

BRENDA BROWDER RECEIVES 4-H GOLD STAR AWARD SATURDAY

The Eastland County 4-H met at the First Baptist Church Fellowship Hall in Gorman for their annual awards program.

Winning the highest 4-H awards granted on the county level - the Gold Star Girl and Gold Star Boy were Brenda Browder, daughter of Mr. and Mrs. Bob Browder of Gorman, and Tommie Lee of Cisco.

State Representative Burke Musgrove was guest speaker and Bob Lee, 4-H Council President, was master of ceremonies.

Brenda has been a club member for five years, including the current year. She has been busy and very active conducting and carrying out numerous projects, including food and nutrition, clothing, dress revues, home improvement, dairy, food preservation and gardening.

She is 14 and a freshman in Gorman High School. Brenda not only attends meetings faithfully, but has served her club as song leader, reporter, and council delegate, as well as a very good junior leader.

She has attended county 4-H camps where she has taken an active part and served as a junior leader; served as a junior leader in clothing.

She has won many honors with

her projects and exhibits at the West Texas Fair, Dublin Free Fall Fair, and De Leon Peach and Melon Festival. She has been outstanding in her clothing projects and Dress Revue. She has won the junior division for the past two years and received a blue ribbon on the district level, which is the highest that a junior 4-H club member can go.

The Gorman youth are to be commended for the high percentage of achievement awards they have received over the past seven years.

In the past seven years Gorman youth have won five Gold Star Awards, they were Robert Whitt, Joy Love, Bobby Williams and Brenda Browder.

Attendance to the awards programs have also increased, approximately 50 persons attended the banquet seven years ago and 160 attended the Saturday program.

48 4-H members received awards this year.

4-H leaders receiving awards were Mrs. Bob Browder, Mrs. Claude Fuller, Mrs. Ray Williams and Mr. Bill Brown.

Food and Nutrition: Kathy Ripley, Krista Henderson and Kathy Rhyme.

Heard C. M. Caraway III of De Leon give a report on the new recreation center planned for Proctor Lake. As quite a few folk from Gorman fish in Proctor Lake thought some of you might be interested in the following:

The Proctor Area Recreation Ass'n. has signed an option to purchase 100 acres of lakeside land and are making plans to erect a club house with all facilities for family use. Tennis courts, an olympic size swimming pool, boat docks, and fishing privileges, plus a nine hole golf course with watered fairways. The location is nine miles from De Leon.

At present approximately 275 have purchased memberships. Charter memberships are \$75. When the club house is built memberships will be \$150. Dues will be \$7.50 per month. Membership entitles a family to all privileges of the club and its facilities.

Final papers are being completed to apply for a loan through FHA. It is hoped the building contract will be let by the first of January. If interested, contact C. M. Caraway, III, at Golden Oak Milling Co., Phone 3125 or 5832 in De Leon.

If newspapers, TV, radio, magazines, etc. would quit giving so much publicity to these so-called brainy, smelly characters that are cluttering up our streets, schools and nation and headline more of what the REAL YOUTH of our nation are doing, it would make a lot of people feel better.

Attended the 4-H meeting at the Baptist Church Saturday night. It gives one a feeling of renewed hope to watch these youngsters and listen to them speak.

Also, after hearing some of our professional politicians spouting off, it is refreshing to hear a young man like Burke Musgrove, our State Representative, speak.

Following is part of the speech Mr. Musgrove gave:

"We have pride in young people like you who we know will rise to the front to face head-on the challenges of your generation... but I feel that people today are losing a lot of individual pride in many respects - pride that comes with overcoming an obstacle - pride in meeting and conquering a challenge - pride in doing a job well.

It is often argued today that we have just been given outright too many things. That we have lost the desire to earn our way.

In such a complex society that we enjoy today, we are losing a great amount of pride that comes from superior craftsmanship, and are instead settling for producing just what is necessary to get by... to pass inspection - and sometimes even the inspection breaks down as evidenced by the fact that nearly 1 out of every 4 new cars have to be referred in some way back to the maker - the factory - for some type of adjustment. Maybe its mass production in a rapidly moving society - the loss of identity that comes with the finished product and the assembly line worker who day-in and day-out puts on the same bolt and screw time after time. It could be the reduction of the proud individual to simply a number by a large computer. But, nonetheless, the lack of pride, I think, exists.

