

UPPER LEON WATER DISTRICT RECEIVES 2 MILLION ON PROJECT

The Upper Leon River Municipal Water District finally has money in the bank. Dr. W. T. Calhoun, president; Ben Everidge, secretary-treasurer; Wayne Durham, director for Hamilton; and Ben Sudderth, district's attorney, spent the day in Austin, Tuesday, September 19, obtaining the money for the District.

The Proctor plant transmission lines will be financed by the Texas Water Development Board and the Department of Housing and Urban Development (Federal). All bids have been let, and all the project needed to get underway was the money from the Texas Water Development Board.

FINAL RITES FOR BUCK GUTHERY HELD SUNDAY

William Dorris (Buck) Guthery, 40, of Desdemona, died September 23 in an auto accident that occurred on Highway 16, north of Desdemona.

A complete obituary will be published in next weeks issue of the Progress.

WSC Opens Year With Yard Party At Miers Home

Once again time to begin our club year of work and play came when the first meeting of the 1967-1968 Club took place at 7:00 p. m. on September 25. The lovely back yard of the Club President, Mrs. James Miers, was the setting for the informal supper. Co-hostesses for the gala event were the Yearbook Committee, Mrs. Graydon Baze, Mrs. Ray Rankin and Mrs. Don Laminack.

Seventeen members and four guests enjoyed charcoal broiled hamburgers with all the trimmings and it was plain to see that we all come through the summer with our appetites intact.

The spirit of enthusiasm for a busy club year was evident as Yearbook Chairman Mrs. Graydon Baze gave a brief resume of the programs and events scheduled for this year — a book review, a safety program, an art exhibit, our annual Christmas program of exchanging white elephant gifts then each member making an individual contribution to one of our pet projects, the Dr. Rodgers Scholarship Fund, Mother's March of Dimes, Cancer Drive, and then some plain fun programs are scheduled. Way up on the agenda is various projects to raise funds to meet our sizable pledge for the Community Swimming Pool. We are working for Civic Improvement Group, but along the way we do have our pleasures.

Special guest for the evening was lovely Lana Stacy, who was first runner-up in the Eastland Peanut Bowl Queen Contest. Miss Stacy was sponsored by the Woman's Study Club. She was presented an engraved Charm commemorating this event. Other guests were Mrs. Junior Stacy, Mrs. J. T. Sayres and Mrs. Joe Neill.

As usual, when this congenial group of ladies get together, time slipped by all too quickly. Before we realized it, time for adjournment came. Anticipation for a very fruitful club year was predominant as we said our good-nights.

Gorman Doctor Attends Dallas Medical Meeting

DALLAS, TEXAS — Dr. Eugene R. Foster, Gorman, is attending the Annual Scientific Assembly of the American Academy of General Practice in Dallas. Dr. Foster, a member of the Academy, will hear 26 guest speakers discuss up-to-the-minute health care topics. He will also have an opportunity to visit more than 125 scientific and 250 technical exhibits.

Subjects covered in this 4-day scientific session are of immediate interest to family doctors both in their everyday practice and in their constant effort to keep abreast of the latest advances in medicine, scientific procedures and techniques. This year, these subjects include the doctor-patient relationship, sexual aberrations, medicine in Vietnam, hormone therapy for the after-40 woman, the young cardiac and the unmothered child.

More than 3,000 doctors are expected to attend the Academy's 19th annual convention. The Academy, headquartered in Kansas City, Mo., is the nation's second largest medical association and the only association that requires its 30,000 members to keep "going back to school." All ACPG members must complete 150 hours of post-graduate study every 3 years.

Mr. and Mrs. George Hollifield visited Tuesday in Comanche with his nephew, Bernie Barnes, who is a patient in Blackwood Hospital.

Burke Musgrove to Speak At 4-H Club Event On Saturday

State Representative Burke Musgrove will launch the National 4-H Club Week in Eastland County at Gorman at 8 p. m. Saturday, October 2, when he delivers the keynote address at the Annual Achievement Program to be held in the Fellowship Hall of the First Baptist Church.

Others appearing on the program will be Eastland County Agriculture Agent De Gordon, and Mrs. Janet Thomas, the Eastland County Home Demonstration Agent.

This program is a climax for all past work for most of the club members, when they are recognized for their past accomplishments, and when the Outstanding Boy and Girl in the County receive the Gold Star Award.

All 4-H members, parents, friends and interested persons are welcome to attend the program.

Mrs. Delmon Eaves Is Club Woman Of Year Nominee

Mrs. Delmon Eaves was chosen "Club Woman of the Year" as a nominee from the Kokomo H. D. Club for "County Club Woman of the Year."

