

FINAL ARRANGEMENTS ARE NOW UNDERWAY FOR C of C BANQUET

Committees appointed to make final arrangements for the Annual Chamber of Commerce Banquet to be held Thursday, February 8, have been busy planning a program and making final arrangements.

Dr. W. O. Trogdon, president, Tarleton State College, will be the principal speaker. Ross Wilson headed the committee for the speaker arrangements.

The banquet dinner to be catered by Underwood's of Brownwood, is under the direction of W. C. Browning and E. G. Henderson. Tickets have been distributed to Chamber of Commerce members for sale.

Tickets should be purchased as soon as possible. All dinner reservations must be made by noon, Wednesday, February 7. Tickets are \$1.50 each.

No dinner tickets will be sold at the door.

Three Gorman area people will

be honored at the banquet.

(1) Outstanding Farmer.

(2) Lady making outstanding contribution to the community in 1967.

(3) Man making outstanding contribution to the community in 1967.

A committee composed of Bob Green, Charles Duran and Tom Birdsong was appointed to select the outstanding farmer. This committee was instructed not to choose a previous winner.

Rev. Huron A. Polnac, Miss Ozella Pulley and Gaynell Jackson are on the committee to choose the Outstanding Lady.

Mrs. Berenice Jeffs is chairman of the committee to select the Outstanding Male contributor in the community for 1967. Assisting her on this committee are Mrs. James Mears and Thurman Jay.

James Mears, President of the Chamber of Commerce will serve as master of ceremonies.

Miss Michaelyn Barker Becomes Bride Of Donald Park In Oklahoma Saturday

Miss Michaelyn Kay Barker became the bride of Mr. Donald Austin Park of Baton Rouge, La. on January 20, 1968 in the First Methodist Church in Frederick, Oklahoma. Rev. Wayne T. Segars, pastor, officiated at the double ring service.

Parents of the bride are Mr. and Mrs. John F. Barker of Frederick, Oklahoma. The groom is the son of Mr. and Mrs. Donald H. Park of Baton Rouge, La.

Given in marriage by her father, the bride wore a formal gown of white peau de soie designed on Empire lines. The scoop neckline and wrist length sleeves were trimmed with appliques of re-embroidered Alencon lace seed pearls. Her long lace mantilla fell into a chapel length train. She carried a bouquet of stephanotis, white orchid, white satin streamers tied with lovers knots.

Miss Deborah Park of Baton Rouge, La., sister of the groom, was maid of honor. Bridesmaid was Miss Linda Rodgers of Gorman, cousin of the bride. They wore street length A-line dresses of turquoise peau de soie. They wore matching head dresses designed by the groom's mother, white shoes and gloves. Each carried a cascade of turquoise feathered carnations with streamers.

Organist was Mrs. Joe Myers and Dr. Charles Tennessee was soloist. Candlelighter was Mr. Bobby Park of Baton Rouge, La., brother of the groom.

Serving as best man was Sidney Kitchel of Tulsa, Oklahoma. Groomsman was James Thompson of Oklahoma City. Ushers were Richard Koch of Syracuse, N. Y. and Brent Barker, brother of the bride.

The bride is a 1964 graduate of Northwest Classen High School of Oklahoma City, a graduate of University of Oklahoma with a BA degree in letters, and graduated with highest honors. She is now a graduate student in Latin and Greek Literature at the University of Oklahoma. At O.U. she was a member of Phi Beta Kappa; President of Alpha Lambda Delta, national honorary sorority; 1964 President's Leadership Class; was awarded the General Motors Scholarship; and was chosen for University Scholars Outstanding Freshman girl of 1965 at O.U. She is employed as graduate assistant in the Department of Classics at the University of Oklahoma.

The bridegroom is a graduate of Northwestern Classen High School in Oklahoma City. He attended the University of Kansas, and will receive his B. S. in Physics in June, 1968 from the University of Oklahoma. He is treasurer of American Institute of Physics and treasurer of Sigma Pi Sigma, national physics honor society's honor program. He is on leave to finish school from Petroleum Research Center, Bureau of Mines, Bartlesville, Oklahoma.

A reception hosted by the bride's parents was held in the church parlor following the wedding.

The couple will be at home in Norman, Oklahoma after February 1.

The rehearsal dinner was hosted by Mr. and Mrs. Donald Park, parents of the bridegroom.

Attending the wedding from Gorman was the bride's grandfather, Mr. Don E. Rodgers, and cousins, Mr. and Mrs. Jim Rodgers and Linda Rodgers.

