THE GORMAN PROGRESS, Eastland Co., TEXAS 76454

JANUARY 18, 1973

NUMBER FORTY-EIGHT

OFF TO MEXICO — Willie Pino, left, discusses his journey to Monterrey, Mexico with his grandfather, Alfonso E. Pino, Sr.

Willie Pino Enters Medical School

Willie Pino, son of Dr. and Mrs. A. E. Pino, entered the University of Monterrey Medical School in Monterrey, Mexico on January 6th. Willie attended Midwestern University in Wichita Falls and Tarleton State College in Stephenville.

For the past year, while attending Tarleton, he has assisted his grandfather Alfonso E. Pino, Sr., in the physical and inhalation therapy at Blackwell Clinic.

Mrs. A. E. Pino accompanied her son to Monterrey, along with friends from Meridian, Miss., who were investigating the medical school for their son. Mrs. Pino returned home on Friday after being stranded in San Antonio on Wednesday due to the inclement weather.

LOOK WHO'S NEW

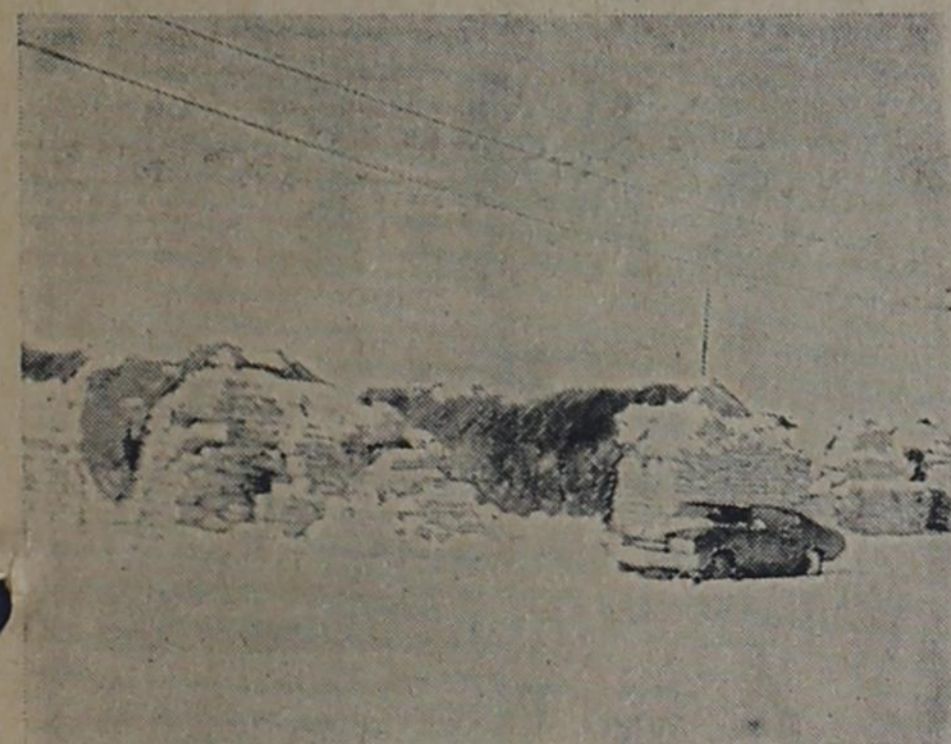

Mr. and Mrs. Tommy Wayne Broom proudly announce the arrival of their daughter, Kimberly Ann, born January 15, 1973 at 7:40 p. m. in Blackwell Hospital. She weighed seven pounds and six and one-half ounces.

Paternal grandparents are Mr. and Mrs. Tom L. Broom of Gorman and the maternal grandparents are Mr. and Mrs. Ray Jones of Gorman. Mrs. Izzetta Blackshear and Mrs. Burma Hickey of Gorman are great-grandmothers.