We club members feel she is well qualified for the honor. She has been most faithful to attend all our meetings and is always willing to do anything she is called upon to do.

She was on the County Yearbook Committee for this year. She is our Council Delegate and is on our "Reporters Book Committee" and "Achievement Day Committee."

In any club activity she does even more than her part. In our money-raising projects she has done so much for the club. She sold more tickets to our annual stew supper than any other member and she also sold more School Record Books than any other member.

She uses her car to pick up club members on the way to club meetings and to the rest home when we make our visits there. She also used her car to carry five club members to visit Chandors Garden at Weatherford. If she had not done this, it would have been impossible for us to have made this very enjoyable trip.

She has done so much for our club we have elected her as our president for the coming year. So, we feel she is well qualified to be our "Club Woman of the Year" nominee for "County Club Woman of the Year."

Ist Baptist Church Homemakers Class Elect New Officers

The Homemaking Class of the First Baptist Church met Tuesday night for their regular meeting and special business session.

Mrs. Huron Polnac gave the opening prayer. Following the business meeting the group formed a circle and joined hands while Mrs. D. R. Clark, at the piano, led the group in singing "Blest Be The Tie That Binds."

The new slate of officers elected include: Mrs. Stanley Porter, president; Mrs. A. D. Pittman, vice president; Ina Mae Torrance, secretary; Mrs. John West, treasurer; and Mrs. L. D. Holliday, reporter. Mrs. Hulon Lasater, Mrs. Era Maupin and Mrs. D. O. Munn are membership captains and the flower committee consists of Mrs. John West, Mrs. L. A. Hampton and Mrs. D. O. Munn. Mrs. B. E. Brown was elected teacher of the class and Mrs. Davis Smith, substitute teacher.

Refreshments of cream cheese salad, donuts and coffee were served by co-hostesses Mrs. John West and Mrs. B. E. Brown.

Those attending other than the above mentioned were Mrs. Doyle Preston, Mrs. Ray Rankin, Mrs. R. M. Curb, and special guest, Mrs. J. T. Sayers.

CARD OF THANKS

I wish to thank all my friends for their words of comfort and the nice cards and flowers during my stay in the hospital and in my convalescence at home.

May God bless each of you.
Mrs. Dixie Pack

Mr. and Mrs. Frank Kirk and family of Cleburne and Mr. R. W. Pittman of De Leon visited Sunday with Mrs. Etha Pittman.

Mr. and Mrs. John Delgado of Dallas spent the weekend with her parents, Mr. and Mrs. W. T. Shell.

Roll Call Sunday Desdemona Baptist Church Set Oct. 1st

Roll Call Sunday will be observed in the Desdemona First Baptist Church Sunday, October 1.

Sunday School services will begin at 10 a. m. with worship services at 11 with roll call of resident and non-resident members.

A covered dish luncheon will be held at the church and will be followed with devotionals and singing.

The pastor, Rev. Robert Jeffrey, stated that no Sunday evening services would be held.

Mr. and Mrs. Albert Hendricks visited Saturday night in the home of Mr. and Mrs. B. B. Walker, formerly of Ontario, Calif., now of Gorman. The Walkers have recently returned from an extended tour of Canada. They visited in Niagara Falls, New York, the states of Pennsylvania, both the Virginias, Kentucky, Georgia, and with relatives in Mississippi and the return trip through Louisiana.

The Gorman Panthers continued their winning ways on Friday night at Brogdon Field by blanking the Early Longhorns by a score of 32 to 0 for their third straight victory.

The Early Longhorns were never really a match for the stout always tough Panther defense, which held them to 4 first downs and a total of only 79 yards on offense in the 8 p. m. game.

The Panther offense looked to be somewhat improved over the previous performances as they rolled up 32 points. The spark for the Panther offense on Friday night was ignited by a freshman who has drawn a starting assignment, Johnny Scitern, who really had the fans on their feet a large part of the game. He did a real fine job on both offense and defense. Also doing a fine job on defense were John Shell and Jimmy Warren. Daryl Hirst turned in his usual fine game at the man-under spot.

National 4-H Week To Be Observed Sept. 30 - October 7

It's a treat this week to read and hear so many GOOD things about hometown teenagers who are members of a real go-go group — 4-H. During National 4-H Week we join the nation in saluting nearly 3 million of the finest boys and girls anywhere in the world.

4-H'ers are always on the go — both at home and abroad. The spread of 4-H to 75 foreign countries is further proof that the "learn-by-doing" program for youth is sound and successful.

