

HULLS by Kernel Gene, aPe

The "for sale" in this column last week created quite a bit of interest. I appreciate the expressions of friendship most of you have made. Of course, there are a few who offered to help pay my moving expenses.

However, I do not intend to leave Gorman. As the saying goes, "I never had it so good any where else" But something has happened and I can't find the answer. Advertising from local merchants has been falling off for several months and without a profit one cannot operate a business. Then when I try to help the students some of the merchants seem to think I should give them fifty percent of my advertising revenue instead of 20 percent - I took the loss and settled for forty percent - maybe they can do this and stay in business, I can't.

My commercial printing has increased to where if the merchants would prefer another publisher I am ready to let the Progress go, not that I want to. A newspaper has one purpose and that is to act as a media to sell their merchandise - when a publisher fails to convince his advertisers that his paper is being read then it's time to make a change. So, the Progress is on the market and maybe the next publisher will be more successful and cooperative.

I have two lengthy political letters which I was unable to get set up this week. Hope to have them in next week's Progress.

Dear Kernel Gene:
Have been intending to write you for quite some time now, thanking you for sending me a complimentary copy of The Gorman Progress.

I thoroughly enjoy reading the "Progress", and I'm sure all of the boys in the military service, from in and around Gorman, appreciate your efforts in seeing that they are furnished each edition of your paper.

I am particularly enjoying your "Hulls" column at this time regarding the presidential election. Some very good points are being expressed by your readers. May the best man win!

ROBERT L. COLLINS,
Master Sergeant, USAF

Thanks Robert. Sending the Progress to you fellows is my way of saying thanks for the job you are doing. Even if the Democrats do think our nation is second rate, I think we have the finest armed forces in the world - and when I hear the planes passing overhead at night, I offer a prayer for the safety of all of you.

Clyde Files stopped by this week to let us know he's back home. He was stationed at Travis AFB in California.

Mrs. Eula Caldwell called Wednesday to say that W. H. Hailey had picked their first bale of cotton weighing 610 pounds.

Thanks to Ed Harrison for the box of books he brought to the Progress Library Thursday. Most of these books will be enjoyed by the teen-agers.

THANK YOU

The cooperation of adults, teen-agers and children in helping me operate the swimming pool was wonderful and I appreciate it.

The young people were especially cooperative and I am looking forward to working with all of you at Frank A. Gray Memorial Park next year.

Homecoming Plans Is Topic Of Conversations Here

Little by little plans are being made complete for a bigger and better Homecoming than ever. This is the Seventh Annual such event. The crowd grows just a little bigger each year. The outline of events fills out a little more each year. (For instance, there will be do-nuts with the 9:00 a. m. coffee this year.) And for sure, everyone appears to enjoy it more each year. If you haven't "come home" before, and if you are a former student or teacher of Gorman's School, won't you please consider this your invitation - (you don't need an invitation, really, for it's your Homecoming, too, you know).

The letter of plans is printed. (The ink is hardly dry) and the outgoing mail from Gorman this week has seen a tremendous increase. Some five to six hundred letters will be the total when all are addressed and posted. Is it possible the Committee doesn't have your address or that of someone you know? There's only one point to all this, of

Heritage Tea Is Happy Occasion

The Heritage Tea in the Wilbur T. Shell home on Tuesday marking the 20th Anniversary of the Woman's Society of Christian Service was a happy occasion for members and guests.

Mrs. D. J. Jobe, first president of the Society, with Mrs. T. F. Morrow, Mrs. A. M. Thurman, hostess Mrs. Shell and co-hostess Mrs. Barton Eppler greeted arrivals.

Mrs. M. F. Allen sat at the register.

Mrs. J. Edgar Walker and Mrs. Henry Capers, also a co-hostess, presided at the refreshment table where spiced tea, cake squares and nuts were served. The centerpiece was a mum creation. A second floral arrangement was a bouquet of orchid asters, compliments of Mrs. Donald Bolt who was unable to be present due to illness.

The welcome was given by Mrs. G. C. Acrea, WSCS president, and she presented out of town guests Mrs. Roy Johnson of De Leon, retiring Central Texas Conference Secretary of Youth Work; Mrs. Walter Davis of Brownwood, retiring president of Brownwood District; and Mrs. W. A. Davis of Desdemona.

The devotional was given by Mrs. Keith Whitt, Secretary of Spiritual Life.