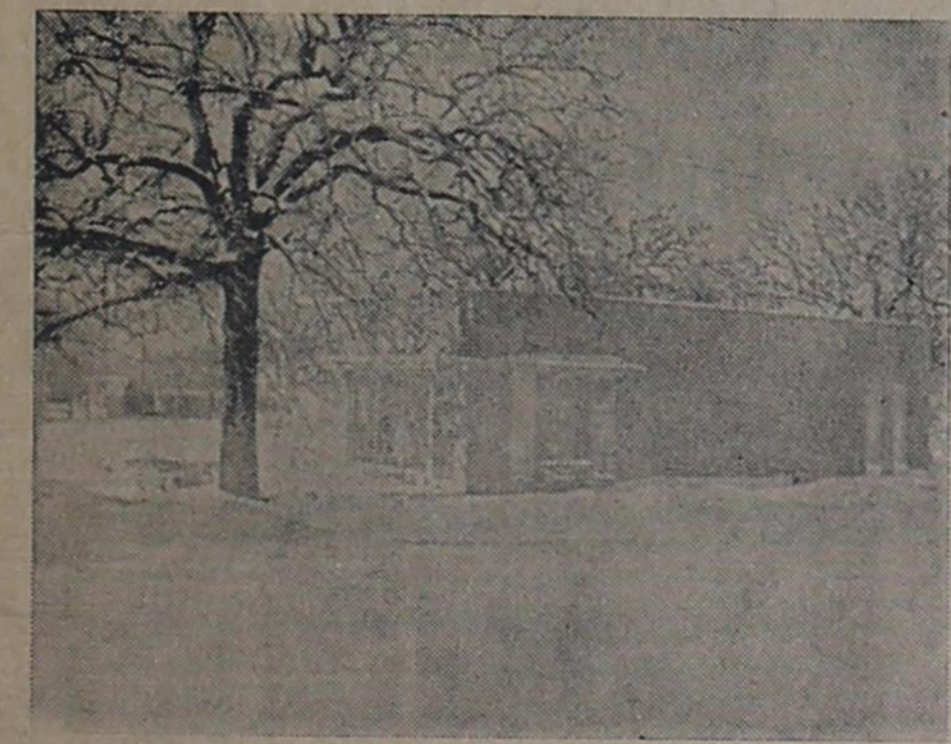

MM2 CHARLES RICE ASSIGNED TO USS SPADEFISH IN VA.

MM2 Charles J. Rice has been assigned to the U. S. S. Spadefish, a nuclear submarine, with home port in Norfolk, Va.

Rice is the son of Mr. and Mrs. John H. Rice of Gorman. His wife, the former Maudine Aston, will reside in Abilene for the present. They also have a son, Jeffrey, who celebrated his first birthday recently.

HULL OF A LOT OF HULLS — Gorman's seven inch snow last week highlighted a few of the stacks of peanut hulls which were purchased by Gorman Milling Company.

WAITING FOR THAW — Opening date for the new Texas Electric Service Company office, now under construction, will be delayed by the snow and freeze that has hampered workmen for the past two weeks. Mid-February was the scheduled time for the completion of the building.

County's 100th Birthday Party Plans Underway

Eastland County Centennial Corporation is a reality and is flying!

That's the official word following the first director's meeting held Friday, following official incorporation by Secretary of State Bob Bullock. The charter for Eastland County's non-profit celebration is dated Dec. 18, 1972, and marks the initial point for staging the elaborate event.

Meeting at mid-morning at Eastland National Bank, directors elected the corporate officers as follows: Grover Hallmark, president; H. V. O'Brien, vice president; Tommy Wofford, secretary; and Wendell Armstrong, treasurer.

Monroe Rollins, executive director and general manager, reports most committee slots filled and plans developing for the spectacular celebration which will climax in May. Volunteer workers are busy with all kinds of plans.

Good participation is already evident in every area of the county, with increased activity anticipated as the period draws nearer, the Advisory Committee reports. County Judge Scott Bailey is chairman and each mayor in the county makes up the Advisory Board. They are: W. C. "Check" Smith, Gorman; C. M. Carroll, Rising Star; W. J. Van Bibber, Ranger; Doug Fry, Cisco; Durel Reid, Eastland; D. D. Sandlin, Carbon; Jim Everett, Olden; and L. E. Clark, Desdemona.

Publicity Chairman Carl Garrett asks that it be reported that the staging of the 100th birthday celebration will not require an assessment of any kind, and added, "we'll certainly be making a plea for participation by everyone in the county." Financing will be through the sale of attractive, multi-color Souvenir Stock Certificates (to be available immediately by volunteer workers); sale of souvenir items; and the spectaculars to be presented in May.

Approval For Project Sanguine Announced

WASHINGTON, D. C. — Congressmen Omar Burleson and O. C. Fisher issued a joint announcement today that the Secretary of Defense has approved a request from the Secretary of the Navy to proceed with further research and development on Project Sanguine. In announcing this decision it was stated that while a final decision on whether to build this operational system will not be made until about 1976, it has been directed that the Navy concentrate on Texas for their planning for initial construction.

In past months the Department of the Navy had indicated its interest in portions of McCulloch, San Saba, Mason, Llano and Burnet Counties as a possible site for this extremely low frequency communications system. This area has been considered because of the low conductivity substrata which underlies the area, essential to efficient and economical operation of such a system.

Sgt. and Mrs. Dewey Darley of Ft. Belvoir, Va. returned home last Sunday following a weeks visit with her parents, Mr. and Mrs. M. E. Foster. They were accompanied to Love Field Sunday by Mr. and Mrs. Foster. The Fosters remained in Fort Worth for an overnight visit with another daughter, Mr. and Mrs. Gary Overstreet.

Mrs. James Mears spent the weekend in Seminole with Mr. and Mrs. J. D. Mutschler and attended the wedding shower of Mrs. Bill Mears Saturday night.

Sister of O. R. Buchanan Laid To Rest Monday

Mrs. Opal D. Jones, 60, of Rising Star, died at 10 p. m. Saturday, January 13, 1973 in Lawndale Home following an extended illness.

Funeral services were held at 2:30 p. m. Monday in the Higginbotham Funeral Home Chapel in Rising Star with the Rev. Monte Mills, pastor of the Rising Star First Baptist Church, officiating. Burial was in the Rising Star Cemetery.

Born June 15, 1912, in Rising Star, she had lived there most of her life. She married James Jones Jan. 12, 1946, in Pampa, and he died in 1966. She was a member of the First Baptist Church and the Order of the Eastern Star.

Survivors are three brothers, Olney Buchanan of Gorman, Alton of Rising Star and Clifford of Pampa; two sisters, Mrs. Lila Jarrett of Rising Star and Mrs. Olive Head of Pampa; two nephews and one niece.