Parents of 4-H members are on the go, too. They volunteer as club or project leaders; serve as judges of projects such as livestock, clothing, safety, health and scores of others. They chaperone members to meetings, fairs, camp and social events. They "finance" projects that require a cash outlay to get started. They encourage sons and daughters to keep trying until desired results are achieved. They see to it that 4-H is recognized in the community and throughout the country as a valuable experience for the development of Head, Heart, Hands and Health, and the making of responsible citizens.

If you are not yet acquainted with 4-H, we hope you'll make an effort to learn more about this unique youth organization. Then urge your children 9 to 19 to join. The Cooperative Extension Service of the State Land-grant university supervises 4-H through its state and county staff.

4-H has something for every boy and girl, no matter where they live.

The slogan for the 1967 4-H Week is "A World of Opportunity — Join 4-H!" And this we heartily endorse.

Voter Registration Blanks Available In Business Houses

Voter registration application blanks are now available in the various business houses in Gorman.

The blanks are to be filled out and mailed to Edgar Altom, Tax Assessor-Collector, Eastland.

All persons, regardless of age, have to register to be eligible to vote in the 1968 elections.

Registration period is from October 1, 1967 to February 1, 1968. Voting precincts for 1968 have been changed and are as follows:

Eastland 1; Olden 2; Ranger 3; Desdemona 4; Gorman 5; Carbon 6; Rising Star 7; and Cisco 8.

EASTLAND COUNTY PEANUT TOUR SLATED FOR THURSDAY OCT. 5

The Eastland County Peanut Tour will be conducted next Thursday, October 5, according to De Gordon, Eastland County Agriculture Agent.

The tour will begin at 9:00 a. m. at the Brown Jug Cafe in Gorman. From there the group will visit five peanut farms in the Gorman area. Visitors will see results of various practices including the use of herbicides, irrigation, and disease control.

The morning tour will end at Gorman at approximately 12:00 noon.

The Panthers got on the scoreboard for the first time with 9:39 left in the first period. The Big Red took over the ball on the Early 26 and scored in five plays with David Guthery carrying for the final 8 yards. A pass from Hirst to Wesley Rogers netted the 2 extra points, making the score 8-0.

The Panthers tacked on another tally with only 51 seconds left in the first period after taking over on the Early 34. They scored in 11 plays with Guthery again running for the score from one yard out. Johnny Scitern ran for the 2 point conversion, Making the score read 16-0, which was the score at half-time.

The Panthers added another 8 pointer in the third stanza with 1:43 left. They took over on the Early 35 and scored in 9 plays with Daryl Hirst going over on a keeper from one yard out. A pass to Johnny Scitern netted the 2 extra points.

The final tally of the night was made with 7:02 left in the fourth period. The Big Red started a drive from the Early 40 and scored in 4 plays. Johnny Scitern did some fine running on the scoring play, hitting the left side from 10 yards out, was almost trapped at the six yard line, but wiggled free and ran in for the tally. Hirst tacked on the 2 extra points with an end run to make the final score 32 to 0.

The Panthers showed even more improvement on defense and also were better on blocking. As soon as they master the blocking assignments to a fine edge the offense should match the all-way tough defense.

And tough it will be Friday as the Panthers meet possibly their toughest opponent of the season in Class A Santa Anna. The Mountaineers are picked up high in the grid polls. However, if the Panther defense continues it's stingy ways, the Panthers should take the Mountaineers in a defensive battle 8-7. Right, Panthers!

Game time at Santa Anna will be 8 p. m.

Enriching Of Home With Color Is Topic Of Kokomo Club

Mrs. J. L. Morrow hosted the Kokomo HD Club meeting on Monday, September 25.

After the club motto, pledge and devotional, Mrs. Lee Bishop led the opening prayer.

Mrs. Glenn Jordan presided over the business meeting. Roll call was answered by each member giving their grandmother's maiden name. Minutes of last meeting were read by Mrs. J. L. Morrow. Future plans and projects were discussed and voted upon.

Mrs. Delmon Eaves was chosen as our "Club Woman of the Year" as a nominee for county club woman of the year.

After the business session Mrs. Wayne White, club leader, presented a most interesting program on "Enriching The Home With Colors." She also led the recreation with a quiz game taken from the program topic.

Mrs. Frank Williamson led the closing prayer and then refreshments were served to the following members: Mmes. J. F. Alderman, Cullen Rodgers, Joe O'Neal, Albert Hendricks, Glenn Jordan, John Donaldson, Oren Webb, Delmon Eaves, Wayne White, Lee Bishop, Frank Williamson, O. T. Hazzard, and a visitor, Mrs. Larry Morrow.