A memorial was in charge of Mrs. A. A. Brown. Quoting Mrs. Brown, "Memorials to Heroes of War and Leaders of Peace have throughout the centuries been material things. The roster of dedicated women includes too many for the erection of such memorials - but a dedicated life is a Memorial."

Twenty-three names were listed on the In Memoriam tablet displayed: Ida Acrea, Bess Blackwell, Josie L. Collier, Hester David, Mary Jane Eppler, Mamie Gates, Mattie Grove, Bama Jones, Mary Kimble, Dora Love, Fannie Lowe, Fannie Martin, Lomia Neill, Annie Parr, Laura Pendarvis, Mabel Perry, Nannie Rodgers, Clemmie Shell, Alice Thompson, Hattie Thompson, Willie Walker, Mary Frances Chaney, and Mattie Sutton.

An original copy of the WSCS Charter dated August 26, 1940 was shown by Mrs. Jobe. Names other than hers on the charter were Vice-president, Mrs. T. C. Wylie, Corresponding Secretary, Mrs. Berenice Jeffs and Treasurer, Mrs. Z. O. Mehaffey, Recording Secretary, Mrs. Gene Kinnison, and the pastor, Rev. J. W. Ramsey.

Mrs. W. Marvin Blair reminisced on the years before 1940 as recorded in a scrapbook made by the late Mrs. E. W. Kimble. Mrs. Acrea related incidents in service during the "Twenty Years."

"The WSCS Debutant" was the title of an address by Mrs. William Brogdon. She named ancestors of the WSCS, the Woman's Foreign Missionary Society, the Ladies Aid and the Woman's

course - no profit, no salary - just a scheme to get old friends together for fun. (Homecoming, October 8, 1960, please come.)

Now here's something for you to think about. Who would you like to be your Coming Home Queen? You that come to Homecoming will elect someone during the afternoon business session in the High School Auditorium. Be thinking who you would like to have. One year it was Mrs. Allen (Kate, you know, Marcie's wife), and then there was Elva Shell Kirk, and last year Verna Mae Hamrick Webb. There have been six - can't recall all of them. This year, the seventh, it could be you!

By the way, the "after-the-game reception" will be real handy this year. Coffee-cake-talk-talk. It will be at the Band Hall, and it is located to your right as you enter the old high school. Used to be the Senior room, Study Hall, and Library - remember? Well, now it's one big room known as Band Hall. Be sure and come right on over after the game.

Now this year something else has been added. (Do-nuts are not the only thing.) There will also be another after-the-game reception. It is for younger ex-students and teen-agers of ex-students. It will be in the Methodist Church Fellowship Hall sponsored by the Methodist Young People. They plan to have refreshments, too, and music, and fun, all beginning right after the game.

Speaking of football - intended to leave this for the sports casters - but just must say here that the Panthers are really playing football. Won the game last week, and it looks like the Homecoming game, Panthers vs. Aledo, will be a really good game. Remember when No. 33 was worn by - who do you think. Who do you remember?

Only one day is planned - a great big busy full day it is, too. (Sat. Oct. 8, 1960 in case you haven't guessed). The Committee hopes that anyone who stays over 'til Sunday will know the church doors in town will be open to you, come Sunday morning. Certainly as you worship in your church here again, many vivid memories will race through your mind. If you do stay Sunday, the churches of Gorman welcome you. Afterward, you might enjoy driving around seeing what changes have taken place hereabouts.

Next week the Committee will have a full schedule of events in this news. Meanwhile, remember the date - Sat. Oct. 8, 1960 - Homecoming - Gorman.

Mrs. Hallmark Honored With Shower On Monday

Monday, September 19, Mrs. Jerry Hallmark of Abilene was honored with a pink and blue shower in Mrs. Delman Eaves' home in the Kokomo community. Co-hostesses were Mmes. Delman Eaves, Byron Rone, Floyd Wood, Dean Collins, John Lasater, Albert Hendricks, Glenn Jordan, Wilbourne Wood, and Miss Carolyn Collins.

The gifts were arranged on a table around Mr. Stork. Appropriate games were played and then all watched as Mrs. Hallmark opened and displayed the beautiful gifts.

Pink punch, pink and blue cake squares were served to 25 guests attending. Plate favors were miniature pink and blue diapers filled with mints.

Mrs. Hallmark is the former Miss Lavell Garrett and a former resident of Kokomo.

Home Missionary Society. She concluded with, "Let us look at our record, correct our shortcomings, advance in knowledge and giving, and seek to know the will of God."

Following the WSCS Unison benediction old friends and new friends enjoyed visiting.

