Press Points

We did get a little spell of cold winter wind (and a few flakes of snow) during the weekend. However, it has warmed up some and things thawed out a little on Monday. Guess we need some cold weather to help get rid of the bugs and insects, but that doesn't mean we have to like it. Guess I'm a warm weather person.

- J -If anything is wrong with the paper this week just blame Jake. He up and took off for a skiing trip to Colorado and left poor ole me to do all the work. But thank goodness Mary Griffin was able to come in and take over the typesetting chores for me. So if there's a problem with the paper, just blame Jake!!

- J -The Gorman Livestock Show was a great success with a lot of exhibitors and animals. Now everyone is looking forward to the Eastland County Livestock Show February 9-10-11. This is always a great weekend for our youth -- and adults!! And it's a great experience for our children. So let's all support our youth at the livestock show.

-J-And remember to smile -- because God loves you! -GP-

There was no special music at the Sunday morning service at the Kokomo Baptist Church, but there was a baptism service at the close of the service. Chelsea Buckley of Desdemona was a visitor with her grandparents, Durwood and Aletha Burgess.

There was no service on Sunday night at the Kokomo Baptist Church, so members could attend the fifth Sunday night singing at the First Baptist Church in Gorman.

Jeff and Angela Buckley and Chelsea of Desdemona, Glen Burgess of Devine and Danny and Charla Burgess visited during the weekend with their parents. Durwood and Aletha Burgess.