MR. & MRS. JAMIE LEWALLEN MOVE TO GORMAN

Mr. and Mrs. Jamie Lewallen and their two children, Carl, age 13, and Jayma of Floydada, moved to Gorman on Monday. They are presently at home in the City Apartments.

Mr. Lewallen is a former resident of this area, having attended school in Carbon. He is the brother of Mrs. Glenn Jordan of Kokomo. He and Mr. Floyd, also of Floydada will begin construction of a new livestock auction barn in the very near future.

The family are members of the Baptist Church.

Mr. and Mrs. Charles Brown of Sonora spent the weekend with her mother, Mrs. Dorothy Hatcher.

TESCO Host For Community Action Program Thursday

Mr. Bill Brown, Texas Electric Service Company manager for Gorman and De Leon, was host for a dinner and Community Action Program presented to the Chamber of Commerce, City Officials and civic organization leaders Thursday night at the Brown Jug Steak House.

"Where Will Johnny Live?" was title of a film shown and theme of the program presented by Mr. Brown, when he outlined a Program of Economic Progress which is being presented to civic organizations, Chamber of Commerce and City officials throughout Texas Electric Service Company area this month.

The program is designed to assist small towns in planning a program that will make the small town a better place to live and to create industrial interest in the area.

Mr. Brown stated that it is estimated that if small towns do not change their pace in planning they won't be in existence by the year 2000. He also stated that if the program was adopted that he and the Texas Electric Area Development Department personnel will give their assistance in every way possible.

Editor's Note: Since the meeting on Tuesday the Chamber of Commerce Directors have voted unanimously to adopt the program.

Earl Conner, Jr. Is Candidate For 91st District Judge

Earl Conner, Jr., Eastland attorney, has authorized this newspaper to announce that he will be a candidate for the office of District Judge, 91st Court, in the May Democratic primary.

Mr. Conner, a native of the county and former district attorney, stated that he will make a formal announcement at a later date.

District Judge Frank Sparks has announced that he will not seek re-election in the May primary.

Mr. Conner is the son of the late Judge Earl Conner, Sr.

Uncle Of N. F. Bennett Buried In Ardmore, Okla.

Mr. G. M. Sullivan, 95, a former resident of Gorman, died on January 7, at Ardmore, Oklahoma after a short illness.

He had resided in Gorman until 1921 before moving to Oklahoma. He was a retired farmer and carpenter, a member of the Masonic and I.O.O.F. Lodge, and was treasurer of the Gorman Masonic Lodge at the time of the construction of the present lodge building here.

He was an uncle of Mr. N. F. Bennett of Route 2, Gorman.

Gorman Area Gets Over Six Inches Of Needed Moisture

More than six inches of rain fell in the Gorman area during the four days from January 17 to 20th, leaving well-soaked farms ranches and tanks, creeks and lakes full.

Gorman received a total of 6.80 inches while other areas received more.

Lake Leon ran approximately six feet above the spillway level. Most rivers in the area ran bank full with the Leon River, which heads in the Scranton community southwest of Cisco, reported out of its banks.

County Commissioners report that road damage was evident in many places and several weeks would be needed to make road bed and bridge repairs.

WSC Elects New Slate Of Officers At January Meet

Members and guests of the Woman's Study Club were entertained on Monday, January 15, 1968 when Miss Ozella Pulley presented a book review on "Papa's Wife" by Phyllis Ferrer Bjorn. The book is fiction based on facts of a remarkable minister, Pontus Franzen and his equally remarkable wife, Maria. To this happy union was born 8 children and the life of this family, both in Lapland, then in America, made for top-flight entertainment. Miss Pulley presented the humorous and appealing book in a manner that made one feel when it was over that each of us had a personal association with the family.

A brief business session was conducted by Club President, Mrs. James Mears. The Nominating Committee presented the following slate of officers for the 1968-69 club year: President, Mrs. Don Laminaack; Vice President, Mrs. Graydon Baze; Secretary, Mrs. Clinton Revels; Treasurer, Mrs. Ray Rankin; Parliamentarian, Mrs. Rudolph Haile; Critic, Mrs. Glenn Justice. The slate of officers were unanimously approved.

The hostess for the evening, Mrs. Dave Smith, served a delicious and colorful refreshment plate to the ten members and two guests, Mrs. Charlie Garrett and Miss Darla Smith.