Gorman Is Part of "The Opportunity Frontier" Project

The nation's leading business executives are being introduced this month to "The Opportunity Frontier of Texas," which is the basic theme of an area development advertising program developed by Texas Electric Service Company.

Announcement of the program was made recently in a newspaper advertisement signed by J. B. Thomas, president of the electric company, setting forth the program's objectives. The first of a series of area development messages sponsored by the company is appearing this month in Business Week, Wall Street Journal and the New York Times. Subsequent ads also will appear in Fortune and U. S. News & World Report. A reproduction of the first of these national ads promoting "The Opportunity Frontier of Texas" appears in this newspaper.

In commenting on the program, Thomas said: "We want to do our part in helping attract more business and industry to the area we serve. This area has enjoyed great growth because of the advantages it offers industry, advantages that include growing markets, favorable climate, rich natural resources, a variety of agricultural and industrial products and progress-minded people. Our program is aimed at publicizing these advantages."

The program also includes printed material for use by the electric company, by the chamber of commerce and by other local groups working to attract new industry to this area. Kits containing reproductions of advertising and a brochure are being made available to chamber of commerce officials and others.

"The Opportunity Frontier" already is getting wide publicity. The September issue of Texas Parade magazine carries a four-page story and pictures describing "The Opportunity Frontier" and the area development advertising program of Texas Electric Service Company. It points out that "in the area of the frontier, total population has increased by 300 percent since 1940, industrial employment is up by 236 percent, personal income has grown by 525 percent, and every barometer indicates growth."

MANY HAPPY RETURNS

City Secretary Accepts Position With Peanut Co.

Ben R. Townley, who has served as City Secretary since 1953, tendered his resignation to the City Commission Saturday, Sept. 17, 1960 to accept a position with the Gorman Peanut Company.

Ben R. will be missed from the city office as he has been efficient, capable and diplomatic in his dealings with the citizens of Gorman.

Being a city secretary is one of the most trying and difficult jobs a man could ask for and Ben R. was never known to lose his temper even when citizens demanded that he do the impossible. Thanks, Ben R., for a job well done and we wish you success in your new venture.

FINAL RITES CLY PITTMAN HELD SEPT. 7

Funeral services for Cly W. Pittman, 69, were held at the First Baptist Church in De Leon on Wednesday, September 7 at 3 p. m. with Rev. Raymond Butts officiating assisted by Rev. Calvin O. Wiley.

Mr. Pittman passed away at Blackwell Hospital in Gorman on Monday, September 5 after an illness of ten weeks.

A quartet consisting of Homer Hafford, Lowell Pittman, Dean Gardner and Mrs. E. P. Cummings rendered the music, accompanied by Mrs. Tassie Mohon, organist.

Cly William Pittman was born in Pontotoc, Miss. on Nov. 29, 1890 to William and Parilee Pittman. When a small boy the family moved to Texas and he lived most of his life in the Rucker community.

He was converted at an early age and was a member of the Liberty Baptist Church at the time of his death.

In December, 1912 Mr. Pittman was married to Miss Mary Glover. To this union three children were born. Mrs. Pittman preceded him in death in January, 1947.

He was married May 7, 1949 to Miss Nettie Lee Corbell, who survives.

Others surviving are two daughters, Mrs. Thelma Hampton, Gorman, and Mrs. Avis Brinson, De Leon; one son, Billie C. Pittman, Farmington, N. M.; four sisters, Mmes. Olivia Short, Ila Butler, Cubelle Jay, all of Gorman, and Iva Carwile, Arlington; two brothers, Reeves Pittman of De Leon and Clarence Pittman of Monument, N. M. He is also survived by 7 grandchildren and 3 great-grandchildren.

Pallbearers were nephews of the deceased: Cecil and Bud Short, Thurman and Billy Fred Jay, Arnold Butler, and Daryl Pittman.

Interment was in the De Leon Cemetery under the direction of Higginbotham Funeral Home.

Cubs Beat Granbury; Journey To De Leon

The Gorman Grade School Cubs won over Granbury Tuesday night at Brogdon Field by a score of 32-16 in the first district game of the season.

The scoring began for Gorman with Gary Overstreet returning an intercepted pass 93 yards for a touchdown followed by two more touchdowns before the half with two point conversion following each touchdown.

The final touchdown before the half was a pass from Overstreet to Halfback William Jay covering 22 yards in all. After the Cubs added another touchdown on the first series of downs after the half, a different Cub team played most of the second half.