I suppose you remember the Thrasher Submarine that sank not too long ago off the Atlantic Coast. It took sometime for officials to decide what really went wrong in the tragedy that sank the multi-million dollar sub... but after the study the cause was found to

Gilbert Meredith Is Guest Speaker At C of C Meeting

Mr. Gilbert Meredith, Eastland County ASCS Office Manager, urged members of the Gorman Chamber of Commerce Tuesday evening to put forth every effort to promote the consumption and sale of peanuts. With the increase of peanut production due to the large increase in farms under irrigation. Since the economy of our area is based mainly on agriculture, it is to the interest of business men as well as the farmer. A program that will benefit the farmer benefits everyone.

Meredith grew up at Lampasas and in the field of agriculture. He has been office manager for the ASCS at Breckenridge and Murchison, Texas before coming to Eastland.

He discussed at length the four programs of the ASCS office related to the farm program. He stated the outlook for a good peanut harvest was greatly improved over the past three weeks, and that he had a lot of faith in a late frost and good weather for harvesting.

He closed his talk with the questions: "What does the farm program mean to you?" and "What is the future for the farmer in our area?"

James Mearns, Chamber of Commerce President, was in charge of the program and introduced the guest speaker.

The invocation was given by W. C. Browning and guests of Ross Wilson were Clyde Starm and Doug Jones of the State Department of Agriculture Peanut Testing Laboratory.

Noble has two brothers, Randy, age 9, and Revise, age 8. He honored his uncle, Reggie Underwood, by arriving on his 14th birthday.

Grandmother is Mrs. Dolsie Underwood and grandfather is R. V. Underwood, both of Gorman, and great-grandmothers are Mrs. J. C. Timmons of Gorman and Mrs. Mozie Zellars of Stipe Springs.

Z. O. MEHAFFEY PATIENT IN EASTLAND HOSPITAL

Mr. Z. O. Mehafeff underwent surgery Friday, September 29 in Eastland Memorial Hospital in Eastland.

He is reported recovering nicely and expects to be dismissed from the hospital on Friday.

The Friday Afternoon Duplicate Bridge Club meets each Friday at 1:30 p. m. at the Fire Hall.

The Mountaineers scored first in the ball game after blocking a Panther punt on the Gorman 17 yard line. One play netted 11 yards. The Panthers were penalized to the 3. The next play netted only 1, and the next play Dickie Horner pushed over from 2 yards out. The Kick for point was good. The score came with 4:20 left in the first period.

Then on the ensuing kickoff the entire stands were brought to their feet when Daryl Hirst, the Panther fireball, took a hand-off on his own 25 yard line, raced to his right, and behind some beautiful blocking, flew for 75 yards and six points with 4:05 left in the first period. The run for extra points failed.

Santa Anna scored again with 30 seconds left in the first period. The went 60 yards in 9 plays with the final play being a 31 yard jaunt. The kick failed.

Santa Anna hit the scoring column again with 9:20 left in the second quarter when they got the ball on the Gorman 16 yard line and scored in four plays with Larry Williams sneaking over for the score from 2 yards out. Again the kick failed, and the half ended with Santa Anna leading 19 to 6.

The teams played on more even terms in the third quarter and in the fourth period until 7:14 left in the fourth stanza. Santa Anna moved 52 yards in 5 plays with Williams scoring from 20 yards out. The kick for point failed, leaving the score 25 to 6.

The score remained this way until late in the fourth, when Santa Anna scored on a 24 yard pass to Williams with 5 seconds left on the clock. The kick was good, and Santa Anna led 32 to 6.

The crowd was again brought to its feet when, following the kickoff, Daryl Hirst went to his right, broke loose, and almost made it again. He ran the ball to the Santa Anna 20 before being knocked out of bounds on the last play of the game.

We think Gorman met the best team they will meet this season last Friday night. We got some tough breaks a couple of times which cost us TD's, but outside of this the Big Red did pretty well.