Our next meeting will be in the home of Mrs. Delmon Eaves on October 9th at 1:30 p. m. Visitors are always welcome.

Vicki Deron Spruill And Larry Pullin Wed September 9th

Miss Vickie Deron Spruill became the bride of Larry Gene Pullin in a double ring ceremony on Saturday, September 9 at 8:30 p. m. in the St. Joe Baptist Church with Rev. Bob Watson officiating. Parents of the bride are Mr. and Mrs. James Horace Spruill of De

Leon and Mr. Eugene Pullin and the late Mrs. Pullin of Gorman are parents of the groom.

The vows were repeated at the altar before an archway of greenery centered with three large white wedding bells tied with a large white satin bow. A basket of white gladiolus stood on each side of the archway. Tapers candleabras were decorated with fern, small white mums and white satin bows as were the aisles leading to and from the altar. The organist, Mrs. Tommy Gray

played traditional wedding music. She accompanied C. L. Mohon, Jr., who sang "More" and "Twelfth of Never."

The bride, escorted to the altar and given in marriage by her father, wore a wedding gown of white bridal satin. The empire bodice and long pointed sleeves were overlaid with Chantilly lace. The A-line skirt was accented in the back by a removable fan train. The shoulder length veil fell from a flower of Chantilly lace with petals accented with pearls. The bride's bouquet, featuring

three large white orchids and long stems of stephanotis, was carried on a white Bible given to her by the Girls Auxiliary of the First Baptist Church. In the bouquet was one long stemmed white rose which was given by the bride to her mother as she approached the altar. For something old, she wore her Grandmother Skaggs' wedding band; something new was a heart-shaped diamond necklace, gift of the groom; something borrowed was a pair of diamond ear studs belonging to Mrs. Kenneth Morgan. She wore a blue garter to make the tradition complete along with a penny in her shoe given to her by one of the flower girls.

Mrs. Benny Morris, sister of the groom, was matron of honor. Mrs. Jerry Parr was bridesmaid. Their dresses of lime green organza with long full sleeves were identical and they wore head pieces that matched their dresses. Each carried a bouquet of white carnations.

A nephew, Clay Spruill of Odessa, was ringbearer. Rodney and Craig Spruill of Odessa and nephews of the bride, were train-bearers. They were dressed in suits of white taffeta. Pam and Robin Watson were flower girls. Their dresses were made like the bridal gown of lime green.

Benny Morris, who returned from Vietnam Tuesday, September 5, served as best man. Groomsman was Roy Johnson of Gorman and Sidney Solomon was usher. Terry Young and Lanny Spruill, brother of the bride, lighter candles.

The bride's mother was dressed in a deep green three-piece suit with black accessories and her corsage was of white carnations.

Following the ceremony a reception was held in the Fellowship Hall of the church. The table was covered with a white and champagne lace cloth over lime green. The bride's colors of lime green and white were used in a large arrangement of flowers as a centerpiece. The three-tiered wedding cake was topped by bells caught together with a frill of lime green net. Lime sherbert punch was served from a crystal bowl by Mrs. Ernestine Hammett and cake was served by Miss LaVerne Hattox of Mineral Wells. Guests were registered by Miss Mary Ann Stricklin. The registration table was covered with a linen outwork cloth over lime green. A small archway of fern, white net and small white flowers was placed near the bride's book. One white candle was on the table in a crystal holder.

The bride chose for her going away costume a pale lime green two piece suit with matching accessories. The three orchids from her bridal bouquet formed her corsage.

After a short trip to Austin, San Marcos and San Antonio, the couple are at home in Stephenville at 700 Garfield. The groom is a junior at Tarleton State College and is employed as an accountant at the Safeway Store in Stephenville.

Out of town guests were Mr. and Mrs. G. O. Bigham, Hobbs, N. M. Mrs. Bigham is a sister of the bride's mother; Mrs. Maggie Pullin, Oklahoma City. She is the 92 year old grandmother of the groom; and Mr. and Mrs. Jasper Pullin of Seminole, Oklahoma.

B&B SPORTS

Herman and Joe Bennett
B&B

The Panthers rolled to their third straight win of the season last Friday as the Red and Blue downed the Early Longhorns to the tune of 32-0. The defense again played their stingy game and the blocking assignments were carried out their best this year.

Daryl Hirst was again the leading ground gainer for the Red and Blue as he rolled up 100 yards on 17 trips followed by Johnny Scitern with 64 yards on 12 carries, while David Guthery had 40 yards on 11 trips, Bobby Williams had 3 for 7 yards, and Wesley Rogers had 3 for -6 yards.