Mrs. Q. Wright Honored With Wedding Shower

Mrs. Quintin Wright, the former Becki White, was honored with a wedding shower Saturday, January 13 from 7 to 9 p. m. in the home of Mrs. Bid Hallmark.

Receiving guests with the honoree were the bride's mother, Mrs. Albert White, and her mother-in-law, Mrs. A. E. Wright.

The bride's chosen colors of red and white were used on the serving table covered with a red cloth overlaid with white lace. Centerpiece was red and white carnations in a milk glass vase. Cake squares were decorated with red rosebuds. Appointments were of crystal and silver.

Members of the house party were Debra Smith and Beth White.

Co-hostesses were Mesdames Ray Williams, Ray Rankin, Joe Ed Baze, Bill Garrett, Mary Jones, Bill Eaves, Charles Duran, Graydon Baze, Bruce Hirst, and Travis Smith.

Special guests were grandmothers, Mrs. Lonnie Capers of Gorman and Mrs. Ara Jordan of Fort Worth, and Mr. and Mrs. Jackie Fullinwider of Fort Worth and Mrs. Terry Wright of Gorman.

Mrs. Jackie Grice Pink and Blue Shower Honoree

Mrs. Jackie Grice was honored with a pink and blue shower on January 6th in the home of Mrs. Dennis Frasier.

Co-hosting the party were Mesdames R. C. Ashworth, Ray Williams, G. E. Bennett, J. E. Lawrence, John West, Randy Rainey, Robert Redman, J. S. Ripley, D. O. Munn Leslie Sharp, and Jim Tom Garrett.

A stork centerpiece was used on the serving table, with matching tablecloth and napkins. The white cake was decorated with pink and blue baby rattlers.

Special guests were the honoree's mother, Mrs. J. W. Brown, and her mother-in-law, Mrs. Elroy Smith.

Mr. and Mrs. Tommy Clark of Kyle visited over the weekend with their parents, Mr. and Mrs. Bo Hood and D. R. Clark.

Ernest Bennett of Weatherford visited Sunday with Bill Clark, and his grandmother, Mrs. Ruby Bennett.

Mr. and Mrs. Joe Lynn Bennett of Odessa and Mr. and Mrs. L. A. Bennett of Eastland visited with Mrs. Ruby Bennett and the Joe Bennetts on Sunday.

Snow and Ice Storm Worst Since 1947

Snow and icy winter weather held the Gorman area and all surrounding areas in its icy grip from Wednesday night, January 10th through Saturday morning, January 13th. Snow up to nine inches was reported in the city. The largest amount recorded since 1947.

Schools were closed Thursday and Friday. Make-up days have not been set according to superintendent C. L. Garrett.

The slight thawing on Thursday and Friday. Make-up days have not been set according to superintendent C. L. Garrett.

All business houses remained open and motorists kept their driving to the slow momentum. There was a lot of sliding around, but no serious mishaps were reported.

Locals agree that the city employees earned their pay during the week-long freezing temperatures when they were repairing the six man water line breaks that occurred during the freeze. They labored from early morning to as late as 9:30 p. m. to keep the city water supply adequate. The heater loaned them from Gorman Peanuts was a great help as well as those who offered assistance in bringing coffee to the workers.

The local plumbers have also been quite busy since the thaw requiring bursted water lines and other plumbing facilities.

Cooperation Can Aid Rural Waste Disposal

COLLEGE STATION — A little cooperation between rural communities can lower costs and improve the quality of an age old problem—garbage collection and disposal. According to J. Patrick Hall and Dr. Lonnie Jones, two economists with the Texas Agricultural Experiment Station, rural communities, where possible, should share the costs of solid waste disposal because of the added benefits. Most of the disposal methods used by smaller towns in Texas do not meet the minimum legal requirements laid down by recent laws. Improving the disposal system would raise the costs unreasonably, perhaps as high as \$15 per person annually.

But by getting together, rural communities could afford to keep their charges for the services down and still offer good and legal garbage disposal. Costs of the improved system would be spread over the larger population of the combined communities and mean less cost per person.

These multi-community systems would face certain costs such as increased transportation and building rural collection containers or transfer stations, but these would be more than offset by the economies and efficiencies in serving the larger population.

Typical costs for a community with a population between 1,500 and 3,000 may run as high as \$15 a year per person. By several of these smaller communities cooperating until their combined population reached about 9,000 costs would be lowered to about \$8. An actual average cost for Texas communities between 6,000-7,000 population was \$9.32 per person each year.

In addition to lower costs to the taxpayer, improved service quality also results as the additional revenue allows the operation to expand.

Hall is a research assistant and Jones an assistant professor in the Department of Agricultural Economics and Rural Sociology at Texas A&M University.

GORMAN CAGERS NOW 3-0 IN 24-B - TO PLAY RIS. STAR

The Gorman Panthers and Pantherettes continued their winning ways in District 24-B by defeating the Moran teams Monday night in Moran.

Scoring an overwhelming 35 points in the fourth quarter, the Panthers raced to a 98-81 District 24-B basketball victory.

Kenneth Butler scored 30 points for Gorman while team mates David Porter added 23, Kris Brown 18, Kelly Henderson 15, Bill Baze, 11, and Van Stacy 1.

Roger Tonne scored a game high 36 points in a vain Moran effort.

