problem to the States, and to operate one program of medicare.

THE COST OF THOSE WHO CONTRIBUTE to Social Security for insurance would be 4 percent of their taxable earnings. All others with salaries or earnings would pay on their income tax return. It is estimated that receipts from this source would total roughly \$2 billion annually which would go into a pool of funds from which the Social Security Administration would reimburse 90 percent of medical expenses under a prescribed formula. Persons over 65, because they have medicare protection expenses, would apply to the ex-

Mr. and Mrs. Blackie Foreman and children of Fort Worth were here visiting her parents, Mr. and Mrs. Ferrell Lewis, and Mr.

tent of those actually paid by the individual in excess of 25 percent of his gross income.

THE PRESENT MEDICARE PROGRAM is heavily burdened with large administrative costs involving processing rather small claims. It takes about as much time and effort to work out a small claim as it does one for catastrophic or high cost illness.

THE AMERICAN MEDICAL ASSOCIATION RECOMMENDS a type of prepaid insurance shared by the Federal Government and the various States. Some hospital associations of which there are a number recommend a "group practice" system something like a mutual insurance arrangement. In fact there are a number already in operation—some on an experimental basis. The Kaiser Company operating in the northwest States is the largest. Under this type of organization, individuals simply pay insurance in a group and the managers of the group contract with doctors and hospitals to take care of illness when it occurs.

WHATEVER CHANGES MAY RESULT FROM hearings now in progress there is no doubt about the need for some changes. Two very direct problems should be solved. The cost of health care continues to increase at a rate which will soon be beyond the reach of those who need it. The other is more efficiency at less cost to the Government.

SINCE THE FEDERAL GOVERNMENT is in the health care business, along with the several States implementing medicare, it is a matter of trying to find better answers and to try to improve these programs before the country reaches a real crisis in health care for its citizens.

## WALTER E. STEIMEL For State Senator - District 22

Steimel pledges to fight any tax: on groceries, farm machinery, fertilizer, feed and seed. His opponent, Sen. Tom Creighton, wrote, sponsored and pushed passage in the Senate last year of a tax on all of these. Incredibly, Creighton stated in public speeches on March 25 and March 27 of this year that in 1971 he again will push for a tax on groceries!

Steimel pledges to lower the tax burden on senior citizens and to give them the consideration due in all matters in state government. His opponent voted against aid to senior citizens — not once but three times — in 1965, 1967 and 1969 — and filibustered and defeated a bill to lower the tax burden on persons 65 and older.

Walt Steimel is 42, native of Wichita Falls, University of Texas graduate and successful lawyer (licensed to practice before the U.S. Supreme Court). As a Navy lieutenant and atomic bomb assembly officer in the Korean War he held one of America's highest security clearances. He lives in Fort Worth's Westcliff with his wife and two children.

Elect WALTER E. STEIMEL, State Senator, District 22

### TANE Speaker To Address Kokomo Baptist On Sunday

Subjects of many sermons on Sunday will be alcohol abuse and drug abuse. A speaker from Texas Alcohol Narcotics Education (TANE) will occupy the pulpit in Kokomo Baptist Church Sunday, April 12, 1970.

"Problems of alcohol and drug abuse are growing daily. It is going to be up to the people who care, to do something about these problems," said Rev. Albert F. Tucker, TANE Executive

Director. "We find people who care in Texas' churches," he said. TANE's purpose is to prevent, through education, problems that arise from use of alcohol, narcotics, and other dangerous drugs.

"We do not speak in local churches with the idea of reaching drunks and dope addicts, but to report to the people on the problems and what is being done about them," Rev. Tucker said.

A non-profit, educational organization, TANE has been in existence since 1935. Programs include the speakers bureaus, made up of more than 150 men; public school assembly programs; publishing; production of

### Gorman To Host U.L.L. District Meet

Mr. Garrett, director of literary events, announces that Gorman Schools will be host to the District 14-B literary meet on Saturday, April 11th. The meet will begin at 9:00 a. m. and will be concluded at about noontime. Students from Carbon, Gorman, Gordan, Lipan, Moran, Putnam and Tolar will take part in the meet.

The meet will include for high school students: Ready Writing; Science; Typing; Spelling; Poetry Interpretation. Slide Rule; Shorthand and Number Sense. Elementary students will take part in Ready Writing; Oral Reading; Spelling; Picture Memory; Story Telling; and Number Sense. Gorman will have entries in all contests. The results of the meet and the list of Gorman students who will take part will be given in next week's paper. Mr. Garrett extends a welcome to all students and teachers from visiting schools at this meet.

