

HULLS

By Kernel Gene Baker, aPe

Received the following letter Tuesday. Signature withheld by request.

Mr. Baker:— Please use the following note in some way to warn parents that just don't take time to check the bikes their children are riding. I almost hit a little boy, or he almost hit me, I wasn't too sure but it would have been awful.

The time was 9:30 p. m. just before, real good dark. Four little bitty boys came racing madly down a street on bikes without any lights. I was pulling out from a curb into a light from a street lamp. The block behind me was dark enough that the bikes did not show up and my mirror picked up no approaching lights. . . . suddenly one cut square in front of me without warning of any kind. I expect he won the race but he almost didn't. I stopped and thanked God I was driving slowly, while the other three sped by.

From dusk to dark is such a dangerous time to ride a bike. Sometimes a car's lights will not pick up the reflector too well. Twice recently I have ridden up too and turned around bikes on my side of the street, that had NO reflectors after dark.

If these little boys and girls are going to ride them that time of evening, parents should be urged to see that the bikes are equipped with headlights, if not a taillight. They cost so little and could be worth so much.

I am certain guardian angels take care of youngsters. For many years I have watched youngsters race up and down the streets and sidewalks barely missing a pedestrian or being missed by an automobile.

Omar Burleson states in his column this week that the Senate has passed a bill in regards to children. A few of our Senators are leaning more and more toward the teachings of Marx, Hitler and Mussolini . . . and the attitude of many parents and American citizens are "so what."

Glad to see Mr. and Mrs. Ralph Dunn of Neptune, New Jersey in town. They have purchased the former Stephens property and plan to make their home in Gorman. More about these folks later.

Regarding local garbage and trash - - "The Supreme Court concludes: "A city can cut off water service for failure of residents to pay a garbage collection fee."

MRS. EUGENE BAKER HONORED ON 75TH BIRTHDAY ON JULY 29

Mrs. Eugene Baker began her 75th birthday celebration a week early when she was honored with a bridge luncheon in her home on Saturday, July 29th. Hostess for the event was her daughter, Mrs. O. B. Poyner of Ranger. Guests were Meses. Dallas Jobe, H. H. Pullig and Ethel Harrell. Bridge games began at 9:30 a. m. and continued through the day with time out for a delicious dinner at noon. Ice cold melon was served in the afternoon.

CARD OF THANKS

I deeply appreciate each of you for your kindness and expressions of concern of me during my stay in the Brownwood Hospital. The visits, cards, flowers and the food brought to our home and your prayers were genuinely appreciated and will be held in grateful remembrance.

Homecoming Committee Plans Many Activities

The Homecoming Committee met again Thursday night to formulate plans for Gorman School Homecoming to be held September 30th.

Committees have been appointed by Homecoming president Lester Seaton and class members of each graduating class are busy getting correct addresses of classmates so invitations will be in the mail soon to all ex-students and teachers.

The Committee has invited all ex-coaches for a special meeting and will be presented at the business meeting to be held Saturday afternoon.

Other activities for the day are being formulated and this is expected to be one of the best homecomings in the history of the school and it will be if everyone will make plans to be here on Saturday, November 30th.

Know Your School

By C. L. Garrett, Supt.

Well, it is almost football time again. Workouts for high school boys will begin on Monday, August 14. Prior to this time, all boys are required to take a physical examination and have on file a report of such examination. Since many parents have expressed their desire to have their own family doctor make this examination, we are letting students or parents pick up the report blanks and take their boy wherever they wish for the physical. The blanks are available now at the school office or the Progress office. I urge parents to pick up one soon and get the examination completed before workouts start.

The subject of insurance was discussed at the last board meeting and the board voted to keep the insurance with Insurnational, since their service has been so good. The cost of coverage was discussed and the board voted to cover the high school football boys with a \$10.00 deductible policy. This policy will cost the school \$27.50 and will provide the following basic coverage: (1) all hospital service, including room and board and general nursing care; (2) physicians and surgeons service, including x-rays; (3) administration of anesthesia; (4) licensed nurses, when hospitalized; (5) ambulance service (ground transportation to and from the hospital); (6) special braces; (7) physical therapy; (8) treatment of natural teeth (per tooth) up to \$100.00. The parent can remove the \$10.00 deductible clause from this policy by paying an additional \$7.50 on the policy. The policy will pay up to a total of \$10,000 for all of the services listed above that are rendered within one year from the date of the first treatment.

