Jaws Of Life Tools Needed By Gorman Panthers Win Second Gorman Fire Department Place In De Leon Tournament

The City of Gorman and the Fire Department are in process of undergoing re-evaluation of Key Rate for Insurance. The results of this evaluation will determine the Key Rate for our Insurance. The Fire Department was given a very thorough inspection of all Fire Equipment on hand. We came out good in every area but one.

We were told because we do not have a set of "Jaws of Life" tools, it will count against us. Credit will be given if we can purchase a set.

Several people have expressed a willingness to help purchase a set of "Jaws" or Rescue Tool Package. We have contacted a supplier to come to Gorman and demonstrate the Rescue Tool Package on Monday, March 27th at 6:30 p.m. at the Fire Station. The public is invited to attend as spectators only.

If you wish to help in this matter, please contact any Gorman Fireman. The cost of this project for the Rescue Tool and one Super Ram is \$9,424.00. We have some money available but would like to hold as much of that in reserve as possible.

Thanks for your support thru the past years of our improvement projects. Your continued support has made it possible for us to have the equipment that we now have.

Come see the "Rescue Tool Package" demonstration on Monday, March 27th at 6:30 at the Fire Station.

Thanks Again,
Gene Foster - Fire Chief

PANTHERS - (top row left to right) - Shannon Mauney, Ronald Majors, Jerry Krause, Chris Carlton, Nick Guthery, Donald Majors, Tom Bynum, Jason Posey, Jason Warren and Coach Pettit. (bottom row left to right) - Don Mauney, Jason Rich, Jason Johnson, Adam Rodriguez, Marco Herrera, Reese Clark and Scott Scitern are shown with the trophy.

Letter to Editor

When the Gorman School board met last Monday March 13th to decide on which coaches would be rehired, The opinion of 16 young men were not considered in this decision. We feel as though our thoughts on this matter are important and need to be heard.

If you haven't heard, Head Baseball Coach Eddie Pettit will not be back with us next year. Reasons for this are not totally clear to us. One reason, his temper, is one that is very questionable. He is a coach who criticizes when he has to but it is constructive criticism, and only to make each and everyone of his players play up to the potential he knows that they are capable of. He also praises his players when they do things the way they should and has more respect from athletes and the student body than any other coach. His opinion is highly regarded by every member of the baseball team. Sure he gripes, but you can't honestly tell me you have never seen another coach display a temper at certain times. We are often reminded by our parents and others of coaches and teachers they can remember from their days in school. Each one had characteristics we find in Coach Pettit. He practices us hard, to us in a stern voice, and will not accept failure, because he knows we can succeed. These actions will help us to develop qualities that our parents will one day be proud to see in us. Some of these actions we receive at home from our parents, which clearly tells us that Coach Pettit doesn't just instruct, he cares.

What we're getting at is that we feel the school board has made a mistake and needs to reconsider their decision.

CARD OF THANKS

I want to take this opportunity to thank all of you who have been so kind to visit, send cards, food and flowers but especially for your prayers. It is so good to have loved ones, and friends who are so caring. All of the kind deeds are deeply appreciated while I was in the Hospital and since I came home.

God bless all of you.

Revise Laminack is the sixth candidate to file for a place on the school board.

Three places are to be filed for the three year terms.

Pre-K and K Registration and Play School Set

ATTENTION: All parents of students who will be age 4 or 5 before Sept. 1 and are not currently enrolled in pre-kindergarten.

PLAYSCHOOL: There will be a pre-kindergarten and kindergarten playschool in the home economics building on Tuesday, April 4 and Wednesday, April 5 from 10:00 to 10:45. The purpose of the play school is to help the children get acquainted with the school facilities and become acquainted with the other children. If you would like your child to attend the play school, please contact the home economics dept. at 734-2946 or the high school office at 734-2614 and give them your child's name and birthdate. You will receive more information in the mail.

REGISTRATION: Registration for those students who will be attending kindergarten or prekindergarten next year and are not currently attending prekindergarten will be held in the nurse's office of the home economics building on April 5 (Wednesday). Parents need to bring the child's immunization record, social security card (no copies) and birth certificate at that time.