The Pantherettes outscored the Moran girls by the score of 52-34 to remain atop the 24-B District race.

Krista Henderson led the Pantherettes with 22 points. Patty Hirst had 16, Vicki Hallmark, 10, and Charlene Self, 4.

Boyd led the Moran girls with 20 points, Dennis hit for 4, Wagley 4, and Hayes 6.

FHA Style Show Set January 23

The Gorman Future Homemakers of America Chapter's annual style show, which was scheduled for December 12th, has been re-scheduled for Tuesday, January 23rd at 6:00 p. m. in the High School Auditorium.

Admission will be 25c. Free refreshments will be served following the parade of fashions.

The fashion show will be over in time for all of those who wish to attend the Junior High basketball game scheduled a 6:30 p. m. Tuesday.

School Menu

Following is the menu list for the Gorman School Lunchroom for the week of January 22-26:

Monday — Burritos and chili, lettuce and tomato salad milk, bread and strawberry cake.

Tuesday — Meat loaf, green beans, creamed potatoes, hot

GORMAN CAGERS WIN OVER PUTNAM

The Gorman Panthers defeated the Putnam Panthers here Saturday night to make their District 24-B standing read 2-0 by the score of 67-47 in a make-up game.

Kenneth Butler led Gorman with 26 points. Brown scored 17, Baze 8, Porter 7, Henderson 5, and Stacy and Dean Weldon 2 each.

Buddy Waddell and Ken Chapman each scored 8 to lead Putnam. Billy Jobe and Jimmy Wheeler each had 6, Ivan Hurley 5, Buford Green 4, Daryl Green 4, Jerry Nettles 3, David Eisenhower 2, and Larry Chapman 1.

In the girls game the Pantherettes remained undefeated in 24-B with an overwhelming 82-33 victory over Putnam.

Krista Henderson scored 30 to lead Gorman. Hallmark hit for 23, Hirst 16, Self 11, and Kerrie Jolley 2.

Delores Arnold led Putnam with 23 points.

Outstanding performances by the starting Gorman guards, Christie Duran, Karen Moore and Phyllis Guthery held the Moran offense down. They were ably assisted by the reserve guards Vicki Harvey, Annette Jackson, Sha Rogers, Kathy Ripley, Joetta Bennett and Rebecca Parker. The Gorman cagers will have an open date this Thursday night.

MAKE-UP GAME SET SAT. NIGHT - RISING STAR

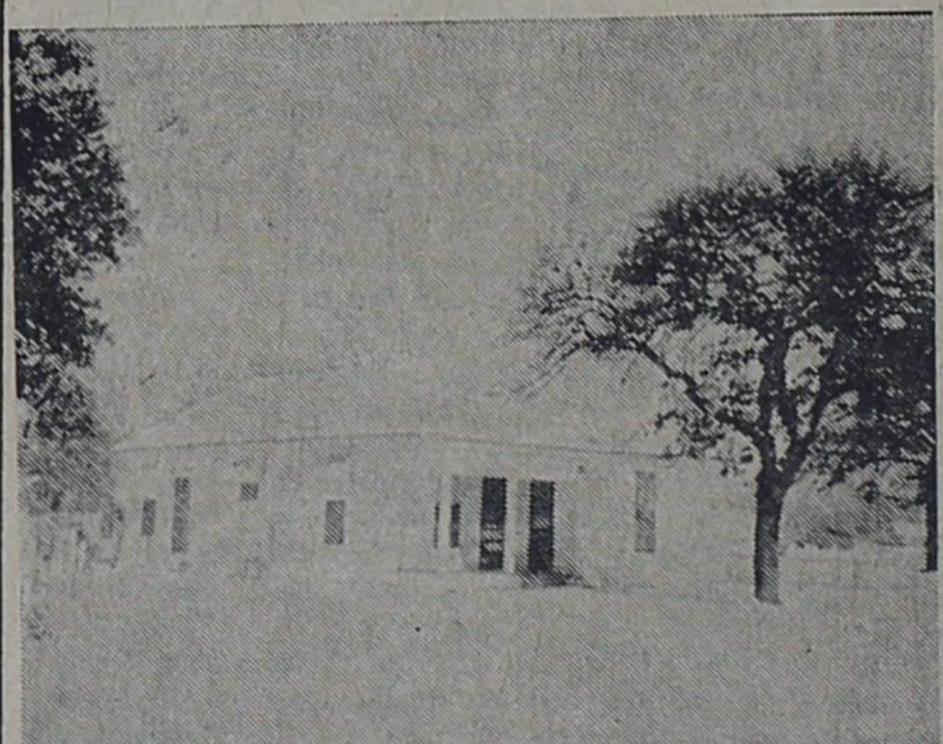

A make-up game, which was cancelled due to the bad weather last week has been rescheduled for Saturday beginning at 5:30 p. m. at the Rising Star gym. The B boys will play the first game, followed by the A girls and the A boys.

rolls, milk, and pineapple cake.