For accidental death the policy pays \$2,000.00, for the loss of both hands, feet, or eyes, \$7,500.00, for the loss of either hand, foot, or eye, \$3,750.00.

The few exclusions of the policy are: (1) the cost of medical expenses covered under any Workman's Compensation Law; (2) expenses for eye glasses, appliances, or prescription drugs; (3) any loss caused by hernia, bacterial infection (unless caused by infection of a wound created by an accident), any form of disease, heat exhaustion or over exertion, blisters or boils, suicide or attempt thereof while sane, any act of war, pre-existing condition, and travel upon any two or three wheeled motor vehicle.

The policy will pay FULL benefit for any injury which does not require hospital or surgical care, REGARDLESS of any payments the parent receives from other insurance. If the injury requires surgical or hospital care, and the total charges are less than \$50.00, the Coordination of Benefits will not apply. If surgical or hospital care is required and the total charges are more than \$50.00, payment will be made for those charges not covered by other insurance. Any payment paid by other insurance will reduce the amount owed by the parent under the \$10.00 deductible provision.

The board voted to require seventh and eighth grade students to be insured before playing this year, or sign a release in case of injury. These students may select the \$10.00 deductible policy for at-school coverage for \$7.00 or 24 hour coverage for \$21.00. The \$10.00 deductible may be removed by an additional payment of \$5.00 by the parent. The policy for seventh and eighth grade student will cover them for all accidents whether football related or not where the high school policy will cover only football injuries except for those who take the student insurance. The school will pay \$3.00 on any type of policy taken by a seventh or eighth

BILL ORMSBY LAID TO REST WEDNESDAY

William J. (Bill) Ormsby, 82, former owner of the Ormsby Grocery Store in Gorman, died at 7:10 a. m. Tuesday, August 1, at the Blackwell Hospital in Gorman.

Funeral services were held at 2 p. m. Wednesday at the First United Methodist Church in Gorman with Rev. J. W. Hodge, pastor, officiating. Burial was in the Oaklawn Cemetery under direction of Higginbotham Funeral Home.

Mr. Ormsby was born March 20, 1890, in McCulloch County. He was a member of the First United Methodist Church and the Gorman Masonic Lodge. He married Addie Mae White on August 9, 1909, in Dublin.

Desdemona H'coming School Reunion, Aug. 12

The Desdemona Homecoming will be held on the second Saturday in August, (the 12th). This is an annual affair the same date having been observed for almost half a century, with the exception of a years during World War II, when it was canceled because of shortage of gasoline, and to await the return of our fighting men.

There is some difference of opinion as to the actual year of the beginning of the Desdemona Homecoming. Some of the oldest oldtimers pinpoint the beginning year as far back as 1922. Others come up with the year 1932. The style and carrying on of the Homecoming has changed somewhat in the forty or fifty years of the existence.

In the early years, when the population was dense (during the "Oil Boom" days the pop-

ulation was estimated at twenty thousand) a parade was always formed, sometime a mile in length. The citizenship participated on foot bearing cartical signs and placards, on horseback, a string band on a wagon or truck, covered wagons, and vehicles from the oldest to the newest.

Beef for the lunch hour was barbecued over an open pit near the community tabernacle. A pitch fork was used to turn the meat. People from far and near brought baskets and boxes of food and spread them together. We now have lunch served by a catering service, thus more time for visiting and reminiscing with old friends.

Then, as now, the meeting was opened with gospel singing, prayer, welcome address, response to welcoming address recognition of visitors, presen-

tation of Bibles to oldest man and woman present, and a roll call and memorial service for those who have passed on since the last meeting.

The night program is usually made up of string bands, and vocal talent.

The annual "Desdemona School Reunion" is held each year in conjunction with the homecoming.

