

**GORMAN HIGH CLASS OF 1920** — Members of the Gorman High Class of 1920 attending a reunion held Oct. 31, pictured left to right, were Mrs. C. J. Thompson (Marcella Scales) of Kingsland; Mrs. Ira Ford (Zula Harwell), Lamesa; Mrs. Blake Denman (Paralee Williams), Houston; Mrs. Lowe Moragne (Lowe Hutchins), Austin; Mrs. F. J. Williamson (Nita Andrus), San Antonio; Otis Thompson, Gorman; and Hosea Spratling, Galveston.

An unusual group met in Gorman on Saturday, October 31 — the Gorman High School Class of 1920. Fifty years ago this group finished high school in Gorman and went in different directions pursuing life. There were eight graduates in the class and all are still living; and judging from Saturday's activity, they are still an energetic group. Remember these names? Marcella Scales, Zula Harwell, Paralee Williams, Lowe Hutchins, Nita Andrus, Otis Thompson, Hosea Spratling, Ferrell Creager, and Ruth Gray. They were all students in school here.

**ELIZABETH ANN PARR NAMED IN WHO'S WHO FOR 1970 AT NTSU**

DENTON — Elizabeth Ann Parr of Gorman was among 36 students of Gorman to represent North Texas State University in the 1971 edition of "Who's Who Among Students in American Universities and Colleges."

The honor group was selected from a student body of 15,027, Jack Wheeler, associate dean of students, announced last week.

High scholastic standing and participation in activities such as student government, publications, debate, music, art, drama, athletics, ROTC and campus organizations are the basis of the honor.

Miss Parr, the daughter of Mr. and Mrs. W. O. Parr of Gorman, was named "Who's Who in elementary education."

A senior elementary education major, Miss Parr is active in Alpha Lambda Delta, national honor society for women and Mortar Board, national senior women's honor society.

Mr. Claude Curb at top and Mrs. Cleo Hamilton were among those honored on their birthdays at Lawndale.

**BIRTHDAY HONOREES AT LAWDALE HOME** — Among those honored on birthdays at Lawndale were, left to right: Mrs. Lovell, Mrs. Ollie Sims and Mrs. Clemmie Phillips. Under crepe paper decorations of orange and black, Lawndale residents and their guests celebrated the birthdays of the above mentioned. Everyone enjoyed cake and Halloween punch served from a table decorated in Halloween fashion centered with a Jack-o-lantern.

**Large Number of Votes Cast For Tuesday's Election**

General Election Day, Tuesday, November 3rd, broke clear and cold in Precinct 5 with voting box in the Gorman Fire Hall. A total of 517 votes were cast out of a possible list of 887 registered voters. Thirteen more had voted absentee, making a total of 530 votes credited to Precinct No. 5. Democrats led the way as Preston Smith received 321 for Governor while his Republican opponent Paul Eggers received 184. Ben Barnes, Democratic candidate for Lt. Governor, received 327 votes and his Republican opponent Byron Fullerton received 178. Probably the most hotly contested race in Texas was for United States Senator. Lloyd Benton, the Democratic candidate, received 322, and George Bush, the Republican candidate, received 170.

Omar Burleson, the U. S. Representative for the 17th Congressional District, a Democrat, was unopposed and received 398 votes in Precinct 5.

Dick Foster was unopposed as County Commissioner of Precinct 2 and received 416 votes. C. W. Swanner received 418 votes for Justice of the Peace, Precinct 2. Area voters showed more interest in some amendments than others, but studied votes were cast for all seven by Precinct 5 voters.

- No. 1 - Judges retirement - for, 246; against 173.
- No. 2 - Liquor by drink - for, 95; against, 394.
- No. 3 - Farm Assessments - for 233; against 223.
- No. 4 - Building Commission - for, 166; against, 227.
- No. 5 - Road Bonds - for, 208; against 213.
- No. 6 - Homestead Exemptions - for, 198; against 239.
- No. 7 - Consolidating Offices - for, 154; against, 264.

