According to information made

public recently by the City Com-

mission there is an increasing

need for improving the present

water system which would prob-

ably call for almost a total re-

placement of the system now

used. A field engineer for the

State Health Department has re-

cently stressed the need for plan-

ning a new system. He pointed

out that due to the presence of

sewer lines near the water wells

in the middle of town that these

wells will have to be plugged in

the not too distant future. He

suggested that if the city planned

its future water supply from

wells, that any new wells should

be located outside or on the edge

of the present residential area in-

order that the wells would be

safely away from sewage lines.

Any such re-location of the city

water works would involve the

drilling of new wells properly

equipped, installing storage res-

ervoirs and making possible the

proper water treating procedures.

In connection with the new well

drilled last year in the west part

of town, there are at present no

there will need to be a treating

facility installed in connection

ial cost estimates are available

in relation to this matter, it is

known that the needed changes

If the Proctor proposel is ap-

proved by the voters and a con-

tract is executed for water,

Gorman is assured of an ade-

quate supply of water along

with other cities in the District.

The minimum water rate of

\$3.50 up to 2,000 gallons per

month would remain unchang-

ed. Water usage above 2,000

gallons would cost more than

users are now paying. In addi-

tion there would be an increase

in taxes on its property, prob-

ably of about 50 percent. How-

ever, even with the increase,

Gorman city taxpayers would

be paying less taxes than are

paid in most other cities of East-

Proctor Water Vote Slated Here For Saturday

Commencement Exercises For High School Set Friday SLATED

aledictorian of 64 The final day of activities of the Gorman

RICHARD WATSON

Richard Watson received the Mr. and Mrs. Odis Rodgers. honor of being named Valedictorian of the Senior Class of 1964 invited to attend this service. of Gorman High School.

average of 96.05.

He is the son of Mr. and Mrs. R. H. Watson.

HULLS By KERNEL GENE, aPe

Saturday is the day when citizens of Gorman will take a step into the future for Gorman. Most of the people I have talked to are in favor of the Proctor Water Project. A few are opposed. hope they are in the minority.

Kernel Gene salutes the citizens of De Leon, Dublin and Comanche. Following is their vote on the Proctor Project:

	For	Against
De Leon	359	9
Dublin	315	244
Comanche	646	37
As noted b	y the page	ad in this

week's edition, the majority of our businessmen are for this project. The Volunteer Firemen and Community Club voted unanimously to back this project. Three negative votes were cast at the Businessmen's Club.

From the time I published the first edition of the Gorman Progress I have never tried to sway the opinion of its readers, or print anything detrimental to Gorman or this community. However, I feel that if we have any opportunity at all to build our town, this Proctor Water project will play an important role in our future.

Therefore, I urge you to vote: FOR THE PROCTOR WATER PROJECT SATURDAY.

Thank you.

Mr. I. J. Thornton of Dallas, Financial Advisor for the Upper Leon River Municipal Water District, was present at the open forum Tuesday night. After listening to Dr. Brogdon and Mr. Wilson explain the project to the group in attendance, he said,

"In all of the meetings I have attended, this is the first one where a complete and detailed report of what the citizens could this proposition."

Public Schools will be held on Friday, May 22nd., when students of the Senior Class of 1964 will receive their diplomas, signifying completion of their high school

Diplomas, Awards and Certificates will be presented at the commencement exercises at 8:00 p. m. by Bill Little, Principal, W. R. Taylor, Superintendent, and Gaylon Wright, President of the School Board.

The Valedictory address will be given by Richard Watson, son of Mr. and Mrs. R. H. Watson.

The Salutatory address will be given by Bobby Rodgers, son of

Rev. Buel Bryan Is **New Administrator** Blackwell Hospital

Rev. Buel Bryan, pastor of the Kokomo Baptist Church, and an employee of Southwestern Peanut Growers' Association for the past three and one-half years; has accepted the position of administrator of the Blackwell Hospital.

He replaces Edward Verle Rodgers who has accepted a similar position with the Medical Arts Hospital in Brownwood.

Rodgers has been with the local facilities are available.

Many qualified voters who are property holders in the city are expected to vote Saturday on the question of whether to authorize the city commission to contract for water from the Upper Leon Municipal Water District for Lake Proctor water.

De Leon, Comanche and Dublin voters passed the same proposal in their cities by large majorities last Saturday. Hamilton voted last September to contract for Proctor water.

A Resolution -**Proctor Water** Proposal

"The Gorman City Commission, having given considerable time to The benediction will be given examining various water proposals, has concluded that the Proctor proposal offers the most feasible plan to insure an adequate Glass-Moake Vows and permanent supply of desirable water to Gorman. The Commission has satisfied itself on the integrity of the firm of Consulting Engineers who presented the varadvantages would accrue to the that date. individual citizen and the community as a whole if this proposal should be adopted. When for the junior group. the time arrives for needed mod-Joe is a native of Gorman, and ifications to be made, new wells considerable cost to the city.