The tradition of holding the Homecoming at the Community Tabernacle will be broken this year. The "Homecoming" will, for the first time, be held in the air conditioned High School gymnasium.

A good time is always evident, and the general public is not only welcome, but is invited by the Homecoming Committee and the community as a whole. The program will start at 10 a. m. and continue throughout the day.

RECOGNITION AND AWARDS DINNER

Proposed PUBLIC NOTICE CONSTITUTIONAL AMENDMENT NUMBER 10 ON THE BALLOT (HJR 68) General Election November 7, 1972

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVII, Section 1, Constitution of the State of Texas, be amended to read as follows:

"Section 1. The Legislature, at any regular session, or at any special session when the matter is included within the purposes for which the session is convened, may propose amendments revising the Constitution to be voted upon by the qualified electors for statewide offices and propositions, as defined in the Constitution and statutes of this State. The date of the elections shall be specified by the Legislature. The proposal for submission must be approved by a vote of two-thirds of all the members elected to each House, entered by yeas and nays on the journals. A brief explanatory statement of the nature of a proposed amendment, together with the date of the election and the wording of the proposition as it is to appear on the ballot, shall be published twice in each newspaper in the State which meets requirements set by the Legislature for the publication of official notices of officers and departments of the state government. The explanatory statement shall be prepared by the Secretary of State and shall be approved by the Attorney General. The Secretary of State shall send a full and complete copy of the proposed amendment or amendments to each county clerk who shall post the same in a public place in the

courtthouse at least 30 days prior to the election on said amendment. The first notice shall be published not more than 60 days nor less than 50 days before the date of the election, and the second notice shall be published on the same day in the succeeding week. The Legislature shall fix the standards for the rate of charge for the publication, which may not be higher than the newspaper's published national rate for advertising per column inch.

"The election shall be held in accordance with procedures prescribed by the Legislature, and the returning officer in each county shall make returns to the Secretary of State of the number of legal votes cast at the election for and against each amendment. If it appears from the returns that a majority of the votes cast have been cast in favor of an amendment, it shall become a part of this Constitution, and proclamation thereof shall be made by the Governor."

Proposed PUBLIC NOTICE CONSTITUTIONAL AMENDMENT NUMBER 1 ON THE BALLOT (HJR 58) General Election November 7, 1972

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 24 of the Texas Constitution, be amended to read as follows:

"Section 24. Representatives shall receive from the Public Treasury an annual salary of not exceeding Eight Thousand, Four Hundred Dollars (\$8,400). Senators shall receive from the Public Treasury an annual salary of not exceeding Eight Thousand, Four Hundred Dollars (\$8,400). All Members of the Legislature, including the Lieutenant Governor and the Speaker of the House of Representatives, also shall receive from the Public Treasury a per diem of not exceeding Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days. This amendment shall be self-enforcing and appropriations heretofore made in the general appropriations bill for the biennium ending August 31, 1973, for the salaries of the Members of the Senate and House of Rep-

resentatives shall not be invalid because of the anticipatory nature of the legislation. "In addition to the per diem for the Members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no Member to be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of the Regular or Called Session."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1972, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to provide annual salaries of \$8,400 for members of the Senate and House of Representatives."

DESDEMONA NEWS

By MRS. ETHEL KEITH We are still having hot dry weather.

Mr. and Mrs. Oliver Foote of Olden visited with Murrell Foote Saturday.

Mrs. Rosa Howard of Plainview visited her sister, Mrs. Cora Greenhaw, over the week end.

Mr. and Mrs. Frank Leazar of Eunice, N. M. visited Mr. and Mrs. John Arnold over the weekend. Jolene May returned home with them for an extended visit.

Mr. and Mrs. Bernard Keith and family have visited with his mother, Mrs. Ethel Keith. They have just returned from a three week vacation to Colorado and on into Canada. They visited with a friend and family, Vernon Duke, who lives in Morgan, Colorado.

Mrs. Mack Keith and children of Monahans visited Annie Rainey and Ethel Keith over the weekend.

Rob and Betty Guthery and children of Irving have just returned from a vacation in Washington state and visited Nannie Guthery on Sunday.

