

OUR 61ST. YEAR OF SERVICE - 5c Per Copy

THE GORMAN PROGRESS, Eastland Co., TEXAS, NOV. 30, 1961

HULLS

by Kernel Gene, aPe

Having business in Fort Worth and Dallas recently, Thereasa and I stayed at the Baxter House Motel on Hwy. 183 near Irving. The Baxter House serves a buffet dinner on Sundays and Mondays two games. that is worth stopping for if you happen to pass that way. This particular Sunday I visited the Plymouth Park Methodist Church, also located on Hwy. 183. In Sunday School I sat next to the C. W. Andrews, formerly of Desdemona. He worked at the Magnolia Plant from 1924-1932. The Andrews sent regards to the Desdemona Masonic Lodge and Eastern Star. It is still bara Jobe. home to them.

One thought from Rev. Jack Mc Gee's sermon has stayed with me. Wesley Warren, Butch Boyd, Gene "If we could start anew each week I how much more we could accomplish."

If enough of us let this quotation sink in one would see a big difference in church and civic work in Gorman.

Feeling certain that my former pastor, Robert Haynes of Euless, will read this I am going to visit his church the next time we stop at the Baxter House

Joiner, and David Hunt. The two teams meet again in the Carbon Tournament December 7th at 9:15 p.m.

NUMBER FORTY

All the Panther backs had a good season with Joe Harrison leading the group with 795 yards on 136 carries for a very respectable 5.8 yard average. Quarterback Ronnie Page got 522 yards on 87 carries for a 6.0 average. Fullback Gene Simmons, having played only about half the season at fullback, got 318 yards on 79 carries for a 4.0 yard average, Fullback Jim Rodgers, who also played only part time at that position, got 240 yards on 71 carries for a 3.3 average. Harold Rodgers got 170 in six games on 36 carrries for a fine 5.6 average. Nathan Files got 128 yards on 24 carries for a respectable 5.3 average.

Page, Simons, Harold Rodgers, Boyd, Baze, and Jim Rodgers will be back next year and should give the Panthers the nucleus for a

ed back to the Fire Hall, Scoutmaster Thompson has requested use of the library on Thursday nights for his Scout Troop.

Received the following clipping from a reader. It appears to have come out of a farm magazine and

was written by Prof. Alexander Frazier Tyler, political observor who lived two centuries ago.

TYRANNY OF THE MAJORITY?

"A democracy cannot exist as a permanent form of government. It can only exist until the voters discover they can vote themselves largess out of the public treasury. From that moment on, the majority always votes for the candidates promising the most benefits from the public treasury, with the result that democracy always collapses over a loose fiscal policy, always to be followed by a dictatorship." Kyle.

Some observors are saying today that our democratic way of life etery. will be wiped out within the next ten years. Did you read where a Friday, November 17, in a Shreveworker was sued by a union for port hospital. doing too much work - ?

and a contraction and a contraction

There is an Old Chinese Proverb -

.... which says that every long journey begins with the first step. Likewise, all achievements require the act of starting. He who never starts, never does, never enjoys, never grows, never really lives! Failures usually follow wrong starts. For example, if one is to deal in real estate, he should start right by getting an abstract with every purchase. In this, he is not only obeying the wisdom expressed in the Proverb, but following the course of many others in this field. who have enjoyed successful careers.

We are in the market for your peanuts. At the present time we are paying \$2.00 per ton above support price for eligible peanuts delivered to our plant in Gorman, Texas or our warehouse in Carbon, Texas. We are also paying an additional \$2.00 per ton for all peanuts delivered in bulk to our plant in Gorman.

Our charges for cleaning and drying are the same as last year. They are as follows:

Cleaning		\$6.00	per	ton	
Drying		8.00	per	ton	
Cleaning & Drying -	-	9.00	per	ton	

The above charges are based on the gross weight before cleaning and or drying. We now have 50 drying bins and two places to unload.

For those who wish to place peanuts in the loan, we have an approved warehouse and a contract with Southwestern Peanut Growers' Association.