Orville Boyd Laid to Rest At Downing

George Orville Boyd, 84, employed by Birdsong Peanut co. for 25 years before retiring in 1977, died Wednesday, March 1, 1995 in the De Leon Hospital, after a long illness.

Services were at 11 a.m. Saturday March 4, 1995 in Higginbotham Funeral Home Chapel, the Revs. Richard Watson and Terry Colwell officiated. Burial was in the Downing Cemetery near De Leon.

Mr. Boyd was born in Comanche County. He was a Methodist and was the widower of Emma Doyle Gilder Boyd, whom he married in 1931 in Comanche.

Survivors include a son, William E. "Butch" Boyd of Gorman; a sister, Nathalie Loudermilk of Downing; five grandchildren; and 10 great-grandchildren.

CARBON CEMETERY ASSOCIATION - The Annual meeting of the Carbon Cemetery Association will be at the Carbon Community Center on Saturday, April 1 at 7:00 p.m. This is an important meeting as officers will be elected and business decisions concerning the Association will be made. If you have loved ones in the Cemeteries, you are urged to be present to participate in these decisions.

ALL TOURNAMENT PLAYERS - left to right - Hindcatcher - Don Mauney; Third Base - Ronald Majors and Center Field - Jason Johnson.

In the opening game of the De Leon Tournament, Gorman Panthers met the Ranger Bulldogs at 8:30 Friday morning.

The ballgame was close throughout. Gorman broke out on top in the third inning on Jason Rich's two out, two run single. Panthers added an insurance run in the seventh inning on Don Mauney's solo home run. The Panthers prevailed 3-1.

Coach Pettit had these comments, "This was a very big win for us as Ranger had already beaten us once this year. Tom Bynum and Nick Guthery pitched a great game, and the defense played well. Now we just need to get our bats going."

In the second game of the tournament the Panthers faced the De Leon Bearcats for the third time this year. Once again the Panthers were victorious by a score of 7-1.

Gorman opened the scoring in the first inning when Jason Johnson tripled and scored later on a double steal. Panthers added two runs in both the third and fourth innings on key hits by Don Mauney and Ronald Majors. Gorman then added single runs in the fifth and sixth innings to post the 7-1 victory.

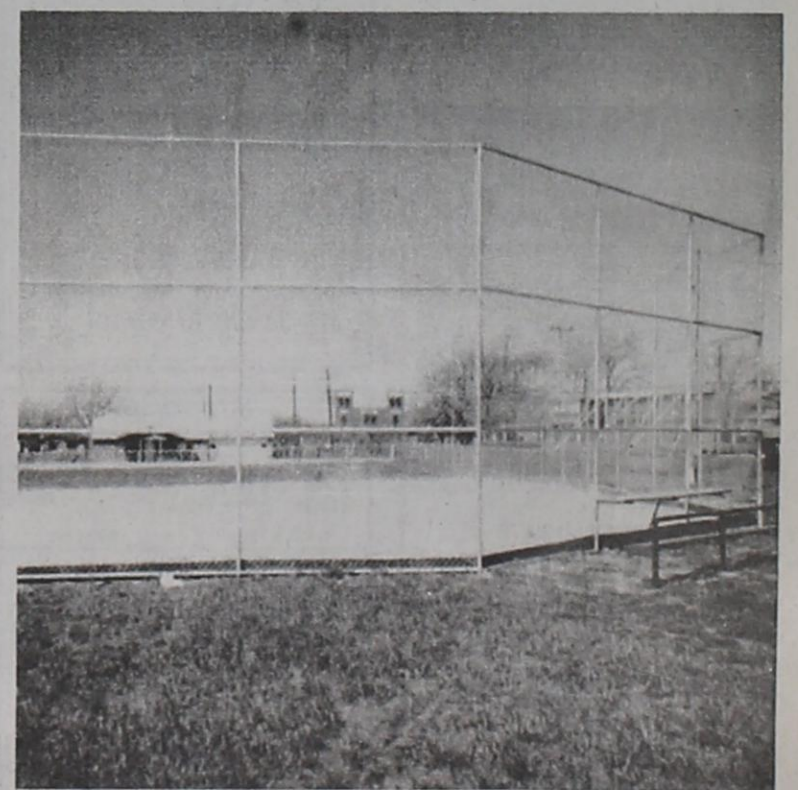

Coach Pettit added these comments:

"It was nice to see us score a few runs. We have been struggling at the plate. Nick Guthery again had a tremendous ballgame on the mound striking out eleven Bearcats."

