Jeanette Jackson Has Winning Gilt At Eastland Show

Jeanette Jackson, 12 year old Gorman 4-H Club girl, exhibited the First Place Gilt in the Eastland County 4-H Swine Program Show on Saturday, September 2, 1967. Jeanette, by placing first in the County show, won the honor of representing Eastland County at the area show in Abilene on September 30.

Hardy Browder, another Gorman 4-H'er, son of Mr. and Mrs. Bob Browder, placed second in the Eastland show with his gilt. This is in keeping with the Gorman custom as past Sears Gift recipients Danny Snider and Bobby Williams also represented the county in the area show.

We are proud of the Gorman 4-Hers because of their hard work which is manifested in their consistent honor winnings.

Entries in the West Texas Fair in Abilene from Gorman were in the winning places also. Teresa Browder placed second with pot holder and cup towel and her sister, Brenda, exhibited an apron which placed first. Barbara Williams' lined suit placed second. Teresa's articles were judged with the junior exhibitors and Brenda and Barbara's were judged with all other high school entries.

Congratulations girls, you must be pretty good or you couldn't be having entries placed above others in larger schools.

Bobby Williams attended the two-day leadership workshop held in Eastland at the Texas Electric Reddy Room. He stated he especially enjoyed the talk given by House Representative of 63rd District, Burke Musgrove.

The meeting was open to all adults and older teenagers in the county and all those attending received information that will be helpful in all phases of club and organizational work.

Mrs. Bill Simpson Ends 12 Year Clerk Career at Frossards

Mrs. Bill Simpson retired September 1 from her position as clerk and assistant bookkeeper at Frossard's Department Store, a position she has held for the past 12 years.

She began her career as a sales lady when she consented to help Gus during one of his special sales held in July of 1955. She liked the job so well she remained for 12 years.

Her decision to retire at this time is due to ill health of her husband and her own health. She stated it will take a little while to get accustomed to the daily routine of just being a housewife, and that she will miss the daily personal contact with the many friends she has made over the years.

Mrs. L. F. Kellogg has been hired as clerk to fill the position vacated by Zinna.

Panthers Beat Evant 50-0; Host Rising Star Friday Nite

Coach Joe Neill's 1967 Gorman Panthers won the coin toss Friday night and elected to receive the kickoff to open the season - and open it they did! Evant kicked off to Gorman with Doyle Shipman receiving the ball, then handed it off to Daryl Hirst who streaked 80 yards for Gorman's first TD. Run for extra points failed.

The Panthers put the first of three 2 pointers on the scoreboard with 5:19 left in the first quarter.

234	Yds. Rushing	-4	(7:41 left in the first half) Doyle Shipman went up the middle for 4 yards to cap a three play drive after an Evant fumble at their own 18 yard line. The kick for extra points was blocked.

6 for 40	Penalties	3 for 12	Four minutes later the Big Red put 6 more points on the score-

as they trapped an Elk back in the end zone.

The Red and Blue scored again on the first play of the second quarter with David Guthery going the final 3 yards off left tackle. The kick for extra points was blocked. The Panthers took 11 plays to score.

With 9:05 left in the half Bobby Williams went for the final two yards to cap a drive of six plays from the Elk 15 yard line where Bobby had been stopped after intercepting an Elk aerial. The pass for extra points failed.

After a Panther field goal try the Elks had the ball on their own 1 and were trapped behind the goal line with 11:55 left in the 4th quarter.

The final score of the game came with only 3 minutes left in the game. The Red and Blue recovered another Elk fumble on their own 19. Bobby Williams ran for 16 yards and then for the final 3 yards around right end. Bobby then ran right end again for the extra points.

This made the final score read 50 for the Panthers and 0 for the Elks.

The stout Panther defense was never really tested in this one-sided game. But they should get their test on Friday night when they play host to Class A Rising Star at 8 p. m. The Wildcats are always a tough foe for the Panthers and a very large crowd is expected to turn out for this annual battle. The Panthers should take the Wildcats in this game if they play as fine a ball game as we know they can play! Right, Panthers? ?

Panther Band Elects Officers For 1967-1968 Season

Thursday, September 7, the Gorman Panther Band elected officers for 1967-68. They are as follows:

President - Doyle Shipman
Vice-President - Brenda Butler
Secretary - Anna Lee Butler
Treasurer - Tresa Duran
Reporters - Mary Jay and Wesley Rogers
Student Director - Burl Harper

Joy Mason, band director, reports that the Panther Band now has 37 members. We hope to have a fine band this year.