John Shell was named as Head-hunter for the Week. Jimmy Warren turned in his best game of the year at tackle.

This week our nomination for "Panther Of The Week" goes to Johnny Scitern for the fine work he did when called on last week. Not only did he play well on offense, but he had a fine game on defense as well.

This week the Panthers journey to Santa Anna to take on the Mountaineers at 8 p. m. Friday. If the offensive blocking comes up to par with the defense, the Mountaineers are in for quite a shock. Let's all back the Panthers at Santa Anna tomorrow night. Yea, Panthers - - Climb the Mountaineers.

Last week was the "Week That Was" for the B&B pickers. Many sports writers called it Black Saturday, the Little Big Horn and the Alamo - all in one. The Southwest Conference lost 7 out of 8 games. Texas Tech was the only winner, by 52-0 over Iowa State.

Joe came up with 50% and Herman had 40%, which we hope is the low for the whole year. We are both tied with a 63% for the season.

After putting all the pieces back together with a little (?) Elmer's Glue-All and giving it a good polish job - this is the way we see them this week in the crystal ball - -

Mr. John W. Henderson went to Portales, N. M. on Sunday after noon to be with Mrs. Henderson, who is there to care for her sister, Mrs. N. T. Watson, who is ill. Mrs. Watson is improving and the Hendersons expect to return home on Friday.

Mr. and Mrs. Glenn Jordan visited with Mr. and Mrs. D. S. Gothard in O'Brien on Tuesday.

We received an inch of rain Tuesday night and early Wednesday morning.

WHAT
DO
THESE
TWO
HOMES
HAVE
IN
COMMON?

Outside, these two homes look different, but inside they have a lot in common. Because both are Total Electric homes in which clean, flameless electricity does everything from operating work-saving appliances to lighting, cooling and heating the entire house. The point is that Total Electric living is not limited to any particular size of home or style of architecture. Total Electric homes

may be large or small, new or old. And the extra comfort, convenience and cleanliness they provide is more economical today than ever before on our low rate for Total Electric homes. Before you build, buy or remodel, let us tell you about the many advantages of modern Total Electric living.

Impala Sport Coupe

Distinctively new!
Fastback or formal.
Both '68
Chevrolet Impala coupes.

Some want the spirited, action-packed fastback look. Others prefer the poised and classic lines of our new Custom Coupe. The beauty of it is, from Chevrolet and only Chevrolet, you get both. Pick the

one that's right for you and, whichever great new style you choose, you'll also enjoy such exciting new quality features as (1) Chevrolet's quietest ride ever, because of Chevrolet's extensive use of electronic computers to help isolate noise and vibrations. (2) Better performance from a bigger standard V8 with GM's new

exhaust emission control. (3) Proved safety features including many new ones. (4) All kinds of new comfort and convenience: Hide-A-Way windshield wipers, rich new instrument panels, sumptuous new interiors. Chevrolet's best... ever!

Pennie Lou Auld Becomes Bride Of Paul Dean Ormsby

Mr. and Mrs. Alvin A. Auld, 1011 Meredith in Borger, announce the marriage of their daughter, Pennie Lou, to Paul Dean Ormsby, Jr., son of Mr. and Mrs. Paul Ormsby, Sr., 1417 Clayton, Borger. Nuptial vows were exchanged at 7:30 p. m. August 26 in the chapel of the First Baptist Church. The Rev. Joe Dee Ray, pastor, read the double ring ceremony. The sanctuary was decorated with a basket of white gladioli, stock and pompons, flanked by fifteen-branched candelabra. Two palms and arrangements of comode fern formed the background for the white kneeling bench intertwined with ivy. White satin bows marked the pews. Miss Gayle Hoff, organist, played traditional wedding marches and accompanied Miss Vicki Bell who sang, "Because," "Walk Hand in Hand," and "The Lord's Prayer."

Mr. Auld gave his daughter in marriage. She wore a white floor-length wedding dress of peau de soie. The bodice had a scalloped sweetheart neckline and long Chantilly lace sleeves that tapered to points. Panels of Chantilly lace accented the A-line skirt and chapel train that fell from a peau de soie bow at the back of the neckline. Her four-tiered veil of scalloped illusion fell from a cluster of velvet and satin leaves. She carried a cascade bouquet of white Mission Dolores orchids, stephanotis and leatherleaf. Miss Vanda Arnold, Amarillo, was maid of honor. She wore a street-length dress of pale pink satin brocade with a matching headdress of illusion and flowers. She carried a nosegay of pale pink pompons with variegated pink streamers. Mrs. Larry Hertel, Las Vegas, N. M., sister of the bride, and Mrs. Johnny Moore were bridesmaids. They wore dresses identical to that of the maid of honor, except hot pink in color, with matching headdresses and flowers. Miss Carmen Hertel, Las Vegas, N. M., was flower girl. Neal Van

