... owners of land as well as prospective owners often discuss with us the many problems growing out of the ownership of real estate. One of the big problems, of course, is the title problem. We remind them that a few dollars invested in an abstract now may save them hundreds of dollars later on. The old saying that "a stitch in time saves nine" is still true and very aptly applies itself to many modern-day real estate transactions.

**Methodist Church Thanks**

The people rejoiced and... in their hearts."

is the only way to describe the people of the De Leon Methodist Church as they gathered for their evening service Sunday, Nov. 10. They were aware that their Lord's Acre - Lord's Hour program, along with their Harvest Festival, had been a glorious success; but they were to learn that it had gone beyond their expectations.

During the past few weeks they had invited all of their friends to participate with them in their Harvest Festival Saturday evening, Nov. 9th. They sold tickets for a barbecue meal and asked their friends to join them there in an evening of fellowship and rejoicing. Because of the wonderful way that cooperation was extended by so many people, not only in De Leon but in the surrounding area, they want these same people to share some of the joy of their success.

This Lord's Acre - Lord's Hour program is a growing thing that generates enthusiasm as it progresses and brings the membership of a church into a closer relationship with one another. Even before a final figure for this year is complete, plans are underway to make the next Harvest Festival run a little smoother. As is true with everything, unless it grows and becomes better, it will die. So there is great determination that this program will grow.

It is impossible to thank every person by name who helped make this event what it was; so we desire that everyone who attended this as a personal THANK YOU and an invitation to help with again for the next Harvest Festival. It is hoped that in addition to all other benefits of the program, it will also draw the whole area into a closer relationship.

Last of all, the amount raised for the building fund makes news in the Methodist people are to share. At the time of the offering, it was \$5,649.41, and, again, this is not a final figure. It is expected this week under the Lord's Hour and there are also some who are not complete at Some who are giving

**Methodist News**

Pastor, Rev. Robert Sanders

Only two Sundays remain in the first half of our church year. We know that you will do everything possible to give us a good report to take to our District Conference which will be in Breckenridge on December 10.

Last Sunday morning we were happy to receive Mrs. Hilliard Gilbert as a new member of our church by certificate of transfer from the Methodist Church in Carbon. This marks the third Sunday in a row that we have received new members. As a part of the service we also dedicated a beautiful new cross for our Communion table. It comes as a gift from Mrs. Florence Underwood in memory of her parents.

We are also grateful for your good attendance last Sunday night to hear Mr. Johnny Bates of Ranger. Remember that we are seeking to increase our Honor Roll this month. This requires your attendance at both morning and evening services.

The Friendly Ladies Class is sponsoring a Rummage Sale this Saturday at 9:30 a. m. next door to Henderson's Variety. We are certainly grateful for the help they have given us in the furnishing of our new parsonage.

The W.S.C.S. will continue their devotion to "Christian Issues in Asia" next Monday at 9:30 a. m. as they meet at the home of Mrs. Barton.

We hope that a number of our members will journey to Waco with us one week from this Saturday to visit the Methodist Home and attend the Baylor-SMU football game. Reservations should be made this Sunday at church.

peanuts do not have them harvested.

So, again, a great big sincere THANK YOU to everyone.

**B&B SPORTS**

Herman and Joe Bennett

B&B  
Sure was a good game - - and those staunch Panther fans didn't even mind the cold wind as bad after the game, although it died down after the half. It felt good for us to win, but, just think how good Coach Newby feels over the game. It's a game Mike will remember for years to come. You see, it's his first win as a head coach.

This was the first time the Red and Blue played as a team and you see what they can do when they want to. It was a game they deserved to win. They outplayed and outgained the Wildcats. It also marked the first time this year since the De Leon game that they scored first in a game.

Overstreet's TD run in the second quarter was on a pitch-out from Ormsby. Then the defense relaxed a little. Rising Star scored on a pass and a two pointer also on a pass. The Wildcats had made 116 total yards in the first half to the Red and Blue's 107. But the second half was quite a different story.

The Panthers were in white the first half. But to the delight of Joe, they came out in RED jerseys for the second stanza. Something Joe didn't know then (and may not have known until now) is that they also had RED pants in the dressing room, too.

With only four minutes gone in the fourth quarter, Gorman iced the game away as Jim Rodgers crashed over for their second tally. Then with two and a half minutes left, Overstreet added more frosting to the cake as he went 70 yards for Gorman's third score.

Gorman's win scrambled the District as each team is now 1-1. If Rising Star and Blanket play a tie and we win over May Friday, we will have a clear district title. Or if Rising Star wins over Blanket, and Gorman beats May, Gorman and Rising Star will tie, leaving the Red and Blue to represent District 21-B. But, if Blanket wins they automatically represent the district . . . and we know the Panthers can "Beat the Whey out of May!"