CARD OF THANKS

I wish to take this method to thank everyone for their cards, flowers, calls and any other deeds of kindness while I was in the hospital. Also, many thanks to Dr. Brogdon and to the entire hospital staff.

May God bless each and every one of you.

Mrs. Frank Thornton

WHY NOT??

Coach Bucky Walters' Panthers displaying some of the best defensive work of the season downed a fighting Tolar eleven last Friday night 14-0 before a large crowd at Brogdon Field.

In the first quarter after getting the ball, the Rattlers were forced to kick in their own end of the field; Charles Reeves broke through, blocked the kick and Terry Shell covered the ball across the goal line for Gorman's first six points. The try for extra points failed.

In the second quarter, despite being set back by three fifteen yard penalties, the Panthers managed a sustained drive with Harrison, Simpson, Scitern, and Rodgers carrying the ball down near the goal line and Harrison going the last few yards for the second tally. Harrison's try for extra points was successful and Gorman led 14-0 at the half.

First Baptist Film Series On "Life of Paul" Being Shown

Every Sunday evening at 6:45 p. m. the Training Union of the First Baptist Church is sponsoring a series of films on the life of Paul. Two in the series have already been shown. There will be ten more in the series to be shown.

Every member of the First Baptist Church is urged to attend these films. Visitors are also cordially invited.

The film is shown at 6:45 with Training Union classes at 7:15. The regular evening worship services are at 8 p. m.

JAMES C. SPENCE RECEIVES DEGREE AT A&M

COLLEGE STATION, Sept. 22 (Spl.) - James C. Spence of Gorman received his baccalaureate degree in education at the summer graduation at Texas A. and M. College.

CARD OF THANKS

To the many friends who were so kind to visit, send cards, gifts, and flowers; to Drs. Rodgers and Brown; the hospital staff, may I say a big "Thank You."

May God bless each of you.

Mrs. Claude Fuller

In the second half the Tolar eleven tightened up their defense and held the Panthers scoreless the entire second half. The Rattlers moved the ball well in the second half by going into the spread formation and completing several passes.

The Panther forward wall played an outstanding game on defense with Terry Shell, Charles Reeves and James Blackshear playing their best game of their career. Butch Boyd, Jerry Shugart, Gene Snider, Nathan Files, and Gene Simmons did an excellent job in the line.

The entire backfield showed marked improvement with Joe Harrison, Jim Rodgers, Jackie Don Simpson, Glenn Scitern and Harold Rodgers doing a fine job on offense and defense.

Coach Walters again played the entire squad and those making a fine showing were Larry Kirk, Hershel Floyd, John Paul Bolt, Wesley Warren, Richard Watson, and Larry Anderson.

The brightest spot during the game was the punting of Simmons and Harrison, having a 43 yard average for the evening. Simmons was also booting the ball well on kick-offs.

The Panthers have shown marked improvement since their opener with De Leon. They are hitting harder, blocking better and continue to hustle.

Three more boys joined the squad this week in the person of Joe Ed Baze, Bobby Browning and Howard Joiner. Wesley Warren is also a new man in the line up joining the squad last week. These boys are good athletes and are expected to help the Panthers considerably.

The Panthers will have a tough opponent next Friday night when they play host to Richland Springs who beat Jim Ned last week 8 to 6. Jim Ned is supposed to be the favorites in our district. This should be a good ball game and if you want to see a hard hitting and hustling team, come to Brogdon Field and see the fighting Panthers this Friday night.

WSC Open Club Year Saturday

The Woman's Study Club began its 1960-61 season in a cheerful mood Saturday morning with a brunch at the Emerson Cafe.

Mrs. Ray Rankin, the new president, called the meeting to order after fresh coffee was served to those present.

The regular transaction of business followed by previewing of this year's plans and programs, and reviewing of the past summer's activities.

Before adjourning to renew last winter's friendships, Mrs. John Goble, wife of the Church of Christ minister, was welcomed by all into its midst.

We, of the WSC wish to extend a vote of thanks to the Gorman Telephone Co., owned and operated by Mr. and Mrs. Walter Speck, and a special thanks to the telephone operators.

When our dial system goes into effect in October all of us will surely miss our operator's cheerful voices, and their many helpful ways.

Thanks again, to all the telephone company staff for its continued good service, and to the operators who may be silent but not forgotten.

We would also like to thank a person who has not only done many services for our organization but for the school, churches, businesses, and civic groups in our community.

