## Baseball Season Gets Into Full Swing Here This Week

"Play Ball" is the cry around town these days. So far in this early stage of season play lots of interest has been shown in all three divisions of baseball: the Pony League, Little League, and the newly added Minor League.

Speck Clark, manager of the Pony Leaguers has led his team to two victories over Stephenville teams and have another on tap here for Monday night.

Gene Rodgers is managing the Gorman Peanut-Frossard Little League team and M. L. Thompson is managing the Hospital team. So far these teams have not had an official game but will have a league game Thursday night.

As an added attraction the Pony Leaguers will meet the Outlaws after the Little League game.

Something new has been added this year. Speedy Clark and Oda Monroe have organized the Minor League. This league consists of boys 8 and 9 years of age. Several businessmen have contributed to the cost of equipment and the boys have been working out about three times a week.

This Minor League was started to enable the boys to know more about baseball when they reach the Little League age.

The Minors have a game matched with De Leon in the near future, and if you want to see some Major League hustle in Gorman's Minor League make it a point to see these games.

In the Pony League game with a Stephenville team here Monday night the locals won by a score of 10 to 1 in another one error game.

Gary Overstreet pitched a 2 hitter for 6 innings and also helped the cause with a home run. Bobby Rodgers pitched the 7th inning giving up no hits.

Players with their game totals are as follows:

AB-R-H-PO-A-E  
Bobby Rodgers 3-3-2-0-2-0  
Gary Overstreet 3-2-2-2-1-0  
Terry Clark 3-2-1-1-3-0  
Bobby Browning 3-1-1-1-8-0  
Jerry Wilson 3-1-1-0-3-1  
William Jay 3-1-1-1-2-0  
Richard Watson 2-0-1-2-0-0  
G. Underwood 3-0-0-1-0-0  
Doyle Welch 2-0-0-0-1-0  
Jerry Ormsby 1-0-0-0-0-0  
Billy Welch 1-0-0-0-0-0

The next Pony League game will be Monday night when they host another one of Stephenville's four Pony League teams.

The Fire Department, "Quail" Thompson, Fire Chief, managers and others who spend lots of time with these boys in baseball are to be commended in doing a very worthwhile job.

**Annual Hankins' Normal College  
Homecoming Well Attended By Exes**

The Hankins' Normal College Ex-Students Association met Sunday, June 4th, in the high school auditorium in Gorman for their Annual Homecoming. About one hundred ex-students and twenty visitors came for the occasion.

Registration and visiting began at 9 o'clock and fond greetings were exchanged as hand clasped hands.

At 10:15 a. m. the house was called to order by the President, Alvin E. Crawley of Ranger. The meeting opened with the congregation singing, "America, The Beautiful," then followed the invocation by Rev. Frank Phillips. The welcome address was given by John Kimble, whose father, the late Dr. E. W. Kimble, was one of the trustees of the Hankins' Normal College. Clyde Speer gave the response to the welcome address.

Minutes of the previous meeting were read and approved. Then came the report of the Memorial Committee. Mrs. Rosa Boucher reported that the sum of \$482.00 had been collected to pay on the Memorial Marker, now erected, which did not quite cover all expenses. Claiborne Eldridge led in a discussion, asking for donations at this time, sufficient to cover all indebtedness incurred by the Memorial Committee. A generous contribution which will cover all expenses was collected at this time.

Gaylord Hankins and Weldon Hankins, sons of Mrs. Nell Hankins and the late J. H. Hankins, made a special contribution of \$35 to pay for having water piped to the lot where the Memorial Marker is erected. For this gracious gesture the association is indeed grateful and appreciative.

The president then brought up the subject of making some changes in the annual meeting and asked for a full discussion of same. A number of Exes responded and after much discussion it was decided to continue as it is at present. The annual homecoming will be held on the first Sunday in June each year, with no registration fees required. All expenses are to be met with free-will offerings.

The president appointed two committees who would report when the meeting opened again at 2 p. m. The nominating committee was as follows: Dave Harper, Elzo Been and Ben Grant. The resolutions committee named were C. E. Sims, chairman, Mrs. Fanny Burkett and O. C. Kinnison.

The business meeting then re-

## HULLS by Kernel Gene, aPe

Occasionally someone asks why I don't write an editorial on bootlegging in this area.