The Championship game was between the Gorman Panthers and Breckenridge. The Panthers came out on the short end of the stick by a score of 3-1. Once again this was another close game throughout with Breckenridge taking a 3-0 lead to the bottom of the seventh. Panthers mounted a comeback on a RBI single by Donald Majors but failed to get another key hit.

Head Coach Eddie Pettit and this to say about performances by the Panthers: "This was a disappointing loss because we had good pitching and good defense. Out troubles at the plate continued as we only had two base hits. Overall, I was pleased with the guys and their efforts throughout the tournament.

The De Leon Tournament consisted of two and three "A" schools with the exception of Gorman and Brock. Final standings in the tournament were Breckenridge claiming first, Gorman taking second place, Eastland receiving the third place and Ranger getting consolation.

NEW LADY PANTHER BASEBALL FIELD — Baseball Field is completed and is really looking good. It is located south of the tennis courts. The Lady Panthers will play the Lady Bearcats at the new field on Friday.

Jeannie, Sarah and Zelda visited in Eastland on Saturday with Dora Garrett, Ora Mae Jordan, Melva Jordan and Tammy Collins, Sabrina, Vanessa and Savannah of Olden who were visiting in the Melva Jordan home.

Rev. Jimmy and Maggie Nelson of Bowie visited on Sunday night and Monday with the Clifford Nelsons and Cassie Nelson. Jimmy preached in Merkel on Sunday.

Visitors with Delmon and Joyce Eaves last week were Deliah, Christopher and Jonathan Lewis of Ennis, Margaret and Preston Eaves of Mansfield, Clifford and Doris Graham of Monahans, and Phena Pierce of Wink.

Cindy, Kyle and Kayla Jordan of Portales, NM are visiting this week with Zelda Jordan and Bill and Glenda Priest and Wade and Sheri Daniell in Abilene while Kyle is on Spring break from school.

EPA Approves Herbicide Use

The U.S. Environmental Protection Agency has approved a specific exemption request by the Texas Department of Agriculture which allows farmers to use propazine to control weeds in fields planted with grain sorghum, Agriculture Commissioner Rick Perry said.

Propazine is found in Milo-Pro 4L Herbicide. The specific exemption became effective Friday, March 3 and expires Aug. 1.

The treatment is approved for use statewide, however, additional application restrictions apply in Mitchell and Runtel counties. Before applying the herbicide, farmers should contact their local county extension agents or dealers for information on proper application methods and restrictions.

Without the use of propazine, the state is sorghum crop could face a loss of \$50 million, according to TDA estimates. MEMORIAL

CARBON NEWS

Visitors at the First Baptist Church Sunday were Mr. and Mrs. Richard Frick of Longview. Richard led the song service and brought the special music. Other visitors were Candi Taylor, Caleb and Cady of Sonora and Nicole Forbus of Stephenville. They were visitors of Truman and Wanda Bryant.

Mr. and Mrs. Frick were weekend guest of Bro. Jim and Ann Poe.

Visiting with Coy and Jessie Mangum last week were Nelda McDaniel, Ruth Knowles, R. Lee McDaniel of Carbon, Ruth and Charlie Livingston of Cisco, Tonya and Andrew Mangum and Winfred and Alberta Sims of Ft. Worth.

John and La Tonne Rodgers visited in Graham last Friday with Kim and Wayne Cauthern, Julie Ann and Will.

John visited his mother Berniece Rodgers of Gorman Saturday.

Visiting with J.L., Mary and J.C. McDaniel last week were Betty Joyner, Jeremy and Travis of Austin, and Ken and Jan McDaniel of Athens and Jeff Hollister of Albany.