Gene Baker, our own newspaper editor, certainly does deserve a rousing cheer for giving us such good, local coverage as well as his help in improving our community.

Game time at De Leon will be 7:30 p. m.

Other scores in the district on Tuesday night were: Dublin over Stephenville and De Leon over Comanche, 14-6.

Expresses Opinion

As an Englishman living in Texas I am continually being asked what I think about this and that. There are two major problems facing me at this moment; one, your football and two, your politics. The football does not worry me too much because I can learn that if I go to enough games. But your POLITICS - WOW!

I have heard talk, and read about Mr. Kennedy and the Roman C C, and as an innocent, and independent bystander I think its about time the Religious aspect was dropped. It was a pretty good political gimmick but like a piece of bread and cheese its gone stale after so long.

I read a weekly newsletter this week which has atrocities supposedly committed by R. C. dating back to the 14th and 15th centuries, and a few recent ones that were probably communist inspired. Are we to blame our present day 'R. C.'s for crimes committed so long ago which were probably inspired by some organization or some power-hungry hoodlum like Adolph Hitler and a few others I could name.

One might say that as an Englishman I owe allegiance to Queen Elizabeth but having chosen America as my new country my allegiance is to my God and America; not my religion - religion doesn't enter into it. Other countries have survived and prospered under the same conditions and there is no reason why America cannot.

There is one more issue for those that want to mix religion with politics or visa-versa and it is found in Our Lord's Prayer which is seldom spoken in our churches today, to quote: "Thy will be done on earth as it is in heaven."

"Thy will be done", a phrase used so much in our churches, if it is the Lord's will that we have a Catholic President, what are we to say?

My opinion was asked, you have it. It's a free country, isn't it?

THE BIBLE SPEAKS
International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

Bible Material: Amos 5:14, 15; 6.
Devotional Reading: Proverbs 3:5-12.

False Security

ALARM whistles blew, sirens sounded, signals flashed. The whole city should have been in an uproar, but it was going about its business as usual. Excited officials telephoned everywhere—a mistake has been made, this is no drill, just pay no attention. But nobody paid attention to the apologies, because nobody had paid attention to the alarm. Headquarters had many phone calls that day, but—and this is the interesting point—everybody supposed there must be some mistake. Not a soul took it seriously.

Dr. Foreman

That little story, if true (it got into the newspapers at any rate), shows up very nicely the American state of mind. We can't believe anything is wrong with us, we can't see how anything can go wrong with us. People who drive out a few miles from any city in America may see signs: Evacuation Route . . . Feeding Station, and so forth. But how many Americans actually expect ever to stand hungry at a feeding station?!

As It Was, So It Is

The prophet Amos, speaking for God, faced a nation (Israel) smaller than ours by far, but just as complacent, just as sure that nothing could go wrong, just as gently cushioned by a feeling of national security. The facts and factors that made them feel so safe and happy are familiar to any who take time off to observe the American scene. For one thing, they were a nation operating by military power. Many of its kings, if not all of them, had been generals of the army. In case of rival claimants for the throne, the man with the most troops usually got the prize. The country had knocked off its enemies one by one. Just at Amos's time, the boundaries of the country were wider than at any time since Solomon. What armies had done, armies could do again, they thought . . . and so do we. "We have never been beaten in war, we shall never be beaten." Football coaches know that no winning streak lasts for ever.

Wealth and Culture

The little country of Israel was not only safe at the moment from military attack, it was prosperous. People built homes of ivory—that is to say, decorated with ivory in a lavish way. They had money for summer and winter homes. They drank the finest wines, they had money and leisure for the arts. As Amos pointed out, all this luxury was only on certain streets. There were other streets where people went hungry and cold. But the people Amos talked to were mostly from the country-club suburbs. They never did believe what Amos told them, that prosperity is not the same thing as security. There's no point in throwing a big party if the house is burning down over your head. We are a little like the Israelites, aren't we? Many Americans think we can buy our way out of any trouble, we can make friends with any nation just by spending money there.

The Enemy Within

After all, enemy armies were not the greatest danger to Israel as a nation. When a wind blows down a tree in the forest, we say that the wind was to blame. But was it the wind, or was it the slow rotting inside the tree-trunk? The same wind struck other trees but they did not fall. This one fell because it was hollow, a little push sent it tumbling. What concerned Amos most, looking (we may say) through God's eyes at Israel, was not foreign politics and foreign wars, but conditions inside Israel. Oh, people would have said to him, conditions are not bad here. Look at the temples, they are filled every week. The number of sacrifices has never been greater. But Amos was not impressed. God did not care for all their religion; it was only religiosity, which is another thing. God is more impressed by justice and righteousness than he is by elaborate "worship services." Amos made it clear that church attendance is no guarantee of a nation's safety. The burning question is: What do the people who go to church do to other people the remaining six days of the week? If the nations heart is not sound, what use are her defenses?