Seven of those who had spent many years in school together collected at the home of Mr. and Mrs. Bill Chandler in Gorman on Saturday morning for cake and coffee. They brought diplomas, snap shots, school group pictures and other memorabilia, all of which they spent a great time reminiscing about. And in the true spirit of Gorman High, they sang their school song (to the tune of "Long, Long Trail A-winding").

The group left Gorman soon after noon and went on to the Saddle & Sirolo Restaurant in Abilene for a special planned dinner. Ferrell Creager of Kaufman joined the group in Abilene, but he failed to connect with the coffee-drinkers in Gorman. Mrs. Ruby Gray Mathews was the only one of the eight graduates who did not attend Saturday's fun.

**Mrs. Charles Duran Host For WSCS Meeting Monday**

The Woman's Society of Christian Service met in the home of Mrs. Charles Duran on Monday, November 2, at 2:30 p. m. Mrs. Bob Green gave the introduction to the study of the "Americas"; Where Tomorrow Struggles to be Born; The Americas in Transition. The author of the book, Thomas J. Liggett, spent twenty years living among the people of Latin America.

Mrs. Green gave the historical, economic, social and political background of the people. The church has been in Latin America for hundreds of years. Protestantism started active missionary work after 1900, and has grown to seven and a half million in 1970. Can it adapt to today's changes? This and other questions will be examined as the study progresses.

Mrs. A. A. Brown gave the poem, "The Question Song." This was followed by a moment of silent prayer and closed by the group repeating the Lord's Prayer. A cold day, serious study — these make refreshment time even more welcome. Mrs. Duran had prepared quite an assortment of temptations—delicious cake, assorted cookies, sandwiches, punch and coffee.

The next meeting of the WSCS and the second lesson of the study "The Revolution at Work," will be on Monday, November 9th at 2:30 p. m. in the home of Mrs. Marvin Blair. The WSCS welcomes you to join them in this interesting series.

**CARD OF THANKS**

We would like to thank everyone for every act of kindness shown to the family of Mrs. J. H. Barbee during our time of sorrow. If we missed thanking anyone please accept this as our personal thank you. Our special thanks to Higginbotham Funeral Home for the exceedingly nice way in which everything was conducted and to Bro. Moore and Bro. Bostick for the words of comfort which meant so much to all of us. May God's richest blessings be bestowed on each and every one of you.

The family of Mrs. J. H. Barbee

**Phyllis Rhodes Is Honored at Shower Saturday Evening**

Miss Phyllis Rhodes, bride-elect of Vic Stacy, was honored with a miscellaneous bridal shower on Saturday evening, October 31, in the home of Mrs. Doyle Preston. Joining Mrs. Preston as hostesses were Mesdames Ray Rankin, Frank Rhymes, Lendon Shipman, Bruce Hirst, O. R. Buchanan, Ron Rodgers, June Selman, Ruby Anderson, and James Mears.

The serving table carried out the bride's chosen colors of green and white. The table was covered with a white cut-work cloth, centered with an arrangement of green carnations. Appointments were of crystal and silver. Assisting at the refreshment service were Mrs. Leslie Sharp of Desdemona and Mrs. Delbert Thompson of Lubbock.

Special guests were Mrs. C. H. Stacy of Gorman, grandmother of the prospective bridegroom; Mrs. Edward Stacy, Mrs. Tim Stacy and Mrs. Terry Stacy, all of Carbon; Mrs. B. H. Greer of Breckenridge and Mrs. R. D. Dutton of Lake Leon.

**Tarleton State Civic Series Will Open on Monday**

STEPHENVILLE (Sp.) — The Tarleton State College Civic Series opens Monday night with the Young Americans singing group, Don Morton, head of the Department of Music and Art, announced.

The program will begin at 8 p. m. in the Main Auditorium. Tickets are available at the Tarleton State College business office adults \$2.50; high school students \$1.50; and grade school students \$1.00.

The Young Americans, a non-profit organization, was created in 1962 when Milton C. Anderson, then an instructor and choral director at a Los Angeles school, decided that the country needed a young musical group that would promote standards of excellence in understanding and friendliness as well as music.