The defense looked good again most of the way Friday night, but the Panthers still could not generate enough offense to match the defense. Blocking assignments still seem to be bothering the Panthers, along with some injuries to backfield men.

The Panthers travel to Cross Plains to take on still another of their Class A opponents Friday night at 7:30 p. m. The Panthers should do well against the Cross Plains Buffaloes if they can improve just a bit more on their offense. We think the Panthers will make it four wins on Friday night. Right, Panthers?

Funeral Rites For Brother Of Mrs. Hamilton Sept. 26

Funeral services were held on Thursday, September 26, 1967 at 3 p. m. in the Sand Hill Church for Mr. O. A. Clark with Rev. H. E. Newton officiating. Interment was in Sand Hill Cemetery with Nabors Funeral Home in charge.

He is survived by his wife, Mrs. Maggie Clark of the home in De Leon; six sisters, Mrs. Susie Eads, Mrs. Ethel Dabney, and Mrs. Rosa Pilcher, all of De Leon, Mrs. Elenor Jamar of Longview, Mrs. Willie Merworth of Comanche, and Mrs. Mildred Hamilton of Gorman; one granddaughter, Mrs. Lorene Smith of Spur; and two great-grandchildren, Jimmie Don and Judy Diann.

GORMAN CUBS BEAT HICO 32-6 - LOSE SEASON OPENER TO DE LEON

The Gorman Cubs defeated the Hico team on Tuesday night by a score of 32 to 6.

Gorman received the ball on the kickoff and moved it to the Hico 40 yard line on drives by Bruce Smith and Billy Self. Hico tightened their defense and forced Gorman to punt. Hico received the ball on the 15 yard line and returned it 85 yards for a touchdown.

With the score 6 to 0 Gorman again received the kick-off. On third down and 1 Billy Self took the ball on a double reverse and went 65 yards untouched for the TD. Bruce Smith added the two point conversion to make the score read 8 to 6.

Following the kickoff to Hico Gorman held on downs and forced Hico to punt. On a beautiful 60 yard march the Cubs went in to score with Billy Self going the final 10 yards on a sweep. Mark Espanzo added the extra 2 points.

On the kick-off Hico drove the ball to the Gorman 4 yard line where they were held on downs.

The first half ended with the score standing 16 to 6, Gorman.

The Cubs kicked off to Hico and they held on downs on the 50 yard line. Mark Espanzo broke loose on a 40 yard run to the 10. Bruce Smith added 7 more and Mark Espanzo made the last 3 for the touchdown. Bruce Smith added the 2 point conversion to make the score 24-6.

In the final period Hico began passing the ball. With about 4 minutes to play, Mark Arnold

picked off a Hico pass and ran 55 yards for the final tally. Kelly Henderson added the two extra points to make the score 32-6.

The game ended with Gorman on the Hico one yard line.

The game highlights was the hard hitting of Gorman's defensive line.

The next regularly scheduled game for the Cubs will be on Tuesday, October 10 when they host the Hico team at 7:30 p. m.

In the season opener for the Gorman Cubs they were defeated by the De Leon Cubcats by a score of 24 to 0.

The Cubs just seemed to be a little nervous for this first game and the Cubcats had already played two games.

The Cubs racked up only 6 first downs compared to De Leon's 10. Gorman had a total of 86 yards rushing and no yards passing and De Leon rolled up 198 yards rushing and completed 3 of 6 passes for 37 yards.

Bruce Smith was the leading ball carrier for the Cubs with 11 carries for 71 yards and a 6.5 yard average. Billy Self got 13 on 5 trips for a 2.6 average. Rudy Espanzo got 7 on 3 trips and Mark Espanzo carried 4 times for a -5 yards (getting caught for a 10 yard loss on a reverse play).

The Cubs fumbled five times and lost the ball on 4 of these. De Leon fumbled once and lost the ball. The Cubs were penalized 4 times for 20 and De Leon 10 times for 84 yards.

FAMILY OF AWARD WINNERS — Bobby Williams, Gorman 4-H Club leader, presents his parents, Mr. and Mrs. Ray Williams, a bronze plaque in appreciation of service to the local club.