I don't for the following reasons:

1. I have never seen a bootlegger operating in this community, although I have heard names mentioned.

2. If a bootlegger is caught and taken to court you seldom ever find a jury or witnesses that will convict him.

3. If an adult wants to pay a premium for his liquor he should be old enough to know what he is doing.

4. If an adult or parent knows that a young person is buying liquor and does nothing about it, what can I do?

5. If you have a workable suggestion that will eliminate bootlegging, I will be glad to publish it.

Thanks to Earnest V. Meador, Publisher of the Hico News Review, for helping us work out the details of Gorman's Trades Day program.

Mr. Meador is almost as proud of Hico as I am of Gorman. On a visit to Hico one time he took me on a tour of the town to see the attractive homes, golf course and other scenes of interest. Friendly people, too. Just like Gormanians.

**Look at it This Way -**

... If the Seller says he has a good title and furnishing an abstract is not necessary, he is wrong, of course. But if he were not, then the Buyer is entitled to a reduction in the sales price for a sum equal to the cost of an abstract. The abstract is considered as much a part of the assets of sale as the land and improvements. And every buyer of real estate is entitled to an abstract or its equivalent in cash.

## DESDEMONA NEWS

Mrs. Ethel Keith

Attendance at the different churches for Sunday morning services was about the average. But due to the inclement weather the attendance Sunday night was below the average.

The Bud Carters had a family reunion the past weekend when several of their children had a get-to-gather.

Those present were S. E. Carter and family, Breckenridge, J. D. Carter and family, Ft. Worth, T. J. Rainey and family, De Leon, Mrs. J. M. McLoys of Big Lake, the Doyle Johnsons, the Lee Jernigan family and Mr. and Mrs. David Lewis, all of Desdemona.

Sixty-nine adults and children were present Monday morning when Vacation Bible School got underway at the First Baptist Church. It all started Saturday with registration and a parade. E. L. "Jug" Dennis, with his siren, and the fire truck of Gorman, headed the parade. We say thanks boys, thanks.

Quite a lot of talking was rightly due when Mr. and Mrs. Harvey Tresner of Rolla, Missouri visited several days recently with his sister, Mr. and Mrs. Earl Redwine. It had been about 50 years since the brother and sister had met and Mr. Redwine had never met either of them.

Mrs. Roy Northcutt has been at the side of her mother who is quite ill in the Dublin hospital.

The James Buckleys were home for the weekend with his parents, the R. O. Buckleys.

Mr. and Mrs. Bob Koonce left Sunday for Washington State to visit with their son, Mr. and Mrs. Bobbie Gene Koonce. Bobbie is with Uncle Sam.

Mr. Coleman Wier of Stephenville will stay at the Bob Koonce home and see after things while they are away.

The Dale Kays were here on the weekend to visit his mother, Mrs. Allie Kay, and sister, Mrs. Beulah Williams.

Mrs. Buna Abernathy is now recuperating at her home after spending several weeks in the Gorman hospital following a stroke early in May.

An 8 pounds and 15 ounce boy was born last week in the Gorman hospital to Mr. and Mrs. Jay Grimshaw. The young man was named Randall Jay.

The B. V. Martin Jr. family of Clovis, N. M. spent Saturday night with his parents, the B. V. Martins.

Spending the weekend here with the J. N. Abernathy family were her children, Mr. and Mrs. Coke Brumlow and children, Mr. and Mrs. Bennie Dean White and girls, and Mr. and Mrs. Bob Carlton and children.

Visiting Art Shoemaker from Toledo, Ohio are his brother and wife, Mr. and Mrs. Dewey Shoemaker.

Mr. and Mrs. Morgan Roberts Brenda and Ulenda, and Mr. and Mrs. Howard Williams were in Hico Saturday to attend the funeral of Morgan's grandmother, Mrs. Annie Farrow.

The Morris Nance family of Midland spent the weekend here with the Genoway families.

## HARGROVE REUNION HELD JUNE 4, FRANK GRAY PARK

On Sunday, June 4th, fifty of the Hargrove families met at the Frank A. Gray Memorial Park in Gorman for their annual reunion. Mrs. Jim Ware of De Leon was the only Hargrove female descendant present. Mrs. Stella Reynolds was in Bartlesville, Oklahoma and unable to attend.

Master Kay McIntosh, son of Mrs. Wayne McIntosh of Tyler, is here this week to visit his uncle, Morgan Roberts, and is attending Vacation Bible School.