James Guy of Andrews spent the weekend with his parents J.F. and Siegel Guy. Dorothy Jackson visited with them also.

Billie Stacy and Ima Brown of Gorman were shopping in Abilene Saturday.

Kathryn Coburn of San Angelo spent last week with her mother Elizabeth Sandlin. Freddy and Chad Coburn came for the weekend. They along with the Jimmie Sandlin, the David Dales all enjoyed a fish fry on Saturday.

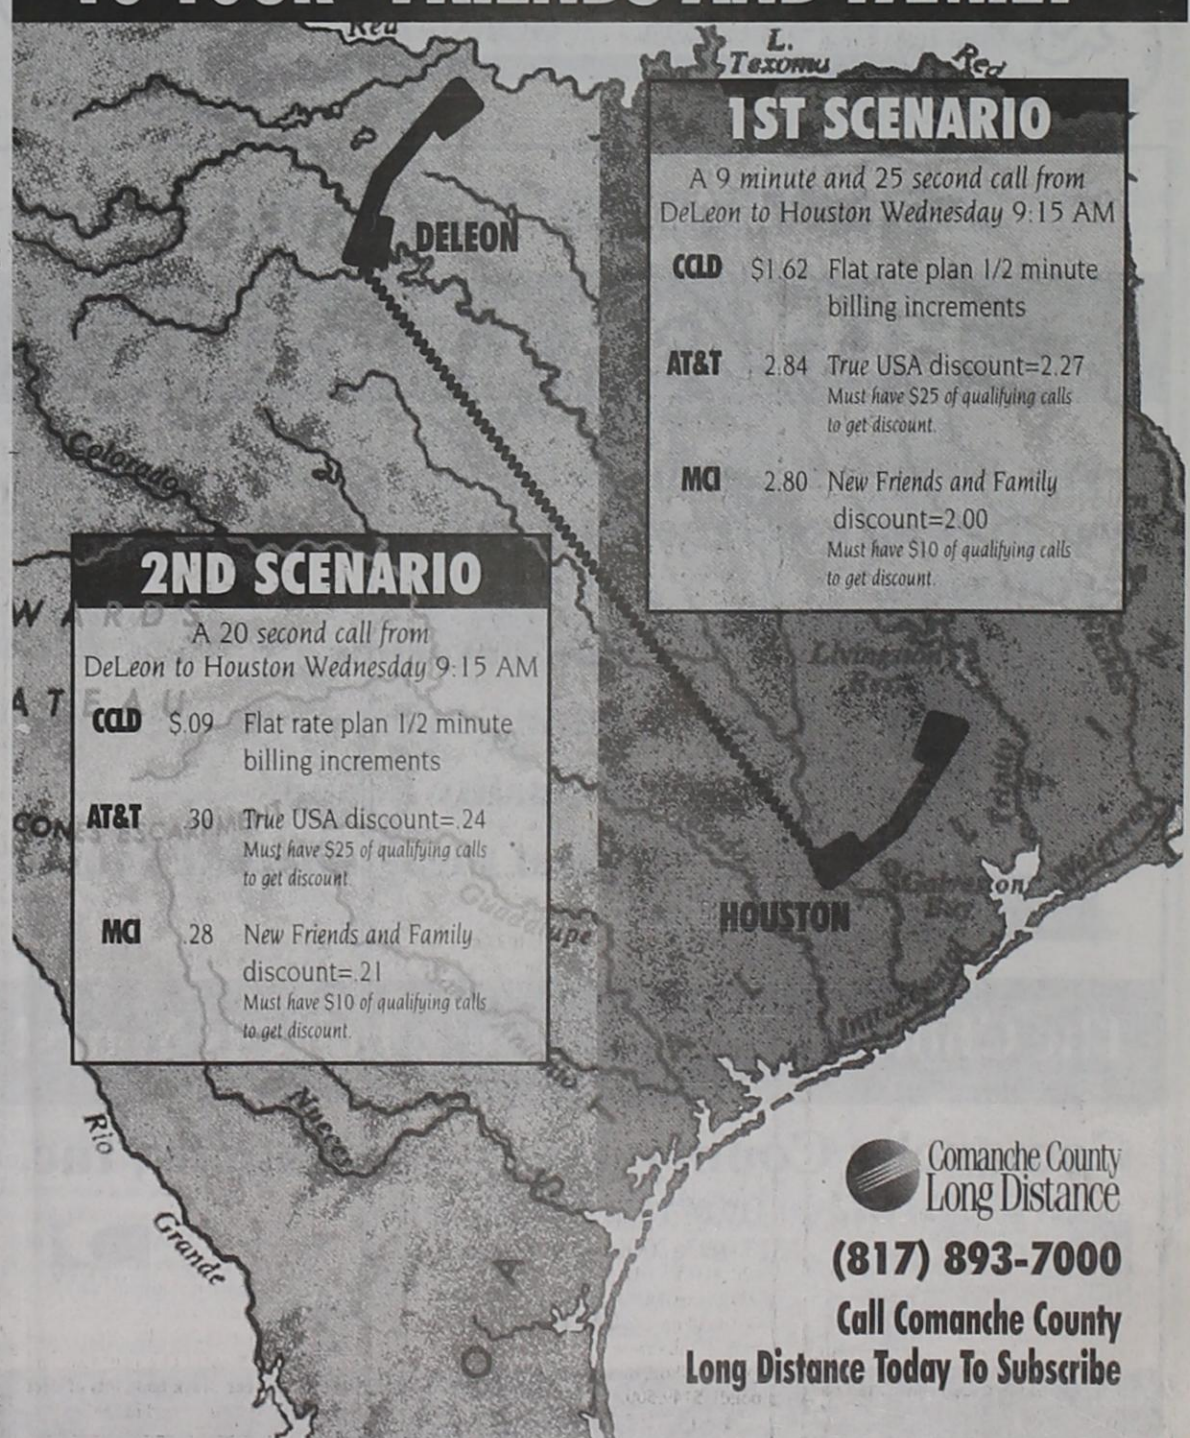

Visiting with Truman and Wanda Bryant over the weekend were Dwayne and Angie Clower of Pioneer, Tony and Wendy Forbus, Nicole and Jessica of Stephenville, Keith and Gayle Clower of Carbon and Phyllis and Vernon Wright of Eastland.

Our deepest sympathy goes to the Weldon Tankersley family of Morton Valley.

Weldon will be missed in Carbon as he had several farms around Carbon. Several from here attended the funeral services in Eastland last Wednesday afternoon.

MARCH - NATIONAL NUTRITION MONTH

Celebrate National Nutrition Month - Keep Nutritious Food Safe. Serving nutritious food that is safe for you and your family members is a real challenge. While the United States food supply is one of the safest in the world, nearly 30 million Americans suffer from some type of foodborne illness each year. Farmers, food processors, supermarkets and restaurants follow strict rules and regulations to help ensure safe and wholesome food for consumers. Government officials closely monitor them to ensure food safety practices as well. But what

happens to the food once taken from the grocery cart to the car and then on to the home. Most of the reported "bad food" and foodborne illnesses are due to bacterial contamination. And nearly all the cases can be linked to improper food handling, which means they could have been avoided.

Just how can you avoid mishandling of food at home. One of the best ways is to be aware of the ten most common food safety mistakes which are as follows:

- *countertop thawing
- *leftovers left out at room temperature
- *room-temperature marinating
- *barbecue blunders - same platter for raw and grilled meat
- *food left for too long of time period
- *tasting from stirring spoon
- *delay time in take-out food
- *same knife for trimming raw meat or chopping vegetables, and
- *hide and eat Easter eggs.

No better time exists than now to begin learning procedures to help prevent foodborne illness in the home. Contact your local County Extension Agent Janet Thomas, 629-2222 for more information on keeping food safe to eat and help you and your family to celebrate nutrition month with both nutritious as well as safe food.

Gorman Panthers Whip Cisco Lobos 10-0

The Gorman Panthers took on the Cisco Lobos, Tuesday, March 21. This was the home opener for the Panthers and they sent the crowd home happy with a winning score of 10-0.