The band appeared for the first time of the 1967 marching season Friday night at Brogdon Field. The band did a pre-game show to play the Star Spangled Banner and school song. Then at half-time a show called "Junior Joins The Band," with Mark Arnold featured as Junior. This was about Junior learning to play a horn.

Saturday, September 9th the Band made its second appearance at the Dublin Free Fall Fair Parade. The band did a good job and brought home a second place.

The band is now practicing for their second show Friday night.

As a special feature of the Princess Step, Connie Park and Jean Munn, Associate G.A. Counselors, sang the Young Woman's Auxiliary Hymn, "O, Zion, Haste."

Burl Harper heralded the entrance of the Queen, Patty Hirst, with the trumpet. Terri Jeffs came before Queen Patty, scattering flower petals from her basket; Bud Jeffs followed, carrying Patty's G.A. Crown on a green satin pillow. Patty's father, Bruce Hirst, placed the crown on her head and her mother presented a G.A. Charm Bracelet to her.

To honor all the girls, Queen Brenda Browder told the story of Queen Esther from the Old Testament.

Leading the recessional were the Queens, who came to lay their crowns upon the altar while every one joined in singing "Crown Him With Many Crowns."

The girls were honored with a reception in the fellowship hall immediately following the coronation service. An arrangement of green and white roses and white tapers formed the centerpiece on the serving table laid with white cloth trimmed with nylon net. Punch, cookies and nuts were served by Brenda Browder and Jackie Lawson from crystal appointments. The G.A. Director, Mrs. B. E. Brown, served as chairman for the reception.

Girl's Auxiliary Coronation Service Held At First Baptist Church On August 27th

The Woman's Missionary Union of the First Baptist Church of Gorman presented the Betty Tennon Girls' Auxiliary in a Coronation Service on Sunday evening, August 27, in the church auditorium.

Girls' Auxiliary, a Southern Baptist missionary organization for girls, ages 9-15, was organized in 1913. An added dimension in Girls' Auxiliary is the Forward Steps Program — this emphasis of Girls' Auxiliary allows a girl to work individually as well as with her auxiliary to gain additional mission knowledge.

The theme, "Crown Him With Many Crowns," was emphasized by a large gold crown hanging in the baptistry window against a background of emerald green drapes. White tapers on the plat-

G.A. QUEEN PATTY HIRST receives crown from her father, Bruce Hirst. Also taking part in the ceremonies are, left to right, Terri Jeffs, Annette Jackson, Sondra Helton, Judy Webb and Jackie Lawson.

G.A. CORONATION SERVICES — Girl's Auxiliary of First Baptist Church participates in Coronation Services held August 27th. Front row, left to right: Bud Jeffs, Terri Jeffs, Cheri Overstreet, Amy Warren, and Lisa Warren. Back row, left to right: Linda Warren, Judy Webb, Patricia Hirst, Connie Park, Brenda Browder, Sondra Helton, Jackie Lawson, Annette Jackson, and Jean Munn.

The WMU President, Mrs. Huron Polnac, gave a brief history of the purposes of the Girls' Auxiliary Forward Step Program and introduced each girl as she came forward to be recognized and to receive the appropriate award for her attainment. Coming in the following order were Sondra Helton and Annette Jackson as Maidens; Judy Carol Webb as Lady In Waiting; Connie Park as Princess and Patty Hirst as Queen. After each girl shared something she had learned in her step, the WMU President spoke words of encouragement in the form of a charge to her. The emblem showing the girls' step was then pinned on by Jackie Lawson.

Mrs. Nell Rainey was appointed as chairman of the Yearbook Committee.

Soil Testing And Fertilizer Use Up

Texas agricultural producers in 1966 submitted more soil samples for analysis and used more fertilizer than ever before.

But the 29,980 samples tested by the Agricultural Extension Service Laboratories and the Stephen F. Austin and Wharton County Junior College Laboratories in 1966 falls far short of the 100,000 tests needed annually to adequately guide fertilization programs, say C. D. Welch and Carl Gray, Extension soil chemists at Texas A&M University.