During the windstorm Saturday night the metal roof was ripped off the east side of Mrs. Sallie Huffman's house and piled in her back yard.

Mrs. LaRue Campbell and children are spending this week with her parents, Mr. and Mrs. Cecil Carr.

Mrs. Odessa Abernathy is now Mrs. Albert Johnson and has gone to Lubbock and while there will attend the graduation exercises of a nephew.

Mr. and Mrs. Jack Chaney of Alexander spent the day Sunday with a niece, Ethel Keith. They brought Mrs. N. S. Partain home. Mrs. Partain had been visiting relatives in Dublin and Alexander the past two weeks.

## BUCKET SEATS ALONE DO NOT A MONZA MAKE

■ Gee! ■ Little did we know, when we introduced the Corvair Monza last year, that we were starting a Big Thing. We just thought it would be pleasant if you could buy a car that treats you, the driver, like you want to be treated. ■ The bucket seats, of course, are the most obvious evidence of our desire to please you. But they're not the most important thing. No sir. What's really vital is the way a Monza handles—something nobody in the U.S. has yet copied. Or can copy. Because Corvair is the only rear-engined car made in this country, and you know what that means: steering light as thisledown. (You even park this one more easily, it steers so briskly.) Beautifully balanced braking—the car stays level even under panic braking, which we hope you'll never have to do. Traction and more traction, so you don't become a stick-in-the-mud. The kind of cornering that's sheer joy to experience. ■ You get more: a fully independent suspension that blots out road shocks before they can ruffle you. Clean, crisp styling. Thoroughgoing economy, from purchase price to operating cost. ■ You're not going to be satisfied with bucket seats alone, are you?

## Annual Hankins -

Continued from Page One

cessed until 2 p. m. Memorial services followed next and opened with a song. Mrs. Florence Underwood then read a poem of Kipling's, "When Earth's Last Picture is Painted."

Trimble Spratling gave the memorial address which was indeed an inspiring message. We are always happy to hear Trimble speak as each message brings us food for thought.

From noon until 2 p. m. came more visiting and chatter as all assembled in the cafeteria to enjoy the delicious lunch so well prepared.

At 2 p. m. the president again called the house to order and the business meeting was resumed.

The nominating committee reported as follows: Dr. E. W. Jones, Lubbock, president; Clarence Tra-week, Bangs, vice-president; Mrs. Valerie Casey, Bangs, secretary and treasurer.

These were elected by acclamation. Dr. Jones then spoke, declining to accept the office of president because of his health. With regret, his resignation was accepted.

Lee Stone of Ft Worth is visiting this week with his grandparents, Mr. and Mrs. Earl Stone, Sr. and Mr. and Mrs. Hulon Pullig, and his aunt and uncle, Mr. and Mrs. Check Smith.

Mrs. Jessie Lemley left Sunday for a visit with relatives in Albuquerque, N. M.

From the floor the name of W. D. Harper was offered as the president for 1962, and he was duly elected.

The resolutions committee then offered their report which was read and accepted. This closed the business meeting for the day.

Following the close of the business meeting came the recognition of H. N. C. teachers and others. Mrs. Nell Hankins gave a few well chosen remarks which we thoroughly enjoyed. A. M. Beeman of Henrietta, also Earl Bender of Eastland offered a few remarks.

The President then announced that all would retire to the site of the Memorial Marker where Rev. Earl H. Lightfoot of De Leon would conclude the meeting with the dedication of the Memorial Marker.

When all had arrived at the site Mrs. Rosa Boucher, in a few well chosen words, presented to President A. E. Crawley the result of the memorial committee's services, the beautiful marker. The President accepted this presentation, then in turn, offered the same to Dr. Earl H. Lightfoot for dedication.

Gaylord and Weldon Hankins were asked to unveil the marker, and did so, and a basket of flowers carried by two small girls was placed near the base of the marker. In a short but impressive

speech Rev. Lightfoot then dedicated the marker to the memory of the founders of Hankins' Norman College, the late J. H. Hankins and to J. F. Hankins of Lubbock. Then he offered a beautiful prayer in closing.

The ex-student body regret so very much that J. F. Hankins was unable to be with us at this time because of his illness.

The meeting closed with a prayer led by Rev. Henry Littleton of Eastland.