On Tuesday evening, April 14 the One-Act Play contest for District 14-B will be conducted in the Gorman High School Auditorium, according to Mr. Garrett, district director. Tolar, Langville, and Gorman will compete in this event. The critic judge will be Mrs. Virginia Russell from Eastland. The first of the plays will be presented at 6:30 p. m. with the others following at about one hour for each play. There will be an admission for the plays of 75c for adults and 50c for students. NO ONE WILL BE ADMITTED INTO THE AUDITORIUM WHILE A PLAY IS IN PROGRESS. You are urged to come out and see these three fine plays. No program will be printed due to the fact that the critic judge is to judge by number rather than by school. This is a chance for you to back our students who are taking part in this play.

### Last Rites for O. D. Trammell Held on Saturday, Ft Worth

Olen D. Trammell, 75 of Saginaw, member of a pioneer Fort Worth area family, was injured fatally about 4 p. m. Wednesday, April 1 in a three car auto accident at Saginaw.

Trammell, a longtime dairy man who had been dealing in cattle in recent years, was the son of the late William Manning Trammell, who operated one of the first dairies in this area near the present location of the county courthouse.

Funeral services were held at 2:30 p. m. Saturday... April 4 in the Riverside Presbyterian Church, Fort Worth, with interment in Mount Olivet Cemetery.

Survivors include his wife; two sons, H. L. Trammell of Fort Worth and Richard Trammell of San Antonio; a daughter, Mrs. Lyle Brant of California; three brothers, Manning and Add Trammell, Fort Worth, and W. A. Trammell of Warren, Michigan; six sisters, Mrs. V. L. Regan and Mrs. P. K. Scott of Fort Worth, Mrs. Elizabeth Chapman of Breckenridge, Mrs. M. H. Fairbetter of Gorman, Mrs. Mary Batchler of Washington, D. C. and Miss Mable Trammell of Pine Mountain, Ga.

### Girl Scout Report

By Cheryl Arnold  
At the beginning of our April 7th meeting we went to our patrol corners and collected our dues.

We sang songs and played outside games. Some of the girls worked on badge requirements. Louise Zink and Mrs. Jimmy Little were hosts for refreshments.

### A THANK YOU NOTE

Our very dear friends - when one of our loved ones slips away, let's not ever, ever say "There's nothing anyone can do or say to help." For there is the cards, the flowers you sent, the food you brought, the hand clasp, the embrace, your prayers. Our grief you share. That's how we know you care.

### CURTIS CRADDOCK HONORED ON 2nd BIRTHDAY

Curtis Craddock of Houston was honored on his second birthday Saturday, April 4 with a family party in the home of his great-grandfather, C. R. Rodgers of Cheaney. Young Craddock is the son of Mr. and Mrs. Wade, Jr. Craddock of Houston.

In knowing life is Eternal we can believe, despite our brother's tragic death, that Olen D. Trammell is best, he being the first of ten children to be summoned by the Master.

Our sincere appreciation.

Milton, Lucretia and Milton, Jr. Fairbetter

Attending the two o'clock event were his grandparents, Mr. and Mrs. Wade Craddock of Grand Prairie, and aunts, Mr. and Mrs. E. A. Lasater of Kokomo and Mrs. Estelle Craddock and cousins, Mrs. Gerald Scitern and daughters, Brenda and Anita of Gorman.

Visiting last week in the home of Mrs. Frank Dean were a daughter, Mrs. Neal Rose of Morton, and granddaughter, Mrs. Ted Molten of Richardson.

Mr. and Mrs. James Cooper and family of Kames City spent the weekend with their mothers. Mrs. Gladys Lucke and Mrs. George Cooper.

CONGRESSMAN BURLESON DEDICATES WATER PLANT AT CARBON - Congressman Omar Burleson, second right, Wednesday took time out to talk with voters after dedicating a \$130,000 water plant serving 116 at Carbon. ### Make the happy cooking scene

with a cool-cooking flameless electric range

Find out how cool and pleasant cooking can be. Get an electric range and make the happy cooking scene.

Flameless electric surface units cook by direct contact with pan bottoms, so there's little or no wasted heat. Insulated on all sides, top and bottom, the flameless electric oven needs no air flow to support combustion so heat stays inside where it belongs. Electric ranges with self-cleaning ovens also eliminate the need for scouring.

You've waited long enough. Why go through another summer without a cool-cooking electric range?