The soil chemists explain the 100,000 figure this way. They say if each 40 acres of crop and improved land were tested once every five years, the annual rate of sampling would be 250,000. Figure this way: 40 acres x 5 years = 200 acres; 200 acres x 1,250 farms = 250,000 tests.

The closing prayer was given by Mrs. Jack Mauney.

Delicious sandwiches, cookies and punch were served by co-hostesses, Mrs. T. A. Thompson and Mrs. Jack Mauney.

uring the amount of land used for low intensity production and subtracting it from the higher potential lands, the net result is their 100,000 figure.

In commenting on the fertilizer use growth, the chemists note that the movement of commercial fertilizer from July 1965 - April 1966 was 30 percent above the same period of 1966-67; 1,296,329 tons compared with 990,324 tons.

Welch and Gray attribute this favorable attitude toward fertilization to the fact that more agriculturists are realizing that profitable production levels cannot be reached without adequate available nutrients in the soil.

The ten leading counties in the state for 1966 and the number of soil samples sent to Extension Laboratories, Stephen F. Austin and Wharton Jr. College Laboratories were: Fannin, 1,096; Harris, 971; Hale, 851; Crosby, 684; Floyd, 612; Swisher, 582; Castro, 533; Houston, 458; Hunt, 548; Baylor, 412; and Matagorda, 387.

In March and April of this year, 5,160 samples were tested. The five leading counties were: Harris, 231; Houston, 112; Wharton, 109; Nacogdoches, 108; and Brazoria, 96.

B&B SPORTS

The Red and Blue started off with a bang last Friday night by taking the Evant Elks to the tune of 50-0. Evant was no match for the Panthers, who were not tested as to what they will be able to do this season. But... this Friday is a different story as the Panthers take on the first of five Class A ball clubs in the Wildcats of Rising Star.

This year the team picks the outstanding defensive player so we will pick the offensive player each week. For those who do not already know, he will be called the "Headhunter of the Week. If you noticed Wayne Huff's headgear last Friday night it had a skull and crossbones on each side of it. He received this for his play in the Cisco Junior Varsity scrimmage. This week Jim Tom Garrett is the "Headhunter" as the Panther with the most tackles and assists, followed closely by John Shell and Wayne Huff.

A star will be awarded to a player for a pass interception, a fumble recovery or for being the first man downfield on punts and kick-offs, so there should be quite a number of stars awarded this year.

TEMPLE HEARING CENTER 108 S. Bell Hamilton

The Panther of The Week nomination goes to Daryl Hirst for his performance last Friday night. He had 166 yards on 7 carries for a 24 yard average, plus an 80 yard kick-off return to start the game which completely demoralized the Elks.

David Guthery carried 11 times for 45 yards; Bobby Williams carried 13 times for 33 yards; Doyle Shipman had 28 yards on 5 trips; Scott Stacy had 1 carry for 4 yards; Johnny Scitern carried 2 times for 3 yards; Jackie Grice carried twice for no gain; Johnny Eaves carried four times for a minus 2 yards; Wesley Rogers carried 3 times for a minus 3 yards and Mike Duran was trapped behind the line for a minus 9 yards on a passing try.

The Panthers take on Rising Star this Friday night. The Wildcats fell to Wylie last Friday and will be out for revenge against the Panthers. Rising Star always thinks of Gorman as a grudge match and works up a lot of steam for the Panthers, but if we play a heads-up game we should have our second win of the season. Yea! Panthers! Skin the Wildcats!

The limb seems to get shorter every year that we climb out on it... and this year is no exception, especially as this is the first week of the '67 season. So... before the limb breaks or someone saws it off, here's how they will go - -

THE GORDON SPOT

By Dee Gordon,
County Agricultural Agent
Eastland County

Small grain planting time is almost here and next year's harvest of grain or the amount of grazing from the crop may well be determined by the variety planted.

Eastland County farmers should get the best seed available of varieties adapted to this area of the state. The choice of a variety is influenced by whether the crop is seeded on dry land or irrigated, low or high fertility conditions, used for grazing, grain production or a combination of the two. Disease or insect reaction is important since more resistance is being bred into the varieties. Also the shattering and lodging characteristics and finally the quality, especially with wheat.

The hard wheat variety recommended are Sturdy, Caddo, and Quanah and Gage. The Triumph wheats and the new varieties Parker and Guide may be used but are very susceptible to leaf rust. Crockett, Kaw and Comanche are acceptable.