Fire Prevention Week Proclaimed For October 8-14

By Presidential proclamation, Fire Prevention Week will be observed October 8-14 this year. But as a practical matter, we should all look upon fire prevention as a year around job.

In 1966, the nation's fire losses hit an all-time peak of nearly \$1.5 billion dollars, according to the American Insurance Association. In 1966, 12,100 persons died as a result of fires, and countless thousands more were injured. Indications are that when the 1967 totals are in, they will reflect an even bleaker picture.

T. Lawrence Jones, president of the American Insurance Association, says the rise in fire losses is causing growing concern in business and insurance circles, and that on all sides the consensus is that more must be done in the fire prevention field to reverse the upward trend.

Fire Prevention Week is an ap-

propriate time to think about preventive measures . . . to reshape our thinking in terms of taking greater care to avoid fires . . . to take inventory of our properties and eliminate potential fire hazards . . . and to resolve to practice fire prevention actively and regularly in the future.

One place where every citizen can do his bit is in the home, checking electrical connections and appliances, heating and cooking equipment, or having them checked by a qualified service man. Fires in homes average more than 1,000 every day of the year, and cause a large portion of the total death toll.

Fire Prevention Week can and should be a meaningful occasion, one on which we should all dedicate ourselves to be more careful where fire, or the threat of fire, is involved. We help ourselves, we safeguard our homes and places of business, when we do. We have everything to gain and nothing to lose.

Fire can be prevented, and we can do it!

B&B SPORTS

Herman and Joe Bennett

The Panthers met the Santa Anna Mountaineers, ranked sixth in the state, coming out on the short end of a 32-6 score Friday night. This was the best team they will face this year.

A blocked punt and a fumble in the first quarter put the Mounties out of reach of the Red and Blue. They also threw 13 passes, competing 5 of them for 70 yards. This was very unusual for they had thrown only 18 times in 3 ball games completing 6.

The leading ground gainer again was Daryl Hirst with 45 yards of 17 carries. Hirst also had 75 yards on a kickoff return. He almost broke on several other occasions last Friday, except for one more block downfield. The second leading ground gainer for the Panthers was David Guthery with 24 yards on 10 trips, followed by Doyle Shipman with 4 for 19 yards, Johnny Scitern with 6 for 15, Wesley Rogers carried 1 time for -4 and Mike Duran had 3 for -6 on pass tries.

The "Panther of the Week" goes to Ed Sutton this week for his play against the Mountaineers. Ed played his best game of the year so far. He did a good job on offense blocking the Mounties and played a good defensive game as well, showing marked improvement. Daryl Hirst played his usual fine game, both on offense and defense. Daryl made several open field tackles that saved sure TD's.

Another Class A team, the Cross Plains Buffaloes, are the Panthers' opponents Friday night at 7:30 in Cross Plains. The Panthers looked improved on offense last Friday. The score should have been closer than it was. We expect the Panthers to improve still more this week and take the Buffs Friday night.

Yea, Panthers! Stampede the Buffaloes! !

Yes, it's a bad year for Longhorn fans. The year of the Horns should be Shorthorns. But we also notice Arkansas, SMU, TCU, Baylor, A&M and Rice are not having their best years either, Right, Oda and Jack?

The B&B pickers fared fairly well last week. Herman had 70% and Joe had 60%, so things could have been better. The 'ole crystal ball' is still hazy, but this is the way we see them . . .

As It Looks From Here

OMAR BURLESON, M. C. 17th District Texas

WASHINGTON, D. C. — WHO HAS THE BALL AND WHAT WILL THEY DO WITH IT?

ONLY THREE APPROPRIATION BILLS out of 14 have been enacted into law in this Session of Congress. Departments, Agencies and Bureaus of the Federal Government not yet provided funds were unable to meet their obligations for the past few days.

A CONTINUING RESOLUTION FROM THE APPROPRIATIONS COMMITTEE extending the Fiscal Year for 90 days was authorized June 30 and expired last Saturday, September 30th. Since Appropriation Bills are not passed, another Continuing Resolution was attempted last week extending the time for another 30 days. It was rejected on the basis of a proposal by the Republicans that 5 percent of the 1967-68 Appropriations be cut by the President before such authorization was granted. This means that the President could apply the cuts at any place he desired. He could select any item or group of items to be reduced to the extent of \$5 billion, leaving those programs he favors intact.