Truman Kirk, Cisco attorney and instructor in government at Cisco Junior College, has authorized this newspaper to announce that he will be a candidate for Judge of the 91st District Court in the Democratic Primary in May.

Mr. Kirk stated that he will run on a ticket for "Fairness and Justice" in our court and that he would make a full formal statement at a later date in the campaign.

Eastland County HD Council Meet Held In Eastland

The Eastland County Home Demonstration Council met on January 17, 1968 in the Reddy Room in Eastland. This meeting had been postponed from January 3 due to bad weather. There were six clubs represented. They were Flatwood, Kokomo, Lake Cisco, Morton Valley, Pleasant Hill and Word.

Mrs. Ray Judia, chairman, presided over the meeting.

Mrs. G. W. Gordon, Morton Valley, THDA chairman, gave the THDA reports.

The committee chairmen read their committee's recommendations to the delegates to take back to their clubs to be voted on and brought back to the council at the February 7 meeting. Mrs. Herman Schaefer is the chairman of the Finance Committee and Mrs. Scott Bailey is chairman of the EEE Committee. Mrs. Jack Lusk read the Recreation Committee recommendations. Mrs. Genoa Brown read the 4-H Committee recommendations and Mrs. D. F. Eaves read the Yearbook Committee recommendations.

Recreation was furnished by the Kokomo HD Club with Mrs. Eaves in charge.

Visitors in the home of Mrs. Donna Day last week were Mr. and Mrs. Walter Williamson of Abilene, Omar Moore of Nashville, Tenn., Vickie Overstreet of Stephenville and Mr. and Mrs. A. A. Wallace of De Leon.

Mr. and Mrs. Eddie Robertson of Arlington spent the weekend with her parents, Mr. and Mrs. C. E. Jarrett.

FINAL RITES FOR ROY GUTHERY HELD SUNDAY

William Roy Guthery, 70, of Desdemona, died at 5:30 a. m. Friday in Blackwell Hospital. He had been hospitalized for about three weeks.

Funeral services were held at 2:30 p. m. Sunday, January 21, in the Desdemona First Baptist Church, with the Rev. Robert Jeffery, officiating. Burial was in Desdemona Cemetery.

Born October 26, 1897, in Desdemona, he had lived there all his life and was a retired farmer and a member of the Baptist Church. He married Nanny E. Perdue on July 2, 1919, in Desdemona.

He was preceded in death by a son, William "Buck" Guthery, on September 23, 1967.

Survivors include his wife; two sons, Robert James of Irving and Charles Marion Guthery of Desdemona; two daughters, Mrs. A. V. Seay of Gorman and Mrs. Clyde Forman, Irving; one brother, C. B. Guthery of Breckenridge; three sisters, Mrs. Sally Browning of De Leon, Mrs. Mary Gregory of George West, and Mrs. Effie Kimbrough of Phoenix, Arizona; and 13 grandchildren.

Pallbearers were Rm Pack, Winford Lindley, Eddie Lindley, John J. Holland, Moody Koonce, and Bobby Gene Koonce.

George Hallmarks To Observe 50th Anniversary Jan 28

Mr. and Mrs. George Hallmark will mark their Golden Wedding Anniversary on Sunday, January 28, when five of their eight children will be host for open house at their home from two until five o'clock in the afternoon. Friends and relatives are invited to attend.

Mr. and Mrs. Hallmark were married January 27, 1918 at New Hope.

Truman Kirk Will Seek Judgeship Of 91st District Court

Truman Kirk, Cisco attorney and instructor in government at Cisco Junior College, has authorized this newspaper to announce that he will be a candidate for Judge of the 91st District Court in the Democratic Primary in May.

Mr. Kirk stated that he will run on a ticket for "Fairness and Justice" in our court and that he would make a full formal statement at a later date in the campaign.

MEMBERSHIP DRIVE SLATED FOR LOCAL INDUSTRIAL FOUNDATION

The Gorman Chamber of Commerce Board of Directors met recently with the City Commission and both groups voted unanimously to launch a drive for organizing the Gorman Industrial Foundation, Inc. At the same time the two bodies selected a steering committee for the new Industrial Group composing from the City, Mayor Check Smith, Chamber of Commerce President James Mears, and D. B. Warren, representing area farm and ranch interests. Permanent officers and directors will be elected from the entire membership when membership drive has been completed.

This three man committee applied for and has received a non-profit corporation charter from the State of Texas.