Recommended oat varieties for this area are Ora, Nora, Alamo-X, New Nortex, Moregrain, Taggart.

The best rust resistance is found in the varieties Ora, Nora, Suregrain, Florida 500 and Houston. Alamo-X, Taggart, New Nortex and Moregrain are susceptible to rust. Suregrain, Houston and Florida 500 are less cold tolerant and may be winter killed in Eastland County.

Barley varieties recommended in this area are Gordova, Rogers, and Zora although Harrison has produced good yields.

Elbon and Gastor are excellent winter forages ryes for Eastland County. Gator is more resistant to leaf rust than Elbon although many farmers prefer Elbon.

Approximately fifty peanut farmers attended the peanut harvesting meeting in Gorman August 17. They heard Bill Allen of Texas A&M and R. G. Burwell of Stephenville discuss the importance of proper harvesting and curing methods. The Southwest ern Peanut Growers' Association and the Gorman Peanut Company furnished cakes, coffee and donuts during the meeting.

The annual sheep and goat field day in Ranger attracted twenty people. The program started at 9:30 and ended at 3:00 p.m. The program, held in the Ranger Junior College Cafeteria was sponsored by the Ranger Chamber of Commerce and the County Agents.

By Jeanette Jackson

The 4-H Club met August 31 at the home of Mr. and Mrs. Ray Williams. The meeting was called to order by the president, Bobby Williams. Treva Browder led us in the motto, pledge and prayer.

There was no old business. The new business was the West Texas Fair and National 4-H Week, September 30 through October 6. The president appointed a committee to work on projects for National 4-H Club Week. We also

talked about extra projects. Annette Jackson was appointed as secretary of the club. The motion to adjourn was made and carried.

The hostess served delicious home-made cookies and punch to members and guests.

Saturday, September 2 Jeanette Jackson and Hardy Browder showed their Sear's Gilt at Eastland in a special gilt show. Jeanette took first place with "Tango Laura" and Hardy won second with "Surplus." Jeanette is to show her gilt at the Sear's Show in Abilene on September 30.

Rural Mail Carriers To Help USDA In Acreage Survey

Postmaster Graydon Baze announced today that Rural Mail Carriers will begin distributing 1967 Acreage Survey Cards to patrons on their routes about Sept. 14th.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1967.

To be sure this community is well represented in the survey, Postmaster Baze urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are: D. R. Clark, Rt. One, W. O. Parr, Rt. Two; and A. O. Clark, Rt. Three.

RICHARD WATSON ATTENDS LEADERSHIP TRAINING AT ARROWHEAD SPRINGS, CALIF.

Richard Watson, a student at the University of Texas, has attended a Leadership Training Institute at world-famous Arrowhead Springs in San Bernardino, California, with 1,500 other students from around the world.

The purpose of the conference, conducted by Campus Crusade for Christ International from September 3 to 9, was to train students how they can have a part in helping to take the Christian message to the entire world in this generation.

Campus Crusade for Christ, an interdenominational Christian student movement, believes that the world can be changed only as individuals are changed within, and that Jesus Christ is the only One who can truly accomplish this change.

"The students of the world are looking for a leader whom they can follow, one who is worthy of their allegiance," explains Dr. William R. Bright, founder and president of Campus Crusade for Christ. "They are looking for a cause to which they can give themselves with utter abandon. Jesus Christ is that leader for whom they seek. He offers the only challenge worthy of total commitment — the one cause which demands the best that is in man and which in turn accomplishes the most for the good of all men."

Speakers for the Institute included Dr. Bright; Hal Lindsey, special teaching representative; Dick Ballew, East Coast regional director; Robert Andrews, West Coast regional director; Kundan Massey, director in Pakistan; and Percy Shastri, director in India.

Founded by Dr. Bright at UCLA in 1951, Campus Crusade has since spread to hundreds of campuses in this country and 36 foreign countries. The present international staff numbers more than 1,100. Emphasizing the role of the church, Campus Crusade seeks to work closely with churches of all denominations. Christ is presented in areas on the campus to which normal Christian witness does not extend, and staff members encourage students to attend a church near their campus.

Richard is the son of Mr. and Mrs. R. H. Watson of Gorman.