Mrs. Inez Heeter who has been in Fort Worth the past month was home this past weekend.

SCOT President Reminds Of Need For Deer Hides

AUSTIN — Texas hunters bagged 55,000 deer last fall, the Game and Fish Commission announced Saturday.

The announcement coincided with a plea from Henry Le Blanc Sr., president of Sportsmen's Clubs of Texas, for Texas hunters to contribute the hides from deer they kill to SCOT for use by the state board of hospitals and special schools.

The skins are tanned and used for therapeutic recreation by convalescing hospital patients, who fashion the hides into such items as purses, gloves, moccasins and billfolds for the market.

"This is a perfect challenge to Texas hunters," said LeBlanc. "I believe the shame of us all at contributing less than one deer hide per 100 deer killed will stimulate our combined determination to help these hospital folks put this thing over."

Last year only 1,500 hides were gathered in SCOT's annual roundup for the hospital board.

Leon Rathbone, Austin taxidermist who conceived the plan, said the waste of hides was pointed up last year when a resident of one deer country town salvaged enough deer skins from a city dump to buy a new pick-up and still got no more than 75 cents per hide.

Baby Drowns In Bathtub Saturday In Ranger Home

RANGER — A 10-month-old baby drowned accidentally in a bathtub here about 7:30 p. m. Saturday.

The youngster was Timothy Wayne Shaddox, son of Mr. and Mrs. Fred T. Shaddox Jr., who reside at the Texas and Pacific camp here.

The baby was left in the bathtub for a few moments while the mother went to get some clothing, investigating officers said. She returned to find him submerged in the water. Efforts to revive the child were unsuccessful.

Mr. and Mrs. Shaddox moved to Ranger about seven months ago, and attended the First Baptist Church here. Mr. Shaddox is a petroleum engineer with T&P Coal and Oil.

The baby was born Nov. 16, 1959, at Midland.

Besides the parents, the baby is survived by two sisters and one brother; and the grandparents, Mr. and Mrs. Fred T. Shaddox of Fort Worth and Mr. and Mrs. Carroll of Tulsa, Okla.

SAM POWERS NEW HEAD OF SOIL DISTRICT

Sam Powers, well known Desdemona stock farmer, was elected District Supervisor to represent Zone 2 of the Palo Pinto Soil Conservation District in an election held last Tuesday night at Desdemona. Powers replaces W. O. Dawson who has recently moved to Arkansas.

Powers has long been an outstanding conservationist in this area. He lives on and operates about 400 acres of cropland and 700 acres of rangeland some three miles north of Desdemona on Highway 16.

Powers conservation program on this land has included complete cover crop, strip crop, and good crop residue management on his sandy land in cultivation, and proper use brush control, and periodic deferments of his rangeland. His spread might truly be called a show place, but unlike such its development has come about solely from the operators labor on the land.

Powers is especially well known for his success with Coastal Bermuda. He was among the first in Central Texas to make use of this improved variety of Bermuda grass. He sprigged his first Coastal in the spring of 1954, having obtained his first planting stock from Tipton, Georgia and later some certified sprigs from Iowa Park, Texas. Production from his Coastal Bermuda is almost unbelievable both under dry land and under the acreage he has under irrigation.

When he was elected to the supervisors position Powers accepted with the same enthusiasm which the crowd had who elected him.

The Palo Pinto Soil Conservation District includes all of Palo Pinto County and portions of Jack, Erath, and Eastland Counties. The District was organized in 1941. Zone 2, from which Powers was elected, includes the eastern portion of Eastland County. The late Leslie Hagaman of Ranger served as supervisor for Zone 2 for many years before Mr. Dawson's term of office.

Other supervisors now serving on the District Board are Bill Sanders of Strawn, A. L. Cranford of Perrin, C. B. Quants of Santo, and Ted Fulfer of Gordon.

These supervisors meet regularly on the first Wednesday of each month at 8:30 a. m. at Mineral Wells.