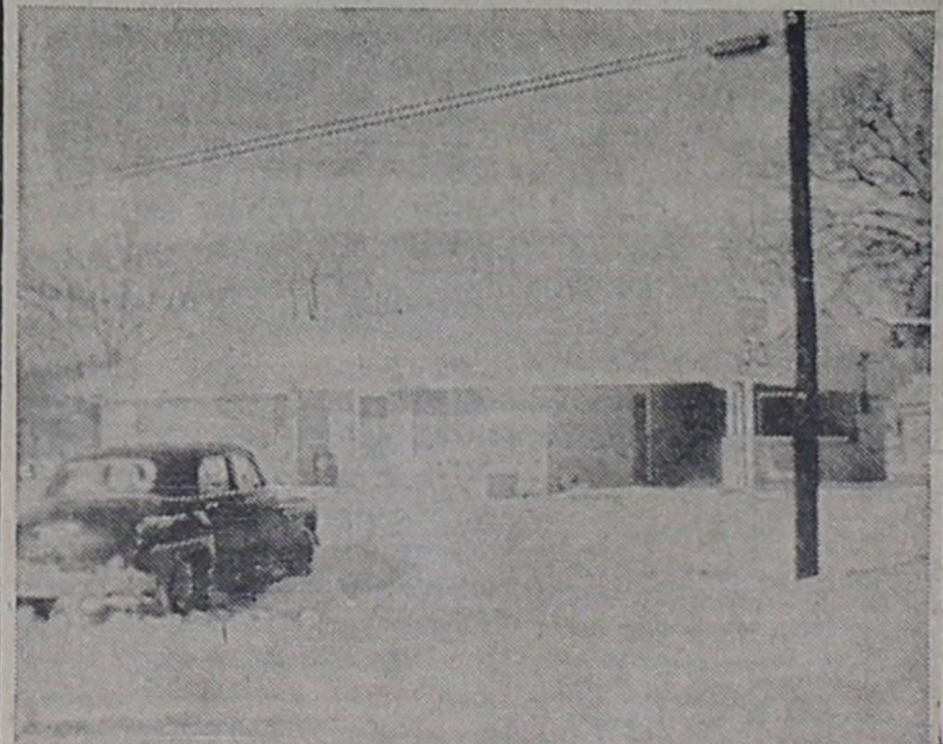

Wednesday — Pinto beans, mixed greens, buttered corn, hot cornbread, milk, and apricot cobbler.

Thursday — Barbecue, potatoes, blackeyed peas, salad, hot rolls, milk and cake.

Friday — Turkey salad sandwiches, vegetable soup, potato chips, milk, bread and Jello and cookies.

GOOD FOR GARDENS — Scene of Mrs. Allie George home. Mrs. George is well known for her garden spot facing Hwy. 6. The garden spot will be filled with green beans and peas come spring.

LATE DELIVERIES — D. O. Munn "snow bound" in front of his home. Heavy snows curtailed business for several hours but most folks took it in their stride and "business as usual" was noted before the day passed.

City Receives Revenue Share Check For \$2,994

Early this week the City of Gorman received the Federal Revenue Sharing check for the second half of 1972.

Gorman's check for the second half was \$2,994.00, and according to city secretary, Mrs. Mozelle Rhymes, with the first half check for \$3,120, this brings the city's total for the year to \$6,114.00.

City officials have not yet decided how to spend the revenue shares. They are still studying the guidelines of the program before making their decision.

City Sales Tax Nets \$3,198.44

City Secretary, Mrs. Mozelle Rhymes, reported this week that the City of Gorman had received a check from the State of Texas in the amount of \$3,198.44, representing the local 1 percent sales tax on retail sales during July, August and September of 1972.

The sales revenue taxes come each quarter from Austin and is relayed into the city funds for use in financing the city.

MRS. LOUISE LANDERS NEW ADM. OF SOUTH PLAINS HOSPITAL

Mrs. Louise Landers of Amherst has been named administrator of South Plains Hospital and Clinic in Amherst. The announcement came following the retirement of Floyd G. Rowell effective December 1st. Rowell has served in this position seven years.

Mrs. Landers is the daughter of Mrs. J. C. Seaton and sister of Lester Seaton of Gorman.

An employee of the hospital for the past eight years, she and her husband, Eddie, have three daughters and have resided in Amherst since 1961. Landers is employed by Santa Fe, now of Sudan and previously in Amherst, and has worked for them for 25 years.

Their daughters include Debbie, a pharmacist student at Southwestern State in Weatherford, Okla.; Lisa, a senior at Amherst High School; and Tanoa, a fifth grader in Amherst Schools.

ITEMS OF INTEREST

The regular third Sunday Singing at the Congregational Methodist Church will not be held here this Sunday, but will be held in Bethel Baptist Church in Eastland. It is the Eastland County Singing Convention and will begin at 1:00 p. m. on Sunday, January 21. All area singers and those who enjoy hearing good singing are invited to attend.

The Young Homemakers will meet Thursday, January 18 at 7:00 p. m. in the Home Ec Cottage. This is the regular meeting that was scheduled for January 11, but was cancelled due to the inclement weather. Members are requested to bring a salad for the salad supper.

Singing at Rock Bluff will be held Saturday night, January 20th.

The Social Security Representative will be in Gorman Thursday, January 18 at 10 a. m. at the City Office.

The regular monthly musical at the Desdemona Community Center will be held Saturday night, January 20. zPdGJB Mq-i:ab

Cub Scouts of Den 1 Pack 38 meets each Tuesday from 4:30 to 5:30 p. m. at the Fire Hall.

NEW HOPE NEWS

By Mrs. Gerald Scitern

As usual I'm getting a late start in the new year.