The Panthers jumped out on top early and were never threatened. In the first inning, Jason Johnson led off with a single and score ahead of Don Mauney's second home run of the season. The Panthers continued the scoring with the help of three straight singles by Ronald Majors, Jerry Krause, and Donald Majors. At the end of the first inning Gorman led 6-0.

The Panthers added single runs in the second and third innings and then put the game away with two more runs in the fifth inning. Jerry Krause led off the fifth inning with a solo home run, his first of the season. Scott Scitern ended the contest with a bases loaded walk to score Nick Guthery. The game was called as the Panthers took a 10-0 victory in five innings.

"We had a lot of trouble hitting this year; so it was nice to see us break out. We pounded out 11 base hits so maybe we are starting to come around. We will need to continue hot at the plate if we are going to be successful in the upcoming Ranger Tournament."

The Panthers will start the tournament on Thursday with the Cisco Lobos.

Share Your Home As Host for Exchange Students

ASSE International Student Exchange Programs is a non-profit, public benefit organization seeking local host families for boys and girls from the Scandinavian countries, Germany, Italy, Great Britain, Holland, Spain, Mexico, France, Poland, Portugal, Japan, the Czech and Slovak Republics, Australia, New Zealand, and the former Soviet Union. Qualified students are well-screened, 15 to 18 years of age and arrive from their home country shortly before school begins and return at the end of the school year. Each ASSE student is fully insured, brings his or her own personal spending money and expects to bear his or her share of household responsibilities.

In addition to the satisfaction that comes from sharing the American lifestyle with an exchange student, an ASSE host family has an advantage by having a student live in their home who wishes to share their culture and customs with the host family and community. Therefore ASSE host families are exposed to a greater world perspective which provides a new appreciation for our country and community.

Host families may select their exchange student from ASSE's student applications which include biographical essays family photos, school transcripts and health records. To receive more information about this unique cultural opportunity, contact local Area Representative Eula Mears at 817/734-2517 or call toll free 1-800-473-0696.

Be Aware Of Poisons At Home And At Work

Many people think of poisoning as a "kid's problem", but adults also need protection from accidental poisonings. Poison protection is simple if adults are aware of poison hazards that are present in their home or workplace.

Three of the most common causes of poison are medications, occupational hazards, and pesticides. "Being mindful of the following precautions can save a life," says Laura Vaughn, coordinator of the Texas Poison Center Network at Amarillo. These reminders are offered during observation of National Poison Prevention Week, March 19-25.

Medications
Always read labels; - Do not borrow or loan prescribed medicines; - Throw out old or expired medications; - Keep your doctor informed of both prescription and non-prescription medications you are taking; - Check with your pharmacist, physician, or the poison center if you are taking two or more medications at the same time; - Never take more than the prescribed amount of any medication; - Use child resistant containers.

Occupational Hazards
Be aware of any chemicals around your workplace and safety precautions needed when working with them; - Make sure you know the safety procedures for your work site and what to do in case of an emergency; - Always wear safety equipment when necessary on the job site and follow instructions for washup.

Pesticides
Always read and follow directions and warnings before using a product; - Keep products in their original containers; - Never mix products or chemicals; - Remember that using twice the amount of chemical does not mean that you will gain twice the benefit; - Dispose of toxic chemicals properly. Contact the health department in your area if unsure about safe disposal.

If you suspect a poisoning or want poison or drug information, call the Texas Poison Center Network at Amarillo at 1800-764-7661.

Letter to Editor

As a registered voter and a proud supporter of Gorman I.S.D., I am deeply concerned with the possible misuse of power that may be occurring in the Gorman public school system. On Monday, March 13, one of the schools most successful coaches was dismissed of his athletic duties.

What grounds was this dismissal based? It has been said that he was dismissed because he "lost his temper" on a couple of occasions. If this is so, I do not know of a coach that this would not apply to at one time or another. On several occasions I have witnessed other coaches within our school system "loose their temper". Why weren't these coaches also dismissed? It has also been speculated that personal reasons between some of the administrators and the coach led to the dismissal. If this is the case then the time is right to elect some new board members, some members that can look at a persons record objectively, and not allow their personal feelings dictate their decision.