The Industrial Foundation, after receiving memberships from local individuals and businessmen will meet and formally adopt its operating by-laws. The foundation will be involved principally in making contacts with prospective new business and industry for Gorman. Membership dues will be used in making land sites available to business prospects and in general promoting Gorman and this area as possible locations for outside business ventures.

Such similar Industrial Foundations have been instrumental in several neighboring towns in securing new industries. In fact, officials of these towns state infatigably that without their Industrial Foundation substantial expansions of industry would not have been possible. The principal advantages seem to be — (1) The Foundation provides an organization specifically responsible for negotiating and working with interested industries, and (2) The Foundation has the needed financial resources to immediately offer help to interested industries in whatever form that may be necessary.

An extensive drive will be made during the next week to sell memberships in the Gorman Industrial Foundation. Individual memberships will be available at \$2.00 per year and business memberships will be available beginning at \$10 per year through \$50.00 per year depending upon size of business.

It is emphasized that your membership in the Gorman Industrial Foundation is a real opportunity for you to participate in the growth of Gorman and will represent possibly the best civic investment that individuals and businessmen can make.

If for any reason you are missed in this membership drive, call E. G. Henderson.

Mary Kirk Named 1968 Betty Crocker GHS Homemaker

Because she finished first in a written knowledge and attitude examination for senior girls December 5, Mark Kirk has been named 1968 Betty Crocker Homemaker of Tomorrow for Gorman High School.

Mary's achievement has made her eligible for state and national scholarship awards and also has earned her a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow program.

A state Homemaker of Tomorrow and runner-up will be selected from the winners of the schools in the state. The state winner will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The runner-up will earn a \$500 educational grant.

The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by a school advisor, will join in an expense paid educational tour of Colonial Williamsburg, Va., and Washington, D. C., next spring.

The national winner—the 1968 All-American Homemaker of Tomorrow—will be announced at a dinner in Minneapolis, Minn., home of General Mills, Inc. She will be chosen from state Homemakers of Tomorrow on the basis of her original test score plus personal observation and interviews during the tour, and her scholarship will be increased to \$5,000. Second, third, and fourth ranking national winners will have their original scholarship grants increased to \$4,000, \$3,000 and \$2,000 respectively.

This is the 14th year of the Betty Crocker Search, initiated in 1954-55 by General Mills to emphasize the importance of home making as a career. Approximately six million senior girls have participated in the Search program since its inception, and 1,358 winners will have earned scholarships totalling \$1,481,500 at the conclusion of the current program.

The 603,798 girls from 15,079 schools registering for the 1968 Search established a new record for the program.

We would like to take this means to thank each person who sent cards, gifts and flowers and to those who visited us. This made our stay in the hospital seem even shorter. To Dr. Rodgers we are extremely grateful as well as to Mr. Donald Bolt and to the nurses for their many kindnesses.

We shall long remember our wonderful friends.

PROCTOR PROJECT DUE TO BE COMPLETED LATTER PART OF '68

For the past few days Eastland and Comanche Counties have received about all of the fresh water needed for a while. However, if plans go as scheduled Gorman, De Leon and Comanche will be using water from a new treatment plant now under construction near the Proctor Dam.

When completed the plant will be able to treat three and a half million gallons of water per day and distribute it through approximately 45 miles of pipelines. In addition the plant will have a one million gallon storage tank.

Construction is progressing at a good rate except for days lost due to bad weather and holidays. The plant is expected to be completed by late October.

Water lines are now being laid from the water basin to the filter plant.

Clearing of a right-of-way for the water from the filter plant to Comanche by a 16-inch line has been started.

The Progress has not received information as to when the line will be started to Gorman.

The plant is being constructed by the Upper Leon Municipal Water District in connection with the U. S. Dept. of Housing and Urban Development at a total cost of \$3,343,500.

WASHINGTON

"As it looks from here"

OMAR BURLESON
Congressman
17th District

WASHINGTON, D. C. — THE SECOND SESSION OF ANY CONGRESS is usually opened with less fanfare than the beginning of the First Session. This is due to the fact that the tempo is usually set in the First Session and simply continues at about the same stride.

THERE IS, HOWEVER, IN THE SECOND SESSION OF THE 90th Congress a volatile potential resembling a sleeping volcano. It is bound to erupt, but no one is sure just when and where.

FISCAL AFFAIRS WILL HOLD THE CENTER OF THE STAGE. Normally, it would not be a dramatic performance, but we are not in normal times.

AT LEAST, THERE IS SOME ENCOURAGEMENT to be taken from the appearance of deep concern on the part of many Members of Congress for our economic well-being. The feeling is too late in coming but the very fact that many recognize that we must put our financial house in order is an improvement in attitude.