THE GORDON SPOT

By Dee Gordon, County Agricultural Agent Eastland County Various problems continue to plague peanut farmers in Eastland County. Farmers in the Gorman area said Southern Blight is worse this year than last year. J. O. Pelt, Wellington, was the ringbearer. Miss Candy Sue Dobbs and Rex Dobbs were candlelighters. Michael Auld, brother of the bride, was best man. Bob McGlaun and Mike Webb were groomsmen, Larry Hertel, Las Vegas, N. M., and Glenn Dobbs were the ushers. At the reception in the church parlor, the bride's table was laid with white lace over pink, centered with the attendants' bouquets, and appointed in crystal and silver. The wedding cake was decorated with pink roses and topped with the traditional miniature bride and bridegroom. The five tiers were separated by swans. Miss Gay Lynn Selman registered guests, and Mrs. Roland McGill served the cake. For her wedding trip to Amarillo, the new Mrs. Ormsby wore a blue empire knit dress, brown accessories and the orchid from her bridal bouquet. The couple is at home at 1413 Boyd, Apt. D. Pre-nuptial courtesies for the bride included a pantry shower given by Mmes. Vard McGlaun and Rex Hensley in the Girl Scout Little House; and a miscellaneous shower in the parlor of the First Baptist Church. Mr. and Mrs. Ormsby, parents of the bridegroom, were hosts at the rehearsal diner at the Sands Restaurant. Out of town guests for the wedding included Mrs. J. Frank Dean of Gorman, grandmother of the groom; Mrs. Neal Rose of Morton; Mr. and Elmer J. Stacy of Fort Worth; and Mrs. Don Van Pelt and Valerie of Wellington. Mr. and Mrs. Bill Ormsby of Gorman, grandparents of the groom, were unable to attend the wedding.

DESDEMONA NEWS

By MRS. ETHEL KEITH This community was shocked when word got around early Saturday morning that William A. (Buck) Guthery had been killed in a car wreck shortly after midnight on Highway 16 about midway between Desdemona and Hwy. 80. This community extends their deepest sympathy to his wife, Tommie, and children and his parents. Also sympathy is extended to the families of Alton Wilhite who passed away Wednesday at Monahans. Mr. Herb Gregory of Odessa, was laid to rest here Friday afternoon. Mr. Gregory was a long-time resident here before moving to Odessa more than 20 years ago. Mrs. Stanley Baker had minor surgery in Kermit recently, but is home here and doing fine. Mr. and Mrs. John Arnold have gone on an extended wishing trip. Mr. Raymond Joiner is home this week after spending several days with his daughter, Mr. and Mrs. Robert Mears at Arlington. Mrs. Mary Harrell remains a patient in the hospital where she had to return for extra treatment for her arm she had broken several weeks ago. Our sympathy goes out to Mrs. Odessa Johnson and Mr. Johnson in the loss of her brother, Ernest Hunter of Ranger, last week. Mrs. Inez Luker of Ranger visited with her grandmother, Grannie Northcutt, Sunday. The W. M. U. Ladies are collecting new or used clothing to be shipped to the needy in South Texas. Bring your box or clothing to the First Baptist Church to be boxed and prepared for shipment. Mrs. Hattie Davis is away on an extended visit with her children. Mr. Will Lindley has entered a rest home in De Leon. Roll Call Sunday will be Sunday, October 1st at the First Baptist Church. There will be dinner served and plenty of singing by visiting quartets. All are invited and bring a well-filled basket.

THE GORMAN PROGRESS, Eastland Co., Texas, SEPT. 28, 1967

Jackson, Jr. of Gorman has a demonstration using Terraclor to control Southern Blight. This is one of the things that will be seen on the peanut tour to be held Tuesday, October 3. The peanut tour is being planned for the Gorman area during the morning and the Rising Star area during the afternoon. Fall armyworms are causing considerable damage to young small grain and other crops in some parts of the state. Conditions are now ideal for them to move in Eastland County. Be on the lookout for these destructive worms, especially in early planted oats, wheat, and rye. They may be controlled in small grain with Parathion, Toxaphene, DDT, or Sevin. Be sure to check on the grazing restrictions before using the insecticides. The objective of brush control is to get the longest period of control for the least cost, with the largest possible increase in forage and livestock production. Since brush control is only one important phase of the overall ranch management program, it should be combined with proper stocking and deferred rotation grazing for greatest returns. Deferred grazing following and brush control program is a necessity. Little improvement in range forage production may result when pastures on which brush control practices have been carried out are not deferred. Increased grass production is not the only benefit derived from a properly conducted brush control program. Others listed include the ease of working and caring for livestock, an increase in the number of offspring, less trouble from parasites, livestock are gentler, food and cover for wildlife is improved and fewer breeding males are required. A Review Of The Six Constitutional Amendments To Be Voted On Nov. 11th