I say these things, because obviously, the coaches distinguished record was not taken into account. Since this coach arrived six years ago he has been assigned to various duties, including football, basketball, track, and baseball, and had done the best job that anyone could expect.

In football he was assigned the duties of head junior high and J.V. as well as an assistant coach in varsity. During the six seasons as the head junior high coach he compiled a record of 32 wins and 18 losses, and this past season he led his team to a 7 win and 1 loss record. As a head J.V. coach he has a 1-1 record. In his season as an assistant varsity coach he was responsible for backs, secondary, and defensive ends. During his six seasons as the assistant coach the Panthers have won 38 and lost 28, and have made the playoffs four out of six years.

While coaching basketball he was assigned the duties of head junior high and assistant varsity coach. As the head junior high coach he led his Cubs to a record of 54 wins and 39 losses, and as the assistant varsity coach the Panthers made the playoffs four years.

His duties as a track coach lasted from 1989-1991 and he served as the head junior high and J.V. as well as the assistant varsity. During this time he helped lead the Panthers to 1 district championship.

Finally, his record as the head varsity baseball coach (92-present), as well as his position of assistant varsity coach (89-91) is very distinguishable. As the head coach he has led the Panthers to a 35-16 record, taking his team to the playoffs both years and earning a state tournament birth in his second season. As an assistant coach he helped the Panthers make the playoffs three years earning a state tournament birth one year and as regional finalist the other two.

I believe that his record alone shows that there was a great mistake made when this coach was relieved of his duties. If you agree, ask around, get involved, find out the real reason for his dismissal, and vote accordingly in the elections on Saturday, May 6.

Coach: Eddie Pettit

Letter to Editor

Gorman is very fortunate to have a devoted and knowledgeable baseball coach like Eddie Pettit.

One can easily see how the boys respond to him with attentive anticipation. It is very hard to reach some students and Eddie Pettit has a way of getting them motivated when others cannot. On the baseball team, both coach and players work together toward the same goals. It's obvious the respect that is exchanged between them. This is a key element every quality team must possess in order to be successful.

It is breathtaking to watch this team perform! One can see, the students skillfully reacting with knowledge and ability they've acquired from their coach. After each accomplishment his proud approving face or pat on the back makes

4-H Monthly Meeting

The Gorman 4-H Club met Monday, March 20th for their monthly meeting. There were 13 members and 7 parents present.

The County 4-H Fashion Show was discussed. The Gorman Club will host the event March 27 at 5:00 in the Carbon Community Center. All visitors and volunteer help welcome.

The program was presented by Olden 4-H member Tommy Seay who recited several cowboy poems. The program was followed by recreation and refreshments.

The next meeting will be Monday, April 10.

FHA Members Attend Conference in San Angelo

FHA Members who attended the Region II FHA meeting in San Angelo are shown holding the FHA banner they won in a drawing at the meeting. Not pictured is Amparo Madera.

FHA members attended the Region II Conference held in San Angelo on February 24-25. Attending were Lisa Rainey, Amanda Howard, Claudia Ibarra, Rosie Kennedy, Sarah Reeves, Samantha Stephens, Janice Glover, and Amparo Madera. They were accompanied by their sponsor, Ellen Gressett and Jennifer Gressett.

The delegates were busy helping Amparo Madera, Region II Vice-President of Parliamentary Law, Gorman's regional officer, conduct the business meeting.

Three members competed in the Star Event Contest, Focus on Children. Samantha Stephens, Janice Glover, and Sarah Reeves won first place in their division. They will compete at State Level in April. We are very proud of all the hard work they have done on their children's project.

Congratulations to Amparo Madera for completing her year as regional officer. She did a good job of carrying out her responsibilities and represented Gorman well. Thanks for a job well done!

FHA MEMBERS CELEBRATE 50 YEARS — Future Homemakers of America is celebrating its 50th Anniversary during the 1994-1995 school year. The Gorman Chapter held a birthday party during FHA Week February 12-18. Members made a decorated a large birthday cake assisted by Angela Buckley. All high school students and faculty were invited for cake and punch. Future Homemakers of America is a youth organization which has the family as its central focus.