Miss Lizzie Moore has returned home after spending several days with her brother, Mr. and Mrs. George Moore in Eastland.

Belinda Guthery was duchess from Desdemona at the Peach and Melon Festival in De Leon this week.

Mr. and Mrs. Loyd Jones and son, Bruce of Fort Worth, visited Ethel Keith and C. M. and Vonnie Guthery on Sunday.

Maude Fuqua was in Girard this week visiting a sister, Mrs. Edna Clayton of Dublin and Laveda Krapf of Ft Worth was also in West Texas visiting an aunt and sister-in-law, Mrs. Perry, at Silverton.

Cindy Buckley is enjoying a weeks vacation in the mountains of Ruidosa, N. M. She went as a guest of Robert Whitesides of Rising Star. Cindy had a little misfortune on their first day out she wore her contact lenses too long and her eyes became irritated. She was taken to a hospital and had her eyes bandaged, but the next day her eyes were fine and they were on their way to the cool climate in Ruidosa.

The Buckleys have had several vacations this summer. Pat and children accompanied by Sue Warren and children of De Leon spent a fun week on Padre Island. Linda spent a month in Kermit with her grandparents, Jack and Mary Williams. Jeff also visited in Kermit for ten days. John T. is going to Graham for his vacation. I wonder where Pa (Jerry) spent his vacation?

Mr. and Mrs. Jim Grimshaw returned from New Mexico last Monday. They were in Glorieta, N. M. one Sunday and attended church services there and then on to the mountains where the weather was really cool. Nona reported how she enjoyed cooking out on a camp fire. Glad someone enjoys cooking. I had rather be on the eating line. As they returned they attended church Sunday at the church she attended as a young girl.

Mr. and Mrs. Sonny Tomms and son had supper with her grandmother, Mrs. Iva Buchan, Saturday night on their way home at Monahans. They had been to Fort Hood.

Mrs. Fay Walker and two grandsons visited her mother, Mrs. Iva Buchan. They live in far East Texas.

Loy Robinson remains a patient in the Gorman Hospital. Mr. and Mrs. Kenneth Good have moved into the Stacy house on Highway 16 north. They will be teaching school in Gorman. They have four children. We are always glad to have new people to move into our community.

REMEMBER AUGUST 12 Remember, August 12th is red letter day in Desdemona. This will be the annual homecoming. It will be at the school house Community Center.

There will be catering service and plenty of room for everyone. Come and meet old friends and make new ones and make our community a place of which people will be proud.

Mrs. Hattie Tate, Sub-Reporter

John Edward Clark and David Fulberg of Brownsville visited Saturday with his aunts, Mr. and Mrs. George Hollifield, Miss Lorena Clark and Estelle Craddock.