IT IS A RUNNING CRITICISM OF MANY MEMBERS OF CONGRESS and others, that the Congress has already delegated too much of its authority and responsibility to the Executive Branch.

UNDER THE CONSTITUTION, THE CONGRESS has the responsibility of financing Government operations. Article I, Section 9, of the Constitution says "No money shall be drawn from the Treasury, but in consequence of appropriations made by law; and a regular statement and account of the receipts and expenditures of all public money shall be published from time to time."

CONGRESS MUST ALSO LEVY TAXES and raise revenue. Action on taxes must originate in the House of Representatives. No other body - the Senate, the President, the Courts - has any such authority.

IT FOLLOWS, THEREFORE, THAT THE HOUSE cannot delegate these powers. Neither should it delegate authority to reduce expenditures from appropriations already made although it is conceded that the President, under law, can withhold funds appropriated.

MUST THE CONGRESS SAY TO THE CHIEF EXECUTIVE, "We, the Congress, are unable to cut spending - therefore, we ask you, Mr. President, to do it instead?"

THERE IS NOT ONE AMONG US WHO does not know where the responsibility lies. A President does not and should not have this responsibility placed on him. The purse strings belong in the Congress - it is the Constitutional responsibility of the Congress.

LIKEWISE THE CONGRESS, AND SPECIFICALLY the House

be several small valves . . . valves that were obviously to be used in salt water but had been made out of materials that were not resistant to salt water.

It all boils down to personal and individual pride - pride in doing a job well - pride that crowns an all-out effort to do a job - any kind of job - as well as it can possibly be done.

Certainly, it takes a shade more effort - a bit more time - but once you have experienced the mixture of elation and pride that comes from a job well done and can say with honesty, "This is good, it has a part of me in it," then all tasks that once seemed boring and routine become meaningful and more rewarding.

Give it everything you've got. The champion isn't necessarily the person who has the most, but he's always the person who gives the most. The champion is willing to risk all of himself on the task. The runner-up, who may have equal or even superior potential, holds something back.

Give it one more try. To get material for a book, "How To Study Better", Dr. Eugene Ehrlich a professor at Columbia University, interviewed hundreds of students, some with barely passing grades, some with average grades, and some with A's. His conclusion - "There wasn't much difference in their basic intelligence, but the one thing that distinguished the A students," he said, "was the 'bakers-dozen complex'. After hitting the books as hard as they could, most students said, 'well, that's that.' The A's, however, said, 'let's give it one more for good measure.' And, it is, I will admit, tempting to say, 'this will do.'"

Take a proprietary attitude toward your job. The electrical wiz-

ard, Charles Steinmetz, used to work on in his laboratory at General Electric hours after the rest of the staff had gone home. "Why do you do it?" a colleague asked him one day. "You don't have to prove anything. You'd get the same salary."

Dr. Steinmetz looked up from his workbench and said, "my friend, it doesn't matter how much you get or who pays you. You are always working for yourself." Tackle little jobs as if they were big ones. Some people don't think their jobs are worth their best efforts. They are always saving themselves for the . . . great break - - which never comes. They don't realize that the big job consists of many little jobs, all of which have to be done well.

Some of the little jobs may seem thankless, but, if they are consistently well done, "it is certain that," as Emerson wrote, "the secret cannot be kept. Emersoman

GOLD STAR GIRL BRENDA BROWDER

Congratulations!

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!

KOKOMO NEWS

By MRS. GLENN JORDAN

Mr. Oren Webb flew to Miami, Florida last Monday to be at the bedside of his mother, who is seriously ill in a hospital there. He returned home on Friday. Mrs. Oren Webb and Mrs. D. F. Eaves took Oren to Dallas to catch a plane and returned there to pick him up.

Mr. and Mrs. J. L. Morrow and Mr. and Mrs. Larry Morrow were in Lamesa over the weekend for the funeral of Mr. Arthur Clayton. They also visited with Mrs. J. L. Morrow's sister, Mrs. Joe Clayton and family in Lamesa, and with Mr. and Mrs. Willis Morrow and Mr. and Mrs. Lynn Campbell and family in Level-land.