James Campbell had the misfortune of sticking a wire in his eye while helping feed the cows recently. He spent several days in the hospital in Jacksboro. I'm happy to report that he is regaining his eyesight back fairly well. I want to wish him continued improvement. James is the son of Mr. and Mrs. Lane Campbell.

Visiting the Lane Campbells were Mr. and Mrs. Ernest Weaver, Mr. and Mrs. Truitt Coffman, and Mr. and Mrs. Orval Treadway.

Mr. and Mrs. Orval Treadway visited in Eastland on Sunday with Mr. and Mrs. Butch Boyd and girls and Mr. and Mrs. Oscar Treadway.

Visiting in the Treadway home were Mr. and Mrs. Alvis Scitern and Mr. and Mrs. Ernest Weaver, Mr. and Mrs. Butch Boyd and girls and Mr. and Mrs. Oscar Treadway.

Mrs. Alvis Scitern and Mrs. Gerald Scitern and girls visited Mrs. Cecil Self and Mrs. Troy Wilcoxson and Jeffery.

Jo and Kelly Branch visited in Stamford with her mother, Mrs. West.

Visiting the Alvis Sciterns were Mrs. J. E. Daniels, Wanda and Gaylon Kimmell of Gorman, the Gerald Sciterns, the Glenn Sciterns and the Otis Jordans of Eastland.

FOR SALE - 1969 Ford pickup, V-8, automatic transmission, air conditioned. Good condition. Roger George, Phone 893-2106, De Leon. 1-18-fnc

REA 2 Percent Loan Eliminated

On December 29, 1972, the U. S. Department of Agriculture announced that the R. E. A. electric and telephone 2 percent direct loan programs are being eliminated, to be replaced by credit from private sources insured and guaranteed by the government. These loans will be at a 5 percent rate - 2 1/2 times the present cost.

Bill Parks, Manager of the Comanche County Electric Cooperative, reports that their annual loan needs are approximately \$350,000 now, and so over a period of a few years, the increased interest cost will become an important factor in operating costs. This, along with increased wholesale power costs, will sooner or later, mean higher retail rates.

It is too early as yet to predict the final outcome of these steps. There is a sense of real concern among rural and farm leaders and much planning and discussion is taking place in an effort to arrive at the best approach to solving the problems and to possibly securing reconsideration on the part of the administration.

Rural electric leaders feel that more consideration should be given to restoring the 2 percent loan funds, because of the fact that the Cooperatives still provide service to new home anywhere in their territories at standard rates. The Co-ops have been complimented many times for the part they have played in developing rural America, enabling rural residents to have first class living conditions, and contributing heavily to our food production capabilities.

The problem of bringing electricity to the rural areas at approximately the same prices as urban areas are already quite heavy and this change would add another - making some Co-op's operations almost impossible.

Hearing Tests Are Important

If you have a hearing problem of any kind you owe it to yourself to have an Electronic Hearing test made to find out what can be done to help you before it is too late. The tests are free and will only take about 20 minutes of your time. We check your ears for packed wax, the tubes that let your ears breathe, then with the machine we check your hearing nerve, (bone reading air conduction, (outside sounds) then measure how much sound the ear will take. We can pinpoint your problem and explain in plain English what can be done to help you then you make your own decision. We never try to high pressure you into buying anything. There are thousands of people today suffering from hard of hearingness, (ever some that wear Hearing Aids) just because they waited too late to do something about it. . . . don't let this happen to you.

Mr. Joe Treadway will hold his regular Hearing Aid Workshop at the City Library at City Hall in De Leon on Monday, January 22 from 10:30 A.M. til noon. We invite you to come in for your free test

We do repair service on most makes of Aids, and have a full service on cleaning, tubes, batteries for your Aid, and can always save Mr. Treadway your money. We are Licensed by the State of Texas to fit and Dispensing of Hearing Aids. We are always close by when you need us. We are in the Stephenville office, (Skipper Real Estate Bldg.) every Thursday, and in the Hamilton office every Friday to run special tests and assist you in every way.

TEXAS PRESS ASSOCIATION

AUSTIN - The State Board of Insurance had good news for homeowners as the new year turned.

Insurance rate cuts which will total an estimated \$25 million a year in savings for coverage on dwellings were ordered effective January 1.

Gov. Preston Smith commended the Board and claimed that debate on insurance rating issues during the special legislation session he called last fall figured in the reductions.

Board members first announced these reductions for extended coverage and homeowners' package policies:

North-northwest territory - 30 percent for extended cov-

erage and 20 percent homeowners' policies.

Central inland area - eight percent and seven percent.

Seacoast "first tier" counties - 18 percent and 10 percent less.

Announcement of the first reductions were followed three days later by fire rate cuts for dwellings.

The statewide fire rate slashes amount to 12 percent for brick veneer, asbestos and stucco houses and nine percent for frame dwellings. A three percent increase was directed for all brick dwellings, but the Board noted this category accounts for only two percent of Texas housing.

Henry Hudson, discoverer of the Hudson River, was cast adrift in a small boat by a mutinous crew and was never seen again.

KOKOMO NEWS

By MRS. GLENN JORDAN

Visitors at the Kokomo Baptist Church on Sunday morning were Mr. and Mrs. Daniels, Mrs. Wanda Kimmell and Gailon and Mrs. D. B. Warren and Wayne Warren of Gorman.