THREE KIDS KILLED BY VARMENTS

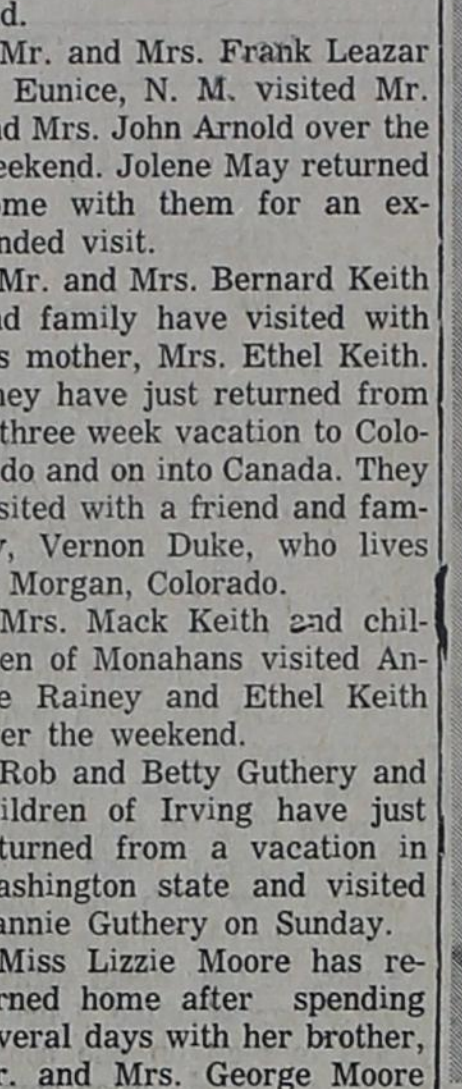

Photo by Lynn J. Post, Stephenville

"Birth control pills for coyotes may someday make a picture such as this a rarity. However, the 'pill' is still in the development stage and livestock being killed by varments are a reality," says Joe Fambro, chairman of the Board of Directors for the Leon-Bosque Resource Conservation and Development Project.

These kid goats were killed by varments within 50 yards of Jay Bishop's home in Erath County. The same night, a ewe had her throat slashed. Bishop feels the work was done by coyotes.

There has been some promising research work done on "birth control pills" for coyotes. Using baits treated with stilbestrol, reproduction has been significantly reduced in some study areas. More research is needed on this method to improve the technique.

President Nixon recently signed executive order number 11643 which prohibits federal employees from controlling predator populations by the use of chemicals. As a result, the only methods whereby predators can be controlled are by shooting, trapping, or finding a den and controlling the young by mechanical methods. The ban on chemicals also applies to public land. The predator control agents paid partly by federal and partly by state funds are also limited by these restrictions.

"With environmentalists and preservationists wanting to stop all control on coyote and other predators, the ranching industry has been put between a rock and a hard place," Fambro said. Already antelope and deer herds in parts of Texas are having a reduced fawn survival rate. The planned restocking of the Desert Bighorn Sheep into some of the original range of the animal now faces some problems from predators.

Fambro said, "the loss of livestock is becoming an all too familiar problem to Texas livestock producers. Very few ranchers want the coyote exterminated. Producers want to reduce their population so that natural foods, rabbits, ground squirrels, rats, etc., can supply their needs." When there isn't enough food to go around the coyote gets hungry. When hungry, he loses his natural fear of man. Sheep, goats, and baby calves are relatively defenseless animals and can be taken with ease. Game animals such as deer, turkey, and quail are also killed.

This is a major economic loss to the rancher and will eventually be felt by the city dweller and sportsman as well. Increased meat prices and less game available for harvest by hunters and sportsmen will be two of the problems noticed.

Ranchers tell of controlling coyotes numbers and rarely if ever loosing livestock to coyotes. When they would occasionally kill a coyote, the animal would be sleek and in excellent condition with no signs of mange or other diseases. The natural food of rabbits and other small animals provided all the necessary food. When coyote populations increase to large numbers, ranchers begin to lose livestock. The physical condition and appearance of the coyote gets worse. Coyotes can become mangey, shaggy, diseased, harbor parasites, etc. - all are the symptoms of malnutrition and/or overpopulation.

A stomach study of over 8,300 coyotes showed domestic livestock to be contained in 13.5 percent of the animals. This readily affects the livestock producer. Deer are the most vulnerable as fawns, but after a few weeks of age, they have the ability to get away from the coyote. Livestock, however, are more defenseless and are taken throughout most of the year. Coyotes also take large numbers of nesting game birds, such as quail.

Visiting Mrs. Ruby Bennett and the Joe Bennetts during the weekend were Mr. and Mrs. Fred Bennett and Marc of Cleburne and Mr. and Mrs. Joe Lynn Bennett of Odessa.

"We don't want to eliminate the coyote," says Fambro. "We want to reduce the excess numbers to a point where the natural food supply will take care of their needs. This will, in turn, reduce our livestock losses. Predator control programs need to be developed that will benefit all segments of our society."

inept to rear their own children."

WELL HOW-DO-YOU-DO DR. LOURIE! — The "new kind of world" Dr. Lourie refers to must be that novelized by Huxley who foresaw test-tube children and regimented adults whose pleasure was dispensed in governmentally prescribed doses.

THE ASSUMPTION OF THOSE WHO promote and support these ideas seem to be that an institution, run by an impersonalized staff, can substitute for parental love and care.