Mrs. Suzie Wharton is at the home of a daughter, Mrs. Jim Jordan, while recuperating from a blood clot in her foot.

Mr. and Mrs. Wilbourn Wood, Terri and Craig of Carbon, visited with Mr. and Mrs. Albert Hendricks last Tuesday night. Saturday night visitors were Mrs. David Willoughby, Scotty and Kristen and Mrs. Willie Mae Hendricks and granddaughters, Kathi and Kerrie Hendricks, all of Eastland.

Mrs. Fannie Belle Eppler, Paula Billy and Edward of Abilene, and Mrs. W. A. O'Neal of Gorman, spent Sunday with Mr. and Mrs. Albert Hendricks.

Members of the Kokomo Baptist Church gathered a large collection of clothing, cooking utensils, linens, etc., to send the hurricane Beulah area. They were taken to the First Baptist Church in Eastland for transportation to the needy area.

DESDEMONA NEWS

By MRS. ETHEL KEITH

The Annual "Roll Call" Sunday was observed Sunday, Oct. 1st at the First Baptist Church with a very enthusiastic crowd. Dinner on the "ground" and a lot of good singing in the afternoon, furnished by the Inspirations Quartet, also the local talent and visitors from both Gorman and De Leon. Thanks to Mrs. Pittman and Mrs. Sprull for their presence and help, also to all who took part and helped to make an enjoyable day. Rev. Bob Jones of Stephenville brought a short but very touching devotional at 2:15.

The Supt. of Desdemona School Cedric Bettis was handing out cigars, as he and Mrs. Bettis are the proud parents of a new baby boy. The baby has one sister, George Ann, about 13 years old.

W. M. U. meets at the First Baptist Church each Monday at 3:00 o'clock. You are invited to

church on Sunday night for the Intermediates and Young Peoples departments of the church, and their guests. Those attending were Dwayne Snider, Mike Rodgers, Johnny Eaves, Teddy Jordan, Danny Snider, Bobby Eaves, Ray Neal Little, Jamie Webb, Stacy Webb, James Little, Connie Park, Debbie Baldwin, Christi Fuller, Judy Webb and Nelda Little. Adults assisting were Mr. and Mrs. Wayne Eaves, Mr. and Mrs. Jimmy Little, Mrs. Claude Fuller and Mrs. Oren Webb.

Mr. and Mrs. Lee Bishop, Mr. Jimmy Little and Rev. Joe O'Neal visited in Stephenville on Sunday afternoon with Mr. Stan Miller who had undergone eye surgery. Stan is improving and is at the home of his brother there in Stephenville at 1441 W. Vanderbilt. I'm sure he'd like to have cards from his friends.

Mrs. Ralph Hudson and Patricia of San Antonio spent last week with her sister, Mr. and Mrs. Alvin Lasater.

Mrs. Gerald Scitern, Brenda and Anita, returned to their home in Fort Worth Tuesday following a weeks visit with her parents, Mr. and Mrs. Alvin Lasater, and Mr. and Mrs. Alvin Scitern.

attend. Mr. and Mrs. Roy Jones of Fort Worth spent one night last week here with her sister, Mrs. Ethel Keith.

Mr. and Mrs. J. J. Grimshaw had as guests, his brother, Mr. F. L. Grimshaw, and a sister, Mrs. Tot Bridges, both of Portales, N. M. They attended church with the J. J. Grimshaws.

The H. T. Lane are at Granite Shoals on an extended outing trip with her sister, Mr. and Mrs. Roy Ayers.

Mr. and Mrs. Howard Iley and family of Ft Worth spent the weekend here with her parents, Mr. and Mrs. Lee Roy Burleson.

Mrs. J. A. Brown and Mrs. Morehead of Stephenville were making pop calls here on Monday and visited Mrs. Vella Roberts and also Ethel Keith.

Mr. and Mrs. Robert Abel and son, Larry Bob of Oil Center, N. M., Mr. and Mrs. Robert Mears of Arlington, the Arden Parkers and Burl Scotts, all visited this past weekend with their father, Raymond Joiner, who is recently out of the hospital.