Sunday night visitors were Mr. and Mrs. Roy Webster of Rogers, Ark. The Websters are the owners of the House of Webster in Eastland and the employer of Jimmy Little. They gave very generously to the building fund of the church when it was under construction, and it was indeed a pleasure to have them visit with us.

Teresa Fields, Youth Leader of Kokomo Baptist Church, attended the Cisco Baptist Association Youth Rally at the First Baptist Church at Ranger on Saturday night. Mr. Richard Naughtall of Stephenville accompanied her.

Those from the Kokomo

Baptist Church taking part in the service at the Lawndale Home for Senior Citizens on Sunday afternoon were Rev. Joe O'Neal, Mr. and Mrs. J. C. Clearman, Mrs. Albert Hendricks, Mrs. Hazel Snider and LaVon Snider. Others helping were Mrs. W. A. O'Neal and Mrs. M. H. Fairbetter of Gorman. Our appreciation to Mrs. Fairbetter for being our guest pianist.

Mr. and Mrs. Albert Hendricks visited with Mrs. Don Brumbelow, Sherry and Cynthia in De Leon on Wednesday.

Mr. and Mrs. Jim Jordan, Mr. and Mrs. Vern Garrett and Mr. and Mrs. Jim Bennett were in Eastland on Sunday to help their brother, Mr. O. A. Jordan, celebrate his birthday. Mrs. O. A. Jordan was hostess for the occasion in their home.

Reports are that Horace Browning is improving a little but is still in the hospital at Eastland. We wish him continued improvement.

Mr. Euell Allison, who suf-

fered a heart attack some time back, is reported to be improving at his home and is able to be up most of the time now. We also wish him continued improvement and recovery.

Mr. and Mrs. Jesse Crow of Farmington, N. M. are visiting with relatives, Mr. and Mrs. Henry Lovell and Mr. and Mrs. Mike Morgan in Carbon, and Mr. and Mrs. Euell Allison and Alice Ann and Mr. and Mrs. Bill Brown and Kris.

Mr. and Mrs. Claude Fuller and Ricky and Mr. and Mrs. Glenn Jordan were recent supper guests in the home of Mr. and Mrs. Bill Brown and Kris.

Miss Nan Clayton of Lamesa spent the weekend with her aunt and uncle, Mr. and Mrs. J. L. Morrow. He was in Fort Worth on Monday to register at TCU and then returned to the Morrrows this week to visit until Thursday.

Christi Fuller, Teresa Fields, Bobby Eaves, Danny Snider and Teddy Jordan returned

WASHINGTON

"As it looks from here"

OMAR BURLESON
Congressman
17th District

WASHINGTON, D. C. — IN AN EFFORT TO TAKE SOME OF THE SURPRISES and shock out of scientific developments suddenly sprung on the Congress requiring legislation, an Office of Technology Assessment was created in 1972.

INCREASINGLY THERE IS CONFUSION, MISUNDERSTANDING AND UNCERTAINTY about leaps in science leading to plunges into legislation before enough is understood about the problem and how to treat it.

A CASE IN POINT ARE THE SIDE EFFECTS OF ELIMINATING AIR POLLUTION from automobiles by 1975. For a starter, the price will probably be about \$300 more than this year. The expense of the emission control hardware does not stop there.

THE GAS BILL IS GOING TO CLIMB BECAUSE OF INCREASED COST OF PRODUCTION and increased consumption by the system, which is required to be in operation by the end of the

to their studies at Tarleton State College this week.

Michael Fields of Cisco is visiting with his father, Mr. Joe Fields, and his grandparents, Mr. and Mrs. Vernon Fields, and Lindell this week.

Mrs. David Willoughby, Darren and Kristen of Eastland, were visiting with the Albert Hendrickses on Tuesday night.

Mr. and Mrs. J. C. Clearman attended the Baptist Evangelism Conference in Fort Worth on Tuesday and then went on to Kaufman for a visit with his sister, Mr. and Mrs. Ferrell Creager.

My apologies to Mrs. W. A. O'Neal of Gorman for leaving her name off the list of those visiting with Mr. and Mrs. Albert Hendricks during the holidays.

GORMAN PROGRESS, Eastland Co., Texas, JAN. 18, 1973

next two years.

UNLEADED AND UNCONTAMINATED FUEL IS NECESSARY TO THE USE of smog equipment control. Refining facilities, pipelines, tank cars, and even gas station storage tanks may have to be replaced. Naturally this is going to be reflected in the cost per gallon when you drive up to the pump.

THE EXPERTS SAY THAT SINCE SOMETHING AS SIMPLE AS A FOULED SPARK PLUG can break down the catalytic converter, maintenance cost on automobiles will be much greater.

EVIDENTLY THE STORY DOES NOT END HERE AT ALL. Automobiles will be harder to start, slower to maneuver, and just won't run as good as those now in operation.

COMMENTS FROM THE OFFICE OF TECHNOLOGY ASSESSMENT, which is just now beginning to operate, in-

dicate that the small, compact economy-model car may not be able to accommodate the emissions control mechanism because they will be too weak to do the job.