All farmers, ranchers, or any one with an interest in conservation are cordially invited to meet with these men at any time they meet for conducting the business

NICK GAILEY FINAL RITES HELD SUNDAY

N. C. (Nick) Gailey, 60, a rancher in the Strawn area for 30 years, died Saturday of a heart attack at his ranch eight miles south of Strawn in Eastland County.

Funeral services were held on Sunday afternoon at 3 o'clock at First Baptist Church, Strawn.

Rev. Tommy Knotts, pastor of the church, officiated during the final tribute to the widely known and highly esteemed ranchman. He was assisted by Rev. W. H. Rucker, retired Baptist minister, of Strawn.

Interment was in Mount Marion Cemetery with Malcom Funeral Home in charge of arrangements.

Nicholas Clayton Gailey was born on March 26, 1900 in Eastland County in the Tudor community, the son of the late John William and Mary Ada Bigham Gailey. On August 12, 1922, during rites solemnized at Ranger, he was united in marriage with the former Miss Selma Rhyne.

Mr. Gailey was a member of Prosperity Baptist Church in the Tudor community and also was a member of Strawn Lodge, A. F. & A. M. 906.

He is survived by his wife; four sons, Billy of Abilene, Bobby and Byron of Ranger and Bennie of Strawn; three daughters, Mrs. L. S. Waddington, Jr., Mrs. Don Edleman of Abilene, and Miss Bernita Gailey of Strawn; three brothers, Loddie Gailey of Strawn, John W. Gailey of El Paso, and A. L. Gailey of Memphis, Texas; four sisters, Mrs. Willie Jackson and Mrs. Jeff Jones of Ranger, Mrs. Bob Ivey of El Paso, and Mrs. Dee Lee of Merkel, and seven grandchildren.

Pallbearers at the funeral Sunday afternoon were Earl Moon, T. C. Fambro and Roy Baker, all of Strawn, and James Ratliff, Morris Newnham and John Tibbles of Ranger.

Nude Woman In Leap From Auto; Driver Is Jailed

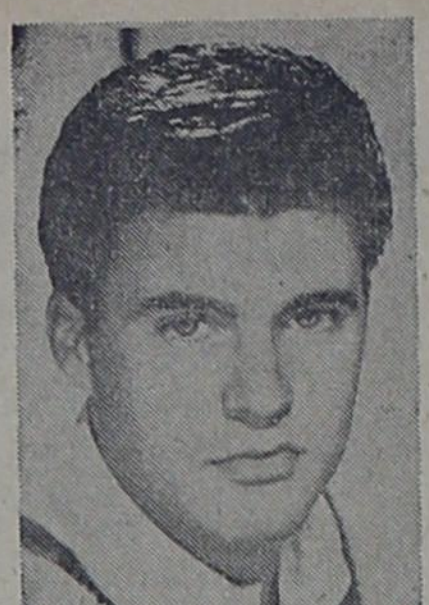

BRECKENRIDGE — A 30-year old Graham man was held in Stephens County jail after his arrest on an aggravated assault charge late Saturday afternoon on U. S. Highway 180 east of Albany by Shackelford County Sheriff Jack Moberley.

Stephens County Sheriff Chase Booth said the man was apprehended after a nude, 22-year-old woman was found on U. S. 180 at the Sandy Creek Bridge west of Breckenridge Saturday afternoon.

The woman was taken to Stephens Memorial Hospital by Melton Ambulance. She was reported bruised and scratched.

Authorities said the woman apparently jumped from the suspect's automobile.

of the District. In addition to regular meetings special conservation programs and field days are held from time to time in the various zones. The Palo Pinto Soil Conservation District has done much in its gallant effort to awaken the people of this part of the country to the needless abuse of our soil and water resources.

PRISON RODEO STAR—Ricky Nelson, versatile young radio, television, recording and movie star will make a personal appearance at the opening of the 29th Annual Texas Prison Rodeo in Huntsville, Sunday, Oct. 2 at 2 p. m. He will share honors with outlaw inmate riders and a host of other entertainment features. One of the several inmate groups to perform will be the Gore Girls, with Candy Barr, former Dallas entertainer. Held each Sunday in October, net proceeds from ticket sales go for inmate rehabilitative services. Headline stars on succeeding Sundays include Allen Case and The Crew-Cuts, Oct. 9; Molly Bee and Bo Diddle, Oct. 16; John Wayne and Frankie Avalon, Oct. 23; Jimmie Rodgers and Neil Sedaka, Oct. 30.

A 17-year old Ranger college freshman is this year's Peanut Ruch.

Queen. She is Mary Kay Rush, daughter of Mr. and Mrs. G. B.