From auditions which attracted 2,000 applicants, 36 boys and girls were selected. The group's first program was presented by the Junior Chamber of Commerce at the NEC-TV studios in Burbank in May of 1963. They have appeared all over the nation in concerts and most of the major TV networks on special programs.

A reserve of 40 student performers is kept on hand to substitute for regular group members who may be unable to perform due to illness or studies. A goal of the organization is to tour foreign countries as youthful ambassadors of understanding and good will.

**Letter To The Editor**

Librarian Gorman Public Library Gorman, Texas 76454

Dear Friend: The 1970 Agriculture Yearbook, *Contours of Change*, is just off the press (and has been received by the Progress Library). I am pleased to provide the library with a copy. It is being placed in the mail to you under separate cover.

This is a book about rural America—where a third of all Americans live—and the forces constantly reshaping it. The Yearbook also tells of agriculture's amazingly efficient job of producing food for an ever larger number of people.

In the book's foreward, the Secretary of Agriculture has expressed the hope that the new Yearbook will contribute to a better understanding of rural America and agriculture by the American people. I hope it will be of interest and benefit to those using the library.

It is a pleasure to be of this service, and with kind regards, I remain

Sincerely yours, Omar Burleson —GP—

**Halloween Carney Raises \$574.94**

The Gorman School's annual Halloween Carnival was a success by all measures on Thursday evening. A large crowd of folks had a fine time, students certainly deepened their feelings of school spirit, and some profit resulted. Total raised was \$574.94, with \$143.98 going to the classes, and \$431.56 going to the athletic fund.

All class candidates for king and queen participated in the Coronation. King and Queen of the grade group one through four were first graders Bud Jeffs and Tacy Simpson. Winners of the second grouping of grades five through eight were sixth graders Revis Laminack and Susan Swanner. High School King and Queen were sophomores Kelly Henderson and Karan Kirk. The Gorman School officials and teachers expressed appreciation to everyone for the fine cooperation in making the carnival a successful one.

**CARD OF THANKS**

We deeply appreciate every kindness, the cards and memorials, those who called, and all other consideration shown at the death of my mother, Mrs. Erin Betterton. Mr. and Mrs. C. R. Day

**GREAT!** That's the only word for the outstanding performance of the Gorman Panthers on Friday night, because it took plenty of character and determination to overcome the bad breaks which the Panthers suffered in the opening quarter of the Lometa game on Friday night. However, their character, determination and fine defensive play overcome the bad breaks and

held the Lometa Hornets scoreless all night, and came up with a District 17-B game by a score of 27-0.

The Panther offense was held in check the first period, always getting the ball deep in their own territory. However, with 11:53 left on the clock in the second quarter Kelly Selman, behind some fine protection by the front wall of the Panthers, tossed a perfect strike to Jackie Selman for 21 yards and a score. This play capped a drive which started on the Gorman 26 yard line. Featured in the drive was a real fine 63 yard scamper by fullback Wesley Rogers. Rogers kicked the point after and Gorman led 7-0.

After holding the Hornets on the next possession, the Big Red took the ball on their own 47 yard line and following a five yard penalty against Gorman, Johnny Seitem took the handoff from Henderson, broke through the line, cut to the outside and outran the secondary men for the Hornets on a dazzling 53 yard scamper which brought the fans to their feet and scored the second Panther tally with 9:57 left in the second period. Rogers again kicked the PAT and Gorman was ahead 14-0.

The Big Red scored again before the half-time intermission, taking over the ball on the Hornet 30 yard line and crossed the double stripe in 11 plays with Wesley Rogers bursting over his right side for the final yard with 2:54 left in the period. The kick failed and the Panthers led 20-0 at half-time.

The Panthers managed only one touchdown the last half and it came with 9:30 left in the third quarter when Wesley Rogers dug out the final 2 yards for the TD. Rogers kicked the PAT to make the final score 27-0.