Mr. and Mrs. Roy Guthery had most of their children home for the weekend. The group of "coffee drinkers"

were at the Leon Lake one day last week and had coffee with Mrs. Nita Gee.

The Compulsory Education Act

The following article was given to us by the Gorman Schools and we were asked to please publish this portion of the Compulsory Education Act.

Article 2892. "ATTENDANCE REQUIREMENTS. Every child in this State who is seven years and not more than 17 years of age, other than a high school graduate, shall be required to attend the public schools in the district of his residence, or in some other district to which he may be transferred as provided by law, a minimum of 165 days of the regular school term of the district in which said child attends school."

Article 2893. "EXEMPTIONS. The following classes of children are exempt from the requirements of this law:

1. Any child in attendance upon a private or parochial school which shall include in its course a study of good citizenship, and shall make the English language the basis of instruction in all subjects.
2. Any child whose bodily or mental condition is such as to render attendance inadvisable, and who holds definite certificate of a reputable physician specifying this condition and covering the period of absence.
3. Any child who is blind, dumb or feeble-minded, for the instruction of whom no adequate provision has been made by the school district.
4. Any child living more than two and one-half miles by direct traveled road from the nearest public school supported for the children of the same race and color of such child and with no free transportation provided.
5. Any child more than seventeen (17) years of age who has satisfactorily completed the work of the ninth grade, and whose services are needed in support of a parent or other person standing in parental relationship to the child, may, on presentation of proper evidence to the county superintendent, be exempted from further attendance at school."

Article 2894. "EXCUSES FOR ABSENCES. Any child not so exempt may be excused for temporary absence due to personal sickness, sickness or death in the family, quarantine, severe storm which has destroyed bridges and made the regular means of travel dangerous, or for unusual cause acceptable to the teacher, principal or superintendent of the school in which said child is enrolled; provided that the excuses are in writing and signed by the parent or guardian of said child. Any case so excused may be investigated by the authorities discharging the duties of attendance officer for the school from which said child is so excused."

Article 299. (P.C.) "DUTIES OF PARENT OR GUARDIAN. If any parent or person standing in parental relation to a child within the compulsory school attendance ages who is not properly excused from attendance upon school for some exemption provided by law fails to require such child to attend school regularly for such period as is required by law, it shall be the duty of the attendance officer who has jurisdiction in the territory where said parent or person standing in parental relation resides, to warn such parent

USDA - ASCS
By Jesse G. Meredith

This is the first of a series of articles dealing with agriculture and agricultural programs in Eastland County. The purpose of these articles will be to give local farm and ranch news, which we believe will be of interest to town folks as well as county folks.

The election for 1968 Community Committees has just been completed with the following persons elected: Community A - T. J. Snider, Wayne Eaves, Larry Morrow, J. W. Overstreet and Durwood Burgess; Community B - N. E. Richardson, Melvin Adams, Morris A. Campbell, J. C. Hathcock, and W. O. Cantwell; Community C - Charles Little, Vern Garrett, Dean Collins, Orval Treadway, and Bobby Tucker; Community D - Lee Starr, N. A. Hagan, Robert Tucker, W. E. Kurklin, and J. H. Reynolds, Sr.; Community E - Clarence Stroebel, Joe Criswell, W. A. Maples, J. W. Gerhard, and Conrad Schaefer; Community F - G. O. Lawson, Kenneth Bostick, Vernon Phillips, Calvin Roady, and G. T. Dawkins.

Community committees have an important responsibility to represent their communities on various farm programs. Recommendations for needed changes on programs are listed among their duties, also. A training meeting will be held sometime before January 1 to review current operations.

1968 newly elected community committeemen met at the annual County Convention on September

ent or person standing in parental relation to immediately comply with this law after such warning has been given, the official discharging the duties of the attendance officer shall forthwith file complaint against such parent or person standing in parental relation to said child, which complaint shall be filed in the county court or in the justice court in the precinct where such parent or guardian resides. Any parent or other person standing in parental relation upon conviction for failure to comply with the provisions of the law shall be fined for the first offense five dollars (\$5), and for the second offense ten dollars (\$10), and for each subsequent offense twenty-five (\$25) dollars. Each day that said child remains out of said school after said warning has been given or after said child has been ordered in school by the juvenile court, may constitute a separate offense."