If Gorman voters vote in the majority for the water contract, the City Commission will be authorized to negotiate with the District for a water contract. Under the terms of the contract, treated water would be piped to Gorman into a ground storage reservoir and into the elevated storage tank. By maintaining an adequate supply of water in a ground level reservoir, the city would be better protected against fires and the key rate for city property holders would be reduced, thus decreasing the present fire insurance premiums some 33 cents per \$1,000 of coverage. Engineers who are planning the water supply project state that the water will be treated to insure its softness.

George Bolt Named District MYF VP

George Bolt was elected vice president of the Cisco District Methodist Youth Fellowship at a meeting held in First Methodist Church of Brecgenridge on Monday night.

Steve Purdue of Eastland is the new president.

Other Gorman MYF members attending the meeting were Juanava Collins, Anita Acrea, Mack Sutton, and Mrs. Betty Sanders, wife of the local pastor of the First Methodist Church.

Gorman Students Enter De Leon's Junior Rodeo

The De Leon Riding Club will sponsor a Junior Rodeo Friday and Saturday nights, May 22 and 23, beginning at 8 o'clock.

Junior boys and girls from Comanche, Gustine, May, Blanket, Gorman, Dublin, Carbon, Eastland, Ranger and De Leon have been invited to participate in the

Professional stock will be furnished by "Burnet Rodeo."

There will be calf roping, bronc and bull riding, elementary girls, high school girls and pee wee boys and girls barrel racing, high schol boys "tie down roping", elementary boys "break away roping." There will be four teams from the De Leon High School who will be competing in the "wild cow saddling."

Trophies will be given to the first place winners in each event. Ribbons will be awarded through the 6th. place. "One team" trophy will be awarded to the school with the most points. A trophy will also be given to the "All Around" Girl and Boy.

Entries from Gorman are Mike Foster and Thomas Seay in high school roping; Juanava Collins in high school barrel racing; and Becky Foster, Debra Smith, Karen Collins and Gary Burgess in grade school barrel racing.

The concession stand will have plenty of hot dogs, barbecue buns, coffee, cold drinks, snow-cones, etc. for your convenience.

Through the courtesy of Nabors Funeral Home, there will be an ambulance on duty at all times. Admission will be 25 and 50c.

NOTE

To City Tax Payers

ALL CITY TAXES ARE DUE AND PAYABLE ON OCTOBER 1 AND IF NOT PAID BY THE LAST DAY OF MAY, WILL BE DELINQUENT

Delinquent taxes are subject to penalty and interest, and it is greatly to your interest to take care of your taxes BEFORE JUNE 1st. DEADLINE.

Delinquent Taxes

We still have some delinquent taxes on our books and those owing such taxes are urged to come in and see about them.

According to law, delinquent taxes are a valid lien against any real estate property and in case of sale of property, must be satisfied. In other words, you could not give title to your place if there were any unpaid taxes against it.

IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S Five different lines of cars - forty-

five different models to choose from. Come early and trade great!

Now that spring's in full swing, you'll find new Chevrolets perfect for picking.

Luxury-First, there's the big Jet-smooth Chevrolet. Sumptuous and soft riding. Over 700 sound stoppers throughout the car to blot out noise. Interiors luxuriously done up in the newest and softest vinyls.

Trade what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

Spirit-Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle you'll think of something.

Economy-Chevy II-the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. Eight models to pick from, including wagons with enough room to swallow up an eight-foot Christmas tree. (Plan ahead, we

Fun-Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it.

Corvette. The enthusiast's car. Sting Ray Sport Coupe and Con-vertible. Still America's only true sports cars. They do for your driving what holidays do for kids.

Performance-And with any new Chevrolet you choose, you can pick from a wide range of standard or extra-cost high performance

Either way, whether you've got some place special to go this summer or not, when you trade for

one of Chevrolet's five great highway performers you'll travel!

We Heartily Endorse The Proctor Water Project and Urge You to Consider the Following Advantages and - - -

VOTEFOR 'The Proctor Water Proposal'

1. Permanent Supply Of Water:

No one knows the capacity of underground water sources. Engineers say Proctor Lake will be a reliable source for 120 years.

2. Water Supply Which Meets Sanitation Standards:

Part of present water supply is not treated for purification and remainder is in danger of being condemned within the next few years.

3. Water Which Is Desirable From Standpoint Of Softness:

Can expect to realize savings on cost of soap and detergents, plumbing repairs, water heaters and other appliances.

4. Better Fire Protection And Savings For All Property Holders On Fire Insurance Premiums:

5. Opens The Door For New Industry To Come To Gorman:

Without a permanent and adequate supply of state approved water we cannot compete with surrounding towns for industry. 4 neighboring towns have overwhelmingly voted for this proposal.

6. If Adequate Supply Of Lake Water Is Not Secured, Present Water System Modifications, Which Must Be Made To Meet Health Standards, Will Require A Large Expenditure Of Money In the Foreseeable Future.

This Money Could Come Only From Voting A Bond Or Raising Taxes.

Most People Who Have Studied Their Individual Situations Have Concluded That The Savings Inherent In Having Soft Water Are Greater than The Estimated Increase In Costs.

We Urge The Citizens of Gorman To VOTE "FOR the Water Contract"