The Big Red also had one beautiful 62 yard touchdown run by Johnny Seitem called back on a penalty.

Wesley Rogers was the leading ball carrier for Gorman with 135 yards on 20 carries for a 6.7 yard average. Seitem carried 9 times for 83 yards for 9.2; Henderson got 10 yards on 4 QB keeps; Billy Self had 4 yards on 3 trips; and Jackie Selman got 4 yards on 7 carries.

The moral of the story is this: enough cannot be said for the front line of the fighting Panthers, both on offense and defense, and especially on defense this week as they held the rugged Hornets to only 42 yards rushing and 72 passing. The outstanding job by the down men, the line-backers and secondary was really something to see. We feel that the win was a big team effort. However, we must single out at least three boys that we feel deserve special mention, and they are Danny Snider, Reggie Underwood and Rodney Duke, who had his best game of the year.

And naturally, our nod for the Outstanding Offensive Player of the Week could be no other than Wesley Rogers, and I am sure that everyone who saw the game will agree with me. Wesley had his best game of the season by far last week as he smashed through the Hornet defenders all night for needed yardage in the critical yardage downs, and also did a fine blocking job for the other Big Red runners.

Well, the Panthers must put this win in the back of their minds and prepare for their second District 17-B game Friday night when they travel to Evant. They will need another one of those top-notch performances to come out on top of the Elks. And we feel that they will come out on top at Evant Friday night at 7:30 if they continue the fine team effort that they have shown in prior games this season. Right, Panthers?

**BAND BOOSTERS NEWS**

The Band Boosters held their regularly scheduled first Monday night meeting on November 2nd at the band hall with a fairly good number present.

A report was given on the amount in the treasury. The club discussed a number of items, including the price of new band uniforms, which were reported to cost around \$100 each.

Those present commented very favorably on the band's performance last Friday night, and the hope of all was that the band would continue their half time performances for the rest of the season.

Band Director Russell Fuller outlined the band performance for this Friday night and had some favorable comments about the band performance.

**OFF AND AWAY** — Photo at top shows Johnny Seitem (23) on a dazzling 53 yard touchdown dash in the Lometa game Friday night at Brogdon Field. Lower left shows Wesley Rogers on one of his many yardage gaining runs of the night. At lower right is Kelly Henderson ducking his head and ramming for a 5 yard gain.

**BAND NEWS**

**By George Ann Bettis**  
The Panther Band is really looking up these days. A half-time show was presented and well received at the Gorman and Lometa game. Many people, including the band director, were surprised at the quality of the performance.

The band is working on a show for this Friday night, so come out and root for the band.

**DADS NIGHT AT GHS** — Friday night's game with the Lometa Hornets at Brogdon Field was Dads Night for the Panthers and they proudly marched across the field with their dads.

**GHS PANTHER MARCHING BAND** — The Panther Marching Band, pride of GHS, did a marvelous job in their halftime performance at the Lometa-Gorman game Friday night. This was their first marching performance of the season, but from the response of the fans, this surely will not be the last for the band. June Collins is drum major and George Ann Bettis and Sha Rogers are twirlers.

**WASHINGTON**  
"As it looks from here"  
OMAR BURLESOV  
Congressman  
17th District

WASHINGTON, D. C. - WHEN ANY MONEY IS LYING around in Washington not being used, it is a certainty that somebody will be proposing ways to spend it.

IT IS A LITTLE STRANGE that there is "Federal" money in Washington not being used. Contrarily, money is being used which in most instances doesn't exist at all.

THE CASE IN POINT, HOWEVER, is the Highway Trust Fund which is well in the black unless it is considered that its funds have been borrowed by other Federal agencies. The repayment of these funds is as good as any other obligation of the Federal Government but they may not always be readily available.

AT THE PRESENT TIME A GOODLY portion of funds created under the Federal-Aid Highway Act is being withheld by the Administration. The Congress has before it legislation to continue and extend the Interstate Highway Program, which is paid for by the gasoline and other taxes. The tax end of it, which is handled by the Ways and Means Committee, has been approved but the Public Works Committee of the Congress has jurisdiction over all other features of the Highway Program which calls for a 90 percent payment by the Federal Government with 10 percent by the various States.