Mary Kay, a five foot, three inch, blue-eyed blonde, won the coveted award in an outstanding field of seven entries. The other six girls, all named as runners-up, will be princesses in Queen Mary's court.

The Peanut Queen and her princesses will reign over the first annual Peanut Bowl game Saturday, Sept. 24 in Maverick Stadium, Eastland. They will all ride in the Queen's Parade, which will be held at 3 p. m. Saturday in Eastland.

The princesses are: Betty Young, daughter of Mr. and Mrs. Clyde Young, Eastland and a 1960 graduate, Eastland High School; Mary Laird, 19, daughter of Mr. and Mrs. C. R. Laird, Cisco and a freshman in Cisco Junior College; Johnnie Harris, 17, daughter of Mr. and Mrs. W. W. Harris of Rising Star and a senior at Rising Star High School.

Linda Harrison, 15, daughter of Mr. and Mrs. Ed Harrison of Gorman, and a sophomore, Gorman High School; Paula Norris, 14, daughter of Mr. and Mrs. Paul Norris of Carbon and a freshman at Carbon High School; and Cindy Fox, 17, daughter of Mr. and Mrs. H. E. Fox of Olden and a 1960 graduate of Olden H. School.

The Gorman Panthers, despite lots of inexperience, has really shown lots of desire and hustle in their first three ball games. The line did some of the hardest tackling that has been done in several seasons. The backs continue to run with determination and are hustling for that extra yard.

The Panthers may not win 'em all this season but there is one thing for sure — they are trying their best and the fans can always expect an all out effort in every game. Coach Walters is to be commended for the splendid job he is doing with the Panthers.

The football fans of Gorman appreciate Coach Walters and the boys and so far they have backed the boys well. Large crowds have followed the Panthers and we urge everyone that has not seen the "Panthers of 1960" to be sure and come out Friday night at Brogdon Field to see Gorman play Richland Springs.

It was black Saturday for the Southwest Conference last week

as the Big Eight Conference beat three of the SWC teams. Kansas took TCU, Missouri beat SMU, and Nebraska downed the Longhorns.

The question in most minds: Is the SWC weaker than usual or is the Big Eight Conference just stronger than usual? It would be nice to see someone win the conference besides Oklahoma — and it looks like this may be the year to do it.

In the TCU-Kansas game Max Pierce was the leading ball carrier for the Frogs and the Dallas Morning News nominated him as honorable mention for the Back of the Week.

Almost World Series time and after the Yanks took four straight from Baltimore it almost cinched the American League Pennant for Ole Case. Unless the unusual happens - come the first Wednesday in October - it will be the New York Yankees vs. the Pittsburgh Pirates with the first game originating in the National League Park.

The pickins' were a little light

for the pigskin forecasters of J&S last week. Speedy batted a good 70% and Joe came up with only half a sack - 50%. But we will go back to the patch this week and see if we can sack up a bigger bale.

METHODISTS ATTEND
CISCO MEET TUESDAY

Several members of the First Methodist Church attended a Stewardship meeting at First Church, Cisco on Tuesday. Those attending were the Charge Lay Leader, Hubert Craddock; the director of Stewardship, Bob Green; the chairman of Education, Othell Clark, and the pastor, Rev. John Dowd.

The meeting was to outline the emphasis on Stewardship in the local church for this conference year of 1960-61. According to the Word of God we do not own but owe everything that we have to God. The question we are asking ourselves is this: "Can I be a Christian and not be a good steward?"

On Wednesday, Sept. 23th. at 6:30 p. m. there will be a Fellowship Supper at the church at which time this program will be presented to the Official Board and to the entire church.

If God created — which He did — then He owns everything, and if He owns everything, then we do not own anything. Therefore, we must be good stewards of God's property and finally make an accounting to Him for the use we have made of His possessions. How about your stewardship?

LITTLE PATIENTS HAVE THE ANSWERS FOR TEACHER

The first days at Texas Scottish Rite Hospital for Crippled Children's new school at Dallas shows enthusiasm of the youngsters involved. In the past, out-of-town patients got behind in school work. Left to right are the teacher, Miss Ann Sewell; Boyd Busbee, 9, of Dallas; Greta Kennemur, 7, of Austin; Hospital President John McKee, Dallas; Elias Ramirez, 13, of San Angelo; Benny Jones, 12, of Dallas; and Brenda Szitar, 11, of Big Spring. Mr. McKee, prominent in state educational affairs initiated the new program.