As to how it is to be done and the measures used to accomplish it is something else. At the center is the President's call for a partial restoration of the tax decrease voted in 1964.

PRESENT ESTIMATES CALL FOR A \$20 billion deficit in this fiscal year, ending June 30. Another \$20 billion deficit is expected at the same time in 1969 unless an increase in the surtax is voted to produce approximately \$12 billion. This assumes that spending costs of Vietnam will hold at about the present level.

TO MEET THE THREAT TO THE INTEGRITY of the dollar in world-wide exchange, the Administration proposes to remove the requirement for 25% backing in gold.

AMONG THE MANY ISSUES FACING THE Second Session of the 90th Congress are:

IN THE FIELD OF AGRICULTURE the emphasis will be on proposals to establish machinery for farmer's collective bargaining and extending the Poverty Program to rural areas.

LABOR LEGISLATION IS NOT LIKELY TO BE of high interest unless crippling strikes occur in key industries such as in steel. Should big strikes occur it is possible that anti-strike legislation may be enacted. Proposals to overhaul the National La-

Homemaker's Hints

By Mrs. Janet Thomas
County Home Demonstration Agt.
Eastland County

The District 8 Texas Home Demonstration Association will hold its spring convention on March 8 in Hamilton. Home Demonstration ladies from some 20 Central Texas counties are making plans to attend.

Mrs. Ray Judia, Eastland HD Council Chairman, and Mrs. R. W. Gordon, Eastland Co. THDA Chairman, will be traveling to Hamilton this month on January 29 to make plans and preparations for the spring meeting.

Spring will be coming soon and maybe you're in the mood to do some gardening or landscaping. The Home Demonstration office, in the basement of the County Courthouse, has any number of good bulletins with information that will be helpful to you. These Extension publications are available to the public.

Health of our children is of primary concern to everyone. The Labor Relations Board and substitute in its stead a Labor Court will have hearings.

IN MATTERS OF EDUCATION, top priority will be focused on vocational and higher education measures. Attempts will be made to expand health care, particularly for children in families with working mothers. Intense attention is being given to the rising cost of medical and hospital care.

NUMEROUS PROPOSALS ON FOREIGN TRADE were introduced in the last Session which will carry over to the present one. Efforts will be made to expand our exports and more than 100 industries want greater protection from imports.

FOR THE PAST THREE YEARS CONSUMER INTEREST has been under continuous study. In this Session issues such as Truth-in-Lending, Pipeline Safety, Fire Safety and other measures may reach the debate stage.

CRIME IN THE STREETS AND JUVENILE DELINQUENCY are high in the Nation's concern. Various proposals to meet this challenge will be considered.

ON THE SIDE OF NATIONAL SECURITY IS, of course, the handling of the conflict in Vietnam. Related to it are measures of National Security which cover a vast area.

MATTERS RELATING TO NATURAL RESOURCES AND PUBLIC WORKS, TRANSPORTATION, ending June 30. Ant many and varied.

ALL IN ALL, IT IS A BIG ORDER to be accomplished before the National Political Conventions.

care of children's eyesight is of great concern to every mother, for she realizes that her child doesn't know how well he should see. For example, if things begin to appear blurred or "double", he may think they are supposed to look that way.

This makes it difficult for parents to detect eye problems in children at a time when it is most important to catch and correct them.

Parents should remember the ABC's for children's vision: A - appearance, B - behavior, and C - complaints.

Appearance: watch for drooping eyelids, crossed eyes, inflamed or watery eyes; recurring styes and red-rimmed, encrusted or swollen eyelids.

Behavior: Note if your child rubs his eyes excessively, tilts his head, develops poor eye-hand coordination, blinks more than usual, stumbles over things, or seeks the chair closest to the TV.

Complaints: Listen for comments about eye itching, burning or feeling scratchy, dizziness, headaches and nausea following close eye work.