THERE ARE ALL SORTS OF PROPOSALS for diverting money from the Highway Trust Fund for purposes not provided in the original Act.

MAINLY, THE ADVOCATES OF DIVERTING Trust Fund money want it for mass transit systems in the big cities. Just recently the Congress voted to authorize more than \$3 Billion for this purpose but the Governors, Senators and Congressmen from these areas say this is a drop in the bucket and want to tap funds collected for building interstate highways to an urban transit system. When these members found that last year the Highway Trust Fund had a surplus of over \$2 Billion in unobligated funds they immediately attempted to latch on to it. They even go beyond proposals to build streets but want to purchase equipment and retire debts incurred in the past. As a matter of mechanics, there is really no such thing as unobligated funds for highway building. This is the trouble at the moment - funds are obligated when allocated. This simply means that funds promised a State must be assured many

months in advance in order that the States may properly plan. Funds furnished a State should not be delayed, as is the case at the present time. When this is done, it throws out of kilter long term planning causing expensive delays. In Texas, funds for this fiscal year, which ends next June 30, are reduced from \$275 million authorized to \$210 million, which means a 23.6 percent drop. Our State of Texas, during the last 10 years has sent about three quarters of a billion dollars to the Highway Trust Fund more than it has received back in Federal aid. At the present time, Texas is due about \$145 million that has been arbitrarily held back by the Administration. One of the reasons given is the cut-back will help fight inflation. As already mentioned, the actual expenditure would not come about for quite a long period of time if released at the moment. What is critical is not knowing how to plan and what to depend on.

IF THE CONGRESS EVER PERMITS the Highway Trust Fund to be tapped for such things as exclusive bus lanes, bus freeways with entries and exits, bus stops, fringe parking, the purchase of street equipment, the payment of bonded debts of the cities created for transit needs, the whole highway program will be severely damaged and curtailed.

TO DO OTHER THAN TO BUILD HIGHWAYS with taxes collected for that purpose is not keeping faith with the States and the highway users who pay the bill.

TEXAS FARM BUREAU REPRESENTATIVE encouraging rural visitors to join their efforts in improving living on farms and in rural areas.

The Texas Farm Bureau is holding its 37th Annual Convention at the Sheraton-Fort Worth Hotel November 8-11. Some convention activities will be held in the Tarrant County Convention Center Theater.

CHEESE ANYONE - Dairy products were represented in this booth and a talking cow in the little red barn invited visitors to sample cheese and also pick up dairy recipes.

HONEY - The Original Flower Power - according to Bill Vicker and Morris Weaver, who handle bees like babies. Bee hives, with an outlet through the wall so bees could come and go, was one of the main attractions. Soft drink stands near the building were a bit unhappy because bees would stop by for a drink without paying. Bees play an important part in agriculture with their pollinating.

## DESDEMONA NEWS

By ETHEL KEITH

The Halloween Party sponsored by the First Baptist Church held at the school house Friday night was quite a success with quite a number of adults participating along with the children. Trick or Treaters were numerous and enjoyed by givers as well as receivers.

All of Mrs. Evah Sparkmans grandchildren from Stephenville were here for the Halloween celebration.

Mr. and Mrs. Ira Loving of Seymour were here one day the past week and visited Mrs. Maud Fuqua on their way to Stephenville to visit relatives.

Visitors in the home of Mr. and Mrs. Hardy Tidwell on Saturday were Mr. and Mrs. John Brown of Conroe, Mrs. Nettie Brown and sister, Mrs. Vincie Waldon of Hamlin, and the Tidwell daughter, Mr. and Mrs. Jerry King and children of Crockett.

Mrs. Barbara Quinn Stewart of Weatherford was here Saturday and visited her grandmother, Mrs. Emma Quinn.

Mr. and Mrs. Ken Horan and Schelly of Dallas spent the weekend here with her parents, Mr. and Mrs. Morgan Roberts, and grandmother, Mrs. Docy Williams.