Article 300. (P.C.) "HABITUAL TRUANT. If any parent or person standing in parental relation to any child within the compulsory school attendance ages shall present proof that he or she is unable to compel said child to attend school, said person shall be exempt from the penalties provided in the preceding article as regards the non-attendance of such child, and such child may be proceeded against as an habitual truant and be subject to commitment to the State Juvenile Training School or any other suitable school agreed upon between such parent or guardian and the judge of the juvenile court."

27. Charles Little was elected to fill the vacancy on the County Committee. He will serve a 3-year term beginning October 1. Charles is actively engaged in agriculture and devotes all of his time toward production of crops and livestock.

Other County Committee members are R. G. Lyerla and Paul Norris.

Our thanks to Garland Garrett whose term expired and could not serve due to the fact he has accepted full-time employment. Garland has served on the County Committee since 1962.

The County Committee positions as set up at the Convention will be R. G. Lyerla, Chairman; Charles Little, Vice Chairman; and Paul Norris, Regular Member. Committee meetings are held regularly at 9:00 a. m. each Tuesday. Anyone may attend the meetings.

Mr. and Mrs. Sam Burnes of Saratoga wear weekend visitors with her parents, Mr. and Mrs. C. R. Day.

Chuck Garrett and son, Kevin, returned to their home in Fort Worth on Monday following several days visit with his parents, Mr. and Mrs. Charlie Garrett.

Mrs. Fanny Belle Park, Paula, Billy and Edward Eppler, of Abilene, were weekend visitors with her mother, Mrs. W. A. O'Neal and Mr. and Mrs. Barton Eppler.

Mr. and Mrs. M. H. Fairbetter and Milton returned on Tuesday from a two weeks visit in Pine Mountain, Georgia with her sister, Miss Mabel Trammell. They were accompanied by Mrs. Fairbetter's brother, Mr. and Mrs. O. D. Trammell of Saginaw.

Jr. Fire Marshals Launch Home Fire Check This Week

Each year more school children join the ranks of Junior Fire Marshals in a program of fire prevention and safety sponsored by The Hartford Insurance Group.

Schools in Gorman and Desdemona are among 15,000 that participate. Here the program is coordinated through the Gorman Insurance Agency in cooperation with local school and fire department officials.

One of the first projects for Junior Fire Marshals this school year is an inspection of their homes for fire and safety hazards. With a check list in hand and under the guidance of their parents, the youngsters look for such common causes of fire and accidents as overloaded electrical cords, paints and other flammable liquids in open containers or stored too close to furnaces.

According to Mrs. Berenice Jeffs the check list is the cover of the fall issue of the Junior Fire Marshal magazine. The magazine now reaches some four and a half million children in the U. S. Each child who turns in a completed Home Safety Report to his or her teacher becomes a Junior Fire Marshal and receives an official badge and fireman's hat.

CARD OF THANKS

I wish to thank my friends who have been so thoughtful of me during my stay in the Eastland hospital. Your cards, visits, gifts and words of cheer were most appreciated and will be held in grateful remembrance.

Z. O. Mehaffey

Schools receiving a high percentage of completed reports will be awarded a Junior Fire Marshal Achievement Award Flag, Mrs. Jeffs said.

While the program's major emphasis is on fire safety, other areas of safety education are covered at different times of the year.

This past spring, Junior Fire Marshal sponsored the second annual "Hazards in Nature" campaign to alert children and adults to the recognition of poison ivy, the dangers of wild animal bites, bee stings, the eating of unknown wild berries and wild mushrooms. Children were shown actual sprigs of poison ivy sealed in clear plastic envelopes.

With each chapter of the Junior Fire Marshal program, teachers receive guidance and educational materials to incorporate into classroom instruction. Now in its 20th year, this public service of The Hartford Insurance Group has reached more than 40 million youngsters with instruction in fire prevention and safety.