Unfortunately, in some cases none of these are obvious, making eye defects harder to detect. What can be done about it? Eye tests at school catch many eye problems. Parents should have their children examined for visual acuity sometime before his

Newspaper Chow Fed To Dairy Cows

A mixture of ground-up newspapers and molasses was fed to a test group of heifers for 56 days in an experiment by dairy scientists at Pennsylvania State University. And believe it or not it made good cattle feed. These cows digested the mixture -- at the rate of two and a half pounds of newsprint daily -- just as well as a controlled group of heifers digested a standard high-quality feed supplement. Both groups of heifers were fed conventional corn silage along with the supplement. It is predicted by Dr. Earl M. Kesler, professor of dairy science, that a newsprint-molasses mixture could help alleviate the expected world food deficit by making available a cheap, nutritious cattle feed that would not compete with man's own food needs. Molasses is cheap and nutritious and cows can digest molasses better when it's mixed with newsprint. Furthermore the newsprint provides the kind of fiber the animals need. What affect the mixture had on the milk was not mentioned, but evidently there was no appreciable difference in the quality or quantity.

Half of all blindness is preventable. Remember: Half of all blindness is preventable.

Mrs. Stanley Porter, Mrs. Roy Kinsler, Mr. and Mrs. Charlie Lee Chambers and Mrs. Mert Chambers attended the funeral of their aunt, Mrs. F. B. Chambers, held Friday in Comanche. Mrs. Effie Broom visited with the families on Thursday.

Mr. and Mrs. George Hollifield, D. R. Clark, Lorena Clark and Estelle Craddock visited Tuesday night with their aunt, Mrs. Emma Brown, who is a patient in All Saints Hospital in Fort Worth.

THE GORDON SPOT

By Dee Gordon,
County Agricultural Agent
Eastland County

As I travel over the county I see more and more damage caused by the ice storms this winter. The ice broke and splintered shade trees as well as fruit and nut trees. Earl Walker's pecan orchard at Cisco was one that was heavily damaged. At least one-half of the limbs on many of many of the trees were broken.

Evergreen trees also received heavy damage. An extremely heavy coating of ice on the dense foliage broke many of the larger branches.

Prompt attention and proper treatment of the damaged trees will help prevent permanent disfigurement and possible premature death of the trees. It is best to hire a trained person to do the job if the ice damaged tree is large or the breakage has occurred high in the branches. However, many people will be doing their own work.

While the tree wounds are still fresh, much of the repair work can be done with a sharp pruning saw and an asphalt tree pound paint. An excellent temporary tree wound dressing is orange shellac. This is sometimes hard to find, but is usually available at nurseries and garden centers.

There are three simple guidelines to follow when removing the broken branches. The damaged branches should be removed flush with the trunk or nearest large branch. Stubs will only lead to a proliferation or sucker growth later on.

To prevent tearing the bark and causing additional damage to the tree in removing heavy limbs, make the first cut with the saw from the bottom side of the limb about 12 inches from the main branch. When the saw starts to bind make the second cut above about eight inches from the main branch. After the branch splits off remove the remaining stub with a saw flush with and parallel to the main branch. Lastly, apply the tree wound dressing to the exposed surface to prevent the entrance of disease and insects.

The extension publication "Modern Pruning Methods" is available in our office and will be helpful when you do your

pruning. Complete farm records are an asset when money must be borrowed for production and operating expenses. Knowing what the business is doing makes a strong talking point in making credit arrangements. Farm families need facts on which to base their decisions and none are more reliable than those obtained from well-kept farm records.

House Speaker Ben Barnes Files His Candidacy For Lt. Governor Of Texas

AUSTIN — Speaker of the House Ben Barnes officially filed for the office of Lieutenant Governor of Texas in Austin Tuesday.

Barnes, who made public his intentions to seek the Lieutenant Governorship several months ago, paid his filing fee to Will Davis the Chairman of the State Democratic Executive Committee.

Barnes told newsmen gathered at the State Democratic Headquarters that he will conduct a vigorous campaign throughout the state for the office of Lieutenant Governor, and that he hopes to see as many citizens as possible in every county.

He emphasized the fact that the people of Texas need and deserve strong leadership in our legislative halls if they are to continue to meet the ever increasing challenges of our rapidly growing and changing state.

Barnes, who is presently completing his eighth year in the House of Representatives, has served two terms as Speaker of the House.

Barnes' campaign for Lieutenant Governor moves into full swing this week with speeches and receptions in Fort Worth, Waco, Amarillo, Pampa, Van Horn, Georgetown, Bryan, Dallas and Austin.

Barnes is a native of Comanche County in Central West Texas.

has been attending the University of Texas at Arlington.

Mr. and Mrs. Glenn Jordan were in Floydada during the weekend to help her brother, Mr. and Mrs. Jamie Lewallen and family move to Gorman. They also visited with her parents, Mr. and Mrs. Jim Lewallen.

Mr. and Mrs. J. C. Clearman of Summerfield were visiting in the community on Tuesday.