Mr. and Mrs. Kevin Weaver of De Leon spent the weekend here with her parents, Mr. and Mrs. Morgan Roberts, and Docy Williams.

Mr. and Mrs. Ervel Quinn of Mineral Wells spent Sunday here with his grandmother, Mrs. Emma Quinn.

Mrs. Tom Forrest of De Leon, mother of Mrs. Avis Painter, was taken suddenly ill with a heart attack and rushed to the Gorman hospital and is now reported quite improved.

Mrs. R. A. Brown, who has been in the Dublin Hospital for several days, is expected to be home early this week.

Mrs. Bill Adams of Fort Worth spent Monday with her sister, Mrs. Neita Gee.

Visitors with Mr. and Mrs. David Deguire on Sunday were three of her children, Mr. and Mrs. Leo Williams of Graford, Mr. and Mrs. W. T. Yardley of Granbury and Mrs. Ruth Koonce.

Mr. and Mrs. Butch Baker and boys of San Antonio and Mr. and Mrs. Roy Taylor and boys of Kermit visited the weekend with their parents, Mr. and Mrs. Stanley Baker.

Mrs. Joe Yoakum of Fort Worth and Mrs. Stanley Baker left Monday for a visit with their parents, Mr. and Mrs. A. B. Bayless of Kermit.

## West Texas Area Shows Increase in Population 1960-70

The West Texas area showed a population increase of 6 percent from 1960 to 1970, according to a study released by the West Texas Chamber of Commerce this week. Figures are based upon preliminary census figures and will change slightly when final figures are released by the Census Bureau.

Retail sales also showed a substantial gain of 58 percent and bank deposits were up 86 percent, according to F. V. Wallace of Amarillo, president of the regional organization.

The report compares population growth or loss with the economic trends for each of the 132 counties in the West Texas area. Chamber officials explained that a large percentage of the increase in retail sales and bank deposits can be attributed to inflation. After the inflation factor is removed here are still substantial increases of 13 percent in retail sales and 44 percent increase in

Newly installed president, Denise Grady, presided over the business meeting.

The members voted to have a talent show to raise money.

The meeting was adjourned and refreshments were served by the juniors.

**THE GORDON SPOT**

By DeMarquis Gordon  
Eastland County Agric. Agent

You are going to see a lot of improvements made in the Koko Community in the future. Those people have pride in their community and it's showing up in the new brick church and the remodeling of the old school building. They organized a community club under the oak trees, but plan to be meeting in the community center which was the old school building. Billy Walker is their president. Under his leadership they have entered the Texas Community Improvement Program.

As I drove through the community a couple of weeks ago I saw four men putting a new roof on the community center. I stopped and talked with J. C. Clearman, Floyd Woods, Alvin Lasater, and Orval Treadway. They told me of the plans to remodel the building. Most of the material and all the labor is being donated. They said other people in the community would be working on the center after the peanut harvest is completed.

The weather was very disagreeable for the peanut tour on Oct. 8 as well as the Experiment Station field day Oct. 15.

About 25 men met at Carbon on Oct. 8 and we visited three peanut demonstrations. The temperature was in the low 40's and the wind was blowing about 30 miles per hour. The weather was not much better on October 15 during the peanut station field day in Stephenville. Tours of the station plots had to be eliminated because of the bad weather. However, the visitors did get to see the educational exhibits. Extension specialists and Experiment Researchers discussed the work being done to help solve the many problems in peanut production.

Mr. and Mrs. James W. Wood of Carbon are among 12 Texas 4-H leaders to receive a scholarship to the Southern Regional 4-H Leaders Forum at Rock Eagle 4-H Center in Georgia Oct. 19-23.

More than 200 adult 4-H leaders from 12 Southern States, Puerto Rico and the Virgin Islands attended the forum which had as its theme "Leadership to Expand 4-H."

This was a real honor for the Woods and for Eastland County. Upon their return home, the leaders will be sharing the information gained with others in their local 4-H programs.