Newspaper readers throughout Texas will soon be seeing long columns of type about important issues as Secretary of State John Hill begins to advertise the six proposed constitutional amendments to be voted on Nov. 11.

Fourteen additional amendments will be on the 1968 ballot. Eight of the 20 amendments are of interest mainly to special groups (eg. legislators or state employees). Eight others would provide local governments with

new powers or duties. Only four of the group directly affect most Texans.

Amendments to be voted on this year will appear on the ballot in this order:

No. 1, House Joint Resolution 3, to permit counties to put all tax money in a single general fund rather than dividing income in specified amounts among separate funds for earmarked purposes as is now required.

No. 2, HJR 37, allowing cities and other governmental units within hospital districts to levy taxes for participation in mental health and mental retardation community centers.

No. 3, HJR 17, reviving the veterans land program and authorizing a total of \$400,000,000 in bonds to finance continued purchase of farm and ranch land by veterans, including those who have served in Southeast Asia during present hostilities.

No. 4, HJR 6, authorizing counties to pay medical, doctor and hospital bills of county law enforcement officers injured in line of duty.

No. 5, HJR 12, authorizing a \$75,000,000 state revenue bond issue for the development of state parks and recreational areas. Bonds are expected to be financed by a small admission fee.

No. 6, HJR 27, permitting state officers and employees to hold non-elective positions under the state or U. S. governments where there is no conflict of interest and where the state might benefit.

That's all for '67. Top interest in these amendments doubtless will center on the park bond proposal and the veterans land amendment.

Hospital mental health and retardation groups will emphasize

the importance of Amendment No. 2 to a new community center approach of treating mental patients close to home.

Calling the 1967 election for Veterans Day and a Saturday, undoubtedly, was to assure a large vote turn-out for the land fund amendment. A substantial campaign to urge its passage already is taking form.

Gov. John Connally is the principal backer of the parks bond issue. Last December he unveiled a 10-year plan for acquiring and developing 150,960 acres of recreational lands and historic sites. This would more than triple state park acreage and open a variety of new facilities for outdoor recreation.

Only opposition to the amendment to date has been based on the \$1 a car park-entry fee initially proposed by Connally to finance the vast program; and scattered complaints that facilities included in the governor's master plan do not adequately serve some areas of the state.

He is expected to spearhead an intensive fall campaign—supported by parks, recreational and outdoor groups to put over the bond issue.

The veterans land amendment would add another \$200,000,000 to state bonds previously authorized and through which 35,300 veterans have purchased farm and ranch properties at low interest rates spread over a 40-year pay period.

This amendment would raise the amount which could be borrowed under the program from \$7,500 to \$10,000. The program was initiated in 1949. Additional bonds were approved by voters in 1951 and 1956. Amendments to enlarge the bond authorization

were rejected at elections in 1963 and 1965. Opposition came mainly from large cities.

Proponents emphasize that, while thousands of veterans have benefited from the program, it has cost the state no money and actually has turned a profit of \$2,500,000 a year while providing an expanded land market.

Opposition has adopted the argument that it is not the function of the state government to engage in the loan business and that veterans have had plenty of time to participate. Some also contend that "cheap money" invites purchases of land not needed and which will not be put to productive use.

Amendment No. 2 specifies that the legislature, in providing for creation of hospital districts, does not have to require that the districts assume full responsibility for community mental health and retardation centers and services. It would permit cities and counties to levy taxes and issue bonds for such services. Subdivisions within existing districts would be authorized to do so unless statutes creating the districts expressly prohibit.

An attorney general's opinion held that the constitution does not allow political subdivisions within the boundary of a hospital district to levy taxes for medical and hospital service. Under that ruling, cities and counties located in such districts were restricted from participating in establishment of community health centers, a key part of the mental health program.

Amendment Nos. 3, 4 and 5 are self explanatory and apparently non-controversial.

Amendment No. 6 is aimed primarily at permitting educators, who are paid from state funds, to serve on federal advisory boards.