B&B  
Yes, we knew better than to pick Oda's TCU Frogs against LSU! We thought if they were

ever going to win, this would be it. At least they scored a TD on LSU, something they had never done. Joe came out ahead last week with 80 percent as Herman had slimmer pickings for a 70 - and it looked for a time like we might have a whopping 40 or 50. The haze clears a little this week, so here is the way it looks in the crystal ball:

that the consolidated net income, excluding a special item, for the first nine months of 1963 amounted to \$4,981,625, or \$1.39 per share on 3,586,514 shares outstanding or September 30, 1963. The special item represents capital gain from sale by Amarillo Oil Company of liquid hydrocarbon rights net of federal income tax in the amount of \$1,347,958, or 38c per share. These earnings compare with \$4,742,162 for the first nine months of 1962, or \$1.33 per share on 3,564,854 shares outstanding on September 30, 1962.

The nine months report to the stockholders will be mailed about November 12.

**Eastland Hereford  
County Historical  
Auction Scheduled  
For November 22**

According to Ross Wilson of Gorman, President of the Eastland County Hereford Breeders' Association, 50 quality bulls and 15 top Hereford females will be sold at auction in the first annual Eastland County Hereford Breeders' Sale on November 22. The sale will begin at 1 p. m. at the Eastland County Livestock Show Grounds in the Northwest part of Eastland.

Wilson stated that almost all of the bulls are two year olds or coming two year olds. They represent some of the fine herds of Herefords in the Central Texas area and feature a selection of popular blood lines. The animals are big and growthy and will be in proper condition to immediately go to work for those who purchase them.

According to Roger Blackmon, Secretary of the Association, a very impressive list of breeders are consigning some well bred Herefords to the Eastland County Hereford Breeders' first sale. Ed Harrison, Gorman consignor, is entering some bulls that have been production tested, as have all the registered cattle on Ed's place for some time. W. H. "Bill" Hoffman of Eastland is consigning some two year old bulls. Not all of the bulls consigned are from Eastland County. Many outstanding consignors from neighboring counties have made entries. They are: Mr. Charles Neblett, Jr. of Stephenville; Mr. C. M. Ulmer of Morgan Mill; O. D. Walker of Dublin; Weldon Williams, Morgan Mill and Richard Windham of Baird. These men are all reputable breeders and their entries will add a great deal of quality to the sale, it is felt.

David Pickrell and Mr. J. W. Tibbels, both of Ranger, will be making consignments to the sale. Jasper Williamson, also of Ranger, has consigned some outstanding bulls to the sale. One of the bulls Jasper has consigned was shown by his boy at the County Lovestock Show in 1961 and was Grand Champion. This impressive bull drew much favorable comment at the time and is in excellent condition now. Ross Wilson of Gorman, President of the Association, is assigning some of his

**County Historical  
Survey Committee  
To Meet On Nov. 16**

The Eastland County Historical Survey Committee will meet in the Texas Electric Conference Room in Eastland, Texas from 10 a. m. to 12 noon Saturday, Nov. 16 for a called meeting, according to Mrs. Lee White, Secretary for the Eastland County Committee.

Mrs. Bernie McCrea, Cisco, Chairman for the committee, and Mrs. White attended the regional meeting of County Historical Survey Committees in San Angelo on Nov. 2 and gathered many ideas for furthering the work and plans of the local survey group. Discussion of future plans will be made at the Nov. 16 meeting, Mrs. McCrea stated.

All members of the county committee are urged to be present for this meeting. The public is also cordially invited to attend for these meetings are open to visitors and anyone who is interested in the preservation of historical items and documents, marking graves of Civil War Veterans, old buildings with historical significance, etc., Mrs. White explained.

Crusty calves. Also, Robert Whitt of Gorman, the only junior member of the Association, is consigning some nice bulls. Dr. D. V. Rodgers of Gorman, has some nicely fleshed two year old bulls in the sale that will be ready to go to work immediately.

Well known blood lines featured in this sale will be: Beau Gwen, Real Silver, Battle Intense, C K Crusty, Anxiety 4th., Flat Top Pride, Real Onward, and others.

If you are familiar with these breeders and these bloodlines, you will know why the Eastland County Hereford Breeders' Association's first annual sale, to be held in Eastland on Nov. 22 at 10 a. m. in the County Livestock Show Barn, is THE place to buy a Hereford bull.

Preceding the sale, the animals will be judged in a showing for sale order by Walter Hill of Comanche. Mr. Hill is one of the better known breeders of quality Hereford cattle in Texas. Mr. Bert Reyes of Beeville, Texas, will do the auctioneering and also will manage the sale. The sale is expected to be an annual affair.

**V-6 TRUCK POWER  
ONLY GMC HAS IT!**

Here's the truck power that has proved it's designed to outperform, outlast all others in its class—V-6 POWER! The 305E V-6 you get in GMC light-duty trucks develops up to 40% more torque than engines of comparable size. Pistons are the largest in their class; there's up to 60% more main bearing area; exhaust valves are up to 14% larger; and regular gasoline is recommended—just a few extra value features that mean top performance, longer engine life, greater economy. But, whatever truck you want with whatever power you need, you'll find it in GMC's complete line of extra value trucks.

COME IN! TEST DRIVE A NEW V-6-POWERED GMC TODAY!