If you haven't fertilized your lawn this fall you should do so as soon as possible. An application of fertilizer should be made 3 days before the average first frost date. Recommended fertilizers for the application are 16-20-0 and 10-20-10. The 16-20-0 should be applied at the rate of about 12 pounds per 1000 square feet and the 10-20-10 should be applied at the rate of 20 pounds per 1000 square feet.

The root system develops during the fall and early spring. Deep and extensive root growth may be promoted by applying plant food at this time.

**Harvest Festival  
Nov. 7 In De Leon**

November 7th is a red letter day in De Leon for the United Methodist Church Parish. This is the day they will celebrate their 8th Harvest Festival which is a climax to their Lord's Acre-Hour Program.

It is always a pleasure to invite out-of-town friends to come enjoy the day that begins at 10 a. m. with the bake sale, "Flea Market" and bazaar. Those who come early get the best buys. Clear all calendars and spend the day. It will be an unusual and enjoyable one.

A barbecue dinner will be served from 5 to 7 p. m. followed by a lively auction. Those who miss the auction will miss a real treat - along with a chance to buy rare and unusual items.

Mark calendars and make plans. A big welcome is out in De Leon from United Methodist Church. Time: All day, Nov. 7th. Place: De Leon City Hall.

Altha Wilkerson, Publicity

**Homemaker's Hints**

Mrs. Janet Thomas,  
County Home Dem. Agent

Have you heard the good news? A SENIOR CITIZEN'S FALL HARVEST BAZAAR is planned for Saturday, November 21 in the Eastland First Christian Church Annex. The Bazaar will be held all day Saturday, and individuals wishing to bring in their handmade articles earlier may do so on Friday between the hours of 3 and 5 p. m. The Bazaar will be open all day Saturday, Nov. 21st to the public!

If you are 60 years of age or older, you are welcomed to show and sell any handmade articles or items at the Bazaar. The Bazaar is being sponsored by the Eastland County Home Demonstration Club and they plan to make this the biggest and best exhibition of talents and skills ever given in Eastland County. Adjoining counties are urged to participate.

The Home Demonstration Club ladies will also sponsor a bake sale during the bazaar. Home-made pies, cakes, and candy will be on sale.

The bazaar is open to the general public! Ya'll come!

Wild, warm fake fur is the target for big sewing ventures this winter, announces Mrs. Janet Thomas, County Home Demonstration Agent. To hit the bull's eye in style when sewing fake fur, follow these tips.

Choose a design with few styling details. Eased seams are difficult to handle.

Since fake fur is a pile fabric with a nap, check the pattern envelope under "with nap," for yardage requirements. If not listed, add three-eighths to three-fourths yard for cutting pattern pieces one way.

When cutting the fur fabric, eliminate seams wherever possible. For example, if there is a front opening, cut the facing and front center together. Lay pattern pieces on the wrong side of the fabric and have the nap running downward. Cut one layer at a time, in deep pile, cutting only the backing to avoid cutting the pile. Mark the fur fabric with chalk or tailor's tacks.

Basic seams of the fake fur garment to prevent shifting and stitch in the direction of the pile whenever possible. Loose pile yarns may get caught in the seams but can be released by pulling them gently with a pin or needle. If stitching on the pile side of the fabric, keep the pile flat by stitching through transparent cellophane tape.

Buttonholes are difficult to handle on fake fur garments, so another type closure is usually preferred.

Check the label on the end of the fake fur bolt for information about ironing. Some fur fabrics cannot be pressed with heat or steam; finger pressing may then

be used. If a velvet ironing board is not available, try a turkish towel or self-fabric placed face up on board with pile side of garment on top. Press lightly with steam iron in direction of the nap. Remaining fur fabric pieces may be used as trim detail on other garments.

A "Cooking School" is scheduled for Friday, November 6 in the Ranger Community Club House, located in city park of Ranger, from 2 until 4 p. m. The program will present food preparation and nutritional requirements for families. The program is open to the public. All homemakers are welcomed!