S/IC Riley N. and Mrs. Curb, Don Anthony and David of Adak, Alaska, are visiting his parents, Mr. and Mrs. R. M. Curb, and brother, Mr. and Mrs. Dale Curb. They will be here until the 12th of October and will go to Guam for a tour of duty with the U. S. Navy in personnel with the security group.

No. 1, House Joint Resolution 3, to permit counties to put all tax money in a single general fund rather than dividing income in specified amounts among separate funds for earmarked purposes as is now required.

No. 2, HJR 37, allowing cities and other governmental units within hospital districts to levy taxes for participation in mental health and mental retardation community centers.

No. 3, HJR 17, reviving the veterans land program and authorizing a total of \$400,000,000 in bonds to finance continued purchase of farm and ranch land by veterans, including those who have served in Southeast Asia during present hostilities.

No. 4, HJR 6, authorizing counties to pay medical, doctor and hospital bills of county law enforcement officers injured in line of duty.

No. 5, HJR 12, authorizing a \$75,000,000 state revenue bond issue for the development of state parks and recreational areas. Bonds are expected to be financed by a small admission fee.

No. 6, HJR 27, permitting state officers and employees to hold non-elective positions under the state or U. S. governments where there is no conflict of interest and where the state might benefit.

That's all for '67. Top interest in these amendments doubtless will center on the park bond proposal and the veterans land amendment.

through . . . **4-H** . . .

With pride, we salute our local 4-H Club members, for their efforts and achievements. Through their Head . . . Heart . . . Hands . . . Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today - and will mean more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

Swanky lines distinguish the
Smart '68 Chevrolet Caprice Coupe

Chevrolet's new look for 1968 begins up front with a smart new grille and hood that conceals the windshield wipers. Recessed taillights in the rear bumpers and new body side lines are smart styling features as shown above on the Caprice Coupe. An impressive list of comfort and convenience options make it possible to custom-tailor a new Chevrolet to almost any personal taste. The new Chevrolets will be on display September 21.

Rural Youth Day to Open State Fair On Saturday, October 7

Mathematically, Rural Youth Day on the opening Saturday, October 7, at the State Fair of Texas in Dallas will be a happening. The 100,000 Future Homemakers, Future Farmers and 4-H Club members visiting State Fair that day will live up more than 88 years during their stay at the fair. Statistically, they will ride a third of a million miles in 2,222 school buses and two small station wagons during the round trip between Fair Park and their homes in more than 200 Texas counties.

If they walked single file three feet apart into Dallas, they would form a line from Fair Park to Corsicana, more than 56 miles. But who wants to walk when buses can make the trip on 42,000 gallons of gasoline.

The vehicles bearing the youngsters will arrive during the four hours between 5 and 9 a. m. A bus will enter the main parking lot every 6.4 seconds. Fortunately, the parking lot has six gates, otherwise the two small station wagons might create a traffic jam.

During the day, the youngsters will eat the equivalent of almost ten miles of hot dogs. They will be served five miles of the delicacy at a picnic luncheon, compliments of Dallas businessmen.

They will buy the other five miles of hot dogs on the midway. They will eat 240 gallons of mustard and wipe 16 gallons from faces and shirts.

They will drink a total of 9,400 gallons of pop and ice water. Theoretically, they'll wear out every ride on the midway by 2 p. m.

Totally Disabled & Old Age Assistance Payments Raised

State Representative Burke Musgrove today announced that Old Age Assistance Grants and grants to the Permanently and Totally Disabled will be raised effective with the October payments.

Representative Musgrove explained that the increase in payments is a result of the increased appropriations for these two programs made by the last session of the legislature.

Musgrove pointed to the fact that two counties in this legislative district - Eastland and Callahan Counties - rank fifth and seventh in the state for the per-

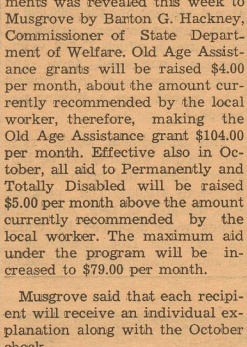

centage of population over 60 years old. "Such an increase," he said, "will benefit a large number of people in this area."

The amount of increase in payments was revealed this week to Musgrove by Barton G. Hackney, Commissioner of State Department of Welfare. Old Age Assistance grants will be raised \$4.00 per month, about the amount currently recommended by the local worker, therefore, making the Old Age Assistance grant \$104.00 per month. Effective also in October, all aid to Permanently and Totally Disabled will be raised \$5.00 per month above the amount currently recommended by the local worker. The maximum aid under the program will be increased to \$79.00 per month.

Musgrove said that each recipient will receive an individual explanation along with the October check.