THE NATIONAL ACADEMY OF SCIENCES, WHICH HAS THE RESPONSIBILITY to report progress being made towards meeting the emission standards, holds out little hope that the expensive changes needed will make much of an impact on the quality of air in the immediate future. "The rate of decrease in emissions until about 1980," the report states, "depends primarily on the retirement of pre-1968 uncontrolled vehicles from use." The report also concludes that "the effectiveness of a given system on a manufacturer's entire production line can, at present, only be inferred."

WHEN THE LAW WAS PASSED AND THE STANDARDS SET, little, if any,

thought was given to the burden they would place on the motorist. Now that some of the results are in from a vast body of research, the evidence of the burden is becoming obvious.

A FEW OTHER STUDIES ARE REVEALING. Present standards demand a 96 percent reduction in emissions by 1975-76. Without other cost added, the tally for equipment alone is estimated at \$380. Seventy percent to 80 percent reduction, so an Environmental Protection Agency study shows, would cost about \$125 a car. Comments related to these estimates say that the difference in protection is very little.

WHILE EFFORTS IN NUMEROUS DIRECTIONS ARE BEING MADE to curb inflation, the cost of automobiles, their operation and upkeep, is going to be a lot more. Little consideration was given to this aspect when the law was passed and the standards set. It was called a "tough bill" and it is — on the motorist.

MAYBE THE ANSWER IS TO GO BACK TO THE HORSE AND BUGGY but there are problems for the ecology here, too. A bumper sticker says — "Back to the Bicycle." On a long trip the side effects here would come from a lot of pedaling.

DESDEMONA NEWS

By HATTIE TATE

Behold, how good and how pleasant it is for Brethren to dwell together in Unity. Psa. 133-1.

What a beautiful snow we have had since Wednesday night. The sunshine is lovely, snow melting and people are beginning to come out of their dens.

A good many report on catching up on odd jobs such as cutting quilt buocks, crocheting this years Christmas gifts, shelling pecans, sewing, finishing quilt tops and some just tried to stay warm.

Don't forget Saturday night, January 20th is the regular monthly musical at the Desdemona Community Center. Some and bring someone with you.

Mr. and Mrs. Garland Dean of Hallettsville visited over the weekend with the John Arnolds. Mr. Dean was Mobil plant foreman in Desdemona for a good many years.

The Deacons and their wives of the Baptist Church were entertained in the home of Moody and Hazel Koonce Saturday night with a chili supper as this was a deacon's business meeting. They combined fellowship and business and a wonderful evening was had by all.

Mr. Tommy McMasters of Desdemona and Miss Emilee Ann Sanders of Stephenville were united in marriage Friday night, January 12th in the home of Mrs. Joyce Chick. They will make their home in Stephenville.

Mr. and Mrs. C. M. Guthery were in Odessa for the weekend and Ethel Keith returned home with them after

spending two weeks with relatives.

Mr. and Mrs. Travis Hilliard of Gordon had supper Saturday night with Mrs. Alta Parks.

Art Shoemaker has been a patient in Blackwell Hospital.

Mrs. Jim Grimshaw has received word of an uncle, George Rogers of San Francisco, passing away. He was a brother to Mrs. Bun (Bessie) Hilliard. They were raised in the Lowell Community. His wife was Jink Perdue of Lingleville.

Church attendance was up to normal Sunday after such a winter snow.

Remember, if you want the news from your community please help the reporters.

OLIVER SPRINGS NEWS

By Florence Richardson

Our Thought for the Week: A person can never win by trying to even the score.

Mr. and Mrs. Gene Simmons and children and Mrs. Homer Richardson visited the Bill Simmons Sunday afternoon.

Mr. and Mrs. Richard Watson and Rachel of Eastland visited the R. H. Watsons on Wednesday.

Dale, Effie, and Dee Gilmore, Mrs. A. D. Bryan and Miss Gertie were all in Cisco Sunday afternoon visiting the Lane Gilmores.

Mr. and Mrs. R. H. Watson were visiting their children in Eastland on Sunday afternoon.

Mr. and Mrs. Edmon Duke were visiting in our home Wednesday night and my, what a surprise when we stepped out to see them off and everything was covered in snow.

Mrs. Doris Bryan spent Sunday in De Leon with Mr. and Mrs. Craig Waller.

Mr. and Mrs. Marvin Jones visited Mrs. Doris Bryan on Saturday night.

Mrs. Marvin Jones, Eulon Perry and Mrs. Iva Perry visited Mr. and Mrs. Garland Perry in the Oliver Springs Community last weekend.

Not much news as the weather was too bad and there wasn't too much manufacturing.

PEARS ARE MEMBERS OF THE ROSE FAMILY!

Farm Workers SS- Tax Return Deadline Jan. 31

Farmers and crew leaders who hire farm workers have until January 31 to send 1972 wage reports and social security contributions to the Internal Revenue Service, according to R. R. Tuley, Jr., social security district manager in Abilene.

"A farm worker is covered by social security if an employer paid him \$150 or more in cash wages for farm work in 1972 - or if the employee did farm work for the employer on 20 or more days during the year for cash wages figured on a time basis rather than a piece-rate basis," Tuley said.

Annual wage reports for farm employees are submitted by their employers on a form available at Internal Revenue Service offices. The form is mailed to farmers and crew leaders who have IRS Employer identification numbers, according to Tuley. Others should request the tax forms from the office of Internal Revenue Service, U. S. P. O. Bldg., Abilene 79601.
