WHEREAS, a clean and beautiful community is a proud and prosperous one, and WHEREAS, unity of effort is required for future development of our community.

THEREFORE, I. Wayne Eaves, Mayor of the City of Gorman, do hereby designate the Week of May 4 through May 10 as CLEAN-UP WEEK and most respectfully call upon all departments of this city, its commercial organizations, civic clubs, schools, churches, boys and girls clubs, and all other associations of our people in general, to take an active part in this constructive program of community improvement to insure its success.

Done this the 29th day of April, A. D. 1969.

If every person will get his own property cleaned, including the alleys, driveways, and garages during the week of May 4-10, it will be appreciated by the com-mittee and evreyone will enjoy having a nice clean town. Each merchant is asked to help

having a nice clean town.

Each merchant is asked to help
his neighbor in cleaning the
alleys, if the owner is not able
to do it himself. This is the idea
of the combined effort - everyone pitching in and cleaning until the whole city is clean.

The group also discussed ways
of keeping the city streets and
alleys clean throughout the year.
They discussed the plan of plac-

SPRAY RIG — Pictured above is Bennie Watson of Desdemona on his tractor equipped with a spray bar and two 150 gallon tanks for applying Treflan. He is using a power driven rotary cultivator and bed shaper of incorporation of the herbicide. Equipped in this manner a farmer can spray herbicide (liquid or granular) incorporate, prepare seed bed and plant in one operation with this tilrovator. Most diamond bar planters easily attach to the rugged frame. Soil control shields prevent soil from covering planter openers This is only a number of ways that farmers are reducing their trips over, therefore, reducing their cost of production.