AS DR. ERNEST VAN DEN HAAG, New York University psychoanalyst testified, "the assumption that social science has as yet produced a tested theory of child rearing is sheer fantasy. Only a few variables have been detected and

they suggest that family care should be encouraged, not replaced."

NO ONE ARGUES THAT THERE IS not a need for remedial services for disadvantaged and neglected children. There are programs already in effect for this purpose. The "Child Development Bill" as passed by the U. S. Senate and now to be considered is much, much more. The whole concept appears to be that the Government and

BENNETT REUNION HELD AT POSSUM KINGDOM

The descendants of the late Mr. and Mrs. L. A. Bennett met in the annual reunion at Cosden Camp on Possum King

dom Lake August 28-29-30th. The following were present: Mr. and Mrs. G. F. Bennett, Jessie Lee Eison, Mr. and Mrs. Elroy Smith, Mrs. Velma Bennett, Mr. and Mrs. Jackie Grice, and Lonnie Bennett, all of Gorman; Mr. and Mrs. Jim Bennett and Mr. and Mrs. L. A. Bennett of Eastland; Mr. and Mrs. Sam Bennett, Mr. and Mrs. Roy Bennett, Eric Nielson and Craig, Mr. and Mrs. Gerald Wooten, Chris, and Laura Brandon, all of Big Spring; Mrs. Babe Huett, Elwood Huett, Mr. and Mrs. Kenneth Huett, daughter and son, and Mr. and Mrs. Aubrey Clay, all of Ft Worth; Mr. and Mrs. Glenn Huett and Ronnie of Weatherford; Mr. and Mrs. Bernard Huett of Abilene; Mr. and Mrs. Earl Little, and Mr. and Mrs. Ronnie Patterson of Albany; Mr. and Mrs. Burnett Eison and Lee Ann of Wichita Falls; Mr. and Mrs. Lee Widens, James and Becky of Mineral Wells; Mr. and Mrs. Ronnie Farquhar, Lori, Mark and Kathleen, and Mr. and Mrs. Joe Lynn Bennett of Odessa; and Mr. and Mrs. Vernon Bennett of Midland.

MR. GEORGE GILDER IN A RECENTLY published article had this to say: "When these havens (family and home) are eliminated, where does one go to find love and individual affirmation — to be accepted for who one is, rather than for what one does or how much money one makes? Where can one find meaning and a sense of the future — of human transcendence? Not in a day-care center, I trust."

THE CONCEPT OF COMMUNAL child rearing is alien to America and would deeply affect the traditional values found in the family unit.

THE "STANDARDIZING" OF CHILDREN has historically been the practice of totalitarian countries. Probably Communist China has the most far-reaching of any in modern times. Political and social direction are the principle motives. This sort of regimentation just does not represent the American family life which has been the mainstay of the moral fiber of our Nation.

WE CANNOT DEMAND ON ONE HAND more academic freedom, more freedom of mobility and more freedom of speech while on the other hand abdicate to the Government the responsibility for teaching these freedoms to our children. Not only is it glaringly inconsistent, but the chances are these and other principles would never be taught.

THE GREATEST OBJECTION OF ALL to these proposals is the simple proposition of substituting a building for a mother's image.

WASHINGTON
"As it looks from here"
OMAR BURLISON
Congressman
17th District

WASHINGTON, D. C. — THE UNITED STATES SENATE has again passed the Bill entitled "The Comprehensive Headstart, Child Development and Family Services Act of 1972." In December of last year the Congress passed a similar measure as an amendment to the Economic Opportunity Act which was vetoed by the President.

"CHILD DEVELOPMENT" SHOULD NOT be confused with "day care" which pro-

vides facilities for children of working mothers. There are provisions for these services in other legislation. THE BILL PASSED BY THE SENATE and which will soon be before the House of Representatives is more than just "child care." As described by the advocates it is "an activist's program intent upon perfecting the child's early environment." Dr. Reginald Lourie, President of the Commission on the Mental Health of Children, in testifying before the Senate Committee said "there is serious thinking among child researchers that we cannot trust the family alone to prepare young people for this new kind of world—not only are parents unnecessary, but they are too
